Me: Awesome.

Nico: Poliwag tried to bite on Turkie when he was still alive.

Qin: That was funny.

Nico: Yeah. It sure was.

Karura came out and she had a beautiful purple and yellow harem girl outfit on and it had awesome yellow and purple jewels on it and her wings made the whole thing stand out beautifully.

Me: Wow! Karura you look incredible.

Qin: Boy that is perfect for you.

Karura: Thanks guys. I thought it was amazing myself.

Nico: I'll say.

Me: Yeah me too.

Nico: You must be very proud of Gaara for becoming the Kazekage.

Karura: I sure am. And I really raised verbal hell on Rasa.

Qin: Boy I don't blame you one bit for that.

Lola: Yeah.

Me: Sheesh! No kidding.

We paid for all the new clothes we bought and man there was a ton of them.

Many of us were carrying boxes and boxes and boxes and bags of them filled with jewelry, video games and more.

Me: MAN what a shopping trip.

Lola: No kidding!

Alexis: But this is so fun.

May: Let's keep our eyes peeled for any trouble.

Me: Right.

Nico: Lets be on the alert.

Allenby: But this is always so fun to go shopping.

Me: You said it Allenby.

Nicole: We never have this much fun on Black Friday.

Allenby: No we sure don't. But it's awesome to be with my family like this on events like this.

Eli: It sure is.

Maria: Today is Matt's first mission.

Me: And I'm really looking forward to this one.

Rarity: Oh me too darlings.

Qin: I have a feeling we're going to have fun on it.

Xenia: And for the 4th time, Dark Eddy will make his appearance.

Lola: Who knows what he will do this time.

Me: But we'll be ready for him.

Eddy: I'm gonna take my zoid out next time then.

Lola: Good call.

Me: Yeah.

Camie: Man we tried on all kinds of awesome outfits didn't we?

Sirius: They sure are awesome and stylish.

Allenby: I think it's cool.

Nico: But we can still interact with Ty and his friends on foot.

Me: We sure can.

Lana: It's gonna be awesome meeting them!

Nico: The Constructicons have been looking forward to this one too.

Qin: They sure have.

Allenby: Boy they sure have. (WINCES)

Her mark for Volans the Flying Fish in the Southern Hemisphere started glowing and we know what that means.

Me: Uh oh. The next Another Undead-Zodiart is near.

Eli: Yeah I feel it.

Then in the food court a huge swarm of flying fish flew in and circled around us.

Qin: Wow!

Varie: Look at the flying fish.

Camie: Beautiful.

Then they regrouped in front of us and formed into a figure and they formed into THE ANOTHER VOLANS UNDEAD ZODIARTS! It looked like a mixture of Charybdis Minosaur, Ship Org and Marine Zaboon!

Me: WHOA! Another Volans Undead Zodiarts!

Nico: The Flying Fish was a dead giveaway.

Me: And this is the 3rd monster for the Southern Hemisphere.

Nico: I knew something smelled fishy.

Me: Metaphorically.

Another Volans Undead Zodiart: (In a girls voice) That is funny.

Me: (Gasp) I know that voice!

She reverted back and it was a girl with aqua green hair and blue eyes and she was in a beautiful aqua blue bikini.

Me: Sofia Alighieri!

Sofia Alighieri: Good to see you again J.D.

Me: You too Sofia. A little cold out to be wearing a Bikini wouldn't you think so?

Sofia Alighieri: Yeah but I was like this when I was transformed.

Maria: I see.

Nico: You know her J.D.?

Me: I sure do. Sofia is the descendant of Dante Alighieri and she is also a girl that literally went to hell and back.

Sofia Alighieri: It's true. My ancestor went to Hell and saw what it was like and like my ancestor I battled many of his evil enemies. And I remember the one Canto you shared with me that got me into the works of my ancestor.

Me and Sofia: "They from one body came, and all Caina, Thou shalt search through, and shalt not find a shade more worthy to be fixed in gelatine."

Brittney: Canto XXXII verse 60 of Inferno. That was a wicked one.

Me: It sure was.

Sofia Alighieri: That's right. Man that was scary.

Nico: We've been to hell ourselves as well.

Sofia Alighieri: That is amazing.

Me: It was an absolute nightmare. But it brought back a sense of déjà-vu.

Sofia Alighieri: No kidding.

Femme Fatale: Who else is with you?

Sofia Alighieri: Believe it or not I saw a dark version of you.

Femme Fatale: Another me!?

Me: That means Another Version of Femme Fatale is not far behind.

Sofia Alighieri: No kidding.

Allenby: But I will gladly take you on before that.

Sofia Alighieri: You got it.

She went back to her Another Volans Undead Zodiart form and Allenby fired a beam of energy and it hit her and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I got the Rouse Card and Zodiarts switch and purified them. The Rouse Card had the stars of the constellation of Volans the Flying Fish in the Southern Hemisphere as well as a Flying Fish on it.

Me: Cool.

The Zodiarts Switch glowed and went to Allenby and she got an awesome armband for Volans.

I went and picked up Sofia.

Sofia Alighieri: (GROANS) What a horrible headache.

Me: But you're back to normal.

I brought her over to us and Maria wrapped her in a warm blanket.

Nico: That's that.

Me: Now for our next opponent.

Then out came a version of Femme Fatale wearing dark clothes. It was ANOTHER FEMME FATALE!

Nico: Right on cue!

Femme Fatale: Yep!

Me: I hope this one isn't a Misandristic Criminal like you were Jessica.

Femme Fatale: I hope not either.

Maria: Who the fuck are you?

Another Femme Fatale: (Transylvanian Accent) J.D. knows me.

Me: (GASP) Xenia Barbaneagra!

Another Femme Fatale: Good to see you again J.D.

Nico: You're from Transylvania?

Another Femme Fatale: That's right. I was looking for my father Count Spankulot.

We gasped!

Me: I didn't know that Count Spankulot was your father!

Nico: Oh man! Are you also a vampire?

Another Femme Fatale: I sure am. But I'm a Spank Happy Vampire.

Me: Well at least you aren't after blood. But your father is Lucy Heartfilia's archenemy.

Another Femme Fatale: That's what I heard.

Nico: But J.D. how do you know Xenia?

Me: Me and Xenia met on a school Foreign Exchange Program. She is an amazing girl that knows all about vampires and knows all about how to go after bad guys. Also she despises people doing bad stuff and gives them the most incredibly painful ever spanking ever. One time she spanked a bully so bad they literally had to cut off his own butt!

We gasped and then winced from that!

Nico: (Winces) OOH! Jeez! That really must've hurt!

Me: Believe me it hurt like a son of a bitch!

Qin: OUCH!

Kaito: (Gets out Faiz Gear) Did Swartz promise you anything?

Zocks: (gets out Blade gear) Because we can grant it instead.

Another Femme Fatale: Just to be a big women's rights supporter as well as a powerful Spank Happy Vampire.

Me: You already have both those qualities.

Another Femme Fatale: I knew that Swartz lied to me! He has been very bad!

Me: Well I'm afraid we already beat you to the punch on that. He's already dead.

Qin: Yeah we killed him and gave him the Black Gates.

Another Femme Fatale: Good.

Me: Sorry we have to fight you like this.

Another Femme Fatale: It's all right.

Me: It'll be sunrise in about 3 hours but after our big mission later today we'll be really tired.

Qin: Yep.

Kaito: Lets get it on!

Kaito got a Faiz Blaster and Zocks got a Rouse Card King Sword!

Qin: Awesome!

Me: Time to start with darkness. (ACTIVATES COUNT SPANKULOT'S RIDEWATCH)

I made dummies of TLES around her.

(LUNA'S FUTURE PLAYS)

Me: (SINGING DIVINELY AS DARKNESS SWIRLED AROUND ME)

I see a cold wind blowing through

I see days neither fun nor free

I see a future caused by you

I see a path not meant to be

The future should be filled with magic

Dreams and wishes brought to life

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Team Loud Evil Storm

Now, the future is a cold nightmare

Everyone had shivers of fear going down their spines as I sang that and then I fired waves of darkness and they hit the dummies and they hit Another Femme Fatale and smashed her down and destroyed the dummies.

Nico: (GULPS) Scary!

Eli: But it fits perfectly for Team Loud Evil Storm.

Sougo: (gets out Wizard Ridewatch) It's funny that I'm using this because Matt's mission later and those related to it involve Wizard Rings.

Armor Time! (Drumroll to upbeat music) Please! Wizard!

Geiz: (gets out Blades Ridewatch) I wonder who Matt and the others will fight first.

Sougo got WizardArmor while Geiz got BladesArmor.

Me: If I had to guess probably D-Structs.

Qin: Yeah he is the main target.

Me: One of them.

Twilight Sparkle: My turn. (ACTIVATES KAOS'S RIDEWATCH)

(PALE BY WITHIN TEMPTATION PLAYS)

Twilight Sparkle: (SINGING DIVINELY AS THE 10 ELEMENTS SWIRLED AROUND HER)

The world seems not the same

Though I know nothing has changed

It's all my state of mind

I can't leave it all behind

I have to stand up to be stronger

I have to try

To break free from the thoughts in my mind

Use the time that I have I can't say

Goodbye, have to make it right

I have to fight

'Cause I know in the end it's worthwhile

That the pain that I feel slowly fades

Away, it will be alright

I know should realize

Time is precious it is worthwhile

Despite how I feel inside

Have to trust it will be alright
Have to stand up to be stronger
I have to try
To break free from the thoughts in my mind
Use the time that I have I can't say
Goodbye, have to make it right
I have to fight
'Cause I know in the end it's worthwhile
That the pain that I feel slowly fades
Away, it will be alright
Oh, this night is too long
Have no strength to go on
No more pain, I'm floating away
Through the mist I see the face
Of an Angel, who calls my name
I remember you're the reason I have to stay
I have to try to break free
From the thoughts in my mind
Use the time that I have I can say
Goodbye, have to make it right
I have to fight
Cause I know in the end it's worthwhile

That the pain that I feel slowly fades

Away, it will be alright

Twilight floated into the air as light from the heaves shined down onto her and she fired waves of the 10 elements and blasted down Another Femme Fatale.

Me: OH YEAH!

Brittney: Awesome song choice Twilight!

Twilight Sparkle: That was awesome.

Sunset Shimmer: Lets see how you like this cheese. (ACTIVATES NERGAL'S RIDEWATCH)

(WE BELONG BY PAT BENATAR PLAYS)

Sunset Shimmer: (SINGING DIVINELY AS PIZZAS AND FIRE SWIRLED AROUND HER)

Many times I tried to tell you

Many times I cried alone

Always I'm surprised how well you cut my feelings to the bone

Don't want to leave you really

I've invested too much time to give you up that easy

To the doubts that complicate your mind

We belong to the light, we belong to the thunder

We belong to the sound of the words we've both fallen under

Whatever we deny or embrace for worse or for better

We belong, we belong, we belong together

Maybe it's a sign of weakness when I don't know what to say

Maybe I just wouldn't know what to do with my strength anyway
Have we become a habit? Do we distort the facts?
Now there's no looking forward
Now there's no turning back
When you say
We belong to the light, we belong to the thunder
We belong to the sound of the words we've both fallen under
Whatever we deny or embrace for worse or for better
We belong, we belong, we belong together
Close your eyes and try to sleep now
Close your eyes and try to dream
Clear your mind and do your best to try and wash the palette clean
We can't begin to know it, how much we really care
I hear your voice inside me, I see your face everywhere
Still you say
We belong to the light, we belong to the thunder
We belong to the sound of the words we've both fallen under
Whatever we deny or embrace for worse or for better
We belong, we belong, we belong together
We belong to the light, we belong to the thunder
We belong to the sound of the words we've both fallen under
Whatever we deny or embrace for worse or for better

We belong, we belong, we belong together

We belong to the light, we belong to the thunder

She floated into the air and fired waves of energy and fire and pizzas and smashed down Another Femme Fatale!

Qin: YEAH!

Nico: Cheesy and awesome.

Laney: Yeah it was!

Nico: (takes out Femme Fatale's Ridewatch) Time for girl power!

Nico activated it.

(STARS BY GRACE POTTER AND THE NOCTURNES PLAYS)

Nico: (SINGING DIVINELY AS STARS AND BLUE FIRE SWIRLED AROUND HIM)

I lit a fire with the love you left behind

And it burned wild and crept up the mountainside

I followed your ashes into outer space

I can't look out the window, I can't look at this place

I can't look at the stars

They make me wonder where you are

Stars, up on Heaven's boulevard

And if I know you at all,

I know you've gone too far

So I, I can't look at the stars

All those times we looked up at the sky

Looking out so far, we felt like we could fly

And now I'm all alone in the dark of night

The moon is shining but I can't see the light

And I can't look at the stars

They make me wonder where you are

Stars, up on Heaven's boulevard

And if I know you at all,

I know you've gone too far

So I, I can't look at the stars

Stars

Stars, they make me wonder where you are

Stars up on Heaven's boulevard

And if I know you at all,

I know you've gone too far

So I can't look at the stars

Nico floated into the air and fired waves of stars and energy and smashed her down.

Qin: OH YEAH!

Me: Love that song!

Applejack: YEEHAW! Time for some country power! (ACTIVATES THE MAN WITH NO NAME (TIME SQUAD'S) RIDEWATCH)

(AIN'T GOIN' DOWN (TIL THE SUN COMES UP) BY GARTH BROOKS PLAYS)

Applejack: (SINGING DIVINELY AS ROCKS AND BOULDERS SWIRLED AROUND HER)

Six o'clock on Friday evening

Momma doesn't know she's leaving

'Til she hears the screen door slamming

Rubber squealin', gears a-jamming

Local country station just a blaring on the radio

Pick him up at seven and they're headin' to the rodeo

Momma's on the front porch screamin' out her warning

Girl you better get your red head

Back in bed before the morning

Nine o'clock the show is ending

But the fun is just beginning

She knows he's anticipating

But she's gonna keep him waiting

Grab a bite to eat

And then they're heading to the honkey tonk

But loud crowds and line dancing

Just ain't what they really want

Drive out to the boondocks

And park down by the creek

And where it's George Strait

Real late dancing cheek to cheek

Ain't going down

'Til the sun comes up

Ain't givin' in

'Til they get enough

Going 'round the world

In a pickup truck

Ain't goin' down

'Til the sun comes up

Ten 'til twelve is wine and dancing

Midnight starts the hard romancing

One o'clock that truck is rocking

Two is coming, still no stopping

Break to check the clock at three

They're right on where they want to be

And four o'clock get up and going

Five o'clock that rooster's crowing

Yeah ain't going down

'Til the sun comes up

Ain't givin' in

'Til they get enough

Going 'round the world

In a pickup truck

Ain't goin' down

'Til the sun comes up

Six o'clock on Saturday

Her folks don't know he's on his way

The stalls are clean, the horses fed

They say she's grounded 'til she's dead

Well here he comes around the bend

Slowing down, she's jumping in

Hey mom, your daughter's gone

And there they go again

Ain't going down

'Til the sun comes up

Ain't givin' in

'Til they get enough

Going 'round the world

In a pickup truck

Ain't goin' down

'Til the sun comes up

She floated and fired waves of rocks and smashed her down.

Nico: YEEHAW! Rock on!

Me: YEEHAW! That was awesome!

Rarity: Oh time for some power from me. (ACTIVATES DUFF KILLIGAN'S RIDEWATCH)

(THE HIGHWAYMAN BY LOREENA MCKENNITT PLAYS)

Rarity: (SINGING DIVINELY AS JEWELS AND WATER SWIRLED AROUND HER)

The wind was a torrent of darkness among the gusty trees

The moon was a ghostly galleon tossed upon the cloudy seas

The road was a ribbon of moonlight over the purple moon

A highwayman came riding

Riding, riding

A highwayman came riding, up to the old inn-door

He'd a french cocked hat on his forehead, a bunch of lace at his chin

A coat of glaring velvet, and breeches of brown doe skin

They fitted with never a wrinkle, his boots were up to the thigh

And he rode with a chill and a twinkle

His pistol butts a twinkle

His rapier hilt a twinkle, under the jeweled sky

And over the cobbles he clattered and clashed in the dark of night

And he tapped with his whip on the shutters, but all was locked and barred

He whistled a tune to the window, and who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a long dark red love-knot into her long black hair

One kiss, my bonny sweetheart, I'm after a prize tonight

But I shall be back with the yellow gold before the morning light

Yet if they press me sharply, and harry me through the day

Then look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way

He rose upright in the stirrups, he scarce could reach her hand

She loosened her hair in the casement, her face burnt like a brand

As the black cascade of perfume came tumbling over his breast

And he kissed its waves in the moonlight

Oh, sweet waves in the moonlight!

Then he tugged at his rein in the moonlight, and galloped away to the west

He did not come at the dawning, he did not come at noon

And out of the tawny sunset, before the rise of the moon

When the road was a gypsy's ribbon, looping the purple moon

A red-coat troop came marching

Marching, marching

King George's men came marching, up to the old inn-door

They said no word to the landlord, they drank his ale instead

But they gagged his daughter and bound her to the foot of her narrow bed

Two of them knelt at the casement, with muskets at their side

There was death at every window

Hell at one dark window

For Bess could see, through the casement

The road that he would ride

They had tied her up to attention, with many a sniggering jest

And they bound a musket beside her, with the barrel beneath her breast

Now keep good watch and they kissed her

She heard the dead man say

"Look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

She twisted her hands behind her, but all the knots held good

She writhed her hands 'til her fingers were wet with sweat or blood!

They stretched and strained in the darkness and the hours crawled on by like years!

'Til, now, on the stroke of midnight

Cold, on the stroke of midnight

The tip of one finger touched it!

The trigger at least was hers

Tlot-tlot! Had they heard it? The horse-hoofs ringing clear

Tlot-tlot, in the distance, were they deaf that they did not hear?

Down the ribbon of moonlight, over the brow of the hill

The highwayman came riding

Riding, riding

The red-coats looked to their priming

She stood up straight and still

Tlot in the frosty silence, tlot, in the echoing night

Nearer he came and nearer, her face was like a light

Her eyes grew wide for a moment, she drew one last deep breath

Her finger moved in the moonlight

Her musket shot her in the moonlight

Shattered her breast in the moonlight and warned him with her death

He turned, he spurred to the west, he did not know she stood

Bowed, with her head o'er the musket, drenched with her own red blood

Not 'til the dawn he heard it, his face grew grey to hear

How Bess, the landlord's daughter

The landlord's black-eyed daughter

Watched for her love in the moonlight, and died in the darkness there

And back, he spurred like a madman, shrieking a curse to the sky

With a white rope smoking behind him and his rapier brandished high

Blood-red were the spurs inthe golden moon, wine-red was his velvet coat

When they shot him down on the highway

Down like a dog on the highway

And he lay in his blood on the highway, with a bunch of lace at his throat

Still of a winter's night, they say, when the wind is in the trees

When the moon is a ghostly galleon, tossed upon the cloudy seas

When the road is a ribbon of moonlight over the purple moon

The highwayman comes riding

Riding, riding

The highwayman comes riding, up to the old inn-door

She floated into the air and fired waves of jewels and smashed her down.

Nico: (gets out Evil Flare Woman's Ridewatch) Let's flare things up! (ACTIVATES IT)

(Like a Rolling Stone by Bob Dylan Plays)

Nico: (SINGING DIVINELY AS FIRE SWIRLED AROUND HIM)

Once upon a time you dressed so fine

Threw the bums a dime in your prime, didn't you?

People call say 'beware doll, you're bound to fall'

You thought they were all kidding you

You used to laugh about

Everybody that was hanging out

Now you don't talk so loud

Now you don't seem so proud

About having to be scrounging your next meal

How does it feel, how does it feel?

To be without a home

Like a complete unknown, like a rolling stone

Ahh you've gone to the finest schools, alright Miss Lonely

But you know you only used to get juiced in it

Nobody's ever taught you how to live out on the street

And now you're gonna have to get used to it

You say you never compromise

With the mystery tramp, but now you realize

He's not selling any alibis

As you stare into the vacuum of his eyes

And say do you want to make a deal?

How does it feel, how does it feel?

To be on your own, with no direction home

A complete unknown, like a rolling stone

Ah you never turned around to see the frowns

On the jugglers and the clowns when they all did tricks for you

You never understood that it ain't no good

You shouldn't let other people get your kicks for you

You used to ride on a chrome horse with your diplomat

Who carried on his shoulder a Siamese cat

Ain't it hard when you discovered that

He really wasn't where it's at

After he took from you everything he could steal

How does it feel, how does it feel?

To be on your own, with no direction home

Like a complete unknown, like a rolling stone

Ahh princess on a steeple and all the pretty people

They're all drinking, thinking that they've got it made

Exchanging all precious gifts

But you better take your diamond ring, you better pawn it babe

You used to be so amused

At Napoleon in rags and the language that he used

Go to him he calls you, you can't refuse

When you ain't got nothing, you got nothing to lose

You're invisible now, you've got no secrets to conceal

How does it feel, ah how does it feel?

To be on your own, with no direction home

Like a complete unknown, like a rolling stone

He floated and fired waves of energy and fire and smashed her down.

Qin: YEAH!

Me: Love Bob Dylan. That's one of my dad's favorites Nico.

Nico: That was awesome. J.D. mind if I have a crack at that statue that looks like me?

Me: Coming right up.

I formed a statue of the evil version of him.

What a day, what a day to take to

What a way, what a way to make it through

What a day, what a day to take to a wild child

Only take the time

Every day you find

Everything's in kilter

You don't need a reason

Let the day go on and on

Every spring to come

Every autumn leaving

Nico floated and fired bombs and they hit the statue of Evil Nico and then..

EXTREMELY MASSIVE FIERY EXPLOSION!

Qin: YEAH! Evil Nico you have failed yours and this universe!

Nico: Well said Qin.

Another Femme Fatale: That evil version of you Nico is bad news.

Nico: You have no idea.

The journey home is never too long

Your heart arrives before the train

The journey home is never too long

Some yesterdays always remain

I'm going back to where my heart was light

When my pillow was a ship, I sailed through the night

Aaah, aaah, aaah, aaah, aaah…

The journey home is never too long

When open hearts are waiting there

The journey home is never too long

There's room to love and room to spare

I want to feel the way that I did then

And think my wishes through before I wish again

Aaah, aaah, aaah, aaah, aaah…

Not every boat you come across is one you have to take

No, sometimes standing still can be the best move you ever make

The journey home is never too long

Comes helps to heal the deepest pain

The journey home is never too long

Your heart arrives before the train

From Bali to Cali
Far beneath the Coral Sea
We can sail, we can sail
Sail away, sail away, sail away
From Bissau to Palau
In the shade of Avalon
We can sail, we can sail
Sail away, sail away, sail away
We can reach, we can beach

Far beyond the Yellow Sea

We can sail, we can sail

Sail away, sail away, sail away

From Peru to Cebu

Feel the power of Babylon

We can sail, we can sail

Sail away, sail away, sail away

We can sail, we can sail

Sail away, sail away, sail away

Sail away, sail away, sail away

Sail away, sail away, sail away

Sail away, sail away, sail away

Sail away, sail away, sail away

(ONE NIGHT IN BANGKOK BY MURRAY HEAD PLAYS)

Starlight Glimmer: (SINGING DIVINELY AS THAI SYMBOLS SWIRLED AROUND HER)

Bangkok, Oriental setting

And the city don't know that the city is getting

The creme de la creme of the chess world

In a show with everything but Yul Brynner

Time flies doesn't seem a minute

Since the Tirolean spa had the chess boys in it

All change don't you know that when you

Play at this level there's no ordinary venue

It's Iceland or the Philippines or Hastings or

Or this place!

One night in Bangkok and the world's your oyster

The bars are temples but the pearls ain't free

You'll find a god in every golden cloister

And if you're lucky then the god's a she

I can feel an angel sliding up to me

One town's very like another

When your head's down over your pieces, brother

It's a drag, it's a bore, it's really such a pity

To be looking at the board, not looking at the city

Whaddya mean?

Ya seen one crowded, polluted, stinking town

Tea, girls, warm, sweet

Some are set up in the Somerset Maugham suite

Get thai'd, you're talking to a tourist

Whose every move's among the purest

I get my kicks above the waistline, sunshine

One night in Bangkok makes a hard man humble

Not much between despair and ecstasy

One night in Bangkok and the tough guys tumble

Can't be too careful with your company

I can feel the devil walking next to me

Siam's gonna be the witness

To the ultimate test of cerebral fitness

This grips me more than would a

Muddy old river or reclining Buddha

And thank God I'm only watching the game controlling it

I don't see you guys rating

The kind of mate I'm contemplating

I'd let you watch, I would invite you

But the queens we use would not excite you

So you better go back to your bars, your temples

Your massage parlours

One night in Bangkok and the world's your oyster

The bars are temples but the pearls ain't free

You'll find a god in every golden cloister

A little flesh, a little history

I can feel an angel sliding up to me

One night in Bangkok makes a hard man humble

Not much between despair and ecstasy

One night in Bangkok and the tough guys tumble

Can't be too careful with your company

I can feel the devil walking next to me

She floated and fired waves of energy and skulls and smashed her down.

Maria: (gets out Miraj Scintel's Ridewatch)) Let's keep going.

Eli: May the Force be with us.

Maria activated it.

(SAFETY DANCE BY MEN WITHOUT HATES PLAYS)

Maria: (SINGING DIVINELY AS ENERGY AND LIGHTNING SWIRLS AROUND HER)

We can dance if we want to

We can leave your friends behind

'Cause your friends don't dance

And if they don't dance

Well, they're no friends of mine

Say, we can go where we want to

A place where they will never find

And we can act like we come

From out of this world

Leave the real one far behind

And we can dance

Or sing

We can go when we want to

Night is young and so am I

And we can dress real neat

From our hats to our feet

And surprise 'em with the victory cry

Say, we can act if we want to

If we don't, nobody will
And you can act real rude and totally removed
And I can act like an imbecile
And say, we can dance, we can dance
Everything's out of control
We can dance, we can dance
They're doing it from pole to pole
We can dance, we can dance
Everybody look at your hands
We can dance, we can dance
Everybody's taking the chance
Safety dance
Oh well, the safety dance
Ah yes, the safety dance
We can dance if we want to
We've got all your life and mine
As long as we abuse it, never gonna lose it
Everything'll work out right
I say, we can dance if we want to
We can leave your friends behind
Because your friends don't dance
And if they don't dance

Well, they're no friends of mine

I say, we can dance, we can dance

Everything's out of control

We can dance, we can dance

We're doing it from pole to pole

We can dance, we can dance

Everybody look at your hands

We can dance, we can dance

Everybody's taking the chance

Oh well, the safety dance

Ah yes, the safety dance

Oh well, the safety dance

Oh well, the safety dance

Oh yes, the safety dance

Oh, the safety dance, yeah

Well, it's the safety dance

It's the safety dance

Well, it's the safety dance

Well, it's the safety dance

Oh, it's the safety dance

Oh, it's the safety dance

She floated and fired waves of lightning and smashed down Another

Pinkie Pie: (SINGING DIVINELY AS GEARS AND ENERGY SWIRLED AROUND HER)

Well, you can tell by the way I use my walk

I'm a woman's man, no time to talk

Music loud and women warm, I've been kicked around

Since I was born

And now it's alright, it's okay

And you may look the other way

We can try to understand

The New York Times' effect on man

Whether you're a brother or whether you're a mother

You're stayin' alive, stayin' alive

Feel the city breakin' and everybody shakin'

And we're stayin' alive, stayin' alive

Ah, ha, ha, ha, stayin' alive, stayin' alive

Ah, ha, ha, ha, stayin' alive

Oh, when you walk

Well now, I get low and I get high

And if I can't get either, I really try

Got the wings of Heaven on my shoes

I'm a dancin' man and I just can't lose

You know it's alright, it's okay

I'll live to see another day

We can try to understand

The New York Times' effect on man

Whether you're a brother or whether you're a mother

She danced and fired waves of energy and gears and smashed her down!

Nico: ROCK ON!

Qin: Love the Bee Gees!

Maria: (gets out Dordora's Ridewatch) Behold, the power of Siblings.

Maria activated it And fired waves of energy and smashed her down!

Qin: Take that!

Then LaGrange's team came out and it had Live Action Thrust, Mimet, Asuka Lan, Good Evolt and Big Burpa!

LaGrange: Hey guys!

Nico: Nice team, LaGrange!

Me: Awesome! And Asuka Lan it's an honor.

Asuka Lan: Same here J.D.

Me: Vinyl Scratch's Ambassador Missions with you start right around the late first half 2023. I think.

Asuka Lan: That's what I heard and Vinyl it's an honor to meet you.

Vinyl Scratch: Same to you. I heard you have amazing powers as an angel and a demon.

Asuka Lan: I sure do.

I went over to the good Evolt.

Me: You must be the good version of Evolt.

Good Evolt: I sure am. And you really did good by taking down this universe's version of me.

Me: That was the Prime Universe's version of you.

Good Evolt: It was. Also yes you are right J.D. the Kamen Riders in our world are evil and the villains that you know are good.

Qin: Wow! J.D. called it yesterday.

Banjo: (to Asuka Lan) So, what's your story?

Asuka Lan: I don't want to talk about it

Good Evolt: Yo, Banjo. Don't pressure her, alright? She's really feeling guilty about the bad shit she did to the hero of her world.

Sento: Compassionate and considerate? You're definitely the opposite of the Evolt we killed.

Good Evolt: Thanks. I sure am.

Me: And I'm willing to bet that you killed the evil versions of the Build Riders in your world.

Good Evolt: I sure did and got these for you guys.

He gave us all Fullbottles imbued with all our powers.

Me: Whoa!

Nico: Fullbottles full of our powers. Amazing.

Me: Awesome. Lets see what they can do.

I activated mine.

I fired a powerful blast of blue fire and energy and smashed down Another Femme Fatale in a powerful explosion!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down.

Me: Whoa! That was powerful!

Nico: Amazing!

Eli: Wow!

Me: Yeah! Also the Prime Universes version of Soichi Isurugi died after we freed him from our version of you.

Good Evolt: I heard. May Soichi rest in peace. He did not deserve what happened to him.

Me: No he didn't.

Another Femme Fatale: That was awful.

Sasame: (gets out Evil Flare Woman's Ridewatch) My turn!

She activated it and fired a massive blast of fire and smashed down Another Femme Fatale.

Qin: YEAH!

Lola: Awesome!

Good Evolt: Oh here.

He got out a bag and in it was a bunch of Legend Items imbued with the powers of us for the Rangers and Riders. WHOA!

Me: Whoa!

Eli: Legend Items imbued with OUR powers!

Me: Amazing. Next to the Masters of Evil's powers now we ALL have our OWN Legend Items for us.

Nico: Cool!

Good Evolt: It was right after we killed all the riders and rangers in our world.

Varie: Incredible.

Nico: Awesome. Now we have M.O.E. And TLPS Legend Items.

Qin: Awesome.

Maria: Now where's the next Gene Slammer?

?: Someone call?

We saw a GIGANTAMAX BUTTERFREE APPEAR!

Me: WHOA! A Gigantamax Butterfree!

Nico: Not what I was expecting!

It changed back to a Butterfree.

Me: Whoa! It can change its forms of Butterfree!

Nico: Awesome!

Butterfree: (In a girls voice) It sure is. Awesome to see you again Nico.

Nico: Alexis Butterfly! Wow!

Me: Wait are you related to…

Butterfree: That's right. Star Butterfly is my cousin.

Qin :Wow!

Laney: We didn't know Star was your cousin.

Butterfree: Yeah I got this.

She fired a Swift Attack blast and it hit Another Femme Fatale and knocked her down and I caught the Ridewatch and it was for Alexis Rhodes and I purified it.

Me: Cool!

I went over to Xenia and picked her up. She was a girl that had pitch black hair and black clothes and she had fangs. She was weak.

Me: Oh man.

I took out my dagger and slashed my wrist.

Me: Xenia drink.

I gave her some of my blood and she drank it and was better.

My wound healed and She got up.

Xenia Barbaneagra: Wow! That helped. Thanks J.D.

Me: Sorry about that. But you're welcome.

We went over to everyone.

Nico: Wow! Your blood worked wonders for her.

Xenia Barbaneagra: I am a vampire and sometimes I need blood.

Butterfree: But that was awesome.

Sasame: What's your favorite memory of Nico?

Butterfree: Well me and Nico did a lot of things over the years. One time me and Nico killed Toffee after he was destroyed by Star. That was my favorite.

Nico: Oh yeah. We obliterated him into nothing and made sure nothing of him remained.

Qin: Wow!

Camie: Who was Toffee?

Brittney: I've heard about him. Toffee was one badass malevolent monster and a total douchebag. Star's mother defeated him before.

Brittney went over his history.

Toffee is the main antagonist of the Disney XD animated series Star vs. the Forces of Evil.

He serves as the overarching antagonist of Season 1, and the main antagonist of season 2 and the third season premiere "The Battle for Mewni", and the posthumous overarching antagonist for the remainder of the series. He is a mysterious lizard monster known as a Septarian who want to rid Mewni of magic. He also the arch-nemesis of Queen Moon Butterfly and Princess Star Butterfly.

He was voiced by Michael C. Hall, who also played Dexter Morgan in the hit TV series Dexter and Ken Castle in the film Gamer. Past

As revealed in the film " *The Battle for Mewni* ", before the start of the series, Toffee (also known as "The Lizard") was a general in the monster army of Archduke Batwin fighting against the Mewnans. However after his king decided to sign a peace treaty with the mewmans, he and his group split off to fight on their own. When Archduke Batwin and the then queen of Mewni, Comet Butterfly were about to sign a peace treaty, he murdered her, making Comet's daughter Moon Butterfly (then only a child) the new queen. Using a dark spell given to her by Eclipsa, Moon approached Toffee and his equally immortal army to kill him, but realizing the magic was making her dark and that Eclipsa would be free if she did (which was part of the bargain she made with Eclipsa), she simply used the spell to separate the middle finger off his right hand. When Toffee proved unable to regenerate it his army ran away scared forcing Toffee to withdraw begrudgingly, beginning a lifelong grudge against Moon.

Season 1

Years later when Moon has grown up and had her own daughter Star Butterfly, Toffee first appears in the series as an "evil efficiency expert" who is first hired by Ludo in the season one's episode " *Fortune Cookies* ". Discovering that Star took fortune cookies seriously, he had Ludo's minions give Star a fortune cookie that said "Love is always the answer," so that she would refuse to fight back against the monsters, giving them hugs instead. However, when the two-headed monster told Star the truth, she blasted the monsters away, foiling Toffee's plan.

In " *Mewnipendence Day* ", Toffee replaced Ludo's right-hand man Buff Frog, who did not trust him, with an electronic eye to spy on Star. He also introduced a mace with a portal hidden inside it and sent Buff Frog to use it to get Star's wand to Ludo. However, he sabotaged the device so it would not work for Buff Frog, resulting in him failing his mission. Toffee then convinced Ludo to fire Buff Frog.

Toffee and Ludo's minions turn against Ludo.

After Ludo's attempt to take Star's wand when the house became a labyrinth of Marco's beard was foiled, Toffee told Ludo's minions that Ludo was incompetent as a leader, and told them to choose between the two of them. The monsters chose Toffee as their new leader, and Ludo was kicked out of his castle.

In the Season One's finale, Toffee captured Marco and held him for ransom for Star's wand. Star, Ludo, and Buff Frog joined forces to defeat him, during which Star blasted his left arm off, but he regenerated it and threatened to crush Marco, revealing that he wanted Star to destroy her wand rather than give it to him. Star used the Whispering Spell to destroy her wand, which caused an explosion that blew up Ludo's castle, presumably killing Toffee; however, he is seen smiling as his "death" unfolds, hinting that he expected the wand to explode and that he may possibly be alive, or that his plan has yet to truly come to fruition.

Season 2

In the Season Two's second episode " *Ludo in the Wild* ", after being banished to another dimension by Star following the Season One's finale and the destruction of his castle, Ludo discovers a dark wand made from the right half of Star's wand and Toffee's skeletal right hand which he continues to use from that point on. It is also revealed that the wand "speaks" to him, hinting that Toffee's ghost is manipulating Ludo from inside the wand.

In the episode " *Into the Wand* ", Star tries to fix her own wand and discovers Toffee's finger inside of it, so she removes it and places it inside her secrets closet.

In the episode " *Page Turner* " Toffee is pictured in a crystal ball while trying to find the source for the universes depletion of magic.

At some point the wand (Toffee) tells Ludo where to find an ancient monster temple to live in.

In the episode " *The Hard Way* ", it is confirmed that Toffee is indeed inside Ludo's wand: when Ludo becomes tainted by the dark magic of Queen Eclipsa's chapter in the Magic Instruction Book, this allows Toffee to take possession of his body. Toffee tells Glossaryck that he'll never get Ludo on his side, but Glossaryck says he doesn't have a side. In response to this, Toffee laughs and says, "Excellent."

In " *Starcrushed* ", Toffee completely takes control of Ludo's body and his skeletal hand regenerates onto Ludo's arm fusing the magic crystal to his palm. He then proceeds to beat and drain the magic of all the Magic High Commission members, leaving Hekapoo, Rhombulus, and Omnitraxus Prime in a comatose state. Chancellor Lekmet uses up the last portion of his life energy to revive Moon and dissolves into dust, leaving behind a single horn. Moon rises to take on Toffee but is easily defeated, and grabs her allies to escape. Before Moon leaves through a portal Toffee tells her to tell Star he will be coming for his finger.

*Star vs. the Forces of Evil: The Battle for Mewni*

In the movie " *The Battle for Mewni* ", it is revealed that Toffee instructed Glossaryck to stay hidden during the events of " *Starcrushed* " in order to initiate a scheme to absorb the powers of the Magic High Commission. After Ludo furiously throws the Book of Spell into a fire, Toffee re-possesses Ludo and says while he did not intend for Glossaryck to disappear, it still works to his advantage. Toffee's manipulations prove successful to the point where Ludo overthrows King River and takes over his position.

Star then uses the Whispering Spell and lets it absorb her into the wand crystal where Toffee emerges as an enormous slimy version of himself and takes her on, all the while convincing Moon to give him back his finger through Ludo. Moon finally agrees and as the finger merges with his hand, he says goodbye to Star and leaves her trapped as his true body emerges and forms around Ludo before spitting him out and declaring Star to be gone.

As he leaves, an enraged Moon uses the Darkest Spell taught by Eclipsa, but is surprised when it does nothing to him. Toffee easily defeats Moon and Marco and prepares to leave them behind forever, having both recovered his finger and fulfilled his revenge on Moon. However, Star successfully breaks free from the inside, causing the wand halves to merge together and allowing Star to gain a new Mewberty form, in which she uses to burn the villainous lizard and sear his skin clean off, leaving him as a horrendous black ink-like creature with part of his ribs showing.

He merely laughs and says that it's not over and that he made all the plans and that only he knows how everything turns out before Ludo pushes a pillar onto him, destroying most of him and leaving only his black destroyed hand and eyeball, the rest of him having melted into sludge.

Ludo proclaims that it turned out that Toffee is dead. With his destruction, Eclipsa's prison begins to crack. However, Toffee's last words about more unknown plans remains a mystery, especially with his claim that he is the only one who knows the plan. Furthermore, based on the fact that he already has all Magic High Commission members' power which powerful enough to rule Mewni as well as killing Moon easily, he chooses to walk away after getting his finger back rather than ruling Mewni suggesting that ruling Mewni or getting revenge on Moon are not his end goals. As of the show's final season, it seems likely that Toffee's actions were ultimately at the behest of a higher power.

Season 4

A younger version of Toffee appears in the season four episode " *Meteora's Lesson* ", in which it is revealed that Toffee was a "bad boy" teenager and had broken Glossaryck's arm due to the latter making a leaf hat. However, when Toffee was about to break Glossaryck's other arm, Meteora shoots green beams from her eyes at the Septarian, surrounding him with green-colored energy and making him unconscious for a quick moment. However, as soon as he regains consciousness, Toffee states that magic is the reason that there is a war going on between the Mewmans and the Septarians.

In "The Tavern at the End of the Multiverse", Star develops a hatred towards magic which is similar to Toffee's motives and that she thinks its the only way to defeat Mina Loveberry and her Solarian warriors. Inside Glossaryck's magic eye, Star even admits that he is right, looking at the tapestry where he is defeated by Moon. Suddenly, the pictured Toffee comes to life and yells out "Surprise!" in a similar matter in "Storm the Castle". This startled Star and thus she is sent out of Glossaryck's eye.

---

When she was done we were shocked!

Me: WHOA!

Nico: Yeah he was awful. But thanks to Alexis she gave him the Black Gates.

Me: You know the Black Gates too?

Butterfree: I sure do. I used a powerful spell that opened a portal to the Black Gates and banished his spirit into it.

Eli: Incredible.

Me: Yeah.

Butterfree: I would like to be reverted back please.

Me: Sure thing

Butterfree: I am also naked just so you know.

Nicole: Oh boy. No one peak or I will kill you.

I put on my blind man glasses and Everyone covered their eyes and I snapped my fingers and Alexis reverted back and she was a girl with long flowing blond hair and she had blue eyes and beautiful butterfly wings. Maria and the Fashion Brigade gave her new clothes and she had blue clothes on and they were awesome. Alexis also had sun marks on her cheeks.

Alexis Butterfly: Wow! I look great.

Nico: You sure do.

Alexis and Nico hugged.

Nico: I've really missed you.

Alexis Butterfly: Me too Nico. Me too.

Me: By the way Alexis were you shocked to see that Star merged Mewni and Earth together?

Alexis Butterfly: I sure was and I was really amazed that she managed to do that.

Me: Yeah. It was intense.

I went over what happened after we destroyed the Horned King in chapter 755.

---

Outside we were enjoying ourselves and relaxing by the lake and Nico caught a Bonsly and a Bronzong.

Maria: I just realized that this date was when I joined you guys.

Me: That's right. It was 1 year ago today.

William: Yep.

Suddenly a massive blinding flash of light illuminated the whole planet and we shielded our eyes. But then when the light faded, we saw an incredible and absolutely unbelievable sight. The planet Earth was now completely different and totally changed beyond all form of imagination. We saw 3 moons in the sky and one moon had rings around it and the sky was illuminated with the dazzling display of the aurora. We saw that the trees had crystal clusters all over them and there were two ruined castles and monsters and strange creatures were all over the place and so were mermaids, sprites, fairies and more. We saw strange landscapes and more. Our planet was now completely unrecognizable!

Me: Whoa! What happened to the whole planet!?

Zoe: (Gasp) I… I… I can't believe it! The worlds of Mewni and Earth are now fully merged together!

We gasped in sheer amazement! Our worlds were now one!

Laney: Our world and Star's world are now one!?

Me: How did this happen!?

Zoe: Star must've done this. She told me that she was gonna destroy the magic. For eons, the World of Magic dimension has been causing a lot of trouble for Mewni and the dimensions across the cosmos that it knows.

Brittney: Is that even possible?

Me: We better go see if she's all right.

We went to the ruined castle and we saw that it was still standing but ruined.

Me: Hello?

Laney: Is anyone here?

Zoe: Star? Marco? Lady Moon?

Star B.: Guys!

We saw Star and Marco.

Me: Star!

Me and Star hugged.

Me: Thank goodness you and Marco are okay.

Star B.: Thanks J.D.

I saw that Star's Heart marks on her face are totally gone.

Me: Your heart marks on your face are gone.

Star B.: I destroyed the magic. I used the Whispering Spell and destroyed the whole world of Magic.

Me: That's incredible!

Marco: She did it.

Me: She really did it.

I saw bandages on Marco's stomach.

Me: Are you all right Marco?

Marco: I got stabbed in the stomach by a unicorn horn.

We gasped.

Me: Thank God you're all right Marco. A wound like that would've killed you.

Moon: (British Accent) It would've.

Me: Queen Moon?

Zoe: Lady Moon!

Zoe went over and hugged her.

Zoe: Thank goodness you're all right.

Moon: Yes I'm fine Zoe. Star did it. She saved our worlds.

Me: And she merged both our worlds into one. Lady Moon it's such an honor to meet you.

Moon: You too J.D. Thank you so much for taking care of Star.

Me: It was our pleasure your majesty. Team Loud Phoenix Storm is like a family always looking out for each other and helping people in need.

Mina: Then you will die before you are done!

We turned and saw MINA LOVEBERRY!

Zoe: Mina!

Zoe fired a massive blast of energy at her and completely obliterated her in an instant.

Zoe: You are never welcome in our worlds again Mina Loveberry.

We met Eclipsa and her daughter Meteora and we met Globgor. But we got a surprising shock when we found out that Meteora is really Ms. Heinous whom we killed when we destroyed St. Olga's. But we're glad she's on the right path of redemption. Even though the magic is destroyed she still has her powers given to her from the Sun Fireball of Helios. But we now have a whole new world merged with ours and it was gonna take an extremely long time to get used to it.

---

When it was done everyone that hadn't heard about it was shocked.

Qin: WHOA! That explains what that massive white light was!

Nico: Yeah.

Alexis Butterfly: Wow! Star you are amazing. Also where is Mina and the Digimon Emperor.

Me: Mina Loveberry is dead and the Digimon Emperor is in our prison at the estate.

Nico: Like I told some of the others, I've moved on from my dark past involving the Digimon Emperor. You should do the same. You can keep on hating Toffee and Mina Loveberry though.

Alexis Buttershy: Okay but good.

Qin: Yeah.

We later went back home and put our stuff in our rooms and told everyone what happened. Star was happy to be back together with Alexis.

And we also got word that Kirby's old enemy, The Nightmare Wizard, has returned from the dead and he wants revenge on Lincoln for destroying him last year.

Lincoln: Whoa, this is one awesome ocean planet. Hey, Ebonwu Lincoln, what is this place?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know this planet all too well, Lincoln, this is Oceanu, another planet in the Omega Quadrant that I've gone to eons ago.

Nico: Whoa, and I can guess you also trained there, right?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I trained on many different planets with extreme temperatures and climate, Nico, and the gravity on the various planets I'd gone to are 500,000,000,000 times more powerful than in the Hyperbolic Time Chamber, and my body has adjusted to the kinds of climates there.

Me: Damn, you sure are one tough guy to handle those kinds of planets.

Lincoln: He sure is, and so are all of us, and I know what we're going to do here, not only am I going to rescue the two girls here, but Lily is going to get a powerful treasure there: The Glowing Maelstrom Greatsword of Coventina.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and only Lily can wield this because she got her powers from Coventina, and we also got word that Kirby's old enemy, The Nightmare Wizard, has returned from the dead and he wants revenge on you for destroying him last year.

Sakura Hibiki and her friends growled in anger.

Lincoln: Oh boy, looks like Sakura and her friends haven't forgotten about that evil wizard who almost tried to kill them.

Nico: And they're really pissed after finding out he's come back from the dead seeking revenge.

Me: This is going to get messy.

Lincoln: Big time, J.D., but I've got an idea: I'm going to separate The Nightmare Wizard from The Nightmare Orb, and The Nightmare Orb is going to be a member of The Masters of Evil, and I've chosen Sadie Emperyous to be The Nightmare Orb's archenemy.

Sadie Emperyous: Awesome! And that evil wizard's going to pay for his crimes.

Lincoln: Big time, Sadie, and I want to thank you, Jesse, and Jaden for joining us, Tea, Lindsey, Owen, Bridgette, Noah, and Izzy.

Tea Gardner: You're welcome, Lincoln, plus we're starting on finding the Fusion Gene-Slammers of The Crystal Beasts and their dark counterparts, The Advanced Crystal Beasts.

Jesse Anderson: That's just like with Nico and J.D. So, where do we go to find The Glowing Maelstrom Greatsword of Coventina?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know exactly where to find the greatsword, Jesse.

We continued on and we arrived at a shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive greatsword floating in the center and with light shining down on it: The Glowing Maelstrom Greatsword of Coventina, a massive greatsword with glowing aqua blue gems embedded in the 7'0" massive, wide, double-edged blade, large aqua blue mermaid heads for the crossguard, large neon aqua blue gem embedded in the rainguard, longer midnight black handle, four large aqua blue mermaid heads and a large neon aqua blue gem on the bottom of the mermaid heads for the pommel.

Rarity: My word, so that's the… !

Lincoln: The Glowing Maelstrom Greatsword of Coventina, this massive greatsword is indeed a work of art.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) And there's something else to this shrine: I built this shrine here in honor of my world's Lily.

Lily 2: (Through the Rainbow Mermaid) So, you built this shrine in honor of me? That's so sweet of you, Lincoln.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) Thanks, Lily.

Suddenly, we saw Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle heading for us, and with us were the two girls.

Nico: Wow, that's Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle, and they also got the two girls to safety.

Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle: (Girl's voice) And away from that psychopathic wizard.

Me: Whoa, one voice coming out of those two?!

Lincoln: (Gasps) That voice, Riley Mackenzie, I knew it was you, it's awesome to see you again, but we'll talk later, I know that The Nightmare Wizard's already heading for us.

?: I WILL HAVE MY REVENGE ON YOU FOR DESTROYING ME, TEAM LOUD PHOENIX STORM!

Lincoln: Yep, I knew there was no mistaking that voice from anywhere, don't you know when to stay dead, Nightmare Wizard.

We then saw our target, The Nightmare Wizard, and man, he was pissed off.

Lincoln: Should've known you'd show up, Nightmare Wizard.

Nightmare Wizard: I despise you, Team Loud Phoenix Storm, if you imbeciles hadn't shown up, I would've killed those four stupid girls and sent their dead corpses into the darkest depths of the universe! Now, I'm going to enjoy seeing the look of despair on their face, when I kill you right in front of them, LINCOLN LOUD! (LAUGHING MALEVOLENTLY)

Our auras flared up from his hatred, and Sakura Hibiki and her friends were now mega pissed off at The Nightmare Wizard's dark threat!

Sakura Hibiki: If you lay one fucking hand on our future husband, we're going to break your neck!

Lily: Too late for that, that death threat he made at our brother is the one thing that crossed the line.

Lily grabbed The Glowing Maelstrom Greatsword of Coventina. Suddenly, Lily's blue eyes turned neon blue and she was surrounded by a rainbow energy aura with water, mermaids, and sea animals, she unholstered her massive Coventina's Ocean Maelstrom Greatsword of Divine Oceanic Justice and Water Love from her back, and as she approached The Nightmare Wizard, she left rainbow energy, water, mermaids, and sea creatures with every step.

Lily: You really make me sick, Nightmare Wizard, as if what you've done in antagonizing Kirby and his friends wasn't bad enough, along with trying to take over the world, but what you tried to do in killing Sakura Hibiki and her friends last year proved that you were nothing more than a heartless monster, and as for that death threat you made to my brother, consider yourself dead!

Suddenly, Lily was surrounded by a massive vortex of rainbow energy with water and ocean waves surrounding it, there are mermaids and sea creatures swimming around the vortex, and in the vortex is a lavender phoenix. Then, as the vortex faded, Lily emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lily Loud grew from 7'1" to 7'4" in height, she has the body of a goddess, and the weighted lavender bands with silver phoenixes on her biceps and thighs were now covered with gold metal bands, and she still has the eight large lavender orbs orbiting around her legs, she has lavender highlights in the bangs of her now long flowing blonde hair reaching the bottom of her neck, she has neon blue eyes and a rainbow energy aura with water, mermaids, and sea creatures surrounding her, she has a rainbow mermaid holding the Water Kanji in her hands emblazoned on her forehead and Third Eye with rainbow iris, she has on mermaid earrings with lavender gems for eyes and holding the Water and Eternity Kanjis in its hands and her Crystal Necklace of the Buddha with lavender gems on the gold water drop links and lavender crystal links and a lavender mermaid-shaped Element of Harmony and below the Element of

Suddenly, Lily felt a sharp pain on her back and then, her massive blond angel wings with lavender and ocean blue tips on the large blond feathers, grew much bigger for her new body, and she now has eleven massive and long blonde wolf tails, she has on a Ring of The Phoenix with lavender gem and heart-shaped gem embedded in it on her right ring finger and Indigo Lantern Corps ring on her left ring finger.

Suddenly, Lily's massive Coventina's Ocean Maelstrom Greatsword of Divine Oceanic Justice and Water Love and The Glowing Maelstrom Greatsword of Coventina began merging and they were surrounded by a kaleidoscope of rainbow energy, water, mermaids, and sea creatures and when it emerged, it was transformed into Coventina's Glowing Ocean Maelstrom Greatsword of Divine Celtic Oceanic Justice and Celtic Water Love, it's a brand-new large greatsword with embedded glowing aqua blue gems and the Celtic Goddess of Water, Coventina, etched on the 7'0" massive, wide, double-edged aqua blue blade, large lavender angel heads for the crossguard, large glowing ocean blue gem embedded in the rainguard, longer black handle, four large angel heads with glowing ocean blue gems for eyes and a large lavender gem on the bottom of the angel heads for the pommel, she has on lavender fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded on her left hand, she has on her large gold cuff Bracelets of the Champions of The Universe with large lavender gems on her wrists, Belt of Elemental Bravery with large gold angel head with lavender gems for eyes and a large lavender gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Lily Loud's transformed into SUPER ANGEL-MERMAID-SEA CREATURE CELESTIAL ETERNAL XELNAGA CELTIC MAELSTROM GLOWING WATER MERMAID SEA ANGEL OF DIVINE CELTIC GLOWING OCEAN JUSTICE AND DIVINE CELTIC GLOWING WATER COMPASSION!

We were really amazed by Lily's Super Angel Celestial Eternal Xelnaga transformation, but when The Nightmare Wizard saw it, the monster fell into a rage and fired a blast of darkness to kill her, but Lily fired a powerful rainbow energy blast, glowing water, ocean waves, mermaids, and sea creatures at The Nightmare Wizard, and it hit him and sent him flying out of the shrine. He got up, but now, he's absolutely pissed off now.

Lincoln: Whoa, now Lily's the next of our family to transform, so awesome!

Lori: This is literally so amazing! Wait until Carlitos sees her now!

Lily: (Divine Echoing Cosmic Voice of The Celtic Glowing Water Sea Storm Mermaid Angel and Divine Celtic Glowing Water Compassion) **But, that'll be for after we get rid of The Nightmare Wizard, Lori.**

Lincoln: You're right, Lily, let's get this heartless monster!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive greatswords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and he transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of

Lily attacked him with her massive greatsword with powerful slashes and they left a lot of scars on The Nightmare Wizard, and Lincoln fired glowing water at him and stripped him of his Nightmare Orb form and sent it to The Masters of Evil, and this was extremely pissing him off badly, but Lincoln and Lily weren't giving him any more time to attack again as they swung their massive greatswords in a clockwise formation and formed energy swords of Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they went after The Nightmare Wizard, and they pierced and slashed at him badly, and one energy sword hit his chest and that exploded exposing his black heart. Then, Lincoln and Lily fired glowing water blasts at the black heart, and the pure water caused him to burn and he turned to ashes and Lincoln drew the Judgement Kanji on his soul and he was erased by The Black Gates. We cheered wildly as we holster our weapons on our backs and powered down, and Lily Loud's new body, clothes, weapons, jewelry, accessories, eleven massive wolf tails, and massive angel wings are permanent.

Lincoln: That's the end for you, you power-hungry nightmare!

Lily: Yeah, your days of causing havoc are finally over!

Lincoln: You got that right, Lily. (To Riley Mackenzie) And it's so good to see you again, Riley Mackenzie.

Riley "Ruby Carbuncle" Mackenzie reverted back to normal, and she was a beautiful girl with long flowing ruby red hair, ruby red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has a ruby embedded on her forehead and massive and beautiful ruby red angel wings with sparking rubies and an aura of sparkling rubies around her and she reigned in the powers of Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle, and she's dressed in a sleeveless open red blouse, sleeveless ruby red midriff top, ruby red skirt, ruby red pants, ruby red legwarmers, ruby red sneakers, and long white sleeveless trenchcoat with ruby red flames, red rubies, and carbuncles on the coattails and Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle holding a ruby on the back and holstered on her back is a Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Carbuncle-themed large greatsword with embedded ruby and Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Carbuncle etched on the 7'0" massive, wide, double-edged ruby red blade, large carbuncle heads for the crossguard, large ruby red gem embedded in the rainguard, longer midnight black handle, four large carbuncle heads and a large ruby red gem on the bottom of the large carbuncle heads for the pommel.

Riley Mackenzie: You too, Lincoln, it's been a long time, and it's also good to see you again, Ruby Vallance, Susanne Cresley, and Serenity Lexington.

Ruby Vallance, Susanne Cresley, and Serenity Lexington: You too, Riley.

Lincoln went up to Riley Vallance and he hugged her, and Riley Mackenzie is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Riley Mackenzie: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her, and she also knows Ruby Vallance and Susanne Cresley?

Lincoln: Indeed I do, Nico, this is Riley "Ruby Carbuncle" Mackenzie, Fusion Gene-Slammer of Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle, she's my Guardian Angel from Queens, New York, and classmate in English. She's also an old friend of Serenity Lexington from New York before she moved to Royal Woods, and you're going to like hearing this: she purposefully Gene-Slammed herself into a Fusion Gene-Slammer of Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby

Carbuncle in order to protect me from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home.

Nico: Whoa, now that's really awesome!

Lincoln: Yep, and as a result of that, she gained ruby red angel wings and became a master of the red color of the rainbow and she has power over red fire that can really burn a bad guy and leave them with third-degree burns and even red rubies.

Me: Nice.

Lincoln: And she's easily identified by a ruby gem embedded on her forehead and her favorite Crystal Beast Duel Monsters are Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle, thus earning her the nickname, "Ruby Carbuncle", and she was also trained by Ruby Vallance, Gene-Slammer of Advanced Crystal Beast Ruby Carbuncle and Susanne Cresley, Gene-Slammer of Crystal Beast Ruby Carbuncle, and she hates Lynn with a blazing passion.

Nico: Oh, wow, that's so awesome!

Ruby Vallance: It sure is, and she's really become an awesome expert in using the powers of Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle, along with using red hot ruby red fire and creating red rubies, and thanks to all that training, she also gained an aura with red sparkling rubies around her and in her ruby red angel wings.

Susanne Cresley: Which is another awesome feature for her, and it also warns her of any incoming dangerous threats.

Jesse Anderson: That's really amazing.

Riley Mackenzie: Thanks, Jesse, and there's also something you all should know: you know that I've given myself the task of protecting Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home, but I really hated Lynn with a blazing passion.

Nico: Uh oh, I wonder what Lynn did to earn your wrath.

Riley Mackenzie: Trust me, you're not going to like this story one bit. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Riley, are you absolutely sure about this?

Riley Mackenzie: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Riley Mackenzie, and he saw that she's really serious, and he smiled as he walks over to Riley Mackenzie, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Riley Mackenzie's neck with ruby red gems on the gold lightning bolts and ruby red crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Riley Mackenzie: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Riley.

Riley Mackenzie has a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Riley Mackenzie's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Chizuru and Miki from Tokyo Marble Chocolate.

Lincoln: Oh wow, it's Chizuru and Miki from Tokyo Marble Chocolate.

Nicole: Awesome.

Lincoln: Are you girls okay?

Chizuru: Yes, we're okay, thanks to you.

Then, when Chizuru and Miki saw who it was that saved them from The Nightmare Wizard, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-

Chizuru: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Chizuru: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chizuru and Miki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Lily had gotten The Glowing Maelstrom Greatsword of Coventina, the treasure that was located on Oceanu, and the team was shocked when they found out the villain we went after was The Nightmare Wizard, Kirby's old enemy, and he came back from the dead seeking revenge on Lincoln for destroying him last year.

But, when Lincoln showed what happened such as Lily transforming into her Celestial Eternal Xelnaga forms and that she along with all of us brutally pulverized him, and Lincoln separated his Nightmare Orb form and sent it to The Masters of Evil, and he and Lily delivered the fatal blow that killed The Nightmare Wizard and sent him to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Riley Mackenzie have a lot of catching up to do, now that she's back in town.

Maria: Whoa, now Lily's gotten her treasure and she not only transformed into her Celestial Eternal Xelnaga form, she also got an awesome upgrade to her appearance, and we met the Fusion Gene-Slammer of Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle.

Lincoln: Yep, and we not only got rid of The Nightmare Wizard, but we sent The Nightmare Orb to The Masters of Evil.

Riley Mackenzie: And it'll be the archenemy of Sadie Emperyous.

---

After finally getting rid of The Nightmare Wizard and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Riley Mackenzie saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Riley Mackenzie: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Riley, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Riley Mackenzie: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Riley, what's the story on why you hated Lynn with a blazing passion?

Riley Mackenzie: Now, that's something I've never forgotten. One day, I was hanging out with Lincoln at the park, and we were having fun. But, then, Lincoln sensed a nasty and dark presence, and he'd caught the stench of unwashed gym clothes, and then, in a flash, he punched the figure who rushed at him, and we saw who it was: it was Lynn, but her eyes were red with hatred and insanity, and she had a knife in her hand and she wanted to kill Lincoln. She proceeded to go on an hour-long tirade on how she'd lost a game to the Billygoats and she blamed him for it, and she said that she had enough of Lincoln even living, and now, she was going to kill him and me for being with him, and she was laughing like a mad lunatic, I also sensed she was going to do the same to the rest of the Guardian Angels, along with Leni, Luna, Laney, Lucy, Lana, and Lily, along with the parents and his friends. That pissed me off badly, along with Lincoln, so I fired a ruby red fire blast at Lynn's knife and melted it into molten metal, and this pissed that animal off badly, and she tried to attack us, but Lincoln and I grabbed her fists with our right and left hands, and with our free left and right hands, we threw two punches at Lynn's face, knocking her down and out and with two black eyes and missing teeth, and Lincoln had that animal tied up in red energy ropes, and I put Lynn in a red ruby crystal prison and we came back to The Loud House, and I removed the ruby crystal prison around her. We told Mr. and Mrs. Loud of what Lynn tried to do to me and Lincoln, and played her hour-long rant to them, and as soon as it was done, Lynn was finished. She got her smelly butt grounded for nineteen weeks, and Lincoln not only put her in a straitjacket, Chinese finger traps on her fingers, and a Hannibal

Lector mask on her and threw her in her cage in her room, but he also told his Mom to call Coach Keck who made sure Lynn was benched for those nineteen weeks, and this really pissed Lynn off, but I wasn't afraid of her, and neither was Lincoln, and we both swore if Lynn ever tried to attack us again, she could say goodbye to her sports career and dreams, and she was going to be burned badly.

We cheered wildly.

Nico: So, this was due to another lost game that Dark Lynn took over and wanted to kill Lincoln, she really is a sore loser!

Me: Yeah. But, Lincoln sensed her coming and he counterattacked her, and then, he and Riley laid a brutal beatdown on her, awesome.

Lincoln: Yep, and that was really smart of Riley for imprisoning Lynn in a ruby red crystal prison, so she couldn't escape.

Ed Cowart: After you tied her up with energy ropes, Lincoln, and one day, you've got to teach us that attack you used to imprison Lori, Lynn, Lola, Lisa, Luan, and Flip in rose red energy orbs.

Lincoln: I think you might be getting that chance later on today, Ed, because today's your first rescue and you're going to start growing your own harem.

Ed Cowart: Oh, no way, this is going to be so awesome!

Cattleya: Indeed, and not only am I going with you, Ed.

Ed Cowart: That's right, but Nabiki Tendo's also joining as well, and I rescued her from a bunch of thugs Flip hired to kidnap, rape, and murder her in cold blood.

Me: Flip just doesn't know when to quit.

Nico: He sure didn't, and Ed really laid a nasty beatdown on those thugs and sent them to jail, and Nabiki became part of Ed's newly developing harem.

Nabiki Tendo: He sure did.

Ed Cowart: And I can't wait to lay another nasty beatdown on the bastard there.

Lincoln: And I can sense that you're also going to transform, Ed, so this is going to be one awesome rescue for you.

We got a shower afterwards, and then, Ed Cowart, Cattleya, and Nabiki Tendo are heading to Hydrocity Zone, and not only is Ed Cowart going to rescue the twenty-five girls there, but Ed Cowart had gotten word that Mikey Tomlinson has broken out of The Masters of Evil's prison, and he still wants revenge on us for saving The Royal Defenders from Sindri Myr's corruption. Plus, this also gives us time to prepare for Ed Cowart's birthday today.

Ed Cowart: Whoa, so my first rescue's taking place here in Hydrocity Zone, awesome, and I know what we're going to do here, not only am I going to rescue the twenty-five girls there, but I'd gotten word that Mikey Tomlinson has broken out of The Masters of Evil's prison, and he still wants revenge on us for saving The Royal Defenders from Sindri Myr's corruption. (Sighs) That fucked-up bastard's just made things a lot worse for himself.

Cattleya: I know, Ed. But, I'm afraid that Mikey Tomlinson's now completely gone, and he needs to be stopped once and for all.

Ed Cowart: You're right, Cattleya.

Nabiki Tendo: And you guys were right to have saved The Royal Defenders from Sindri Myr's dark corruption, that Chaos Sorcerer did this all to bring chaos to the universe.

Ed Cowart: Hunter and Lincoln absolutely hated him in the world of Warhammer, and Lincoln did one awesome job in sending Sindri Myr to The Black Gates forever on his rescue months ago, after all of the horrible things he's done, he deserved it.

?: HEEEEEEEELLLLLLPPPPP!

Suddenly, Ed Cowart, Cattleya, and Nabiki Tendo heard the sound of twenty-five girls calling for help, along with the sound of deranged and maniacal laughter. Ed Cowart's dark blue eyes scanned the area and he sensed the energy signals, and soon enough, he saw the twenty-five girls, but they've been tied up by Mikey Tomlinson and he's going to kill them by stabbing them.

Ed Cowart: (Gasps) Let's get over there at once, Cattleya and Nabiki, I found the twenty-five girls, but they've been tied up by Mikey Tomlinson and he's going to kill them by stabbing them, that insane, fucked-up bastard!

Ed Cowart, Cattleya, and Nabiki Tendo rushed on over, and before Mikey Tomlinson could kill the twenty-five girls, Ed Cowart fired powerful blasts of dark blue energy, dark fire, and souls of the damned at Mikey Tomlinson, and he and Cattleya cut the ropes and freed the twenty-five girls who got to safety in a dark blue energy field created by Ed Cowart to protect them from Mikey Tomlinson, and when he saw Ed Cowart again, he was mega pissed off.

Mikey Tomlinson: You miserable fucking shit-head, you're going to pay for what you did to The Royal Defenders!

Ed Cowart: How many times do I have to tell you, The Royal Defenders were only like this, because of Sindri Myr, that monster did this to cause nothing but chaos in the universe!

Mikey Tomlinson: I don't give a fucking care of what you say! They brought order to the universe and brought ruin to the heroes!

Cattleya: Are you still that completely delusional to the point that you still worship them when they were under Sindri Myr's evil influence that you couldn't see the truth in your eyes?!

Nabiki Tendo: Yeah, you monster!

Mikey Tomlinson: SHUT THE FUCK UP, BITCHES! YOU'RE NEXT!

Ed Cowart: Alright, that's it, no one threatens my future wives and gets away with it, and I've had it up to hear with you to last an eternity.

Suddenly, Ed Cowart's dark eyes turned neon dark blue and he was surrounded by a dark blue energy aura with dark blue flames and spirits of The Underworld, he unholstered his Slayer of Tyrants large sword from his wider and muscular back, and as he approached Mikey Tomlinson, he left dark blue energy, dark blue flames, and tormented spirits of The Underworld with every step.

Ed Cowart: No matter how many times we've tried to use reason on you, you just absolutely refuse to listen to reason, you were unable to see that The Royal Defenders were controlled by Sindri Myr, and all that talk of how they've brought order to our universe, that's a load of bullshit, what they'd done under that Chaos Sorcerer's influence was inflict nothing but tyranny and chaos for his twisted amusement.

Mikey Tomlinson: I don't fucking care! I want The Royal Defenders back, and you will fucking pay, and those two bitches will also join you in death, along with all those other bitches and all of Team Loud Phoenix Storm!

This caused Ed Cowart to glare angrily at Mikey Tomlinson: he'd crossed the line by threatening the lives of Cattleya, Nabiki Tendo, the twenty-five girls here, and Team Loud Phoenix Storm, this time, Ed Cowart was going exact long-awaited justice on Mikey Tomlinson.

Ed Cowart: You know what, I'm done with trying to reason with a fucked-up nasty piece of shit like you. Mikey Tomlinson, for the crimes of worshipping The Royal Defenders of old and wanting to bring chaos and destruction to the universe in Sindri Myr's name, you shall pay the ultimate price for your crimes with your life.

Suddenly, Ed Cowart was surrounded by a massive vortex of dark blue energy with dark blue fire and darkness surrounding it, there are the tormented souls of The Underworld, along with the guard dog of The Underworld, Cerberus, running around the vortex and the tormented souls of The Underworld were wailing in agony and anger, and inside the vortex is a blue phoenix with red eyes glaring right at Mikey Tomlinson: those were eyes of death. Then, as the vortex faded, Ed Cowart emerged, but he was changed forever.

Ed Cowart grew from 7'0" to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, the dark blue weighted bands on his massive biceps and thighs were now covered by gold metal bands, he has dark blue highlights in the bangs of his wild mane of long dark brown hair, he has neon dark blue eyes and a dark blue energy aura with dark blue fire, the damned spirits of The Underworld, and hellhounds surrounding him, he has Cerberus and a phoenix emblazoned on his forehead and a Third Eye with dark blue iris, he has hellhound earrings with dark blue gems for eyes and holding the Dark, Fire, Infernal, and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with dark blue gem embedded in the black metal flame links and dark blue crystal links and a dark blue phoenix-shaped Element of Harmony in the center and on the bottom of The Element of Harmony is a hellhound with dark blue gems for eyes and holding the Dark, Fire, Infernal, and Eternity Kanjis in its paws for the pendant on his bare chest and a gold version of He-Man 2002's chest harness with the Galvan Tech symbol on it and dark blue gems on the gold straps. Ed Cowart is dressed in a dark blue version of He Man 2002's loincloth, long dark blue trenchcoat coattails with pitch black flames, hellhounds, and the souls of The Underworld on the coattails and with dark blue flames coming off the loincloth and coattails, large black jeans with dark blue flames on the legs, large black leather knee-high combat boots, he now has nine large dark blue orbs orbiting around his legs, dark blue fingerless gloves, and Stone of Gelel embedded in his large left hand, Ed Cowart has him and Cattleya kissing, and he's surrounded by Nabiki Tendo and his brand-new future wives tattooed on his massive and wide right pec, and he has Cerberus and a dark blue phoenix tattooed on his wider and more muscular back. Suddenly, Ed Cowart felt a sharp pain on his now wider and more muscular back, and then, his massive dark blue angel wings grew much bigger for his new body, and the blue tips on the large dark blue feathers, turned to black, and he now has eleven massive and long dark brown wolf tails. Ed Cowart has on a Ring of The Phoenix with dark blue gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern ring on his left ring finger.

Suddenly, Ed Cowart's massive Slayer of Tyrants large sword and all of the swords he'd gotten in the treasure battles began merging together, and they're surrounded by a kaleidoscope of dark blue energy, dark blue and black flames, souls of The Underworld, and hellhounds, and when it emerged, it was transformed into Hades'

There's a dark blue kanji below Cerberus and the phoenix that said, "Ed Cowart, Brave and Righteous Leader of The Anti-Royal Defenders Resistance, Intelligence Gatherer of Team Loud Phoenix Storm, Loving Boyfriend and Future Husband of Many Future Wives, Loving Father of Rana, Archenemy of Demitri Maximoff, Destroyer of Sindri Myr and His Servants of Eternal Chaos and The Fanatical Worshipper Mikey Tomlinson, Slayer and Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary and Champion of Hades, and Master of Darkness, Infernal Dark Blue Flames, and The Wailing Souls of The Underworld"

When Cattleya and Nabiki Tendo saw Ed Cowart, they had atomic red blushes on their faces, hearts in their eyes, and their noses were bleeding: they went totally wild over seeing how much Ed's changed, but when Mikey Tomlinson saw it, he went fucking insane with rage and he ran at Ed Cowart to kill him, but Ed Cowart fired a powerful dark blue energy blast with dark fire, darkness, hellhounds, and phoenixes at Mikey Tomlinson, and he was sent flying into a wall, he got out but he was now royally pissed off.

Nabiki Tendo: Holy crap, Ed Cowart's transformed!

Cattleya: Indeed he has, and he's become even more of a handsome and strong hunk, and Ed, you look even more handsome, hunkier, and even more ripped than ever. How do you feel?

Ed Cowart: (Divine Echoing Cosmic Voice of The Infernal Darkness Fire Hellhound Phoenix and Diving Dark Underworld Infernal Fire Justice) I feel incredible, Cattleya and Nabiki. Now, shall we put an end to this fucked-up bastard once and for all?

Nabiki Tendo: You don't have to ask twice.

Cattleya: That's right, we've also had it with this monster.

Cattleya unholstered her Giant Killer sword, and she and Nabiki Tendo joined Ed Cowart to take care of Mikey Tomlinson, and he's become even more pissed off and insane.

Mikey Tomlinson: I'LL FUCKING KILL ALL OF YOU!

Ed Cowart: (Divine Echoing Cosmic Voice of The Infernal Darkness Fire Hellhound Phoenix and Diving Dark Underworld Infernal Fire Justice) (Smirks) Ladies first.

Cattleya: Such a gentleman.

Cattleya and Nabiki Tendo attacked Mikey Tomlinson and he was brutally beaten up and he also had slash marks on his stomach from Cattleya's Giant Killer.

Ed Cowart: (Divine Echoing Cosmic Voice of The Infernal Darkness Fire Hellhound Phoenix and Diving Dark Underworld Infernal Fire Justice) Nice one, ladies. Now, let's get him together.

Nabiki Tendo: Alright!

Cowart, Cattleya, and Nabiki Tendo went after Mikey Tomlinson, and they fired powerful blasts of dark blue energy, purple energy, and blue energy, darkness, dark blue fire, purple fire, hellhounds, phoenixes, damned souls of The Underworld, and dragons at Mikey Tomlinson, and they exploded with incredible power as they hit him. Nabiki Tendo brutally punched and kicked Mikey Tomlinson, and she even kicked him hard in the crotch and he was left foaming like a rabid animal, and he was also getting pissed off even more. Then, Ed Cowart and Cattleya attacked him with their massive greatswords and they left nasty scars on him and they also drew blood and Ed Cowart also punched Mikey Tomlinson in the right eye, and he screamed in agonizing pain and blood was coming out of his right eye.

Mikey Tomlinson: YOU FUCKER!

Mikey Tomlinson wildly punched at Ed Cowart, but he dodged them all like they were nothing, and he fired a blast of dark fire at his left arm, and his arm got burned badly, and he screamed in agonizing pain. Mikey Tomlinson tried to attack Ed Cowart again, but Ed Cowart grabbed him by the neck and hoisted him up into the air with his infinite and immense brute superhuman strength, and he forced Mikey Tomlinson to look him in the eyes.

Ed Cowart: (Divine Echoing Cosmic Voice of The Infernal Darkness Fire Hellhound Phoenix and Diving Dark Underworld Infernal Fire Justice) Look into my eyes, Mikey Tomlinson. Your black soul is stained by the blood of the innocent. Feel the pain of those you've harmed infinite-fold and perish!

Mikey Tomlinson screamed in agonizing pain as Ed Cowart used the

Penance Stare on him, and he saw all of Mikey Tomlinson's crimes, including fanatically supporting The Royal Defenders of the old days when they were corrupted by Sindri Myr and he also saw that Mikey Tomlinson has murdered a lot of people who spoke out against The Royal Defenders in cold blood, and when Ed Cowart used the Penance Stare on him, all the crimes he committed turned against him, and the souls of the innocent judged him and they found him guilty, and when The Judgement Kanji appeared on his forehead, his soul was erased by The Black Gates, and Ed Cowart set Mikey Tomlinson's dead lifeless body on fire and the corpse was then consumed by dark blue flames. Ed Cowart holstered his massive greatsword on his more wider and more muscular back and powered down, and Ed Cowart's new body, clothes, weapons, jewelry, accessories, Third Eye, eleven massive wolf tails, and massive angel wings are permanent.

Ed Cowart: Your days of worshipping The Royal Defenders of the old days are over, Mikey Tomlinson.

Suddenly, Cattleya came up to Ed Cowart and she wrapped her arms around Ed Cowart's more wider and more muscular back and her massive bust pressed against Ed Cowart's massive pecs and her stomach pressed against his eight-pack abs, and that led to him getting an atomic red blush on his face. But, Ed Cowart wrapped his abnormally massive and powerful muscular arms around Cattleya's waist and this led to her getting an atomic red blush on her face. Then, Ed Cowart leaned his face down to Cattleya's and he kissed her passionately on the lips and she returned it as her left arm was still on his more wider and more muscular back and she put her right hand on his right pec, and he also did the same thing with Nabiki Tendo. Then, they went up to the twenty-five girls, and when Ed Cowart saw who they were, he immediately recognized them, the twenty-five girls are Asaoka Natsumi from The Kabocha Wine, Konami Hatano, Chiwa Amano Chiwa, Shino Ebizuka, Sana Kaizu, Yuno Kawakami, and Wakana Shimazu from the anime, Summer, Wako Agemaki Wako, Atari Kou, Sarina Endou, Kei Madoka, Ruri Makina, Keito Nichi, Midori Okamoto, Sakana-Chan, and Simone Aragon from Star Driver, Kinu Fukushima, Sarasa Honda, Asa Katou, Rinzu Kuroda, Momen Sanada, Sumi Ichijouji, Rasha, Saten, and Sophia from Lime-Iro Senkitan.

Nabiki Tendo: And it's a close call that we saved them from Mikey Tomlinson.

Ed Cowart: You got that right, Nabiki. Are you girls okay?

Aosaka Natsumi: Yes, we're okay, thanks to you.

Then, when Aosaka Natsumi and the other twenty-four girls saw who it was that saved them from that fanatic lunatic, Mikey Tomlinson, their faces turned atomic red upon seeing the 7'5" handsome and extremely muscular bare-chested man with abnormally massive and powerful upper and lower body muscles, eight-pack abs, wild long dark brown hair going down to the bottom of his neck and dark blue highlights in the bangs of his long dark brown hair, the mythical three-headed hellhound Cerberus and a phoenix emblazoned on his forehead and a Third Eye with dark blue iris, he has on hellhound earrings with dark blue gems for eyes and holding the Dark, Fire, Infernal, and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with dark blue gem embedded in the black metal flame links and dark blue crystal links and a dark blue phoenix-shaped Element of Harmony in the center and on the bottom of The Element of Harmony is a hellhound with dark blue gems for eyes and holding the Dark, Fire, Infernal, and Eternity Kanjis in its paws for the pendant on his bare chest and a gold version of He-Man 2002's chest harness with a phoenix on it and dark blue gems on the gold straps, and is dressed in a dark blue version of He Man 2002's loincloth, long dark blue trenchcoat coattails with pitch black flames, hellhounds, and the souls of The Underworld on the coattails and with dark blue flames coming off the loincloth and coattails, large black jeans with dark blue flames on the legs, large black leather knee-high combat boots, he now has nine large dark blue orbs orbiting around his legs, dark blue fingerless gloves, and Stone of Gelel embedded in his large left hand, he has a tattoo him and Cattleya kissing, and he's surrounded by Nabiki Tendo and his brand-new future wives tattooed on his massive and wide right pec, and he has Cerberus and a dark blue phoenix on his more wider and more muscular back with a dark blue kanji below Cerberus and the phoenix that said, "Ed Cowart, Brave and Righteous Leader of The Anti-Royal Defenders Resistance, Intelligence Gatherer of Team Loud Phoenix Storm, Loving Boyfriend and Future Husband of Many Future Wives, Loving Father of Rana, Archenemy of Demitri Maximoff, Destroyer of Sindri Myr and His Servants of Eternal Chaos and The Fanatical Worshipper Mikey Tomlinson, Slayer and Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary and Champion of Hades, and Master of Darkness, Infernal Dark Blue Flames, and The Wailing Souls of The Underworld", he has dark blue eyes, massive dark blue angel wings with black tips on the large dark blue feathers, nine large dark blue orbs orbiting around his legs, eleven massive and long dark brown wolf tails, he has on a Ring of The Phoenix with dark blue gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern ring on his left ring finger.

Asaoka Natsumi: Oh wow, you're Ed Cowart of Team Loud Phoenix Storm.

Ed Cowart: That's right, and it's a pleasure to meet you all.

Then, Ed Cowart made twenty-four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider and muscular backs of Ed Cowart and his clones, and Cattleya and Nabiki Tendo cheered wildly at the scene.

Aosaka Natsumi: (Seductively and rubs her right hand on Ed Cowart's massive and wide right pec) You too, big, tall, muscular, and handsome.

Ed Cowart: Alright, my first rescue is a success, and we got rid of Mikey Tomlinson. And since we're here in Hydrocity Zone, why don't we have some fun here before heading home?

Cattleya: I was just about to suggest the same thing.

Ed Cowart snapped his fingers, and the 7'5" dark brown-haired, handsome, and extremely muscular man was dressed in a large dark blue speedo with Cerberus and a phoenix surrounded by dark blue fire and stars on it and dark blue flames coming off the speedo, sandals, his jewelry, and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

Ed Cowart: Now, that's what I call truly romantic.

Cattleya: Indeed. (Seductively and rubs her hands on Ed Cowart's pecs) But, don't worry, we'll have a lot more fun later on tonight.

Ed Cowart blushed wildly, and he knew he was in for a really wild night tonight with his future wives. Then, he and the girls returned home to the World Tree Estate, and back in their clothes.

As soon as Ed Cowart, Cattleya, Asaoka Natsumi, Konami Hatano, Chiwa Amano Chiwa, Shino Ebizuka, Sana Kaizu, Yuno Kawakami, Wakana Shimazu, Wako Agemaki Wako, Atari Kou, Sarina Endou, Kei Madoka, Ruri Makina, Keito Nichi, Midori Okamoto, Sakana-Chan, Simone Aragon Kinu Fukushima, Sarasa Honda, Asa Katou, Rinzu Kuroda, Momen Sanada, Sumi Ichijouji, Rasha, Saten, and Sophia came inside, the whole place was dark.

Everyone: SURPRISE, HAPPY BIRTHDAY, ED COWART!

Ed Cowart: (Really Surprised) Wow, you guys remembered?!

Lincoln: Of course, we did, Ed, and Cattleya and Nabiki Tendo did an awesome job in taking you out on your first rescue, while we were busy getting the place ready.

Nico: That's right, and you also got some new members for your harem.

Ed Cowart: You bet I did, and we also destroyed Mikey Tomlinson, the fanatical supporter of The Royal Defenders of the days of old.

Then, Vypra and The Masters of Evil appeared.

Vypra: Happy birthday, Ed.

Ed Cowart: Thanks, Vypra, and I can guess you all heard about your escaped "guest", right?

They nodded in response.

RD Lincoln: (Sighs) I should've known he'd be on the loose again.

RD Me: And we also sensed that you'd also transformed.

Ed Cowart: You bet I did, J.D.

Cattleya: And when we saw him, let's just say we reacted in the same way Lincoln's harem did when he transformed.

Ed Cowart: Thanks, Eli. Now, what are we waiting for, let's get this party started!

We proceeded to give Ed Cowart our gifts: Lincoln gave him a comic he made and it was based on the recent war against Queen Opaline, and it was really awesome, and it sold like wildfire in comic book stores everywhere, Lori got him a brand-new phone and protective phone case, Leni had gotten him a beautiful charm bracelet with charms representing us and it merged with his right large gold cuff Bracelet of The Champion of The Universe, Luna got him an awesome dark blue guitar and it also has dark blue fire powers, Luan got him a huge jokebook filled with awesome jokes, Lynn got him some new sports equipment, Laney made a painting of him and his future wives and it was beautiful, Lucy got him some awesome dark swords and a spellbook on dark magic, Lana got him a toolbox with tools, Lola got him some awesome jewelry, Lisa made him an awesome hand-cannon blaster named Hades' Infernal Hellhound Dark Inferno Fury and it's modelled after Mario's Lightning Storm Blaster, but it's dark blue with black fire on the blaster with a Phoenix, Angel, and Cerberus surrounded by fire etched on the sides, and a dark blue gem on the top of the blaster, Lily put together a photo album and in it are photos he had with all of us, Leopold made him an awesome finger painting of him hugging Leopold, and it was so cute, Nico made him an awesome greatsword which merged with his Hades' Infernal Dark Fire Underworld Hellhound Damned Soul Greatsword of Dark Fire Underworld Damned Soul Hellhound Justice, and I got him an awesome spellbook on dark magic.

Ed Cowart: Wow, guys, thank you, I love the gifts you got me.

Cattleya: And after we got rid of Mikey Tomlinson, we decided to have fun at Hydrocity Zone, and it was so romantic.

Lincoln: Just like the dates Nico, Clyde, J.D., and I had with our harems, awesome.

Lynn Sr. came into the room with an awesome dark chocolate cake with dark blue frosting and with the words, "Happy Birthday, Ed Cowart" on it.

Ed Cowart: (DROOLS) Oh no way, and that's my favorite kind of cake: dark chocolate! (SLURPS)

Lynn Sr.: (Chuckles) Well, Cattleya told me your favorite kind of cake, and I was also careful not to make Devil's Food Cake.

Ed Cowart: Ooh, yeah, I forgot when J.D. sees Devil's Food cake, he goes bananas. Good call, Mr. Lynn.

Lincoln: And your birthday also falls on Black Friday, so you know what this means?

Ed Cowart: Oh yeah, Black Friday shopping, and is there going to be any uninvited villains?

Lincoln: Nope. But after the Ambassador Mission.

* * *

Later it was time for Matt's first ever Ambassador Mission.

Will Vandom: Oh Matt I'm really proud of you.

Matt Olsen: Thanks Will.

William: Anyone else want to go with Matt? Besides Dino Tyranno, 4 Rabbids, Scrapper, and Mixmaster?

Twilight Sparkle: You know the Cul-De-Sac kids are gonna go with Eddy. But me and my friends will go.

Me: Also we'll be piloting our Zoids too.

Lana: I'll do too.

Qin And I'll go too.

Nico: Awesome.

Matt Vandom: Cool. I'm ready guys.

Me: Awesome.

Nico: Lets head out.

We went to the garage and opened a portal and we got into our Zoids and we were off.

---

We arrived and it was amazing.

Me: Wow so this is the world of DinoTrux.

Qin: It's amazing.

Nico: It sure is.

Then we heard roaring.

Nico: That's Ty Rux.

We saw him trying to ward off a bunch of Scrapadactyls!

Nico: And he's trying to ward off a bunch of Scrapadactyls.

Me: Not on my watch.

I fired a bunch of laser blasts from my Gordos and blasted them into dust.

Qin: Bullseye!

Dino Tyranno: Here they come!

We saw Scraptors too!

Dino Tyranno: I got this.

He roared and smashed them into dust.

Ty Rux: (To Dino Tyranno):Hey, aren't you Dino Tyranno?

Dino Tyranno: That's right. Dino Tyranno of the Dino Knights.

Ty Rux: Awesome to meet you.

Me: Looks like we got here just in time.

Ty Rux: Wow! J.D. Knudson of Team Loud Phoenix Storm! It's truly an honor.

Nico: Awesome to meet you Ty.

We introduced ourselves.

Ty Rux: Awesome to meet you guys and it's an honor to have you all here.

Eli: Same here Ty.

Matt Olsen: Pleasure to finally meet you.

Ty Rux: (laughs) It's okay. You can get out of your Zoids. We're all friendly here.

Me: Sorry Ty but if D-Structs shows up I'm not taking chances.

Nico: But sure thing. J. keep watch from his Zoid just in case.

Nico and everyone else got out of their zoids and I stayed in mine.

Eli: But it's awesome that you do all this Ty.

Ty Rux: It sure is. Want to meet my friends?

Applejack: You bet we do.

We went to meet Ty's friends.

Ty Rux: You're actually the first humans to ever come here.

Nico: Yes we sure are.

Qin: First time coming here too for us.

Me: Yeah.

Nico: (Sighs) Oh and these little guys are Rabbids.

Rabbid: (Babbles)

Ty Rux: (Laughs) Oh right the silly little guys.

Me: Yeah they are all really funny too.

Nico: They are not very bright.

Dino Tyranno: Yeah not the brightest lightbulbs in the closet if you know what I mean.

Me: Yeah.

Ty Rux: Oh yeah I know that feeling.

Ty Rux: Guys, meet my friends.

We were introduced to

Revvit (voiced by Richard Ian Cox) is a yellow and green Rotilian Reptool - half lizard (resembling a chameleon) and half rotary drill. He is Ty's best friend. His tongue is a tape measure.

Dozer (voiced by Brian Drummond) is a yellow Dozeratops - half Triceratops and half bulldozer. He is described as a "cranky hothead" but a true friend with a big heart.

Ton-Ton (voiced by Matt Hill) is a blue Ankylodump - half Ankylosaurus and half dump truck. He is described as a daredevil who "is always ready for non-stop action and loves to tear it up".

Skya (voiced by Ashleigh Ball) is an orange Craneosaur - half Brachiosaurus and half construction crane. She is described as tough, strong, and sassy.

Garby (voiced by Trevor Devall) is a green Stegarbasaurus - half Stegosaurus and half garbage truck. He enjoys eating rocks and extracting their ore. He can also shoot spikes like ninja stars.

Ace Wingnut (voiced by Cree Summer) is a silver and blue Crescent Wrench Reptool - half lizard and half crescent wrench. She is described as very hot-headed.

Waldo (voiced by Doron Bell Jr.) is a red Pipe Wrench Reptool - half lizard and half pipe wrench.

Click-Clack (voiced by Fred Ewanuick) is an orange Rotilian Reptool - half lizard (resembling a chameleon) and half rotary drill.

Ton Ton: Wow! Team Loud Phoenix Storm what an honor!

Skya: It's awesome to have you all here.

Me: Same here.

Qin: But it's awesome to meet you.

Lana: Same here.

Dozer: You guys are our heroes. We love how you all take down all the bad guys.

Me: We get that all the time.

Scrapper: We found a bunch of Scrap Creatures attacking Ty and

J.D. blasted them with his Zoid and Tyranno here destroyed them.

Nico: Yep.

Garby: That is cool!

Revvit: Wait. You two are the only Constructicons here?

Scrapper: The 6 of us are coming here in groups of two until Matt's final mission. And that will be when all 6 of us come.

Revvit: Oh I see.

Qin: Yeah we want to do it two by two up until the finale.

Ty Rux: That's cool.

Lana: It sure is.

Qin: Yeah.

Me: Oh Ty, Guys, just so you know that Eddy is having problems with a dark version of himself.

Ty Rux: What do you mean?

Me: On one of Nico's rescues he got hit in the head with a pair of bowling balls and pin and it unleashed an evil side of him. We call him Dark Eddy.

Ty Rux: Oh boy.

Ton Ton: And his friends are here to subdue him in case he goes wild right?

Nico: Bingo.

Eli: Yep.

Revvit: It's been several months since we battled D-Stroy and yet, D-Structs hasn't made a move against us. You really think he's gonna attack us now?

Ty Rux: If he does, let's not waste him too quickly. Let's take a chance to take him down on whenever Matt's big mission is.

Me: That's going to be on January 28th, next year.

Qin: Yeah we're really looking forward to that one.

Lana: We sure are.

Scrapper: Yeah D-Structs is a big time bad sore loser from what we heard.

Me: Before we make a move against him what can you tell us about him?

Ty Rux: Well he is not a good guy and he hates us all with a nasty vengeance.

He went over his history.

---

D-Structs is the main antagonist of the Dinotrux franchise. He is the main antagonist in the DreamWorks TV series of the same name, and one of the two main antagonists of Dinotrux Supercharged (alongside his brother, D-Stroy). He is an evil T-Trux who terrorizes the Crater, and is Ty Rux's archnemesis.

He was voiced by Paul Dobson, who also voiced Naraku in the English dubbed version of Inuyasha.

Origin

D-Structs' past is unknown. What is known is that he reigned in the Crater unchallenged by any other habitant, from minute Reptools to larger types of Dinotrux. However, upon the arrival of his archenemy, Ty Rux, habitants began to lose fear in him. Since then, he's formulated schemes and lies with more entities with similar intentions.

Season 1

During this part of the series, D-Structs gains his servant and worker, the scraptool Scrap-It. He and Skrap-It go through multiple attempts and schemes to get rid Ty and his Trux, but does not succeed. One such attempt, in the last episode, where he captures a reptool from the Trux to lead him to the Ravine and destroy it, results in him loosing his wrecking ball.

## Season 2

In season 2, D-Structs returns to try and destroy the Trux, but ends up having to be saved by the same group he tried to destroy. He later returns with a new, buzz saw tail, and unsuccessfully attempts to destroy them again. The tail works out for him, when he uses it to dislodge a meteor to crush the gang, up to a fault, after finding a new lair, where the saw gets in objects time after time. He eventually has it replaced with a claw tail, which he continues to use over the course of other seasons.

## Seasons 3-5

As Ty and his gang make enemies with a few unsavory characters, D-Structs notices this. At another point, Skrap-It unknowingly gives D-Structs a supercharger, which he uses to try and destroy the Trux. A different occurance is when Skrap-It becomes intelligent, and for the duration of the episode acts as the lackey for Skrap-It.

Towards the end of the season, D-Structs notices how much more successful he was with the aid of another, and teams up with some enemies of the Trux, Splitter, Blayde, and Pounder. He continues to work with them through season 4 and until season 5.

This happens when he temporarily gets rid of the Trux by pushing them off the bridge. However, they return and liberate the Crater, exiling D-Structs and his followers. He eventually decides he is better off without them, and their group dispands. However, Skrap-It stays with D-Structs, and after an attempt to strand the Trux outside of the Crater to get back in, he has to side with the Dinotrux to protect the Crater from a colossal Dreadtrux, And returns to the Crater. However, even after helping the Trux, he holds his desire to get rid of them.

Dinotrux Supercharged

Season 1

D-Structs returns in this series. He wanted a Spark bug Supercharger so badly so he could wipe out the Trux.

Season 2

In Season 2, it is shown he has an older brother whose name is D-Stroy, who he helps get rid of the Dinotrux and take over the Crater.

Season 3

In Season 3, D-Structs and D-Stroy continue to hunt down the renegade Dinotrux. However, after some battles with them, the other Trux, who were also driven out of the crater, help reclaim it. During the ensuing battle, D-Stroy double-crosses him by telling him that it's all his fault and that he's weak. D-Structs takes Revvit hostage, and knowing that D-Stroy betrayed him, allows the Crater's community to take him down. Soon, D-Structs traps Revvit on the slope of a volcanic area, which leads Ty to a final showdown with his nemesis. After the battle near the volcanic area, where Ty spares him and offers a place in the Crater's community, D-Structs chooses to find a new place with new Trux to have dominion over.

---

When he was done we were shocked!

Me: (Growls) Man what a jerk!

Nico: Yeah he is completely hotheaded and out of control!

Ty Rux: But keep in mind he's not the only bad guy here.

Me: I heard about D-Stroy his brother. Can you tell us about him?

Ton Ton: We sure can.

He did so.

---

D-Stroy is the overarching antagonist of the Dinotrux franchise, and one of the two main antagonists of Dinotrux: Supercharged, alongside D-Structs. He is D-Structs's older brother, and is bigger, tougher, stronger, and more intelligent than him. He is also Ty Rux's second archnemesis.

He is voiced by Brian Dobson, who also voiced Skeletor in the 2002 Masters of the Universe TV show and Majin Buu in the Ocean Productions dub of Dragon Ball Z.

## Background

Not much is known about D-Stroy other than the fact he is D-Structs's brother. One time, they were together, and decided to attack a trio of Hydrodons. However, during this attack, D-Stroy was attacked, but D-Structs left him behind. They departed to their own ways after that, but D-Structs somehow knew where D-Stroy went to.

## Dinotrux: Supercharged

### Season 2

D-Structs sends Skrap-It to D-Stroy's lair after he is immobilized by a pack of Scraptors. D-Stroy appears and accompanies Skrap-It back to his younger brother. After that, D-Structs and D-Stroy briefly discuss their past. D-Structs debates himself on whether or not he should trust his brother, but when D-Stroy proves to be taunting, D-Structs tells him to leave.

However, the Scraptors wake up, and D-Stroy agrees to help D-Structs, but only if he admits he was wrong in their last encounter. With that, D-Structs realizes he has no choice but to trust his older brother, admitting he was wrong. The two then fight off the Scraptors and escape where the Scraptors live, but some tension still remains between them, as D-Structs refuses to tell D-Stroy where his own territory is located. However, D-Stroy eavesdrops on him and Skrap-It, and hear them referencing the Crater.

D-Stroy continues to stalk D-Structs, seeing him attempt to trap Ty Rux and his friends at a tar pit, but they escape the trap. He later approaches him, and the two discuss ridding Ty and his friends from the Crater and taking over. He takes D-Structs to a sleeping Dreadtrux, which D-Structs has fought before. D-Stroy forces the Dreadtrux to wake up, and he and D-Structs start abusing it, and force it to heed their orders. Later on, D-Stroy sneaks into the Flatirons, and adds helium ore to Ty's builds, then accompanies D-Structs in attacking the Garage. After the two brothers start ruining and destroying the builds, they seemingly flee, but in reality, this is just the beginning of their attack.

Ty and his friends start repairing the builds, not knowing they are using helium ore as part of their builds. Revvit and Xee warn them, but it is too late; D-Structs and D-Stroy enter the area with the Dreadtrux. D-Stroy battles Ty and proves to be more of a match than D-Structs, announcing his intent on destruction. Seeing that the Dreadtrux is destroying the builds, and D-Structs and D-Stroy are a bigger threat than they thought, Ty and his friends decide it's best to leave the Crater. They try to escape using the bridge they built, but it is blocked off by helium ore. Xee shows them a secret entrance to a secret forest she found, and they follow her there.

D-Stroy, D-Structs, and Skrap-It try to follow Ty and his friends, but they lose them. Seeing that Ty and his friends fled, D-Structs suggests D-Stroy that they rule the Crater together, but D-Stroy refuses the offer, affirming him that "the Crater is just the beginning". He then rants at Ty (though the latter is nowhere to be seen), that he can run as far as he wants, but he and D-Structs will eventually find him and his friends.

Season 3

D-Stroy and D-Structs both become tyrants ruling the Crater, enslaving all around them and condemning the entire population of the Crater to mass starvation to force them to agree to help him defeat Ty and his gang, and also continually abuse the mother Dreadtrux, and even attempted murder on Ty and his gang several times. However, this was because D-Structs was pressured by D-Stroy into working with him. Eventually, the D-Bros are finally defeated when the residents of the Crater are no longer afraid of them, and form a mob, returning to help Ty because he helped them. During the ensuing riot, D-Stroy betrays D-Structs by mockingly telling him that he's weak. Because of this, D-Structs, fed up with D-Stroy, tells the mob that D-Stroy is all theirs, and they fight the latter all the way to the tunnel the mother Dreadtrux, who is now on Ty's side, carved out for him and his friends to go back to the Crater, and the mob causes the entrance of the tunnel to collapse. It's possible that D-Stroy was killed by the mother Dreadtrux he had abused, as it would be a well-deserved punishment for his actions.

When he was done we were shocked too!

Me: Whoa! Some brother! He turned on his OWN Brother too!

Qin: Yeah! And he might be dead too.

Nico: But also we saw the scrap creatures too.

Eli: Yeah they are bad news too.

Twilight Sparkle: They sure are.

Mixmaster: D Stroy might be the main target.

Nico: And so will D-Structs.

Qin: Yeah.

Lana: But it might be cool to take on both of them.

Fluttershy: If we do they will get a wild beatdown.

Starlight Glimmer: They sure will.

Sunset Shimmer: And it won't be pretty.

Skya: I agree there with you guys.

Ty Rux: Yeah he messed with all of us.

Nico: Although there have been several times on big missions where the next team after that makes a surprise appearance. I bet the Beyblade Metal Fusion Gang will show up to take D-Structs down.

Me: That will be awesome to see. But my money is on them taking down D-Stroy. D-Structs has caused more problems than his brother did.

Nico: You're on J.D.

Ty Rux: J.D. is right on that. D-Structs has caused more problems than his brother.

Matt Olson: After my big mission, we can throw D-Structs into the same impound lot we threw Diesel 10.

Me: I like it.

Qin: Yeah.

Nico: Me too!

Lana: Yeah that guy has caused too many problems.

Rarity: Oh he sure has darlings.

Ton Ton: Yeah!

Ty Rux: It really sucks that we missed the battle against Opaline though.

Me: No worries guys. But we did have help from everyone all over the universe.

Nico: Yeah it was cool though.

Qin: It sure was.

Pinkie Pie: It was a fun battle though.

Skya: Yeah.

Eli: It sure was a great battle. (Senses something) D-Structs is close. I sense him.

Me: Stand ready.

We got ready and saw D-STRUCTS!

Me: There he is.

He came up to us.

D Structs: (grins evilly) Hello, Ty. Did you miss me?!

Ty Rux: Not one bit!

Skya: You need a better hobby.

Me: Like say get the heck out of this crater!

BANG!

I fired an energy blast from my Zoid and it hit D-Structs and sent him crashing into a rock and he got up and he was REALLY PISSED!

Qin: You are not welcome here D-Structs!

Just then, we heard Nega Eddy laughing. We turned to see Nega Eddy pointing Eddy's blaster at us.

Me: Uh oh!

Nega Eddy: You might be big. But that means you're an easy target!

D Structs: (chuckles evilly) Looks like one of your new friends has betrayed you, Ty. (to Nega Eddy) Glad you wisened up and joined my side.

Nega Eddy: Who says I'm on your side?

D Structs: What?!

Nega Eddy fired his blaster at D Structs but he avoided it.

D Structs: Fine! I'll just take you all down myself!

Nega Eddy jumped up and fired his blaster at both D Structs and Ty.

Eli held the blast in place with the Force and Ty got out of the way and the blast for D-Struct's hit him and the blast for Ty missed.

Kevin: TAKE HIM DOWN!

TRAIN HORN!

They jumped Dark Eddy and bashed and smashed and pulverized him in a merciless beatdown!

It was a brutal fight cloud!

Nico: Chew on this!

Nico had his Elephandor charge up a particle beam and he blasted D-Structs down with it!

Nico: YEAH!

D Structs: Now, where were we before that interruption?

Me: The part where we send your 16 piston engine packing!

Ty: Did us working together to take D-Stroy down really mean nothing to you?!

D Structs: Oh please. I only helped you all so my brother would fall. After that, we became enemies again. Plain and simple!

Me: 3 words: BIG! LOUSY! WHOOP!

I fired more energy blasts from my Gordosaur's cannons and blasted D-Structs all over the place.

Dino Tyranno: (takes out Icarus Prometheus's Wizard Ring) Hey, Ty. Don't leave me out!

Ty Rux: Wait. You can use a Wizard Ring at your size?!

Dino Tyranno: They come with many abilities!

Me: Yep. Watch this one.

I put on Lord Drakkon's Wizard Ring and I fired waves of green energy and smashed D-Structs down and Dino Tyranno stomped on D-Structs.

Me: And here's one of my favorites.

I put a rake down in front of D-Structs.

D-Structs: You guys are…

He went over the rake and then…

SMACK!

The rake handle hit him right in the face!

D-Structs: (SIDESHOW BOB GRUMBLE)

Dino Tyranno put on his ring and activated it and grew to the size of a 20 story skyscraper and then kicked D-Structs and smashed him into a rock wall!

Lana: YEAH! Had enough?

D-Structs: (to Scrapper and Mixmaster) Without the rest of your fellow Constructicons and Devestator, you two are weak!

Scrapper: There might be only two of us. But me and Mixmaster can still pack a punch! Literally!

They smashed him on his face and knocked him down.

Qin: Time to put you on ice.

She put on Captain Cold's ring and fired waves of ice and froze his treads!

D Structs: My treads!

Nico: Don't be a big baby. We're not going to seriously damage you just yet. We're saving that for January!

Me: Besides were would the fun be if we destroyed you before then? Hmm?

Matt Olsen: Now for me.

He put on the Silver Spooner's ring and a giant spoon came.

Ty Rux: A huge spoon?

Matt Olsen: You'll see.

He scooped up D-Structs and then catapulted him into the air and sent him packing by flinging him far!

Nico: Whoa!

Me: Nice one!

Ty Rux: Kevin, how are you doing against Dark Eddy? (avoids laser blast) Whoa!

Kevin: Sorry, guys. But he's putting up a fight this time!

Me: He must be ready for you guys. Apparently he must be learning from the mistakes he made.

Eli: Not for long.

Eli held Dark Eddy in place with the force and they beat him up some more and Dark Eddy was bashed back.

I looked at my device and it showed 20 times left.

Me: Whew. 20 times left.

Nico: Yep.

Ty Rux: Nice job, guys! We won't be seeing D Structs until January. But there are still some bad guys on this world that we'll have to face until then

Me: But we'll be ready for them Ty.

Ton Ton: We sure will!

Nico: Yeah we will!

Ty Rux: Your zoids are all awesome!

Qin: Thanks. Many more where that came from.

Me: But it was still awesome taking them out again.

Lana: It sure was.

Nico: Yep. And Matt's first mission was a success..

---

We came back.

Me: WHEW!

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone everything and it was amazing.

May: Wow! So D-Structs was sent flying?

Me: Yep.

Matt Olsen: Yeah he sure was.

May: Next time, Silver Spooner and Cheese should go with you.

Nico: Awesome! Cheese will annoy the crap out of some of the bad guys.

Lola: He sure will.

BANG!

Nico: What was that?

Me: Oh don't worry guys that's Hitch training the Cutie Mark Crusaders for their upcoming Ambassador Missions.

The Cutie Mark Crusaders were in the Shooting Simulators we built to help them get ready for their missions and shoot criminals.

Hitch Trailblazer: Good girls!

They were really shooting the bad guys of wood up and learning fast.

---

We were watching TV and looking through the paper to find more Black Friday deals. Suddenly I felt a chill.

Me: (SHIVERS) Man that was cold!

Nico: It's from him!

We saw a ghost and it was ME! The TLES Version of me!

Gentoku: Is that who I think it is?

Nico: It sure is!

Me: It's the TLES Version of me!

Universe 666 me: That's right and forgive me from coming in like this but I don't want anything to do with that nightmare of a team anymore.

Me: How do I know this isn't a trick?

Universe 666 me: Because I am the one that sent you that dream.

Me: So you warned me and told our King Kai of it.

Universe 666 me: Yes that's right. Evil Nico is the most evil monster ever and recruiting him was the worst mistake I've ever done.

Nico: Oh boy.

Good Crocker: You know you've got some nerve. (laughs bitterly) Oh, wait. You don't have any nerve! This is a coward's move! Appearing to us where you know we can't hurt you!

Colleen: (British Accent) Taking a page out of Team Buktu's book, are we?

Nico: Crocker stand down.

Eli: He's telling the truth. I sense it. He would not appear to us without any good reason.

Universe 666 me: That's right. I came here to first apologize for everything that my team did and I want you to know that I am deeply remorseful and I want to help you guys correct my mistake. What Evil Nico did to me and all the universe we came from is unforgivable and my last act before I go make peace with my maker is to do this.

He made a huge book appear in front of us.

Me: Whoa what's that book?

Universe 666 me: This is a log book of every single one of the atrocities and crimes that Evil Nico has done. And also my final act as leader of the team is to tell you guys this. Destroy my entire team and make them all pay for all of the crimes they did. And their crimes are all my crimes. (Crying) What they did is beyond forgiveness and I don't deserve any more of forgiveness at all for everything they did. I'm so sorry for everything I did.

I then went over to him and I then hugged him.

Me: Universe 666 me you are forgiven for everyhing you did. If there is one thing still inside you that makes you still a good person, it's that you are still human and not the monsters that your team are. You still also have honor and that makes you a good man.

Good Crocker: To be fair, not all of them are going to die.

Dirtbag: But Evil Nico? Most definitely!

Universe 666 me: Good. Make that monster suffer.

He then gave me his necklace which was a phoenix and with a mermaid on it.

Universe 666 me: This necklace was given to me by my universe's version of Varie before Evil Nico killed her. Make that heartless snake pay for taking her away from me.

Me: (Determined) I will. You did nothing to deserve all this pain and I promise that Evil Nico will rue the day he messed with our universe.

Nico: You have our word. I will never let that monster version of me get away with it.

Universe 666 Me: Thank you. All of you.

He then went up to Heaven.

Me: You don't deserve to be treated as a villain, you deserve to be treated as a hero.

I put on the necklace.

Me: I won't let that monster get away with it. Nico, when we face the evil version of you, we are going to make him pay. Both of us will.

Mine and Nico's eyes glowed red.

Me: Evil Nico and Team Loud Evil Storm you will pay for everything you did.

Nico: All the lives you killed, tortured and slain will be avenged. And your death will be excruciatingly painful.

Good Crocker: (sighs) Goddammit, I had him figured out all wrong. What are me and Evolt gonna tell the others now?

Grapple: We could just say nothing about this.

Eli: No they have a right to know. We won't let his sacrifice be in vain.

Qin: That's right. Even though he was not from our universe he still has will be treated like a hero.

Eli: I agree.

Tussle Sprout: Nico, which teams have you made this time?

Nico: Lars' team will include, Irina Wendolva, Sela, Leo, Amu, and Tusk. Leon's team will include Simone Houou, Hikari Nonomura, Mio Natsume, Haru Tokashiki, and Kagura Izumi.

Me: Awesome! Bout time the Zyuohgers and the ToQgers get to be part of a team.

Right: Yeah this is gonna be cool!

Kagura Izumi: Yeah I agree! I'm looking forward to this.

Sela: Me too!

Leo: This is gonna be awesome!

Tusk: It sure is!

Laney: We're really excited for you guys.

Twilight Sparkle: We sure are.

Then Black Manta, Doctor Octopus, Killer Croc, Goro, Chillyfish, Turtle, King Shark, Abra Kadabra, Merman, Ragdoll, Live Action Bonecrusher, Evil Bright Man, Superfriends Scarecrow, Peg Leg Pete, Roman Torchwick, Burnertron, Neopolitan Man, Trifire, Luna Ghost, and Ghost of Merlin appeared.

Black Manta: Can me, Doctor Octopus, Killer Croc, Goro, Chillyfish, Turtle, King Shark, Abra Kadabra, Merman, and Ragdoll go with you guys?

Live Action Bonecrusher: Me, Evil Bright Man, Superfriends Scarecrow, Peg Leg Pete, Roman Torchwick, Burnertron, Neopolitan Man, Trifire, Luna Ghost, and Ghost of Merlin will go too. (to G1 Bonecrusher) I hope you go on Matt's next mission.

G1 Bonecrusher: Oh I will go next.

Me: Cool.

Nico: And yes you all can go.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily's Third Eye of The Buddha and the dark blue iris of Ed Cowart's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figures were: the figure were the superpowered and intelligent Cockroaches.

Lincoln: Oh man! The dark energy signal we sensed belongs to the superpowered and intelligent Cockroaches.

Timmy, Cosmo, and Wanda gasped.

Timmy Turner: Oh no, not them again.

Nico: You had a run-in with them before, Timmy?

Timmy Turner: Yeah, I did, Nico, and it's due to a wish that I'd made. I wished to find out what one of the cockroaches was thinking, and that was a big mistake: the cockroaches wanted world domination and they became superpowered and super intelligent, and the other big mistake was that Cosmo was the only fairy with me.

We gasped.

Me: Whoa.

Lincoln: You said it. So, how did you deal with them? I heard from Wanda that you couldn't kill them with magic.

Timmy Turner: That's right, they couldn't be killed with magic.

Wanda: Yep, all fairies know that, so I had to poof them somewhere else, and I chose The Fairy World Spa as payback towards the snooty fairies who were working there for kicking me into a trashcan.

Me: They did something to warrant payback, right?

Timmy Turner: I wished Wanda there with a reservation, but they still did that.

Wanda: Yeah, I couldn't stand those snobs. So, now those cockroaches are back, this isn't good.

Nico: It sure isn't, so we're going to be in for a battle to prove who is the most amazing and superior species.

Lincoln: After we get through with our really wild, awesome, and crazy Black Friday Shopping spree, we got ourselves some superpowered and super intelligent cockroaches to deal with.

Me: You got that right.

Nico: Yeah.

Qin: Yep.

Hook: Boss, which Gene Slammer do you think you'll meet next?

Nico: I'm going for a Beedrill next.

Qin: Ooh! That one will sting!

Nico: It sure will. I hope Misty won't be terrified of this one.

Me: Yeah. She was terrified of Bug Pokemon before.

Xenia: No kidding.

Nico: Yep.

Live Action Bonecrusher: Yeah. By the way J.D. did you get visited by the spirit of your Universe 666 self?

Me: We sure did. He told us to destroy his version of Nico. I have a feeling that he is behind it all. He brainwashed his entire team and killed Universe 666 me and Varie.

Doctor Octopus: It's a good thing nearly all of them are locked up then.

Evil Bright Man: But Evil Nico, Evil May, Evil Optimus, Evil Maria, Evil Danny, and Evil William are definitely genuinely evil.

Nico: Yep. Lets head out.

We were off to the mall

---

We arrived at the mall.

Blaster Tron: Number of people waiting outside the mall: About 10,000.

Me: And they are going in.

Nico: Yep.

We went into the mall.

Me: Here we go.

Nico: This is gonna be awesome.

We went and hit all the stores, all the shops for clothes, jewelry, video games and comics and more.

Killer Croc: What are you getting, Scarecrow?

Superfriends Scarecrow: Some leftover Halloween decorations that I requested before.

Nico: Cool cool.

Qin: Yeah.

We got a lot of awesome shopping done. Then we headed to the food court.

But when we got there we saw what looked like a miniature town.

Nico: Whoa look there. Shh look.

We looked and saw the roaches building a town.

Me: Look at that.

Nico: Wow they built a town in less than half an hour.

Me: We got to show this to everyone. This looks like a job for… (SPINS AROUND)

I was in my Jungle Explorer uniform.

Me: (AUSTRALIAN ACCENT) Jungle Explorer J.D.! Crikey!

Strike Man: Wait. They still don't realize we're onto them. Let's continue shopping but still keep an eye on them.

Nico: Good idea. We can have J.D. observe them and document what they are up to while we do so.

Me: Righto mate.

I made a shadow clone and had it watch the roaches while we went shopping.

Goro: Ants are much more pleasant then them.

Peg Leg Pete: But probably less powerful.

Nico: Yep.

Qin: Yeah.

Princess Luna: Poromon, what are you looking to buy?

Poromon: Haven't decided yet.

Nico: You will.

My shadow clone was observing the roaches and in less than 1 hour and 45 minutes they built an advanced miniature futuristic city in the middle of the food court. I had my phone recording the whole thing.

Me Clone: Crikey! That is an amazing futuristic society they built mates. In 105 minutes they built it.

The mini-city was bustling and amazing. And really advanced.

We then came across Jorgen.

Me: Hey Jorgen!

Jorgen: (Arnold Schwarzenegger accent) Hello, everyone. Hope you don't mind that I participate in Black Friday too.

Turtle: Not at all.

Roman Torchwick: What are you planning on buying?

Jorgen: Just workout stuff as well as protein shake mix. Got to keep myself strong.

Qin: Awesome.

Jorgen: I swear that I used my magic to send those cockroaches into the sun the first time after enjoying those snobby fairies at the spa getting humiliated.

Blast Off: I was wondering how they eventually met their maker since you can't kill them with magic.

Me: All of us were. I have a clone watching the roaches and observing how they are acting like a nature documentary and it's really amazing.

Jorgen: Very interesting.

Me: But it's good those snobby fairies got what was coming to them.

Lola: Yeah no kidding.

Wanda: Remind me never to go to a spa like that again.

Nico: I'll make a note of it.

Merman: Any minute now, the leader cockroach is gonna be declaring intent on world domination.

Burnertron: That was the very first thing he said.

Nico: That's right.

Qin: But we're ready for them.

Nico: Lets head back and see what's going on with the cockroaches.

We did so.

Everyone came back and saw the mini future city.

Nico: Wow look at that!

Threatpack: To think that the cockroaches turned out like this when Timmy wished for them to be smart.

Nico: I know.

Me: Crikey. This is one amazing city they built mates.

Eli: How long did it take for them to build it?

Me: 2 hours and 37 minutes.

Qin: Wow that is amazing they built it that fast.

Roach Leader: WORLD DOMINATION!

Nico: Okay NOW I've seen all I need to see.

Me: Me too mates.

I changed back.

Me: (Normal voice) But this is gonna be really interesting for a science project.

Chillyfish: There's the World Domination Proclamation right there!

Neopolitan Man: Anyone want me to make ice cream while we're watching them.

Qin: We still have to stop them.

Nico: And I mean now.

Qin: Agreed.

Xenia: Yeah.

Lana: I got a good start.

Lana jumped in and went at the roaches with her own entrance and the spirits of Timon, Pumbaa and bugs appeared and swirled around the roaches and they converged and then an explosion of snow and ice blasted out and then a snow fairy came out and then lana came out.

Leader: LANA LOUD CAPTURE!

Lana: Time for me to EAT SOME ROACHES!

Lana dripped drool and was eating them!

Jackie Chan Finn: (to Timmy) So, you gave them brains but not the ability to speak in complete sentences?

Timmy Turner: I guess so.

Timon: But not even super intelligent roaches are a match for Lana's love for bugs.

Pumbaa: That is for sure Timon.

Nico: You two better get in there and help her.

Pumbaa: You got it!

They went in and helped her.

They were eating and eating and eating and eating and eating.

Camie: Boy Lana, Timon and Pumbaa sure love eating bugs.

Tsuyu: You got that right.

Me: Tsuyu can you eat roaches?

Tsuyu: I sure do. Let me at them!

Tsuyu went over and ate some of the roaches.

Trifire: She can eat bugs?!

King Shark: You guys never mentioned that before!

Bakugo: In my defense, we never had to deal with bugs.

Nico: Well her quirk is called Frog and frogs eat bugs so that makes it perfect for her.

Bakugo: I see your point.

Trifire: Me too.

Me: Yep.

They were eating and eating and eating roaches left and right.

Simba: I better help them.

Leif: Me too.

Simba and Leif helped eat them.

Trifire: Simba eats bugs too!?

Me: Simba did eat bugs with Timon and Pumbaa in his exile.

Trifire: Oh right I forgot about that.

Konan: Look at them go!

They were eating and eating and eating and eating roaches like there was no tomorrow.

Qin: Boy they are gonna be bloated.

Laney: No kidding.

Abra Kadabra: Should we help them now?

Luna Ghost: 5 more minutes.

We got to waiting and then the roaches were down to just their leader

Nico: Okay NOW we can go.

Lemmy Koopa: Entrance time!

We went at the leader.

Roach Leader: WORLD DOMINATION!

Then the spirits of the power of Thanksgiving appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive and powerful fiery explosion went off above him and a phoenix cry was heard and we came out.

Me: Sorry Roach but you are not taking our planet without a fight. But the city you built is absolutely incredible.

Roach Leader: More roaches!

More cockroaches appeared.

Ghost of Merlin: This still won't make up for your lost numbers.

Roach Leader: World domination!

Ragdoll: Since you can't speak in complete sentences, we're not going to waste our breath.

Me: That's for sure.

I then had all the roaches sent into the sun.

Me: Now you are all alone.

Then Kaos, INSTIGATOR, El Oso, Carmen Dillo, Duff Killigan, Tchang Zu, The Vreedle Brothers, Dr, Starline, Leap Frog, General Schwarz, Gramma Stuffum, Steam Demon, China White, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, Louie

El Oso: (Spanish Accent) But we'll show you later.

Me: Okay.

Carmen Dillo: (to Nico) Heard this is your second Black Friday shopping spree.

Nico: Yep.

Duff Killigan: How was the first one?

Me: Really awesome.

Qin: We had a lot of fun.

Hookbeard then appeared for round 2.

Me: Hookbeard for round 2.

Hookbeard: Yep. It will be fun facing you all again.

Me: Cool.

Hookbeard: This be a good Black Friday, isn't it?

Me: You got that right.

Qin: Yep.

We got the battles underway.

## Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Tussle Sprout and Golden Queen VS Kaos - Nico's Rescue was Black Friday Shopping

Kaos was first.

Kaos: (to Twilight) Nico's Rescue was Black Friday Shopping. How hectic was it?

Twilight Sparkle: It was extremely hectic. There were thousands upon thousands of people going into the stores for some of the really awesome deals.

Starshine Sparkle: It was really crazy! People were flooding into the stores like you wouldn't believe.

Spyro: Yeah no kidding! It was like trying to plow through a stampede of wild elephants and a huge pod of whales.

Kaos: Boy that is crazy! Lets do it!

Twilight Sparkle used the Blueberry Lockseed and got a blueberry blaster.

Kaos: Lockseeds next?

Twilight Sparkle: Yep and Wonder Ride Books too. Watch. (Reads Verse) "With powerful swirls of magic, Twilight Sparkle hit the powerful foe with all kinds of objects from a portal as she hit him with everything including the Kitchen Sink."

CLANG! SMASH WHAM! BLAM! BASH WHOMP!

A Portal opened up and rained many objects including the kitchen sink!

Kaos: (Stupid Talk) Hey mother read me a bedtime story.

They laughed and fired waves of magic and smashed him down.

---

## Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Teen Titans, Hook and Long Haul VS INSTIGATOR - Battling Another Volans Undead Zodiart and Another Femme Fatale

---

INSTIGATOR was next.

INSTIGATOR: (to Pinkie Pie) Nico, Alexis's team, Femme Fatale's team, and the others did good Battling Another Volans Undead Zodiart. And Another Femme Fatale as well.

Pinkie Pie: Oh that sure did and it was really fun and amazing.

Maud Pie: (monotonously) It was not only a fun adventure.

Featherweight: Boy it sure was. And we were amazed that Nico knows a member of Star Butterfly's family too.

Sprocket: Boy we sure were.

Robin: That is really cool and awesome.

Starfire: It sure is.

INSTIGATOR: That is cool. I didn't know that the next gene-slammer for Nico would be one of Star's cousins. How awesome. Lets do it!

Pinkie used the Durian Lockseed and got a Durian Hammer and it smelled like shit!

Pinkie Pie: P.U! That stinks!

INSTIGATOR: Well durian fruits are not very well liked around most parts of the world.

Pinkie Pie: I see. (Reads Verse) "As Pinkie Pie was facing her foe, she had many massive numbers of pie bombs rain down on him and they all exploded all over in massive explosions of whipped cream. Rendering him unable to move!"

Then massive numbers of pies came and they hit INSTIGATOR and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

KRASPLAT! WHAT A MESS!

They fired waves of energy, metal, gears, lightning and magic and smashed him down.

---

Applejack, Apple Bloom, Earth Skylanders, Ben, Gwen, Jen, Max, Kevin, Blaster Tron and Sasha VS The Vreedle Brothers - Lincoln's Rescue

---

The Vreedle Brothers were next.

Rhomboid: (to Applejack) We heard Lincoln's rescue was in Oceanu. Did anyone get blown up real good?

Applejack: Yeah they sure did. It was the Nightmare Wizard and destroyed him.

Apple Bloom: Yeah he sure had it coming!

Flashwing: That was one awesome battle.

Ben: It sure was. And we all thought it was amazing.

Gwen T.: It sure was awesome and Lily got an awesome new sword there.

Jen Tennyson: Lincoln just keeps amazing us every day.

Max Tennyson: He sure does. I think it's so awesome.

Kevin Levin: Yeah it sure is.

Octagon: I agree there. Lets do it!

Applejack used the Apple Lockseed and got an Apple Mace Club.

Applejack: YEEHAW! That is what I'm talking about. (Reads Verse) "Applejack sttod ready as she put her foes in a huge tub and commanded numerous barrels of Apple Ciber to rain down onto them and give them massive lumps on their heads and drench them in cider."

Then numerous barrels FULL of cider rained down on the Vreedle Brothers and they hit them and inundated them in cider and knocked down in a huge washtub as it filled up and they fired waves of earth, rock, crystals, boulders and apples and smashed them down.

They then got mugs and filled them up and got a good drink.

Rarity, Sweetie Belle, Water Skylanders, Kim Possible, Ron, Strike Man with Nitro Man VS Duff Killigan - Meeting a Fusion Gene-slammer for Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle

---

Duff Killigan was next.

Duff Killigan: (to Rarity) I heard you guys met a Fusion Gene-slammer for Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle. What's her name lass?

Rarity: Her name is Riley "Ruby Carbuncle" Mackenzie and she is a really awesome and amazing angel for Lincoln.

Sweetie Belle: She sure is and her story is cool too.

---

Riley Mackenzie: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Riley, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Riley Mackenzie: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Riley, what's the story on why you hated Lynn with a blazing passion?

Riley Mackenzie: Now, that's something I've never forgotten. One day, I was hanging out with Lincoln at the park, and we were having fun. But, then, Lincoln sensed a nasty and dark presence, and he'd caught the stench of unwashed gym clothes, and then, in a flash, he punched the figure who rushed at him, and we saw who it was: it was Lynn, but her eyes were red with hatred and insanity, and she had a knife in her hand and she wanted to kill Lincoln. She proceeded to go on an hour-long tirade on how she'd lost a game to the Billygoats and she blamed him for it, and she said that she had enough of Lincoln even living, and now, she was going to kill him and me for being with him, and she was laughing like a mad lunatic, I also sensed she was going to do the same to the rest of the Guardian Angels, along with Leni, Luna, Laney, Lucy, Lana, and Lily, along with the parents and his friends. That pissed me off badly, along with Lincoln, so I fired a ruby red fire blast at Lynn's knife and melted it into molten metal, and this pissed that animal off badly, and she tried to attack us, but Lincoln and I grabbed her fists with our right and left hands, and with our free left and right hands, we threw two punches at Lynn's face, knocking her down and out and with two black eyes and missing teeth, and Lincoln had that animal tied up in red energy ropes, and I put Lynn in a red ruby crystal prison and we came back to The Loud House, and I removed the ruby crystal prison around her. We told Mr. and Mrs. Loud of what Lynn tried to do to me and Lincoln, and played her hour-long rant to them, and as soon as it was done, Lynn was finished. She got her smelly butt grounded for nineteen weeks, and Lincoln not only put her in a straitjacket, Chinese finger traps on her fingers, and a Hannibal Lector mask on her and threw her in her cage in her room, but he also told his Mom to call Coach Keck who made sure Lynn was benched for those nineteen weeks, and this really pissed Lynn off, but I wasn't afraid of her, and neither was Lincoln, and we both swore if Lynn ever tried to attack us again, she could say goodbye to her sports career and dreams, and she was going to be burned badly.

We cheered wildly.

Nico: So, this was due to another lost game that Dark Lynn took over and wanted to kill Lincoln, she really is a sore loser!

Me: Yeah. But, Lincoln sensed her coming and he counterattacked her, and then, he and Riley laid a brutal beatdown on her, awesome.

Lincoln: Yep, and that was really smart of Riley for imprisoning Lynn in a ruby red crystal prison, so she couldn't escape.

FLASHBACK ENDS

Duff Killigan: Goodness lass! Dark Lynn really was a monster!

Gill Grunt: You're not kidding there too.

Kim Possible: Yeah she sure was.

Rob: But at least she is gone.

Duff Killigan: Aye. Thank goodness for that. Lets do it!

Rarity used the Grape Lockseed and it formed a Grape Blaster.

Rarity: And this will be a most fun one for you. (Reads verse) "With a Golf Club made of fancy diamond, Rarity used beautiful jewels as golf balls and hit them towards her opponent and buried him in jewels up to his neck and then hit a huge big jewel and smashed him on his head."

Rarity got a diamond golf club and hit them like golf balls and then hit a HUGE Red diamond and it smashed Duff on his head! Then they fired waves of grapes, jewels, water and ice and smashed him down.

---

## Fluttershy, Tornado Bolt, Life Skylanders, Static Shock, Gear, Quake Woman and Princess Luna VS Carmen Dillo - Matt Olsen's First Ambassador Mission and Piloting our Zoids for that

---

Carmen Dillo was next.

Carmen Dillo: (to Fluttershy) Today was Matt Olsen's First Ambassador Mission. He and the others had to Piloting their Zoids for the battles there.

Fluttershy: Oh it was really cool.

Carmen Dillo: What was his Ambassador Mission for?

Fluttershy: It was for the world of the DInoTrux.

Tornado Bolt: They are dinosaurs that are in every way like construction vehicles and it was really cool to see.

Stealth Elf: It was really cool to see.

Static Shock: Yeah they used their zoids to help battled against D-Structs and the Scrap Dinosaurs there.

Gear: Yeah that was so awesome.

Carmen Dillo: Wow! That is so cool! I can't wait to see what that is like. Lets do it!

Fluttershy used the Tomato Lockseed and got a Tomato Club.

Fluttershy: Oh this is interesting. Lets see. (Reads Verse) As Fluttershy stood ready to face her opponent, numerous numbers of her amazing animal friends all swooped in and threw large amounts of fruit and smashed it all over him."

Then numerous monkeys, birds and more flew in and pulverized Carmen Dillo with fruit.

SPLAT SPLAT BONK BONK DINK CLUNK CLUNK BOOF SPLAT BONK BOINK!

Carmen Dillo: HEY!

Then…

KRASPLAT!

A huge fruit hit him right in his face and then they fired waves of fruit, grass, leaves, flowers and vegetables and smashed him down.

---

Sunset Shimmer, Pipsqueak, Fire Skylanders, El Tigre, Frida, Threatpack and Cross Crow VS El Oso - TLES J.D.'s Spirit Visiting Us and telling us to destroy his old team

---

El Oso was next.

El Oso: (to Sunset) (Spanish Accent) I didn't expect TLES J.D.'s

Spirit to Visit Us. And I also didn't expect him to tell us to destroy his old team.

Sunset Shimmer: None of us did. I guess Evil Nico killing him was a massive wake up call for him.

Pipsqueak: (British Accent) It sure was. But the evil version of us will be destroyed.

Sunburn: Yeah no kidding.

El Tigre: (Spanish Accent) They will get what's coming to them.

Frida: Big time.

El Oso: They sure will. Lets do it.

Sunset used the Chili Pepper Lockseed and it formed a Chili Pepper Katana!

Sunset Shimmer: And now for this. (Reads Verse) "With a massive and powerful fiery glare, Sunset Shimmer made her foe explode with intense spicy fire power as he drank a huge bottle of the world's spiciest hot sauce and massive streams of fire exploded out of his mouth and he ran like a chicken with its head cut off."

(IT BURNS BURNS BURNS BY LOCO LOCO PLAYS)

El Oso was in a lot of pain and he screamed as fire exploded out of his mouth.

They fired waves of fire and smashed him down.

---

Rainbow Dash, Scootaloo, Air Skylanders, Jackie Chan, Jade Chan, Blast Off and G1 Vortex VS Tchang Zu - Black Friday Shopping at The Mall

---

Tchang Zu the Demon Sorcerer of Thunder was next.

Tchang Zu: (to Rainbow Dash) Today is Black Friday Shopping at The Mall. This is probably Nico and the others' second time today.

Rainbow Dash: Yeah it sure is and this is really awesome.

Scootaloo: It sure is awesome.

Whirlwind: Boy I'll say.

Nico: Yeah they were.

Qin: He doesn't like talking about it.

Me: Even though it was all against his will he still feels really bad about it.

Me: It's a weather phenomenon where the sun doesn't set until in the late evening hours. It usually happens up in parts of Northern Canada, Alaska, Russia, Siberia, Scandinavia, Greenland, those places.

Zuria: Oh wow! That is amazing.

Nico: And we killed lots of cockroaches.

Lana: By mostly eating them and they all were really tasty.

Me: You REALLY ate a lot of them.

Camie: I think I'm gonna be sick.

Xenia: Me too.

Me: But it was really amazing seeing how those roaches all built that amazing miniature futuristic society in such a short amount of time.

Eli: Boy that was really something.

Lola: Yeah Timmy's wish to make the roaches smart really showed us the amazing power of roaches.

Lisa Loud: And their gifts in intelligence.

Qin: Yeah that was incredible. But lets not forget that roaches are the most resilient insects of all. They are even known to survive nuclear explosions.

Nico: That is really awesome.

Eli: It sure is and I thought it was cool how J.D. documented the whole thing for everyone to see.

Danica Metrois: That is really cool and awesome.

Nico: And yet, they can't talk in complete sentences.

Me: Yeah that sucked. But it was still awesome.

Tsuyu: But they were sure tasty roaches.

Camie: We didn't know you could eat bugs like that Tsuyu.

Tsuyu: My Quirk may be called Frog and yes I do sometimes act like a frog but I do eat bugs. Mostly flies.

Nico: That's still cool.

We walked on through the halls.

Nico: Guys, does anyone feel something off?

Eli: Yeah. I sense a massive amount of hostility in the air.

Me: It's weird.

Then someone bumped into me.

Me: Oh excuse me I didn't see you there.

Then the figure turned and we saw ALIZARIN BUBBLEGUM AND SHE HAD BLACK EYEBROWS AND BAGS UNDER HER EYES AND HAD AN UGLY FIVE O-CLOCK SHADOW!

Alizarin Bubblegum: WATCH WHERE YOU'RE GOING YOU ASSHOLE!

POW!

She punched me in the face!

Me: OUCH!

Eli: GEEZ!

Me: Looks like someone woke up on the wrong side of the bed this morning!

Lincoln grabbed Alizarin Bubblegum by the throat and started choking her.

Lincoln: Any last words before I destroy you with the Black Gates for that stunt?!

Nico: Lincoln stand down! Let her go!

Lily: Oh man! I've seen this before!

Lily then pulled out a green potion and gave it to her and she was back to normal and she had a massive splitting headache.

Alizarin Bubblegum: (Groans) What happened? I have got the worst headache.

Me: You were acting like a total jerk and you punched me right in the eye.

Alizarin Bubblegum gasped!

Alizarin Bubblegum: Oh no! I'm sorry J.D. I don't remember what happened. All I remember was having a bite of some of that delicious fruit cake and then all of a sudden everything went black.

Nico: But that's not all. (glares at Lincoln) Lincoln over here threatened to destroy you with the Black Gates for punching J.D.!

Lincoln: Oh, c'mon! I'm-

May: (sighs) Lincoln, just don't say another word. We don't have time to discuss this.

Maria: We need to focus on what's making everyone so hostile. (looks sternly at Lincoln) But after that, you can feel free to decide which punishment we give you for making that threat.

Nico: Guys lets not worry about that right now. Her actions were clearly not her own. But this is weird. People usually don't like fruit cake. We better go have a look.

We went to the cafeteria.

Lana gave Alizarin a block of ice for her head.

We arrived and saw a cart full of fruit cake.

Me: This the stuff?

Alizarin Bubblegum: Yep.

Nico: Lisa you better run some tests.

Lisa Loud: Affirmative.

Lisa picked up a cake and I smelled it and it looked and smelled alright.

Me: Hmm. Looks and smells alright.

Lisa got the results and gasped!

Me: What is it!?

Lisa Loud: It appears that Alizarin Bubblegum's hostility and actions were not of her own free will. This fruit cake is laced with the element Ragelodocapricolium Varidium Alloy or commonly known as Jerktonium.

Lily gasped in shock!

Lily: Oh man! I remember that stuff! Plankton used that stuff and gave fruit cakes laced with it to turn everyone in Bikini Bottom into total assholes and jerks on Christmas so that Santa would only see him as a good boy and give him the Krabby Patty Secret Formula.

We gasped!

Lily: So to help I made this antidote.

She pulled out a bottle of a green glowing potion.

Me: Whoa! That is awful! But really smart thinking in making that potion Lily.

Nico stopped and glanced at me, Lincoln, Laney, Lisa and Lily.

Lincoln: What?

Nico: Nothing, just thought for a second that I saw J.D. Knudson, Lincoln Loud, Laney Loud, Lisa Loud, and Lily Loud standing behind me. But, it looks like I was wrong. I don't know who that was in that hallway a moment ago, but it was not the J.D. Knudson, Lincoln Loud, Laney Loud, Lisa Loud, and Lily Loud that I know. And I doubt it's the J.D. Knudson, Lincoln Loud, Laney Loud, Lisa Loud, and Lily Loud that the rest of the Loud Sister know either.

Me: Hmm. That's weird.

With that, Nico walked off with the others.

Nico: Eli, sense if anyone else ate that fruitcake.

Eli: Right.

Eli concentrated.

Eli: Oh man! Turns out Principal Celestia, Flash Sentry and Sunny Sugarsocks ate some.

Pinkie Pie gasped!

Me: Oh man! We got to find them.

CRASH!

We saw Flash Sentry throwing trash cans into the doors!

Me: I got this!

I teleported and grabbed him!

Flash Sentry: LET ME GO YOU FUCKWAD JERK!

Me: No Flash this is for your own good!

Lily gave him the antidote.

Lola: J.D, I know that we have to focus on the issue at hand. But you should also realize that right now, Nico is at the moment thinking you, Lincoln, Lisa, Laney, and Lily are acting like you're the children of Lex Luthor and the Joker.

Lincoln: We're nothing like the Joker and Luthor! They used to make innocent people suffer! Right now, we're trying to save them!

Leni: I don't think threatening Alizarin Bubblegum with the Black Gates counts as saving.

All the while, Alizarin Bubblegum had a guilty look on her face.

Me: Guys that's going a bit too far.

Nico: And for the record no I wasn't thinking that. I know you guys are under stress right now but we need to focus.

Flash Sentry: (Groans) What a headache.

Me: You'll be okay Flash.

Flash Sentry: What happened?

Lana gave him some ice.

Alizarin Bubblegum: (watches Nico sadly as he continued walking) What happened is that I screwed up. If I didn't eat that fruitcake, I wouldn't have punched J.D., Lincoln wouldn't have said that threat towards me, and Nico's relationship with J.D. and some of the Loud Kids might not be strained right now!

Me: Hey hey hey hey. Alizarin, it wasn't your fault. The Jerktonium in that fruit cake made this happen. You did all that against your will.

Varie: Yeah so you are not to blame for this.

Me: And Lincoln is not to blame for it either.

Lola: Yeah he didn't know.

Qin: Guys come on! Don't be like this. We don't want what happened in the 20 Days of Darkness to repeat itself all because of something Lincoln did.

We caught up to Nico.

Nico: Sunny? Sunny Sugarsocks? You there? Don't be shy. I just want to talk.

Me: She has to be here.

Eli: Hmm. (Concentrates) She's in the Home Ec Classroom.

Ibara: I got this.

She used her quirk and tied her up in her hair and she came out.

Sunny Sugarsocks: LET ME GO NOW! I WILL TEAR YOU LIMB FROM LIMB!

Lily: No you won't!

She gave her the antidote and she was back to normal.

Sunny Sugarsocks: (Groans) What a terrible headache.

Pinkie Pie hugged her.

Pinkie Pie: You're back now Sunny.

Laney: Nico-

Nico: The Hell do you want now, Laney?! (sighs) Forget it. You, J.D., Lincoln, Lisa, Luan, and Luna can just attend a "Nico's such an asshole" dance together.

Me: (Confused) What!?

?: You sell tickets to that or can anyone who thinks you're a jerk right now attend?

We then saw Montana Max, the last person he wanted to see right now.

Nico: Piss off, Max. I'm not in the mood.

Montana Max: Yeah yeah. Lincoln made a Black Gate threat to an innocent. Look, I know you and the others might still be on shaky terms with me right now. And I know I'm really not good with feelings. But I know that you're not acting fair to Lincoln just because he made a mistake. Everyone makes them. Even me before I joined Vypra's gang. If you don't patch things up with J.D. and the others, you might not get them back when they're only trying to help.

Everyone's concerned about you at the moment. Even Butch, Cassidy, Ed Bighead, Gourd, and Wild Card. (chuckles) And I guess me as well now. I know it might not be the best advice I have. But just think about it, alright?

Montanta Max then turned to leave.

Nico: Wait. (Montana Max stops and sighs) If someone like you who was a brat to J.D. and the others before is making sense, then maybe I AM acting like a jerk.

Me: Hmm. Nico did you get enough sleep last night?

Nico: Hmm. Now that you mention it no I didn't. I was up all night these last three days.

Me: When we get home you are going straight to bed mister.

May: That's right.

Nico: Why not wait that long? I think I'll rest my eyes until Swartz's next creations show up.

Nico then closed his eyes and fell asleep. But he accidentally fell asleep on Maria's shoulder.

Maria: (grins sheepishly) Um… oops!

Me: Be right back.

I took Nico and teleported back to the estate and put him in his bed.

I went out of his room and closed the door and put a Do Not Disturb sign on it.

Me: (To the mascots) Guys we need to make sure that Nico gets a lot of sleep. He was up for 3 whole days with Thanksgiving, Black Friday and today. So make sure everything is really quiet for Nico. He put me in charge of the team today.

Poromon: You got it J.D.

Poliwag: (Salutes with his tail) Yes sir.

Me: Great.

I teleported back to the others.

May: Wow he really is tired.

Me: Yep.

Just then, Lola saw another Nico knocking on Celestia's door.

Me: What the!? (RUBS EYES!) I think I'm seeing things!

Lola: Are you one of Nico's clones!?

Nico clone: (laughs) Got it in one! Nico knew he would have trouble sleeping so he sent me to help you in his place.

Me: Very clever.

Qin: It sure is.

Nico's Clone: Yeah I thought so too. Man the boss really got tired didn't he?

Me: You have no idea. He wore himself out.

We went into Celestia's office.

Me: Hello?

CRASHING!

Me: Uh oh!

We went and saw Principal Celestia being held by Vice Principal Luna and Celestia had the Jerktonium face!

Me: Oh man!

Vice Principal Luna: Thank goodness you all are here.

Lily: We got this!

Lily went over to Celestia and gave her the antidote and she was back to normal and had a tremendous headache.

Principal Celestia: What happened?

Nico clone: Let's just say that when the real Nico wakes up after Lincoln's rescue. Plankton and some of the others are gonna have an intervention for him.

Me: It's a crazy story. You were poisoned by a fruit cake that was laced with a mineral that makes you act like a uh pardon my language, a really nasty asshole douchebag.

Qin: Yeah it was called Jerktonium.

Nico clone: After I go back to Nico when this rescue is done, it should cause him to get most of a good sleep.

Me: Good.

Qin: Yeah.

Lana gave Principal Celestia a block of ice for her head.

Me: Okay that's the last of the Jerktonium.

Nico Clone: Now for the next part of the rescue.

Me: Yep.

Then Ink Rose winced as she felt her mark for Corvus the Crow glow.

Ink Rose: My mark for Corvus is reacting to something.

Me: The next Undead Zodiart is close.

Eli: It's over in the gym.

Me: Lets go guys!

We went over to the Gym.

We arrived into the gym and saw nothing.

Me: Nothing is here.

Maria: Must've ran off.

Me: Hmm.

Eli: It's above us!

We looked up and saw THE ANOTHER CORVUS UNDEAD ZODIARTS! It looked like a mixture of a female version of Goldar and Bai Lai!

Me: Whoa!

It landed in front of us.

Me: Whoa! Another Corvus Undead Zodiarts.

Varie: Wow! This one is a dark one.

Me: It sure is.

Nico clone: And you are?

Another Corvus Undead Zodiarts: (In a girls voice) J.D. knows me.

She reverted back and it was a girl with black hair and black clothes and purple eyes and she had pitch black angel wings as well as the symbol for Corvus the Crow on her right arm.

Me: (GASP) Callie Corvus!

Callie Corvus: Good to see you again J.D.

Me: Same here.

Nico's Clone: You know her?

Me: Callie is a goth girl I know and she is a true master of dark magic and knows how to use it for powerful good. She is a very powerful master of the dark arts of magic and they are amazingly strong.

Nico's Clone: Wow that is cool!

Qin: It sure is.

Me: Yep.

Callie Corvus: But I'm glad I came. I was trying to stop the one that was giving everyone that poisoned fruit cake.

Me: Did you get a good look at who it was?

Callie Corvus: No unfortunately I couldn't make it out. I have my crows following him.

Raven Branwen: Well, now, they're going to witness us defeat you.

Me: Any other opponents with you as well?

Callie Corvus: Just one and she looks like a dark version of Raven Branwen.

We gasped!

Me: Whoa!

Ink Rose: I got this.

Callie turned into Another Corvus Undead Zodiart and Ink Rose went over and fired a powerful blast of darkness and it hit her and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down in a fiery explosion and I caught the Rouse Card and the Zodiarts Swirch and I purified them. The Rouse Card had the stars of Corvus the Crow in the Southern Hemisphere as well as a crow on it and The Zodiarts Switch formed into an armband for Lucy, Lars and Ink Rose, Marceline, Yumi, The Goths and Carol and it had the symbol for Corvus the Crow on it.

Nico Clone: Awesome.

I went over and picked up Callie and brought her over.

Nico's clone: Now for the other one.

?: You mean me?

Then a figure came out and it was a dark version of Raven Branwen! It was ANOTHER RAVEN BRANWEN!

Me: Whoa! Another Raven Branwen!

Nico clone: Don't suppose you saw who sent those fruitcakes.

Another Raven Branwen: No I did not.

Me: (GASP) Jessica Avery!?

Another Raven Branwen: That's right. Good to see you again J.D.

Me: You too.

Nico: You know her?

Me: I sure do. Jessica is a masterful dragon rider. She taught me all there is to know about dragons.

Laney: That is amazing!

Nico: It sure is.

Kaito: (gets out Hurricanger gear) Did Swartz promise you anything?

Zocks: (gets out Gaoranger gear) Because we can grant it instead.

Another Raven Branwen: Just to be a great dragon master, swordswoman and magic master.

Me: We can easily grant you all that and you already are a great master of all that too.

Another Raven Branwen: No kidding there.

Lola: Yeah.

Me: Sorry we have to fight like this.

Kaito got a Ninja Storm sword and Zocks got a Wild Force Sword.

Me: First this. (ACTIVATES HOLY WING VISTAMP)

HOLY WING!

I had wings made of light appear on my back!

Me: This will be awesome.

I flew at Another Raven Branwen and fired waves of light and smashed her down.

Sougo: (gets out RPM Ridewatch) Thanks to whoever sent those fruitcakes, Lincoln made a Black gate Threat and Nico had to go to bed for the moment!

Geiz: (gets out Geiz Revive Ridewatch) When I get my hands on whoever's behind this, he or she is gonna be sorry!

Re-vi-i-ve Goretsu~! Goretsu!

Sougo got RPMRedArmor while Geiz became Geiz Revive Goretsu.

They were ready!

Nico Clone: I agree with you Geiz! They are going to wish they were never born!

Another Raven Branwen: I heard it all and I'm sorry that happened.

Lola: It'll be alright.

Me: Yeah.

I fired waves of light and smashed her down.

Nico clone: (gets out Raven Branwen's Ridewatch) I may not be the real Nico. But I can still do this! But I wonder if the Spring Maiden powers are in here too.

Me: Try it out.

He activated it and put his hands on the floor and instantly grew a huge floor of flowers and plants! They knocked down Another Raven Branwen.

Qin: WHOA!

Me: Wow! The Sprite of Spring would love seeing this one.

Xenia: She sure would!

Lola: Wow!

Principal Celestia: This is really amazing Nico.

Me: I wonder if the Vistamps have the same power.

I activated Raven Branwen's Vistamp.

RAVEN BRANWEN!

I fired a massive and beautiful kaleidoscope of butterflies and they went all over Another Raven Branwen and soothed her.

Me: Wow! That was amazing!

Laney: Boy it sure was!

Nico clone: (gets out Beagle Babes' Ridewatch) By the way, J.D., nice job using your first Vistamps.

Me: Thanks. Since Kamen Rider Revice is coming up at the end of February, I might as well get a good head start on them.

Eli: They sure are awesome.

Nico activated Beagle Babes' Ridewatch and fired waves of energy and smashed her down.

Me: YEAH! Lets see what else there is. (ACTIVATES WOLF VISTAMP)

WOLF!

I howled and fired a powerful sonic blast and smashed her down.

Me: WHOA! That was loud!

Xenia: No kidding!

Me: Yeah! How about this one? (ACTIVATES MANTIS VISTAMP!)

MANTIS!

I grew blades out of my arms!

Me: WHOA! Wicked!

She jumped and went at me and I dodged her strikes and slashed her and knocked her down.

May: (gets out Thieftron's Ridewatch) Here's an advance notice: We're taking your treasure!

Me: And kick your fucking ass!

Nico Clone: (LAUGHS)

She activated Thieftron's Ridewatch and fired a wave of energy and then it swiped huge jewels from her!

Me: Whoa! She really had some treasure?

Nico Clone: Wow!

Me: Lets see what else there is. (ACTIVATES HEAT DOPANT'S VISTAMP)

HEAT DOPANT!

I fired a powerful bunch of fireballs and they hit the ground by Another Raven Branwen and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM
KRABBBBBBBBOOOOOOOOOOOMMMMM!

She was blasted around in powerful fiery explosions!

Qin: Whoa! That was powerful!

Xenia: Wow no kidding!

Me: Wow! I didn't know there were Dopant Vistamps!

Nico Clone: There are Vistamps for all the monsters of Kamen Rider.

Me: Wow! So these have over 50+ Years of monsters in each one.

May: (gets out Datum's Ridewatch) And now for some data analysis.

Me: Yeah! Lets see here. (ACTIVATES THE ZODIARTS VISTAMP)

PHOENIX THE FIREBIRD ZODIARTS!

I had intense fire swirling around my hands and May Activated Datum's ridewatch and was analyzing my powers with the Vistamps and I fired waves of fire and they hit Another Raven Branwen and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down.

Me: Whoa that was intense!

Eli: Awesome!

May: The powers of the monsters of the riders are all enhanced 100-fold in the Vistamps.

Nico Clone: That is incredible!

Qin: Wow it sure is!

Maria: (gets out Metallia Youma Third Form) I could be wrong. But this could be one of the more powerful ones)

She activated it and fired a massive energy blast and it hit Another Raven Branwen and smashed her down!

Qin: WHOA!

Lola: Powerful!

Me: I wonder. (ACTIVATES FALCHION'S VISTAMP)

KAMEN RIDER FALCHION!

I got his Sword called Unmarked Sword Nothingness!

Nico Clone: WHOA!

Me: Lets see.

I pulled out the Eternal Phoenix Wonder Ride Book.

Me: (Reads Verse) "The flames of the immortal Phoenix burned intensely with the power of life and renewal as it soared through the stars and everywhere it flew, new nature and life grew and flourished and made new love across the lands."

Then a massive forest of plants and flowers appeared as my sword surged with fire and I fired waves of energy and fire and smashed down Another Raven Branwen!

Maria: (gets out Daisy the Plant Monster's Ridewatch) Time for some plant action!

Maria activated it and fired waves of thorns and smashed down Another Raven Branwen!

Qin: YEAH!

Nico Clone: Wow! J.D. you are getting the hang of those Vistamps.

Me: Boy they sure are awesome. Also Nico I've been thinking that Hana Natsuki should be in the Masters of Evil.

Nico Clone: Not a bad idea. We'll have to see.

Then Sportsmaster's team came And he had Thunderhoof, Elephanko, Pinface, Tennis World And Wild Card.

Nico's clone: Nice team, Sportsmaster!

Rainbow Dash: Awesome! You have Wild Card with you.

Sportsmaster: I sure do and Nico you would love this guy.

Tennis World: Heard you're a great tennis player Nico.

Nico: Whoa Tennis World!

Me: I remember you! You were going to turn the entire world into a world of Tennis.

Tennis World: Yep. Good memory.

Me: That was awesome and my friend Julie Yamamoto would like playing against you. She is a tennis star like Nico and Sora are.

Tennis World: That's what I was hearing. Cool.

Qin: Yep.

Nico's clone: (to Wild Card) So, you were concerned about Nico, huh?

Wild Card: Of course I was. I know I tried to kill you guys at the beginning of the year but there's no rule saying I can't be concerned about a hero. (to Lincoln) But don't think you're completely innocent, Lincoln. You DID threaten to kill an innocent person with the Black Gates.

Lincoln: I know. And I'm sorry.

Me: Oh boy.

Maria: Lets just hurry up guys. I hope the next Gene-slammer is close.

Irina Wendolva: My turn!

She activated her Ridewatch for Beagle Babes and fired waves of energy and smashed Another Raven Branwen down.

Qin: OH YEAH!

Xenia: Take that!

Then we heard buzzing.

Me: Buzzing.

Lola: Look!

We saw a Beedrill!

Me: Whoa a Beedrill!

Xenia: Whoa!

Beedrill: (In a girls voice) Let me handle this one.

Nico's Clone: Chloe Vesperona!

She reverted back and she was a girl with blond hair and yellow eyes and and had yellow clothes and fairy wings.

Chloe Vesperona: I got this.

She fired waves of energy and blasted down Another Raven Branwen and I caught the Ridewatch and purified it and it was for Lars Loud.

Me: Lars Loud's ridewatch.

I went over to Jessica and she was a girl with blue hair and blue and black clothes and I picked her up.

Jessica Avery: (Groans) What a headache.

Me: But you're back to normal.

Nico's Clone: Chloe, please tell me you found the culprit who sent those fruitcakes!

Chloe Vesperona: No I didn't.

Qin: Nico calm down.

Me: Yeah we'll look into it.

Xenia: Yeah.

Lars Loud: What's your favorite memory of Nico?

Chloe Vesperona: I have a lot of them but my favorite is when me and Nico trapped a massive drug operation in a massive deluge of my honey and made them so stuck they couldn't get up.

Camie: Wow!

Lola: That is cool!

Nico Clone: Yeah.

Nico and Chloe hugged.

Nico Clone: I've really missed you.

Chloe Vesperona: Me too Nico. Me too.

Me: Awesome

Chloe Vesperona: I heard you guys put that bitch Lila Rossi in jail. Good. I hate her.

Chloe Bourgeois: It's fitting that you hate that bitch Lila Rossi. I have the same first name as you and I also hate her. Only I actually lived in the same area as her before.

Chloe Vesperona: Really? Wow.

Nico Clone: Yeah.

We later went home.

We arrived back at the estate.

Nico's clone: My job ain't done yet. First, there's Lincoln's rescue

Me: Yep.

Eli: Yeah.

---

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico's Clone and his harem, Clyde and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, Jesse Anderson, Jaden, Rocky DeSantis, Adam Park, Kat Hilliard, and Tanya Sloan are heading to a planet in the Omega Quadrant named Adoni, a jungle and lightning planet, and not only is Lincoln going to rescue the five girls here, but Lynn Sr. and Rita are going to get two powerful treasures there: two powerful massive greatswords called The Jungle Grape Greatsword of Bacchus and The Lightning Celtic Thunderstorm Greatsword of Taranis, and only Lynn Sr. and Rita can wield these powerful massive greatswords because Lynn Sr. got his powers from Bacchus and Rita got her powers from Taranis, along with getting stretchy powers from one of Lisa's potions.

And we're also going to take down and destroy Darrin Wade, a black-magic black marketeer in the Rogue Isles and antagonist of the M.M.O. City of Villains.

Lincoln: Whoa, this is one awesome jungle and lightning planet. Hey, Ebonwu Lincoln, what is this place?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know this planet all too well, Lincoln, this is Adori, another planet in the Omega Quadrant that I've gone to eons ago.

Nico Clone: Whoa, and I can guess you also trained there, right?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I trained on many different planets with extreme temperatures and climate, Nico, and the gravity on the various planets I'd gone to are 500,000,000,000 times more powerful than in the Hyperbolic Time Chamber, and my body has adjusted to the kinds of climates there.

Me: Damn, you sure are one tough guy to handle those kinds of planets.

Lincoln: He sure is, and so are all of us, and I know what we're going to do here, not only am I going to rescue the rescue the five girls here, but Mom and Dad are going to get two powerful treasures there: two powerful massive greatswords called The Jungle Grape Greatsword of Bacchus and The Lightning Celtic Thunderstorm Greatsword of Taranis.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and only your parents can wield these powerful massive greatswords, because your dad got his powers from Bacchus and your mom got her powers from Taranis, along with getting stretchy powers from one of Lisa's potions, and we're also going to take down and destroy Darrin Wade, a black-magic black marketeer in the Rogue Isles and antagonist from City of Villains.

Nicole: Oh, not this criminal, he's a villain who's used magic to take over the world, but he's a totally incompetent criminal.

Lincoln: And you can bet I'm going to enjoy teaching this guy a lesson: using magic to take over the world, that's not going to fly in my book, there's one thing awaiting him: The Black Gates, and thanks for joining us, Rocky, Adam, Kat, and Tanya.

Rocky DeSantis: You're welcome, Lincoln, and I know why you asked us to join in, because of Lucy and she has us and Renee Ravenclaw, who are both part of your rescue group.

Lincoln: That's right, and it's going to be awesome having you guys here, so far, Jason and Tommy have gone on my rescue, but you guys haven't.

Tommy Oliver: This is going to be so awesome. So, Ebonwu Lincoln, where do we go to find The Jungle Grape Greatsword of Bacchus and The Lightning Celtic Thunderstorm Greatsword of Taranis?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know exactly where to find the greatswords, Tommy.

We continued on and we arrived at a shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw two massive greatswords floating in the center and with light shining down on them: The Jungle Grape Greatsword of Bacchus, a powerful massive greatsword with green gems embedded in the 7'0" massive, wide, double-edged blade, large green angel heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large green gem on the bottom of the angel heads for the pommel, and The Lightning Celtic Thunderstorm Greatsword of Taranis, a powerful massive greatsword with neon purple gems embedded in the 7'0" massive, wide, double-edged blade, large purple angel heads for the crossguard, large neon purple gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large neon purple gem on the bottom of the angel heads for the pommel.

Rarity: My word, so that's the… !

Lincoln: The Jungle Grape Greatsword of Bacchus and The Lightning Celtic Thunderstorm Greatsword of Taranis, these two massive greatswords are works of art.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) And there's something else to this shrine: I built this shrine here in honor of my world's Mom and Dad, and their spirits are inside the greatswords, waiting to merge with your parents, Lincoln.

Lynn Sr.: How did they get into contact with you?

Me 2: (Through The Rainbow Phoenix) They showed up as spirits to us one day while out on missions, and that caused Lincoln to break down and cry when he saw them again, but it was truly an amazing reunion. Then, they asked him to create The Jungle Grape Greatsword of Bacchus and The Lightning Celtic Thunderstorm Greatsword of Taranis, and from there, their spirits entered into the greatswords and Lincoln had them put into the shrine in Adori.

Rita: So, that means, once we grab the greatswords, Ebonwu Lincoln's parents will merge with us, and he'll truly be reunited with his family.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and I've been waiting over 250 trillion years for this very moment: the day when I can truly be reunited with my family once more.

Suddenly, we saw Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth heading for us, and with us were the five girls.

Nico Clone: Wow, that's Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth heading for us, and they also got the five girls.

Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth: (Girl's voice) And away from that magic marketeer.

Lincoln: (Gasps) That voice, Stella Monroe, I knew it was you, it's awesome to see you again, but we'll talk later, I know that Darrin Wade is already heading for us.

?: You fools will never leave here alive!

Nicole: I knew there's no mistaking that voice from anywhere. You just don't know when to quit, do you, Darrin Wade.

We then saw our target, former member of The Midnight Squad and magic marketeer and criminal, Darrin Wade.

Nicole: Darrin Wade, former member of The Midnight Squad turned magic marketeer and criminal, you know a lot of people want you dead for your experiments in researching ancient evils.

Lincoln chanted a powerful incantation and fired a blast of light which trapped Darrin Wade in a magic circle below his feet, and that allowed Lynn Sr. to grab The Jungle Grape Greatsword of Bacchus and Rita to grab The Lightning Celtic Thunderstorm Greatsword of Taranis, and they felt something enter into their bodies. They were transported into their minds: Lynn Sr.'s mindscape is a lush jungle with plants and trees and a beautiful garden worthy of being named the next Garden of Eden, and Rita's mindscape is a wide open field with powerful thunderstorms raging in the skies and lightning booming and coming down from the heavens.

Lynn Sr.: Whoa, what the ding-dang heck?! Am I in my mind?!

Rita: I was just about to say the same thing, honey.

?: (Strong male voice) That's right, Lynn, and this means that our worlds have merged.

?: (Female voice) And so has yours, Rita.

Suddenly, Lynn Sr. turned around and he saw Ebonwu Lincoln's version of himself: he was really tall at 7'5" in height, he had green eyes, abnormally massive and powerful upper and lower body muscles and eight-pack abs, a mane of wild brown hair going down to the bottom of his neck, he was dressed in a green loincloth and knee-high brown boots, he had on a necklace and large gold metal bands on his massive biceps, and holstered on his wider muscular back is a massive greatsword.

And Rita turned around and she saw Ebonwu Lincoln's version of herself: she was really tall at 7'4" in height, she had purple eyes and the voluptuous body of a goddess, long flowing blonde hair, she was dressed in a pink sleeveless midriff top, pink skirt, knee-high boots, she has on a necklace and earrings, and holstered on her back is a massive greatsword.

Lynn Sr.: Whoa, so you're… Ebonwu Lincoln's version of me?

Rita: And you're Ebonwu Lincoln's version of me?

Lynn Sr. 2: (Chuckles) Yes, Lynn, that's right, and you already heard the story of how Ebonwu Lincoln lost us and his sisters long ago.

Lynn Sr.: He did, and he was only eleven, just like our Lincoln. To go through something like this, it's something that no child should ever have to go through.

Rita 2: That's right, but he kept our memories alive in his heart, and he never forgot the love we had for him, and we never forgot the love he had for us.

Rita: Plus, last year, he was reunited with your world's version of our daughters, and he told us of how you two visited him and J.D. 2 one day, and he was so glad to reunite with you, and how he'd forged The Jungle Grape Greatsword of Bacchus and The Lightning Celtic Thunderstorm Greatsword of Taranis, and that you two wound up inside them.

Rita 2: That sounds like Ebonwu Lincoln, alright.

Lynn Sr.: And you were waiting for us, because as soon as we grabbed The Jungle Grape Greatsword of Bacchus and The Lightning Celtic Thunderstorm Greatsword of Taranis, we were brought into our mindscapes.

Lynn Sr. 2: That's right, and now, we're going to merge with you both, so that not only are we going to help you both on your journey.

Rita 2: But, also be reunited with our world's Lincoln and sisters. Are you ready?

Lynn Sr. and Rita: We are.

Lynn Sr. 2 and Rita 2 smiled, and Lynn Sr. 2 entered Lynn Sr. and Rita 2 entered Rita, and they were getting a massive power and knowledge boost and they were also gaining 250 trillion years of combat experience as Lynn Sr. 2 and Rita 2 were merging with Lynn Sr. and Rita, and we all felt it outside in the shrine. Then, the rings faded, and we both knew they'd undergone a really massive power and knowledge surge.

Lincoln: Whoa!

Lincoln 2: (Through The Rainbow Thunderbird and Rainbow Third Eye Iris) Yes, it's worked. Now, to take care of that rotten magic-using villain, Darrin Wade.

Suddenly, Lynn Sr.'s green eyes turned neon green, and he was surrounded by a rainbow energy aura with rainbow fire, leaves, plants, dragons, and grapes, he unholstered his massive Bacchus' Nature Plant Greatsword of Heavenly Justice from his wider and muscular back, and Rita's purple eyes turn neon purple, and she was surrounded by a rainbow energy aura with rainbow flames, lightning bolts, phoenixes, bears, and angels, she unholstered her massive Taranis' Celtic Lightning Greatsword of Electric Angelic Justice from her back, and as they approached Darrin Wade, they left rainbow energy, rainbow fire, leaves, plants, dragons, grapes, rainbow flames, lightning bolts, phoenixes, bears, and angels with every step.

Lynn Sr.: I will never ever forgive you for what you've done, Darrin Wade, you've gone behind the backs of The Midnight Squad and you delved into your research into ancient evils: the one thing that your group has defended the world against for over a century.

Rita: And as soon as you were caught, you were suspended, and because of it, you eventually went from being a hero to a villain with connections to The Black Market and engaged in the worldwide sale of stolen magical artifacts, and you used your magical powers for evil and wanting to become a god and rule the world, that absolutely disgusts me and our son, who's learned a lot about magic.

Lynn Sr. and Rita: But, what you can never be forgiven, and for that, we're going to put an end to your wretched and miserable life here and now.

Suddenly, Lynn Sr. was surrounded by a massive vortex of rainbow energy with rainbow fire, leaves, plants, fruits, and grapes surrounding the vortex, there's a green dragon flying around the vortex, and inside the vortex is a dark green phoenix, and Rita was surrounded by a massive vortex of rainbow energy with rainbow flames and lightning bolts surrounding it, there's an army of angels flying around it, along with an army of bears running around it, and in the vortex is a pink phoenix. Then, as the vortex faded, Lynn Sr. and Rita emerged, but they were changed forever.

Lincoln: That's right, it's been a long time coming for you guys. (To Stella Monroe) And it's so good to see you again, Stella Monroe.

Stella "Amber Mammoth" Monroe reverted back to normal, and she was a beautiful girl with long flowing orange hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has a orange amber gem embedded on her forehead and massive and beautiful orange angel wings with stars and sparking amber gems and an aura of sparkling topaz gems around her and she reigned in the powers of Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth, and she's dressed in a sleeveless orange sports jersey top, orange gym shorts, orange shin guards with orange hearts, orange heeled sneakers, and long white sleeveless trenchcoat with orange flames, orange amber gems, and mammoths on the coattails and Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth holding an orange amber gem on the back and holstered on her back is a Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth-themed large greatsword with embedded topaz gem and Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth etched on the 7'0" massive, wide, double-edged orange blade, large mammoth heads for the crossguard, large orange amber gem embedded in the rainguard, longer midnight black handle, four large mammoth heads and a large orange amber gem on the bottom of the large mammoth heads for the pommel.

Stella Monroe: You too, Lincoln, it's been a long time, and it's also good to see you again, Amber Ferrington, Sandra Thompson, and Serenity Lexington.

Amber Ferrington, Sandra Thompson, and Serenity Lexington: You too, Stella.

Lincoln went up to Stella Monroe and he hugged her, and Stella Monroe is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Stella Monroe: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her, and she also knows Amber Ferrington and Sandra Thompson?

Lincoln: Indeed I do, Nico, this is Stella "Amber Mammoth" Monroe, she's my Guardian Angel from Brooklyn, New York, and my classmate in Math. She's also an old friend of Serenity Lexington, Gene-Slammer of Rainbow Overdragon from New York before she moved to Royal Woods, She purposefully Gene-Slammed herself into a Fusion Gene-Slammer of Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth in order to protect Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home.

Nico Clone: Whoa, now that's really awesome!

Lincoln: Yep, and as a result of that, she gained amber orange angel wings and became a master of the orange color of the rainbow and even orange amber gems, and like Amber Ferrington, Gene-Slammer of Advanced Crystal Beast Amber Mammoth, she also gained orange fire powers that have the power to turn anything into fossils encased in Amber.

Me: Cool.

Lincoln: And she's easily identified by a amber gem embedded on her forehead and her favorite Crystal Beast Duel Monsters are Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth, and she was trained by Amber Ferrington, Gene-Slammer of Advanced Crystal Beast Amber Mammoth and Sandra Thompson, Gene-Slammer of Crystal Beast Amber Mammoth, and she hates Lola with a blazing passion.

Nico Clone: Oh, wow, that's so awesome!

Amber Ferrington: It sure is, and she's really become an awesome expert in using the powers of Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth, along with using orange fire and creating orange topaz gems, and thanks to all that training, she also gained an aura with sparkling orange topaz gems around her and in her orange angel wings.

Sandra Thompson: Which is another awesome feature for her, and it also warns her of any incoming dangerous threats.

Jesse Anderson: That's really amazing.

Amber Monroe: Thanks, Jesse, and there's also something you all should know: you know that I've given myself the task of protecting

Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home, and Lincoln's right, I really hated Lola with a blazing passion.

Nico Clone: Uh oh, I wonder what Lola did to earn your wrath.

Amber Monroe: Trust me, you're not going to like this story one bit. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Amber, are you absolutely sure about this?

Amber Monroe: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Amber Monroe, and he saw that she's really serious, and he smiled as he walks over to Amber Monroe, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Amber Monroe's neck with orange amber gems on the gold lightning bolts and orange amber crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Amber Monroe: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Amber.

Stella Monroe has a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Stella Monroe's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Doma Umaru, Nana Ebina, Kirie Motoba, Sylphinford Tachibana, and Kanau Kongou from Himouto! Umaru-Chan.

Lincoln: Oh wow, it's Doma Umaru, Nana Ebina, Kirie Motoba, Sylphinford Tachibana, and Kanau Kongou from Himouto! Umaru-Chan.

Nicole: Awesome.

Lincoln: Are you girls okay?

Doma Umaru: Yes, we're okay, thanks to you.

Then, when Doma Umaru and the other four girls saw who it was that saved them from Darrin Wade, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Doma Umaru: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Doma Umaru: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Doma Umaru, Nana Ebina, Kirie Motoba, Sylphinford Tachibana, and Kanau Kongou with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Lynn Sr. and Rita had gotten The Jungle Grape Greatsword of Bacchus and The Lightning Celtic Thunderstorm Greatsword of Taranis on Adori, and the team was shocked when they found out the villain we went after was Darrin Wade, former hero and black-magic black marketeer in the Rogue Isles and antagonist of City of Villains.

But, when Lincoln showed what happened such as Lynn Sr. and Rita into their Celestial Eternal Xelnaga forms and that they along with all of us brutally pulverized him, and Lincoln, Lynn Sr., and Rita delivered the fatal blow that Darrin Wade and sent him to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Amber Monroe have a lot of catching up to do, now that she's back in town.

Maria: Whoa, now Mr. Lynn and Ms. Rita have gotten their treasures and they not only transformed into their Super Angel Celestial Eternal Xelnaga forms, they also got an awesome upgrade to their wardrobes and appearances, and we've now met the Fusion Gene-Slammer of Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth.

Lincoln: Yep, and we did The Midnight Squad a huge favor and got rid of Darrin Wade for good for his crimes, any who use the powers of magic for evil deserve to be punished big time.

Me: You got that right.

---

After getting rid of Darrin Wade, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Amber Monroe saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Stella Monroe: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Amber, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Stella Monroe: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico Clone: You got that right. So, Amber, what's the story on why you hated Lola with a blazing passion?

Stella Monroe: Now, that's something I've never forgotten. One day, I was hanging out with Lincoln at the park, and we were having fun. But, then, Lincoln sensed a nasty and dark presence, and then, in a flash, he fired an energy blast at the figure who rushed at him, and we saw who it was: it was Lola in her Princess Jeep, but her eyes were red with hatred and insanity, and she had a knife in her hand and she wanted to kill Lincoln. She proceeded to go on an hour-long tirade on how Lincoln isn't at home being miserable and being her slave to be abused, used, and murdered, and she said that she had enough of Lincoln even living, and now, she was going to kill him and me for being with him, and she was laughing like a mad lunatic, I also sensed she was going to do the same to the rest of the Guardian Angels, along with Leni, Luna, Laney, Lucy, Lana, and Lily, along with the parents and his friends. That pissed me off badly, along with Lincoln, so I fired an orange fire blast at Lola's knife and melted it into molten metal, and this pissed that little demon off badly, and she tried to run us over with her Princess Jeep, but

Lincoln grabbed and hoisted the Princess Jeep up with only one hand and he shook it up and that caused Lola to drop out of her seat, and she tried to punch me, but I grabbed her fist with my right hand, and with my left hand, I threw a punch at Lola's face, knocking her down and out and with a black eye and missing teeth, and Lincoln had that demon tied up in red energy ropes, and I put Lola in an orange crystal prison and we came back to The Loud House, and I removed the orange crystal prison around her. We told Mr. and Mrs. Loud of what Lola tried to do to me and Lincoln, and played her hour-long rant to them, and as soon as it was done, Lola was finished. She got her butt grounded for nineteen weeks, and Lincoln not only put her in a straitjacket, Chinese finger traps on her fingers, and a Hannibal Lector mask on her and threw her in her cage in her room, but he also told his Mom to call the pageant who made sure Lola was banned from any upcoming pageants for those nineteen weeks, and this really pissed Lola off, but I wasn't afraid of her, and neither was Lincoln, and we both swore if Lola ever tried to attack us again, she could say goodbye to her pageant career and dreams forever, and she was going to be imprisoned in Amber forever.

We cheered wildly.

Nico Clone: So, this was due to Lola not seeing Lincoln being miserable and being used, abused, and finally murdered for the sick amusement of her, Lori, Lynn, Lisa, and Luan?! Dark Lola really is one sick and twisted little monster!

Lincoln: I know, Nico, and when we get after Team Loud Evil Storm, let me and my entire harem get after Evil Lori, Evil Lynn, Evil Lola, Evil Lisa, and Evil Luan. After what Good Crocker and Good Burns told us, they no longer have their powers, and that'll make it easier for us to dish out years of well-deserved payback and revenge on them, and as for me, oh I've got my own brand of payback to dish out on them for all the sick, twisted, sadistic, and murderous crap they've done to me, and I'm going to show them what happens when they make me mad!

Yakko: Uh oh, payback, thy name is Lincoln Loud!

Me: I have to agree with you on that one, Yakko.

TLPS Mr. Wolf: Yeah, and after hearing all the sick things that Lori, Lynn, Lola, Lisa, and Luan had done to Lincoln, I'm not surprised that he's planning on exacting his own brand of payback.

Nico: (Smirks) Okay, you and your entire harem got a deal, Lincoln, and I only have this to say: don't show those five bitches any ounce of mercy whatsoever.

Lincoln and Nico did the Epic Handshake from Predator.

Lincoln: (Smirks) After what Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan had forced Lori, Lynn, Lola, Lisa, and Luan to do to me, like Hell am I going to show them any mercy, Nico, they deserve every single ounce of payback and pain that we're going to dish out on them!

Nico: Now, that's what I like to hear.

Girl Jordan: And we'll also be there to help you and J.D. rip that heartless snake, Evil Nico, to shreds!

Lincoln: That's right, what he's done to Universe 666 J.D. and Varie just proves that he's not only a heartless snake, but he's just like the three traitorous Saiyans, Raditz, Nappa, and Turles in every way, along with some of the worst villains we've killed: Frieza, Xehanort, and many others, and he's thrown away his pride as a Saiyan, and that's the one thing we can't stand.

Goku: That's a good way of pointing that out, Lincoln.

Vegeta: I agree. What he's done just proves he's thrown away his pride as a Saiyan, and Bokrua is going to tear him to shreds and send him to The Black Gates.

Nico Clone: And that's also another thing that I hate about Evil Nico, and you just added more fuel to the fire, Lincoln, now I have another reason to make Evil Nico suffer for everything he's done.

Me: Same here.

We got a shower afterwards, and then, Lincoln and Caitlin (Pokemon) are heading to Fossil Falls for a little exploration. Plus, we also found out that Caitlin (Pokemon) had feelings for Lincoln, and Lincoln also saved her from a group of thugs Trina Riffins hired to kidnap, rape, and kill her, because she still wanted revenge on us for what we did in humiliating her and she still wanted blood. After Lincoln rescued her and she told us Trina Riffins hired the thugs to kidnap, rape, and kill her to get revenge on us, Lincoln dropped another piano on that angry, bad-tempered, rage-crazy bitch.

Caitlin (Pokemon): Wow, what is this place, Lincoln?

Lincoln: This, Caitlin, is Fossil Falls, I figured it would be perfect for our first date. Shall we?

Lincoln and Caitlin (Pokemon) dived into the waters and they swam to a beautiful cave right under the waterfall, and they saw a rainbow forming under the rainbow and it was beautiful. Then, they had lunch under the waterfall and they also did some intense work-outs there in the cave as well, and Caitlin (Pokemon) got a massive and extreme deep atomic red blush on her face when she saw him lift up a 900,000,000,000,000-lb barbell, and then, Lincoln went up to Caitlin (Pokemon), and he hugged her in his abnormally massive and powerful muscular arms, and she placed her hands on Lincoln's massive pecs, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Fossil Falls.

Caitlin (Pokemon): (Seductively and rubs her hands on Lincoln's massive pecs) And for our first beach date.

We also saw she had an Elemental Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and we knew she also allowed Lincoln to bite her and feed on her blood, like with the other girls in his harem.

Caitlin (Pokemon): And this was due to us harboring feelings for Lincoln, and they all came into light when he saved us from those bounty hunters Trina Riffins hired to kidnap and kill us, because she still wanted revenge on us for humiliating her and to slake her thirst for blood.

Eli: That rage-crazy, angry, bad-tempered bitch, and I also still remembered that your man dropped another piano on her head and when she came out, she had piano keys in her mouth. Trina's just going to make things worse for herself.

Lincoln: You said it, Eli.

Ash Ketcham: And it's really awesome that you now have the Gym Leaders I've met long ago in your harem, Lincoln, and you're going to take good care of them.

Lincoln: That's right, Ash. Plus, now that the villain teams are no more, the regions are now at peace.

Nico Clone: You got that right.

---

Later Nico woke up at 11 AM.

Nico: Now that was a good rest.

Nico then saw the mascots with gas masks on.

Nico: Guys, what are you doing?

Poromon: Sorry, Nico! (sprays Nico)

Nico: (COUGHING)

X Squad Lila: (sees this) WHAT THE HELL ARE YOU GUYS DOING?!

Poliwag: We got fleas!

X-Squad Lila: Fleas!?

Me: Fleas!? Where?

Poromon: All over Nico's bed!

Nico went out of his room.

Nico: (coughs) Do I even want to know how fleas got on my bed?!

Nico then saw Plankton, Vlad Plasmius, Butch, Cassidy, Ed Bighead, and Gourd sitting in the living room waiting for Nico.

Nico: What's all this?

Vlad: This, Nico, is an intervention.

Nico: Intervention? For what?

Butch: For how you acted towards Lincoln and the others earlier. Now come on and sit down. Don't make this any harder on yourself.

Nico: (sighs) Alright, Butch. Let's get this over with.

Butch: Yes! One of the few times someone got my name right!

Me: Have a nice nap though Nico?

Nico: Yes I sure did. And you were right, I needed it too.

Me: Good. While you guys talk we'll find out why there are fleas in your room.

Nico: Okay.

I went into his room and used a Magnifying Glass and saw the fleas building a city.

Me: Wow look at this!

Poromon saw the fleas building a city.

Poromon: Wow those are intelligent fleas!

Flea 1: We're actually Eduardo's fleas!

Fleas: We sure are!

Me: Whoa! You guys are the fleas that Eduardo knows?

Fleas: We sure are and he is a really awesome friend to us.

Me: How did you guys meet Eduardo?

Fleas: We'll tell you.

They did so.

---

When Eduardo gets fleas while getting one of the house's imaginary puppies (Chewy) to take a bath, he becomes discontent as the fleas are driving him mad. However, despite the way he feels, he decides to keep the fleas on him as his friends; though Frankie and Mr. Herriman want none of it and they decide to go to drastic lengths to get the fleas removed, because Eduardo prevents that from happening, he earns their trust. Meanwhile, Bloo wants to get some fleas of his own and he does anything possible in order to attempt to get Eduardo to share them. To get fleas Bloo shaves Ed's fur off, making him claim he's naked and hide in the bathroom. Later Bloo unwittingly abuses the fleas by flooding their town when he wipes his nose on it, shaking their city and starting fur-quakes. The flea mayor sets their country on fire to get Bloo to take off the coat. It worked and while Bloo tells everyone what happened, they don't believe him at first since they still believe the fleas are just regular fleas. However, once the fleas take over Mr. Herriman (but refuse to live in him knowing he will kill them first chance he gets), Frankie realizes they're actually imaginary fleas and not real ones. They are furious with Bloo for destroying their town and even more angry with Mr. Herriman and Frankie for trying to kill them, and since they don't trust any of them, they will only listen to Eduardo. For Mr. Herriman's sake they talk to Ed and convince him to let Mr. Herriman (and knock him out so he doesn't hear) in. They agree on shaving every imaginary friend with fur so the fleas can live peacefully on other fur homes before being locked in a closet not to be opened. Bloo later brags about getting "super fleas" but Mac said that they are actually ticks and they are actually sucking his blood and Bloo faints.

In the end credits, Bloo is sneaking across the hallway ignoring the closet door which is still locked. After 20 seconds, Bloo runs to the closet door and finally opens it too quick, freeing all the fleas as the screen goes black.

---

We were amazed.

Posey Bloom: How did you get over here?!

Fleas: IT WAS STUPID BLOO! HE DESTROYED OUR HOME YET AGAIN!

Me: That Bloo is always causing trouble.

Poromon: Yeah he sure is but he is a good friend to us.

Me: Yeah.

Fleas: But not to us.

Me: We're going to have to keep a leash on him.

Cassidy: Nico, all of us have something very meaningful to say to you. I'll go first. (clears throat) Nico, when me and Butch first met you, we thought you were very annoyingly heroic. But we still respected the Hell out of you for never giving up even in the darkest of times.

Nico: Oh, who do all you think you are, Crassidy?! A circle of perfect people?!

Cassidy: It's Cassidy! (Butch laughs) Dammit, Butch, now is not the time!

Nico: Whatever! You and Butch helped Giovanni try to destroy us the first time we killed him! (To Plankton) And we had to deal with your fruitcake causing trouble this morning! You all have your own fucking problems!

Plankton: First of all, that fruitcake was a long time ago! And second, you're the only one of us who was a jerk to his own friends earlier today.

Lily: Plankton is right guys. Sorry to interrupt but Plankton made that Jerktonium Laced Fruit Cake on Christmas Week in 2017. I can vouch for that.

Nico: Oh. Right I wasn't with you guys when that happened.

Lily: Yeah it's a really crazy story.

Cassidy: We'll have to hear about it later.

Lily: Please continue.

Cassidy: Thank you.

Wildrider: (to the fleas) How about we give you guys a place to stay?

Fleas: We would like that.

Me: And I know just the place.

I had the fleas follow us and we went to our park and when we were there in a clearing in our forest we built a hair city with my plant powers.

Gourd: I really don't see what the big deal is.

Nico: The big deal is that Lincoln threatened someone innocent with the Black Gates!

Ed Bighead: He already regrets doing that. What more do you want?!

Nico: What I want is for Lincoln to face consequences for his serious threat! Not a slap on the wrist! But I don't want him to be off the usual battles and on rescues and off the team.

Ed Bighead: Nico he regrets doing that and you are really not going to let this go!? You have to at least let him off with a warning.

Back in the park, the fleas were nice at home.

G1 Smokescreen: (to the fleas) See. Isn't this a nice home for you guys?

Fleas: It sure is! Thank you Team Loud Phoenix Storm. We heard Nico is in trouble so tell him we hope he will be all right.

Me: We'll tell him. This spot is going to be the Imaginary Flea Sanctuary.

Flea: We like that.

Me: Awesome.

Ed Bighead: C'mon, Nico. You can't possibly be mad at Lincoln forever.

Nico: Give me one reason why I shouldn't be done with Lincoln and ignore him from on?

Gourd: Because you, him, and the others are family. And you don't give up on family.

Nico (sighs) Maybe you're right. But I still have to punish him. And I'm gonna do that by having him dress up like a bunny and have Ed roughly pet him. And then, I'm gonna post it on the Internet.

We gasped!

Lily: Nico that's far too humiliating!

Me: I agree Nico.

I came back.

Nico: Oh are the fleas taken care of?

Me: They are but we found out that they are Imaginary Fleas that Eduardo met a while back and they are really amazing. We moved them and gave them a great sanctuary spot in our park.

Nico: Wow! I didn't know those were fleas Eduardo knew.

Me: Yeah. Anyway Nico what you are suggesting is not good at all. I have a much better idea. I already talked to Mr. Lynn and Ms. Rita and they said that even though what Lincoln did was wrong they know that he regrets it big time. So they punished him by grounding him for 3 days.

Nico: Oh. That works.

Maria: If he doesn't disobey orders for the rest of the day, he'll be ungrounded by the time his next rescue's done.

Nico: Okay then.

Me: Good.

Cassidy: At least you guys worked something out.

Ed Bighead: That's true. You did.

Nico: He can still go on missions and in the usual battles. And on my next rescue.

Me: And on HIS rescue too. Don't forget that.

Nico: Right. Okay.

Me: Just as long as he doesn't do anything like he did before.

Butch: Good.

Nico: Yeah. Thanks guys. This helped a lot.

Ed Bighead: Anytime Nico.

Qin: Glad that worked out.

Killer Frost: Nico, which teams have you made today?

Me: Ash's team will include Catherine Lancaster, Ryoga Shindai, Kento, Reika Shindai, and Olivia Houou as Kamen Rider Falchion. Davis' team will include Eria the Water Charmer, Touma, Tetsuo, Ren, and Kenshin.

Me: Awesome! The Saber Riders and Olivia are all going to get a shot at this.

Xenia: They sure are.

Me: We'll have to decide on the rest of the Zyuohgers and the Saber Team later on.

Olivia Houou: Yeah but it's still awesome.

Qin: Yep.

Nico: Now lets get ready for our next mission and you guys will like this one. We're going to meet Samson and his friends from the Disney movie The Wild.

Eli: That was a great movie! I can't believe those blockhead critics bombed it!

Qin: Bunch of imbeciles! (To the Salazar Twins) No offense girls.

Ruby Salazar: None taken but yeah we loved that movie.

Sapphire Salazar: We sure did.

Nico: Yeah. So we'll watch the movie and then we'll head out after everyone gets here.

Lincoln came out.

Lincoln: Nico, I said some things before and-

Nico: You, me, and the others have been through too much for me not to forgive you. (gestures to Alizarin Bubblegum) But I'm not the one you have to apologize to.

Bloo: You better hope her parents don't press any charges.

Me: Bloo! Now is not the time for that. Besides you too are in trouble as well.

Bloo: Me!? For what!?

Mr. Herriman: (British Accent) For releasing the fleas from their room Master Blooregard! That room they were in was strictly off limits to you.

Me: Yes but we'll worry about that later.

Alizarin Bubblegum: And don't worry Nico I'll be all right. I'm not going to have my parents press charges.

Lincoln: Good.

Alizarin Bubblegum: But I also forgive you Lincoln. You were just doing your duty. By the way was I really that ugly with all that on my face?

Me: I don't even want to talk about it.

Mr. Herriman: But I'm really impressed with the way you gave the fleas a really good home in your park Master James.

Me: Thanks Mr. Herriman. I think it's a much better place than being in a cramped closet.

Mr. Herriman: I most agree on that.

Bloo: I won't deny the part about the fleas. But that wasn't the main issue of today, was it? At least I'm admitting that I made a boo boo.

Me: Yes you did but it still doesn't excuse you for disobeying rules.

Mr. Herriman: Quite right. And as punishment for this Master Blooregard will be scrubbing every single latrine in Fosters for an entire week with a toothbrush.

Bloo: What!?

The Previous M.O.E. Group appeared.

Leap Frog: Can me, Kaos, INSTIGATOR, El Oso, Carmen Dillo, Duff Killigan, Tchang Zu, The Vreedle Brothers, General Schwarz, and Gramma Stuffum go with you guys?

Glue Man: Me, Shaman Apsu, Thursday Man, Buzz Buzzard, Evil

Strike Man, Blob, Don Octavio, Queen Jellyfish, Evil Pharaoh Man, and Rock will go with you guys too.

Nico: Yes you all can go with us. First we're going to watch the movie The Wild and then we'll head out.

Carmen Dillo: Oh sweet! I love The Wild!

Lily: Good movie.

Lincoln: Awesome movie.

We got to watching it.

At the Central Park Zoo, Samson the lion tells his preteen son Ryan stories of his adventures in the Wilds of Africa. Ryan wants to go to the wild too to learn how to roar like his father, but Samson disapproves of the idea. When the zoo closes, all the animals are free to roam. Samson and his friends, Benny the squirrel, Bridget the giraffe whom Benny has a crush on, Larry the dim-witted anaconda, and Nigel the unlucky but popular koala compete in a turtle curling championship. Ryan and his own friends accidentally cause a stampede which heads to the game and endangers the animals. Samson and Ryan have a falling-out and Ryan runs off before Samson can apologize. He later sneaks into a green Intermodal container which is rumored to be heading to the wild. Just as he regrets his decision, Ryan suddenly gets locked inside the container, which is then loaded onto a freight truck, shipping him away.

With the help of a pigeon, Hamir, Samson, and his friends go after Ryan, hiding in a garbage disposal truck, but Benny falls overboard. After passing through Times Square and nearly being crushed in the truck, the group encounters a pack of rabid stray dogs, and Instead of standing his ground, Samson escapes through the sewer rather than fighting as his friends expect for him to do. There, they take directions to the docks from two friendly streetwise alligator brothers, Stan and Carmine. The next morning, they steal a tugboat during a hectic escape from the harbor. After reuniting with Benny, who has followed them with a flock of Canada geese, Samson manages to drive the boat with Larry's help and the geese lead them to the right direction toward Ryan's ship.

A few days later the boat runs aground in Africa, where all the animals in the area are being evacuated by the carriers, as a nearby volcano is about to erupt. They witness Ryan run into the jungle, but Samson is unable to find him. After failing to eat a crude hyrax, his friend questions if he has ever been in the wild before, to which he forlornly confirms. The rest of the group heads back to the ship, but Samson continues to search for his son. While walking, he sees plants and rocks changing colors, which he attributes as his instincts working. Nigel is abducted by a herd of wildebeests who reside in the volcano and their leader Kazar, pronounces him "The Great Him," based on an "omen" he received when he was young: about to be devoured by lions, a toy koala fell from a plane and scared the lions away, saving his life. This experience made Kazar believe that "The Great Him" will help him and his kind create a change in the food chain that will allow prey to become predators and vice versa. In order to do that, he thinks the wildebeests have to eat a lion. Bridget and Larry are also get captured and planned to be eaten as well.

Ryan hides up an old tree, but a gang of vultures attacks him under Kazar's orders. The branch breaks and traps his paw. Samson hears Ryan's cries and runs to save him, scaring off the vultures. The two reunite but are interrupted by the wildebeests. Ryan is shocked when Samson tells him to run. They retreat to a tree where Samson reveals the truth about his past: he wasn't born in anything but a circus and was unable to roar just like Ryan. Samson's rude, rotten, hateful, arrogant, judgmental, very grouchy, and possibly abusive father could never accept him as a son and allowed him to be sent to the zoo, where he lied about his origins to avoid humiliation. The wildebeests discover them and push the tree over the cliff, with Samson still hanging on. Ryan is captured and taken to the volcano.

After a run-in with a group of female German dung beetles, Benny finds Samson and gives him the confidence to be himself, even if he is not from the wild. They soon find out that Samson's "instincts" were actually two chameleons named Cloak and Camo, who has been leading Samson to the volcano, so he would help them defeat

Kazar's army. Samson uses the chameleons' camouflage abilities to sneak into the volcano, but when his disguise blows off due to the intense heat of the mountain, Kazar orders his army to attack. Seeing Samson in danger, Ryan climbs onto a catapulting device and launches himself at Kazar, finally letting out a roar. With Kazar distracted, Samson easily overpowers him. Ryan tells Samson that he is happy to have him as a father. The other wildebeests are touched by this and refuse to serve Kazar any further, having grown fed up with his delusions. Samson then gains the courage and roars powerfully enough to push back a charging Kazar. The group and the wildebeests flee, except for Kazar, who is trapped in the erupting volcano, in which he gets crushed to death by a falling rock. They manage to escape on the boat and travel back to the Central Park Zoo in their New York home.

When the movie was done we cheered wildly and it was awesome!

Nico: AWESOME!

Lola: Love that movie!

Xenia: So cool!

Me: So Kazar is going to be our target. I wonder how he will taste.

Camie: That would be awesome.

Nico: Yeah.

Camie: What does it say about him?

Me: Lets see.

I pulled up his info.

* * *

Kazar is the main antagonist of C.O.R.E.'s sole animated feature film The Wild. He is a diabolical, wicked and unhinged wildebeest who tries to ascend to the top of the food chain by becoming a predator and devouring meat. He is also the former leader of Blag, the other wildebeest, and Scab and Scraw, as well as the archenemy of Samson and Ryan.

He was voiced by William Shatner (also one of C.O.R,E.'s founders), who also played an evil version of James T. Kirk in the Star Trek franchise, Mayor Phlegmming in Osmosis Jones, General Shanker in Escape From Planet Earth, Two-Face in Batman vs. Two-Face and Cyrax in Insaniquarium.

Kazar captures Nigel the Koala and reveals to him that a stuffed koala bear came out of the sky (actually from a plane) and scared away a pride of lionesses who cornered him. Kazar therefore wants prey to become predators and vice versa before dubs Nigel as "The Great Him". When he hears that there are two lions nearby, he orders his lieutenant Blag to bring them, so they can eat them.

Kazar attempts to kill Samson and Ryan when they enter the treacherous volcano. After an intense battle, Kazar orders Blag and the others to kill Samson and Ryan. However, Blag and the rest of the wildebeest (who do not really want to turn predators into prey) turn against Kazar and refuse to help him. Enraged, Kazar tries to kill Samson and Ryan himself, but Samson unleashes a powerful roar, which causes the walls of the volcano to crumble down. Kazar is then abandoned by his own minions and left to die in the volcano before he is crushed to death by the collapsing altar wall after catching his front hooves on the plush koala's pull string, while the rest of the animals escape to safety before the destructive volcano explodes.

When it was done everyone was shocked!

Qin: GEEZ! This guy is really that deranged!?

Laney: He sure is!

Me: Yep and when you mess with the natural order of nature there is going to be hell to pay.

Nico: That's for sure.

Lea: So, Nico. What Gene Slammer do you think you'll meet next?

Nico: Raticate next.

Me: Ooh!

Butch: That's gonna be a good one and you know that Raticate is one of our Pokemon.

Lola: Yeah we sure do.

Meowth: That's right guys.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye of The Buddha and the dark blue iris of Ed Cowart's Third Eye glowed even more, as they sensed fourteen dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the fourteen figures were none other than Sōsuke Aizen, Mayuri Kurotsuchi, Yachiru Unohana, Ganryū (Bleach), Ayon (Bleach), Jin Kariya, Shūkurō Tsukishima, Mabashi, Di Roy Rinker, Yammy Llargo, Ulquiorra Cifer, Nnoitra Gilga, Granz, and Zommari Rureaux, and they want revenge on The Soul Society. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Rukia, you and the rest of the Soul Society's not going to like this one bit: the fourteen energy signals we sensed belong to Sōsuke Aizen, Mayuri Kurotsuchi, Yachiru Unohana, Ganryū, Ayon, Jin Kariya, Shūkurō Tsukishima, Mabashi, Di Roy Rinker, Yammy Llargo, Ulquiorra Cifer, Nnoitra Gilga, Granz, and Zommari Rureaux, and they want revenge on The Soul Society.

The Soul Society girls gasped in shock.

Rukia Kuchiki: Oh, shoot, this isn't good. Mayuri Kurotsuchi, Yachiru Unohana, Ganryū, Ayon, Jin Kariya, Shūkurō Tsukishima, Mabashi, Di Roy Rinker, Yammy Llargo, Ulquiorra Cifer, Nnoitra Gilga, Granz, and Zommari Rureaux are among some of the most dangerous members of the Arrancer Army, and Sōsuke Aizen is the leader of the Arrancer Army, and their goal has been to destroy the Soul Society.

Lincoln: Sōsuke Aizen's not only the leader of the Arrancer Army, but he was once a member of The Soul Society himself, until he betrayed you all and he desired to take over the world. Plus, he's also a powerful Shinigami, along with having immense spiritual power, being a master swordsman, and he's also very strong, but the three traits that's made him a danger to everyone is his master intellect, along with being a master tactician and strategist and a master manipulator. Luckily, I've got a few strategies of my own.

Lincoln snapped his fingers and put a powerful spell on Sōsuke Aizen that made him only tell the truth and exposed his true nature and who he truly is: an extremely cruel, selfish, and dangerously manipulative person who doesn't care about anyone but himself, not even his subordinates.

Rukia Kuchiki: Lincoln, what did you put Sōsuke Aizen under?

Lincoln: A powerful spell that not only forced him to tell only the truth, but it also exposes his true nature and who he truly is: an extremely cruel, selfish, and dangerously manipulative person who doesn't care about anyone but himself, not even his subordinates.

Nico: Oh, now that's really genius. Oh, I forgot to ask: who's coming after us?

Lincoln: You're going to be intrigued, Nico, it's Sōsuke Aizen.

Me: The leader of the Arrancer Army himself, whoa, and who's going to take him on.

Lincoln: I've already made a list, J.D.

When the Soul Society saw the list, they were stunned.

Rukia Kuchiki: This is quite a list you set up, Lincoln, and it looks like today, Apollonia Apollonir and you are going to face Sōsuke Aizen.

Lincoln: That's right, Rukia, but we're not going to send him to The Black Gates, we're going to send him to The River of Fire, to consider this his first strike.

Nico: (Smirks) Oh, I get it, just like with Malekith, three strikes and Sōsuke Aizen is getting The Black Gates, right?

Lincoln: Yep.

Nico: I like that idea, Lincoln, awesome, and you and Apollonia aren't going to show him any mercy whatsoever. Alright, gang, let's go, we're heading down to Africa, and we're going to make that evil powerhungry wildebeest, Kazar, pay.

Lincoln: For what he's done, he doesn't deserve to live, and once we get done with him, you're next, Sōsuke Aizen.

Apollonia Apollonir: That's right, and you're going to pay for your crimes, you manipulative demon.

Kaos: Okay, wildebeest are tough.

Shaman Apsu: But we've faced tougher.

Nico: Yep. Lets head out.

We were off to Africa.

---

We arrived in Africa.

Me: Here we are guys.

Camie: Yep.

Varie: Oh wow.

Nico: Beautiful place.

We saw that we were over in Tanzania.

Me: Tanzania. Awesome place.

Elena: Good thing I packed bug spray just in case.

Me: Good thinking there.

Nico: Yep.

We saw a ship run aground on the beach and we saw Samson and friends.

Me: There they are.

We flew down to them.

Samson: Wow! Team Loud Phoenix Storm! It's an honor.

Benny: Yeah it's awesome to meet you all.

Bridget: Glad you all could come.

Me: Same here. Awesome to meet you all.

Nico: Looks like we got here just in time.

Duff Killigan: That's a ship.

Evil Strike Man: Let me guess. You guys stole it?

Samson: We had to. This is a rescue mission for my son.

Me: Your son Ryan got kidnapped and sent here.

Samson: That's right. Again.

Me: Oh boy.

Xenia: We're going to help you guys out.

Fluttershy: We sure are.

Simba: It's an honor to meet a fellow lion.

Alex: I'm thinking that as well!

Rhino: (laughs) As you can see, we have two heroic lions here.

Prowl (Beast Wars): Make that three. I'm a lion too.

Me: Yeah.

Samson: We heard about what Scar did a while back and we're glad he is gone.

Me: Thank goodness.

Xenia: Yeah.

Mufasa: I feel your pain about your hatred of Kazar, Samson. As you probably know, Scar caused my first death by setting me up to be trampled to death by a wildebeest stampede.

Carmen Dillo: It wasn't a pleasant sight. Trust me.

Blob: And Simba got blamed for it.

Me: Yeah it wasn't. Scar was the worst lion of them all. No he was an absolute monster.

Qin: Yeah no kidding.

Kion: I can't believe that Scar was that evil.

Inque: But we still know not all wildebeest are bad.

Me: That's true.

Nico: Yeah.

Samson: But Kazar is the worst. He thinks that all prey should rise up and overpower predators and make THEM the prey.

Qin: That's insane!

Lola: Yeah that is totally messing up the natural order.

Lana: I agree there.

Benny: I agree there too.

Rocko the Rockhopper: You know I noticed that you and I? Our voices sound so much alike.

Benny: We sure do sound alike!

Tchang Zu: First, we need to find Ryan.

Queen Jellyfish: And get him out so Kazar doesn't have any leverage.

Nico: Good idea. Eli check for him.

Eli: Right. (Concentrates) Found him. He's in a tree just 10 klicks to the north.

Samson: Lets go!

We went to find him.

Rock: All of Kazar's madness is all because of a stuffed koala bear.

Gramma Stuffum: (sees said stuffie) (German Accent) Is that it on the ground?

Benny: Yep.

Laney picked it up and pulled the string.

Stuffy: I'm so cute and cuddly! Hug me!

Laney: Aww.

She hugged it and it squeaked.

Samson: Aw.

Me: You can keep that Laney.

Laney: Thanks J.D. I love Koalas.

Ty the Tasmanian Tiger: (Australian Accent) They are awesome mate.

Bai Tza: This time, it's not gonna get crushed with Kazar.

Me: Nope. Kazar is the only one that will be crushed.

Qin: Yeah that insane Wildebeest will pay for messing with the natural order.

Xenia: That's right.

Lola: Yeah!

We arrived at the tree.

Evil Pharaoh Man: Ryan! Are you there?!

General Schwarz: Perhaps he's up in a very high tree.

Eli: (Concentrates) He's up in this tree right here.

Samson: Ryan?

Ryan: Dad?

Ryan saw him.

Ryan: DAD!

He jumped and they nuzzled in reunion.

Samson: Oh son thank goodness.

Simba: Thank goodness you're safe.

Demona: I could've saved you by flying with my wings.

Me: Demona, he's a lion and as a member of the cat family they all are really good climbers.

Qin: It's true.

Demona: Point taken.

Thursday Man: We're glad you're safe, Ryan.

INSTIGATOR: Did you see any sign of big, horned, and ugly?

Ryan: Yeah he's back in that volcano over there.

We looked and saw that it was smoking.

Me: That volcano looks like it's going to erupt any minute.

Nico: Yep.

Eli: But he's in there all right. Just like before.

Qin: Oh boy.

Lola: Yeah.

Xion: He's just one wildebeest. He can't kill all of us.

Samson: Besides, all of his followers abandoned him after they were fed up with his delusional beliefs.

Me: Good then he is all alone. There's thousands of us and 1 of him.

Nico: Yep. We got him massively outnumbered. And usually wildebeests come in herds of thousands.

Simba: That's true. They sure do.

Rhomboid: Tell me I get to blow something up real good, Octagon!

Octagon: You will, Boid.

Buzz Buzzard: Hopefully, just Kazar.

Me: It will be just Kazar.

Samson: Lets go get him.

Nico: With pleasure.

We went to the volcano.

We were walking and we got to the volcano entrance.

Nico: Here we are.

Eli: He's inside the volcano.

Teresa: Entrance time!

Nico: Lets get him!

We went in.

Kazar was really infuriated. All his followers left him and he was now all alone. But then the spirits of friendship and the elements appeared and they swirled around him and they

converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out.

Me: Kazar, you are about to become the prey! And we are the hunters!

Samson, Simba, Mufasa, Kion and Jeri Katou roared ferociously!

Don Octavio: (Italian Accent) End of the line, Kazar.

Kazar: (to Mufasa and Simba) The great Mufasa and his son Simba. Time for me to finish what that fool Scar couldn't. And this time, your son will be first to die!

El Oso: You won't get too far without the Heartless.

Kazar: Ha! Don't make me laugh! I don't need the Heartless to kill all of you!

Me: We'll see about that.

I fired waves of energy and blasted him all over and then I blasted his horns off!

Qin: Ooh!

Me: Not fun without your horns is it.

Nico: You mess with the natural order, you mess with us!

Then Vexen, Firefly, Bane, Electro, Shiv, Webstor, Ebon, King Hiss, Leonard, Hydro Man, Evil Ice Man, Evil Fire Man, Evil Elec Man, Buff Frog, Nightshade, Nightstrike, Liquidator, Man Spider, Kaa, and Beagle Boys appeared.

Nico: Vexen, Firefly, Bane, Electro, Shiv, Webstor, Ebon, King Hiss, Leonard, Hydro Man, Evil Ice Man, Evil Fire Man, Evil Elec Man, Buff Frog, Nightshade, Nightstrike, Liquidator, Man Spider, Kaa, and Beagle Boys.

Electro: Glad you guys are all right.

Vexen: So, Lincoln. You're okay now, right?

Lincoln: Of course I am.

Firefly: Glad to hear it.

Electro: But don't ever make that kind of threat to anyone innocent again, okay? It's not like you.

Bane: (to Nico) (Spanish Accent) Aside from that, did you find out what was making people hostile?

Nico: We sure did.

Ebon: Tell me you didn't get affected!

Me: No we weren't.

Ebon: Good.

Then out came Billiard Shadow.

Me: Billiard Shadow. Back for another round I see.

Billiard Shadow: Yep.

Lola: Awesome.

Billiard Shadow: It's always good to play a game of pool against all of you.

Nico: It sure is.

John Bolton: Back at ya. It's always fun.

Qin: It sure is.

Lola: Yep.

We got the battles underway.

## Lana Loud, Rarity, Sweetie Belle, Water Skylanders, Sora, Kairi, Killer Frost and Poison Ivy VS Vexen - Nico's rescue

---

Vexen was first.

Vexen: (to Lana) Nico's rescue involved the students at Canterlot High getting angry for some reason. Please tell me he wasn't affected!

Lana: No he wasn't thank goodness. But we found out what it was that was causing it. It was fruit cake.

Vexen: Fruit cake?

Lana: It was spiked with a crazy element called Jerktonium.

Vexen: Jerktonium!? I've heard about that stuff. It's a strange element that causes people to become total assholes and jerks. They get black bushy eyebrows, bags under their eyes and grow the five o clock shadow and their tempers go out of control.

Rarity: Oh it was absolutely horrible darlings.

Sweetie Belle: Yeah you are not kidding there. They destroyed most of the school and it was chaotic!

Gill Grunt: They sure did and it was crazy.

Kairi: Yeah that was crazy.

Sora: No kidding there.

Killer Frost: Lily told us that SpongeBob went through something like this with Plankton around Christmas back in 2017.

Vexen: Wow that is coincidental. Who in their bright mind would give everyone Jerktonium Laced Fruit Cakes?

Lana: No idea but it has to be someone that has a rotten temper and a nasty hatred of people being happy. Wait. (GASP) Dr. Zalost! He did this!

Vexen: I thought he was in the book of Vile Darkness!

Lana: He was! He must've escaped.

Vexen: Oh boy. Nicole will have to confirm it. Lets do it!

Lana used the Cranberry Lockseed and got a Cranberry sword. She then read a verse from her Wonder Ride Book and caused numerous ice blocks to fall and smash Vexen all over and they fired waves of ice, water, jewels and energy and smashed him down.

## Lola Loud, Sunset Shimmer, Pipsqueak, Fire Skylanders, Batman, Fire Man, Lea and Francis VS Firefly - Battling Another Corvus Undead Zodiarts and Another Raven Branwen

Firefly was next.

Firefly: (to Lola) Nico, Lars' team, Raven Branwen's team, and the others did good Battling Another Corvus Undead Zodiarts. And Another Raven Branwen as well.

Lola: They sure did and it was awesome. But what really is shocking is that someone gave most of the students Jerktonium laced fruit cake!

Sunset Shimmer: Yeah that is crazy stuff! I've never seen everyone so angry because of it!

Pipsqueak: (British Accent) They were total jerks!

Sunburn: That Jerktonium is awful stuff!

Lea: Yeah it sure is.

Batman: No kidding.

Fire Man: It sure is awful.

Firefly: Yeah no kidding! Lets do it!

Lola used the Cinnamon Lockseed and got a Cinnamon staff and she read a verse in her Wonder Ride Book and made fireballs dance around Firefly and they spanked him and slapped his butt and burned him on contact and kicked him all over and then they fired waves of fire and smashed him down.

## Lincoln Loud, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Spiderman, Elena and Shocker VS Electro - Lincoln's Rescue

Electro was next.

Electro: (to Lincoln) Heard your rescue was in Adori. What bad guy did you waste there?

Lincoln: It was Darrin Wade, a black-magic black marketeer in the Rogue Isles and antagonist from City of Villains.

Electro: Whoa man! I've heard of him!

Electro: Yeah that was a dangerous one.

Twilight Sparkle: But we destroyed him and sent him to the black gates forever.

Starshine Sparkle: We sure did.

Spyro: Thank goodness for that.

Spiderman: That is for sure.

Electro: No kidding. Lets do it!

Lincoln used the Zap Apple Lockseed and red a verse from his Wonder Ride Book and had lightning strike Electro all over from all directions and then they fired waves of lightning and magic and smashed him down.

---

Laney Loud, Fluttershy, Tornado Bolt, Life Skylanders, Agony, Scream, Venom and Rhino VS Bane - Meeting a Fusion Gene-Slammer for Crystal Beast Amber Mammoth & Advanced Crystal Beast Amber Mammoth

---

Bane was next.

Bane: (to Laney) I heard you guys met a Fusion Gene-Slammer for Crystal Beast Amber Mammoth & Advanced Crystal Beast Amber Mammoth. What's her name?

Laney: Her name is Stella "Amber Mammoth" Monroe and she is a really amazing guardian angel for Lincoln.

Fluttershy: Oh she sure is

Tornado Bolt: Her story was really cool too.

---

Stella Monroe: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Amber, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Stella Monroe: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Amber, what's the story on why you hated Lola with a blazing passion?

Stella Monroe: Now, that's something I've never forgotten. One day, I was hanging out with Lincoln at the park, and we were having fun. But, then, Lincoln sensed a nasty and dark presence, and then, in a flash, he fired an energy blast at the figure who rushed at him, and we saw who it was: it was Lola in her Princess Jeep, but her eyes were red with hatred and insanity, and she had a knife in her hand and she wanted to kill Lincoln. She proceeded to go on an hour-long tirade on how Lincoln isn't at home being miserable and being her slave to be abused, used, and murdered, and she said that she had enough of Lincoln even living, and now, she was going to kill him and me for being with him, and she was laughing like a mad lunatic, I also sensed she was going to do the same to the rest of the Guardian Angels, along with Leni, Luna, Laney, Lucy, Lana, and Lily, along with the parents and his friends. That pissed me off badly, along with Lincoln, so I fired an orange fire blast at Lola's knife and melted it into molten metal, and this pissed that little demon off badly, and she tried to run us over with her Princess Jeep, but Lincoln grabbed and hoisted the Princess Jeep up with only one hand and he shook it up and that caused Lola to drop out of her seat, and she tried to punch me, but I grabbed her fist with my right hand, and with my left hand, I threw a punch at Lola's face, knocking her down and out and with a black eye and missing teeth, and Lincoln had that demon tied up in red energy ropes, and I put Lola in an orange crystal prison and we came back to The Loud House, and I removed the orange crystal prison around her. We told Mr. and Mrs. Loud of what Lola tried to do to me and Lincoln, and played her hour-long rant to them, and as soon as it was done, Lola was finished. She got her butt grounded for nineteen weeks, and Lincoln not only put her in a straitjacket, Chinese finger traps on her fingers, and a Hannibal Lector mask on her and threw her in her cage in her room, but he also told his Mom to call the pageant who made sure Lola was banned from any upcoming pageants for those nineteen weeks, and this really pissed Lola off, but I wasn't afraid of her, and neither was Lincoln, and we both swore if Lola ever tried to attack us again, she could say goodbye to her pageant career and dreams forever, and she was going to be imprisoned in Amber forever.

We cheered wildly.

Nico: So, this was due to Lola not seeing Lincoln being miserable and being used, abused, and finally murdered for the sick amusement of her, Lori, Lynn, Lisa, and Luan?! Dark Lola really is one sick and twisted little monster!

Lincoln: I know, Nico, and when we get after Team Loud Evil Storm, let me and my entire harem get after Evil Lori, Evil Lynn, Evil Lola, Evil Lisa, and Evil Luan. After what Good Crocker and Good Burns told us, they no longer have their powers, and that'll make it easier for us to dish out years of well-deserved payback and revenge on them, and as for me, oh I've got my own brand of payback to dish out on them for all the sick, twisted, sadistic, and murderous crap they've done to me, and I'm going to show them what happens when they make me mad!

Yakko: Uh oh, payback, thy name is Lincoln Loud!

Me: I have to agree with you on that one, Yakko.

TLPS Mr. Wolf: Yeah, and after hearing all the sick things that Lori, Lynn, Lola, Lisa, and Luan had done to Lincoln, I'm not surprised that he's planning on exacting his own brand of payback.

Nico: (Smirks) Okay, you and your entire harem got a deal, Lincoln, and I only have this to say: don't show those five bitches any ounce of mercy whatsoever.

Lincoln and Nico did the Epic Handshake from Predator.

Lincoln: (Smirks) After what Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan had forced Lori, Lynn, Lola, Lisa, and Luan to do to me, like Hell am I going to show them any mercy, Nico, they deserve every single ounce of payback and pain that we're going to dish out on them!

Nico: Now, that's what I like to hear.

Girl Jordan: And we'll also be there to help you and J.D. rip that heartless snake, Evil Nico, to shreds!

Lincoln: That's right, what he's done to Universe 666 J.D. and Varie just proves that he's not only a heartless snake, but he's just like the three traitorous Saiyans, Raditz, Nappa, and Turles in every way, along with some of the worst villains we've killed: Frieza, Xehanort, and many others, and he's thrown away his pride as a Saiyan, and that's the one thing we can't stand.

Goku: That's a good way of pointing that out, Lincoln.

Vegeta: I agree. What he's done just proves he's thrown away his pride as a Saiyan, and Bokrua is going to tear him to shreds and send him to The Black Gates.

Nico: And that's also another thing that I hate about Evil Nico, and you just added more fuel to the fire, Lincoln, now I have another reason to make Evil Nico suffer for everything he's done.

Me: Same here.

Alright, awesome job, gang, but we're not done yet, there's still the matter of Sōsuke Aizen to deal with, and that rogue Shinigami should be arriving… right now!

?: And now, I shall destroy the Soul Society and finally rule this entire world.

Rukia Kuchiki: I should've known there's no mistaking that voice from anywhere. You can come out now, traitor.

A figure came out, and it was none other than Sōsuke Aizen, former member now turned traitor of the Soul Society and leader of the Arrancer Army.

Rukia Kuchiki: I always knew you would show your face here one of these days, Traitor.

Sōsuke Aizen: And now, this'll be the last time we ever meet, and why are all of you still focusing on me? I can help you with getting rid of Evil Nico.

Lincoln: Oh, please, you're just saying that to make us not kill you.

Suddenly, Lincoln's spell kicked in and we saw an inverted cross on Sōsuke Aizen's neck glow, and it made his lie turn into the truth.

Sōsuke Aizen: That's right, because I want to destroy The Soul Society and all of Team Loud Phoenix Storm, and also help Evil Nico destroy the universe, and I don't care about the lives of anyone but myself.

This made Sōsuke Aizen cover his mouth, and we had a bunch of smirks on our faces: Lincoln's spell worked and Sōsuke Aizen was now in big trouble as his lies have been exposed.

Nico: (Laughs) Oh man, you fell for it, Aizen. that spell that was put on you a few hours before by Lincoln has caused you to only tell the truth and expose your true nature and who you really are: an extremely cruel, selfish, and dangerously manipulative person who doesn't care about anyone but himself, not even his subordinates.

Apollonia Apollonir: And now that your true colors have finally been exposed, it's time for you to die.

Suddenly, Apollonia Apollonir's crimson red eyes turned neon crimson red and she was surrounded by a crimson red energy aura with red hot crimson red flames, red hot orange flames, and dragons, she unholstered her massive Apollonir-themed greatsword from her back, and as she approached Sōsuke Aizen, she left crimson red energy, red hot crimson red flames, red hot orange flames, and dragons with every step.

Apollonia Apollonir: You really make me sick, Sōsuke Aizen, as if what you've done in the past wasn't already bad enough, you single-handedly betrayed The Soul Society and formed an army of Arrancers in order to destroy the Soul King and remake the world in your image. You're just as bad as Xehanort and the many other villains that we've killed in the past, and you deserve nothing more than to die a bloody and painful death for everything you've done, you rogue Shinigami.

Suddenly, Apollonia Apollonir was surrounded by a massive vortex of crimson red energy with red hot crimson red flames and red hot orange flames surrounding the vortex, there are dragons and the Legendary Pyrus Bakugan, Apollonir, flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Apollonia Apollonir emerged, but she was changed forever.

Apollonia Apollonir grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing crimson red hair, she has neon crimson red eyes and a crimson red energy aura with red hot crimson red flames, red hot orange flames, and dragons surrounding her, she has the Pyrus symbol in the hands of Apollonir emblazoned on her forehead and Third Eye with crimson red iris, she has on dragon earrings with crimson red gems for eyes and holding the Fire and Eternity Kanjis in its hands, she also has Apollonir with crimson red gems for eyes and holding the Fire and Eternity Kanjis in his hands on the bottom of her crimson red dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Apollonia Apollonir felt a sharp pain on her back, and then, her massive crimson red angel wings with orange tips on the large crimson red feathers and Apollonir's eight wings grew much bigger for her new body, and she has Apollonir's tail, along with eleven massive and long crimson red wolf tails, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Suddenly, Apollonia Apollonir's massive Apollonir-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by crimson red energy, red hot crimson red flames, red hot orange flames, and dragons, and when it emerged, it was transformed into Apollonir's Crimson Red Draconic Pyrus Firestorm Greatsword of Pyrus Draconic Firestorm Justice, it's a brand-new massive greatsword with embedded crimson red gems and the Legendary Pyrus Soldier and Leader of

The Legendary Soldiers of Vestroia, Apollonir, etched on the 7'0" massive, wide, double-edged crimson red blade, large orange dragon heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large orange dragon heads and a large crimson red gem below the orange dragon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Apollonir's head with green gems for eyes and a large crimson red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. アポロニア・アポロニア、アポロニア・アポロニア、伝説の爆丸ジーン・スラマーのリーダー、爆丸バトル・スラマーの友人、アポロニアのジーン・スラマー、伝説のパイラス・ソルジャー、ヴェストロイアの伝説のソルジャーのリーダー、強力な火のマスター、愛する守護天使とリンカーン・ラウドの未来の妻、ダークロリのスマッシャー、悪のスレイヤー、混乱した、殺人的、無慈悲、そしてサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして火とドラゴンのマスター

Apollonia Apollonir has transformed into SUPER ANGEL-DRAGON-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PYRUS BAKUGAN CRIMSON RED FIRESTORM DRAGON ANGEL OF DIVINE DRACONIC PYRUS FIRESTORM JUSTICE AND DIVINE PYRUS FIRESTORM DRAGON LOVE!

We were amazed by Apollonia Apollonir's Super Angel Celestial

Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Sōsuke Aizen saw it, he awakened his Zangetsu and tried to hypnotize her so he can kill her, but Apollonia fired a powerful crimson red energy blast with red hot crimson red flames, red hot orange flames, and dragons at Sōsuke Aizen's sword, and it melted into molten metal, and this really got to him.

Dan Kuso: Incredible, Apollonia's transformed.

Lincoln: Yep, she's the first of the Legendary Bakugan Gene-Slammers to transform, and now, things are really going to heat up, and Apollonia, you look beautiful. How do you feel?

Apollonia Apollonir: (Divine Echoing Cosmic Voice of The Crimson Pyrus Firestorm Draconic Angel and Divine Crimson Pyrus Firestorm Love) **I feel incredible, Linky. Now, shall we deal with Sōsuke Aizen once and for all?**

Lincoln: (Smiles) With pleasure, Apollonia.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Apollonia Apollonir.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of antagonizing The Soul Society and the world are over, Sōsuke Aizen, and now, it's time for you to die.**

Apollonia Apollonir and Lincoln went after Sōsuke Aizen, who re-forged his sword and tried to attack them, but they blocked every last one of his attacks, and they fired extremely powerful blasts of rainbow energy, crimson red energy, crimson red fire, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Sōsuke Aizen, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was really getting Sōsuke Aizen really irritated, but Apollonia Apollonir and Lincoln were just getting started. Lincoln made three focusing lenses and they're aimed at Sōsuke Aizen, and then, Lincoln and Apollonia Apollonir had massive balls of fire forming.

Lincoln and Apollonia Apollonir: **Time for you to burn, Sōsuke Aizen. MAXIMUM PYRUS NOVA DEATH CANNON!**

Lincoln and Apollonia Apollonir fired beams of fire and through the focusing lenses, and they became supercharged and they hit Sōsuke Aizen and he was burned badly.

Nico: Whoa, they combined both Nuova Shenron's Nova Death Ray with Apollonir's Maximum Pyrus, that's really cool.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Apollonia Apollonir, her hand-cannon Blaster is known as Apollonir's Pyrus Draconic Firestorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's crimson red with flames on the blaster with a Phoenix, Angel, and Apollonir and the Pyrus Symbol surrounded by flames etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Apollonia Apollonir fired blasts of rainbow energy, pink energy, and elemental forces at Sōsuke Aizen and as they hit him, they exploded with incredible power, and they drained him completely dry of his life-force, killing him. Then, as they holstered their hand-cannon

Blasters, Hoyt Volker's spirit appeared, and Lincoln opened up a portal that leads to The River of Fire and fired a Negative Karma Ball and it hits Sōsuke Aizen's spirit, and he was sent to The River of Fire and the portal closed. We cheered wildly for what Apollonia Apollonir and Lincoln did to Sōsuke Aizen as they holstered their massive greatswords on their backs and powered down, and Apollonia Apollonir's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails and Apollonir's tail, and massive crimson red angel wings and Apollonir's eight wings are permanent.

Apollonia Apollonir: That's the end for you, you ruthless Shinigami. Thanks for helping me destroy Sōsuke Aizen, Linky.

Lincoln: (Smiles Warmly) You're welcome, Apollonia.

Suddenly, Apollonia Apollonir wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Apollonia Apollonir's face, they kissed passionately as Apollonia Apollonir's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Apollonir flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Lincoln and Apollonia Apollonir came back to us as the display and Apollonir vanished.

Dan Kuso: Wow, Lincoln, Apollonia, what you guys did to Sōsuke Aizen, that was incredible.

Nico: It sure was, Dan. Plus, I liked how you guys combined Nuova Shenron's Nova Death Ray with Apollonir's Maximum Pyrus, that was really awesome!

Lincoln: And you're going to see more combo attacks like that in the days to come, Nico.

Me: This is going to be awesome. Say, I've heard a lot about the Battle Gear that the Bakugan are capable of using, and I wonder if you have that ability to equip yourself with Battle Gear, Lincoln.

Lincoln: That's a really good question, J.D.

Fabia: I was wondering about that myself, since you have the ability to absorb advanced technology and get new weapons and gadgets, Lincoln.

Lori: We'll find out about that tomorrow, Fabia, and since we've already met Riley "Ruby Carbuncle" Mackenzie, Fusion Gene-Slammer of Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle and Stella "Amber Mammoth" Monroe, Fusion Gene-Slammer of Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth, you know who's next tomorrow, right, Linky?

Lincoln: Oh yeah, Emily "Topaz Tiger" Lane, Fusion Gene-Slammer of Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger, and I hope you have some new treasure hunts planned for tomorrow, Ebonwu Lincoln.

Lincoln 2: (Through The Rainbow Thunderbird and Rainbow Third Eye Iris) You got it, Lincoln.

Then the volcano rumbled and we got out and then the volcano exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The volcano was blown to pieces and Kazar was gone forever.

Shiv: Thank God we got out of there!

Webstor: And just in time as well.

Me: No kidding!

Hydro Man: And that's how you kill a bad wildebeest.

King Hiss: Without getting run over by it.

Me: Yep.

Leonard: And all before the volcano exploded.

Qin: Yeah no kidding.

Nicole: Lets see if Lana was right.

Nicole pulled out the Book of Vile Darkness and she flipped it to the page of Dr. Zalost and sure enough she saw that it was blank!

Nicole: Lana's right! He is not in the Book.

Eli: And he really is the true culprit! I sense that he is the one that spiked those fruit cakes with Jerktonium!

We gasped in shock!

Qin: Oh man!

Nico: Not good! But nice job figuring it out Lana.

Vexen: Yeah good work.

Me: Then it looks like Nico's rescue is going to be on the planet Venus next time.

Nico: Yep, But still great job today everyone.

Samson: (To the viewers) This was an awesome adventure and the Natural Order must never be messed with.

Me: That's for sure

Eli: Yep.

We went back home and Samson and his friends became part of the team and we enjoyed the rest of the day and went to sleep.

THE END

Alizarin Bubblegum: But it's amazing and beautiful.

Eria the Water Charmer: It sure is amazing too.

Zuria: It's hot and it's so cool that you guys can survive on environments like this.

Lola: It sure is.

Nico: Davis, I want to thank you, Mercurymon, and your teams for coming today.

Davis: No problem Nico. This is gonna be so awesome helping you.

Nico: Eria, I'm gonna be honest. I wasn't sure getting you and the other Duel Monsters archenemies would be possible at all.

Eria the Water Charmer: To be honest I wasn't sure it was possible myself. But it's so awesome that we have archenemies now. And it's so awesome.

Me: I do too Eria.

Lola: Yeah.

Alizarin Bubblegum: I think it's awesome too.

Camie: Yep. J.D. can you tell me all about Dr. Zalost?

Me: I sure can Camie but you are not going to like this guy.

I went over his history.

---

Dr. Zalost is the main antagonist of the episode "The Tower of Dr. Zalost", the Season 2 finale of the Cartoon Network show Courage the Cowardly Dog.

He was voiced by Paul Schoeffler.

Dr. Zalost is a depressed scientist whose goal in life was to make everyone as miserable as he was. In order for this to happen, he created bombs that, when a person is hit, they would instantly become unhappy. When he demanded $33,333,333,333 (33 and ⅓ billion US dollars) to fund his Unhappy Cannonball project, however, his proposal for his plan was laughed at.

When he started firing his bombs at the citizens of the American town of Nowhere, he was given the money in order for him to stop his attack upon Nowhere. Still not satisfied, he continued his attack on the citizens. This even effected Muriel Bagge. Zalost had an assistant, an anthropomorphic rat named Rat. Their relationship was rather complicated, and it's shown that Zalost was more abusive in their relationship. For example, he was angry with him for not giving him a proper hug.

When Courage discovered that the antidote to the bombs was Muriel's Happy Plums, he snuck into Zalost's tower, with the help from Eustace who disguised himself as a pizza deliveryman. After Courage entered the tower, Rat and Courage fought briefly, when one of the Unhappy Cannonballs hit Rat, mutating him into a monstrous version that bears a striking resemblance to Warooey. At the end, Courage used one of the Happy Plums to turn Rat into a crying baby. Courage managed to get to the top, but not before being hogtied by Dr. Zalost and having a cannon pointing at

Courage. Zalost then informs Courage that if he can win a game of Hangman before the cannon goes off, Zalost will cure Muriel. After several wrong guesses, and a fiasco of buying vowels, Courage guesses BOOM correctly, but without guessing the constonants, which upsets Zalost, who accuses Courage of cheating. After Zalost grabs Courage and threatens to end Courage's life, Courage threw a cup of Happy Plums on Zalost's head, which is then added into the bomb mix, and it created new bombs that cured everyone. The result of the new Happy Cannonballs being created destroyed Zalost's Tower, however, with Zalost moaning and escaping.

After Courage took the baby Rat and a Happy Cannonball back home, Dr. Zalost, now charred, withered and angry, calls Courage a stupid dog, which Eustace calls all the time. Courage uses his cannonball to return Muriel to normal while Dr. Zalost uses the last Unhappy Cannonball at Eustace, petrifying him. After some zombie-esque moans and kicking the baby Rat out of his way, Zalost made it to the kitchen and saw some of the Happy Plums on the table. He ate some, coughed, and was converted into a more happier scientist, his eyes are normal white and his skin is normal colored, and he then immediately reconciled with Rat by hugging him. Because Dr. Zalost is Serbian due to his name, coincidentally or not, he refers to plums as his favorite meal - Serbia is the world's second largest producer of plums.

---

When I was done everyone that hadn'y heard about it was shocked and horrified!

Xenia: Whoa man!

Twilight Sparkle: This is one nazing and horrible monster!

Fluttershy: He is a meanie!

Camie: Yeah! How did you guys defeat him before?

Bai Tza: That I can answer. It was the last day of the Nowhere Adventures.

She went over what happened during the events of Chapter 555

FLASHBACK - CHAPTER 555

A cannon fires a black cannonball from a huge tower. It fired more cannonballs. The whole city of Nowhere was completely under siege. The cannonballs were not just ordinary cannonballs. One hit a little girl as she was jump-roping and it made her depressed and completely unhappy. Lots of people got hit because of them. A man with green skin, magenta hair and red eyes was watching from afar. He smiled as he saw the results of what he was doing.

He was over in the Mayors office.

Dr. Zalost: You may already know my reputation. I am Dr. Zalost, the greatest unhappy scientist who ever lived. And I want $33,333,333,333.00 for my unhappy cannonball project.

The Mayor and his assistant laughed at this.

Dr. Zalost: If you don't fund my project I'll use your city as research and that will make the people very unhappy.

Mayor: Big deal. They're already unhappy. We just raised the taxes! The next time you try and bamboozle us you'll be thrown in the clink! Now beat it!

They kicked him out. But they had no idea who they were dealing with. Dr. Zalost is the most miserable and most evil scientist of them all and he wants nothing more than to see the world burn in misery.

Dr. Zalost: Fools! I'll show them.

He laid waste to the whole city of Nowhere and made everyone completely unhappy and miserable. They had no choice but to pay him or else.

---

At the Bagge Mansion, Muriel was making a delicious meal. Maria was with them.

Bai Tza: (Sniffs) Those plums smell delicious Muriel.

Muriel: It's my secret recipe for Happy Plums.

Francesca: Grandma Muriel's Happy Plums are the best guys. They will make anyone happy.

Courage: They sure will.

Lana: They sure look great.

Laney: They sure do.

Maria: Guys, what do you think of Ocean's 7 for my Ace Savvy Persona?

Bai Tza: That's a great persona name Maria.

Lincoln: I agree and it goes perfect for your water powers.

Muriel pulled them out of her new oven and put them in some mugs. She handed them a bowl full of sour cream.

Muriel: Put a little sour cream on each of them Francesca.

Francesca: Sure Grandma.

She put sour cream equally on the plums.

Courage: I accidentally put all the sour cream on one cup and ate all the plums.

Lincoln: That's funny Courage.

Earth: Oops.

Courage's Dad: Hey guys take a look at what's on TV!

They went into the living room and on the TV they saw the News Reporter all depressed.

News reporter: (Depressed) Earlier today, the city of Nowhere fell under attack from an unknown tower. (Yawns) Right now I feel like going to bed so that's all the news for today.

Francesca immediately recognized that tower.

Francesca: Oh no! That tower is the Tower of Dr. Zalost!

Bai Tza: The most unhappy and most miserable scientist of all time!?

Francesca: That's him. Me and Courage beat him before and this is one guy that wants nothing more than to see the entire planet burn.

Earth: This guy sounds very dangerous.

Lincoln: No kidding!

Laney: We have to stop this guy.

Lana: Yeah but I have a feeling that all of us together are not gonna be enough.

Bai Tza: That's right. We got to get help!

The battle to save the happiness of the Human Race has just begun. Bai Tza pulled out her cell phone and on the dial pad was a big red button that said "Prime Omega Emergency." She pressed it.

---

In the estate we were watching TV and then the Prime Omega Alarm sounded.

Me: Uh oh!

I triangulated the transmission of the alarm and it was in Nowhere, Kansas. The satellites picked up that all of Nowhere was under siege by Dr. Zalost.

Me: Oh man! Everyone lets roll!

We all set out for Nowhere, Kansas.

---

In the tower of Dr. Zalost, he was watching TV and eating ice cream.

Dr. Zalost: Oh. What's the good of having all the money in the world if it doesn't bring any happiness? And if I'm not happy, no one deserves to be happy!

Rat was counting the money.

Dr. Zalost: Rat? Give me a hug.

Rat came over to him.

Dr. Zalost: Come here, Rat! (Rat hugs him) You're not fluffy! How do you expect me to hug you if you're not fluffy?!

The doorbell then rang.

Dr. Zalost: Go get that.

Rat went downstairs and took the elevator and standing in the door was Eustace dressed as a pizza delivery man.

Eustace: Here's the pizza you ordered. (Hands Rat the pizza) $20.00

Rat held up 1 finger for one second.

He took the pizza in and went up to Dr. Zalost.

Dr. Zalost: Pizza? What pizza? I didn't order any pizza! Get away from me! (Rat groans)

Courage came out of the pizza box and licked the cheese off and he pulled out a beaker of water and popped the cork and out of the beaker came Bai Tza.

Bai Tza: Theres got to be an easier way to do this Courage.

Courage: I know. Sorry Bai Tza.

Bai Tza saw the tower loaded with millions of black unhappy cannonballs and they were flooded with negative energy.

Bai Tza: These cannonballs are insane.

Dr. Zalost: (realizing he doesn't have the money to pay for the pizza) This is… so embarrassing.

Bai Tza: He's up there all right.

Bai Tza saw the big pot full of the Unhappy Cannonball formula and it was the source of the factory. She then pulled out a mug full of Happy Plums.

Bai Tza: Good thing I didn't eat these. You told me that these stopped him before right?

Courage: I sure did.

Bai Tza: Okay. You get his attention and I'll put this into the formula.

Courage: Okay.

Courage ululated and Dr. Zalost and Rat came down and saw Courage.

Dr. Zalost: You stupid dog!

Bai Tza: You've got bigger problems!

Bai Tza was flying over the formula and she dropped the Happy Plums into the pot and it glowed neon purple and pink cannonballs flied out of it. Then the whole tower started collapsing and shaking violently and then they got out of there. The tower exploded and like a volcano it shot pink cannonballs everywhere and restored everyones happiness in Nowhere.

Bai Tza and team were standing outside of the tower

Lana: Think that's the last of him?

Bai Tza: No. He's far from finished.

We all landed by them.

Me: The battle is far from over.

Nico: Things are about to get intense guys.

Vince: I feel it.

Dr. Zalost came out of the rubble and he was infuriated.

Dr. Zalost: (ENRAGED) YOU STUPID DOG!

Muriel: Do you want to have some of my happy plums?

Me: You will now face all of us Zalost!

Dr. Zalost: So all of Team Loud Phoenix Storm is here.

Varie: And we've come to kill you.

Zalost: I hope you all said goodbye to your loved ones at home. Because you're all not leaving here alive!

Me: I think not.

I snap my fingers and we were on the planet Venus. The clouds were yellow and lightning flashed all over them and it was raining sulfuric acid and the temperature was 900 degrees Fahrenheit and the surface was scorching hot. Luckily I had everyone protected in a force field to protect us from all that. The planet Venus was perfect for the battle and it was like a physical manifestation of the burning raging inextinguishable fiery hatred and misery inside Dr. Zalost's heart.

Lola: Wow! What is this place?

Me: This is the planet Venus.

Laney: Wow! So this is what the surface of Venus looks like.

Lincoln: That's right Laney. They call Venus "Earth's Evil Twin".

Earth: It's true. Venus is my evil twin sister.

Zalost: I get it. You brought us here to Venus so no one will find my dead body. Is that it?

Nico: Of course not! We just brought the fight to Venus so no innocent bystanders will get hurt!

Zalost: Oh please! People will always get hurt no matter how hard you try. And there's nothing you can do to change that.

Me: We're taking the fight here avoid having people get caught in the crossfire.

Luna: What you are doing is absolutely terrible dude!

Zalost: If I can't be happy, no one can!

Nico: Everyone deserves to be happy! Except for monsters like you!

Luan: You people are why I like to make others laugh with my jokes!

(KOUEN {Crimson Flames} plays)

Me: Comes on guys! Lets tear this (CENSORED) apart!

Edzilla: ED SMASH MISERABLE MAN!

We all went at him and a vicious and brutal battle ensued. I punched Dr. Zalost in the face and knocked out most of his teeth and sent him crashing into a rock. He got up and Carol fired King Ghidorah's Gravity Lightning and he was running as she blasted him. (Think of how King Ghidorah attacked Tokyo in Ghidrah The Three-Headed Monster from 1964) Dr. Zalost pulled out an Unhappy Cannonball and threw it at Carol and when it hit her she got an unbelievable increase in power.

Carol: Wow! That was intense!

Me: Those cannonballs are loaded with incredible Negative Energy.

Carol fired Godzilla's Orange atomic ray and it hit by him and not only burned him badly but also sent him crashing into a rock.

Lori blew him away with a huge blast of wind and Dr. Zalost went at Lori and he tried to punch her but she dodged and kicked him in the back and sent him crashing into a rock.

Lori: You literally disgust me Zalost! Happiness is one of the essential feelings that make us who we are!

Roxanne punched him in the face and Linda kicked him in the stomach!

Roxanne: That's right you freak!

Linda: People like you literally have no place in the world we love!

Luna punched him in the face and fired a blast of water at him and it bashed his face with incredible force.

Luna: You make me sick dude!

Lydia: Well said Aunt Luna.

Luna: Thanks dudette.

Sam fired a blast of fire and burned Dr. Zalost badly.

Sam S.L.: People like you only deserve eternal damnation! Right Lady Pele?

The mark on Sam's forehead glowed.

Pele: You know it Sam.

Leni flew up to him and slashed him. She carved "Totes a Loser" into his chest with her sword.

Leni: You are Totes a Loser!

Lisa fired a laser she made with her powers and blasted him.

Lisa: You are one absolutely disgusting individual not worthy of being a member of the race of homo sapiens.

Ben punched him in the face and kicked him in the stomach and kicked him in the face and knocked out some more of his teeth and Dr. Zalost belched out a huge amount of blood.

Ben turns into Alien X

Ben and 2 other voices: **ALIEN X!**

Me: (Gasp) A Celestialsapien from the Planet Zvezda!

Alien X: **That's right.**

Gwen T: J.D.! Ben has had a lot of problems with this alien! You have to help him!

Me: I got this!

Alien X (struggles to stay in control): **Guys, in case I don't come back out, tell Riley that I love her!**

Vakama: Tell Riley that yourself!

I place my hands on Alien X and channel my energy into him.

In the subconscious of Alien X, Serena and Bellicus merged with Ben and became one and Ben was now in full control.

Me: Are you all right Ben?

Alien X: **Yes J.D. Thanks to you I now have full control over Alien X.**

Gwen T: What did you do J.D.?

Me: I channeled my energy into him and Serena, Bellicus and Ben are now one and they now have free will.

Gwen T: That's incredible J.D.! Celestialsapiens are the most powerful aliens in all of existence!

Shanan: It's true dad. They are said to be the beings that have created the entirety of the universe 15 Billion years ago.

Me: I believe it.

Alien X: **Now lets show this monster what happens when you mess with our friends.**

Alien X fired an energy blast and burned Dr. Zalost's legs off. Alien

X then formed an anvil over Dr. Zalost with just a thought and it hit him on the head.

CLANG!

Me: Wow! Ben that's incredible!

Alien X: **Celestialsapians have omnipotent power. Now to use a combo with Iron Man.**

He turned into Upgrade.

Ben: UPGRADE!

Iron Man: I have a feeling this is gonna be good.

Upgrade merged with Iron Man and Iron Man had a Galvanic Mechamorph Armor Suit on.

Me: Nice! You look awesome Tony.

Iron Man: I sure do.

Upgrade-Iron-Man fired lasers and enhanced Missles at Dr. Zalost.

Upgrade and Iron Man: MATRIX MISSILE FIRESTORM!

They hit the ground by him and sent him flying into another rock. He got up and and went at us. I punched him in the face and Lincoln fired a blast of lightning at him.

Me: Ben that was awesome! You and Tony were amazing!

Upgrade: Thanks J.D. I got one last trick.

Ben became Shocksquatch!

Ben: SHOCKSQUATCH!

Me: Wow! A Gimlinopithecus from the planet Pattersonea.

Shocksquatch: That's right J.D. Watch this.

Shocksquatch fired a huge blast of lightning at Dr. Zalost and electrocuted him.

Me: Awesome!

Shocksquatch: Yep. Linka, Lincoln lets do a combo on him.

Lincoln: Lets!

Lincoln, Linka and Shocksquatch fired a huge blast of lightning.

Shocksquatch, Lincoln and Linka: STELLAR LIGHTNING DESTROYER!

The lightning combined and turned into a massive blast of lightning with 30,000,000,000 volts of electricity and it electrocuted Dr. Zalost really badly and he was really numb.

Me: That was awesome guys!

Linka: Thanks J.D.

Lincoln: It sure was awesome!

Hops, Buffo and the frogs slapped and punched Dr. Zalost all over the place.

Buffo (to Hops): Thank you for calling us for fight, Hops.

Hops croaked.

Lana: He says "You're welcome Buffo."

Lana fired a blast of ice lightning at Dr. Zalost and froze him. Lily fired a blast of glowing water and it sent him crashing into a rock. Laney formed a bunch of plant vines with mouths on them and they squirted sulfuric acid into his eyes and burned him until he was blind. Lola fired a blast of fire and burned his arm. Danny Phantom and team Phantom fired energy blasts and energy blasters at Dr. Zalost. Dora breathed blue fire from her mouth in dragon form and set most of the land on fire. Cody fired black and blue fire and plasma blasts from his Plasma Caster and wrist blaster. Lynn fired a blast of Venusian Lava at him and burned him really badly.

Lola: People like you really burn me up!

Sidney: You said it Lola. Dr. Zalost is the biggest bully of them all.

Cody: But we are teaching him a lesson he'll never forget.

Ronnie Anne fired a stream of fireworks at him and burned him.

Luan and Eddy fired a blast of red and blue light at him and burned his chest. Lensay fired a blast of green light at him as well.

Luan: This oughta Lighten your mood. (Laughs) Get it? But seriously you need to be put in your place.

Eddy: Well said Luan.

Lensay: Well said.

Luan: Aww. You are starting to talk in full sentences Lensay.

Lensay nodded.

Eddy: Our little girl is learning fast.

Francesca slashed him with her sword and carved into his forehead the word "Unhappy." Then she carved a phoenix into his chest.

Francesca: To let the Devil know that we sent you.

Nico and May fired an Ice Fire Kamehameha Wave and the blast hits Dr. Zalost in his chest and exploded. When the smoke cleared there was a huge hole in his chest that left his black heart exposed to the open. His heart was blacker than the blackness of the night.

Laney: Wow! Look at his heart!

Me: His heart is pure evil!

Nico: His heart is absolutely filled with pure evil beyond its purest form.

Lola: Even my heart is not that black anymore. Lindsey Sweetwater's heart might be, but not mine.

Vince: This shows that he is the ultimate personification of pure evil.

Carol: It sure does.

Lea: Lets use our combo on him Tahu.

Tahu: You got it brother.

Tahu fired a blast of fire from his swords and Lea fired a blast of fire from his Keyblade.

Tahu and Lea: FIRESTORM HEART BARRAGE!

The fires combined and turned into a storm of heart-shaped embers and they rained on Dr. Zalost and burned him badly.

William: Lets show him our combo too Vakama!

Vakama: You got it William!

Vakama fired his Kanoka Disk and William fired a blast of fire.

Vakama and William: U.F.O. FLAMELASER STRIKE!

The disk became a huge flying saucer made of pure fire and it fired a laser made of pure fire at Dr. Zalost and he ran from it. But there was no escape. It burned him badly.

Lola: Lets use our combo on him Nico!

Nico: You got it Lola. Ladies first.

Lola: (Curtsies) Thank you good sir.

Lola fired a blast of fire and Nico formed one of Ebon's portals.

Nico and Lola: VILE DARKNESS DIMENSIONHOLE!

The fire and portal combined and turned into a vortex that lead into the dimension of the Book of Vile Darkness.

Kirby (about to use his Final Smash): Let's see if my Final Smash still works!

Samus: I haven't used my Final Smash for a while.

Me: Lets finish him off guys!

Varie: You got it J.D.!

Rachel: Lets get him!

Vince: Yeah!

Bai Tza: Sorry, Zalost. But we don't want our jails to catch your unhappiness!

Samus donned her power suit and Kirby had an Ultra Sword.

Me: KAAAAA!

Varie: MEEEEE!

Vince: HAAAAA!

Nico, May, Lincoln, Laney, Lily, Lori, Lisa, Goku, Gohan, Yamcha and Krillin: MEEEEE!

Vegeta: FINAL FLASH!

Samus: ZERO LASER!

Kirby: ULTRA SWORD SLASH!

Kirby slashed Dr. Zalost with a powerful slash from the sword.

Me, Varie, Vince, Nico, May, Lincoln, Laney, Lily, Lori, Lisa, Goku, Gohan, Yamcha and Krillin: HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

We fired our blasts and they combined and hit him and carried him into the dimension of the Book of Vile Darkness. The portal closed. In the dimension there was nothing but pitch-black darkness and then the blast exploded with incredible power.

KRAAAAAAAAAAAAAABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOO

The explosion was so powerful and so devastating that it completely obliterated Dr. Zalost in an instant and there was nothing left of him at all. Not even an atom of him was left. The explosion was powerful enough to destroy 20,000 planets.

Muriel: Is he gone?

Me: Yes. He's dead. And because we sent him into the dimension of The Book of Vile Darkness he's automatically sealed into it.

Nicole: Yep. Good riddance to bad rubbish.

Jared: And that's one less scientist that will terrorize the world.

Me: You said it son.

Varie: That man deserved to be put out of his misery.

Bai Tza: He was gonna take away everyones happiness and we couldn't let that happen.

Lincoln: No way Jose.

Me: Yep. Lets go home.

We went back home to Earth.

---

Later after the whole fight with Dr. Zalost we offered all of the town of Nowhere to move to Gotham Royal York and they all accepted. Turns out they were getting sick and tired of living in the middle of the boondocks. Nowhere was now a suburb of Gotham Royal York. The Bagge Mansion now is a beautiful greenhouse mansion that is right next door to the Estate.

Lana: Ah. Home sweet home.

Lincoln: You said it Lana.

Leni: It's good to have you with us at home again, Linky.

Lori: Things have literally been quiet without you twerp.

Luna: It sure has dude. But we missed you.

Laney: We missed you guys too.

Me: It's good to have you back buddy.

Lincoln: Same here.

Lynn Sr.: We're glad you all had a fun time sport.

Lincoln: Thanks dad.

Francesca: I like our new home already!

Me: I'm glad Francesca. And Francesca you have our sympathies for what happened to your parents.

Francesca: Aw thanks J.D.

Courage: I never knew that this city was so big!

Me: It's 3 cities fused together Courage. The cities of Gotham from the year 2039, New York City and Royal Woods were fused together into Supermetropolis.

Francesca: That's amazing!

Me: It is. Oh yeah. I call a meeting in Lori's room!

We then went up to Lori's room.

---

In Lori's room which is also our meeting room everyone was gathered.

Me: I call this meeting to order. Now I'm sure you're wondering why I called this meeting. Well it involves Francesca and Courage here. During Bai Tza, Lincoln, Earth, Laney and Lana's time down in Nowhere, Francesca and Courage have displayed tremendous heroism in saving the world and the town of Nowhere. So for that we have something for them.

I pulled out a black shirt with pink flames on the bottom and it had the logo for Team Loud Phoenix Storm on it.

Me: Francesca Salina Bagge, you and Courage are both honorary members of Team Loud Phoenix Storm. Welcome to the team you two.

I hand her the shirt and we cheered for them.

Francesca: Thank you so much J.D. It's an honor to be a part of the team.

Me: You're welcome Francesca.

William: Bai Tza, how would you like to join the Redemption Squad? Consider it as a reward for helping Courage, Lincoln, and the others against the Nowhere bad guys.

Bai Tza: I would be honored William.

William: Welcome to the Redemption Squad.

We cheered for her.

It was a grand time for all of us. We saved the world from Dr. Zalost and got some new members out of the deal. They all revealed their exploits in Nowhere and it was awesome.

FLASHBACK ENDS

When she was done everyone was amazed!

Qin: Wow! So that's how you guys beat him. I wasn't with you guys when that happened but that is cool!

Lola: Yeah it sure was.

Lana: We all had fun on that one.

Me: Yeah.

Nico: You know what would be funny? If the Ojama trio got archenemies as well.

Me: Lets also include Blue and Red to the mix for that one too. But yeah that would be cool to see.

Nico: Yeah so the Ojama Quintet. Good idea.

Me: But yesterdays mission was fun and cool.

Lola: It sure was.

Maria: Samson's a good lion and father.

Me: Yes he sure is.

Camie: Just like J.D. and many of us.

Nico: That's for sure. And I'm glad Kazar got what was coming.

Laney: Me too. And the stuffed Koala I have is so awesome and adorable.

Tsuyu: It sure is.

Nico: Ryan sounded like Beast Boy.

We laughed!

Me: Yeah he sure did. And Benny sounded like Rocko the Rockhopper.

Qin: That is so awesome.

Lola: Yeah.

Camie: Yeah that is cool.

Me: But whoever heard of a Wildebeest wanting to become an Apex Predator. That is totally ridiculous!

Laney: No kidding there! And it's totally messing around with the natural order.

Maria: That's for sure.

Davis Motomiya: I can't believe he was going to do that!

Qin: No kidding!

Me: By the way Davis I heard you are getting a good head start on your mobile Noodle Shop. How is it going?

Davis: So far it's turning into a great success. Everyone loves it all over the city.

Nico: Awesome.

Xenia: That is cool.

Nico: Do Yolei and Hawkmon love it too?

Davis: They sure do. Stop by all the time for lunch.

Me: Boy they sure love it.

Qin: That's awesome.

Camie: I agree.

Kazuma: Davis makes awesome noodles.

Me: He was learning a lot under Teuchi Ichiraku in Ichiraku Ramen. He's off to an awesome start.

Lola: He sure is.

Nico: That's cool that Teuchi is helping Davis out.

Camie: Yeah it sure is.

Lola: Yeah.

Veemon: Let's keep an eye out for Zalost.

Me: Right.

Nico: Wait look!

We saw THE TOWER OF DR. ZALOST!

Qin: Whoa! Is that?

Bai Tza: That's it. The Tower of Dr. Zalost.

Me: It's a walking castle tower tank with 4 huge spider legs.

Nico: I remember seeing a tower like that explode when we arrived.

Eli: That is amazing.

We went over to it and went into the tower through the bottom of the tower by using one of Lisa's latest experiments: The Portable Hole. Which worked perfectly.

Me: We're in.

Eli: Wow. Lisa your portable hole works perfectly.

Lisa Loud: Indeed. It is a good invention too.

Me: It sure is. Also it was featured on cartoons too.

Davis: By the time he sees us, it's gonna be too late.

Eli: He'll never see us coming.

Bai Tza: But he is up in the main room up there.

We saw a huge flight of stairs and it lead up to the top of the tower.

Laney: Wow that's a lot of stairs.

Camie: Not if we fly up.

Nico: Zalost made a big mistake in what he pulled yesterday, that eternally unhappy mad scientist has no right to make people unhappy.

Me: And to make it worse, he escaped from The Book of Vile

Darkness to make people unhappy again, he just doesn't know when to quit.

Lincoln was still silent, but Nico and I sensed that he's been suffering from anger he had in himself for what happened when he gave a Black Gates threat to Alizarin Bubblegum yesterday when she got poisoned with Jerktonium by Dr. Zalost. But, when we saw him clench his hand tightly in anger, that caused him to draw blood and it hit the floor and sizzled, and his wound healed.

Laney and Rita Loud: Oh no.

Nico and I saw it for ourselves, and this was indeed troubling.

Nico: (Thinking) I know I said I forgave Lincoln, and Alizarin said he was doing his job, but what that jerk, Zalost, did yesterday, really crossed it, and I think it's brought back the many psychological and emotional scars from when he'd been taken advantage of, beaten up, punched, kicked, stabbed, and almost murdered by Lori, Lynn, Lola, Lisa, Luan, Chandler, Flip, Scoots, Pablo, Anderson, and Bolhofner, and just how badly and cruelly they, along with Chandler and his goons, Flip, Scoots, Pablo, Anderson, and Bolhofner treated him. Just how many psychological and emotional scars does he even have?!

Me: (Thinking) (To Nico) One too many, Nico, and I've got a bad feeling that Zalost has unleashed a feral beast that's going to rip him to shreds. When this is over, we need to find a way to purify him of the many psychological and emotional scars that were inflicted on him because of the cruel actions of Lori, Lynn, Lola, Lisa, Luan, Chandler and his goons, Flip, Scoots, Pablo, Anderson, and Bolhofner.

We then head for the main room of Zalost's tower, and Nico and I blasted the door down and we saw our target: Dr. Zalost.

Varie: Dr. Zalost, I presume.

Nico: I see that you're still making people unhappy as usual, Dr. Zalost, and just so you know, that little stunt you pulled yesterday has really pissed us off.

Dr. Zalost: If I can't be happy, no one deserves to be happy, SO THERE!

Me: Buddy you really need a hobby.

May: Sheesh, you really are an unhappy jerk, even worse than Squidward before he changed his ways.

Eli: Yeah no kidding.

Rita had just about enough of Dr. Zalost and she ran at him, grabbed him by the throat, and pinned him to a wall.

Rita: You absolutely make me sick, Zalost, and what you did with that rotten stunt at Canterlot High School yesterday, it made a mess of my son, Lincoln, when we saw Alizarin Bubblegum and everyone else acting like jerks when you poisoned them with Jerktonium-laced fruitcake, and in a fit of rage, he made a death threat at one of your poisoned victims, which I forgave him for. Oh, give me one good reason why I shouldn't reach my hand down your green-skinned throat and pull out your black heart, and force you to eat it!

Nico and some of us were literally stunned: Zalost made a big mistake in messing with that stunt he'd pulled yesterday, and when one of her kids gets the bad end of seeing his victims act like jerks, that's when Mama Bear Loud comes out.

May: WHOA, SHE'S REALLY PISSED OFF NOW!

Nico: (Smirks) Mess with Mama Bear Loud and she's gonna rip you in two!

Lincoln: Not before I get a few blows in for what happened to Alizarin Bubblegum. Mom, stand back.

Zalost: (smirks) Still trying to be the heroes, Team Loud Phoenix Storm? Let me guess. You all want to help me? (laughs evilly)

Davis: Uh uh. You had plenty of chances for help. But you blew each and very last one of them.

Me: We actually came here to kill you!

Veemon: And because of you yesterday, Lincoln threatened an innocent person with the Black Gates and Nico was forced to take a rest! This time, you're getting what you deserve!

Zalost: (mockingly) Aww. Does this mean you're all not best friends with me anymore?

Me: You're pathetic.

Qin: That's not going to work on us.

Me: And you deserve to be unhappy!

Lincoln: Not before I get a few blows in for what happened to Alizarin Bubblegum. Mom, stand back.

Suddenly, we saw an orange energy aura manifest around Lincoln, and we knew it was going to really mean trouble for Zalost.

Rita: (Smirks) On second thought, why should I be the one to rip you in half, when my son wants to get in a few blows on your misery-causing butt.

Rita backed away and came back to us.

Lincoln: You absolutely make me sick to no end, Zalost! It wasn't bad enough that you've used those Unhappy Cannonballs to make people miserable years ago, but yesterday when you came back from the dead, you poisoned everyone in Canterlot High School with Jerktonium-laced fruitcake! I went into a rage when I saw Alizarin Bubblegum and everyone acting like jerks and that brought back the psychological and emotional scars Lori, Lynn, Lola, Lisa, Luan, Chandler and his goons, Flip, Scoots, Pablo, and Anderson had inflicted on me. You know what, you've been asking for this for a very long time!

Suddenly, Lincoln was surrounded by a massive vortex of orange energy, and when it faded, Lincoln emerged, but he's in a brand-new form, and we know it's going to get ugly: the 17-year-old, white-haired, 7'5", handsome and extremely muscular man's mane of long wild white hair going down to the bottom of his neck turned glowing orange and stand up and it resembled a raging flame, with the exception of the bangs, the rainbow lightning bolt highlights in the bangs of his long hair remain the same, glowing orange marks on his massive and muscular body and his face, glowing orange eyes show Lincoln's near endless rage towards the truly irredeemable and guilty, his abnormally massive and powerful upper and lower body muscles grew just a bit bigger, the symbol by his stomach is the symbol of The Omni-God and there's no limiters, his eleven massive and long white wolf tails and massive and indestructible white angel wings turned orange except for the orange and aurora tips on the feathers, and he was surrounded by a glowing orange outline and orange energy aura: Lincoln has transformed OMNIPOTENT RAGE LINCOLN!

We were stunned.

Nico: HOLY CRAP!

Me: Incredible.

Lincoln: (Deeper Mature and Manlier Voice) Sorry it took so long, guys, but now, it looks like the time is right for me to introduce you to my brand-new form: say hello to Omnipotent Rage Lincoln, a form that my Cyborg form had achieved long ago before his world merged with ours, and when he merged with me, all of his skills, powers, and abilities, along with getting turned into a cyborg have passed on to me.

Sabrina Lorelai, Eman Reynolds, Girl Jordan, Twilight Sparkle, Applejack, and their friends, Shizuka Marikawa, Saeko Busujima, Saya Takegi, Rei Miyamoto, Sunny Starscout, Misty Brightdawn, Izzy Moonbow, Pipp Petals, Anna Anyanova, Earth, Vinyl Scratch, and Zipp Storm all had massive and atomic red blushes from hearing Lincoln's deeper mature and manlier voice, and the same went with Alizarin Bubblegum, who was also filming the whole thing.

Lincoln: (Deeper Mature and Manlier Voice) Now, where were we? (Smirks) Oh yeah, time to give you a serious beatdown.

Lincoln went after Dr. Zalost in a superhuman speed that broke the sound barrier times infinity, and he proceeded to pummel and beat up Dr. Zalost in a brutal fury, and he fired orange energy blasts at the miserable mad scientist.

Nico: Whoa, this is really incredible.

Alizarin Bubblegum: I hope he doesn't leave us out of the fun.

Lincoln stopped his beatdown of Dr. Zalost and he went up to Alizarin Bubblegum.

Lincoln: (Deeper Mature and Manlier Voice)(Smirks) Now, what kind of gentleman would I be if I didn't let you have your fun?

Lincoln used one of his eleven massive and long wolf tails to grab Dr. Zalost by his ankles and hang him upside down. Then, he took Alizarin Bubblegum's hand and in a swirl of orange energy, she now has boxing gloves with brass knuckles, and he gestured to let Alizarin Bubblegum have her fun.

Lincoln: (Deeper Mature and Manlier Voice)(Smirks) Go ahead, Alizarin, let him have it.

Alizarin Bubblegum didn't even know what to say, but she'll have to say it later, but right now, it's payback time as she proceeded to pummel and beat up Dr. Zalost and he was really getting beaten up.

Me: Sheesh, she's moiderlizing him.

Nico: It's warranted after all, since she was his victim yesterday.

Lincoln was still filming with Alizarin Bubblegum's phone which she gave to him before he gave her the boxing gloves. Then, when she was done beating him up, Dr. Zalost was really beaten up and mongrelized.

May: Whoa, that's even worse than the beatdown we gave him years ago when we first faced him.

Rita: Well, Lincoln was the one who went after him first and really let him have it, and on top of that, he showed us his new form.

Then, Lincoln gave Alizarin Bubblegum her phone back, and she sent a copy of it to her parents, and they also wanted a video of the beatdown that would be given to that miserable mad scientist. Then, he changed back as his hair, angel wings, and eleven massive and long wolf tails change back to white and the marks and symbol of the Omni-God disappear, but he still retained his deeper mature and manlier voice.

Me: Take that you freak!

Lincoln: Alizarin Bubblegum, I…

Alizarin Bubblegum didn't give Lincoln a chance to speak anymore as she wrapped her arms around his wider and muscular back and hugged him tightly, and he wrapped his abnormally massive and powerful muscular arms around her.

Alizarin Bubblegum: I already accepted your apology from what happened yesterday, and I overheard Nico and J.D.'s telepathic conversation before we confronted Zalost, Lincoln. You need to let go of the psychological and emotional scars that you still carry with you.

Her words really did ring true, and then, Lincoln broke down and cried, but she was still there and she was still hugging him and so were all of us, as we also joined.

Dr. Zalost: Oh, BLECH!

Spiderman fired a web blast and webbed Zalost's mouth shut and webbed him to a crater.

Me: You shut up Zalost!

Lincoln: (Crying) I need help.

Alizarin Bubblegum: I know, and it's time to give you the help you need to let go of the past scars you have and put those nightmares to rest forever.

Albedo turned into Negative Diamondhead and grabbed Zalost by the collar.

Negative Diamondhead: You turned all those innocents at Canterlot

High into jerks with that fruitcake just to get even with Bai Tza and the others?!

Zalost: No one's innocent! I can't be happy. So why should everyone else?!

Me: Because you're nothing but a misanthropic asshole bastard!

Bai Tza: And I'm glad we destroyed your work!

Alizarin Bubblegum drew a kanji on Lincoln's massive right pec: it was the kanji for Purify 清, and then, we saw the rainbow iris of Lincoln's Third Eye glowing, and it shot a dark purple beam into the air, and when it landed, it took shape and it took the shape of Lincoln when he was 11-years-old, but he was covered head, body, and toe in a myriad of scars, and his eyes were empty and dead. When we saw him, we were horrified.

Me: (Gasps) Oh my God.

Nico: (Horrified and Tears Forming) My God!

Me: What in the 9 Fucking levels of hell is that!?

Rita Loud, Laney, Leni, Lana, Lola, Lisa, and Lily: So, you're…?!

Mentally and Emotionally Scarred Lincoln: Yes. I'm the very manifestation of the psychological and emotional scars Lincoln has gotten, because of all the agony, pain, and suffering that Lori, Lynn, Lola, Lisa, Luan, Chandler and his goons, Scoots, Flip, Lewis Travolta, Pablo, and Anderson had subjected him to over the years, and over time, the scars have gotten deeper and more painful because of the escalating cruelty from them.

Me: It was because of the revelations that we'd heard from the many Guardian Angels that Lincoln knows and that more and more of Lincoln's past is coming to light, and many of them are dark and bloody.

Nico: Lincoln…

Eli: We had no idea!

Varie: This is horrible!

Nico then went up to Lincoln and he hugged him tightly.

Nico: I knew that the revelations that we heard about what you went through were dark and bloody, Lincoln, but this… you have a lot more deeper emotional and psychological scars than I did when I accidentally killed Ken. What you went through… , all the agony, pain, and suffering Lori, Lynn, Lola, Lisa, Luan, Chandler and his goons, Scoots, Flip, Lewis Travolta, Pablo, and Anderson had subjected you to over the years, that was awful enough, but over time, the scars have gotten deeper and more painful because of escalating cruelty from them.

Me: I had no idea that it ran this deep. In all the six and a half years that I have known Lincoln and of all the stuff Lincoln went through this is by far the worst ever.

Lincoln: (Voice Breaking) Nico…

Nico: You really are just like me, Lincoln: you've done your hardest to hide those scars from the past, but they'd kept on getting deeper and deeper, and you kept on getting subjected to this kind of evil, no one deserved that kind of treatment, not those who are kind, caring, selfless and placed all of the wants and needs of those around them above his own.

Lincoln broke down and cried again and he hugged Nico, and this caused Mentally and Emotionally Scarred Lincoln to run up to Nico and hug his right leg as he cried really hard, this was really and truly heartbreaking, we saw for ourselves the manifestation of Lincoln's deep psychological and emotional scars, and we just went over and hugged him.

Lola: We're so sorry for everything that we put you through, Linky, and we really really mean it this time.

Lisa: No words could ever heal such deep scars we gave you over the years, but can we let this be a start?

Suddenly, we saw something form on Mentally and Emotionally

Scarred Lincoln's face: a genuine and pure smile, and we saw the multitude of scars on him starting to fade away: he was purified for good, as he embraced Lola and Lisa, and they too hugged him back, and he had happy tears on his face.

Purified Lincoln: Yes, this is a start.

Suddenly, we started to see him fade away.

Purified Lincoln: What you guys have done, I'll remember you all for eternity. (Fades Away) Thank you all.

Purified Lincoln faded away, but this meant the deep psychological and emotional scars he had were gone for good. Then, Lincoln went up to Alizarin Bubblegum and he hugged her in his abnormally massive and powerful muscular arms, and she hugged him back. Then, she let him slowly lean his head down to her neck, and he then slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Alizarin Bubblegum's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck. Alizarin Bubblegum hugged him and kissed him even more, and everyone cheered.

Me: Awesome!

Lola: So awesome.

Me: Yeah.

Seeing that Lincoln needed him, Negative Diamondhead threw Zalost to the side and turned back into Albedo before walking away.

Zalost: Get back and fight, Team Loud Phoenix Storm! I'm not done fighting you all yet!

Maria: But we're done fighting YOU.

May: You're not worth it.

Albedo: You never were.

Dr. Zalost: You… (ENRAGED) YOU! YOU FREAKS AND COWARDS!

He roared and went at us and then Alizarin Bubblegum punched him and knocked him down.

Alizarin Bubblegum: That's it, I've had it up to hear with you to last an eternity, Dr. Zalost.

Suddenly, Alizarin Bubblegum's pale light grayish chartreuse green eyes turned neon pale light grayish chartreuse green, and she was surrounded by a cinnamon red energy aura with sticks of bubblegum, magic, unicorns, and Alicorns, she unholstered her massive Sword of The Champions of Harmony, and as she approached Dr. Zalost, she left cinnamon red energy, sticks of bubblegum, magic, unicorns, and Alicorns with every step.

Alizarin Bubblegum: You really really make me sick, Dr. Zalost, as if what you've done in making the people of Nowhere unhappy just because no one deserves to be happy and because you're unhappy wasn't bad enough, but what you did in poisoning me and everyone in Canterlot High with Jerktonium laced fruitcake and turning us into jerks and Lincoln made a mistake, but you didn't care, now that's what I call crossing a serious line, and for that, your days of mucking up peoples' happiness with your brand of misery are over.

Suddenly, Alizarin Bubblegum was surrounded by a massive vortex of cinnamon red energy with sticks of bubblegum and magic surrounding the vortex, there are unicorns and Alicorns flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Alizarin Bubblegum emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Alizarin Bubblegum grew to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her long flowing moderate crimson red hair, she has neon pale light grayish chartreuse green eyes and a cinnamon red energy aura with sticks of bubblegum, magic, unicorns, and Alicorns surrounding her, she has an Alicorn with sticks of bubblegum on its horn emblazoned on her forehead and a Third Eye with green iris, she has on Alicorn earrings with green gems for eyes and the Magic, Bubblegum, and Eternity Kanjis in its hooves on her ears, she also has an Alicorn with green gems for eyes and the Magic, Bubblegum, and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with moderate crimson red crystal links from her merged Crystal Necklace of the Buddha and moderate crimson red gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, she has on a short-sleeved lime green shirt, dark purple pants, pink shoes, and sleeveless long white trenchcoat with sticks of bubblegum, unicorns, and Alicorns on the coattails, and on the back is an Alicorn surrounded by magic. Suddenly, Alizarin Bubblegum felt a sharp pain on her back, and then, massive moderate crimson red angel wings with green tips on the large moderate crimson red feathers, grew and sprouted out from her back, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Alizarin Bubblegum: (Divine Echoing Cosmic Voice of The Sweet Bubblegum Fifties Music Alicorn and Divine Sweet Bubblegum Music Love) **There's a lot more where that came from, and you're going to pay for what you did yesterday.**

Nico: Big time, you miserable sad sack!

Me: On second thought we'll fight!

Xenia: Yeah!

Me: Justice is coming for you!

Albedo turned back into Negative Diamondhead!

Lola: You toyed with peoples feelings and lives all just to see the world burn!

Lana: And you made people suffer!

Laney: This time there's going to be no mercy from us!

Negative Diamondhead had second thoughts and turned into Negative Four Arms.

Zalost: I WILL DESTROY YOU ALL FOR EVERYTHING YOU HAVE DONE TO ME!

Negative Four Arms: Seriously? Is there anything he's not gonna blame us for today?

Me: Obviously not.

He went at us and I punched him and Alizarin Bubblegum punched him in the stomach and kicked him in the stomach and punched him in the nose and blood dripped from his face.

Zalost: In the end, you won't kill me. Because deep down, you're all the good guys. And good guys don't have the guts to kill people like me.

Mercurymon: Then lucky for them, Albedo and my team aren't part of Team Loud Phoenix Storm. Dark Reflection!

He fired waves of energy from his mirror and blasted him all over.

Me: And for the record we will kill you. Because you are an evil monster and you deserve the worst fate we can dish out to you

Nico: That's right!

Eli: Yeah!

Eli fired a wave of Force Lightning and electrocuted him all over.

Earth fired waves of lava and burned him.

Me: You brought all this on yourself.

Lola: Yep.

Negative Four Arms grabbed Zalost.

Zalost: You want a piece of me?!

Negative Four Arms: No. I want 4 of them!

Then,,,

SQUELCH!

HE RIPPED HIM INTO FOUR PIECES AND SPLATTERED HIS BLOOD ALL OVER!

Nico: NICE!

Me: Awesome use of Megatron's line.

Then his spirit appeared.

Alizarin Bubblegum: No one makes people into jerks and gets away with it!

She gave him the black gates and got rid of him forever!

Qin: Good riddance.

Eli: What do we do with his tower?

Nico: We'll keep it and use it for our own benefits.

Qin: Awesome.

Nico: We're not done yet though.

Lola: Yep.

Nico: (Winces)

Nico's mark for Draco the Dragon was glowing and that meant one thing.

Nico: You can come out now. I know you were watching.

Out came ANOTHER DRACO UNDEAD ZODIART! It looked like a combo of Draco the Dragon and the Draco Zodiarts and Olympius in his Super Demon Dragon Form.

Qin: Whoa!

Me: Another Undead Zodiart for Draco The Dragon!

Lola: Wow! This one looks cool.

Nico: Wow! Wicked!

Eli: Amazing!

Draco Zodiarts, the Japanese Version of Dai Shi - Long in his 7 Headed Dragon Form and Ruby Dragon from Dino Thunder

Nico: And you are?

Another Draco Undead Zodiarts: (In a girls voice) (British Accent) J.D. knows who I am.

Me: (GASP) That voice.

She reverted back and it was a girl with blond hair and had a Slytherin Wizard Robe on and she had green eyes.

Me: (GASP) Nefertiti Malfoy!

Nefertiti Malfoy: Good too see you again J.D.

Me: Same to you.

Nico: You know her? Wait Malfoy?

Nefertiti Malfoy: Yes I'm related to that scumbag Draco. He was my older brother.

We gasped!

Lola: I didn't Draco Malfoy was your older brother.

Eli: Yeah he never mentioned you.

Nefertiti Malfoy: I was born the Black Sheep of the Family. I was born a pureblood wizard but I was never like my so-called father. So I worked with Harry and helped him out on many of his adventures. I was hiding as the war of wizards raged on and when I saw you resurrect everyone with the Cosmic Cube, I was glad that you did so.

Lola: That's right.

Kouta: Harry killed your brother by getting him electrocuted near that weapon that he helped build.

Nefertiti Malfoy: That's what I heard. Good riddance.

Qin: Yeah no kidding.

Me: Your brother was a monster and an absolute genocidal racist.

Lola: Yeah.

Nefertiti Malfoy: Good riddance. I'm glad he got what was coming to him.

Me: So is everyone all over the world.

Nefertiti Malfoy: I know. Also I saw your battle and I heard about what happened to you all. I'm so sorry that happened at Canterlot High. You all did nothing to deserve that.

Me: It's all right Nefertiti.

Eli: I like your name. It's for the Egyptian Pharaoh.

Me: She lived 3400 years ago.

Nefertiti Malfoy: That's right.

Me: Yeah that is cool.

Nefertiti Malfoy: Just go easy on me.

Kaito: Relax. Unlike your brother, we'll go easy on you.

Nefertiti Malfoy: Good. Also there's another opponent coming and it looked like a black version of him. (Points to Mercurymon)

Nico: Whoa! That means we're going to face Another Mercurymon next.

Mercurymon: Another me? Wow.

Lola: That will be awesome.

Nico: Yep. I got this.

Nico powered up and Nefertiti turned into Another Draco Undead Zodiart and Nico fired waves of energy and blasted her down and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down in a fiery explosion and then I caught the Rouse Card and Zodiarts Switch and purified them. The Rouse Card had the stars of Draco the Dragon and a dragon on it.

Me: Awesome.

The Zodiarts switch went to Nico and it formed into an awesome Armband for him.

Nico: Awesome!

I went and picked her up and brought her over.

Maria: One down.

Nico: Yep.

?: Don't forget me.

A figure came out and it was ANOTHER MERCURYMON!

Nico: Whoa! Another Mercurymon!

Qin: Wow! Another Version of the Spirits of Steel!

Mercurymon: Wow this is gonna be interesting.

Another Mercurymon: (In a girls voice) And it's good to see you again J.D.

Me: (GASP) Ophelia Harrison! Whoa!

Nico: You know her?

Me: I sure do. Ophelia is a blacksmith and she is really good at what she does in metalworking.

Xenia: That's cool!

Sougo: (gets out RPM Ridewatch) Too bad you're stuck with that form's unevolved abilities.

Geiz: (gets out Blades Ridewatch) But at least it makes things easier.

Sougo got RPMRedArmor while Geiz got BladesArmor.

Another Mercurymon: I sure do. Bummer but sill cool to use these powers nonetheless.

Me: It sure is

Nico: (gets out Mercurymon's Ridewatch) Mercurymon, you did your part in helping out. This is me returning the favor.

Me: Let me add to that too. (ACTIVATES MERCURYMON'S VISTAMP)

MERCURYMON!

Nico activated the Ridewatch.

Nico and me: (Echoing) DARK REFLECT!

We fired waves of energy and blasted down Another Mercurymon!

Xenia: YEAH!

Nico: (gets out Evil Jewel Man's Ridewatch) Rarity will love this one!

Me: Same here. (ACTIVATES EVIL JEWEL MAN'S VISTAMP)

EVIL JEWEL MAN!

Me and Nico had Jewels swirl around us and we fired waves of jewels and diamonds and smashed her down.

Me: YEAH!

Rarity: Oh that was absolutely amazing darlings!

Qin: It sure was.

Me: Here's a good one. (ACTIVATES CAPTAIN SPRING GREEN SQUEAKER'S VISTAMP)

CAPTAIN SPRING GREEN SQUEAKER!

I fired a wave of strawberry yogurt from my hand and it hit Another Mercurymon and smashed her down.

Nico: Wow! Yogurt?

Me: Yep. Strawberry flavor.

Nico opened his mouth and I put some in it.

Kaito: And for this.

Kaito activated their gears and got a Kamen Rider Saber Sword and Zocks got a Revice Staff!

May: (gets out Emerald Dragon's Ridewatch) Speaking of jewels, try an emerald!

She activated it and fired waves of green fire and smashed her down.

Nico: OH YEAH!

Qin: Yeah!

Lola: That was a burn!

Nico: Yeah!

Eria the Water Charmer: My turn!

She fired waves of water and blasted down Another Mercurymon.

Eria the Water Charmer: Also this.

She activates Evil Jewel Man's Ridewatch and fired waves of jewels and blasted Another Mercurymon all over.

Qin: YEAH!

Xenia: Take that.

May: (gets out Mochtroids' Ridewatch) Let's keep it up!

She activated it and fired waves of draining energy and sucked out some of Another Mercurymon's energy.

Another Mercurymon: (Weak) Whoa I feel tired.

Lola: Okay that one we use on other enemies.

May: Noted.

Qin: Yep.

Nico: Boy that was cool.

Me: Yep. Watch this. (ACTIVATES ANGRY NASHVILLE HOT CHICKEN'S VISTAMP)

ANGRY NASHVILLE HOT CHICKEN!

I fired waves of fire and smashed her down.

Maria: (gets out Estroy's Ridewatch) Now, let's see what this does.

She activated it and got a REALLY BEAUTIFUL AND AMAZINGLY STUNNING FACE! Another Mercurymon swooned over how beautiful it was and she was spinning around in awe!

Me: Estroy's face is handsome from what I remember.

Lola: Yep.

Maria: (gets out Imitation Krabs' Ridewatch) And this one is for my honor as a Neptune Crusader!

Maria activated it and fired lasers from her eyes and blasted Another Mercurymon down!

Qin: YEAH!

Lola: Yep.

Maria: Mercurymon, have any teams of yours been completed yet?

Mercurymon: Not really.

May: Then, all we got to do is wait for the next Gene Slammer.

?: You called!?

A Raticate then appeared.

Me: A Raticate!

Raticate: (In a girls voice) Yep.

Nico: Hannah Cheddar! Wow!

Me: The great cheese maker and connoisseur!? Wow!

Nico: (Drools) I missed her cheese!

Raticate: (Laughs) I'll make you some later.

She fired a blast of energy and it hit Another Mercurymon and blasted her down and I caught the ridewatch and purified it and it was for Davis.

I went over to Ophelia and she was in a black blacksmith outfit and had brown hair and blue eyes and I picked her up

Ophelia Harrison: (Groans) What a headache.

Me: But you're back to normal.

I brought her over.

Veemon: First of all, I'm pretty much your size now. Second, it sucks that Ridewatch isn't for me as well. And third, what's your favorite memory of Nico?

Raticate: In order: Yes we are the same size. I know that there isn't a ridewatch since you are Davis's Partner. And my favorite memory is obvious. As you know I am a great cheese maker.

My family has been making cheese for generations. My favorite memory was when I made Nico huge cheese wheels of Wisconsin cheddar cheese and Nico ate it all and he loves my cheese.

Nico: (Dreamily) I missed your cheese Hannah.

We laughed.

Me: Lets get you back to normal.

Raticate: And just so you know I am naked.

Me: Oh boy.

I put on my blind man glasses.

Nicole: Anyone peaks at her and I will kill you!

Me: Here we go.

The boys covered their eyes and I snapped my fingers and she reverted back and was a girl with purple hair and purple eyes and Maria and the fashion brigade gave her awesome purple clothes and she looked awesome.

Hannah Cheddar: Wow awesome outfit.

Maria: It's perfect for you.

Rarity: Oh it sure is darling.

Nico and Hannah hugged.

Nico: I really missed you.

Hannah Cheddar: Me too Nico. Me too.

Qin: I still remember how much you hate my ex-boyfriend.

Hannah Cheddar: Yeah what a jerk.

Nico: And it's fine that you hate Xin Fa. I do as well.

Me: We all do. After what that stupid fuckup did to Qin he deserved it.

Nico: Yep.

We went back home and told everyone what happened to Lincoln and more and it was shocking and all that.

And we're also going to destroy Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, who've come back from the dead, and they want revenge on Lina Inverse, Amelia Wil Tesla Saillune, Naga the Serpent, Sylphiel Nels Lahda, Lincoln, Lei Magnus, and all of us for destroying them and Ruby Eye Shabranigdo last year. We went through the Gates of Dark World, and we arrived in Dark World, and it's a scary place.

Lincoln: Whoa, we're here in the Duel Monsters World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) Yes, but more specifically, Dark World, because I've planned eighteen treasure hunts here that I call The Dark World

Treasure Hunt.

Nico: Whoa, eighteen treasure hunts here in Dark World, wicked.

Lincoln: It sure is, and I know what we're going to do here, not only am I going to rescue the five girls here, but for Dark World Treasure Hunt day 1, Clara St. Clarice is going to get her own treasure: a powerful greatsword known as The Demonic Darkness Greatsword of Colorless, Chaos King of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Colorless, Chaos King of Dark World, it's perfect for her, and we're also going to destroy Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, who've come back from the dead, and they want revenge on Lina Inverse, Amelia Wil Tesla Saillune, Naga the Serpent, Sylphiel Nels Lahda, you, Lei Magnus, and all of us for destroying them and Ruby Eye Shabranigdo last year.

Nico: Oh shit, I should've known those four demons would one day come back, sheesh.

Me: But, it's to be expected, Nico.

Rita: He's right, and we also told your father of what happened when we went after Zalost, Lincoln, and he and your other sisters also saw the video, and they were equally horrified when they saw the manifestation of your deep psychological and emotional scars.

Lynn Sr.: It was so horrible. But, we also saw that Alizarin decided to help you by drawing that Purify kanji and drawing him out.

Lincoln: That's right, Dad, and Nico also ended this by us hugging and that caused the manifestation to go up to Nico and hug his legs.

Nico: He was literally a scared little kid with scars all over him, it isn't funny. But, when Lola and Lisa offered their apologies and wanting to let it be a start, we saw a genuine and warm smile on his face and he hugged them.

Me: Then, we saw his scars disappearing for good, and he was purified forever, and he faded away.

Eli: He went up to Heaven and it meant that the chains that dragged him down into darkness.

Lincoln: Are finally gone for good, and I've also finally let go of the scars that'd haunted me long ago, and I'm now a better man and I've got to learn to stop with seeing things physically and start looking at things mentally and spiritually.

Nico: We can help you out with that one. But, first, let's get the treasure and deal with those four demon lords and get out of here, this place is giving me the heebie-jeebies.

Lincoln: Good idea, Nico, and thanks for joining us, Ash, Catherine, Ryoga Shindai, Kento, Reika Shindai, and Olivia Houou.

Ash: You're welcome, Lincoln, and we're glad you're finally okay now. So, where do we go to find The Demonic Darkness Greatsword of Colorless, Chaos King of Dark World?

Clara St. Clarice: I think I know where.

We continued on and we arrived at a shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Greatsword of Colorless, Chaos King of Dark World, a powerful demonic massive greatsword with colored gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large red gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Greatsword of Colorless, Chaos King of Dark World, that sure is one scary looking demonic broadsword.

Clara St. Clarice: And it's absolutely perfect for me.

Suddenly, we saw Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger head for us, and with them are the five girls.

Nico: Wow, that's Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger head for us, and and they also got the five girls.

Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger: (Girl's voice) And away from those five demons, especially that mad Hellmaster Fibrizo.

Lincoln: (Gasps) That voice, Emily Lane, I knew it was you, it's awesome to see you again, but we'll talk later, I know that Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium are already heading for us.

?: We will have our bloodstained revenge on you all for destroying us and Ruby Eye Shabranigdo, Team Loud Phoenix Storm!

Lina Inverse: Oh boy, there's no mistaking that voice from anywhere. Don't you and the other Demon Lords know when to quit, Fibrizo.

We then saw our targets, Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, and they were pissed big time.

Lina Inverse: I should've known you five Demon Lords wouldn't stay dead for much longer, you just don't know when to quit, do you?

Hellmaster Fibrizo: You foolish humans have ruined our plans to destroy mankind and even worse, you destroyed our master, and now, we will have our revenge on you all, none of you will ever leave here alive! (LAUGHING MADLY)

Clara St. Clarice: You really are an insanely mad demon, Fibrizo, but you know what, your revenge on us ends here and now, you and the other Demon Lords are going to pay for your crimes in blood.

Clara St. Clarice grabbed The Demonic Darkness Greatsword of

Colorless, Chaos King of Dark World. Suddenly, Clara St. Clarice's red eyes turned neon red, and she was surrounded by a black and red energy aura with darkness, demons, dark magic, and the seven colors of the rainbow, she unholstered her massive Colorless, Chaos King of Dark World's Void Greatsword of Dark Justice from her back, and as she approached Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, she left black and red energy, darkness, demons, dark magic, and the seven colors of the rainbow with every step.

Clara St. Clarice: You five Demon Lords absolutely make me sick to my stomach, as if what all of you along with your master Ruby Eye Shadbranigdo did over a thousand years ago wasn't bad enough, but your mad desire to destroy mankind so that the demons could rule again have brought back the bad taste of us having to deal with The Church of Necrom's madness. That's it, Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, as The Gene-Slammer and Champion of Colorless, Chaos King of Dark World, you five Demon Lords are hereby sentenced to death!

Suddenly, Clara St. Clarice was surrounded by a massive vortex of black and red energy with the seven colors of the rainbow, darkness, demons and dark magic surrounding it, there are armies of demons and Colorless, the Dark King of Dark World flying around the vortex, and inside of the vortex is a black phoenix with red eyes glaring at the five Demon Lords: the red eyes of death. Then, as the vortex faded, Clara St. Clarice emerged, but she was changed forever.

Clara St. Clarice's transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS COLORLESS CHAOS KING DARK WORLD DEMONIC ANGEL OF COLORLESS CHAOS DARK WORLD JUSTICE AND DIVINE COLORLESS CHAOS DARK WORLD LOVE!

We were amazed by Clara St. Clarice's Super Angel Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium saw it, Hellmaster Fibrizo went mad with insanity, and he and the other Demon Lords went after her to kill her, but Clara St. Clarice fired a powerful blast of black and red energy with darkness, demons, dark magic, and the seven colors of the rainbow, and it hit the five Demon Lords and sent them flying into a wall, they got out, but they were mega pissed off and Hellmaster Fibrizo went even more mad with insanity.

Nicholette Torrington: Whoa, Clara St. Clarice has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: Now, all of Dark World's going to witness the deaths of Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, and Clara, you look beautiful, how do you feel?

Clara St. Clarice: (Divine Echoing Cosmic Voice of the Dark World Colorless Chaos Demon King and Divine Chaos Dark World Divine Love) **I feel incredible, Linky. Now, shall we finally end these five Demon Lords once and for all?**

Lincoln: (Smiles) With pleasure, Clara.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and

strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Clara St. Clarice.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **This is the absolute last time that we ever have to deal with you five Demon Lords, especially you, Fibrizo, you borderline psychopathic sadist.**

Clara St. Clarice and Lincoln went after Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, who fired blasts of darkness, fire, water, ice, and black magic at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, black and red energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at the five Demon Lords, and they exploded with incredible power as they hit them, and they attacked them with powerful slashes from their massive greatswords, and they left nasty scars on them.

This was major league pissing off Hellmaster Fibrizo, and he literally broke down and he was laughing like a borderline psychopathic lunatic, and the other Demon Lords were really furious, but Clara St. Clarice and Lincoln were getting started, then Clara St. Clarice called upon the dark forces of Dark World and fired powerful blasts of darkness at them and blasted them badly, and Lincoln called upon the forces of the night and sent creatures of darkness at them who tore into them.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Clara St. Clarice, her hand-cannon Blaster is known as Colorless, Chaos King of Dark World's Demonic Chaos Darkness Dark Fire Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with dark flames on the blaster with a Phoenix, Angel, and Colorless, Chaos King of Dark World surrounded by darkness etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Clara St. Clarice fired blasts of rainbow energy, black and red energy, and elemental forces at Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium and as they hit them, they exploded with incredible power, and it knocked them down.

Then, Lincoln turned five tips of his eleven massive and long white werewolf tails into Cell's stingers, and as he stabbed them right into the chests of Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, they screamed in agonizing pain and he began absorbing them and assimilating their powers, and as soon as he was done absorbing the five Demon Lords and he retracts his tails and they changed back, nothing was left of them except for their clothing, and five energy cards with the souls of the Demon Lords had appeared from five blasts of light fired by Lincoln's massive greatsword, and when the Judgement Kanji appeared on their foreheads, Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium were erased forever by The Black Gates. We cheered wildly for what Clara St. Clarice and Lincoln did to the five Demon Lords as they holstered their massive greatswords on their backs and powered down, and Clara St. Clarice's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, and massive red angel wings are permanent.

Clara St. Clarice: This time, don't you five dare come back. Thanks for helping me destroy Hellmaster Fibrizo, Supreme King Dynast

Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, Linky.

Lincoln: (Smiles Warmly) You're welcome, Clara.

Suddenly, Clara St. Clarice wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Clara St. Clarice's face, they kissed passionately as Clara St. Clarice's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Colorless, Chaos King of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Clara St. Clarice came back to us as the display and Colorless, Chaos King of Dark World vanished.

Lina Inverse: I can't believe that on the first day of the Dark World Treasure Hunt, Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium had the nerve to come back from the dead.

Nico: They were nothing more than a bunch of sorehead demons and they still wanted revenge on us, sheesh.

Me: But, this also means that on the upcoming seventeen days, we're bound to deal with evil demons out to kill us, and it won't help that we'll be running into them here in Dark World.

Lincoln: But, we'll be ready for them as we continue on the treasure hunts, and we'll make them pay for their crimes. (To Emily Lane) And it's so good to see you again, Emily Lane.

Emily "Topaz Tiger" Lane reverted back to normal, and she's a beautiful girl with short neck-length yellow hair, yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has a yellow topaz gem embedded on her forehead and massive and beautiful yellow angel wings with stars and sparking topaz gems and an aura of sparkling topaz gems around her and she reigned in the powers of Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger, and she's dressed in a sleeveless yellow closed blouse, sleeveless yellow top, yellow skirt, yellow pants, yellow legwarmers, yellow sneakers, and long white sleeveless trenchcoat with yellow flames, yellow topaz gems, and tigers on the coattails and Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger holding a yellow topaz gem on the back and holstered on her back is a Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger-themed large greatsword with embedded yellow topaz gem and Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger etched on the 7'0" massive, wide, double-edged yellow blade, large tiger heads for the crossguard, large yellow topaz gem embedded in the rainguard, longer midnight black handle, four large tiger heads and a large yellow topaz gem on the bottom of the large tiger heads for the pommel.

Emily Lane: You too, Lincoln, it's been a long time, and it's also good to see you again, Topaz Ginnova, Hannah Florington, and Serenity Lexington.

Topaz Ginnova, Hannah Florington, and Serenity Lexington: You too, Emily.

Lincoln went up to Emily Lane and he hugged her, and Stella Monroe is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Emily Lane: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her, and she also knows Topaz Ginnova and Hannah Florington?

Lincoln: Indeed I do, Nico, this is Emily "Topaz Tiger" Lane, she's my Guardian Angel from Manhattan, New York, and my classmate in Art. She's also an old friend of Serenity Lexington, Gene-Slammer of Rainbow Overdragon from New York before she moved to Royal Woods, and she purposefully Gene-Slammed herself into a Fusion Gene-Slammer of Crystal Beast Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger in order to protect me from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home.

Nico: Yep, I figured that was coming.

Lincoln: That's right, and as a result of that, she gained topaz yellow angel wings and she became a master of the yellow color of the rainbow and even yellow topaz gems, and like Topaz Ginnova, Gene-Slammer of Advanced Crystal Beast Topaz Tiger, she also gained yellow fire powers that are so hot, it'll give you third-degree burns.

Me: Just like with Riley Mackenzie's red fire powers.

Lincoln: Right, and she's easily identified by a yellow topaz gem embedded on her forehead and her favorite Crystal Beast Duel Monsters are Crystal Beast Topaz Tiger and Advanced Crystal

Beast Topaz Tiger, and she was trained by Topaz Ginnova, Gene-Slammer of Advanced Crystal Beast Topaz Tiger and Hannah Florington, Gene-Slammer of Crystal Beast Topaz Tiger, and she hates Luan with a blazing passion.

Nico: Nice!

Topaz Ginnova: It sure is, and she's really become an awesome expert in using the powers of Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger, along with using yellow fire and creating yellow topaz gems, and thanks to all that training, she also gained an aura with sparkling yellow topaz gems around her and in her yellow angel wings.

Hannah Florington: Which is another awesome feature for her, and it also warns her of any incoming dangerous threats.

Jesse Anderson: That's really amazing.

Emily Lane: Thanks, Jesse, and there's also something you all should know: you know that I've given myself the task of protecting Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home, and Lincoln's right, I really hated Luan with a blazing passion.

Nico: Oh no.

Emily Lane: Look, I know about what happened yesterday and what happened today, but I'm going to forgive you, and you should count your tail lucky you chose not to ignore him forever and let him get hurt, because that kind of behavior is exactly what made Lori, Lynn, Lola, Lisa, and Luan our enemies before they had their Dark Sides removed forever. (Tiger Growl)

Lincoln: Whoa, whoa, easy, Emily, stand down.

Emily Lane stood down.

Me: Oh man, how on Earth did word of what happened yesterday spread?

Rita: Lincoln didn't tell, and no one in his harem told. (Realizes something) Oh no, I forgot about one thing that his Guardian Angels had: an underground news network Nicholette Torrington and the Dark World Goth Girls established, and when word of anything bad happening to Lincoln hits, the others will go on the attack, and it always gets ugly.

Nico: (Gulps) I guess that's another bad way to get on the bad sides of your son's Guardian Angels.

May: Even if words did help, we still had to punish him for his blatant outburst.

Emily Lane: But, that's only left to the parents who know how to handle this, May. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Emily, are you absolutely sure about this?

Emily Lane: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Emily Lane, and he saw that she's really serious, and he smiled as he walks over to Emily Lane, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Emily Lane's neck with yellow topaz gems on the gold lightning bolts and orange amber crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Emily Lane: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Emily.

Emily Lane has a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Emily Lane's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Yukine Araki, Hana Mihara, Tamari Mizu, Senri Teshima, and Haruka Tosabori from the anime W'Z.

Lincoln: Oh wow, it's Yukine Araki, Hana Mihara, Tamari Mizu, Senri Teshima, and Haruka Tosabori from the anime W'Z.

Nicole: Awesome.

Lincoln: Are you girls okay?

Yukine Araki: Yes, we're okay, thanks to you.

Then, when Yukine Araki and the other four girls saw who it was that saved them from Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight

Ventus Omega Leonidas.

He had his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and large gold Elemental Shield of Harmony holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white wolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the center in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on his left ring finger which also merged with his Orange Buffalo Animal Spirit Ring, large Blue Lantern ring on his right ring finger and small planets orbiting around his fingers like rings, he had nine large multi-colored orbs orbiting around his legs and circling around his feet on the floor are eight golden crosses with angelic runes.

Yukine Araki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Yukine Araki: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yukine Araki, Hana Mihara, Tamari Mizu, Senri Teshima, and Haruka Tosabori with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Clara St. Clarice had gotten The Demonic Darkness Greatsword of Colorless, Chaos King of Dark World, and the team was shocked when they found out the villains we went after were Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium, who'd come back from the dead, and they want revenge on Lina Inverse, Amelia Wil Tesla Saillune, Naga the Serpent, Sylphiel Nels Lahda, you, Lei Magnus, and all of us for destroying them and Ruby Eye Shadbranigdo last year.

But, when Lincoln showed them what happened such as Clara St. Clarice transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and she and Lincoln laying a brutal beatdown on the five Demon Lords and it ended with Lincoln using Cell's absorption technique and he absorbed them and assimilated all of their powers and sent their souls to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Emily Lane have a lot of catching up to do, now that she's back in town.

Maria: I can't believe those five Demon Lords had shown their ugly faces again after we killed them and Ruby Eye Shadbranigdo last year.

Lincoln: And we'll be running into more demon villains on our Dark World Treasure Hunt.

Rita: Thank goodness your father's not afraid of anything spooky anymore, but we still got the fear of S-P-I-D-E-R-S to deal with.

Nico: Wait, what's with…? (Realizes) Oh.

Lincoln: I may need to ask Vypra resurrect Rhinosnorus to help cure Dad of that phobia, in the same way Leni was cured.

Nico: Actually, that was Nightmare's doing, but I agree, your Dad needs to be cured of that phobia.

Me: Luckily, I told Luan to hide her rubber S-P-I-D-E-R-S in her room. Yeah, we need to get that taken care of ASAP.

---

After finally getting rid of Hellmaster Fibrizo, Supreme King Dynast Grausherra, Chaos Dragon Garv, Sea Queen Deep Sea Dolphin, and Greater Beast Zelas Metallium and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Emily Lane saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Emily Lane: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Emily, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emily Lane: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Emily, what's the story on why you hated Luan with a blazing passion?

Emily Lane: That's something I'd never forget. One day, Lincoln and I were heading home from the gym after a two-hour work-out, but then, I had a bad feeling that Luan was going to do something so bad to Lincoln, he could die a horrible death. We went to The Loud House, and I saw that Luan had a ton of traps set up in The Loud House and she even rigged the front door, and she was cackling like a sadistic lunatic. I was really pissed off, so I immediately kicked the front door in, and it set off all of Luan's traps, but we didn't enter the house. Luan ran downstairs to see, but all her traps were ruined and I was standing in the doorway and I was pissed, and so was Luan, she was furious that her traps were failures and that we weren't dead, but at this point, I've had enough, so I grabbed Luan by her ponytail and was dragging her outside, and she screamed in horror and tried to beg Lincoln to save her, but Mr. and Mrs. Loud didn't want to intervene, she brought it on herself, and the door closed. A few hours later, Luan was left hanging upside with her panties tied to a tree limb and with a shame sign hanging around her neck, and I got the picture saved, take a look.

Emily Lane got out her phone, and Nico comes to look.

Nico: Mm-hmm. And what are we looking at? (Sees the photo of Luan hanging upside down from a tree limb tied to her panties and with a shame sign hanging around her neck) MAMA, NO!

Me: What, it can't be. (Sees the photo) JUMPING BEANS ON A TRAMPOLINE!

And when everyone else saw it, they gasped in shock and they really reacted.

Maria Rockell: MAMA, NO! OH, THAT WAS TOO HARSH! Damn, Lincoln, I know your Guardian Angels were capable of beating up the five mean sisters and the bullies at school, but Emily Lane sure does know how to deliver one nasty message.

Lincoln: Luan wasn't the only one to get that kind of punishment, she's done that to Lori, Lynn, and Lola.

Lynn: I almost had my jockstrap wedged far up my butt that day 'cause of you, Emily!

Lori: And they gave her a brutal nickname and it was spread far and wide, they called her "The Topaz Underwear Shame Hanger", 'cause if anyone dared to hurt Lincoln, she would drag you away and you would be left hanging upside down by your underwear wrapped around a tree limb and with the Shame sign hung around your neck.

Nico: I've seen many of my old friends do really humiliating things to bullies, but this. (Realizes) Hey, wait a sec, now I know why that nickname is so familiar, I remembered J.D. telling me a story of how Chandler tried to kill Lincoln, but he was then found hanging upside down by his underwear that was tied to the flagpole and he had the Shame Sign hung around his neck, and when everyone saw it, they busted out laughing hysterically, that was you?

Emily Lane: (Smirks) That's right.

Me: Yeah, I saw how that happened, and it was brutal, but Chandler had it coming.

Lincoln: Yep.

Eli: Yikes, now that's what I call brutal and nasty! Nice one.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Uighur from Fist of The North Star, Raoh's second-in-command and that barbaric monster is causing havoc.

Lincoln: Oh man, it's Uighur.

Nico: Raoh's second-in-command, and that barbarian is causing havoc, this isn't good.

Lincoln: He must've found out that I was the one who killed Raoh, and now, he wants to kill me.

Ed Cowart: That gigantic barbarian isn't laying one hand on you, Lincoln.

Nabiki Tendo: Not if we have anything to say about it. Come on, Ed, let's kick his ass!

Ed Cowart: Oh yeah, let's get that fucker!

We flew out of the World Tree Estate, and Ed Cowart fired powerful blasts of dark blue energy, dark flames, darkness, skulls, and souls of the Underworld at Uighur, and when we landed and he saw us, he was enraged, and even more when he saw Lincoln, the one who killed Raoh.

Uighur: You! You will pay for what you did to Lord Raoh!

Ed Cowart: Forget it, Uighur, the only one who's going to pay is you!

Nabiki Tendo: Yeah, and I've had it up to hear with you to last an eternity.

Suddenly, Nabiki Tendo's brown eyes turned neon brown and she was surrounded by a green energy aura with earth, lava, and dragons, and as she approached Uighur, she left green energy, earth, lava, and dragons with every step.

Nabiki Tendo: Uighur, I will never ever forgive you for the pain and suffering that you'd subjected to so many innocent people and in the name of that ruthless tyrannical warlord, Raoh. He deserved to die for his crimes, and so will you!

Suddenly, Nabiki Tendo was surrounded by a massive vortex of green energy with earth and lava surrounding the vortex, there's a dragon flying around the vortex, and in the vortex is a brown phoenix. Then, as the vortex faded, Nabiki Tendo emerged, but she was changed forever.

Nabiki Tendo grew to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her chin-length bob-cut dark brown hair, she has neon brown eyes and a green energy aura with earth, lava, and dragons surrounding her, she has a dragon holding the Earth Kanji in its claws emblazoned on her forehead and Third Eye with green iris, she has dragon earrings with green gems for eyes and holding the Earth and Eternity Kanjis in its claws, she has on her Crystal Necklace of The Buddha with green gems embedded in the gold boulder links and green crystal links and a green dragon-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a dragon with green gems for eyes and holding the Earth and Eternity Kanjis in its claws for the pendant, she has on a purple and green sleeveless midriff top, green skirt with lava waves on it, black shoes, and a long white sleeveless trenchcoat with lava and earth on the coattails and a dragon with earth and lava around it. Suddenly, Nabiki Tendo felt a sharp pain on her back, and then, massive dark brown angel wings with green tips on the feathers grew and sprouted out from her back, and she also has eleven massive and long dark brown wolf tails, she has on a Ring of the Phoenix with green gem and embedded heart-shaped gem on her right ring finger and Star Sapphire Ring on her left ring finger.

Nabiki Tendo has a new massive greatsword in her hand called Tendo Family's Volcanic Earth Lava Greatsword of Earth Draconic Justice, it's a brand-new massive greatsword with embedded lava gems and a dragon etched on the 7'0" massive, wide, double-edged blade with hardened lava on it, large dragon heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large dragon heads with green gems for eyes and a large green gem below the dragon heads for the pommel, she has on her large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold dragon head with green gems for eyes and a large green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a green kanji below the dragon that said, "Nabiki Tendo, Middle Daughter of Soun Tendo, Younger Sister of Kasumi Tendo, Older Sister of Akane Tendo, Loving Girlfriend and Future Wife of Ed Cowart, Student at Furinkan High School, Destroyer of Uighur, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth, Lava, and Dragons"

天童なびき、天童早雲の次女、天童かすみの妹、天童茜の姉、愛する彼女でエド・カワートの将来の妻、風林館高校の生徒、ウイグル族の破壊者、悪の殺し屋、狂乱、殺人、非情、とサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な学生、そして地球、溶岩、およびドラゴンのマスター

Nabiki Tendo has transformed into SUPER ANGEL-DRAGON-HARMONY CELESTIAL ETERNAL XELNAGA VOLCANIC EARTH LAVASTORM DRACONIC ANGEL OF DIVINE VOLCANIC EARTH LAVA JUSTICE AND DIVINE EARTH VOLCANIC DRAGON LOVE!

We were amazed by Nabiki Tendo's Super Angel Celestial Eternal Xelnaga transformation, and when Ed Cowart saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Uighur saw it, he charged in after her and was about to kill her, but Nabiki Tendo fired a powerful green energy blast with earth, dragons, and lava at him and sent him flying into a wall, he got out, but he was really pissed off now.

Akane Tendo: Whoa, Nabiki's transformed.

Ed Cowart: This is so cool, and Nabiki, you look beautiful. How do you feel?

Nabiki Tendo: (Divine Echoing Cosmic Voice of The Volcanic Earth Dragon and Divine Volcanic Earth Draconic Love) I feel incredible, Ed. Now, shall we take care of this gigantic barbarian once and for all?

Ed Cowart: (Smiles) With pleasure, Nabiki.

Ed Cowart unholstered his massive Hades' Infernal Dark Fire Underworld Hellhound Damned Soul Greatsword of Dark Fire Underworld Damned Soul Hellhound Justice from his more wider and more muscular back and he transformed into Super Angel-Hellhound-Harmony Celestial Eternal Xelnaga Darkness Firestorm Phoenix Infernal Hades Hellhound Angel of Divine Dark Infernal Firestorm Hellhound Justice and Divine Infernal Dark Fire Phoenix Hope, and he joined Nabiki Tendo.

Ed Cowart: (Divine Echoing Cosmic Voice of The Infernal Darkness

Fire Hellhound Phoenix and Diving Dark Underworld Infernal Fire Justice) Alright, Uighur, it's time for you to die, you barbaric monster.

Ed Cowart and Nabiki Tendo went after Uighur, who tried to hit them with his whip, but they dodged his whip, and they fired powerful blasts of dark blue energy, green energy, darkness, lava, earth, dark blue fire, purple fire, hellhounds, phoenixes, skulls, damned souls of The Underworld, and dragons at Uighur, and they exploded with incredible power as they hit him. Then, Ed Cowart and Nabiki Tendo attacked him with their massive greatswords and they left nasty scars on him and they also drew blood.

Uighur was already getting so pissed at them, he tried to attack them with brute force, but they had attacked first and kicked him hard in the arms and broke them badly as he screamed in pain, and Ed Cowart kicked him hard in the stomach and sent him falling onto the ground. Then, the tip of one of Ed Cowart's eleven massive and long dark brown wolf tails turned into Cell's stinger and he sent it at Uighur, and as soon as the stinger stung Uighur in his chest, Ed Cowart began absorbing him and assimilating the barbarian's incredible raw power and many abilities. Then, as soon as Ed Cowart was done absorbing Uighur and Cell's stinger changed back, nothing was left of Uighur except for his arm guards, armored boots, and helmet. Then, an energy card with Uighur's soul imprisoned inside forms in Ed Cowart's large left hand, and when the Judgement Kanji appeared on his forehead, Uighur was erased by The Black Gates forever. We cheered wildly for Ed Cowart and Nabiki Tendo as they holster their massive greatswords on their backs and power down, and Nabiki Tendo's new body, clothes, weapons, jewelry, accessories, massive dark brown angel wings, Third Eye, and eleven massive and long dark brown wolf tails are permanent.

Nabiki Tendo: That'll teach you, you barbaric monster. Thanks for helping me put an end to Uighur for good, Ed.

Ed Cowart: (Smiles Warmly) You're welcome, Nabiki.

Suddenly, Nabiki Tendo went up to Ed Cowart and she wrapped her arms around Ed Cowart's more wider and more muscular back and her chest pressed against Ed Cowart's massive pecs and her stomach pressed against his eight-pack abs, and that led to him getting an atomic red blush on his face. But, Ed Cowart wrapped his abnormally massive and powerful muscular arms around Nabiki Tendo's waist and this led to her getting an atomic red blush on her face. Then, Ed Cowart leaned his face down to Cattleya's and he kissed her passionately on the lips and she returned it as her left arm was still on his more wider and more muscular back and she put her right hand on his right pec, and behind them was a dragon flying in the air followed by hellhounds from The Underworld running out in the field followed by darkness and dark fire behind them and a volcano erupting with lava coming out and mountains forming, and we cheered wildly for them. Ed Cowart and Nabiki Tendo came back to us as the display vanished.

Nico: Whoa, oh man, Ed, Nabiki, that was some awesome work you guys did.

Ed Cowart: Thanks, Nico. Plus, we got rid of another of Raoh's henchmen for good.

Lincoln: But, I didn't expect it to be Uighur, the brutal prison warden of Cassandra Prison and one of the most fearsome and barbaric villains Kenshiro has ever encountered.

Nico: Yeah, that's right, and I saw just how brutal that monster is, it was awful, and we know some villainous prison wardens who were that brutal.

Me: Let's not even mention that again, and that's some good work using Cell's absorption technique on him, Ed.

Lincoln: I'd already done that with Raoh, but on Uighur, I'd have to turn the tips of all eleven of my tails into Cell's stingers to absorb him, since he's a really big guy. But, you know what they, the bigger they are, the harder they fall.

Nico: The classic cliché that's befallen so many villains.

We returned home to The World Tree Estate, and we were rid of Uighur for good, and Ed Cowart had taken his jewel-embedded armguards, jewel-embedded armored boots, and helmet as trophies of the death of Uighur.

Later it was time for Matt's 2nd Ambassador Mission.

Me: This is gonna be awesome!

William: Anyone else want to go with Matt? Besides Silver Spooner, Cheese, Bonecrusher, and Scavenger?

Will: Me and my friends all will go and so will the guardians.

Nico: Cool cool.

Silver Spooner: This is gonna be most awesome and fun.

Me: You guys will love Ty and the Trux.

Lana: I hope Cheese annoys the crud out of one of their enemies.

Nico: Yeah! Me too! Lets go.

We went to the garage and got in our zoids and opened a portal and we were off.

---

We arrived.

Me: Here we are.

Will: Wow! This is amazing.

Matt Olsen: It gets better.

We went over.

Ty Rux: Hey guys!

Matt: Ty, meet my archenemy.

Silver Spooner: Greetings to you all. I am Silver Spooner.

Me: He is another version of Silver Surfer. (To the viewers) (Whispers) Darn shame that his episode got banned because of copyright infringement from Marvel Comics.

Matt Olsen: And this is my girlfriend Will Vandom.

Ty Rux: Awesome to meet you Will.

Will: Same here.

Me: Also these are her friends the Guardians of Candrakar.

Irma: Awesome to meet you all.

They introduced themselves.

Ty Rux: Wow it's awesome to meet you guys.

Cassidy: Same here.

Elyon: It's an honor.

Me: And this little guy is Cheese.

Cheese: I like chocolate milk.

Nico: And these two are more of the 6 Constructicons.

Bonecrusher: Bonecrusher, and Scavenger at your service.

Scavenger: Hey there/

Ty: You know, J.D., now that D-Structs isn't going to be bothering us until January, you can feel free to exit your Zoid.

Me: I know.

I jumped down.

Me: But when one of your enemies comes minus him I'll hop back in. You have many more than just D-Structs.

Ty: True.

Skya: That is true.

Ton Ton: I think it's so cool that you guys pilot Zoids.

Cheese walked up to Ty and licked him.

Ton Ton: Um… what was that?!

I grabbed Cheese.

Me: Cheese he is not food. Sorry guys you'll have to forgive Cheese. He's an idiot.

Qin: Yeah he has no brain.

Ty Rux: Oh. I see.

Lana: Yeah but he is a great tool to annoy bad guys.

Cassidy: He's funny too.

Halinor: It's true.

Garby: Splitter was spotted yesterday. But while waiting for him, wanna help us with construction?

Me: Sure.

Garby then ate some rocks.

Me: Wow you must be hungry.

Garby: (GULPS) Yeah but it also gives me… (LOUD BELCH)

Lana: Nice!

Me: Bad gas?

Garby: Yep.

LOUD FART TOOT!

The Trux gagged.

Me: P.U.! That is nasty!

Garby: Sorry.

Scavenger: That's nasty!

Garby: Can't help it.

Qin: D-Structs really must've been gagging on that.

Garby: Oh yeah. He was.

Me: Nice!

Lana: I like the smell.

We laughed.

Kadma: Lana sure does like it.

Matt Olsen: That's Lana for you.

Bonecrusher turned into vehicle mode.

Bonecrusher: Ha! The stink won't reach me in vehicle mode!

Scavenger did the same.

Scavenger: Same here.

Me: Cool. What are you guys building?

Ty Rux: We're going to try and build a modern day skyscraper like the ones you guys have and call it our base.

Me: Awesome!

Qin: That's a big job but we can do it.

Me: Me and Zarya built a huge 7,700 foot high Skyscraper over in Dubai last year. So we can do that.

Ton Ton: Awesome!

Nico: Yep.

Lana: Good thing I brought some of these.

Lana had some awesome blueprints made.

Scavenger: Me and Bonecrusher will help with that.

Bonecrusher: Yep.

I put on a construction helmet.

So did Lana and Nico.

Eli: Safety first.

Me: Yep. I got lots of helmets for all of us.

Nico: Good thinking.

I gave everyone helmets.

Me: Lets get to work.

We got to building and we made the materials and more and also we built A REPLICA OF THE TOKYO TOWER OF BABEL!

Qin: Ta da!

Bonecrusher: Isn't it beautiful?

Ty Rux: Wow!

Me: This is a replica of the Tokyo Tower of Babel. It's 33,000 feet high.

Lana: Yep.

Ty Rux: Wow!

Nico: Yep.

Matt Olsen: I think it's cool.

Me: Yep.

Silver Spooner: Now, what can you tell us about Splitter?

Ton Ton: Saw Dude is not a nice guy.

He told us all about him.

---

Splitter is a supporting antagonist in Dinotrux, beginning in Season 3. He is a Sawmetrodon.

Splitter first formed an alliance with him, Blayde, and Pounder to trap Ty's allies so that they could rule the region unopposed. They eventually escaped during a subsequent attack by D-Structs and Blayde on the Trux Garage. All four would later be swarmed by Gearwigs in a cave, which inspired them to lure Ty's group into that cave and trap them; they would succeed, but due to the efforts of the Reptool Click-Clack the Trux escaped and then drove the swarm into D-Structs' cave. Splitter and company would later ambush their enemies near an abyss, only to be driven off after the Cementasaurs Crunk and Chunk came to their aid, which allowed the Reptools to jam Splitter's blades again. A subsequent attack on the group on a bridge they had constructed was likewise thwarted as Ty's group fought as a team, rather than individuals

---

When he was done we were shocked!

Qin: Whoa!

Me: Half Dimetrodon and half chainsaw truck. Jeez!

Nico: Wow!

Laser fire was heard as the tower was blasting Scrap Creatures left and right.

Me: Nice touch we added to the tower huh. It's a laser defense array.

Lana: Added courtesy of my sister Lisa.

Ty Rux: That is amazing!

Halinor: Yeah the tower will watch over the area for you with security as tight as Fort Knox.

Nico: Oh, we won't kill him. But we WILL chop his head off and keep it in a jar.

Me: After we blast him into teeny tiny pieces.

Qin: Yep.

Nico: Yep. Are any of your enemies fit for the M.O.E.?

Ty Rux: Hmm.

He then got an idea.

Ty Rux: There's a Dreadtrux.

Me: That big giant trench digger mining guy?

Ty Rux: Yep.

Me: Wow! He is perfect.

Nico: He sure is.

Lana: Yeah.

Me: We saw giant mining machines like those on the planet Pandora. They were huge.

Nico: Yeah.

Eli: Yep. But that's a great idea.

Matt Olsen: It sure is.

Lana: He's actually a Bucket Wheel Excavator Dreadnoughtus, Nico: That makes sense.

Qin: Yeah.

Nico: Of course, I'm keeping Splitter's head in a jar in case I decide he's going into the Masters of Evil in the future.

Ton Ton: Awesome.

Qin: We'll decide on something for that.

Ty Rux: Cool.

Eli: (Senses something) I sense Splitter! He's coming.

Nico: Lets get ready.

I got into my zoid and got ready.

Me: Ty next time we'll introduce you to our friends from the planet Zi that gave us these awesome Zoids.

Ty Rux: Sure thing!

We saw a figure coming.

Nico: There he is.

Me: Sure is a crazy guy.

Eli: Yep.

We also saw that he had NUMEROUS SCRAPTORS WITH HIM!

Nico: J.D., fire.

Me: Here we go.

I fired laser blasts from my Gorgosaur and blasted him and the Scraptors all over the place and they hit them.

KRABBOOOOOOOOOMM!
KRABBBBBBOOOOOOOOOOOOMMMM!

KRABBBBBBOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOMMMMMM!

Massive fiery explosions were blasting them.

Lana: Awesome!

Nico: Wow! Just like a scene from Starcraft 2!

Cheese: Bunny! (Runs to Splitter)

Me: Cheese get back here!

Cheese went over to Splitter and annoyed the crap out of him while we blasted the Scraptors all over the place with incredible fiery force and fury.

Lana: Yeah!

Me: He's trying to overwhelm us with superior numbers. But we dealt with this before.

Eli: We sure have.

Eli fired waves of Force Lightning and electrocuted the Scraptors.

Rainbow Dash: Try this.

ZOOM!

Rainbow Dash ran and went at the Scraptors with incredible speed and smashed them all over the place.

Splitter: Will you get lost, you pest?!

Cheese: Bunny!

He licked him! YUCK!

Cheese: Bunny!

Qin: Cheese you idiot!

Silver Spooner: Let me have a shot!

He flung a bunch of Scraptors away with his spoon and flew at them and plowed through them and smashed them down.

Nico: Nice!

Will Vandom: Lets get them! Guardians Unite!

Then Will and her friends and me glowed and we went Guardian!

Will: (ENERGY SURGES) THE HEART!

Irma: (WATER SPLASHES) WATER!

Taranee: (FIRE BURNS) FIRE!

Cornelia: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIRQ

Me: (LIGHTNING STRIKES) LIGHTNING!

Elyon: (CLOCKS TICK) TIME!

Megan McCallister: (STARS SHIMMER) SPACE!

Matt Olsen: (DARKNESS SWIRLS) SHAGON OF HATRED!

Lillian: (LIGHT SHINES) LIGHT!

Nerissa: Don't leave us out!

They transformed too!

Cassidy: (WATER SPLASHES) POWER OF WATER!

Halinor: (FIRE BURNS) POWER OF FIRE!

Yan Lin: (WIND BLOWS) POWER OF AIR!

Kadma: (VINES GROW) POWER OF EARTH!

Nerissa: (ENERGY SURGES) POWER OF THE HEART!

We fired waves of elements and energy and blasted the Scraptors all over.

Qin: YEAH!

Lana: Take this!

Lana fired waves of ice and froze the Scraptors and froze them in blocks of ice.

Bonecrusher and Scavenger transformed to robot mode.

They blasted the Scraptors all over.

Cheese: Bunny! (Licks Splitter more)

Qin: Okay Cheese that's enough.

Splitter: I'm gonna saw you in half!

Nico: I don't think so.

Qin telelported and got Cheese back and then me and Eli and Nico and the group blasted him and then the blasts all hit him and blew him into millions of pieces leaving only his head.

Qin: YEAH!

Garby: And this time, I didn't have to fart.

LOUD FART TOOT!

Nico: Spoke too soon.

The rest of the Scraptors fell to pieces from that.

Qin: Nice.

* * *

We later came back.

May: Hey guys. How did it go?

Me: Really awesome! But instead of telling you we'll show you.

I showed a viewing window and it revealed everything.

May: WHOA!

Varie: That is cool!

Qin: Yep.

May: Next time, Tyler Nevarro and Max should go with you.

Nico: Good idea.

Matt Olsen: Yeah! That's awesome.

Lola: Yeah!

---

Later me and Sunset were watching TV and Sunset was feeling sick to her stomach.

Poison Ivy: You okay, Sunset?

Me: Yeah you don't look well.

Sunset Shimmer: Just a stomachache.

Then she went and threw up in a trashcan.

Me: I think I might know what this is.

I had Lady Tsunade come in and she did a scan on her.

Lady Tsunade: Well I'll be.

Sunset Shimmer: You mean!?

Nicole: I don't believe it.

Lady Tsunade: Yep you're pregnant.

Sunset Shimmer: I'm pregnant!? (EXCITED AND OVERJOYED) I'M PREGNANT! LINCOLN!

Lincoln: I know Sunset!

They hugged and were overjoyed!

We cheered for her!

Qin: We're so happy for you Sunset!

Cilan: Hopefully, you'll give birth tomorrow.

Pansage: Pansage.

Me: I have a feeling she will.

Qin: Yep.

Crankcase: You're still coming on the next mission though.

Sunset Shimmer: I know.

Me: But after that we'll go to the doctor to see what the gender of the baby is and how many babies are coming.

Applejack: We sure will.

Lola: But we're really happy for you Sunset.

Nico: Same here.

Me: Yeah.

Lady Tsunade: I am too.

Hoist: Good thing you already had your turn, huh?

Sunset Shimmer: I sure am glad that's a good thing.

Qin: Yeah.

Me: I think Rarity, Fluttershy, Starlight Glimmer, Applejack and Rainbow Dash already had babies.

Nico: I think so as well.

Me: Hmm.

I went over who had babies and who didn't and I was right.

Me: Yeah that's right. They all had babies except for Pinkie Pie and Twilight Sparkle.

Shego: Nico, which teams have you made this time?

Nico: Irma's team will include Kin Tsuchi, Bud, Akira, Misao, and Conductor. Musa's team will include Erina, Touma, Umika, Noel, and Levi.

Me: Oooh! That is cool!

Qin: Yeah it sure is!

Nico: Yep.

Me: But it's cool that the rest of the ToQGers and the Zyuohgers and the LupinRangers and Levi have a team.

Levi Romero: It sure is.

Qin: Yep.

Misao: I think it's going to be awesome.

Akira: As long as we all give villains a good place to die.

Nico: Oh you all will.

Then the previous group of M.O.E. Members came.

Leonard: Can me, Vexen, Firefly, Bane, Electro, Shiv, Webstor, Ebon, King Hiss, and Hydro Man go with you guys?

Beagle Leader: Me, Evil Ice Man, Evil Fire Man, Evil Elec Man, Buff

Frog, Nightshade, Nightstrike, Liquidator, Man Spider, Kaa, and my boys will come with too.

Nico: Yes you all can come with.

Electro: Lincoln we heard about what happened from Mercurymon. Are you alright?

Lincoln: I'm okay.

Electro: Are you sure?

Lincoln: Yeah thanks to Alizarin Bubblegum I'm now free of my pain and suffering and psychological torment.

Me: It's true.

Vexen: Man that was awful,

Me: Yeah it was.

Firefly: Yeah.

Nico: But you guys will love our next mission. We're going to the Himalayas to meet Yi and Everest.

Vexen: From the 2019 movie Abominable! Wow!

Nico: Yep. First we'll watch the movie and then we'll head out.

Vexen: Okay.

We watched the movie.

***SPOILER ALERT***

A young Yeti escapes from a compound in Shanghai owned by wealthy businessman Mr. Burnish, who intends to use him to prove the existence of yetis to the world. Meanwhile, teenager Yi lives with her mother and Nai Nai (grandmother) in an apartment building. She leads a busy life, and neglects to spend time with her family and her friends, basketball fan Peng and his tech-savvy and popular cousin Jin. Yi is also a violinist, but has not played since her father's death, as he was a violinist, too.

One evening, Yi encounters the Yeti near her cubby house on the roof of her Shanghai apartment building, and names him "Everest". While hiding him from Burnish Industries' helicopters, Yi gains his trust by feeding him Baozi and treating his wounds. Yi learns that Everest wants to reunite with his family on Mount Everest, while Everest learns about Yi's desire to travel across China - something her father had always wanted. When Burnish Industries' private security forces close in on Everest' hiding place, Everest flees with Yi. After narrowly escaping a Burnish helicopter at the Oriental Pearl Tower, Yi and Everest flee on a ship carrying red cola cans, followed by Peng and a reluctant Jin.

Yi, Everest, and the boys reach a port in southern China and travel on a truck. After their crate falls off the truck, they end up in a forest. There, Everest awes the humans with his mystical powers of stimulating growth among blueberry plants. Meanwhile, Mr. Burnish and zoologist Dr. Zara continue the hunt for Everest. Following Everest and his human friends' trail, they catch up with them in the Sichuan region, where Everest uses his power to cause a plant to grow to a gigantic size. While Yi, Everest, and Peng manage to escape on the wind-blown shoot, Jin is left behind and captured by Burnish Industries' Goon Leader.

Despite Dr. Zara's pretense of caring for animals, Jin learns that she is planning to hunt down the yeti to sell it. He also learns that the seemingly cold-hearted Mr. Burnish has a soft spot for animals, including Dr. Zara's pet albino jerboa Duchess. He manages to escape the camp, and pursues the others on foot. Meanwhile, Yi, Everest and Peng reach the Gobi Desert, where they befriend several tortoises, who gratefully accept their giant shoot. Later, they travel to a town on the banks of the Yellow River, where Burnish Industries corners them. Peng helps them escape by unleashing a yak stampede. With the help of Jin, they escape across the Yellow River to a field of yellow flowers, which Everest causes to move like waves, creating more distance from their pursuers.

Continuing their journey, which Yi realizes echoes her father's dream trip exactly, the humans and Everest eventually reach the Himalayas. While crossing a bridge, they are trapped on both sides by Burnish Industries' forces. However, Mr. Burnish experiences a change of heart after seeing Everest protecting the children, causing him to experience a flashback to his first encounter with a female yeti, which was protecting her young. Still seeking to sell Everest, Dr. Zara injects Mr. Burnish with a tranquilizer before tranquilizing Everest as well. When Yi tries to protect Everest, Dr. Zara throws her over the bridge, then departs the mountain with the captive Everest, Peng, and Jin in tow.

However, Yi manages to cling on to a rope. She then uses her violin, which Everest has magically repaired, to summon ice. This reinvigorates Everest, who breaks free of his cage. Dr. Zara attempts to kill Everest and sell his parts instead, but the avalanche she causes knocks her and the Goon Leader off the cliffside to their demise.

To protect Everest and the yetis from humanity, Mr. Burnish agrees to help Yi, Peng, and Jin keep his existence a secret. Yi, Peng, Jin, and Everest continue the journey to Mount Everest, where they reunite Everest with his family.

Returning home to Shanghai with the help of Mr. Burnish, Yi spends more time with her mother, grandmother, Peng, and Jin.

When the movie was done we were amazed and in awe! We cheered wildly when it was done.

Nico: Awesome movie!

Qin: Yeah! Love that movie!

Me: Yep and so our target is Dr. Zara.

Laney: Yeah.

Vexen: What does it say about her?

Me: Lets see.

I pulled up her info.

---

Dr. Zara is the main antagonist of DreamWorks' thirty-seventh full-length animated feature film Abominable. She is an evil poacher who wants to capture the titular Yeti named Everest.

She was voiced by Sarah Paulson, who also played Dr. Ellie Staple in Glass, Ally Mayfair-Richards, Bette and Dot Tattler, Sally McKenna, and Wilhelmina Venable in American Horror Story, Anne Gillette in Law & Order: Special Victims Unit, Diane Sherman in Run, Mildred Ratched in Ratched, and Mary Epps in 12 Years a Slave.

A young yeti escapes from a compound owned by Burnish in Shanghai, who wants to prove the Yeti's existence in the world. Yi, a Chinese girl and violinist, lives a hectic and busy life with her grandmother and widowed mother, which in turn neglects spending time with her family. She is friends with football fanatic Peng and tech savvy Jin.

One evening, Yi encounters the titular Yeti near her house on the roof of her apartment building, which she names "Everest." While hiding him from Burnish Industries' helicopters, Yi gains his trust by feeding him and treating his wounds. Yi learns that Everest wants to reunite with his family on Mount Everest while Everest learns about Yi's desire to travel across China. When Burnish Industries' private security forces closes in on Everest' hiding place, Everest flees with Yi. After narrowly escaping a Burnish helicopter at the Oriental Pearl Tower, Yi and Everest flee on a ship carrying red cola cans, followed by Peng and a reluctant Jin.

Yi, Everest, and the boys reach a port in southern China and travel on a truck. After their crate falls off the truck, they end up in a forest. There, Everest impresses the humans with his mystical powers of stimulating growth among blueberry plants.

Meanwhile, Burnish and Zara continue the hunt for Everest. Following Everest and his human friends' trail, they catch up with them in the Sichuan region but Everest uses his power to cause a plant to grow to a gigantic size. While Yi, Everest, and Peng manage to escape on the wind-blown shoot, Jin is left behind and captured by the Goon Leader.

Jin learns that she is planning to hunt down and kill the yeti for medical research. He also learns that the seemingly cold-hearted Mr Burnish has a soft spot for animals including Dr. Zara's pet jerboa. Meanwhile Yi, Everest and Peng reach the Gobi Desert where they befriend several tortoises, who gratefully accept their giant shoot. Later, they travel to a town on the banks of the Yellow River but Burnish Industries corners them. Peng helps them escape by unleashing a yak stampede. With the help of Jin, they escape across the Yellow River to a field of yellow flowers, which Everest causes to blossom to gargantuan sizes.

Continuing their journey, the humans and Everest eventually reach the Himalayas. While crossing a bridge, they are trapped on both sides by Burnish Industries' forces. However, Mr Burnish experiences a change of heart after seeing Everest protecting the children; causing him to experience a flashback to his first encounter with the yeti which was protecting its young. Seeking to exploit Everest for scientific research, Dr Zara injects Mr Burnish with a tranquilizer before tranquilizing Everest as well. When Yi tries to protect Everest, Dr Zara throws her over the bridge. Burnish Industries then departs the mountain with the captive Everest, Peng, and Jin in tow.

However, Yi manages to cling on to a rope. She then uses her violin, which Everest has magically repaired, to summon ice which reinvigorates Everest, who breaks free of his cage. Everest violently roars at Dr. Zara and her accomplices, jolting them to run away in terror. Dr. Zara, along with the Goon Leader, then flees in her snowmobile and climbs down the mountain, intent on killing Everest. Dr. Zara makes a last-ditch attempt to kill Everest, as soon as she rams the young yeti over with a snowmobile, seemingly killing him. Dr. Zara proudly thinks that she has won, and then she and the Goon Leader believe that they have accidentally hit the mountain and smashed the ice covered in it and realized her dumb mistake. At first, the ice breaks, but as it triggers an avalanche, both Dr. Zara and the Goon Leader were dragged off the mountain by the avalanche to their deaths.

---

When it was done we were shocked and horrified!

Nico: Not another one that wants to prove that Yeti's exist!

Zak Saturday: Looks like it's up to us to make sure she is stopped.

Me: That's right. Also Dr. Quest gave me this to show you guys.

I showed a journal he made a while back.

Me: I'll show it to you when we meet Yi and her family.

Nico: Okay.

Flash Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Jessie will like this one. I'm hoping to meet a gene-slammer for Arbok next.

Jessie: Ooh an Arbok next.

Qin: That will be awesome to see.

Lola: Yeah it sure will.

Lana: Cool!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye of The Buddha, the dark blue iris of Ed Cowart's Third Eye, the red iris of Clara St. Clarice's Third Eye of The Buddha, and the green iris of Nabiki Tendo's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Mayuri Kurotsuchi, the Shinigami mad scientist, and he's coming here to get revenge for what happened to Sōsuke Aizen. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know those glowing eyes from anywhere. Guys, is Mayuri Kurotsuchi coming after us?

Lincoln: You guessed it, Rayman, and he's coming here to get revenge for what happened to Sōsuke Aizen.

Me: Just what the world needs: another fucked-up mad scientist trying to play God.

Nico: And even worse, he's a Shinigami.

Rukia Kuchiki: That's right, and he's killed many souls in the service of that traitor.

Nico: Oh, this fucker's going to The Black Gates, especially after Lincoln drains him dry of his life-force.

Eli: He can do that?

Nico: Well, he has fed on the blood of Ursula Truaigheaingeal, Morrigan Aensland, and on the succubi in his harem, and in turn, he gained their abilities which he turned into the abilities of an Incubus.

Lincoln: I was about to say that, Nico, and yeah, it's true, I also now have Incubus abilities, but I've got control over those abilities, thanks to getting some training.

Me: Whew.

Nico: Yeah, and we know of the powers that Incubi and Succubi demons have, so luckily, you've used those abilities when you absolutely need it, but the life-force absorption, that's only used on villains who are truly worthy of death.

Alina Lion: And that'll be for after Linky and I pulverize him into the dirt.

Nico: Oh yeah, that's right. Alright, gang, let's bundle up, we're heading to the Himalayas to help Yi and her yeti friend, Everest, get back to Everest's home.

Lincoln: And send that monster doctor, Dr. Zara, to her doom and stop her from proving the existence of yetis, and once we get through with that monster, you're next, Mayuri Kurotsuchi.

Liquidator: Let's get going!

Hydro Man: I hope I don't freeze there.

Me: You won't.

We got our fur Parkas on and we were off to The Himalayas.

## SHANGHAI, CHINA

We arrived in Shanghai, China.

Me: Here we are.

Qin: Wow! Beautiful as always.

Me: It's beautiful. Good thing we have our parkas on.

We arrived at Yi's Apartment Building.

Nico: Wow nice place.

We then heard a violin and we saw Yi and she grew beautiful berry plants with it from just a beautiful song.

Me: Whoa!

Qin: Amazing!

Yi: (Gasp) Wow! Team Loud Phoenix Storm it's an honor!

Me: You too Yi.

Nico: Wow! How did you do that?

Yi: My violin is magic.

Toad Man: It's a good thing I'm cold blooded.

Yi: It sure is.

Me: But that was incredible how you made these plants and fruits grow huge like this.

Yi: This violin has been in my family for years. My dad played it for me every night. And ever since I helped bring Everest back to his family in the Himalayas I feel like he is part of me.

Nico: That is amazing.

Me: Yeah. You have made a friend among the Yeti's.

Qin: You sure have.

Yi: My dad always told me that no matter how hard the journey gets, never give up.

Me: That is very powerful words of wisdom.

Then we heard a roar and out came the Abominable Snowman of Pasadena and he hugged William!

Electro: Is that the Abominable Snowman of Pasadena?!

Evil Elec Man: Buddy, not that it isn't good to see you. But what are you doing here?!

Nico: I think he's happy to see us.

Yi: That is so cool you know another Yeti.

Me: Yeah we have had lots of encounters.

Yi: Then I take it you must've heard that Dr. Zara is back somehow. She had a crazy dark sphere in her hand.

We gasped!

Me: She has a dark orb in her.

Qin: Not good!

Lola: Yeah!

Yi: Oh man.

Me: Then she must be heading towards Mount Everest to get back at you.

Qin: Yeah.

Yi: Then we got to stop her.

Troy Burrows: Good thing I came prepared.

He summoned the Skyzord Ship and we got on board and we were off to Mount Everest.

Roxas: It makes sense since the Abominable Snowman almost resembles a Yeti.

Nico: It sure does.

Me: Yep. And here's what Dr. Quest learned all about the Yeti's when they nursed him back to health. It's all right here.

I showed the journal he made.

Me: He had a chance to study everything about their culture and found out more about them. As they were nursing Dr. Quest back to health after he was buried alive in a freak avalanche he learned that the yetis had a series of communities in caves throughout all of the Khumbu and Kathmandu regions and he studied their cultures. Their pictograph language and society and writing were amazing. They are all actually the Descendants of Neanderthal Man from over 40,000 years ago.

Girl Jordan: That is incredible!

Nico: Wow!

Yi: That is amazing!

Nico: It sure is. Wow.

Eli: Ever since the first Yeti's were thought to have been sighted in

1832 the people of Nepal all thought they were monsters. But instead no one knew they were a highly evolved sapient culture more evolved than Modern Man.

Zak Saturday: That's right.

Laney: Amazing.

Qin: Yeah. People have been trying to prove their existence for almost 200 years since then.

Yi: Wow. But after what happened with how I brought Everest back home, Mr. Burnish vowed to protect the Yeti's from Humanity to make sure that they are safe and cannot be proven.

Me: That's good he changed his ways.

Qin: Yeah. Also Dr. Quest vowed to do the same thing.

Bane: (Spanish Accent) Does Everest know what's going on?

Buff Frog: If he doesn't, we need to pick up the pace!

Nico: We better hurry then.

Guts Man: I hope Lana hits that bad doctor with a blizzard blast.

Lana: Oh you bet I will!

Me: She already died the first time so we'll send her to prison this time.

Lola: In a block of ice.

Me: Yi can you play a song for us on your violin?

Yi: Sure.

Yi got her violin out and she played Silk Road by Kitaro and she made blueberry plants grow into huge and massive trees with blueberries 6 times their size.

Nico: WHOA!

Qin: WOW!

Lola: Amazing!

Firefly: That was actually beautiful.

Evil Fire Man: Don't worry about me. I'm immune to the cold.

Me: It sure is awesome.

Hiita: Wow! Yi you are really gifted.

Brittney: I think it's amazing that you have this kind of power.

Luz: It sure is.

Amity Blight: I think so too.

Jared tried a bunch of blueberries.

Jared: (Eating Blueberries) MMM! Blueberries as big as grapefruits. Still have their same flavor but they are just as delicious and awesome.

We ate some and they were awesome.

Nico: I think it's awesome too.

Breach: You know I can open a portal to Everest's location, right?

Me: I know. But it's cool to take the scenic route.

Yi: Besides, seeing the Himalayas from up here is amazing.

Lola: They are beautiful.

Qin: The Himalayas are always so beautiful from this height.

Yi: Yeah.

Me: But Yi you are really lucky to have met a Yeti like Everest.

Qin: You sure are.

Yi: Thanks guys. But I had to do what I can to help him out.

Me: And that shows how pure your heart is.

Yi: Thanks.

Ebon: Guess that answers the question of me opening a portal as well.

Nightshade: But J.D. DOES have a point.

Nico: That's right. Who would want to waste the opportunity to see one of the most beautiful sights in the world?

Lola: That's right. The Himalayas are beautiful.

Me: Yep. The tallest mountain range in the world.

Eli: And we're here.

We arrived at the Khumbu and Kathmandu Regions of Nepal **N P**.

Qin: Wow!

Yi: Beautiful.

Me: Welcome to the Khumbu and Kathmandu regions.

Camie: It's so beautiful.

Lola: It sure is.

Varie: Yeah.

Me: Scans show that Everest is located in a cave right in the middle of Changtse.

Qin: Beautiful mountain.

Lola: Yeah.

Me: And located right next door to Mount Everest.

Nico: The air is going to be really thin up there.

Camie: Yep. But if we can breathe in space we can breathe up there too.

Yi: I don't have powers like you guys do at your level. So you're going to have to help me out.

Qin: Sure thing.

We landed and got out and went to Everest's cave.

Me: Is this it?

Yi: Yep. (Shivering) So cold.

I put a parka on her.

Yi: Thanks.

Stewie: Everest? You there? Listen, buddy, you're in serious danger right now!

Everest came out and he was happy to see Yi!

Yi: Everest!

Everest grunted and was happy.

Fluttershy: Oh he is so happy to see you Yi.

Vexen: Don't worry about me and Evil Ice Man.

Evil Ice Man: The two of us fit in well in cold temperatures.

Me: You sure do.

Yi: Everest you are in terrible danger.

Fluttershy: Dr. Zara is coming for you again.

Everest was shocked.

Fluttershy: But we're not going to let that mean woman get you.

Everest was happy that we were going to protect him.

Soundwave: Everest superior. Zara inferior.

Nico: Yes he is. Also Everest is really cool.

Me: Yeah he sure is.

Then my Dark Orb Radar went off. It showed that there was a Dark Orb moving slowly towards us and it was 50 klicks southwest.

Me: There she is. 50 klicks southwest.

Webstor: What do you guys wanna do while waiting?

Man Spider: How about we discuss Sunset's baby?

Me: First let me get a fire going.

I did so as it was really cold and I made some soup and tea for us.

Me: Ahh.

Nico: Warm and perfect.

Qin: Thanks.

Me: Anytime.

Yi: But it's still beautiful.

Lola: Yep.

Sunset Shimmer: We can have my baby shower over at Canterlot High.

Qin: Good idea. And we can invite everyone from both Crystal Prep and Canterlot High.

Laney: Good idea.

Shadow: I hope everyone at Canterlot High has recovered from yesterday. Especially after Lincoln's… outburst.

Princess Celestia: Don't worry I talking it over with my Human World self and she and the others have. They know all about what happened.

Me: Good. I'm glad.

Qin: Me too.

Yi: Man it's cold. What's the temperature?

Me: It says it's -35˚Fahrenheit.

Nico: Cold. What does it usually get on top of Mount Everest.

Me: It usually gets down to -76˚Fahrenheit.

Kate Lloyd: Bone-chilling.

Qin: Yeah.

Yi: But at least we'll be warm.

Nico: Yep. After this mission we're taking Sunset to the doctor to see what the baby's gender is and how many babies she is expecting.

Yi: How do you girls have your human world and Equestria memories.

Shiv: Long story short, their pony and human counterparts can merge together whenever they want.

Nightstrike: Especially on missions.

Me: Yep.

Yi: That is cool!

Qin: It sure is.

Me: Yeah we had tons and tons of awesome amazing adventures with Twilight and friends.

Lincoln: And those were some of the most amazing and most fun adventures ever.

Alizarin Bubblegum: They sure are.

Yi: Wow.

Paragus: I sense she's close. Entrance time!

Eli: Lets do it.

We went into Everest's cave.

Then DR. ZARA came and she was a mess and had a Dark Orb imbedded in her left hand and she was infuriated!

Dr. Zara: (GROWLS) That Yeti is mine!

Then the spirits of the Loud Kids and the elements came and swirled around her and then they converged and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above her and then a phoenix cry was heard and we came out.

Me: Dr. Zara you are under arrest!

Qin: No one is getting to the yetis on our watch!

King Hiss: Only way to Everest is through us!

Kaa: Look into my eyes.

She looked into his eyes as he was hypnotizing her. She was then in a daze.

Me: Whoa.

Camie: I thought snakes hypnotizing their prey was just a myth.

Me: That was my first reaction too. Now it's really true.

Then Vypra, Dark Spicer, Number 7, Vanitas, Zs'Skayr, Lord Drakkon, Calamitous, Waffle Woman, Myotismon, Cargill, May Kanker, MODOK, Dark Phoenix, Cuppa Joe, Sentinel Prime, Zen Aku, Albedo, Phantom of Vasquez Castle, Evil Shade Man, and Steelbeak appeared.

Nico: Vypra, Dark Spicer, Number 7, Vanitas, Zs'Skayr, Lord Drakkon, Calamitous, Waffle Woman, Myotismon, Cargill, May Kanker, MODOK, Dark Phoenix, Cuppa Joe, Sentinel Prime, Zen Aku, Albedo, Phantom of Vasquez Castle, Evil Shade Man, and Steelbeak.

Me: Cold outside huh?

Dark Spicer: I'll say.

Vypra: I didn't expect the Abominable Snowman of Pasadena to be here!

Vanitas: Me neither. But I'm not complaining.

Me: Yeah me neither.

Waffle Woman: (to Nico) Nice job destroying Zalost.

Nico: Thanks

Number 7: His death was inevitable.

Me: After all the shit he pulled he had it coming.

Dark Spicer: (To Eli) Here's your warning: Your ass is about to be kicked!

Eli: Bring it on Mommy's Boy!

Blammo then appeared for another roung.

Me: Back for another round Blammo?

Blammo: Yep.

Me: Cool.

Blammo: One of these days, you guys should meet Sheriff Skyfire.

Nico: That would be awesome to meet him.

Qin: Yep.

Dark turned into Hotburn.

Leo Corbett: Hotburn again?

Hotburn: What can I say? He's one of my favorites. (Throws fireball at Leo)

I caught the Fireball and blasted him back with it.

Dark Spicer: And here's a new one.

He turned into a Whale Creature that had spikes all over it and it was purple.

Killer Orcus: I call this one… Killer Orcus

Gali: That's indeed a new one!

Shanan: Wow! That's an Occiscetus from the planet Piscciss.

Nico: Wow!

Shanan: That's another one of the natural predators of the Piscciss Volans.

Qin: Wow!

Me: But this is a cool one.

Killer Orcus: You're telling me. (charges at Gali)

Nico grabbed him and threw him down.

We got the battles underway.

## Luan Loud, Princess Celestia, King Solar, Solar Eclipsa, Amber Morning, Light Skylanders, Lightspeed Rescue Rangers, William Dunbar and Shego VS Vypra - Nico's rescue on Venus and Battling Dr. Zalost and Alizarin Bubblegum transforming

---

Vypra was first.

Vypra: (to Luan) Nico's rescue involved Battling Dr. Zalost on Venus. And Alizarin Bubblegum transforming as well.

Luan: Yeah that was a really crazy rescue and we found out that Lincoln's abuse and the hands of me and my sisters as well as his enemies ran much deeper than we first thought.

Princess Celestia: It was awful. The emotional and psychological trauma he had to face at the hands of Lori, Luan, Lynn, Lola and Lisa and all of the Loud's enemies over the years was beyond all forms of horror and and imagination.

King Solar: Lincoln's abuse REALLY was terrible. J.D. said that over the course of the 6 and a half years that he has known Lincoln, we all had no idea it was that bad.

Solar Eclipsa: Yeah no kidding. And the revelations brought on by Lincoln's Guardian Angels shows how horrible it all really was over the years.

Amber Morning: We were horrified hearing all this.

Spotlight: Yeah no kidding there.

Vypra: That is awful! And after all this time he is cured and free?

Carter: Yeah he sure is. We were really horrified that all this happened to him.

Luan: Lincoln had to endure a lot of emotional, psychological and physical abuse from us over the years and now after seeing how bad he was at our hands we feel awful about it. We had no idea it was that bad.

Vypra: Oh man. Poor kid. That's just awful that he went through all that.

Princess Celestia: It was. And the Jerktonium Incident opened up Lincoln and he told us what happened and Alizarin Bubblegum purified him. As well as transformed against him.

Vypra: Wow! She is a hero to him. Can you tell me what happened?

Luan: I'll do my best.

She told her everything.

---

Lincoln: Alizarin Bubblegum, I…

Alizarin Bubblegum didn't give Lincoln a chance to speak anymore as she wrapped her arms around his wider and muscular back and hugged him tightly, and he wrapped his abnormally massive and powerful muscular arms around her.

Alizarin Bubblegum: I already accepted your apology from what happened yesterday, and I overheard Nico and J.D.'s telepathic conversation before we confronted Zalost, Lincoln. You need to let go of the psychological and emotional scars that you still carry with you.

Her words really did ring true, and then, Lincoln broke down and cried, but she was still there and she was still hugging him and so were all of us, as we also joined.

Dr. Zalost: Oh, BLECH!

Spiderman fired a web blast and webbed Zalost's mouth shut and webbed him to a crater.

Me: You shut up Zalost!

Lincoln: (Crying) I need help.

Alizarin Bubblegum: I know, and it's time to give you the help you need to let go of the past scars you have and put those nightmares to rest forever.

Alizarin Bubblegum drew a kanji on Lincoln's massive right pec: it was the kanji for Purify 清, and then, we saw the rainbow iris of Lincoln's Third Eye glowing, and it shot a dark purple beam into the air, and when it landed, it took shape and it took the shape of Lincoln when he was 11-years-old, but he was covered head, body, and toe in a myriad of scars, and his eyes were empty and dead. When we saw him, we were horrified.

Me: (Gasps) Oh my God.

Nico: (Horrified and Tears Forming) My God!

Me: What in the 9 Fucking levels of hell is that!?

Rita Loud, Laney, Leni, Lana, Lola, Lisa, and Lily: So, you're…?!

Mentally and Emotionally Scarred Lincoln: Yes. I'm the very manifestation of the psychological and emotional scars Lincoln has gotten, because of all the agony, pain, and suffering that Lori, Lynn, Lola, Lisa, Luan, Chandler and his goons, Scoots, Flip, Lewis Travolta, Pablo, and Anderson had subjected him to over the years, and over time, the scars have gotten deeper and more painful because of the escalating cruelty from them.

Me: It was because of the revelations that we'd heard from the many Guardian Angels that Lincoln knows and that more and more of Lincoln's past is coming to light, and many of them are dark and bloody.

Nico: Lincoln…

Eli: We had no idea!

Varie: This is horrible!

Nico then went up to Lincoln and he hugged him tightly.

Nico: I knew that the revelations that we heard about what you went through were dark and bloody, Lincoln, but this… you have a lot more deeper emotional and psychological scars than I did when I accidentally killed Ken. What you went through… , all the agony, pain, and suffering Lori, Lynn, Lola, Lisa, Luan, Chandler and his goons, Scoots, Flip, Lewis Travolta, Pablo, and Anderson had subjected you to over the years, that was awful enough, but over time, the scars have gotten deeper and more painful because of escalating cruelty from them.

Me: I had no idea that it ran this deep. In all the six and a half years that I have known Lincoln and of all the stuff Lincoln went through this is by far the worst ever.

Lincoln: (Voice Breaking) Nico…

Nico: You really are just like me, Lincoln: you've done your hardest to hide those scars from the past, but they'd kept on getting deeper and deeper, and you kept on getting subjected to this kind of evil, no one deserved that kind of treatment, not those who are kind, caring, selfless and placed all of the wants and needs of those around them above his own.

Lincoln broke down and cried again and he hugged Nico, and this caused Mentally and Emotionally Scarred Lincoln to run up to Nico and hug his right leg as he cried really hard, this was really and truly heartbreaking, we saw for ourselves the manifestation of Lincoln's deep psychological and emotional scars, and we just went over and hugged him.

Lola: We're so sorry for everything that we put you through, Linky, and we really really mean it this time.

Lisa: No words could ever heal such deep scars we gave you over the years, but can we let this be a start?

Suddenly, we saw something form on Mentally and Emotionally Scarred Lincoln's face: a genuine and pure smile, and we saw the multitude of scars on him starting to fade away: he was purified for good, as he embraced Lola and Lisa, and they too hugged him back, and he had happy tears on his face.

Purified Lincoln: Yes, this is a start.

Suddenly, we started to see him fade away.

Purified Lincoln: What you guys have done, I'll remember you all for eternity. (Fades Away) Thank you all.

FLASHBACK ENDS

When she was done Vypra was shocked and horrified.

Vypra: Oh my god. Poor guy.

Shego: Yeah everyone on the team was horrified.

William: Yeah. We had no idea Lincoln went through so much.

Vypra: Poor Lincoln. I hope he gets better. Lets do it!

Luan used the Light Light Devil Fruit Lockseed and she got a powerful light sword and Luan read a verse from her Wonder Ride Book and she fired waves of rainbow light beams from the heavens and they hit Vypra and smashed her all over and they fired waves of light and smashed her down.

---

Eddy, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Omi, Raimundo, Clay, Kimiko, Star Man and Flash Man VS Dark Spicer - Battling Another Draco Undead Zodiarts and Another Mercurymon

---

Dark Spicer was next.

Dark Spicer: (to Eddy) Nico, Davis' team, Mercurymon's team, and the others did good Battling Another Draco Undead Zodiarts. And Another Mercurymon as well.

Eddy: Yeah that was really awesome!

Pinkie Pie: It was amazing battling them and on the planet Venus too.

Maud Pie: (monotonously) Yeah that was really something and fun.

Featherweight: I agree there too.

Sprocket: I think it's awesome we battled them there.

Omi: (Tibetan Accent) It was really awesome battling them there.

Raimundo: I agree there too.

Clay: Yeah no kidding there.

Kimiko: It sure was.

Dark Spicer: Glad you guys had fun too. Lets do it!

Eddy used the Mango Lockseed and got a Mango Mace Club and he read a verse and had jawbreakers rain down and they hit Dark and smashed his face all over the place and they fired waves of energy, metal, gears and lightning and smashed him down.

## Spiderman, Starlight Glimmer, Cozy Glow, Undead Skylanders, Sora, Kairi, Riku, Bounce Man and Toad Man VS Vanitas - Lincoln's Rescue

Vanitas was next.

Vanitas: (to Spiderman) I heard Lincoln's rescue was in the Dark World. Is he okay now?

Spiderman: He's getting better slowly. What happened to him was just absolutely terrible.

Starlight Glimmer: Poor Linky went through a nightmare.

Cozy Glow: Boy that was worse than anything we had seen.

Hex: Yeah that was awful.

Sora: Lincoln had to endure years of horrible abuse from his mean sisters and enemies.

Kairi: I can't believe that those dark sides of some of them would make them so evil and cruel!

Riku: No kidding there! What they did defied all forms of logic.

Vanitas: Yeah no kidding!

Spiderman: Also yes his rescue was in Dark World and Clara got a powerful broadsword called The Demonic Darkness Greatsword of Colorless, Chaos King of Dark World and also we took down Hellmaster Fibrizo.

Vanitas: Wow! That is cool! Lets do it!

Spiderman used the Black Cherry Lockseed and it formed into the Cherry Mace! Then he read a verse from his Wonder Ride Book and the song of the Spider Queen was heard and he had them wrap Vanitas in a web and they fired waves of skulls, lightning, bones, magic, stars and energy and smashed him down.

## Tara "Terra" Logan, Beast Boy, Applejack, Apple Bloom, Earth Skylanders, Robin, Cyborg, Raven, Starfire, Roxas and Aeleus VS Waffle Woman - Meeting a Fusion Gene-slammer for Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger

---

Waffle Woman was next.

Waffle Woman: (to Tara) I heard you guys met a Fusion Gene-slammer for Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger. What's her name?

Tara: Her name is Emily Lane and she is a really awesome guardian angel for Lincoln.

Beast Boy: She sure is.

Applejack: It's amazing that she defended Lincoln like she did.

Apple Bloom: And her story is really something.

---

Emily Lane: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Emily, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emily Lane: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Emily, what's the story on why you hated Luan with a blazing passion?

Emily Lane: That's something I'd never forget. One day, Lincoln and I were heading home from the gym after a two-hour work-out, but then, I had a bad feeling that Luan was going to do something so bad to Lincoln, he could die a horrible death. We went to The Loud

House, and I saw that Luan had a ton of traps set up in The Loud House and she even rigged the front door, and she was cackling like a sadistic lunatic. I was really pissed off, so I immediately kicked the front door in, and it set off all of Luan's traps, but we didn't enter the house. Luan ran downstairs to see, but all her traps were ruined and I was standing in the doorway and I was pissed, and so was Luan, she was furious that her traps were failures and that we weren't dead, but at this point, I've had enough, so I grabbed Luan by her ponytail and was dragging her outside, and she screamed in horror and tried to beg Lincoln to save her, but Mr. and Mrs. Loud didn't want to intervene, she brought it on herself, and the door closed. A few hours later, Luan was left hanging upside with her panties tied to a tree limb and with a shame sign hanging around her neck, and I got the picture saved, take a look.

Emily Lane got out her phone, and Nico comes to look.

Nico: Mm-hmm. And what are we looking at? (Sees the photo of Luan hanging upside down from a tree limb tied to her panties and with a shame sign hanging around her neck) MAMA, NO!

Me: What, it can't be. (Sees the photo) JUMPING BEANS ON A TRAMPOLINE!

And when everyone else saw it, they gasped in shock and they really reacted.

Maria Rockell: MAMA, NO! OH, THAT WAS TOO HARSH! Damn, Lincoln, I know your Guardian Angels were capable of beating up the five mean sisters and the bullies at school, but Emily Lane sure does know how to deliver one nasty message.

Lincoln: Luan wasn't the only one to get that kind of punishment, she's done that to Lori, Lynn, and Lola.

Lynn: I almost had my jockstrap wedged far up my butt that day 'cause of you, Emily!

Lori: And they gave her a brutal nickname and it was spread far and wide, they called her "The Topaz Underwear Shame Hanger", 'cause if anyone dared to hurt Lincoln, she would drag you away and you would be left hanging upside down by your underwear wrapped around a tree limb and with the Shame sign hung around your neck.

Nico: I've seen many of my old friends do really humiliating things to bullies, but this. (Realizes) Hey, wait a sec, now I know why that nickname is so familiar, I remembered J.D. telling me a story of how Chandler tried to kill Lincoln, but he was then found hanging upside down by his underwear that was tied to the flagpole and he had the Shame Sign hung around his neck, and when everyone saw it, they busted out laughing hysterically, that was you?

Emily Lane: (Smirks) That's right.

Me: Yeah, I saw how that happened, and it was brutal, but Chandler had it coming.

Lincoln: Yep.

Eli: Yikes, now that's what I call brutal and nasty! Nice one.

FLASHBACK ENDS

Waffle Woman: Holy mackerel! I didn't know that Emily made quite a name for herself! She really knows how to dish out some nasty humiliation.

Rukia Kuchiki: I always knew you would show your face here one of these days, Mayuri Kurotsuchi.

Mayuri Kurotsuchi: You fools will all pay for what you did to Lord Aizen, and none of you will ever leave this place alive.

Alina Lion: The only one who's not leaving her alive is you, you mad Shinigami.

Suddenly, Alina Lion's golden yellow eyes turned neon golden yellow and she was surrounded by a golden yellow energy aura with lights, arrows, angels, and elves, she unholstered her massive Lars Lion-themed greatsword from her back, and as she approached Mayuri Kurotsuchi, she left golden yellow, lights, arrows, angels, and elves with every step.

Alina Lion: You really make me sick, Mayuri Kurotsuchi, it's as if what you've done in antagonizing The Soul Society and mankind wasn't bad enough, but what you've done in experimenting on innocent people and helping that manipulative Shinigami, Sōsuke Aizen, can never be forgiven, and you deserve nothing more than to die a bloody and painful death for everything you've done, you mad Shinigami.

Suddenly, Alina Lion was surrounded by a massive vortex of golden yellow energy with lights and arrows flying around the vortex, there are angels, elves, and the Legendary Haos Bakugan, Lars Lion, flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Alina Lion emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Alina Lion grew from 6'5" to 7'4" in height, she has the body of a goddess, she has white highlights in the bangs of her long flowing golden yellow hair, she has neon golden yellow eyes and a golden yellow energy aura with lights, arrows, angels, and elves surrounding her, she has the Haos symbol in the hands of Lars Lion emblazoned on her forehead and Third Eye with golden yellow iris, she has on angel earrings with golden yellow gems for eyes and holding the Light and Eternity Kanjis in its hands, she also has Lars Lion with crimson red gems for eyes and holding the Light and Eternity Kanjis in his hands on the bottom of her golden yellow angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with golden yellow crystal links from her merged Crystal Necklace of the Buddha and golden yellow gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Alina Lion felt a sharp pain on her back, and then, her massive golden yellow wings with white tips on the large golden yellow feathers grew much bigger for her new body, and she also now has eleven massive and long crimson golden yellow wolf tails, she has on a Ring of The Phoenix with golden yellow gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Alina Lion's massive Lars Lion-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by golden yellow, lights, arrows, angels, and elves, and when it emerged, it was transformed into Lars Lion's Celestial Light Archangel Greatsword of Haos Angel Lightstorm Justice, it's a brand-new massive greatsword with embedded golden yellow gems and the Legendary Haos Soldier and Wisest of The Legendary Soldiers of Vestroia, Lars Lion etched on the 7'0" massive, wide, double-edged silver blade, large golden yellow angel heads for the crossguard, large white gem embedded in the rainguard, longer midnight black handle, four large golden angel heads and a large white gem below the golden yellow angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with golden yellow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Lars Lion's head with golden yellow gems for eyes and a large white gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Alina Lion has transformed into SUPER ANGEL-ARCHANGEL-HARMONY CELESTIAL ETERNAL XELNAGA CELESTIAL ARCHANGEL HAOS BAKUGAN GOLDEN CELESTIAL LIGHTSTORM ANGEL OF DIVINE CELESTIAL HAOS LIGHTSTORM JUSTICE AND DIVINE HAOS LIGHTSTORM ANGEL LOVE!

We were amazed by Alina Lion's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Mayuri Kurotsuchi saw it, he rushed at her to kill her, but Alina Lion fired a powerful golden yellow energy blast with with lights, arrows, angels, and elves at Mayuri Kurotsuchi, and sent him flying into a snow-covered mountain, he got out and now he was furious.

Runo Misaki: Incredible, Alina's transformed.

Lincoln: Yep, she's the next of the Legendary Bakugan Gene-Slammers to transform, and now, we're going to make sure that he suffers the Judgement of Heaven for what he's done, and Alina, you look beautiful. How do you feel?

Alina Lion: (Divine Echoing Cosmic Voice of The Celestial Haos Lightstorm Holy Archangel and Divine Celestial Haos Lightstorm Love) I feel incredible, Linky. Now, shall we deal with Mayuri Kurotsuchi once and for all?

Lincoln: (Smiles) With pleasure, Alina.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Alina Lion.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of antagonizing The Soul Society and the world are over, Mayuri Kurotsuchi, and now, it's time for you to die.

Alina Lion and Lincoln went after Mayuri Kurotsuchi, who unsheathed his sword and tried to attack them, but they blocked every last one of his attacks, and they fired extremely powerful blasts of rainbow energy, golden yellow energy, gold light arrows, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Mayuri Kurotsuchi, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was really getting Mayuri Kurotsuchi really pissed off, but Alina Lion and Lincoln were just getting started. Lincoln formed a binding circle of light below Mayuri Kurotsuchi's feet and he was bound to the floor with celestial light chains, and he couldn't escape, and then, Lincoln and Alina Lion had massive beams of light forming in their hands.

Lincoln and Alina Lion: Face the Judgement of Heaven, Mayuri Kurotsuchi. SAGITTARIUS CELESTIAL HEAVENLY LIGHT ARROW STORM!

Lincoln and Alina Lion fired beams of light into the air and they transformed into a massive shower of light arrows, and then, they rained down from the Heavens and they hit Mayuri Kurotsuchi and he was hit and riddled with arrows.

Nico: Whoa, now that's what I call an awesome heavenly combo.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Alina Lion, her hand-cannon Blaster is known as Lars Lion's Haos Archangel Lightstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's white with lights and arrows on the blaster with a Phoenix, Angel, and Lars Lion and the Haos Symbol surrounded by lights etched on the sides, and a golden yellow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Alina Lion fired blasts of rainbow energy, golden yellow energy, and elemental forces at Mayuri Kurotsuchi and as they hit him, they exploded with incredible power, and Lincoln drained him completely dry of his life-force, killing him. Then, as they holstered their hand-cannon Blasters, Mayuri Kurotsuchi's spirit appeared, and Lincoln fired a black Negative Karma Ball with the Judgement Kanji in it and it hits Mayuri Kurotsuchi's spirit, and he was sent to The Black Gates forever. We cheered wildly for what Alina Lion and Lincoln did to Mayuri Kurotsuchi as they holstered their massive greatswords on their backs and powered down, and Alina Lion's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, and massive golden yellow angel wings are permanent.

Alina Lion: That's the end for you, you mad scientist Shinigami. Thanks for helping me destroy Mayuri Kurotsuchi, Linky.

Lincoln: (Smiles Warmly) You're welcome, Alina.

Suddenly, Alina Lion wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alina Lion's face, they kissed passionately as Alina Lion's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Archangel, and Lars Lion flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and heavenly lights shining down on them and we cheered wildly. Lincoln and Alina Lion came back to us as the display and Lars Lion vanished.

Runo Misaki: Wow, Lincoln, Alina, what you guys did to Mayuri Kurotsuchi, that was incredible.

Nico: It sure was, Runo. Plus, that combo they used, it's like a very powerful version of Lars Lion's Sagittarius Arrow, but combined with the lights of Heaven, and it's a deadly weapon to a Shinigami like Mayuri Kurotsuchi.

Lincoln: And you're going to see more combo attacks like that in the days to come, Nico.

Lori: And you know who's next tomorrow, right, Linky?

Lincoln: Oh yeah, Sophia "Emerald Tortoise" Kennedy, Fusion Gene-Slammer of Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise, and Day 2 of The Dark World Treasure Hunt.

Lord Drakkon: Zara's going to jail for a very long time.

Calamitous: Of course she is.

Hannah Cheddar: I'm going to love it here with you guys.

Waffle Woman: You won't regret it

Myotismon: As long as Nico gets to eat your cheese.

Cargill: How do you celebrate around here?

Yi: I'll take you guys to a noodle restaurant.

Me: Awesome.

Nico: Yep. But great job today everyone.

Yi: (To the viewers) This was a cold time for us too. But it was fun.

Me: It sure was.

Nico: Yep.

We went to a restaurant and we had great Chinese Hot Pots and Noodles and they were good and we later went back home and enjoyed the rest of the day and went to sleep.

At Canterlot High School, which was all decked out for Sunset Shimmer's Baby Shower was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Lincoln, Leni, Laney,

Lana, Lola, Lisa and Lily along with Irma's group with Irma Lair, Kin Tsuchi, Bud, Akira, Misao And Conductor and Demyx's group with Demyx, Bell Org, Water Core, Jinx, Good Crocker and Salvo The Slime and we were having a great time. I was dressed in my Special Occasion clothes for it. We went to the doctors office after we got back from our mission with Yi and found out that Sunset was pregnant with 6 baby d her belly was big. Wow. She was in a hover chair to help her get around because she was really heavy.

Me: Boy Sunset this is so awesome.

Sunset Shimmer: I know guys thank you so much for having my baby shower here at Canterlot High School.

Me: First time ever they had a baby shower here.

Principal Celestia: It sure is and we all are so happy for you Sunset.

Sunset Shimmer: Thanks Principal Celestia.

Twilight Sparkle: And we're so excited for you Sunset.

Sunset Shimmer: I am so excited for this.

Me: We all are.

Lincoln: Me too Sunset.

Alizarin Bubblegum: But I'm so happy for you Sunset.

Xenia: We all are Alizarin.

Irma: Same here Sunset. And it's so awesome that you will be a great mother.

Sunset Shimmer: It sure is Irma. I already have Phoenix Shimmer.

Qin: She has been jumping up and down with excitement ever since she found out that she was getting new little sisters.

Xenia: Boy just like Flurry Heart was when she found out about her new sisters.

We laughed.

Nico: Irma, I want to thank you, Demyx, and your teams for coming with me.

Irma: Anytime Nico. And it's gonna be awesome helping out on this one.

Camie: It sure is gonna be awesome.

Nico: Kin, what do you like to do outside of missions?

Kin: Oh I just like experimenting with new bell techniques.

Qin: I like bells too. They are so beautiful.

Me: They sure are. Especially the bells of Notre Dame Cathedral in Paris.

Lola: That's true.

Kin: Those are my favorites too.

Indigo Zap: It sure is amazing that Notre Dame Cathedral has all that history.

Eli: I think it's awesome too.

Me: It sure is. Marinette loves visiting Notre Dame Cathedral because it's home to the statue of her idol Joan of Arc.

Indigo Zap: Wow.

Chloe Bourgeois: Marinette admired her even before her Ladybug days.

Me: That's right.

Sunset Shimmer: And it's amazing that she idolizes Joan.

Me: Yeah and it's so amazing she fought in one of the longest wars in the entire history of humanity, the Hundred Years War.

Eli: Wow. That is amazing.

Hailey Helios: That war was terrible.

Lola: It sure was.

Me: Yeah for 116 years from 1337 to 1453 the Hundred Years War was all about who would get control of the throne of France.

Principal Celestia: That's right.

Me: Yeah. Bur we're so happy for Marinette to have a hero like Joan of Arc.

Kin: I am happy for her too.

Bell Org: We all are Kin.

Bud: But it's an honor to be part of Irma's team.

Misao: Same here. I hope I don't mess up.

Me: Misao you won't mess up. You are a great ranger.

Nico: Yeah Misao.

Misao: Thanks guys.

Me: But Yesterday's mission was awesome too. Yi and Everest are both amazing.

Movie Stine: Didn't expect the Abominable Snowman to give us a hand.

Me: None of us all didn't expect it.

Hannah Fairchild: No kidding there.

Qin: Yeah that was cool.

Me: Not only that but Yi's violin is so amazing.

Tsuyu: It sure is. It's amazing that she has all sorts of powers with it.

Toru: It sure is. I think it's amazing too. But what was really amazing was what we found out about the Yetis.

Nico: That was all really awesome.

Me: That mission was really cool.

YI: And it was an awesome honor to help you all out.

Me: You did a great job too Yi.

Sugarcoat: We're really proud of you too.

Yi: Thanks guys. It was awesome.

Lola: Yeah that was a great mission.

Maria: Honestly, unless provoked, the Abominable Snowman's harmless

Nico: That's true.

Qin: Yeah.

Varie: But also in honesty, we had no idea that the Yetis were descendants of Neanderthal Man.

Qin: Yeah that was an amazing discovery.

Me: Yeah. For over 40,000 years Modern Man, Homo Sapiens, and Neanderthal Man have lived together in those times since the Great Ice Age.

Jonny Quest: That's right. For years Modern Man lived in harmony and then strayed from that path.

Qin: That's true.

Camie: Wow.

Yi: But that is really amazing that Yetis are in every way like Neanderthal Man.

Sunny Flare: They are their descendants after all and it's amazing that they are modern day Himalayan Cavemen.

Movie Stine: That's how I created the Abominable Snow of Pasadena. Only hostile to others threatening it.

Me: That's true. And the Yeti's like America's Bigfoot have been a massively elusive legend for a long time.

Twilight Sparkle: But wasn't Bigfoot around longer?

Me: That's right. Bigfoot was believed to have been first sighted back in 1811 in Alberta, Canada and the Yeti was first spotted in the Khumbu and Kathmandu Regions of the Himalayas in Nepal 21 years later in 1832.

Dean Cadance: Wow that is amazing.

Nico: Yeah it sure is. So for 190 to 211 years North America and Asia have been trying to prove 2 massive elusive legends.

Yi: That is amazing. 2 famous legends 2 continents apart.

Lola: Yeah.

Camie: Amazing.

Me: And both of which are said to provide the key pieces of information to one of the most elusive and most complex questions in human evolution: Are Neanderthal Man part of our Human Evolutionary Chain?

Nico: That is a really good question.

Laney: It sure is.

Lisa Loud: Indeed and I am most intrigued by all of this.

Me: Me too Lisa. But we must keep Yetis a secret.

Zak Saturday: I agree.

Lana: Me too.

Varie: But I'm still happy for Sunset though.

Qin: Same here.

Maria: Sunset didn't have mood swings yesterday

Sunset Shimmer: I think it's because my mind is too strong willed to go through all that stuff in the natural cycle of pregnancy.

Nico: That's still cool though.

Me: But you did good though.

Sunset Shimmer: Thanks. I still am going through the unusual cravings though.

Pickle Barrel: She was eating ice cream and salmon milkshakes.

All of us: YUCK!

Me: Gross!

Nico: At least it's not Brussel Sprouts covered in chocolate syrup and ice cream.

Laney: GROSS!

Nico: Yeah.

Maria: No kidding.

May: You're not pulling a Rarity on us!

Me: No we're not. It's just a really unusual thing. Besides it's part of the natural process. Unusual Cravings.

May: Oh right. I did go through all that.

Lola: That's right you did May.

Nico: Yep.

Misty Tredwell: Yeah. That is gross though.

Me: True.

Sunset Shimmer: But it's awesome of you all to throw me this amazing baby shower.

Me: And your mom and dad are so happy for you too.

Starlight Glimmer: We all are.

Sunset Shimmer: And you guys all got me awesome and great presents.

Xenia: Everyone all over the school did. Both schools actually.

Sour Sweet: It's the least we can do for you Sunset.

Nico: Of course, you won't be able to go on Lincoln's rescue now.

Sunset Shimmer: That's all right.

Lincoln: Actually she can go because of the hover chair she is on.

Qin: That works.

But then Blake winced in pain as her Zodiac Mark for Aries the Ram was glowing. All those that had the mark for Aries the Ram felt it.

Me: Uh oh.

It was glowing neon pink.

Lola: Uh oh.

Me: The next Another Undead Zodiart is close.

Eli: I sense it.

Nico: Where is she?!

We then heard screaming behind us and we saw a figure come out and it was ANOTHER ARIES UNDEAD ZODIARTS! It looked like a mixture of the Aries Zodiart, Robogoat and Buffalord!

Me: Whoa! The Another Aries Undead Zodiart!

Eli: The first of the Signs of the Zodiac.

Qin: For Aries the Ram too.

Another Aries Undead Zodiart: (In a girls voice) That's also my birth sign.

Me: (GASP) That voice!

She reverted back and it was a girl that had neon pink hair and was dressed in orange and red and pink clothes and had wings glowing and burning with intense fire and she had the symbol of Aries the Ram on her right arm.

Me: (GASP) Arianna "Aries" Volcana.

Arianna Volcana: It's good to see you again J.D.

Me: Same to you Arianna.

Nico: You know her J.D.?

Me: I sure do. Arianna is half fire elemental and she has immensely powerful cosmic pyrokinetic powers and many powers that are around fire. She can use intensely powerful fire powers that are 100,000,000 times more powerful than anything we know.

Bridget Branley: Wow! That is amazing! She is just like me.

Arianna Volcana: That's right. But it's awesome to see you again J.D. and it's an honor to meet you all like this. Sorry for crashing the party.

Nico: It's all right. It was inevitable.

Maria: How about we take this outside?

Me: Yeah good idea. It's too cramped in here.

We went outside and faced her.

Me: There we go.

Ariana Volcana: That's better.

Me: It sure is.

May: Shall we?

Ariana Volcana: Before that I should tell you, there's another opponent. It's another of him. (Points to Demyx)

Demyx: Another version of me!?

Me: Whoa! This is gonna be interesting.

Nico: Yeah!

Irma: This one will be like how we dealt with Demyx before in the 20 Days of Darkness.

Demyx: Boy that was crazy! I remember hearing about that.

Ariana Volcana: That was horrible.

Blake Belladonna: I will face you though.

Ariana changed to Another Aries Undead Zodiart and Blake fired waves of energy and they hit her and she exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

She was down and I caught the Zodiarts Switch and Rouse Card and purified them and the Rouse Card was the stars and Symbol of the Constellation of Aries the Ram and had a ram on it.

Nico: Wow!

Then the Zodiarts switch glowed and Blake and those marked for Aries the Ram got Armbands for Aries the Ram.

Nico: Cool!

I went over and picked up Arianna and brought her over and Varie helped her out.

Ariana Volcana: (Groans) What a headache,

Maria: Now for opponent number 2.

Then in a dark corridor opened and out came a figure in a white and black goat. It looked like Xemnas but it pulled down its hood and it was another version of DEMYX! It was ANOTHER DEMYX!

Me: Whoa! Another Demyx!

Qin: Wow! Demyx this version of you looks great in Xemnas's coat.

Nico: Boy I'll say.

Another Demyx: (In a girls voice) It's good on me but it's really demeaning because I'm a girl in a man's body.

Me: (GASP) Delilah Xaphirronas!

Another Demyx: Good to see you again J.D.

Me: You know her J.D.?

Me: I sure do. She is a Cruise Ship owner and she is the owner of one of the most amazing and most incredible futuristic cruise liners ever - The Xaphir Atlantis of the Seas. It's a beautiful and huge futuristic cruise ship and it's equipped with everything and has a waterpark, playgrounds, petting zoo, everything.

Nico: Wow! That is awesome!

Qin: It sure is.

Lola: Yeah!

Another Demyx: And it has technology that make it look like it's a cruise ship from the 41st Century.

Varie: That is amazing!

Me: You should see the size of this massive ship. It's like a cruise ship version of the ship minus the Craftworld Ship portion.

Nico: Wow! That is amazing!

Qin: No kidding! That is incredible!

Sunset Shimmer: Wow!

Kaito: (gets out GoGoV Gear) Did Swartz promise you anything?

Zocks: (gets out Timeranger gear) Because we can grant it instead.

Another Demyx: Just to be the greatest dancer, cruise ship owner and inventor and sitar player ever.

Demyx: Looks like we have a couple of things in common.

Qin: You two sure do.

Me: But you already have all those things. Also your cruise ships are one of the most massive success stories in the world. Your family is now super filthy rich because of it. And your sitar music is awesome and so is your dancing.

Another Demyx: I knew that Swartz was lying to me.

Lola: He lied to everyone.

Me: Sorry we have to fight like this but we have to in order to save you from this.

Another Demyx: No worries. Come at me and don't hold back.

In a vortex of water she had a Sitar like Demyx's appear!

Luna: Rockin dudes!

Kaito got a Lightforce Rescue Blaster and Zocks got a Time Force Chrono Saber.

Another Demyx: DANCE WATER DANCE!

She summoned lots of Water Nobodies!

Me: Now this will be fun!

Brittney: I got this. This is what I would say to Snowfall Frost. (ACTIVATES VEXEN'S RIDEWATCH)

(LUNA'S FUTURE PLAYS)

Brittney: (SINGING DIVINELY AS ICE AND DARKNESS SWIRLED AROUND HER)

I see a cold wind blowing through

I see days neither fun nor free

I see a future caused by you

I see a path not meant to be

The future should be filled with magic

Dreams and wishes brought to life

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Snowfall Frost

Now, the future is a cold nightmare

She had magic and darkness and ice swirl around her and then fired waves of ice and froze the Nobodies into statues and we shattered them.

Lily: YEAH! Try this too!

(BEHIND WALLS OF STONE BY DAVID ARKENSTONE PLAYS)

Lily: (SINGING DIVINELY IN LATIN AS WATER AND CELTIC

SYMBOLS SWIRLED AROUND HER)

Post muros lapideous

hanc noctem tuti sumus

ab omnibus periculis

hanc noctern tuti sumus

Pueri terrae

Protegine nos hanc noctem

ab omnibus periculis

nos tuere hanc noctem

Post muros lapideos

non timebimus

fortiter nos gerimus

non timebimus

She floated into the air and fired waves of energy and water and Symbols and smashed her down.

Maria: You aren't the only one that knows how to use water.

Maria fired waves of water and Another Demyx did the same and they blasted each other all over with intense waves of water!

Me: Wow!

Maria blasted Another Demyx all over the place!

Sougo: (Gets out Zero One Ridewatch) Geiz, you're not gonna use a Ridewatch?

Armor Time! (Techno rock music) Progrise! Zero-One!

Sougo got ZeroOneArmor.

Geiz: I have four transformations planned here. I'm just waiting for the right moment.

Me: This will be awesome to see.

Apple Bloom: Here's one of my favorites! (ACTIVATES FROZEN FRIGHT'S RIDEWATCH)

(PIANO MAN BY BILLY JOEL PLAYS)

Apple Bloom: (SINGING DIVINELY AS APPLES AND ICE SWIRLED AROUND HER)

It's nine o'clock on a Saturday

The regular crowd shuffles in

There's an old man sittin' next to me

Makin' love to his tonic and gin

He says, "Son can you play me a memory?

I'm not really sure how it goes

But it's sad and it's sweet and I knew it complete

When I wore a younger man's clothes"

La, la-la, di-di-da

La-la di-di-da da-dum

Sing us a song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you've got us feelin' alright

Now John at the bar is a friend of mine
He gets me my drinks for free
And he's quick with a joke, or to light up your smoke
But there's some place that he'd rather be
He says, "Bill, I believe this is killing me"
As a smile ran away from his face
"Well, I'm sure that I could be a movie star
If I could get out of this place"
Oh, la, la-la, di-di-da
La-la di-di-da da-dum
Now Paul is a real estate novelist
Who never had time for a wife
And he's talkin' with Davy, who's still in the navy
And probably will be for life
And the waitress is practicing politics
As the businessmen slowly get stoned
Yes, they're sharing a drink they call loneliness
But it's better than drinkin' alone
Sing us the song, you're the piano man
Sing us a song tonight
Well, we're all in the mood for a melody
And you've got us feelin' alright

It's a pretty good crowd for a Saturday

And the manager gives me a smile

'Cause he knows that it's me they've been comin' to see

To forget about life for a while

And the piano, it sounds like a carnival

And the microphone smells like a beer

And they sit at the bar and put bread in my jar

And say man what are you doin' here?

Oh, la, la-la, di-di-da

La-la di-di-da da-dum

Sing us the song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you've got us feelin' alright

She danced and fired waves of ice and apples and smashed Another Demyx down!

Nico: Awesome!

Me: Yeah love Billy Joel!

Rika Noralenshikov: (Russian Accent) I got oone for you all.

(TROLOLO SONG BY MR. TROLOLO PLAYS)

Rika Noralenshikov: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

Ahhhh, ya ya yaaah,

Oh oh oh oh oooh, oh ya yah,

Lolololol, lololol, lololol,

---

Lolololol, lololol, lololol,

---

She danced and fired waves of fireballs and smashed down Another Demyx.

Me: Ahh the great Trololo Man.

Eli: Awesome song.

Fluttershy: Lets see how this goes. (ACTIVATES EVIL PLANT MAN'S RIDEWATCH)

(FADING LIKE A FLOWER BY ROXETTE PLAYS)

Fluttershy: (SINGING DIVINELY AS FLOWERS SWIRL AROUND HER)

In a time

Where the sun descends alone

I ran a long, long way from home

To find a heart that's made of stone

I will try

I just need a little time

To get your face right out of my mind

To see the world through different eyes

Every time I see you, oh, I try to hide away

But when we meet, it seems I can't let go

Every time you leave the room

I feel I'm fading like a flower

Tell me why

When I scream, there's no reply

When I reach out, there's nothing to find

When I sleep, I break down and cry (cry), yeah

Every time I see you, oh, I try to hide away

But when we meet, it seems I can't let go (can't let go)

Every time you leave the room

I feel I'm fading like a flower

Fading like a rose

Fading like a rose

Beaten by the storm

Talking to myself

Getting washed by the rain

It's such a cold, cold town

Oh, it's such a cold town

Every time I see you, oh, I try to hide away

But when we meet, it seems I can't let go

Every time you leave the room

I feel I'm fading like a flower

Every time I see you, oh, I try to hide away

But when we meet, it seems I can't let go

Every time you leave the room

I feel I'm fading like a-

Every time I see you, oh, I try to hide away

But when we meet, it seems I can't let go

Every time you leave the room

I feel I'm fading like a flower

Every time you leave the room

(I feel I'm fading like a flower)

Every time I see you

(Fading like a rose)

Every time you leave the room

(Every time I see you)

Every time I see you

Fluttershy floated into the air and fired waves of flowers and grass and smashed her down.

Nico: (gets out Demyx's Ridewatch) Dance, water, dance! (to Demyx) Please don't sue me for this, Demyx.

Demyx: Wouldn't dream of it Nico!

(COTTON EYE JOE BY REDNEX PLAYS)

Nico: (SINGING DIVINELY AS NUMEROUS WATER NOBODIES APPEARED AND WATER SWIRLS AROUND HIM)

If it hadn't been for Cotton-Eye Joe

I'd been married long time ago

Where did you come from, where did you go?

Where did you come from, Cotton-Eye Joe?

If it hadn't been for Cotton-Eye Joe

I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
He came to town like a midwinter storm
He rode through the fields, so handsome and strong
His eyes was his tools and his smile was his gun
But all he had come for was having some fun
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?

Where did you come from, Cotton-Eye Joe?
He brought disaster wherever he went
The hearts of the girls was to Hell, broken, sent
They all ran away so nobody would know
And left only men 'cause of Cotton-Eye Joe
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
If it hadn't been for Cotton-Eye Joe

I'd been married long time ago

Where did you come from, where did you go?

Where did you come from, Cotton-Eye Joe?

Nico danced with the Water Nobodies and he and us danced and bashed Another Demyx all over the place.

Qin: OH YEAH! Here's one of my favorites too. (ACTIVATES CAPTAIN COLD'S RIDEWATCH)

(SOAK UP THE SUN BY SHERYL CROW PLAYS)

Qin: (SINGING DIVINELY AS ICE SWIRLS AROUND HER)

My friend, the communist

Holds meetings in his RV

I can't afford his gas

So I'm stuck here watching TV

I don't have digital

I don't have diddly squat

It's not having what you want

It's wanting what you've got

I'm gonna soak up the sun

I'm gonna tell everyone to lighten up

I'm gonna tell 'em that I've got no one to blame

For every time I feel lame I'm looking up

I'm gonna soak up the sun

I'm gonna soak up the sun

I've got a crummy job

It don't pay near enough

To buy the things it takes

To win me some of your love

Every time I turn around

I'm looking up, you're looking down

Maybe something's wrong with you

That makes you act the way you do

I'm, I'm gonna soak up the sun

I'm gonna tell everyone to lighten up

I'm gonna tell 'em that I've got no one to blame

For every time I feel lame I'm looking up

I'm gonna soak up the sun

While it's still free

I'm gonna soak up the sun

Before it goes out on me

Don't have no master suite

But I'm still the king of me

You have a fancy ride

But baby, I'm the one who has the key

Every time I turn around

I'm looking up, you're looking down

Maybe something's wrong with you

That makes you act the way you do

Maybe I am crazy too

I'm gonna soak up the sun

I'm gonna tell everyone to lighten up

I'm gonna tell 'em that I've got no one to blame

For every time I feel lame I'm looking up

I'm gonna soak up the sun

I'm gonna tell everyone to lighten up (to lighten up)

I'm gonna tell 'em that I've got no one to blame

For every time I feel lame I'm looking up (I'm looking up)

I'm gonna soak up the sun

I got my 45 on

So I can rock on

She danced and fired waves of ice and water and smashed Another Demyx Down.

Qin: YEAH!

Me: Love Sheryl Crow! Rock on!

Eli: This will be scary for you.

(HELLFIRE BY TONY JAY PLAYS)

Eli: (SINGING DIVINELY AS FIRE AND FIRE GIRLS DANCED AND SWIRLED AROUND HIM)

Confiteor deo

Omnipotenti

Beatae Mariae

Semper virgini

Beato Michaeli archangelo

Sanctis apostolis

Omnibus sanctis

Beata Maria, you know I am a righteous man

Of my virtue I am justly proud (et tibit pater)

Beata Maria, you know I'm so much purer than

The common, vulgar, weak, licentious crowd (quia peccavi nimis)

Then tell me, Maria, why I see her dancing there?

Why her smoldering eyes still scorch my soul? (cogitatione)

I feel her, I see her

The sun caught in her raven hair

Is blazing in me out of all control (verb o et opere)

Like fire

Hellfire

This fire in my skin

This burning desire

Is turning me to sin

It's not my fault (mea culpa)

I'm not to blame (mea culpa)

It is the gypsy girl the witch who sent this flame (mea maxima culpa)

It's not my fault (mea culpa)

If in God's plan (mea culpa)

He made the Devil so much stronger than a man (mea maxima culpa)

Protect me, Maria

Don't let this siren cast her spell

Don't let her fire sear my flesh and bone

Destroy Esmeralda

And let her taste the fires of hell

Or else let her be mine and mine alone

Hellfire

Darkfire

Now gypsy, it's your turn

Choose me or your pyre

Be mine or you will burn

Kyrie eleison

God have mercy on her

Kyrie eleison

God have mercy on me

Kyrie eleison

But she will be mine

Or she will BUUUUUURRRRNN!

He fired waves of energy and fire and smashed down Another Demyx.

I had shivers going down my spine from Eli singing that!

Nico: Scary!

Eli: Sorry.

Nico: (takes out Bell Org's Ridewatch) Hope your ears don't ring after this!

Me: We'll handle it.

(THE PLAGUES FROM THE PRINCE OF EGYPT PLAYS)

[Chorus]

Thus saith the Lord:

Since you refuse to free my people

All through the land of Egypt…

I send a pestilence and plague

Into your house, into your bed

Into your streams, into your streets

Into your drink, into your bread

Upon your cattle, on your sheep

Upon your oxen in your field

Into your dreams, into your sleep

Until you break, until you yield

I send the swarm, I send the horde

Thus saith the Lord

[Moses]

Once I called you brother

Once I thought the chance

to make you laugh

Was all I ever wanted…

[Chorus]

I send the thunder from the sky

I send the fire raining down

[Moses]

And even now I wish that God

had chose another

Serving as your foe on his behalf

Is the last thing that I wanted…

[Chorus]

I send a hail of burning ice

On ev'ry field, on ev'ry town

[Moses]

This was my home

All this pain and devastation

How it tortures me inside

All the innocent who suffer

From your stubbornness and pride…

[Chorus]

I send the locusts on a wind

Such as the world has never seen

On ev'ry leaf, on ev'ry stalk

Until there's nothing left of green

I send my scourge, I send my sword

Thus saith the Lord!

[Moses]

You who I called brother

Why must you call down another blow?

[Chorus]

I send my scourge, I send my sword

[Moses]

Let my people go

[Moses and Chorus]

Thus saith the Lord

[Rameses]

You who I called brother

How could you have come to hate me so?

Is this what you wanted?

[Chorus]

I send the swarm, I send the horde…

[Rameses]

Then let my heart be hardened

And never mind how high the cost may grow

This will still be so:

I will never let your people go…

[Chorus]

Thus saith the Lord:

[Moses]

Thus saith the Lord:

[Rameses]

I will not…

[Moses and Rameses]

Let My/Your People GO!

Nico danced and with the rings of the Bells of the Damned he fired waves of blood, frogs, flies, lice, pestilence, fire and hail, boils and sores, locusts and darkness and energy and smashed

Another Demyx Down!

Qin: WHOA

Lola: That was awesome!

Kin Tsuchi: Now for this. (ACTIVATES BELL ORG'S RIDEWATCH)

(THE BELLS OF NOTRE DAME PLAYS)

She formed an image of the The Hunchback of Notre Dame.

Chorus: Olim, olim, Deus accelere (Someday, someday, God speed)

Hoc sæculum splendium (This bright millennium)

Accelere fiat venire olim (Let it come someday)

Clopin: Morning in Paris, the city awakes

To the bells of Notre Dame

The fisherman fishes, the bakerman bakes

To the bells of Notre Dame

To the big bells as loud as the thunder

To the little bells soft as a psalm

And some say the soul of the city's

The toll of the bells

The bells of Notre Dame

(song stops, speaking segment begins)

Listen, they're beautiful, no?

So many colors of sound, so many changing moods

Because you know, they don't ring all by themselves

Clopin puppet: They don't?

Clopin: No, you silly boy.

Up there, high, high in the dark bell tower lives the mysterious bell ringer.

Who is this creature?

Clopin puppet: Who?

Clopin: What is he?

Clopin puppet: What?

Clopin: How did he come to be there?

Clopin puppet: How?

Clopin: (bonks puppet on the head) Hush!

Clopin puppet: Ow!

Clopin: Clopin will tell you.

It is a tale, a tale of a man and a monster.

(song resumes, scene changes to flashback)

Clopin: Dark was the night when our tale was begun

On the docks near Notre Dame

Quasimodo's Father: Shut it up, will you!

Male Gypsy: We'll be spotted!

Quasimodo's Mother: Hush, little one.

Clopin: Four frightened gypsies slid silently under

The docks near Notre Dame

Barge Driver: Four guilders for safe passage into Paris

Clopin: But a trap had been laid for the gypsies

And they gazed up in fear and alarm

At a figure whose clutches

Were iron as much as the bells

Quasimodo's father: *in alarm* Judge Claude Frollo!

Clopin: The bells of Notre Dame

Chorus: Kyrie Eleison (Lord have mercy)

Clopin: Judge Claude Frollo longed to purge the world of vice and sin

Chorus: Kyrie Eleison (Lord have mercy)

Clopin: And he saw corruption everywhere, except within

Frollo: (speaking) Bring these gypsy vermin to the palace of justice.

Guard: You there! What are you hiding?

Frollo: Stolen goods, no doubt. Take them from her!

(THUNDER AND LIGHTNING CRASHES)

Clopin: (speaking) She ran.

Chorus: Dies iræ, dies illa (Day of wrath, that day)

Solvet sæclum in favilla (Shall consume the world in ashes)

Teste David cum sibylla (As prophesied by David and the sibyl)

Quantus tremor est futurus (What trembling is to be)

Quando Judex est venturus (When the Judge is come)

Quasimodo's mother: Sanctuary! Please give us sanctuary!

Chorus: Quantus tremor est futurus (What trembling is to be)

Quando Judex est venturus (When the Judge is come)

Dies iræ (Day of wrath)

Frollo: A baby? [Gasp!] A monster!

Chorus: Solvet sæclum in favilla (Shall consume the world in ashes)

Dies iræ, dies illa (Day of wrath, that day)

Clopin: "Stop!" cried the Archdeacon.

Frollo: This is an unholy demon. I'm sending it back to Hell, where it belongs.

Archdeacon: (singing) See there the innocent blood you have spilt

On the steps of Notre Dame

Frollo: (speaking) I am guiltless. She ran, I pursued.

Archdeacon: Now you would add this child's blood to your guilt

On the steps of Notre Dame?

Frollo: (speaking) My conscience is clear

Archdeacon: You can lie to yourself and your minions

You can claim that you haven't a qualm

But you never can run from nor hide what you've done from the eyes

The very eyes of Notre Dame

Chorus: Kyrie Eleison (Lord have mercy)

Clopin: And for one time in his life

Of power and control

Chorus: Kyrie Eleison (Lord have mercy)

Clopin: Frollo felt a twinge of fear

For his immortal soul

Frollo: What must I do?

Archdeacon: (speaking) Care for the child, and raise it as your own

Frollo: What?! I'm to be saddled with this misshapen…?

Very well. Let him live with you, in your church.

Archdeacon: Live here? Where?

Frollo: Anywhere.

(singing) Just so he's kept locked away where no one else can see

(speaking) The bell tower, perhaps. And who knows? Our Lord works in mysterious ways

(singing resumes) Even this foul creature may

Yet prove one day to be

Of use to me

(scene changes to puppet show)

Clopin: (speaking) And Frollo gave the child a cruel name

A name that means half-formed: Quasimodo

(singing) Now here is a riddle to guess if you can

Sing the bells of Notre Dame

Who is the monster and who is the man?

Clopin and Chorus: Sing the bells, bells, bells, bells

Bells, bells, bells, bells

Bells of Notre Dame!

She fired waves of bells and energy and blasted down Another Demyx!

Qin: Whoa!

Lola: That was awesome!

Me: Over 500 years in the making.

Lola: Yeah!

Eli: That was great!

Bell Org: Nice one Kin!

May: (gets out Water Core's Ridewatch) Sorry, Maria. I know Water's usually your thing.

Geiz: (gets out Time Force Ridewatch): Okay. NOW I'm up!

Geiz got TimeForceRedArmor.

Me: Yeah!

May activated the ridewatch and fired waves of water and blasted down Another Demyx.

Maria: And May that's okay but that was awesome.

Me: Lets have Yi give it a shot.

Yi: Thanks. And I know just the song.

She pulled out her Violin and played the Tocata En Fugue in D-Minor by the great Johann Sebastian Bach!

Yi: (TOCATA EN FUGUE IN D-MINOR BY JOHANN SEBASTIAN BACH FROM FANTASIA)

She played it really amazingly and beautifully and she fired waves of cloud blasts and they hit Another Demyx and knocked her down!

Qin: WOW! That was great Yi!

Nico: Wow! It sure was!

Lana: That was awesome!

Me: And a great homage to the great Johann Sebastian Bach.

Ariana Volcana: That was a great song! Fantasia has been one of my favorites since I was a little girl.

Me: Boy who doesn't like Fantasia. It's awesome. Now for this. It's for all my Harem. (ACTIVATES FIRE WOMEN RIDEWATCH)

(TRULY MADLY DEEPLY BY SAVAGE GARDEN PLAYS)

Me: (SINGING DIVINELY AS FIRE SWIRLED AROUND ME AND I HAD FIRE WOMEN DANCED WITH ME)

I'll be your dream, I'll be your wish, I'll be your fantasy

I'll be your hope, I'll be your love, be everything that you need

I love you more with every breath truly, madly, deeply do

I will be strong, I will be faithful 'cause I'm counting on

A new beginnin'

A reason for livin'

A deeper meaning, yeah

I wanna stand with you on a mountain

I wanna bathe with you in the sea

I wanna lay like this forever

Until the sky falls down on me

And when the stars are shining brightly in the velvet sky

I'll make a wish, send it to heaven and make you want to cry

The tears of joy for all the pleasure and the certainty

That we're surrounded by the comfort and protection

Of the highest powers

In lonely hours
The tears devour you
An' I wanna stand with you on a mountain
I wanna bathe with you in the sea
I wanna lay like this forever
Until the sky falls down on me
Oh, can you see it, baby?
You don't have to close your eyes
It's standin' right before you
All that you need will surely come
Ooh, yeah
I'll be your dream, I'll be your wish, I'll be your fantasy
I'll be your hope, I'll be your love, be everything that you need
I'll love you more with every breath truly, madly, deeply do
I wanna stand with you on a mountain
I wanna bathe with you in the sea
I wanna lay like this forever
Until the sky falls down on me
I wanna stand with you on a mountain
I wanna bathe with you in the sea
I want to live like this forever
Until the sky falls down on me

I danced and we all fired waves of fire and blasted down Another Demyx!

Qin: WOOHOO! YEAH!

Nico: Wow! That was awesome!

Lola: Yeah it was!

I gave the thumbs up and a twinkle was in my teeth.

Laney: Now here's this one. It's for Marinette. (ACTIVATES DARK CUPID'S RIDEWATCH)

(JOAN BY HEATHER DALE PLAYS)

Laney: (SINGING DIVINELY AS DARKNESS AND LEAVES SWIRLED AROUND HER)

I am as God made me,

I have no desire for a mouth at my breast or a pot on the fire

I heed the high voices, I go where I'm sent

To mow down the men who refuse to repent

I'm a scythe in a field full of briars

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

The courage of Catherine, the flames of the forge

The sword of St. Michael, the blood of St. George

I take what I'm given, I follow my truth

I gladly abandon the bloom of my youth

I'm the lashing that falls from the scourge

And they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

Christem ducem

Poena fortis

Et sanguinis effusio

Corda terant

Ut te quaerant

Ieso, nostra redemptio

I fight where God tells me, I never ask why

I've bloodied the Devil with steel from on high

I kill without consequence, heed no man's law

I sift out the righteous like grain from the straw

I am judgment and heaven is nigh

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

No, they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

No, they won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They'll know me as Joan

She danced and fired arrows and suddenly we got a massive power boost from that Ridewatch and she fired wavs of energy and smashed Another Demyx down.

Me: Whoa! We got a powerful increase from that one!

Chloe Bourgeois: But that was awesome Laney!

Qin: Yeah it was!

Brittney: Now here is one from darkness. (ACTIVATES REX GOODWIN'S RIDEWATCH)

(MORDRED'S LULLABY BY JOAN PLAYS)

Brittney: (SINGING DIVINELY AS DARKNESS AND PURPLE FIRE SWIRLED AROUND HER)

Hush, child, the darkness will rise from the deep

And carry you down into sleep

Child, the darkness will rise from the deep

And carry you down into sleep

Guileless Son, I'll shape your belief

And you'll always know that your father's a thief

And you won't understand the cause of your grief

But you'll always follow the voices beneath

---

Loyalty Loyalty Loyalty only to me

Guileless Son, your spirit will hate her

The flower who married my brother the traitor

And you will expose his puppet behaviour

For you are the proof of how he betrayed her loyalty

---

Loyalty Loyalty Loyalty only to me

Hush, child, the darkness will rise from the deep

And carry you down into sleep

Child, the darkness will rise from the deep

And carry you down into sleep

---

Loyalty Loyalty Loyalty only to me

Guileless Son, each day you grow older

Each moment I'm watching my vengeance unfold

For the child of my body, the flesh of my soul

Will die in returning the birthright he stole

---

Loyalty Loyalty Loyalty only to me

Hush, child, the darkness will rise from the deep

And carry you down into sleep

Child, the darkness will rise from the deep

And carry you down into sleep

---

Loyalty Loyalty Loyalty only to me

She floated into the air and fired waves of energy and dark fire and blasted down Another Demyx and smashed her down.

Me: WHOA! That was awesome Brittney!

Qin: That was about how Mordred became one of the most notorious traitors in all of the Arthurian Legend.

Lola: Yeah!

Nico: Perfect for the Goths of Darkness.

Brittney: It sure was.

Sunset Shimmer: Wow that was awesome.

Brittney: Yes and it was fitting because the Goths are pure darkness incarnate.

Bonnie Terrez: That's right! Also this is my favorite too. Eli you aren't going to like this one.(ACTIVATES X-SQUAD SEPHIROTH'S RIDEWATCH)

We gasped!

Me: UH OH!

She danced and fired waves of fire and blasted down Another Demyx all over!

Eli was shocked knowing that the Sephiroth of the X-Squad Universe was now in the Masters of Evil! But when the time comes, HE IS GOING TO DISH OUT SOME MASSIVELY

MAJOR AND FURIOUS PAYBACK ON HIM!

May: (gets out Jinx's Ridewatch) This isn't to be confused with Jinx who's a Teen Titan.

She activated it and fired waves of energy and blasted Another Demyx down.

Nico: YEAH!

Camie: Why is Eli so shocked about hearing Bonnie sing that song?

Me: Because Sephiroth is the monster that killed the woman that loved him like a mother, Aerith. Long ago Eli swore that he would make sure Sephiroth was destroyed and anyone that would get in his way would be SERIOUSLY and dangerously hurt. Eli was that dangerous when he set his sights on something with intense rage and Bonnie singing that song reopened some old wounds.

Bonnie Terrez: Oh man. I didn't know.

Eli: It's all right Bonnie.

Nico: But at least it's not the prime universe version of him.

Eli: True. But I still have a lot of rage and anger to unleash unto him.

Me: Tell you what bro. As an extra battle for the usual battles later today, whoever is going to be X-Squad Sephiroth's archenemy you can unleash your rage and anger on him to your hearts content.

Eli: Thanks bro.

Maria: (gets out Good Crocker's Ridewatch) Tine to find out what Good Crocker used in battle.

Me: You don't spaz like the Prime Universe's version of Crocker right?

Good Crocker: I only spaz when I go crazy for this. EVIL VILLAINS EVIL VILLAINS EVIL VILLAINS! EVIL VILLAINS!

Nico: Geez! The one that we know was a fucked up man that went crazy for Fairy Godparents.

Me: Yeah. But this is very fitting for you.

Good Crocker: But on the plus side it has a good effect too.

Our auras all exploded out with amazing and unbelievable force! Our auras all looked like intensely burning rainbow fire!

Me: WHOA! So that's what Crocker's spazzing feels like!

Nico: Wow! And he had been doing that ever since 1973.

Camie: Yeah!

Good Crocker: But at least it works.

Me: It sure does.

Maria: Lets see what it does.

She activated it.

Maria: (SPAZING) FAIRY GOD PARENTS! FAIRY GOD PARENTS! FAIRY GOD PARENTS! WHOA! If I ever do that again, Nico I want you to blast my head off like how you do Jeebs.

Nico: Noted.

Maria fired waves of energy and blasted Another Demyx all over.

Maria: (gets out Salvo the Slime's Ridewatch) Now, for something straightforward.

Maria activated and turned into a ball.

Maria: Oh yeah! One gelatinous bear hug coming up! Nico and J.D. pull and stretch me.

Me: You got it.

We grabbed her and pulled her and stretched her around like clay and then wrapped her around Another Demyx and she squeezed her tight!

She let go and threw her down.

Geiz (gets out Zeronos Ridewatch): Now for my second transformation.

Armor Time! (Zeronos Belt standby music) Altair Form! Zeronos! (Zeronos transformation noises)

Geiz got ZeronosArmor.

Me: Oh yeah!

Qin: Time for some action! (ACTIVATES EVIL VOLCANA'S RIDEWATCH)

(SAFETY DANCE BY MEN WITHOUT HATS PLAYS)

Qin: (SINGING DIVINELY AS FIRE SWIRLED AROUND HER)

We can dance if we want to

We can leave your friends behind

'Cause your friends don't dance

And if they don't dance

Well, they're no friends of mine

Say, we can go where we want to

A place where they will never find

And we can act like we come

From out of this world

Leave the real one far behind

And we can dance

Or sing

We can go when we want to

Night is young and so am I

And we can dress real neat

From our hats to our feet

And surprise 'em with the victory cry

Say, we can act if we want to

If we don't, nobody will

And you can act real rude and totally removed

And I can act like an imbecile

And say, we can dance, we can dance

Everything's out of control

We can dance, we can dance

They're doing it from pole to pole

We can dance, we can dance

Everybody look at your hands

We can dance, we can dance

Everybody's taking the chance

Safety dance

Oh well, the safety dance

Ah yes, the safety dance

We can dance if we want to

We've got all your life and mine

As long as we abuse it, never gonna lose it

Everything'll work out right

I say, we can dance if we want to

We can leave your friends behind

Because your friends don't dance

And if they don't dance

Well, they're no friends of mine

I say, we can dance, we can dance

Everything's out of control

We can dance, we can dance

We're doing it from pole to pole

We can dance, we can dance

Everybody look at your hands

We can dance, we can dance

Everybody's taking the chance

Oh well, the safety dance

Ah yes, the safety dance

Oh well, the safety dance

Oh well, the safety dance

Oh yes, the safety dance

Oh, the safety dance, yeah

Well, it's the safety dance

It's the safety dance

Well, it's the safety dance

Well, it's the safety dance

Oh, it's the safety dance

Oh, it's the safety dance

She danced and fired waves of fire and smashed down Another Demyx!

Qin: YEAH!

Lola: Awesome! Time for this one. (ACTIVATES FIREFLY'S RIDEWATCH)

(I WANT YOU BY SAVAGE GARDEN PLAYS)

Lola: (SINGING DIVINELY AS FIRE SWIRLED AROUND HER)

Anytime I need to see your face, I just close my eyes

And I am taken to a place where your crystal mind

And magenta feelings take up shelter in the base of my spine

Sweet like a chic-a-cherry cola

I don't need to try to explain, I just hold on tight

And if it happens again, I might move so slightly

To the arms and the lips and the face of the human cannonball

That I need to, I want to

Well, come stand a little bit closer

Breathe in and get a bit higher

You'll never know what hit you

When I get to you

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I would die to find out

I'm the kind of person who endorses a deep commitment

Getting comfy, getting perfect is what I live for

But a look, then a smell of perfume

It's like I'm down on the floor and I don't know what I'm in for

Conversation has a time and place

In the interaction of a lover and a mate

But the time of talking, using symbols, using words

Can be likened to a deep sea diver

Who is swimming with a raincoat

Well, come stand a little bit closer

Breathe in and get a bit higher

You'll never know what hit you

When I get to you

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I would die to find out

ya, ya

(Ooh, ah) ya, ya

Anytime I need to see your face, I just close my eyes

And I am taken to a place where your crystal mind

And magenta feelings take up shelter in the base of my spine

Sweet like a chic-a-cherry cola

I don't need to try to explain, I just hold on tight

And if it happens again, I might move so slightly

To the arms and the lips and the face of the human cannonball

That I need to, I want to

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I would die to find out (so can we find out?)

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I would die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out (I'd die to find out)

Ooh, I want you, I don't know if I need you, but (oh, why can't we find out?)

Ooh, I would die to find out

She danced and fired waves of fire and smashed Another Demyx all over!

Camie: OH YEAH! Take that!

Me: YEAH!

Camie: Now here's one of my favorites. (ACTIVATES EVIL TORNADO MAN'S RIDEWATCH)

(CALLING ME HOME BY KATE PRICE PLAYS)

Camie: (SINGING DIVINELY AS AURORA AND WIND SWIRLED AROUND HER)

In the shadow of the night I hear you calling out my name

Never heard your voice before, yet it sounds the same

As I had imagined it on a thousand nights before

Never thought you'd come for me, lost forevermore

But I can hear you calling, calling me home

I can hear you calling, calling me home

I can feel the pounding of his heart within my breast

Ever beating, ever drumming, it never seems to rest

It drives me on, leads me where my other senses fail

Leads me down this road to you, lit with moonlight pale

And I can hear you calling, calling me home

I can hear you calling, calling me home

As I approach the clearing, I recognize this place

And you with the heavens, shining in your face

A spirit strong and gentle, I ache to hold you in my arms

I feel as I have fallen under some forgotten charm

And I can hear you calling, calling me home

I can hear you calling, calling me home

Vapor in the midnight air, a vision there you stand

A broadsword and an eagle feather in your hands

I know not of me body quakes with passion or with fear

But as I reach my arms to you, you disappear

But I can hear you calling, calling me home

I can hear you calling, calling me home

Awake I sit bolt upright, I'm safe within my bed

The power of your calling still echoes in my head

Who or what you are, I guess I'll never really know

But every time you come for me, I'll go

I can hear you calling, calling me home

She fired waves of energy and aurora and smashed down Another Demyx.

The Vreedle Brothers appeared with their team and it had The Vreedle Brothers, Buzz Buzzard, Duck, Bronto Burt, Alpha Metroid and Mustache Girl.

Geiz (gets out Diend Ridewatch): Hey, Octagon. You and Rhomboid's team is looking good.

Octagon: Thanks.

Armor Time! (Upbeat rock music) KamenRide! Diend!(Diend transformation noises)

Geiz got DiendArmor.

Nicole: Wow! An Alpha Metroid from The Return of Samus! That is awesome!

It fired lightning and electrocuted Another Demyx all over.

Geiz: (gets out Geiz Revive Ridewatch) I hope the next Gene Slammer appears after this.

Revi-Revi-Revi! Revi-Revi-Revi! Revi-i-ve Shi-ppu! Shippu!

Geiz became Geiz Revive Shippu.

Nico: YEAH!

?: Someone call!?

An Arbok appeared.

Me: Whoa! Arbok!

Nico: Cool!

Arbok: (In A girls Voice) Looks like the fun has started.

Nico: Sakura Yinghua! Wow!

Arbok: Awesome to see you again Nico. I got this.

She fired a blast of fire and smashed down Another Demyx and I caught the Ridewatch and purified it and it was for Irma. I went over to Delilah Xaphirronas and she was a girl with blue hair and had on her White Coat still and had blue and black clothes, and she had a sitar and I picked her up.

Delilah Xaphirronas: (GROANS) What a headache.

Me: But you're back to normal.

I picked her up and brought her over.

Irma: What's your favorite memory of Nico?

Arbok: My favorite is when me and Nico were in Los Angeles, California and we busted a massive international drug smuggling operation and arrested 4,000 criminals.

Me: Wait you mean the 2016 Los Angeles Drug Raid was done with you two?

Arbok: That's right. That was so fun.

Qin: I remember seeing that. That was awesome.

Arbok: Can I be reverted back? Also I'm naked.

Nicole: Oh boy. Cover your eyes and if anyone peaks I will kill you.

I put on my blind man glasses and then the boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

She was reverting back and she got back to human. She was a girl with purple hair and purple eyes.

Sakura Yinghua's legs were shaky from being merged for so long.

She got up and almost fell and Maria held on to her and the Fashion Brigade made her new clothes. She had a purple Chinese outfit on.

Maria: There.

Sakura Yinghua: Wow! I look amazing.

Varie: You sure do.

Nico and Sakura hugged.

Nico: I've missed you.

Sakura Yinghua: Me too Nico. Me too.

And we're also going to destroy Jezebel A.K.A. The Blood Red Queen of Hearts and also known by her more infamous name in ancient times as the "Whore of Babylon", and she's also an old enemy of Vampirella.

Lincoln: Whoa, we're back in Dark World for Day 2 of The Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the four girls here, but Celine Wendova is going to get a powerful treasure: a powerful greatsword known as The Demonic Darkness Zero Greatsword of Celri, Monk of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Celri, Monk of Dark World, it's perfect for her, and we're also going to destroy Jezebel A.K.A. The Blood Red Queen of Hearts.

Rita: Yes, and she's known by her more infamous name in ancient times as the "Whore of Babylon", and she's also an old enemy of Vampirella.

Me and Nico: How do you know about…?

Rita: (Smirks) You guys aren't the only ones who've read comics when they were kids, I've read the Vampirella comics when I was a teenager, and she's beaten down a ton of demonic villains during her long career, and when she joined Lincoln's harem, I was beyond happy.

Vampirella: Nice to know I have a fan who's read about my adventures.

Lincoln: Wow, I didn't even know that, Mom. So, what can you tell us about The Blood Red Queen of Hearts?

Rita: From what I read in the Vampirella comics, Jezebel was born in Ancient Babylon, and she was once a strikingly beautiful woman. Sometime in her life, she became the high priestess of the Cult of Chaos and used her feminine charms to lure male sacrifices to please her god. She'd served Chaos loyally until she offended her master by demanding that he make her his queen, which would have granted her immortality and eternal power. But, angered by her demands, Chaos ripped the flesh from Jezebel's body and imprisoned her soul in a Queen of Hearts playing card as punishment for her offensive demands. Although her wish for immortality had technically been granted, her soul would remain trapped within the card forever. Still hoping to become her master's bride, she'd spent the centuries sacrificing more humans to him whenever she is able to find a host. She'd eventually met Vampirella and became one of her deadliest foes ever since, using her powers to seduce men and women alike to do her biding, and during one of their fights after Vampirella defeated her, Chaos took her vision which forces her to use magic to see.

We were stunned.

Nico: Wow.

Me: Talk about awesome comic book knowledge, that was really awesome, Ms. Rita.

Rita: Thanks, J.D. So, are you planning on draining her dry of her blood and life-force, honey?

Lincoln: I was just planning on that, Mom, her beauty is both her strength and weakness, and since I have life-force draining and absorption abilities, I'll drain her dry of both her life-force and her beauty and powers until she's a desiccated centuries-old corpse.

Celina Wendova: And her evil soul sent to the Black Gates for eternity.

Lincoln: For what she did to so many innocent men and women since ancient times, there's going to be no mercy for her, and thanks for joining us, Musa, Erina, Levi, Touma, Umika, and Noel.

Musa: You're welcome, Lincoln, and we're so glad you're doing better now.

Rita: After what happened yesterday, I'm glad too.

Lynn Sr.: Me too, honey. So, where do we go to find The Demonic Darkness Zero Greatsword of Celri, Monk of Dark World?

Celina Wendova: I think I know where.

We continued on and we arrived at Celri, Monk of Dark Workd's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: Demonic Darkness Zero Greatsword of Celri, Monk of Dark World, a powerful demonic massive greatsword with blue gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large blue gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Zero Greatsword of Celri, Monk of Dark World, that sure is one scary looking demonic broadsword.

Celina Wendova: And it's absolutely perfect for me.

Suddenly, we saw Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise head for us, and with them are the four girls.

Nico: Wow, that's Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise head for us, and they got the four girls.

Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise: (Girl's voice) And away from Jezebel A.K.A. The Blood Red Queen of Hearts.

Lincoln: (Gasps) That voice, Sophia "Emerald Tortoise" Kennedy, I knew it was you, it's awesome to see you again, but we'll talk later, I know that The Blood Red Queen of Hearts is already heading for us.

?: I will have my revenge on you for ruining my chances to become the bride of Chaos, Vampirella!

Vampirella: Oh boy, there's no mistaking that voice from anywhere. Don't you know when to quit, Jezebel.

We then saw our target, Jezebel A.K.A. The Blood Red Queen of Hearts.

Vampirella: Jezebel, I see that time hasn't improved your mood towards me for what I did to you.

Blood Red Queen of Hearts: And now, I will make you pay for ruining my chances of immortality and ruling this world at Chaos' side!

Celine Wendova: Fat chance, Whore of Babylon, the only thing that awaits you is eternal torment in the darkness of Oblivion!

Celine Wendova went up and grabbed The Demonic Darkness Zero Greatsword of Celri, Monk of Dark World. Suddenly, Celine Wendova's blue eyes turned neon blue, and she was surrounded by a black and dark blue energy aura with darkness, demons, dark magic, and dark blue flames, she unholstered her massive Celri, Monk of Dark World's Demon Greatsword of Darkness Justice from her back, and as she approached Jezebel, she left black and dark blue energy, demons, darkness, dark magic, and dark blue flames with every step.

Celine Wendova: You absolutely make me sick to my stomach, Blood Red Queen of Hearts, as if what you've done in luring men and women to their sacrificial deaths in Chaos' service wasn't bad enough, but what you've done in trying to become Chaos' queen by continuing on to lure men and women to their deaths can never be forgiven, and now, I've got thousands of years of justice to dish out on you, Jezebel!

Suddenly, Celine Wendova was surrounded by a massive vortex of blue energy with darkness, dark blue flames, and dark magic surrounding it, there are an army of demons and Celri, Monk of Dark World flying around the vortex, and inside the vortex is a blue phoenix. Then, as the vortex faded, Celine Wendova emerged, but she was changed forever.

Celine Wendova grew from 6'11" to 7'4" in height, she has blue highlights in the bangs of her long flowing dark blue hair, she has neon blue eyes and a blue energy aura with darkness, demons, dark magic, and blue flames surrounding her, she has Celri, Monk of Dark World and holding the Zero Kanji in its hand emblazoned on her forehead and a Third Eye with dark blue iris, she has demon earrings with dark blue gems for eyes and holding the Zero and Eternity Kanjis in its hands, she also has Celri, Monk of Dark World with dark blue gems for the eyes and the Zero and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolt links and she also has on her new Elemental Thunderbird Choker Necklace of

Eternal Love. Celine Wendova has on a sleeveless dark blue closed blouse, sleeveless blue and black dress, dark blue skirt, dark blue pants, dark blue sneakers, and a long white sleeveless trenchcoat with darkness, demons, and dark blue flames on the coattails, and on the back is Celri, Monk of Dark World surrounded by demons, darkness, dark magic, and dark blue flames. Suddenly, Celine Wendova felt a sharp pain on her back, and then, her massive dark blue angel wings grew much bigger for her new body, and the large dark blue feathers have black tips on the feathers and she now has eleven massive and long dark blue wolf tails. Celine Wendova has on a Ring of The Phoenix with dark blue gem and heart-shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Celine Wendova's massive Celri, Monk of Dark World's Demon Greatsword of Darkness Justice and The Demonic Darkness Zero Greatsword of Celri, Monk of Dark World and all of the other swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of black and dark blue energy, demons, darkness, dark magic, and dark blue flames, and when it emerged, it was transformed into Celri, Monk of Dark World's Demonic Darkness Zero Greatsword of Dark Magic Zero Justice, it's a brand-new massive greatsword with embedded dark blue gems and Celri, Monk of Dark World, etched on the 7'0" massive, wide, double-edged, midnight black blade, large midnight black demon heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large midnight black demon heads with dark blue gems for eyes and a dark blue gem on the bottom of the demon heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with dark blue gems on her wrists, gold Belt of Elemental Bravery with a gold version of Celri, Monk of Dark World's head with dark blue gems for eyes and a large dark blue gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a dark blue kanji below Celri, Monk of Dark World that said, "Celine Wendova, Gene-Slammer of Celri, Monk of Dark World, Intelligent and Powerful Member of the Dark World Goth Girls, Powerful Master of The Dark Arts and The Occult, Dear Friend of Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Rhonda Jekyll, Connie Jackelstein, and Clara St. Clarice, Loving Future Wife and Guardian Angel of Lincoln Loud, Thrasher of Scoots, Archenemy of Dishwasher Slog, Destroyer of Jezebel Lanira of The Church of Necrom, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Demons, Dark Magic, and Dark Blue Flames"

Celine Wendova's transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS DARK BLUE FIRE DEMON MONK DARK WORLD DEMONIC ANGEL OF DEMONIC DARK BLUE FIRESTORM DARK WORLD JUSTICE AND DIVINE DARK BLUE FIRESTORM DARK WORLD LOVE!

We were amazed by Celine Wendova's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when

Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Blood Red Queen of Hearts saw it, she went after Celine to kill her, but Celine Wendova fired a powerful black and dark blue energy blast, demons, darkness, dark magic, and dark blue flames at The Blood Red Queen of Hearts and sent her flying out of the shrine and we also came outside, she got up and she was really pissed off now.

Nicholette Torrington: Whoa, Celine Wendova has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: Now, all of Dark World's going to witness the death of The Blood Red Queen of Hearts, and Celine, you look beautiful, how do you feel?

Celine Wendova: (Divine Echoing Cosmic Voice of the Dark World Cerulean Demon Monk and Divine Monk Dark World Divine Love) I feel incredible, Linky. Now, shall we finally end the Whore of Babylon once and for all?

Lincoln: (Smiles) With pleasure, Celine.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Celine Wendova.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of causing pain and suffering to all of mankind are over, Jezebel, and now, we're going to unleash thousands of years of justice and retribution for every single life you've taken in Chaos' service!

Celine Wendova and Lincoln went after The Blood Red Queen of Hearts, who fired blasts of darkness and black magic at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, black and dark blue energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at The Blood Red Queen of Hearts and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her.

This was major league pissing off The Blood Red Queen of Hearts, but Celine Wendova and Lincoln were getting started, then Celine Wendova called upon the dark forces of Dark World and they fired powerful blasts of darkness at her and blasted her badly, and Lincoln called upon the forces of the night and sent creatures of darkness at her who tore into her.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Celine Wendova, her hand-cannon Blaster is known as Celri, Monk of Dark World's Demonic Wisdom Darkness Dark Fire Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with dark blue flames on the blaster with a Phoenix, Angel, and Celri, Monk of Dark World surrounded by darkness etched on the sides, and a dark blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Celine Wendova fired blasts of rainbow energy, black and dark blue energy, and elemental forces at The Blood Red Queen of Hearts and as they hit her, they exploded with incredible power, and it knocked her down.

Then, Lincoln ram at The Blood Red Queen of Hearts and he grabbed her by the neck with his left hand and as he opened his mouth, a beam of energy began flowing out of The Blood Red Queen of Hearts and into Lincoln as he began draining her of her life-force and absorbing her powers, and as soon as he was done draining her of her life-force, she was reduced to a desiccated corpse, and as he threw her corpse into the air, Lincoln fired a blast of black energy from his massive greatsword, and it hits the corpse of The Blood Red Queen of Hearts and she was erased forever by The Black Gates. We cheered wildly for what Celine Wendova and Lincoln did to The Blood Red Queen of Hearts as they holstered their massive greatswords on their backs and powered down, and Celine Wendova's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue wolf tails, and massive dark blue angel wings are permanent.

Celine Wendova: This time, don't you dare come back. Thanks for helping me destroy The Blood Red Queen of Hearts, Linky.

Lincoln: (Smiles Warmly) You're welcome, Celine.

Suddenly, Celine Wendova wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Celine Wendova's face, they kissed passionately as Celine Wendova's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Celri, Monk of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Celine Wendova came back to us as the display and Celri, Monk of Dark World vanished.

Nico: Oh man, I can't believe it, you really drained her dry of not only her life-force and beauty, but you also absorbed her powers and abilities as well, nice one, Lincoln.

Me: And that's another treasure marked off the list.

Lincoln: Yep, and thanks, Nico, and I did say that I was going to take away the one thing that she'd considered as her greatest weapon: her beauty, and it was also her weakness as well, so when I used my life-force draining and absorption abilities on her, she had no chance. (To Sophia Kennedy) And it's so good to see you again, Sophia Kennedy.

Sophia Kennedy reverted back to normal, and she's a beautiful girl with long flowing emerald green hair, emerald green eyes, she was tall at 6'5" in height, she had the body of a goddess, she has an emerald green gem embedded on her forehead and massive and beautiful emerald green angel wings with stars and sparking emerald gems and an aura of sparkling emerald gems around her and she reigned in the powers of Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise, and she's dressed in a sleeveless emerald green open blouse, sleeveless emerald green midriff top, emerald green skirt, emerald green pants with flowers, emerald green legwarmers, emerald green heeled sneakers, and long white sleeveless trenchcoat with emerald green flames, emerald green gems, and tortoises on the coattails and Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise holding an emerald green gem on the back and holstered on her back is a Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise-themed large greatsword with embedded emerald green gem and Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise etched on the 7'0" massive, wide, double-edged emerald green blade, large tortoise heads for the crossguard, large emerald green gem embedded in the rainguard, longer midnight black handle, four large tortoise heads and a large emerald green gem on the bottom of the large tortoise heads for the pommel.

Sophia Kennedy: You too, Lincoln, it's been a long time, and it's also good to see you again, Emerald Loganna, Emerald Logan, and Serenity Lexington.

Emerald Loganna, Emerald Logan, and Serenity Lexington: You too, Sophia.

Lincoln went up to Sophia Kennedy and he hugged her, and Sophia Kennedy is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sophia Kennedy: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her, and she also knows Emerald Loganna and Emerald Logan?

Lincoln: Indeed I do, Nico, this is Sophia "Emerald Tortoise", she's my Guardian Angel from The Bronx, New York, and my classmate in Science. She's also an old friend of Serenity Lexington, Gene-Slammer of Rainbow Overdragon from New York before she moved to Royal Woods, and she purposefully Gene-Slammed herself into a Fusion Gene-Slammer of Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise in order to protect me from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home.

Nico: Yep, I figured that was coming.

Lincoln: That's right, and as a result of that, she gained emerald green angel wings and she became a master of the green color of the rainbow and even emerald green gems, and like Emerald Loganna, Gene-Slammer of Advanced Crystal Beast Emerald Tortoise, she also gained green fire powers that are so hot, it'll give you third-degree burns.

Me: Just like with Riley Mackenzie's red fire powers and Emily Lane's yellow fire powers.

Lincoln: Right, and she's easily identified by an emerald gem embedded on her forehead and her favorite Crystal Beast Duel Monsters are Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise, and she was trained by Emerald Loganna, Gene-Slammer of Advanced Crystal Beast Emerald Tortoise and Emerald Logan, Gene-Slammer of Crystal Beast Emerald Tortoise.

Nico: Nice!

Emerald Loganna: It sure is, and she's really become an awesome expert in using the powers of Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise, along with using green fire and creating emerald green gems, and thanks to all that training, she also gained an aura with sparkling emerald green gems around her and in her emerald green angel wings.

Emerald Logan: Which is also another awesome feature for her, and it also warns her of any incoming dangerous threats.

Jesse Anderson: That's really amazing.

Sophia Kennedy: Thanks, Jesse, and there's also something you all should know: you know that I've given myself the task of protecting Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home, and Lincoln's right, I really hated Lisa with a blazing passion.

Nico: Uh oh.

Sophia Kennedy: But, I actually prevented that by causing a little "disaster" before we even set foot at The Loud House, so there's no need to worry, Nico.

Nico: That's a relief, but what "disaster" did you cause Lisa?

Lincoln: You'll hear the full story later, Nico, trust me, it's really hilarious.

Sophia Kennedy: He's right, and it's guaranteed to knock your socks off. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Sophia, are you absolutely sure about this?

Sophia Kennedy: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Sophia Kennedy, and he saw that she's really serious, and he smiled as he walks over to Sophia Kennedy, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sophia Kennedy's neck with emerald green gems on the gold lightning bolts and emerald green crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Sophia Kennedy: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sophia.

Sophia Kennedy has a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Sophia Kennedy's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Yuna, Atla, Helen, and Shia Foschurose from Kuma Kuma Kuma Bear.

Lincoln: Oh wow, it's Yuna, Atla, Helen, and Shia Foschurose from Kuma Kuma Kuma Bear.

Nicole: Awesome.

Lincoln: Are you girls okay?

Yuna (Kuma Kuma Kuma Bear): Yes, we're okay, thanks to you.

Then, when Yuna and the other three girls saw who it was that saved them from The Blood Queen of Hearts, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Shia Foschurose: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Shia Foschurose: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yuna, Atla, Helen, and Shia Foschurose with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Celine Wendova had gotten The Demonic Darkness Zero Greatsword of Celri, Monk of Dark World, and the team was shocked when they found out the villain we went after was Jezebel A.K.A. The Blood Queen of Hearts and an old enemy of Vampirella.

But, when Lincoln showed them what happened such as Celine Wendova transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and she and Lincoln laying a brutal beatdown on The Blood Queen of Hearts and it ended with Lincoln using his life-force draining and absorption on The Blood Queen of Hearts and he absorbed all of her powers and drained her of her life-force and he sent her soul to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Sophia Kennedy have a lot of catching up to do, now that she's back in town.

Maria: Holy crap, I knew we'd one day face off against one of Vampirella's enemies in the future, but out of all of them, Jezebel A.K.A. The Blood Queen of Hearts is the worst.

Lincoln: She sure is, and we found out that my Mom was also a comic book reader, and her favorite was Vampirella.

The rest of the team was stunned.

Nico: Yeah, we were stunned ourselves, but her knowledge of Vampirella's enemies is really amazing, so, you know what this means?

Lincoln: Yep, foes of Vampirella, beware, Team Loud Phoenix Storm's coming for you, and not even the night will protect you from us.

Me: That's for sure.

* * *

After getting rid of The Blood Queen of Hearts, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sophia Kennedy saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sophia Kennedy: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sophia, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sophia Kennedy: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Sophia, what's the story on how you caused a little "disaster" to happen to Lisa's lab before she could do something bad to Lincoln?

Sophia Kennedy: That's something I'd never forget. One day, Lincoln and I were heading home from the gym after a two-hour work-out, but then, I had a vision that Lisa was going to do something so bad to Lincoln, such as strapping him to a table, removing his organs, along with his heart, and with that, he could die a horrible death. I was really pissed off, and Lincoln could sense my anger. But, I decided to cause some mayhem for her, as we got near The Loud House, I concentrated hard, and I made massive clusters of emerald crystals and gems erupt from nowhere, and it caused a really loud chain reaction of explosions and Lisa's lab equipment and robots were being shredded by the gems and she was running like a chicken with its head cut off. Then, Lincoln and I went inside and we still heard the chaos happening in Lisa's room, and Lisa came out, and she was a mess, and we saw my handiwork: her entire room was covered in emerald crystal clusters and gems and her lab was now a mess and her robots were destroyed. Here's the video of what happened.

Sophia Kennedy played the video, and we saw it: massive clusters of emerald crystals and gems had erupted right out of nowhere, and it caused a really loud chain reaction of explosions and Lisa's lab equipment and robots were being shredded by the gems and she was running like a chicken with its head cut off. Then, Lincoln and Sophia went inside and they still heard the chaos happening in Lisa's room, and Lisa came out, and she was a mess, and her entire room was covered in emerald crystal clusters and gems and her lab was now a mess and her robots were destroyed.

When the video finished, our jaws dropped to the floor.

CLANG!

I had my jaw put back up.

Nico: (Stunned with Awe) Holy… crap!

Eli: (Stunned with Awe) Whoa!

Nico: Those are beautiful!

Lincoln: Yeah, I was stunned myself, but Sophia saved me from what could've been another attempt on my life, and as for Lisa, she got grounded for nineteen weeks, and Lori, Lynn, Lola, and Luan were the ones who told on Lisa, somehow they got the dirt on what Lisa was up to, and they had to wait until a disaster happened.

Lori: And it was Sophia's doing that caused that disaster.

Me: I remember that day all too well.

Nico: Wow. Oh, and I forgot to ask, what did you do with the emerald crystal clusters and gems after it was cleaned up?

Lincoln: Sophia and I sold some of them to jewelry stores, and we got over $950,000,000,000,000 as a result, and we divided the money that we got in half: Sophia got $475,000,000,000,000 and I also got $475,000,000,000,000, and Sophia had opened up her own bank account, and she did the same with me.

Our jaws dropped… again.

CLANG!

I had my jaw reset too.

Aylene C.: (LAUGHS) You guys will catch flies if you keep doing that.

Nico: Dang! That was awesome!

Sunset Shimmer: You got that right, Nico, and emerald gems are rarer and often more expensive than diamonds.

Rita: When Sophia told me and Lynn about it, we were really stunned at how much money she and Lincoln had gotten from selling the emeralds to the jewelry stores, and jewelers would pay a lot of money to get emerald gems, and those looking to buy emerald gem rings pay a lot of money for one.

Lynn Sr.: And when she told us of what she did in opening her own bank account and she also opened up a bank account for Lincoln, (Voice Breaking) I was so proud of him!

Lincoln: And we also kept it a secret. Sorry about that.

Lori: It's okay, Linky, but that's a big step: you're saving money and you're taking responsibility for how you manage your money.

Lynn: And for the remaining emerald gems, Sophia had some plans for them.

Sophia Kennedy: I sure did. Take a look.

Sophia Kennedy had gotten out tons of Rockefeller emerald gem rings and emerald gem earrings, and she gave them to the girls in my harem, Lincoln's harem, Nico's harem, Clyde's harem, Ed Cowart's harem, Ets' harem, Naruto's harem, and all of us.

Me: (Whistle) Those are beautiful!

May: Wow, I really love the craftsmanship of these rings and earrings, these are so awesome.

Maria: They sure are.

Riley Mackenzie: When it comes to making emerald gem jewelry, Sophia's a top expert, and Stella, Emily, and I are also planning on getting into making jewelry: ruby gem jewelry, topaz gem jewelry, and orange amber gem jewelry.

Nico: You girls should go into a ring-making business one day, do you know how much people would pay for quality jewelry like this?

Me: Yeah, they pay top dollar for quality jewelry like this.

We got a shower afterwards, and then, Lincoln and his harem are heading to the Okinawa Beaches, in Okinawa, Japan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim trunks with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim trunks, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Sunset Shimmer: Whoa, we're here in the Okinawa Beaches, awesome.

Lincoln: That's right, Sunset, and it's perfect for our beach date. Shall we?

Lincoln and his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they met the animals that live there, and they went back to the beach and they had a game of volleyball and his harem got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive wide left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to the Okinawa Beaches in Okinawa, Japan.

Me: Wow, now that's awesome.

Sakura Adachi: (Japanese Accent) I haven't been there in a long time, and it's still the same as ever.

Nico: I've been to the Okinawa Beaches before, and they're awesome, and the tropical climate there is awesome.

Lincoln: You know, it's actually the first time we've gone to any beaches in Japan.

Girl Jordan: I was just about to say, Linky.

Sunset Shimmer: Yeah, same here, and when we saw the Okinawa Beaches, it was really amazing.

Me: Awesome. Okinawa's beaches are a very popular place.

Qin: They sure are.

---

Later we were watching TV and we Sunset was reading a book.

Me: How are you feeling Sunset?

Sunset Shimmer: Heavy but getting through it.

Me: Good.

Lincoln: Just helping you get through this.

Maui: Nico, the mission tomorrow should probably be you guys participating in the day where it all began with me and Moana.

Nico: Now that we can do.

Lily: That was an awesome mission for me.

Me: I remember that. That was a great mission.

Nico: I wasn't with you guys when that happened. Can you tell me what went down?

Me: Sure.

I went over what happened in Chapter 64.

(FLASHBACK)

Lily was in the Simulator.

Me, Varie, Starfire, Laney & Crysta and Lisa were in the Control Room.

The Simulator Activated and Lily found herself in the Middle of the Ocean.

She walked on the water and she saw a blue light on a boat. The boat was a Polynesian Sailing Canoe.

Lily: I'm in the movie Moana. One of my favorites. I love this movie.

Lily walked over to the boat and she saw Moana hugging the spirit of her Grandmother.

Moana: I tried, Gramma. I couldn't do it.

Lily: Moana. You can't give up. You've come this far and you can't give up on your people.

Moana: Who are you?

Lily: My name is Lily Loud. I came to help you.

Lily got onto the boat.

Moana: Lily I tried my hardest but it was too much for me.

Lily: I know. But you have a strong spirit and a strong will and love for everyone on your island.

Moana: I know. But the question is Who am I?

Lily: [Singing Divinely] You are a girl that loves your Island and a girl that loves the sea.

Moana: [Singing] It calls me.

Lily: You are the daughter of the village chief. You are descended from voyagers who found their way across the world.

Moana: They call me.

Glowing Blue Polynesian Sailing Canoes appeared and they had the spirits of Moana's Ancestors on them.

Lily: You've delivered them to where you are. You have journeyed farther. You are everything you've learned and more.

Moana: Still it calls me. And the call isn't out there at all it's inside me.

Lily: It's like the tide always falling and rising.

Moana: [to her Grandmother] I will carry you here in my heart you remind me that come what may.

Lily: You know the way.

Moana: I am Moana!

Moana dove into the water and swam down to the bottom and retrieved a glowing green stone. It was the Heart of Te Fiti. The song ended.

Moana got back on the boat.

Moana: Lily. Thank you for reminding me.

Lily: It's no trouble at all. Now we got a job to do.

Moana: Right.

Lily: Lets do it, Together.

Lily extended her hand and she and Moana shook hands.

They both fixed Moana's boat and Lily made a horse of Glowing Water.

Lily: Ready?

Moana: Lets go.

They both went to the island where Te Fiti is said to be.

---

When they got there they saw black clouds with ash and soot blowing around.

Lily: Is this it?

Moana: Yes. We have to go passed the Barrier Islands. We do that, we make it to Te Fiti. But Te Kâ the Volcano Demon is going to prevent us from getting there. Te Kâ can't follow us into the water.

Lily: Okay.

As they approached, Ash clouds, lava and red hot smoke billowed up and they saw a fiery monster.

Lily: Is that Te Kâ?

Moana: Yes.

Lightning flashed in Te Kâ's ash clouds and smoke and she was going to make sure they don't get passed her.

Lily fired a blast of water and it hit Te Kâ in the chest and cooled her down and she screeched in pain.

Lily: That oughta cool you down!

Ta Kâ reheated her chest and threw a ball of lava at them and Lily threw and ball of Water at it and cooled it down.

It hit the rocks nearby.

Lily: Is that all you got you overgrown sack of hot air!?

Te Kâ got mad and the lightning in her clouds intensified as she roared.

Moana: Lily here she comes!

Te Kâ fired a stream of Fire and Lily fired a blast of water and the blasts collided and the fire turned into steam and the water hit Te Kâ in the face and she screeched in pain.

They made it passed the Barrier Islands and Te Kâ extended her arm out and was about to grab them when an Eagle came and transformed into the legendary demigod Maui and slashed off Te Kâ's arm and he landed on the boat with us.

Moana: Maui. You came back.

Maui's chest tattoo friend smiled in proudness.

Lily: Maui I presume?

Maui: That's right and you are?

Lily: My name is Lily Loud.

Maui: It's a pleasure.

Moana: But your hook. One more hit and…

Maui: [Chuckles] Te Kâ has got to catch me first. Now get to the island chosen one. Go save the world.

Moana: Maui, thank you.

Lily: We owe you one.

Maui: You're welcome.

Maui then transformed into some kind of bug and flew up to Te Kâ and turned into a whale and made a big splash.

It hurt Te Kâ and Lily and Moana made it to the island and went up the mountain and in the lagoon they saw a hole that looked like someone was resting.

Moana: Te Fiti. It's gone.

Lily: What happened?

Lily and Moana saw Te Kâ and in her chest was a spiral pattern and it matched the spiral on the Heart of Te Fiti and they instantly connected the dots.

Lily: Te Fiti and Te Kâ, they're both one in the same. Te Kâ is Te Fiti.

Moana: Yeah. Now we know.

Maui got Te Kâ extremely angry and Moana held the heart up and it emitted a bright glow and a loud hum.

Lily and Moana walked to the ocean edge.

Moana: Let her come to us.

The ocean in the lagoon split and allowed Moana and Lily to cross and Te Kâ rushed to them without feeling any water.

Lily and Moana were walking on the sand of the ocean floor.

Lily: [Singing] We have crossed the Horizon to find you.

Te Kâ was getting closer.

Moana: [Singing] We know your name.

Lily: They have stolen the heart from inside you.

Moana: But this does not define you.

Lily: This is not who you are.

Te Kâ began to realize that she was made into someone she was not.

Lily and Moana: You know who you are?

Te Kâ leaned in closer and Moana put her head on her head as the song ended.

Moana: Who you truly are.

Te Kâ closed her eyes and Moana placed the heart in the spiral and it glowed green and began cracking apart as leaves, flowers and life grew on Te Kâ and after the rocks broke off they saw Te Fiti, fully restored.

Lily and Moana: Te Fiti.

They were amazed. Te Fiti the spirit of life was fully restored and bringing new life to the island.

Te Fiti was forever indebted to Lily and Moana and she forgave Maui for his recklessness and actions and his hook was repaired. Maui left to go see the world.

As Lily and Moana left for Moana's island, Te Fiti went back to her rest.

Lily and Moana arrived back at Moana's island Motonui and her mom and dad, Sina and Chief Tui arrived onto the beach as they got

on.

Moana: Mom! Dad!

Sina: Moana!

Moana hugged her mom and dad.

Moana: I may have gone a little ways past the reef.

Chief Tui: [Chuckles] It suits you.

Moana: Oh mom, dad. This is Lily Loud. She helped me on my journey.

Lily: It's a pleasure to meet you.

Sina: Lily, we can't thank you enough for helping Moana.

Moana: Lily was a big help.

Lily: You are so welcome Sina.

The villagers came and were excited to see Moana back safe and sound.

They cheered for both Lily and Moana.

Moana: Lily. I couldn't have done all of this without your help. I thought I was gonna have to turn back but you helped me regain my courage and strength.

Lily: True courage and strength only comes from what's inside your heart. Never forget that.

Moana: I won't.

Moana surprised Lily by taking off her necklace and placing it around Lily's neck.

Lily: You're necklace? But this is yours.

Moana: It's yours now Lily. You helped me save the world and I couldn't have done it without you. You will always have a friend here on Motonui.

Lily was surprised and hugged Moana.

Lily: Thank you Moana.

A vortex opened up.

Lily: I have to go home now. But I will never forget you Moana.

Moana: Me neither.

Chief Tui: Take care, Lily. You will always be welcome at our island.

Lily: Thank you Chief.

Lily waved as she entered the vortex and arrived back home.

The Simulator turned off.

Me: Lily, you were amazing and I didn't know you can sing really well.

Varie: I didn't know either.

Lily: It's a hidden talent I guess.

Starfire: You were amazing Lily.

Laney: I'm so proud of you Little Sis.

Laney and Lily hugged.

Lily: Thank's Laney.

Crysta: I agree with Laney.

Lily: Thank you. All of you.

FLASHBACK ENDS

Nico: Wow! Lily that was amazing! You helped Moana and Maui before. That is incredible.

Lily: That was one of the most unforgettable adventures ever for me.

Qin: Boy that is so cool.

But then…

Sunset screamed!

We gasped!

A huge puddle of water poured out onto the floor!

Me: Oh man! Sunset is it time?!

Sunset Shimmer: It's Time!

Me: OH MAN! Lets get her to the hospital!

Nico: Lets go lets go double time lets go!

Lola: Sunset, just stay calm! Everything's gonna be okay!

Sunset Shimmer: I'll be all right.

Varie: Start your breathing.

Sunset did so and we loaded her into Ratchet and we were off to the Hospital.

We got to the hospital and then we went into the lobby and Sunset was rushed into the Delivery Room.

We waited.

El Oso came.

El Oso: (Spanish Accent) I got your text amigos!

Me: Sunset and Lincoln are in the delivery room right now.

Lola: We just got to wait.

We got to reading books and we were waiting.

Runamuck: I wonder what wonderful things Sunset will say during her labor pains.

Me: (GULPS) I don't think I want to know.

Qin: Me neither.

Lana: Whatever it is…

Sunset Shimmer: (SCREAMING IN PAIN) LINCOLN THIS IS ALL YOUR FAULT! IF I EVER GET OUT OF THIS I WILL RIP OUT YOUR INTESTINES AND HOGTIE YOU WITH THEM AND TIE YOU TO A FLAGPOLE BY YOUR MANHOOD!

We gasped in shock.

Qin: (GULPS)

Camie: GEEZ!

El Oso: Ay caramba!

Bart: Ay caramba! That was bad!

The screaming stopped later on.

Me: It stopped.

Later Sunset and Lincoln came out and in their hands were 6 baby girls. Lincoln had a little bit of premature peach fuzz on his face from being tired from the delivery. The babies all had

Sunset's fiery hair and also had Lincoln's rainbow eyes and also symbols on their foreheads for some of the spiciest peppers in the world.

Me: Oh Sunset, Lincoln they are so adorable.

We went over to them.

Phoenix Shimmer: My new little sisters are here. Oh they are so cute.

Cybertron Red Alert: Sunset, are you okay now?

Sunset Shimmer: (Exhausted) I am now guys. Just really tired.

Me: But your little girls are so adorable.

Qin: What did you name them?

Lincoln: These three with me are Cayenne Fire Shimmer, Habanero Fire Shimmer andTepin Fire Shimmer.

Sunset Shimmer: And these three are Rocoto Fire Shimmer, Carolina Fire Shimmer and Moruga Fire Shimmer.

Me: Oh they are adorable and you named them after the hottest peppers in the world.

Phoenix Shimmer: That is perfect for them.

Laney: They are so adorable.

Nico: Congratulations to you Sunset and you too Lincoln and Phoenix.

---

Later Trixie Lulamoon, Pickle and Barley Barrel and Susie Carmichael are watching over Sunset's kids. Now it was time for our next mission.

Then the previous group of M.O.E. Members came.

Drakkon: Can me, Vypra, Dark Spicer, Number 7, Vanitas, Zs'Skayr, Calamitous, Waffle Woman, Myotismon, and Cargill go with you guys?

Sunset Shimmer: Thanks Drakkon.

Laney: We're all so happy for her.

Nico: You guys are going to like our next mission. We're going to meet Mr. Peabody and Sherman.

Cargill: Awesome! I love Mr. Peabody and Sherman! Great Saturday Morning Cartoons with Rocky and Bullwinkle.

Me: Yep. Just as iconic and just as funny.

Nico: Yep. First lets watch the movie and then we'll get ready.

We got to watching 2014's movie Mr. Peabody and Sherman.

* * *

Mr. Peabody is a highly intelligent anthropomorphic dog who lives in a New York City penthouse with his adopted human son, Sherman. Peabody teaches Sherman history by using the WABAC to travel to the past. On his first day of school, Sherman's knowledge of the apocryphal nature of the George Washington cherry tree anecdote leads to an altercation with one of his classmates, Penny Peterson, who calls him a dog and puts him in a chokehold. After Sherman bites Penny in self-defense, Peabody is called into the principal's office and confronted by Ms. Grunion, a child protective services agent, who suspects Peabody of being an unfit parent and plans to visit their home to investigate.

Peabody invites the Petersons over for a dinner party to make amends before Grunion arrives. Sherman, against Peabody's orders, shows Penny the WABAC and takes her into the past, where she stays in Ancient Egypt to marry King Tut. Sherman returns to the present to get Peabody's help. Penny initially refuses to leave, until she is informed that she as well will be killed alongside Tut during the wedding and escapes with Peabody and Sherman.

While trying to return to the present, the WABAC runs out of power, so they stop at the home of Leonardo da Vinci in Renaissance Florence. Penny goads Sherman into piloting da Vinci's flying machine, which he manages to do before they crash. After they resume their journey, Sherman learns of Ms. Grunion's plot and argues with Peabody. After they crash-land in the middle of the Trojan War, Sherman runs away and joins King Agamemnon's army. During the battle, Penny and Sherman are trapped inside the Trojan Horse as it rolls towards a ravine; Peabody saves them, but seemingly dies in doing so.

Sherman and Penny travel back to a few minutes before they left in the present to find Peabody, despite his earlier warnings to never return to a time when they existed. As Sherman and Penny try to explain the situation, Sherman's earlier self shows up. When Grunion arrives, Peabody tries to conceal the presence of two Shermans, but the second Peabody, having survived the crash, arrives back from Troy. Grunion attempts to collect both Shermans, but they and the Peabodys merge, generating a massive cosmic shockwave. When Grunion again tries to take Sherman away, Peabody bites her in a rage, and she calls the New York Police Department. Peabody, Penny, and Sherman race to the WABAC, but cannot time-travel due to a rip in the space-time continuum caused by the merging of their cosmic doubles. A portal appears above New York and historical objects and figures rain down upon the city.

The WABAC crash-lands in Grand Army Plaza where historical figures and police converge. Grunion calls in animal control to arrest Peabody, but Sherman and all others come to Peabody's defense. As the rip worsens, Peabody and Sherman take off in the WABAC and travel into the future for a few minutes, successfully undoing the damage. The historical figures are dragged back to their respective eras and Agamemnon takes Grunion with him. Sherman returns to school, having become friends with Penny and deepened his bond with Peabody.

---

When it was done we were laughing a lot and mer and it was funny!

Qin: Yeah! That was great!

Lola: So funny and awesome!

Xenia: Yeah it was!

Nico: And our target is Ms. Edwina Grunion.

Camie: What does it say about her?

Me: Lets see.

I pulled up her history.

---

Edwina Grunion, better known as simply Miss. Grunion, is the main antagonist of DreamWorks' twenty-eighth full-length animated feature film Mr. Peabody and Sherman. She's a plump, strict and cat-loving woman as well as the arch-nemesis of Mr. Peabody and Sherman.

She was voiced by Allison Janney, who also played Gladys Sharp in DreamWorks' Over the Hedge, Bonnie Plunkett in Mom and Margaux Needler in The Addams Family.

She first appears after Sherman bites his devious classmate Penny Peterson in retaliation for constantly calling him a "dog", humiliating him, and restraining him in a chokehold, Miss. Grunion is determined to have the adoption agency reclaim Sherman from Mr. Peabody permanently.

Later on, after she does try to take Sherman away, Mr. Peabody's fatherly instincts get the best of him and decides to do what Sherman did to Penny the day before; by biting her arm as revenge. Unfortunately Miss. Grunion calls the police to have him arrested while a hole was ripped in the space-time continuum.

In the end, she ends up being dragged back in time to the Trojan War period by King Agamemnon and is then married at the Trojan Horse, while having a new nicer personality.

---

When it was done we were shocked!

Me: What a heartless monster!

Xenia: No one is doing that to Sherman!

Camie: Yeah!

Varie: Peabody is a great parent.

Sonata: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to meet one for Pidgeot next.

Qin: Ooh that one is going to be fast.

Lola: Yep.

Lana: Awesome.

Me: Cool.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, the dark blue iris of Ed Cowart's Third Eye, the red iris of Clara St. Clarice's Third Eye, the dark blue iris of Celine Wendova's Third Eye, and the green iris of Nabiki Tendo's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Yachiru Unohana, the dark side of Retsu Unohana, and she's coming here to get revenge for what happened to Sōsuke Aizen. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know those glowing eyes from anywhere. Lincoln, everyone, is Yachiru Unohana coming after us?

Lincoln: You guessed it, Rayman, and she's coming here to get revenge for what happened to Sōsuke Aizen.

Me: I've heard of her, she's a dangerous serial killer.

Nico: Oh, she's got to go.

Rukia Kuchiki: That's right, and here's something that's bound to send you guys into a tailspin: you see, Yachiru Unohana is the dark side of Retsu Unohara.

We gasped in pure shock.

Eli: What?!

Me: It's true, Rukia told me all about it. But, I saved Retsu long ago by separating her from Yachiru and destroyed her.

Then, we saw Retsu Unohara enter the Estate.

Retsu Unohara: J.D.'s right, he saved me from Yachiru. But, I always feared that Yachiru would one day return, and she'd plagued me all my life.

Lincoln: That's terrible, I'm so sorry you went through that, Retsu.

Retsu Unohara: Thank you for your concern, Lincoln. But, can you do me a favor?

Lincoln: Sure.

Retsu Unohara: Can you use your Dark Side Eternal Purification on me to permanently sever Yachiru for good?

Lincoln: Can do.

Lincoln used his Dark Side Eternal Purification technique and severed Yachiru Unohara from Retsu for good.

Retsu Unohara: Thank you so much.

Beverly Frosch: Now, we won't have any trouble in putting down that serial killer, Yachiru, and make her pay for everything she's done in the name of Sōsuke Aizen.

Nico: Awesome. Alright, gang, let's go, we're heading out to meet Mr. Peabody and Sherman.

Lincoln: Oh man, we're so in for another awesome time-travelling adventure with the awesome dog and boy duo, and once we take down Edwina Grunion and put her in jail, you're next, Yachiru Unohara.

Dark Spicer: Alright, guys. Let's get going.

MODOK: First, let's find their house.

Me: It's located in New York City.

Nico: Then lets go.

We were off to New York City.

---

NEW YORK CITY, NEW YORK

---

We arrived in New York City and we arrived at the Penthouse Mansion of Mr. Peabody.

Me: Here we are.

We went over and rang the doorbell.

The door opened and answering it was Mr. Peabody.

Mr. Peabody: Ah Team Loud Phoenix Storm welcome to my humble abode.

Me: It's truly an honor to meet you Mr. Peabody.

Mr. Peabody: The pleasure is most certainly all mine J.D. Please come in.

We went in.

Block Man: This is a really nice place.

Mr. Peabody: Why thank you Block Man. It gives me an amazing and beautiful view over the entire city.

Me: It sure does. Your house amazing.

Mr. Peabody: I admit it's not as nice and beautiful as your massive 160,934.4 meter home in Michigan but it does give me a great view of the city.

Me: It sure does.

Qin: But it's still a nice home.

Me: Also Mr. Peabody you and Sherman have done so much good over the years helping out some of history's most famous figures.

Mr. Peabody: Indeed I have. I think it's a magnificent feat for me and Sherman.

Eli: Where is Sherman anyway?

Mr. Peabody: Oh he's at school. He'll be back in a few minutes.

Vanitas: That's good to know.

Dark Phoenix: Hopefully, Penny will be with him as well.

Me: Same here. We saw your awesome time machine and it's really cool.

Mr. Peabody: Indeed. The WABAC is one of my most prized machines.

Me: We can see that. Also believe it or not we are no strangers to time travel ourselves. We went all over the very fabric of time and space. We went into the past and into the future.

Nico: He's right. We saw it all.

Mr. Peabody: Indeed. And it's astounding that you all went to the future yourselves.

Me: Yeah.

Sherman and Penny then came in.

Sherman: I'm home Mr. Peabody! And I have Penny with me!

Mr. Peabody: Welcome home Sherman and yes we have guests too.

Me: Hello Sherman and to you Penny.

Sherman: Wow! Team Loud Phoenix Storm!

Penny Peterson: It's an honor to meet you all in person.

Me: Same to you two.

Hornet Man: Have you guys ever met Thomas Edison on one of your trips?

Sherman: We sure have.

Me: Ah the great Thomas Edison, inventor of the Light Bulb. Without him we would still be using candles.

Nico: Indeed. Also we have the powers of some of the most famous historical figures ever known in our Eyecons.

We pulled out our Eyecons and showed them to them.

Penny Peterson: Cool! What do they do?

Me: These are all imbued with the powers of the M.O.E. And all of us and have some of history's most famous figures in them. Watch.

I activated mine.

SUN TZU AND LORD DRAKKON!

Mr. Peabody: Ah the Military Philosopher from 6th Century B.C. China.

Me: And Author of The Art of War. His philosophical quotes have been widely known.

Lord Drakkon: They sure have. What's your favorite of them all?

Me: This one. "Victorious warriors win first and then go to war, while defeated warriors go to war first and then seek to win."

Nico: Very interesting.

Me: Watch what they can do.

I fired a wave of energy and it hit a plant and blew it apart.

Sherman: Wow!

Penny Peterson: Wow! That was awesome

Waffle Woman: We actually had a fun series of missions involving Eyecons.

Cuppa Joe: Including the defeat of Horsea's so called Boogeyman.

Me: Yep. As well as using them on our usual battles. We learned so much about history's famous and infamous figures.

Stacy Bolton: That was entertaining and educational.

Laney: It sure was.

Otto Osworth: I think it's fun too.

Birdbrain: Anyway, how about we tag along on one of your trips?

Mr. Peabody: Certainly. I take it you are here to stop Edwina Grunion.

Me: Yes we sure are. I take it she is trying to get you and Sherman separated.

Sherman: Yeah that witch won't stop.

Me: Hmm. She is bound to follow us into the next time zone.

Xenia: But we have a great time zone for you all to see.

Nico: Ever think about what the future will be like in millions of years?

Penny Peterson: Boy I sure have!

Me: Well we know one place you will love. We're going to the Antarctica Rainforest in 100,000,000 years hence.

Nico: Yep.

Steelbeak: FYI, I'm crazy enough to fight scumbags. But I'm not crazy enough to take on Social Services.

Cargill: I can say that from past experiences that messing with Social Services is very serious.

Me: Yes it is. But this woman is abusive of her power. And she will not listen to reason at all.

Nico: So we need to put her in prison.

Eli: Besides, she gives all social services workers a really bad name.

Varie: And I can't let what she did slide.

Me: Besides that, we ARE the proper authorities and we say that her Social Services license is hereby revoked.

Sixshot: Let's remember not to mess with anything in the past.

Me: That's why we're going to the Future. We're going to 100,000,000 A.D.

Qin: Yep.

Sixshot: Good call there.

Mr. Peabody: Shall we get going then?

Me: We shall.

Nico: Yep. Lets go.

With that Nico opened a portal and we went into the distant future.

---

## ANTARCTICA RAINFOREST - 100,000,000 A.D.

---

We arrived.

Me: Here we are.

Me: Welcome to the Antarctica Rainforest of 100,000,000 A.D.

Penny Peterson: Wow! This is amazing!

Lizzie Strong: It sure is. We all were amazed seeing this place the first time.

Eli: We sure were.

Myotismon: Lots of trees around here.

Evil Shade Man: Are there any bats?

Nico: Not anymore. Darn shame though. But look.

We saw lots and lots of Flutterbirds as well as Falconflies.

Me: Falconflies and Flutterbirds.

Lola: Spitfire Birds, Falconflies and Roachcutter Birds.

Sherman: Amazing!

Penny Peterson: Wow!

Mr. Peabody: Most fascinating and amazing here.

Qin: Yes it sure is.

Turbo Man: Let me zoom around and get a detailed view of the area.

Nico: Okay.

ZOOM!

He ran fast.

Varie: It's still always amazing coming here to this part of the future.

Lizzie Strong: I agree there. It's amazing too.

Laney: And the birds here are so amazing.

Nico: Yep.

Camie: It's amazing that this all used to be the frozen wastelands of Antarctica.

Xenia: Yeah.

Albedo turned into Negative Jetray.

Negative Jetray: Nothing wrong with me getting an aerial view.

Calamitous: Go for it.

He flew into the air to find her.

Qin: All we can do is wait.

Lola: Yep.

Ember McLain: So, Penny. We heard you and Sherman got off to a rocky start.

Penny Peterson: Yeah we did.

Sherman: But now we are best friends and awesome partners.

Ember McLain: Good.

Me: We think you guys are awesome partners together.

Lola: You sure are.

Sherman: Glad you guys think so.

Zs'Skayr: Even the most romantic relationship get off to rocky starts sometimes.

Phantom of Vasquez Castle: Like Duncan and Courtney.

Me: Yeah but they are too young to know about that yet.

Sherman and Penny blushed.

Me: Besides take your time you two.

Sherman: Thanks.

Fuzzy: If that social worker tries laying her hands on you, I'm gonna shoot her with my boomstick!

Me: I'll make sure she gets sent back in a body bag.

Qin: Yeah.

Lola: No kidding. She doesn't deserve to be a social worker too.

Lana: Yeah!

Sentinel Prime: I suggest we start looking for her.

Number 7: Allow me to scan for her.

Nico: Okay.

She did so.

Nico: Sherman what she did to you and Peabody is unforgivable.

Laney: Yeah.

Number 7: Found her. She's 10 klicks to the north.

Me: Awesome.

Livewire: Entrance time!

We went at her.

Edwina Grunion was looking hard for Sherman. But then the spirits of the Leaders of The M.O.E. came and swirled around her and then they converged and then…

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard and we came out.

Me: Edwina Grunion you are under arrest!

Eli: Yeah!

May Kanker: You leave Sherman alone, you big bully!

Grunion: Oh, please. Even you all aren't that stupid to take on Social Services!

Vypra: Well, me and my team ARE criminals. So, we don't really give a damn about what you think Social Services will do to us.

Dark turned into Feralhound.

Feralhound: Here's your warning: Your ass is about to be kicked!

Me: And another thing, you have no say in the matter!

Grunion: You are not the proper authorities.

Me: Actually we ARE The Proper Authorities!

Nico: And as of right now you are fired!

Lola: Yeah

Then Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf, Weather Wizard, China White, Volcano Man, Stormy, Emperor Z, Yost Living Laser, Fire Lord, Vomiting Frog Prince, Garble, Queen Cannabis, and Uchoten appeared.

Scorcher: Good thing we're in the future.

Firepower: Now, we won't have to worry about messing up the past.

Me: Thank goodness.

Sherman: Messing up the past is never good anyway.

Evil Star: You're right about that.

Key: (to me) How was Sunset's baby shower?

Me: It was really fun.

Overdrive: Did you do anything fun?

Me: Tons of awesome things.

Qin: Yeah.

Bangray came.

Me: Bangray. First ever official battle with us?

Bangray: Yep.

Me: Awesome.

Bangray: Nico, I have a special surprise for you when I use my memory power this time.

Nico: Is it a memory of my evil doppelgänger so I can fucking slit his throat?

Bangray: (laughs) No. But we're getting close to that.

Me: Aww man. I want to see that happen to a memory of Evil Nico.

Qin: Yeah.

We got the battles underway.

## Jason Lee Scott, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Mighty Morphin Rangers, Captain America, Snaptrap and Nautilator vs Steven Hudak A.K.A. Scorcher - Nico's Rescue is Sunset's Baby Shower

---

Scorcher was first.

Scorcher: (to Jason) Nico's Rescue was Sunset's Baby Shower. He didn't have to do anything too complex.

Jason Lee Scott: No he sure didn't. But you should have seen what happened there. It was awesome.

Twilight Sparkle: Everyone on the team and everyone and everypony from Crystal Prep and Canterlot High was all there. It was the first ever baby shower they had at Canterlot High School.

Starshine Sparkle: Yeah lots of people were there and it was cool.

Spyro: It sure was.

Tommy Oliver: But everyone had an awesome time.

Captain America: They sure did and everyone was so happy for Sunset.

Scorcher: I'm so glad. Lets do it!

Jason used the Raspberry Lockseed and got a RASPBERRY SLINGSHOT! Then he read a verse from his Wonder Ride Book and a massive heard of Tyrannosaurus's came and smashed Scorcher all over with the force of a massive stampede. They then fired waves of fire and magic and smashed him down.

Firepower was next.

Firepower: (to Aurico) Nico, Irma's team, Demyx's team, and the others did good Battling Another Demyx. And Another Aries Undead Zodiart too.

Aurico: Everyone did a great job on that one and the songs were all really amazing.

Rarity: I agree there too darlings. It was so fun and absolutely musical.

Sweetie Belle: Boy it sure was! The songs we all sang with the Ridewatch powers were awesome.

Gill Grunt: It sure was awesome and fun.

Iron Man: We are all so happy for Sunset though.

Delphine: Now Twilight Sparkle and Pinkie Pie are left.

Firepower: Oh boy. But still Salmon and Ice Cream milkshakes!? GROSS! But it can't be helped. Lets do it!

## T.J. Johnson, Rainbow Dash, Scootaloo, Air Skylanders, Turbo Rangers, Green Lantern, Hornet Man and Magma Man VS Key - Meeting a Fusion Gene-Slammer for Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise

Key was next.

Key: (to TJ) I heard you guys met a Fusion Gene-Slammer for Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise. What's her name?

T.J.: Her name is Sophia Kennedy and she is a really awesome girl.

Rainbow Dash: Boy she sure is! She even has an amazing and cool story.

Scootaloo: Boy I'll say!

---

Sophia Kennedy: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sophia, and I can still defend

myself, and in addition to getting stronger, I've also gotten smarter as well.

Sophia Kennedy: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Sophia, what's the story on how you caused a little "disaster" to happen to Lisa's lab before she could do something bad to Lincoln?

Sophia Kennedy: That's something I'd never forget. One day, Lincoln and I were heading home from the gym after a two-hour work-out, but then, I had a vision that Lisa was going to do something so bad to Lincoln, such as strapping him to a table, removing his organs, along with his heart, and with that, he could die a horrible death. I was really pissed off, and Lincoln could sense my anger. But, I decided to cause some mayhem for her, as we got near The Loud House, I concentrated hard, and I made massive clusters of emerald crystals and gems erupt from nowhere, and it caused a really loud chain reaction of explosions and Lisa's lab equipment and robots were being shredded by the gems and she was running like a chicken with its head cut off. Then, Lincoln and I went inside and we still heard the chaos happening in Lisa's room, and Lisa came out, and she was a mess, and we saw my handiwork: her entire room was covered in emerald crystal clusters and gems and her lab was now a mess and her robots were destroyed. Here's the video of what happened.

Sophia Kennedy played the video, and we saw it: massive clusters of emerald crystals and gems had erupted right out of nowhere, and it caused a really loud chain reaction of explosions and Lisa's lab equipment and robots were being shredded by the gems and she was running like a chicken with its head cut off. Then, Lincoln and Sophia went inside and they still heard the chaos happening in Lisa's room, and Lisa came out, and she was a mess, and her entire room was covered in emerald crystal clusters and gems and her lab was now a mess and her robots were destroyed.

When the video finished, our jaws dropped to the floor.

CLANG!

I had my jaw put back up.

Nico: (Stunned with Awe) Holy… crap!

Eli: (Stunned with Awe) Whoa!

Nico: Those are beautiful!

Lincoln: Yeah, I was stunned myself, but Sophia saved me from what could've been another attempt on my life, and as for Lisa, she got grounded for nineteen weeks, and Lori, Lynn, Lola, and Luan were the ones who told on Lisa, somehow they got the dirt on what Lisa was up to, and they had to wait until a disaster happened.

Lori: And it was Sophia's doing that caused that disaster.

Me: I remember that day all too well.

Nico: Wow. Oh, and I forgot to ask, what did you do with the emerald crystal clusters and gems after it was cleaned up?

Lincoln: Sophia and I sold some of them to jewelry stores, and we got over $950,000,000,000,000 as a result, and we divided the money that we got in half: Sophia got $475,000,000,000,000 and I also got $475,000,000,000,000, and Sophia had opened up her own bank account, and she did the same with me.

Our jaws dropped… again.

CLANG!

I had my jaw reset too.

Aylene C.: (LAUGHS) You guys will catch flies if you keep doing that.

Nico: Dang! That was awesome!

Sunset Shimmer: You got that right, Nico, and emerald gems are rarer and often more expensive than diamonds.

Rita: When Sophia told me and Lynn about it, we were really stunned at how much money she and Lincoln had gotten from selling the emeralds to the jewelry stores, and jewelers would pay a lot of money to get emerald gems, and those looking to buy emerald gem rings pay a lot of money for one.

Lynn Sr.: And when she told us of what she did in opening her own bank account and she also opened up a bank account for Lincoln, (Voice Breaking) I was so proud of him!

Lincoln: And we also kept it a secret. Sorry about that.

Lori: It's okay, Linky, but that's a big step: you're saving money and you're taking responsibility for how you manage your money.

Lynn: And for the remaining emerald gems, Sophia had some plans for them.

Sophia Kennedy: I sure did. Take a look.

Sophia Kennedy had gotten out tons of Rockefeller emerald gem rings and emerald gem earrings, and she gave them to the girls in my harem, Lincoln's harem, Nico's harem, Clyde's harem, Ed Cowart's harem, Ets' harem, Naruto's harem, and all of us.

Me: (Whistle) Those are beautiful!

May: Wow, I really love the craftsmanship of these rings and earrings, these are so awesome.

Maria: They sure are.

Riley Mackenzie: When it comes to making emerald gem jewelry, Sophia's a top expert, and Stella, Emily, and I are also planning on getting into making jewelry: ruby gem jewelry, topaz gem jewelry, and orange amber gem jewelry.

Nico: You girls should go into a ring-making business one day, do you know how much people would pay for quality jewelry like this?

Me: Yeah, they pay top dollar for quality jewelry like this.

FLASHBACK ENDS

Key: Wow! Her crystal and jewel powers did all that!? That's incredible!

Whirlwind: We all were amazed by it.

Cassie Chan: We sure were!

Green Lantern: She and her fellow Crystal Beast Gene-slammers are amazing.

We were amazed by Beverly Frosch's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Yachiru Unohara saw it, she rushed at her to kill her, but Beverly Frosch blocked her attack and fired a powerful aqua blue energy blast with water, ocean waves, and frogs at her and it sent her flying into a tree, she got out, but she was furious now.

Marucho: Incredible, Beverly's transformed.

Lincoln: Yep, she's the next of the Legendary Bakugan Gene-Slammers to transform, and now, we're going to make sure that this serial killer gets washed away by the tides for what she's done, and Beverly, you look beautiful. How do you feel?

Beverly Frosch: (Divine Echoing Cosmic Voice of The Oceanic Aquos Maelstrom Water Frog and Divine Tactical Maelstrom Love) **I feel incredible, Linky. Now, shall we deal with Yachiru Unohara once and for all?**

Lincoln: (Smiles) With pleasure, Beverly.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of antagonizing The Soul Society and the world are over, Yachiru Unohara, and now, it's time for you to die.**

Beverly Frosch and Lincoln went after Mayuri Kurotsuchi, who unsheathed her sword and she tried to attack them, but they blocked every last one of her attacks, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, frogs, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Yachiru Unohara, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her.

This was really getting Yachiru Unohara really pissed off, but Beverly and Lincoln were just getting started. Lincoln used Hurricane Spin and trapped Yachiru Unohara in a powerful whirlwind, and she couldn't escape, and then, Lincoln and Beverly Frosch had massive blasts of water forming in their hands.

Lincoln and Beverly Frosch: Get ready to be washed away by the tides, Yachiru Unohara. AQUOS CYCLONE MAELSTROM FURY!

Lincoln and Beverly Frosch fired massive blasts of water, which transformed into water cyclones, and they hit Yachiru Unohara and she was hit hard by the water and the winds of the Hurricane Spin.

Nico: Whoa, now that's what I call a maelstrom combo of using Oceanus Shenron's Hurricane Spin and Frosch's Aquos Cyclone.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Beverly Frosch, her hand-cannon Blaster is known as Frosch's Aquos Amphibian Maelstrom Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's aqua blue with ocean waves on the blaster with a Phoenix, Angel, and Frosch and the Aquos Symbol surrounded by lights etched on the sides, and a golden yellow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Beverly Frosch fired blasts of rainbow energy, aqua blue energy, and elemental forces at Yachiru Unohara and as they hit her, they exploded with incredible power, and Lincoln drained her completely dry of her life-force, killing her. Then, as they holstered their hand-cannon Blasters, Yachiru Unohara's spirit appeared, and Lincoln fired a black Negative Karma Ball with the Judgement Kanji in it and it hits Yachiru Unohara's spirit, and she was sent to The Black Gates forever. We cheered wildly for what Beverly Frosch and Lincoln did to Yachiru Unohara as they holstered their massive greatswords on their backs and powered down, and Beverly Frosch's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, and massive aqua blue angel wings are permanent.

Beverly Frosch: That's the end for you, you serial killing Shinigami. Thanks for helping me destroy Yachiru Unohara, Linky.

Lincoln: (Smiles Warmly) You're welcome, Beverly.

Suddenly, Beverly Frosch wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Beverly Frosch's face, they kissed passionately as Beverly Frosch's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Archangel, and Frosch flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Lincoln and Beverly Frosch came back to us as the display and Frosch vanished.

Marucho: Wow, Lincoln, Beverly, what you guys did to Yachiru Unohara, that was incredible.

Nico: It sure was, Marucho. Plus, that combo they used, it's like a very powerful twin version of Frosch's Aquos Cyclone, but combined with Oceanus Shenron's Hurricane Spin, and it's a deadly weapon to a Shinigami like Yachiru Unohara.

Lincoln: And you're going to see more combo attacks like that in the days to come, Nico.

Lori: And you know who's next tomorrow, right, Linky?

Lincoln: Oh yeah, Anna "Cobalt Eagle" Cameron - Fusion Gene-Slammer of Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle, and Day 3 of The Dark World Treasure Hunt.

El Diablo: Better call the ACTUAL social services about her.

Toyman: I'm sure they would be happy to here that she's going to jail.

Villamax: Damn straight!

Wolf: Another mission completed.

Weather Wizard: Now, let's go back to Peabody's and celebrate!

Me: Yeah.

Nico: Great job today everyone.

Sherman: (To the viewers) This was an awesome adventure and I hope you all liked it.

Me: I know we all did.

Nico: Yep.

We later went back home and enjoyed the rest of the day and went to sleep.

Also this one was going to be a bloodbath as we were going to kill NUMEROUS Evil Mermaids from the Dark Side of the Legend.

Me: Whitecap Bay, I'll never forget coming here and it will always be so fun and awesome.

Nico: Boy it always is.

I went over what Whitecap Bay was known for and why for the newcomers on the team.

---

Whitecap Bay, often stylized as White Cap Bay, was a large cove on a mysterious island. Doom awaited any misguided mariner who sought out these perilous waters, as the Bay was where mermaids have been known to gather for hundreds of years, thereby striking terror in the hearts of all sailors and pirates.

Myths tell of mermaids lurking beneath the pale, foaming breakers, but few knew that these briny beauties were actually flesh-eating creatures. The remote lighthouse at Whitecap Bay served as a beacon, as man-made light could attract these sirens of the sea. Whitecap Bay was most notably visited as the beginning of the journey to find the Fountain of Youth, where Blackbeard and his crew engaged these denizens of the deep on a mermaid hunt. On the verge of luring a mermaid for her tears, a battle ensued as Blackbeard's crew found themselves surrounded by vengeful foes consumed with rage against mankind.

According to myths and legends, Whitecap Bay was where mermaids have been known to gather for hundreds of years, notably for attacking passing ships and sailors. Stories made concerning mermaids in this mystical place strike terror in the heart of all sailors and pirates, even if it was just a brief mention of it. Not even the cove's rocks could offer refuge from mermaids. They can survive long enough on land to drag a human back into the sea where they can entangle their foe in a powerful grip.

The remote lighthouse at Whitecap Bay was of an ancient design, having been made by the English. In front of a whale oil-fired beacon stands a convex lens, doubling as a harbor light. Legend has it that man-made light and song could attract the sirens of the sea.

During the quest for the Fountain of Youth, Blackbeard journeyed to Whitecap Bay with Jack Sparrow, Angelica and many other of his crewmen to capture a mermaid. Legend had it that mermaids were drawn to man-made light, so Salaman fixed the abandoned lighthouse where it could light up and aimed it on the longboats in the water, sent on a mission to lure a mermaid for her tears. In one longboat, Philip Swift, Scrum, Derrick, Purser, Ezekiel and the Cabin Boy were used as bait. Scrum was forced to sing, by the zombie crewmen Gunner, to lure the mermaids out. Scrum would sing the sea shanty My Jolly Sailor Bold for an hour until Tamara appears.

Tamara continues singing Scrum's song, which attracts more mermaids to surround the longboat. The mermaids try to seduce the pirates, which ends with Tamara showing her true form to Scrum. A fierce battle breaks out between the mermaids and the pirates. Blackbeard's crew attempt to lure the mermaids into the shallows, until Blackbeard himself used his sword to unleash Greek fire from the Queen Anne's Revenge on the mermaids, driving them to shore where the others were waiting with nets to capture them. However, the mermaids started using seaweed lassos to haul the pirates out of reach into the water. Jack Sparrow ran up to the top of the lighthouse and lights up the whale oil, causing the lighthouse to explode, scaring the mermaids and saving the remaining crew. Shortly after the battle, Blackbeard's crewmen were able to capture a young mermaid that would later be named "Syrena".

Later, Hector Barbossa, Joshamee Gibbs, Theodore Groves, Gillette and most of the crew of the HMS Providence would later come ashore during a storm. Barbossa and Groves would examine a mermaid's corpse. Suddenly the mermaids returned and attacked the HMS Providence off the coast. Groves thought that they should save the men aboard, but Barbossa denied it and had them continue their journey on foot. Before they had their heading, they had to watch the Providence sunk, along with most of the crew, by the mermaids. The remainder of the Providence's crewmen continued the journey towards the jungle-infested areas of the island.

It is unknown if anyone attempted to venture to Whitecap Bay again.

The remote lighthouse at Whitecap Bay was of an ancient design, having been made by the English. In front of a whale oil-fired beacon stood a convex lens, doubling as a harbor light and beacon. Legend has it that man-made light could be used to attract mermaids, the sirens of the sea. The Bay's lighthouse would be destroyed by Jack Sparrow, who blew it up to scare the vicious mermaids during the battle at Whitecap Bay.

When I was done everyone was shocked and horrified.

Zuria: Whoa man!

Qin: Yeah it was shocking.

Toru: Terrifying.

Brynja: (Icelandic Accent) That is scary and crazy.

Me: No kidding.

Applejack threw up.

Me: Oh man.

Laney gave her Seasickness medication.

Applejack: Ahh thanks sugarcube.

Laney: You're welcome Applejack

Nico: Applejack, I want to thank you, the Vreedle Brothers, and your teams for coming with me today.

Applejack: Aw it was no problem Nico. And it's going to be so fun helping y'all out.

Octagon: We're really honored.

Nico: Woody, remember when J.D. and the others first met you?

Woody: I sure do Nico and you weren't with us at the time.

Me: That was back in the old days and it was awesome.

I went over what happened in Chapter 20.

The Loud House - 12:00 PM

Me, Varie, and the Loud Kids are firing dart blasters at Lynn Sr. and Rita in the backyard.

Me: We're gonna get you guys!

We were hiding behind a barrier made of bramble vines from Laney's Plant Powers. We were firing a hail of rubber darts.

Lynn Sr.: Oh you missed me!

Me: Lori, Lily, fly above and let them have it.

Lily: Good flanking maneuver.

Lori: Got it.

Lori and Lily spread their wings and flew above Lynn Sr. and Rita and fired darts at them.

Lynn Sr.: Hey, that's not fair!

Me: Tell it to yo mama, Mr. Lynn! [Fires more darts]

Varie: There are no rules in war. [Fires Darts]

Then our games was interrupted by the sounds of sobbing and crying.

Me: Do you guys hear that?

Varie: Sounds like someone's crying.

Rita: It's coming from the front yard.

Lincoln: Lets go check it out.

We all go to the front yard and we find an unusual sight.

It was famous cartoon star legend Woody Woodpecker crying and sitting by the sidewalk.

Me: (Gasp) [In excitement] Woody Woodpecker!? What are you doing all the way out here?

Woody: Oh hello. I was made homeless 2 months ago because of my stupid next door neighbors Wally Walrus and Ms. Meany.

Lincoln: You were kicked out of your own house!? Why would they do that?

Woody: They said I was a total menace to them and… [Crying] They teamed up and kicked me out of my home and my town!

Lola: Those dirtbags!

Lana: We watch your show all the time and they threw you out like garbage?! That is completely disgraceful!

Me: I've known you and your show for years Woody and that is totally barbaric the way they treated you.

Varie: I agree.

Me: We're gonna help you. You can live here now if that's all right with all of you guys.

Lynn Sr.: That's fine with us.

Rita: You can live here Woody.

Me: By the way we never introduced ourselves. I'm James Knudson but call me J.D.

Varie: I'm Varie. J.D.'s Fiance.

Me: The marriage won't be official until we reach our mid 20's.

Lynn Sr.: I'm Lynn Loud Sr. and this is my lovely wife Rita.

Rita: Hello.

Lynn Sr.: These are all our lovely and wonderful children.

Lori: I'm Lori, The eldest. I'm 17 years old and I like texting on my phone.

Leni: I'm Leni. I'm 16 years old and I like fashions.

Luna: I'm Luna. I'm 15 years old. It's a Rockin' honor to meet you dude. I'm the rock star.

Luan: I'm Luan. I'm 14 years old. I'm the jokester of the family.

Lynn: I'm Lynn Jr. But call me Lynn. I'm 13 Years old and I'm the Sports Master.

Lincoln: I'm Lincoln. I'm 11 years old and I'm the only son.

Lucy: I'm Lucy. I'm 8 years old and I like the darkness.

Laney: I'm Laney. I'm 7 years old and I'm the Artist.

Lana: I'm Lana. I'm 6 years old and I'm the handyman.

Lola: I'm Lola. I'm 6 years old and I'm the Beauty Pageant Queen.

Lana & Lola: We're twins.

Lisa: I'm Lisa. It's a pleasure to make your acquaintance. I'm 4 years old and I'm the Scientist.

Lily: And I'm Lily Loud. Biologically I'm 15 months old but I look like I'm 10 years old because of special circumstances.

Woody: Well it's a pleasure to meet you all. Thank you for taking me in.

Me: No problem.

We got to work and built a nice treehouse in the front yard tree. It was an exact duplicate of Woody's old house in where he used to live. But with a bunch of added features. Lana has finished setting up all the internal and external plumbing.

Lana: There you go Woody. Plumbing's all set. But go easy on her first. No heavy meals. Kitchen sink and dishwasher is all set.

Woody: Thanks Lana. You're quite the handyman.

Lana: Thanks Woody.

Me: What do you say we call Wally and Meanie and rub it in their faces?

Woody: Count me in.

I set up my laptop computer in the living room and video call Wally.

At Wally Walrus's house in Indianapolis, Indiana, he heard the telephone ring and he picked it up.

Wally: (Swedish Accent) Hello?

But he saw a video call coming in.

Wally: Oh It's a video call. I've never got one of these before.

He answers it and It was me, Varie and the Loud Kids on the screen.

Me: Hello there. Wally Walrus. I've heard alot about you.

Wally: Well, J.D Knudson. I've heard alot about you. You won that huge multi-billion dollar jackpot in the Colorado Lottery, Ja?

Me: Nice to know that news of our wealth has traveled across the country. But we didn't call you to tell you that I have more money than you. It's not my style, Wally.

Wally: Well, What did you call me for?

Me: It concerns a certain woodpecker former neighbor of yours that use to live next door to you and Ms. Meanie.

Ms. Meanie then appeared into the room with Wally

Wally: WOODPECKER!? We kicked him out and we don't want him back!

Ms. Meanie: We're glad he's gone and we don't want him back in our lives ever!

Me: Try telling that to his face.

Woody comes in and sits in between Lana and Lola.

Woody: Hiya Wally, Meanie. I now have a new home and new friends.

Woody does his trademark laugh.

Me, Varie and the Loud Kids all do the eyelid pull taunt at Wally and Meanie.

Wally and Meanie: WOODPECKER!

Ms. Meanie: We will find you and pulverize you!

Me: Good luck with that you clods! You want to get to him, you got to get through us first!

Varie: And that won't be easy.

Me, Varie, The Loud Kids and Woody all blow raspberries at them and the call ended.

Me: What a dope.

Woody: You said it and I have a feeling that this is the beginning of a beautiful friendship with all of you guys.

Me: You said it.

We all did Woody's trademark laugh.

FLASHBACK ENDS

Nico: Whoa so that's how you guys met Woody!

Laney: Yeah after his neighbor Wally Walrus and his mean landlady Ms. Meanie kicked him out.

Me: We had him move in with us and it was cool.

Woody Woodpecker: It sure is.

Nico: It's awesome that you guys met him.

Me: Yep and he was the first of many that I would introduce to the Louds and the first of many that would come to us.

Nico: Wow.

Juran: Tell me those assholes got what they deserved!

Me: Oh they did. But that wasn't till later.

I went over what happened in chapter 117.

FLASHBACK 2

Lincoln and Woody Woodpecker were in the Simulator.

Me, Varie, Aylene, Linka, Lucy, Laney, Lana & Lola, Penny, Lisa and Lily were in the Control Room.

The Simulator activated and Lincoln and Woody found themselves in the neighborhood Woody used to live in. They saw the treehouse in the tree that Woody used to live in was cut down.

Woody: That dumb Wally cut down my old tree!

Lincoln: He sure did and he and Meanie are gonna get it! Big time!

Woody: You said it Lincoln! Those two are gonna pay for this! For everything they did to me!

Lincoln: Yeah.

They later saw Wally Walrus in his yard working and Lincoln and Woody jumped the fence and ran and Lincoln kicked Wally into the air and Woody jumped up and pecked him on his head and punched him in the nose.

Woody: That was for kicking me out of town!

Lincoln: This is for being a pathetic neighbor!

Lincoln fired a beam of lightning at Wally and electrocuted him with a billion volts of electricity. Wally screamed in pain as he was electrocuted.

Meanie came out of her house and she saw the fight.

Meanie: What's going on up there?!

Wally all burned and black crashed on top of Meanie with a big thud.

CRASH!

Meanie: WALLY GET OFF OF ME!

Wally: (Swedish Accent) I vould Ms. Meanie but I'm a little crispy and can't move. Ouch!

Woody: Just the woman we wanted to see.

Meanie popped out from under him and she saw Woody and Lincoln land.

Meanie: Woodpecker!? I thought we ran you out of town!

Woody: You did and I have new friends now!

Meanie: Ah yes I saw you with this boy and J.D. Knudson.

Lincoln: My name is Lincoln Loud and we're here to make you pay for kicking Woody here out of his home.

Woody: You both ruined my life and now I'm gonna return the favor!

Meanie: We'll see about that!

Lincoln: Meanie, you are the worst woman that ever lived and your brother sucks whale blubber!

Meanie got completely enraged and Lincoln gets into the Tree Stance and Lightning arches all around him.

Meanie charges at Lincoln and Lincoln opens his eyes and they have a raging thunderstorm in his sclera and he channels lightning into his foot and crane kicks Meanie in the face and sends her crashing into her house with devastating force. It was so powerful that it reduced Meanie's house into Sawdust.

Lincoln: How do you like that Shocking Attack!?

Meanie arose from the dust pile and she was completely enraged. Her face is as red as blood, her body is raging hot and all the arteries and veins in her eyes are showing and she was growling ferociously.

CONTROL ROOM.

Me: Whoa! Ms. Meanie is really mad now!

Lola: Now kidding! She is in for it now!

SIMULATOR.

Meanie charged at Lincoln and roared at the top of her lungs completely out of her mind with so much extreme rage that it was unbelievable. Lincoln did all sorts of punches and kicks to her and did all kinds of stunts like in Kung Fu Panda.

Woody: Woah! Look at Lincoln go.

Wally: Ja. I didn't know he vas this good at Martial Arts.

Woody: Me neither. [Pecks Wally's head and kicks him in the face]

Lincoln blocks a punch and kicks Meanie high into the air and she crashes back down with a tremendous thud.

Lincoln: Ooh! That looked painful.

Meanie got up and she was weak and tired.

Meanie: You haven't (Slurred) won yet! You're just a stupid little brat!

Meanie tries to chop Lincoln but he grabbed her index finger with his thumb and Index Finger.

Lincoln: I'm not a stupid little brat. I'm the man with the plan. [Lincoln raises his pinky finger]

Meanie: The Wuxi Finger hold!?

Lincoln: You know this hold.

Meanie: I thought that hold was just a myth! Nobody could've taught you that!

Lincoln: Nope. I figured it out. [puts his pinky finger down] Eat this!

A massive golden shockwave covered over the area and it was awesome.

Woody: Wow! He won!

Wally: He sure did. But where's Ms. Meanie?

Lincoln: The Wuxi Finger banishes the target to the Spirit Realm for all eternity.

Wally: Incredible! I never even knew such a move even existed. Voodpecker I'm so sorry I sent you away. It was all Meanie's idea. She hated you the most.

Woody: I had a feeling it was too Wally. No hard feelings.

Wally: No hard Feelings. But I promise to send you video calls every once in a while.

Woody: Okay.

Wally: I deserve that beating but it was for the best.

Lincoln: That's all right Wally.

Wally: By the way Lincoln, how did you learn how to fight like that?

Lincoln: My sister Lynn and my best friend J.D. taught me.

Wally: J.D. Knudson? He's now worth billions and he's your teacher? That's awesome. Ja?

Lincoln: That is awesome.

Woody: Well we got to head home.

Lincoln: Lets go.

Turns out they actually were fighting in Woody's old town for real.

Woody finally got justice against Meanie and she was now gone forever.

FLASHBACK 2 ENDS

When it was done everyone was amazed!

Nico: WHOA! Lincoln used the Wuxi Finger Hold on Meanie!? That's incredible!

Lincoln: Yep. That was so awesome and fun.

Nico: Wow! Did you learn that one from J.D.?

Lincoln: Nope. I figured it out.

Qin: Wow!

Xenia: That is amazing.

Lola: We all thought it was fun. Linky gave that jerkwad Meanie a massive piece of his mind.

Lana: It was awesome!

Me: He sure did.

Nico: Boy that was so awesome.

Laney: One of the most fun ever.

Me: Yep. Also Ms. Meanie is now in the Masters of Evil and it's good that they are keeping her temper in check.

Lola: Yeah and I thought Eva's anger problems were bad.

Octagon: We put this on her.

They put a leg brace on her.

Me: A leg brace?

Rhomboid: This is an electroshock anti-anger brace. Whenever someone gets angry they get a really painful electric shock of 100,000,000 volts.

Me: Ouch!

Varie: Extreme but it's fitting too.

Nico: Yeah it sure is. Great job.

Octagon: Thanks.

Xenia: But Yesterday's mission was cool too.

Nico: Yesterday was an awesome time traveling adventure.

Me: It sure was.

Nico: And it was smart thinking heading to the future instead of the past.

Lola: That is a good thing there.

Me: It sure is. But Mr. Peabody and Sherman are all awesome.

Eli: So is Penny. She is cool.

Octagon: Some of you guys might have been concerned with attacking a Social Services member. But me, Boid, and the rest of the Masters of Evil? We're still criminals. So, we don't care about the legal consequences.

Me: I know.

Nico: That's true.

Qin: But that woman was never a good Social Services member.

Me: And guys before you have breakdowns I just want you to know that I dug a little deeper into Grunion's background and found out some shocking info. I found out that she was abusing her power as a social services member to not take kids away but to sell them on the worlds black market to be sold to sex traffickers for HUGE sums of money!

Everyone: WWWWWHHHAAAAAAAAAATTTTTT!?

Maria: DOES SHERMAN FUCKING KNOW ABOUT THIS?!

Me: Yes he does and he is grateful that we saved him from a horrible fate worse than death.

Nico: Wow! That is big! Good work J.D. Also thank goodness we stopped Grunion.

Me: Now she is facing federal human trafficking charges.

Qin: Yep.

Nico: All punishable with up to life in prison.

Lola: Yeah.

Nico: Yeah. So is there a reason why you wanted to come here

J.D.?

Me: I've been under a lot of pressure because of the upcoming battle with Team Loud Evil Storm as well as the crimes and atrocities of Hiroshi and I need to blow off some huge steam.

Nico: Good idea.

Lola: Yeah it sure is.

Camie: But from what I heard, these mermaids only appear at night.

Brittney: Leave that to me.

She had the moon come up and it eclipsed the Sun and made day turn into night.

Brittney: Now to work my magic.

Brittney fired a ball of Dragon Fire and it hit the Whale Oil in the Lighthouse and ignited it and she moved the light onto the water and formed an illusion of the pirates from the 4th movie.

[The oil is lighted, and the beam moves around a bit, and lands on a longboat. The pirates squint at it.]

Ezekiel: We're doomed. They be drawn to manmade light!

Cabin Boy: Sharks?

Ezekiel: Worse than sharks, boy. There'll be mermaids upon us within the hour, you mark my words! And we're the bait!

Derrick: I heard it said that a kiss from a mermaid protects a sailor from drowning.

Ezekiel: Don't be a fool. Mermaids are all female, son. And lovely as a dream of heaven. But when it comes to churn butter, so to speak, they snatch a sailor off a boat or the deck of a ship, have their way, then the sailors are pulled to bottom, and drowned… AND EATEN!

Scrum: [whisper] Sometimes… the other way around.

Gunner: [off-screen] Sing.

Scrum: What?

Gunner: They like to hear singing.

Scrum:… My name it is Maria, a merchant's daughter fair…

Gunner: Louder.

Scrum:… and I have left my parents and three thousand pounds a year… my heart is pierced by Cupid, [nods to the others] I disdain all glittering gold.

All: There is nothing that can console me but my jolly sailor bold…

Nico: Now we wait.

We waited.

[Later]

Scrum: [tiredly] My heart is pierced by Cupid… I disdain… all glittering gold… there is nothing that can console me… [Philip wakes up]… but my jolly sailor bold…

[Philip sees something drifting by in the water. Scrum sees it too. But it's gone. ]

Me: Targets sighted. My mermaid sensing powers are going haywire.

Nico: And there below are the evil mermaids!

Me: CHARGE!

We flew down and landed on the water and then went at the Dark Mermaids!

We all clashed with the dark mermaids and the entirety of Whitecap Bay was being turned into a savage bloodbath. Blood and guts were splattering everywhere, limbs were being severed and thrown, organs were flying everywhere and heads were coming off. But as the fight progressed more mermaids from the dark side kept on coming by the tens of millions from all over the world. We were blasting and slashed them apart and it was a gruesome and horrific fight of indescriminate fury.

Varie and Maria were facing some mermaids underwater.

Maria: We don't know who you are. But you're giving mermaids a very bad name!

Whitecap Bay Mermaid: Then why don't you cry about it? Perhaps to your parents who are with you. OR maybe to those stupid boyfriends of yours?

Oh she did not just go there.

Maria: Oh, you did not just insult our boyfriends!

Varie and Maria ripped her apart and blasted her.

Massive fiery explosions were blowing some of the mermaids apart and were setting some of Whitecap Bay on fire. Magic, ice, fire, light, crystal, lightning, earth, wind, water and energy blasts were blowing apart some of the mermaids and throwing their limbs and organs everywhere and we were smashing their heads in with hammers and maces. Applejack was punching their heads off with her superhuman strength. Nicole was sealing all of their souls into the Book of Vile Darkness with her magic and they all just kept on pouring into it. It was a grizzly and gruesome fight.

Rhomboid pretty much dumped several grenades into the water.

Octagon: Boid… was that our entire grenade supply that we brought with us here?!

Rhomboid: Yep!

UH OH!

Then…

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

It blasted NUMEROUS Whitecap Bay Mermaids all over!

Blowing them to pieces!

Me: Try this on!

I activated the Killer Mermaid Vistamp!

KILLER MERMAID!

I sang the song of the siren and drew the mermaids in to me with hypnotic power and then they jumped at me and I slashed and cut and eviscerated them all over the place.

Lola: WHOA!

Me: Wow! The Dark Side Song of The Mermaids for men. I didn't know it works both ways.

Nico: But that was clever!

Nico: KILL THEM! KILL THEM ALL!

We went at them and slashed and butchered them all!

Me: Taste this one! (ACTIVATES ASAJJ VENTRESS'S VISTAMP)

ASAJJ VENTRESS!

I got her lightsabers and slashed and bisected and cut all the Whitecap Bay Mermaids all over and slashed them all over the place with incredible fury!

Nico: Just keep on killing them!

Me: Try this one! (ACTIVATES ANOTHER GINGA'S VISTAMP)

ANOTHER GINGA!

I fired waves of planets energy and blasted the Whitecap Bay Mermaids all over with the powers of the planets and blasted them into pieces.

Woz: Ah. I remember Ginga. That was a great addition to my arsenal.

Me: That's right! I remember seeing Ginga before. Man oh man he was one tough ass son of a bitch!

Woz: Indeed he was General J.D. He was brutal too.

I fired waves of energy and blasted more mermaids all over.

Eli: And this one too. (ACTIVATES X-SQUAD SEPHIROTH'S VISTAMP)

X-SQUAD SEPHIROTH!

He got Sephiroth's powerful and sharp 7 foot long Masamune Sword and slashed numerous mermaids into pieces with it and its incredible sharpness!

Me: Nice one!

Nico: Maybe electrifying the water will help!

Me: Go for it!

Nico: DRAGON THUNDERCLAP!

The 5 Star Dragonball on Nico's Bracelet glowed and he fired lightning and it struck the water and then massive waves of lightning and electricity surged through it and incinerated and obliterated numerous Whitecap Bay Mermaids.

They were all dead.

Me: That did it! WHEW! I feel so much better.

May: Please tell me that's all of them!

Me: It is. My mermaid sense stopped.

May: Whew. Good.

Me: But I feel so much better.

Nico: Good. I'm glad J.D.

Qin: Yeah but man that was fun.

Maria: Here J.D.

She gave me some water and I was gulping it down.

Me: Ahh. I needed that. Thanks Maria.

Maria: No problem.

But then Rarity's mark for Taurus the Bull glowed as she winced in pain from it.

Me: Uh oh. Just in time too. The next Undead Zodiart is close.

Rarity: And I have a feeling I know what it is darlings.

Nico: Good thing all the mermaids are gone, huh?

Me: No kidding. But they will be back next time we're here.

Applejack: Yeah. Coming here always is fun though.

Eli: Yep. But here comes the next Undead Zodiart.

We saw a figure come out and it was ANOTHER TAURUS UNDEAD ZODIART! It looked like a mixture of Bullox, Horri Bulls and Leanbow in his Ancient Power Form!

Me: Whoa! Another Taurus Undead Zodiarts!

Lola: Wow! For Taurus the Bull.

Me: So we're going through the Zodiac in order. Nice.

Maria: Who are you?

Another Taurus Undead Zodiart: (In a Girls Voice) (Hawaiian Accent) I think J.D. knows me. Aloha J.D.

Me (Gasp) That voice)

She reverted back and it was a girl that was from Hawaii. It was a black hair girl with a hula dancer outfit on. She had a red tube top and a green grass skirt on.

Me: Wow Aloha to you Camie Keihanaikukauakahihuliheekahaunaele.

Camie Keihanaikukauakahihuliheekahaunaele: Great to see you again J.D.

Me: Same to you.

Nico: Wow that's a long name.

Me: Yeah it sure is.

Nico: But do you know her?

Me: I sure do. Her name is Camie Keihanaikukauakahihuliheekahaunaele. I met her over in Hawaii on the big island and saved her from being burned by a lava flow coming from Kilauea Volcano as it was burning down numerous houses and I saw that she has amazing lava and volcano powers. It's how she got the Hawaiian Moniker, Keiki a Pele. That means Child of Pele.

Camie Keihanaikukauakahihuliheekahaunaele: That's right.

Qin: That is amazing! I've seen Kilauea erupting all over the news and that was incredible.

Camie Keihanaikukauakahihuliheekahaunaele: It sure was. Kilauea is a might and powerful mistress.

Nicole: All volcanoes are.

May: Sorry about the mess. We were cleaning house.

Camie Keihanaikukauakahihuliheekahaunaele: I can see that. You guys turned all of this bay into a bloodbath.

Me: That is a total understatement.

Nico: I'll say.

Me: Are there anymore opponents with you?

Camie Keihanaikukauakahihuliheekahaunaele: I'm afraid so and they were Another versions of them. (Points to the Vreedle Brothers.)

Octagon: Another Versions of Us!?

Rhomboid: Well I'll be!

Nico: This is gonna be interesting.

Rarity: Oh it certainly will be darlings. I'll face her first.

Camie Keihanaikukauakahihuliheekahaunaele: All right then.

She turned into Another Taurus Undead Zodiarts!

Rarity: Taste these!

She fired waves of energy and water and it hit Another Taurus Undead Zodiarts and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Zodiarts Switch and Rouse Card and purified them. The Rouse Card showed the stars of Taurus the Bull and its symbol as well as a bull on it.

Me: Champ would love this one and he is the Kyuranger of Taurus the Bull. Then the Zodiarts Switch glowed and formed into Armbands for those of Taurus the Bull.

Rarity: Oh this armband is a most beautiful and stylish accessory.

Qin: It sure is awesome.

I went over and picked up Camie and brought her over and Varie looked her over.

Camie Keihanaikukauakahihuliheekahaunaele: (GROANS) What a headache.

Varie: But you're back to normal.

Nico: Now the next opponent can't be far behind.

Maria: Or opponents in this situation.

Nico: Yep.

Eli: And there they are.

We saw two figures come out and they were dark versions of The Vreedle Brothers! They were ANOTHER VREEDLE BROTHERS!

Me: Whoa! Another Vreedle Brothers!

Applejack: Well I'll be stripped like an apple and dipped in caramel!

Qin: Wow!

Octagon: Wow! This is crazy!

Rhomboid: Boy it's like we're looking at ourselves in a mirror.

Another Octagon: (In a girls voice) It sure feels weird doesn't it.

Another Rhomboid: (In a Girls Voice) Yeah it feels crazy.

Me: (GASP) The Wendollton Twins!

Another Octagon: That's right J.D.

Another Rhomboid: It's good to see you again.

Me: You too girls. But I was not expecting this to happen to you.

Another Octagon: I know.

Nico: You know them?

Me: I sure do. Another Octagon is Bianca and Another Rhomboid is Bertha. They are the Wendollton Twins. They are very powerful and amazing twins that work a tow truck company. I helped them deal with some really nasty people that don't pay what they owe on time and even some of those people want nothing more than to kill us.

Qin: GEEZ!

Nico: So they are Repo Girls.

Me: Yep.

Octagon: Wow! Just like me and Rhomboid here.

Rhomboid: Very coincidental.

Kaito: (gets out Go Onger gear) Did Swartz promise you anything?

Zocks: (Gets out Gekiranger gear) Because we can grant it instead.

Another Octagon: Well we have been trying to repossess the vast collection of cars from this family.

She pulled out a wanted poster and it was someone that I have been trying to bust for years: Don Giacomo Stromboli XVI, the leader of the most nefarious and merciless and most feared crime family in all of Europe and the World, The Stromboli Mafia Syndicate.

I gasped!

Me: WHOA MAN! Don Giacomo Stromboli XVI. I've been trying to bust him for years!

Nico: I've heard of him. INTERPOL, The CIA, FBI, Scotland Yard and all the top dog Law Enforcement Agencies have been working together to try and bring him and his entire family down. I was helping the CIA dig up some dirt on him so that they can bring him down for good. But every time I did so he would always cover his tracks. He is THAT slippery.

Me: Yeah. He and his entire syndicate have done it all. Murder, Arson, racketeering, drugs, human trafficking and every crime there is and even killed other mob bosses and families all over Sicily, Italy, Russia, France, Japan. Bolivia, Colombia, Boston in the U.S.A. and many more places all over the world. Every Mafia Organization all over the world feared them. He even rose to the top of all the Top Law Enforcement Agencies most wanted lists. I'm also no accountant but he owes more than $62,223,579,399,999,999,999,999,999.00 in taxes and more. There's even massive bounties on him and his entire family ranging up to $500,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 on their heads.

Qin: WHOA! 500 Vigintillion!? That's amazing!

Nico: Yep.

Another Octagon: It sure is.

Another Rhomboid: Swartz promised to help us by bringing him down.

Me: Well lot of luck that did.

Another Octagon: I knew he was lying.

Another Rhomboid: Same here.

Me: Well it's good you want to bring them in.

Nico: Yeah.

Kaito got a RPM Road Sword and Zocks got a Jungle Fury Staff.

Me: Sorry we have to fight like this girls.

Sougo: (gets out Super Samurai Red Ridewatch) Geiz, you're not going to transform yet?

Sougo got SuperSamuraiRedArmor.

Geiz: Relax. I'll transform when Nico uses his second Ridewatch.

Me: Ooh. Okay then. Lets see here. I know! (ACTIVATES

ANOTHER GINGA'S RIDEWATCH)

(THE SIGN BY ACE OF BASE PLAYS)

Me: (SINGING DIVINELY AS STARS AND PLANETS SWIRLED AROUND ME)

Shock!

I, I got a new life

You would hardly recognize me

I'm so glad

How can a person like me care for you?

(Ah) Why do I bother

When you're not the one for me

Is enough enough?

I saw the sign and it opened up my eyes

I saw the sign

Life is demanding without understanding

I saw the sign and it opened up my eyes

I saw the sign

No one's gonna drag you up

To get into the light where you belong

But where do you belong?

Under the pale moon

For so many years I've wondered who you are

How could a person like you bring me joy

Under the pale moon

Where I see a lot of stars

Is enough enough?

I saw the sign and it opened up my eyes

I saw the sign

Life is demanding without understanding

I saw the sign and it opened up my eyes

I saw the sign

No one's gonna drag you up

To get into the light where you belong

But where do you belong?

Oh, oh, oh, oh

I saw the sign and it opened up my mind

And I am happy now

Living without you

I've left you, oh oh oh

I saw the sign and it opened up my eyes

I saw the sign

No one's gonna drag you up

To get into the light where you belong

I saw the sign, I saw the sign

I saw the sign

I saw the sign, I saw the sign

I saw the sign, I saw the sign

I saw the sign and it opened up my eyes

I saw the sign

I floated and fired waves of planets and stars and smashed them down.

Lola: Try this bad Fire Beam. (ACTIVATES OMEGA METROID'S RIDEWATCH)

(THE MUMMER'S DANCE BY LORENNA MCKENNITT PLAYS)

Lola: (SINGING DIVINELY AS FIRE AND METROIDS SWIRLED AROUND HER)

Ooh, ooh, ooh, ooh

Ooh, ooh

Ooh, ooh, ooh, ooh

Ooh, ooh

When in the springtime of the year

When the trees are crowned with leaves

When the ash and oak, and the birch and yew

Are dressed in ribbons fair

When owls call the breathless moon

In the blue veil of the night

The shadows of the trees appear

Amidst the lantern light

We've been rambling all the night

And some time of this day

Now returning back again

We bring a garland gay

Who will go down to the shady groves

And summon the shadows there

And tie a ribbon on those sheltering arms

In the springtime of the year

The songs of birds seem to fill the wood

That when the fiddler plays

All their voices can be heard

Long past their woodland days

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

And so they linked their hands and danced

'Round in circles and in rows

And so the journey of the night descends

When all the shades are gone

A garland gay we bring you here

And at your door we stand

It is a sprout well budded out

The work of our Lord's hand

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

She fired a powerful Nitronapalm fire beam and it hit the Another Vreedle Brothers and smashed them both down!

Qin: WHOA! That was lethal!

Nico: Yeah it sure was!

Xenia: Yeah!

Tsuyu: How about this one? (ACTIVATES VACATION WORLD'S RIDEWATCH)

(FEEL AGAIN BY ONEREPUBLIC PLAYS)

Tsuyu: (SINGING DIVINELY AS TROPICAL ENERGY SWIRLS AROUND HER)

It's been a long time coming since I've seen your face

I've been everywhere and back trying to replace

Everything that I had 'til my feet went numb

Praying like a fool that's been on the run

Heart's still beating, but it's not working

It's like a million dollar phone that you just can't ring

I reached out tryna love, but I feel nothing

Yeah, my heart is numb

But with you

I feel again

Yeah, with you

I can feel again, yeah

---

Ooh (feel again)

I'm feeling better

Ever since you know me

I was a lonely soul

But that's the old me

A long time coming since I've seen your face

I've been everywhere and back trying to replace

Everything that I broke 'til my feet went numb

Praying like a fool who just shot a gun

Heart still beating, but it's not working

It's like a hundred thousand voices that just can't sing

I reached out tryna love, but I feel nothing
Oh, my heart is numb
But with you
I feel again
Yeah, with you
I can feel again
But with you (I'm feeling better)
(Ever since you know me) I feel again
(I was a lonely soul)
(But that's the old me) yeah, with you
I can feel again
(I was a lonely soul)
Woo-hoo

---

I'm feeling better (ooh)
Ever since you know me (ooh)
I was a lonely soul (ooh)
But that's the old me (ooh)
I'm feeling better (ooh)
Ever since you know me (ooh)
I was a lonely soul (ooh)
But that's the old me (ooh)

I'm feeling better (ooh)

Ever since you know me (ooh)

I was a lonely soul (ooh)

But that's the old me (ooh)

I'm feeling better

Ever since you know me

I was a lonely soul

But that's the old me

A little wiser now

From what you've shown me

Yeah, I feel again (oh)

Feel again, ooh

She fired beams of energy and the Another Vreedle Brothers had awesome tropical vacation clothes on and they were Hawaiian Shirts and shots.

Me: Aloha!

Nico: (gets out Vreedle Brothers' Ridewatch) Time to blow shit up real good!

(MISIRLOU BY PULP FRICTION PLAYS)

Nico ran fast and his hands turned into powerful cannons and he ran and blasted the Another Vreedle Brothers all over the place with incredible power and fiery explosions blasted out all over the place!

Qin: (SINGING DIVINELY AS RED FIRE SWIRLED AROUND HER)

Hush, child, the darkness will rise from the deep

And carry you down into sleep

Child, the darkness will rise from the deep

And carry you down into sleep

Guileless Son, I'll shape your belief

And you'll always know that your father's a thief

And you won't understand the cause of your grief

But you'll always follow the voices beneath

---

Loyalty Loyalty Loyalty only to me

Guileless Son, your spirit will hate her

The flower who married my brother the traitor

And you will expose his puppet behaviour

For you are the proof of how he betrayed her loyalty

---

Loyalty Loyalty Loyalty only to me

Hush, child, the darkness will rise from the deep

And carry you down into sleep

Child, the darkness will rise from the deep

And carry you down into sleep

---

Loyalty Loyalty Loyalty only to me

Guileless Son, each day you grow older

Each moment I'm watching my vengeance unfold

For the child of my body, the flesh of my soul

Will die in returning the birthright he stole

---

Loyalty Loyalty Loyalty only to me

Hush, child, the darkness will rise from the deep

And carry you down into sleep

Child, the darkness will rise from the deep

And carry you down into sleep

Loyalty Loyalty Loyalty only to me

She floated and fired waves of red fire and blasted the Another Vreedle Brothers all over.

Qin: YEAH!

Me: Awesome!

Lola: Yeah!

Sirius: Time for some Celtic Power. (ACTIVATES MORRIGAN'S RIDEWATCH)

(WALKING IN THE AIR BY CHLOE AGNEW PLAYS)

Sirius: (SINGING DIVINELY AS CELTIC SYMBOLS SWIRLED AROUND HER)

We're walking in the air

We're floating in the moonlit sky

The people far below are sleeping as we fly

We're holding very tight

I'm riding in the midnight blue

I'm finding I can fly so high above with you

Far across the world

The villages go by like trees

The rivers and the hills

The forest and the streams

Children gaze open mouth

Taken by surprise

Nobody down below believes their eyes

We're surfing in the air

We're swimming in the frozen sky

We're drifting over icy

Mountains floating by

Suddenly swooping low on an ocean deep

Arousing of a mighty monster from its sleep

We're walking in the air

We're dancing in the midnight sky

And everyone who sees us greets us as we fly

She floated and fired waves of energy and symbols and smashed the Another Vreedle Brothers down!

Qin: Awesome Sirius!

Nico: (gets out Buzz Buzzard's Ridewatch) Time for Buzzard action!

Geiz: (gets out Changeman Ridewatch) NOW I'm transforming!

Geiz got ChangeDragonArmor.

He was ready!

Me: YEAH!

Nico activated his Ridewatch and ran fast and swiped all sorts of interstellar jewels from the 2 Another Vreedles.

Me: YEAH!

Qin: Whoa! Those are awesome!

Lola: YEAH!

Qin: Time for darkness to be unleashed. (ACTIVATES CARLY ATLAS'S RIDEWATCH)

(IT'S THE FEAR BY WITHIN TEMPTATION PLAYS)

Qin: (SINGING DIVINELY AS ORANGE FLAMES AND FIRE AND HUMMINGBIRDS SWIRLED AROUND HER)

It waits for the day I will let it out.

To give it a reason, to give its might.

I fear who I am becoming,

I feel that I am losing the struggle within.

I can no longer restrain it,

my strength it is fading,

I have to give in.

It's the fear

Fear of the dark

It's growing inside of me,

that one day will come to life.

Have to save

To save my beloved,

there is no escape,

because my faith is horror and doom.

Hold down your head now,

just let me pass by.

Don't feed my fear,

if you don't want it out.

I fear who I am becoming,

I feel that I am losing all beauty within.

I can no longer restrain it,

my strength is fading.

I have to give in.

It's the fear

Fear of the dark

It's growing inside of me,

that one day will come to life.

Have to save

To save my beloved,

there is no escape,

because my faith is horror and doom.

Long ago it came to me

and ever since that day,

infected with its rage

but it ends today.

It's the fear

Fear of the dark

It's growing inside of me,

that one day will come to life.

Have to save

To save my beloved,

there is no escape,

because my faith is horror and doom.

She floated and fired waves of fire and smashed them both down.

Me: Nice one Qin!

Carly Atlas: YEAH! I love the band Within Temptation!

Lola: Wow!

May: (gets out Billy and Mandy Duck's Ridewatch) Hope this isn't stinky for you!

Geiz: (gets out Flashman Ridewatch) Time for something flashy!

Geiz got RedFlashArmor.

He was ready!

Qin: YEAH! Watch this one. (ACTIVATES DEVACK'S RIDEWATCH)

(DESTROYED BY WITHIN TEMPTATION PLAYS)

Qin: (SINGING DIVINELY AS YELLOW FIRE SWIRLED AROUND HER)

I did my best to please you

But my best was never good enough

Somehow you're only able to see

All I am not

Did you ever look behind?

Aren't you afraid of the pieces you'll find?

I have failed you

But you have failed me too

It's so easy to destroy and condemn

The ones you do not understand

Do you ever wonder if it's justified?

It's so easy to destroy and condemn

The ones you do not understand

In your life, why didn't you ever try?

I close my eyes as I walk the thin line

Between love and hate

For the person with the same blood

In his veins

You show no regrets

About all the things you did or said

I have failed you

But believe me you failed me too

It's so easy to destroy and condemn

The ones you do not understand

Do you ever wonder if it's justified?

It's so easy to destroy and condemn

The ones you do not understand

In your life, why didn't you ever try?

It's so easy to destroy and condemn

The ones you do not understand

Do you ever wonder if it's justified?

It's so easy to destroy and condemn

The ones you do not understand

Do you ever wonder if it's justified?

She floated and fired waves of yellow fire and smashed them both down.

May activated Duck's ridewatch and then…

LOUD FART!

She released a deadly fart and it hit the Another Vreedles and made them cough and gag!

Qin: GEEZ! Lethal!

Me: I hope Billy doesn't kill me for using this one. (ACTIVATES BILLY AND MANDY CLOWNS RIDEWATCH) Lets Be Friends!

(THE HIGHWAYMAN BY LORENNA MCKENNITT PLAYS)

Me: (SINGING DIVINELY AS CRAZY CLOWNS SWIRLED AROUND ME AS THEY SAY LETS BE FRIENDS OVER AND OVER)

The wind was a torrent of darkness among the gusty trees

The moon was a ghostly galleon tossed upon the cloudy seas

The road was a ribbon of moonlight over the purple moon

A highwayman came riding

Riding, riding

A highwayman came riding, up to the old inn-door

He'd a french cocked hat on his forehead, a bunch of lace at his chin

A coat of glaring velvet, and breeches of brown doe skin

They fitted with never a wrinkle, his boots were up to the thigh

And he rode with a chill and a twinkle

His pistol butts a twinkle

His rapier hilt a twinkle, under the jeweled sky

And over the cobbles he clattered and clashed in the dark of night

And he tapped with his whip on the shutters, but all was locked and barred

He whistled a tune to the window, and who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a long dark red love-knot into her long black hair

One kiss, my bonny sweetheart, I'm after a prize tonight

But I shall be back with the yellow gold before the morning light

Yet if they press me sharply, and harry me through the day

Then look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way

He rose upright in the stirrups, he scarce could reach her hand

She loosened her hair in the casement, her face burnt like a brand

As the black cascade of perfume came tumbling over his breast

And he kissed its waves in the moonlight

Oh, sweet waves in the moonlight!

Then he tugged at his rein in the moonlight, and galloped away to the west

He did not come at the dawning, he did not come at noon

And out of the tawny sunset, before the rise of the moon

When the road was a gypsy's ribbon, looping the purple moon

A red-coat troop came marching

Marching, marching

King George's men came marching, up to the old inn-door

They said no word to the landlord, they drank his ale instead

But they gagged his daughter and bound her to the foot of her narrow bed

Two of them knelt at the casement, with muskets at their side

There was death at every window

Hell at one dark window

For Bess could see, through the casement

The road that he would ride

They had tied her up to attention, with many a sniggering jest

And they bound a musket beside her, with the barrel beneath her breast

Now keep good watch and they kissed her

She heard the dead man say

"Look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

She twisted her hands behind her, but all the knots held good

She writhed her hands 'til her fingers were wet with sweat or blood!

They stretched and strained in the darkness and the hours crawled on by like years!

'Til, now, on the stroke of midnight

Cold, on the stroke of midnight

The tip of one finger touched it!

The trigger at least was hers

Tlot-tlot! Had they heard it? The horse-hoofs ringing clear

Tlot-tlot, in the distance, were they deaf that they did not hear?

Down the ribbon of moonlight, over the brow of the hill

The highwayman came riding

Riding, riding

The red-coats looked to their priming

She stood up straight and still

Tlot in the frosty silence, tlot, in the echoing night

Nearer he came and nearer, her face was like a light

Her eyes grew wide for a moment, she drew one last deep breath

Her finger moved in the moonlight

Her musket shot her in the moonlight

Shattered her breast in the moonlight and warned him with her death

He turned, he spurred to the west, he did not know she stood

Bowed, with her head o'er the musket, drenched with her own red blood

Not 'til the dawn he heard it, his face grew grey to hear

How Bess, the landlord's daughter

The landlord's black-eyed daughter

Watched for her love in the moonlight, and died in the darkness there

And back, he spurred like a madman, shrieking a curse to the sky

With a white rope smoking behind him and his rapier brandished high

Blood-red were the spurs inthe golden moon, wine-red was his velvet coat

When they shot him down on the highway

Down like a dog on the highway

And he lay in his blood on the highway, with a bunch of lace at his throat

Still of a winter's night, they say, when the wind is in the trees

When the moon is a ghostly galleon, tossed upon the cloudy seas

When the road is a ribbon of moonlight over the purple moon

The highwayman comes riding

Riding, riding

The highwayman comes riding, up to the old inn-door

I fired waves of energy and smashed them both down.

May: (gets out Bronto Burt's Ridewatch) If you think that's lethal, watch this!

Geiz: (gets out Fiveman Ridewatch) Behold the power of siblings!

Geiz got FiveRedArmor.

May activated her Ridewatch and summoned NUMEROUS Bronto Burt's and they went at the Another Vreedles and smashed them all over.

Qin: YEAH! Now watch this one. (ACTIVATES MISTY TREDWELL'S RIDEWATCH)

(TOURNIQUET BY EVANESCENCE PLAYS)

Qin: (SINGING DIVINELY AS GREEN FIRE SWIRLED AROUND HER)

I tried to kill the pain

But only brought more (so much more)

I lay dying

And I'm pouring crimson regret and betrayal

I'm dying, praying, bleeding and screaming

Am I too lost to be saved?

Am I too lost?

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

Do you remember me?

Lost for so long

Will you be on the other side?

Or will you forget me?

I'm dying, praying, bleeding and screaming

Am I too lost to be saved?

Am I too lost?

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

I want to die

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

My wounds cry for the grave

My soul cries for deliverance

Will I be denied Christ?

Tourniquet

My suicide

Return to me salvation

Return to me salvation

She fired waves of green fire and blasted them both down!

Misty Tredwell: OH YEAH! Awesome job Qin!

(ROLLING IN THE DEEP BY ADELE PLAYS)

May: (SINGING DIVINELY AS FIRE SWIRLED AROUND HER)

There's a fire starting in my heart

Reaching a fever pitch, it's bringing me out the dark

Finally I can see you crystal clear

Go ahead and sell me out and I'll lay your ship bare

See how I'll leave with every piece of you

Don't underestimate the things that I will do

There's a fire starting in my heart

Reaching a fever pitch and it's bringing me out the dark

The scars of your love remind me of us

They keep me thinking that we almost had it all

The scars of your love they leave me breathless

I can't help feeling

We could've had it all (you're gonna wish you)

(Never had met me)

Rolling in the deep (tears are gonna fall)

(Rolling in the deep)

You had my heart inside (you're gonna wish you)

Of your hands (never had met me)

And you played it (tears are gonna fall)

To the beat (rolling in the deep)

Baby, I have no story to be told

But I've heard one on you, now I'm gonna make your head burn

Think of me in the depths of your despair

Make a home down there, as mine sure won't be shared

The scars of your love (never had met me)

Remind me of us (tears are gonna fall)

They keep me thinking (rolling in the deep)

That we almost had it all (you're gonna wish you)

The scars of your love (never had met me)

They leave me breathless (tears are gonna fall)

I can't help feeling (rolling in the deep)

We could've had it all (you're gonna wish you)

(Never had met me)

Rolling in the deep (tears are gonna fall)

(Rolling in the deep)

You had my heart inside (you're gonna wish you)

Of your hands (never had met me)

And you played it (tears are gonna fall)

To the beat (rolling in the deep)

We could've had it all

Rolling in the deep

You had my heart inside of your hand

But you played it with a beating

Throw your soul through every open door (whoa)

Count your blessings to find what you look for (whoa)

Turn my sorrow into treasured gold (whoa)

You pay me back in kind and reap just what you've sown

We could've had it all (tears are gonna fall, rolling in the deep)

We could've had it all (you're gonna wish you never had met me)

It all, it all, it all (tears are gonna fall, rolling in the deep)

We could've had it all (you're gonna wish you)

(Never had met me)

Rolling in the deep (tears are gonna fall)

(Rolling in the deep)

You had my heart inside (you're gonna wish you)

Of your hands (never had met me)

And you played it (tears are gonna fall)

To the beat (rolling in the deep)

Could've had it all (you're gonna wish you)

(Never had met me)

Rolling in the deep (tears are gonna fall)

(Rolling in the deep)

You had my heart inside (you're gonna wish you)

Of your hands (never had met me)

But you played it, you played it, you played it

You played it to the beat

She floated and fired waves of fire and blasted the Another Vreedles all over the place.

Me: (SINGING DIVINELY AS BLUE FIRE SWIRLED AROUND ME)

So much for your promises

They died the day you let me go

Caught up in a web of lies

But it was just too late to know

I thought it was you

Who would stand by my side

And now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You said you'd die for me

Woke up to reality

And found the future not so bright

I dreamt the impossible

That maybe things could work out right

I thought it was you

Who would do me no wrong

But now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

From this empty heart

I thought it was you

Who said they'd die for love

And now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

Oh, no, no, no

You said you'd die for me

Oh, for

Die for me

So much for your promises

So much for your promises

I floated and fired waves of blue fire and smashed them both down.

I hear your voice on the wind

And I here you call out my name

"Listen my child, " you say to me

"I am the voice of your history

Be not afraid, come follow me

Answer my call and I'll set you free"

I am the voice in the wind and the pouring rain

I am the voice of your hunger and pain

I am the voice that always is calling you

I am the voice, I will remain

I am the voice in the fields when the summer's gone

The dance of the leaves when the autumn winds blow

Ne'er do I sleep throughout all the cold winter long

I am the force that in springtime will grow

I am the voice of the past that will always be

Filled with my sorrow and blood in my fields

I am the voice of the future

Bring me your peace

Bring me your peace and my wounds, they will heal

I am the voice in the wind and the pouring rain

I am the voice of your hunger and pain

I am the voice that always is calling you

I am the voice

I am the voice in the past that will always be

I am the voice of your hunger and pain

I am the voice of the future

Brittney: (SINGING DIVINELY AS PURPLE FIRE SWIRLED AROUND HER)

When leaves have fallen and skies turned into grey

The night keeps on closing in on the day

A nightingale sings his song of farewell

You better hide for her freezing hell

On cold wings, she's coming

You better keep moving
For warmth, you'll be longing, nightingale
Come on, just feel it
Don't you see it?
You better believe
When she embraces your heart turns to stone
She comes at night when you are all alone
And when she whispers your blood shall run cold
You better hide before she finds you
Whenever she is raging
She takes all life away
Haven't you seen?
Haven't you seen?
The ruins of our world
Whenever she is raging
She takes all life away
Haven't you seen?
Haven't you seen?
The ruins of our world
She covers the earth with a breathtaking cloak
The sun awakes and melts it away
The world now opens its eyes and sees

The dawning of a new day

On cold wings she's coming

You better keep moving

For warmth, you'll be longing, nightingale

Come on, just feel it

Don't you see it?

You better believe

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

She floated with her pitch black angel wings spread and fired waves of fire and darkness and smashed them both down!

Maria: (gets out Mustache Girl's Ridewatch):Fear the power of the Mustache!

Geiz: (gets out Kyuranger Ridewatch) I'm feeling lucky today!

Geiz got ShishiRedArmor.

Nico: YEAH!

Maria activated it and got a really awesome mustache.

Maria: (Laughs like Billy) This thing tickles.

Maria sent its hair at the 2 Another Vreedles and tickled them all over and they laughed hysterically.

Nico: (LAUGHS) That's funny!

Me: It sure is!

Woody Woodpecker: My turn!

Woody flew and landed on Another Octagon's head.

Woody Woodpecker: Guess who? HAHAHAHAHA HAHAHAHAHA HAHAHAHAHA (PECKS HER HEAD)

Another Octagon: HEY!

Woody flew and activated his Ridewatch and then fired waves of acorns and bashed them both all over.

Nico: OH YEAH!

Woody Woodpecker: My turn!

Woody flew and landed on Another Octagon's head.

Woody Woodpecker: Guess who? HAHAHAHAHA HAHAHAHAHA HAHAHAHAHA (PECKS HER HEAD)

Another Octagon: HEY!

Woody flew and activated his Ridewatch and then fired waves of acorns and bashed them both all over.

Nico: OH YEAH!

Woody Woodpecker: Watch this. (ACTIVATES BUZZ BUZZARD'S RIDEWATCH)

He flew and swiped lots and lots of cash from them and it was all the money that Buzz stole over the years.

Qin: NICE!

Woody Woodpecker: Buzz would never believe this!

Albedo turned into Negative Ripjaws and dove into the water.

He swam fast and then went and grabbed lots of amazing treasure from lots of ships and brought it up to us.

Me: Wow! What a booty!

Negative Ripjaws: That's for a start.

He dove back in and threw numerous barrels at the 2 Another Vreedles and they were FULL of rum! The Another Vreedles were DRUNK LIKE LOONS!

Me: OH NO!

Jamesdean5842: Oh Boy. It's gonna be another one of those days!

Another Octagon: (Slurred Speech) What are you looking at you dumb (HIC) morons!

Another Rhomboid: (Slurred Speech) Yeah! (HIC) You mind your own business! (BARNEY GUMBLE BELCH)

Maria: Please let the next Gene Slammer appear!

?: Someone call!?

A Pidgeot swooped in with incredible speed and smashed them both down with ease and they were back to normal. I caught their ridewatch and it was for Applejack.

Me: Applejack. Cool.

I went over to the Wendollton Twins and they were out cold and were sleeping.

Both girls were wearing Repo Men Uniforms and had Badges on them. They both had red hair and blue eyes and I picked them up and they were out cold.

Me: Boy that old Rum made them drunk and then sleepy.

Nico: They're gonna be feeling that when they wake up.

The Pidgeot landed.

Pidgeot: (In a girls voice) But that was a fast one.

Nico: Whoa! Amelia Earhart Florrence! Awesome to see you again.

Pidgeot: Same here Nico.

Me: Wow! Are you related to…

Pidgeot: No. Just because I have Amelia Earhart in my name doesn't me I'm related to her. I'm not a pilot, but I am an angel.

Me: Cool!

Woody: What's your favorite memory of Nico?

Pidgeot: I have a lot of them but my favorite was when me and Nico flew over Paris and we really laid the smackdown on that bitch Lila Rossi! I hate that motherfucking monster with a merciless vengeance and I want nothing more than to kill her.

Me: Boy who DOESN'T want to kill her. After all the shit she did in Paris, everyone wants her head mounted on a pike.

Pidgeot: That's right. But I met Nico after I heard he joined the team and I would help him out on some of his missions whenever he was out on missions.

Qin: That's cool!

Me: That sure is.

Lola: Yeah.

Pidgeot: I would like to be reverted back now. But I'm naked.

Nicole: Oh boy. No peeking boys or I will kill you!

I put on my blind man glasses and I snapped my fingers and the boys covered their eyes. Amelia reverted back and was back to normal and she had golden hair and had yellow eyes and had beautiful brown angel wings. And she was naked. The Fashion Brigade went in and gave her new awesome and amazing clothes. She had orange and gold ones.

Amelia tried to flap her arms but fell to the ground.

May: (picks her up) Oh yeah. You can't fly right now.

Amelia: (confused) Since when can't I fly?

Me: You have angel wings you know. But they are awesome.

Amelia: Oh right. But it's good to be back to normal.

Nico then hugged her.

Nico: I've really missed you.

Amelia: Me too Nico. Me too.

Nico: Yeah. Lets get home.

Me: Good idea.

We went back home to the estate and then I put Bianca and Bertha on the sofa. They were going to really be out for a while.

And we're also going to destroy Hemorrhage, another enemy of Vampirella, and a psychotic vampire mercenary with blood magic given to him by Lord Nocturne.

Lincoln: Whoa, we're back in Dark World for Day 3 of The Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the three girls here, but Connie Jackelstein is going to get a powerful treasure there: a powerful greatsword known as The Demonic Cobalt Darkness Greatsword of Cobal, Excavator of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Cobal, Excavator of Dark World, it's perfect for her, and we're also going to destroy Hemorrhage, another enemy of Vampirella, and a psychotic vampire mercenary with blood magic given to him by Lord Nocturne.

Rita: Oh, not him, this guy is really bad news, and he really hates Vampirella with a burning passion.

Nico: Big time, and to make it worse, he also knows blood magic.

Me: The darkest kind of magic.

Lincoln: Blood magic in the hands of someone like that, that's just going too far, and I'm going to see to it that he dies horribly for his crimes, and I want to thank you and your team for joining us, Liam.

Liam: Aw shucks, you're welcome, Lincoln, and you know one day, Rusty and Zack should also come with you on your rescues as well.

Nico: And I also got to come up with teams for them when we get them their own archenemies as well. Now, we got to find Cobal, Excavator of Dark World's shrine.

Connie Jackelstein: And I think I know where to find to find it.

We continued on and we arrived at Cobal, Excavator of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Cobalt Darkness Greatsword of Cobal, Excavator of Dark World, a powerful demonic massive greatsword with cobalt blue gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large cobalt blue gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large cobalt blue gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Cobalt Darkness Greatsword of Cobal, Excavator of Dark World, that sure is one scary looking demonic greatsword.

Connie Jackelstein: : And it's absolutely perfect for me.

Suddenly, we saw Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle head for us, and with them are the three girls.

Nico: Wow, that's Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle head for us, and they got the three girls.

Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle: (Girl's voice) And away from Hemorrhage.

Lincoln: (Gasps) That voice, Anna "Cobalt Eagle" Cameron, I knew it was you, it's awesome to see you again, but we'll talk later, I know that Hemorrhage is already heading for us.

?: How surprising to see you again here, Vampirella.

Vampirella: Oh, there's no mistaking that voice from anywhere. Don't you know when to quit, Hemorrhage.

We then saw our target, Hemorrhage.

Vampirella: Hemorrhage, I see that time hasn't improved your attitude towards me, and now, you want me dead?

Hemorrhage: More than that, now, I want to see you suffer in the cruelest way imaginable for everything that you've done in humiliating me.

Connie Jackelstein: That's it, you blood magic-crazed psychopath, you just sealed your own fate!

Connie Jackelstein went up and she grabbed The Demonic Cobalt Darkness Greatsword of Cobal, Excavator of Dark World. Suddenly, Connie Jackelstein's dark blue eyes turned neon dark blue, and she was surrounded by a black and cobalt blue energy aura with darkness, demons, dark magic, and cobalt blue flames, she unholstered her massive Cobal, Excavator of Dark World's Demon Greatsword of Darkness Cobalt Justice, and as she approached Hemorrhage, she left black and cobalt blue energy, darkness, demons, dark magic, and cobalt blue flames with every step.

Connie Jackelstein: You really make me sick, Hemorrhage, what you've done in your past proved you were nothing more than a monster with a thirst for blood, but what you've done in making a deal with Lord Nocturne to gain blood magic proves that you're willing to cross any line for power, and for that, I will make sure that you die a horrible gruesome death for your crimes.

Suddenly, Connie Jackelstein was surrounded by a massive vortex of black and cobalt blue energy with darkness, cobalt blue flames, and dark magic surrounding it, there are demons and Cobal, Excavator of Dark World flying around the vortex, and inside the vortex is a blue phoenix with blood red eyes glaring at Hemorrhage: the eyes of death. Then, as the vortex faded, Connie Jackelstein emerged, but she was changed forever.

Connie Jackelstein has transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS COBALT BLUE FIRE DEMON EXCAVATOR DARK WORLD DEMONIC ANGEL OF DEMONIC COBALT BLUE FIRESTORM DARK WORLD JUSTICE AND DIVINE COBALT BLUE FIRESTORM DARK WORLD LOVE!

We were amazed by Connie Jackelstein's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Hemorrhage saw it, he fired a blast of blood at her, but Lincoln used his own blood magic and it went to him and he devoured it, and Connie Jackelstein fired a powerful black and cobalt blue energy blast, demons, darkness, dark magic, and cobalt blue flames at Hemorrhage and sent him flying out of the shrine and we also came outside, he got up and he was really pissed off now.

Nicholette Torrington: Whoa, Connie Jackelstein has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lori: That is literally amazing, and as Lincoln puts it, all of Dark World is going to witness the death of Hemorrhage.

Lincoln: You got that right, Lori, and Connie, you look beautiful, how do you feel?

Connie Jackelstein: (Divine Echoing Cosmic Voice of the Dark World Cobalt Demon Excavator and Divine Excavator Dark World Divine Love) **I feel incredible, Linky. Now, shall we deal with this love-sick psychopath once and for all?**

Lincoln: (Smiles) With pleasure, Connie.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Connie Jackelstein.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to give you a lesson what happens when you try to kill Vampirella, who happens to be one of my future wives, you love-sick psycho.**

Connie Jackelstein and Lincoln went after Hemorrhage, who continued firing blasts of blood at them, but Lincoln kept on devouring and absorbing them, and they fired extremely powerful blasts of rainbow energy, black and cobalt blue energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Hemorrhage and they exploded with incredible power as they hit him, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was major league pissing off Hemorrhage, but Celine Wendova and Lincoln were getting started, then Connie Jackelstein called upon the dark forces of Dark World and they fired powerful blasts of darkness at him and blasted him badly, and Lincoln called upon the forces of the night and sent creatures of darkness at him who tore into him.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Connie Jackelstein, her hand-cannon Blaster is known as Cobal, Excavator of Dark World's Demonic Excavator Darkness Cobalt Blue Fire Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with cobalt blue flames on the blaster with a Phoenix, Angel, and Cobal, Excavator of Dark World surrounded by darkness etched on the sides, and a cobalt blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Connie Jackelstein fired blasts of rainbow energy, black and cobalt blue energy, and elemental forces at Hemorrhage and as they hit him, they exploded with incredible power, and it knocked him down.

Then, the tip of one of Lincoln's eleven massive and long white wolf tails turned into Cell's stinger, and as he sent it at Hemorrhage, the stinger stung Hemorrhage in the chest and Lincoln began absorbing Hemorrhage along with assimilating his powers and strength. Then, as soon as Lincoln was done absorbing Hemorrhage and assimilating his powers and strength, his tail came back and the tip changed back and nothing was left of Hemorrhage except for his clothing. Then, an energy card was fired from Lincoln's massive greatsword and it had Hemorrhage's soul inside, and when the Judgement Kanji appeared on his forehead, he was sent to The Black Gates forever. We cheered wildly for what Connie Jackelstein and Lincoln did to Hemorrhage as they holstered their massive greatswords on their backs and powered down, and Connie

Jackelstein's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long cobalt blue wolf tails, and massive cobalt blue angel wings are permanent.

Connie Jackelstein: This time, don't you dare come back. Thanks for helping me destroy Hemorrhage once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Connie.

Suddenly, Connie Jackelstein wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Connie Jackelstein's face, they kissed passionately as Connie Jackelstein's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Cobal, Excavator of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Connie Jackelstein came back to us as the display and Cobal, Excavator of Dark World vanished.

Nico: Whew, now that's what I call one blood-fueled battle.

Me: That wasn't going to end well for Hemorrhage anyways.

Lincoln: That's right, he should've known better than to fire blood at me since I'm a vampire, and in the end, he was defeated and I absorbed him and assimilated his powers and strength, and sent his dark soul to The Black Gates for good. (To Anna Cameron) And it's so good to see you again, Anna Cameron.

Anna "Cobalt Eagle" Cameron reverted back to normal, and she's a beautiful girl with long flowing cobalt blue hair, cobalt blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has a cobalt blue gem embedded on her forehead and massive and beautiful cobalt blue angel wings with stars and sparkling cobalt blue gems and an aura of sparkling cobalt blue gems around her and she reigned in the powers of Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle, and she's dressed in a sleeveless cobalt blue open vest, sleeveless cobalt blue top, cobalt blue skirt, cobalt blue bellbottom pants with flowers, cobalt blue sneakers, and long white sleeveless trenchcoat with indigo flames, cobalt blue gems, and eagles on the coattails and Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle holding a cobalt blue gem on the back and holstered on her back is a Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle-themed large greatsword with embedded cobalt blue gem and Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Blue etched on the 7'0" massive, wide, double-edged indigo blue blade, large eagle heads for the crossguard, large cobalt blue gem embedded in the rainguard, longer midnight black handle, four large eagle heads and a large cobalt blue gem on the bottom of the large eagle heads for the pommel.

Anna Cameron: You too, Lincoln, it's been a long time, and it's also good to see you again, Indigo Carrington, Chloe Laurine, and Serenity Lexington.

Indigo Carrington, Chloe Laurine, and Serenity Lexington: You too, Anna.

Lincoln went up to Anna Cameron and he hugged her, and Anna Cameron is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sophia Kennedy: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her, and she also knows Indigo Carrington and Chloe Laurine?

Lincoln: Indeed I do, Nico, this is Anna "Cobalt Eagle" Cameron, she's my Guardian Angel from The Bronx, New York, and my classmate in Art. She's also an old friend of Serenity Lexington, Gene-Slammer of Rainbow Overdragon from New York before she moved to Royal Woods, and she purposefully Gene-Slammed herself into a Fusion Gene-Slammer of Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise in order to protect me from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home.

Nico: Yep, I figured that was coming.

Lincoln: That's right, and as a result of it, she gained cobalt blue angel wings with stars and became a master of the indigo color of the rainbow and even cobalt gems, and like Indigo Carrington, Gene-Slammer of Advanced Crystal Beast Cobalt Eagle, she also gained indigo fire powers that can turn bad people into stars for her wings and make them her prisoners.

Me: That's really awesome.

Lincoln: Right, and she's easily identified by a cobalt blue gem embedded on her forehead and her favorite Crystal Beast Duel Monsters are Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle, and she was trained by Indigo Carrington, Gene-Slammer of Advanced Crystal Beast Cobalt Eagle and Chloe Laurine, Gene-Slammer of Crystal Beast Cobalt Eagle, and she hates Lori with a blazing passion.

Nico: Nice!

Indigo Carrington: It sure is, and she's really become an awesome expert in using the powers of Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle, along with using indigo fire and creating cobalt blue gems, and thanks to all that training, she also gained an aura with sparkling cobalt blue gems around her and in her cobalt blue angel wings, along with the stars in her angel wings, which are the prisons for the criminals who crossed her.

Chloe Laurine: Which is also another awesome feature for her, and it also warns her of any incoming dangerous threats.

Jesse Anderson: That's really amazing.

Anna Cameron: Thanks, Jesse, and there's also something you all should know: you know that I've given myself the task of protecting Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home, and Lincoln's right, I really hated Lori with a blazing passion.

Nico: Uh oh.

Anna Cameron: But, I actually prevented that by causing a little "disaster" before we even set foot at The Loud House and I also imprisoned a group of thugs that came after Lincoln, so there's no need to worry, Nico.

Nico: That's a relief, but what "disaster" did you cause to Lori?

Lincoln: You'll hear the full story later, Nico, trust me, it's really hilarious, and it's just like Sophia's story yesterday.

Anna Cameron: He's right, and it's guaranteed to knock your socks off. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Anna, are you absolutely sure about this?

Anna Cameron: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Anna Cameron, and he saw that she's really serious, and he smiled as he walks over to Anna Cameron, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Anna Cameron's neck with cobalt blue gems on the gold lightning bolts and cobalt blue crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Anna Cameron: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Anna.

Anna Cameron has a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Sophia Kennedy's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Yuna Goha, Ranran Nanahoshi, and Asaka Mutsuba from Yu-Gi-Oh Go Rush.

Lincoln: Oh wow, it's Yuna Goha, Ranran Nanahoshi, and Asaka

Mutsuba from Yu-Gi-Oh Go Rush.

Nicole: Awesome.

Lincoln: Are you girls okay?

Yuna Goha: Yes, we're okay, thanks to you.

Then, when Yuna Goha and the other two girls saw who it was that saved them from Hemorrhage, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

He had his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and large gold Elemental Shield of Harmony holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-

Yuna Goha: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Yuna Goha: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yuna Goha, Ranran Nanahoshi, and Asaka Mutsuba with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Connie Jackelstein had gotten The Demonic Cobalt Darkness Greatsword of Cobal, Excavator of Dark World, and the team was shocked when they found out the villain we went after was Hemorrhage, another enemy of Vampirella.

But, when Lincoln showed them what happened such as Connie Jackelstein transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and she and Lincoln laying a brutal beatdown on Hemorrhage and it ended with Lincoln using Cell's absorption technique and he absorbed Hemorrhage and assimilated his powers and strength and sent his soul to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Anna Cameron have a lot of catching up to do, now that she's back in town.

Maria: Holy crap, that's another one of Vampirella's enemies put down, and it was Hemorrhage, the love-sick blood magic using psychopath.

Lincoln: Too bad for him he made a big mistake in trying to use his blood magic to kill me, since I'm a vampire and I also know about blood magic and I also feed on blood.

Me: He had no idea who he was fucking with, and look at what happened.

Nico: Yep, he was beaten down and Lincoln absorbed him and sent his soul to The Black Gates.

---

After getting rid of Hemorrhage, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Anna Cameron saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Anna Cameron: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Anna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Anna Cameron: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Anna, what's the story on how you caused a little "disaster" to happen to Lori's room after you saved him from an attempt at his life?

Anna Cameron: That's something I'd never forget. One day, Lincoln and I were heading home from the gym after a two-hour work-out, but then, we saw a group of thugs heading for us, and they had knives in their hands and they were going to kill us, and I saw that those thugs were remnants of The Black Daffodil Gang, and they were out for blood, and they told us that Lori had hired and paid them to murder Lincoln and throw his body into The Kalamazoo River, because she was tired of him living and she called him an obstacle to her way to getting what she wants. That really pissed me off, and it also pissed off Lincoln big time: that power-hungry control freak bitch really crossed a big line, but, before they could kill us, I fired blasts of indigo fire and they got turned into stars for my cobalt blue angel wings and they were made my prisoners. We put a stop to an attempt on Lincoln's life, but we were really pissed off that Lori was the one who did this, and we had to exact payback on her and we had to do it fast because if Lori finds out Lincoln's still alive, she would head out and kill him herself, so, I decided to cause some mayhem for her. As we got near The Loud House, I'd concentrated hard, and I made massive clusters of cobalt blue crystals and gems erupt from nowhere, and that caused Lori to really let out a really loud chain reaction of shrieks and she was running like a chicken with its head cut off as the cobalt blue crystal clusters were erupting out of nowhere and her dresses were really getting shredded. Then, Lincoln and I went inside and we still heard the crazy chaos happening in Lori's room. Lori came out, and her hair and clothes were a mess, and we saw my handiwork: her entire room was covered in cobalt blue crystal clusters and gems and her room was now a mess and her dresses were destroyed. Here's the video of what happened.

Anna Cameron played the video, and we saw what happened: massive clusters of cobalt blue crystals and gems erupt from nowhere, and that caused Lori to really let out a really loud chain reaction of shrieks and she was running around like a chicken with its head cut off as the cobalt blue crystal clusters were erupting out of nowhere and her dresses were really getting shredded. Then, Lincoln and Anna went inside and they still heard the crazy chaos happening in Lori's room. Lori came out, and her hair and clothes were a mess, and we saw Anna's handiwork: Lori's entire room was covered in massive cobalt blue crystal clusters and gems and her room was now a mess and her dresses were destroyed.

When the video finished, our jaws dropped to the floor.

CLANG!

We pulled our jaws up.

Me: We got to stop doing that or we're going to catch flies.

Nico: (Stunned with Awe) Holy… crap!

Eli: (Stunned with Awe) Whoa!

Lincoln: Yeah, I was stunned myself, but Anna saved me from what could've been another attempt on my life, and as for Lori, she got grounded for nineteen weeks, and Lynn was the one who told on Lori, somehow she found out what Lori was up to, and she was pissed when she found out Lori had gotten help from remnants of The Black Daffodil Gang, and she wanted to head into her room and rip her to shreds, but she had to wait until a disaster happened.

Lynn: And it was Anna's doing that caused that disaster.

Me: I remember that day all too well.

Varie: Yeah, and when Lincoln told me and you, I sprayed Lori with raw sewage and you dropped a bucket of fish-heads on her head.

Nico: Gross!

Hunter (Road Rovers): Sprayed with raw sewage and getting a bucket of fish-heads dumped on her head, yuck, but warranted.

Throttle: What Dark Lori did that day, that's what I call crossing another line: getting the remnants of the very gang who terrorized Detroit, and whom you all put down all those years ago, to kill her own little brother, that's just sick.

Modo: You said it, Throttle, but, you really saved Lincoln that day, Anna, and I can guess Lincoln also got a bit of payback on Lori as well, right?

Me: He sure did, he fired a blast of lightning at Lori and he electrocuted her so much, her hair looked like the Bride of Frankenstein.

Rita: And her body had random spasms from the electric blast Lincoln fired at her, but Lisa said that it would wear off in two to five days.

Nico: Phew, now that's a relief. But, Lori, what were you even thinking?

Lynn: Blame her Dark Side for that one, and I also got in payback as well, I gave her a Camel Clutch and she was in a lot of pain, and she deserved it: hiring remnants of The Black Daffodil Gang to kill my little brother, that's low even for her, and she's done tons of low things, because of that Dark Side of hers.

We got a shower afterwards, and then, Nico and his harem are heading to the spa in the northern part of Gotham Royal York for a relaxation date.

Nico snapped his fingers, and the dark blue-haired, 7'5", handsome and extremely muscular man was dressed in large dark blue swim trunks with the Dragon surrounded by elemental forces and stars on it and dark blue flames coming off the swim trunks, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

May: Whoa, we're here in the spa, awesome.

Nico: That's right, May. Plus, this is the same spa Lincoln and his harem went to as a reward after all the shit they went through because of Damian Alaister and The Church of Necrom, and we're going to get an awesome spa treatment and relaxation before we go on our next mission.

Nico and his harem headed in and they got an awesome full-body massage from the masseuses at the spa, and they were really enjoying it, then, they headed for an Olympic-sized swimming pool and they dived into the waters and they had fun swimming in the waters and they also had a swimming race, and they went to the gym there and they also got another workout, and his harem also got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Nico made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the massive, wider, and muscular backs of Nico and his clones, and they placed their right hands on the massive left pecs of Nico and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln and I also saw Nico had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: Hey, Nico, how was your date?

Nico: It was awesome, Lincoln, we went to the spa in the north of Gotham Royal York, and we had an awesome time.

May: Yeah, the masseuses there really gave us an awesome full-body massage, we also went to the Olympic-sized swimming pool and had fun swimming, then we went to the gym there for another work-out, and we also had lunch there too.

Indigo Carrington: That's right, and it's the same spa you and your harem went to for a relaxation date after all the crap you guys went through because of Damian Alaister and The Church of Necrom.

Lincoln: That's right, we went there before on our date to relax after all the crap we went through due to Damian Alaister and The Church of Necrom.

Nicholette Torrington: Yep, it's the same spa, alright.

---

Later it was time for Matt's third Ambassador Mission.

Nico: This will be so awesome.

William: Anyone else want to go with Matt? Besides Tyler and Max?

Brittney: Me and the Goths of Darkness will go with.

Nico: Awesome.

Eli: I think that's everyone and also Hook and Long Haul can go too.

Hook: Awesome! Looking forward to this one.

Long Haul: Me too!

Nico: All right lets head out.

I went and got in an Ultrasaurus Zoid and we were off.

---

We arrived in the world of Dino Trux.

Nico: Here we are guys.

Brittney: Wow so this is the world of Dino Trux.

Lucy Loud: It's amazing.

Eli: It sure is.

Ty saw us.

Ty Rux: Hey guys!

Me: Hey Ty.

Ty Rux: Wow! You have a different Zoid this time J.D.?

Me: Yep. This is Ultrasaurus.

Nico: Cool huh.

Matt: Ty, this is Tyler Nevarro and Max from the Dino Squad.

Tyler Nevarro: Awesome to meet you. I'm the leader of the Dino Charge Rangers.

Max: And I'm the leader of the Dino Squad.

Ty Rux: Awesome! Cool to meet you guys.

Me: And this is my daughter Brittney and her team the Goths of Darkness.

Ty Rux: Awesome to meet you guys.

Brittney: Same here Ty.

They introduced themselves.

Ty Rux: Wow! Awesome to meet you and you all look awesome in black as well.

Lucy Loud: Thanks Ty. It's a great color.

Ty Rux: I knew we'd be getting two dino heroes for a visit!

Tyler Navarro: (LAUGHS) That's awesome.

Me: Yeah it sure is.

Nico: And these two are Hook and Long Haul, the last 2 members of the Constructicons.

Hook: Awesome to meet you Ty.

Long Haul: Same here.

Ty Rux: Awesome to meet you guys as well.

Nico: So, what's been new since our last visit?

Ty Rux: Well the new tower we all built has been defeating Scrap Creatures all over the place and making sure they don't come into the Crater.

Me: Awesome to know that the tower we all built is working and defending everything perfectly.

Hook: Glad to know.

Ty Rux: Yeah but also Pounder has been seen around the area.

Eli: Pounder?

Ty Rux: He's a Pounderolophus and you would not like him.

He went over his history.

---

Pounder is a major antagonist in Dinotrux, appearing in Seasons 3-5. It is a Poundersauroluphus, a species which combines aspects from a Pile driver and a Parasaurolophus; they are often referred to simply as Pounders.

Pounder was trapped by the Dinotrux so that they could transport it out of the Crater, but it proved too clever for this tactic. Skya then attempted to defeat it through brute force, but found that she could never overcome the creature's strength and speed; however, she realized she could turn its aggressive nature against it. To that end, she lured it into a canyon and deliberately jumped off the edge with the Pounder in pursuit, but saved herself using her hook while it fell to the ground. However, even this proved insufficient to halt the Pounder, which continued to haunt the Crater.

Some time later, Pounder joined in the group assault on Ty himself. Despite Skya and the others coming to their friends aid, Pounder and his teammates were able to knock them off the bridge and into the river below. By the events of "The Return" they had seized complete control of the Crater, with Pounder gleefully smashing various projects of the Dinotrux. However, the returning heroes were able to rally the other Dinotrux in the Crater to their aid and bring them together to ambush the villains at the bridge, forcing them to flee.

In Dreadtrux, Part 1 and Dreadtrux, Part 2, after engaging in a fight between D-Structs, Blayde and Splitter, which resulted in them going their separate ways, a Poundersaurolophus (either Pounder or a different one) inadvertently awakened the Dreadtrux by pounding the ground near where it lay in hibernation, and was later knocked aside though otherwise left unhurt as it began to rampage.

When he was done we were shocked.

Me: Whoa! A pile driver Parasaurolophus.

Qin: Yikes! That is brutal!

Eddy: No kidding there.

Nico: This guy must pack a really powerful wallop.

Ty Rux: He does. And Pounder doesn't speak.

Me: Great. Another villain that can't talk.

Eli: We've had several encounters with them.

Haiku: We sure have and they all are strange.

Me: Yeah it's crazy.

Nico: All we can do now is wait for him to show up.

Me: But we have tons of surprises for him.

Lucy Loud: We sure do and it will not be pretty.

Nico: But we'll blow him to scrap like we did Splitter and beam him over to the M.O.E.

Bonnie Terrez: We sure will.

Twilight Sparkle: It will be awesome having him in our frenemies.

Sunset Shimmer: I agree there.

We got to waiting.

Nico: Jesus, how long does it take for him to show up?!

Me: He'll be here.

Eli: Wait I sense him. He's close.

Then we saw a cloud of dust explode out and then we saw POUNDER!

Nico: Is that him?

Me: Looks like it.

Eli: Oh boy.

Max: Go dino!

Tyler Nevarro: Unleash the power!

Max turned into his Tyrannosaurus form and Tyler was Dino Charge Red!

Me: Time for this Pile Drive to be shipped to the scrap yard!

I had my Ultrasaurus blast him all over.

KRABOOOOM! KRABBBBBOOOOOOOOMM!

Nico: YEAH!

Ty Rux: Let's Trux it up!

Tyler Nevarro: It's about to get wild!

Me: YEAH!

I fired lasers and blasts from my Ultrasaurus.

Nico fired waves of lightning and fire and blasted him all over.

The Goths fired waves of darkness and smashed him all over.

Eli: Time to show the power of Kong!

Eli had lightning strike from the heavens and it hit him and made him supercharged!

Me: WHOA!

Eli teleported and touched Pounder and lightning surged ferociously on him as he roared in pain from Eli grabbing him and Eli threw him onto the ground!

Eli: Here's something for my sister Carol!

Eli put on Carol's Wizard Ring and fired an Atomic Ray blast and it hit Pounder and Exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

He was not finished yet.

Tyler Nevarro: (gets out Major Disaster's Wizard Ring) See how he likes this!

He put it on and fired waves of lightning and blasted him all over.

Brittney: Goths lets unleash darkness.

Brittney, Bertrand, Haiku, Dante, Persephone, Morpheus and Boris got our their Wizard Rings and activated them and fired waves of rainbow fire and blasted Pounder all over.

Max: (gets out Chum Krabs' Wizard Ring) Ty, I hope this doesn't gross you out.

He activated it and fired waves of chum into his mouth and then Pounder hurled his gears out! YUCK!

Ty Rux: That was weird.

Me: I hurled my guts out too seeing that.

Qin: Yeah.

Nico: That was disgusting.

Max: I guess with you guys, gears counts as puke.

Ty Rux: Yeah it sure does.

Me: Sorry you had to see that.

Ty Rux: No worries.

Ton Ton: (Offscreen) TY!

Ty's friends all came.

Ton Ton: Looks like we got here just in time.

Skya: Yeah and Pounder is here.

Me: You guys arrived perfectly.

Garby: Time for some pain!

Garby bashed him with his tail.

Skya grabbed Pounder with her crane and yanked him and tripped him.

Garby: Sorry we're late. We were having too much fun in our new hangout!

Me: I don't blame you guys. Glad you all like it.

Skya: Yeah it was awesome.

Ton Ton: I'll say.

Lana: I'm glad you guys are having fun.

Ton Ton: Lets get this guy pounded.

We blasted him all over.

I fired waves of lasers and blasted Pounder all over.

Skya: Wow! You have a different Zoid this time J.D.

Me: Yeah Zoids come in many kinds. I have many favorites for them.

?: Let us help too!

Out came a Shield Liger and a Ptera Zoid!

Van Flyheight: Looks like we got here in time too.

Fiona Elisi Linette: We sure did!

Me: Your timing couldn't be more perfect guys.

Ty Rux: Wow! More Zoids?

Me: Yep. The one piloting the Shield Liger is Van Flyheight and the one with the Ptera is Fiona Elisi Linette.

Fiona Elisi Linette: Awesome to meet you.

Van Flyheight: Same here.

Ty Rux: Awesome to meet you guys.

Tyler Nevarro: Let's not stop now!

Van and Fiona blasted Pounder all over.

Qin: YEAH!

Nico: Take this! (ACTIVATES VYPRA'S RING)

He fired waves of light and darkness and blasted Pounder.

Me: Now for the grand finale.

I charged up a powerful particle beam and fired and it hit Pounder and then he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blown into thousands of pieces! Leaving only his head!

Me: BINGO!

Eli: YEAH!

Dozer: YEAH That will show that guy!

Matt: Remind me to get you a Wizard Ring of your own.

Ty Rux: Noted.

Me: We'll find awesome archenemies for you soon.

Hook: I hope you guys get some of our fellow Cybertronians as archenemies.

Long Haul: That will be awesome.

Me: That's not a bad idea guys.

Nico: Awesome suggestions.

Hook: Thanks boss.

* * *

Later we came back.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone about it and it was great.

May: Wow! That was awesome!

Lola: Yeah!

May: Next time, Haruto, Dante Vale, and ALL the Constructicons should come.

Me: Good idea! And we'll have ALL the Louds come with too.

Lola: Awesome idea!

Lincoln: It'll be great to have all of us come.

Xenia: It sure will.

---

Later we were watching TV and then Bianca and Bertha were waking up.

Namine: Wakey wakey eggs and bakey.

They were waking up and then they groaned from both a massive headache and a brutal hangover.

Bianca Wendollton: (GROANS) My aching head!

Bertha Wendollton: (GROANS) What the fuck happened to us?

Me: You guys not only were cured of your Another M.O.E. Powers but also you accidentally drank a massive amount of 17th Century Rum that was from a ship. Albedo hit you with barrels full of it.

Bertha Wendollton: (Groans) No wonder.

Lana: Here's some ice for you girls.

Lana gave them blocks of ice for them.

Bertha Wendollton: Thanks Lana.

Camie gave them some water.

Eli: Man that was brutal.

Then we heard crying and Haru was bringing Elie in to sit down.

Me: Oh no Haru what's wrong?

Haru Glory: Elie had a horrible nightmare.

Natilee: It was about the traumatic past she had to go though before meeting Haru.

Me: Oh man.

Rarity: Darling, what was it?

Elie: (Sniffling) Well you all have a right to know.

Haru: Elie you don't have to…

Elie: No Haru they do.

She went over what happened to her and more and how

Elie (エリー Erī) is a member of the Rave Warriors and the main heroine of the series. Having no memory of her past, she travels with Haru Glory and friends to search for her identity. By the Truth of Elie arc, she realizes her birth name is none other than the legendary Resha Valentine, the fifteen-year-old dancing maiden of Symphonia who created the five mystical Rave Stones at the price of her life half a century ago with the immeasurable magical creative powers of Etherion.

Hiding from Georco's henchmen, Haru Glory slips under Elie's table. When one of Georco's people inquires about the lad, Elie hides Haru in between her legs but was not questioned further because of her reputation in the area. When they are finally left alone, Elie strikes a friendly conversation with Haru. She is surprised to find out that he is not from around the place, and reveals that Demon Card has a very strong grasp on Hip Hop Town; entering the town is easy enough, but leaving it requires paying an enormous fee to Demon Card. Elie assures him, however, that after the race, she will be able to whisk the two of them out of Hip Hop Town.

When the main event of the dog race, **Battle Road** begins, Elie cheers on for Plue, having bet all her life savings on him, much to Haru's aghast. Elie is surprised to find that Plue is actually Haru's dog, but does not allow the latter to rescue Plue, emphasizing that she has invested all her money on him. In addition, Elie admits that she believes Plue is really a bug capable of flight and is a sure win for the race.

When the Battle Road makes an unprecedented turn for barbaric, Elie is taken aback. Haru's attempt at rescuing Plue leads to the latter's consequent dropping out of the race. Angered over this, Elie goes on a rampage, releasing rounds of bullets from her Tonfa Blasters, demanding that Plue be raced once more.

Elie eventually cools down and asks if she could keep Plue. She continues her previous conversation with Haru, admitting that she herself is looking for something as well. She gives the directions to where Haru's headed, but refuses his offer of joining him. She confesses that what she is looking for are her memories.

Despite her initial refusal, Haru is undeterred and assures Elie that they will be able to find her memories if they stick together. Out of happiness, Elie fires away at the stadium, causing the structure to fall apart entirely. The two of them are rescued by Plue, and the group leaves Hip Hop Town via cart pulled by the dogs Plue had set free. When Haru still refuses to hand Plue over to Elie, Elie chucks the dog at the lad in retribution. As he chases her around, Elie silently thanks Haru.

At Punk Street, Elie goes to a casino while Haru goes to a restaurant. While Haru meets Galein Musica the legendary blacksmith, Elie meets the blacksmith's grandson Hamrio Musica. Musica, thinking Elie is trying to flirt with him, follows but is met with the confusion of two possible Musicas. When they are attacked by Demon Card, Elie unleashes her new Tonfa Blasters, "nearly killing" Musica.

Later on, Elie is captured by Lance. Lance threatens to kill Elie if Haru doesn't come, and Musica offers to help. With Lance's sword by her neck, Elie silently apologizes to Haru. Bored, she asks Lance to play Shiritori (a Japanese word game) with her, annoying Lance. When Musica comes to rescue her and asks if Lance did anything bad, she jokingly said that Lance tried to peek under her shirt. When Lance threatens to kill her, she calls out for Haru, who appears just in time.

When Haru finally defeats Lance, Elie asks if he is okay and tries to wake him up, and smiles when he responds. After they escape, she tries to perform artificial respiration on Haru, and smacks him when he wakes up before she starts. After Haru is fully healed, he and Elie head over to the Rave of Knowledge.

Elie and Haru go north with Griffon Kato and Tanchimo who serve as their guide and a horse. As they take a break, Elie says that she feels as if she has seen the rave before. Haru stares at her, confused, and Elie mistakes it for Haru thinking she is crazy, so she leaves to the hot spring with Plue, says that Plue's nose looks fun to spin, and tells the others not to peek. In the spring, she starts to spin Plue's nose, and Plue shriveled up. As they try to figure out how to fix Plue, Haru, annoyed, goes to bed while Elie tries to get Plue to a hospital, thinking it is all her fault. She injures her feet and runs into a monster, who Haru drives away. Plue turns back to normal when he wakes up, and Elie figures out that it is because he was waterlogged.

When a thunderstorm starts up, Elie becomes terrified, so the group stops at Ska Village and check into a hotel owned by Lasagna. When she about mentions the "thunder man" who is responsible for the never-ending rain, Elie runs off thinking it is the man she was looking for, with Haru catching up. She remembers back before meeting Haru, she awakens in some abandoned site and the "thunder man" shocked her with his thunder magic. Elie gets to the Thunder Mansion where Go mistakes her for the Rave Master "boy". Elie tries to leave because Sieghart was not there, but is blocked. When she says that she is looking for someone more handsome than Go, Go attacks her in anger and subsequently is attacked by Haru, and Go's girlfriend, Rosa, takes his place in the battle.

Rosa fights Elie with her Dancing Wolf, while tracing all the men to dance. Rosa's dancing wolf weapon turns around and aims at herself when Elie blocks it, and when Rosa cries out for someone to help her, Elie stops the weapon, saying she knows how hard it can be to be an actress without good looks. Rosa then says she will ask Go to stop the rain, but Go punches her and assumes that Haru did it, triggering a battle. When Elie shivers because of Go's thunder, Plue tries to cheer her up, successfully. When the thunder strikes near her, she chucks Plue at Go, shattering his dark bring and defeating him.

As the rain is stopped, Elie and Haru turn to leave. Go shows Elie a picture of Sieghart and tells her to stay away from him because he is an elemental master. Lasagna calls Elie and Haru "as beautiful as the sky" for bringing clear skies to Ska Village.

Elie and the group made it to the Tremolo Mountain only to find that Demon Card arrived first as Shuda commands the rave-excavation unit. They meet a talking bear (who first introduces himself as "kuma") who warns them that Akumu hall is dangerous, but they head in and successfully infiltrate the hall in disguise. However, due to sleeping pollen, they all fall asleep. Schneider gets rid of the pollen and inserts a "vaccine" to the flower's toxin into each of the group. They then travel for a bit before falling asleep again. Elie and Haru wake up to a person holding a knife against Schneider's neck, who has a hook pointed towards Haru. The person reveals that Schneider is an assassin hired by Shuda to kill Haru, and fends Schneider off. After revealing that he is actually Musica, he tries to fight with Haru, but both are stopped by Elie.

After walking for a while, they find the giant door written in ancient Symphonian writing. Somehow, Elie is able to read the text which says "Beyond this door lies the resting place of the rave, none shall enter. Those who dare to enter, prepare to fall victim to the ghost of Symphonia". Even Elie is confused because she doesn't know how she was able to, thinking she must have been a scholar. Inside the room, they find the bear who forbids the group from entering with his axe. He introduces himself as Deerhound, one of the fallen Azure Sky Warriors from the Symphonia war 50 years ago, and is the guardian of the rave which lies beyond. After Haru receives the rave, Deerhound asks who Elie is, who responds that she doesn't know, and Deerhound notices that she looks exactly like Resha.

On Shuda's mobile fortress, Rhapsodia, Poosya says that Elie is "adorable" and calls her "my girl". Musica stops him, who in turn fires some glue and sticks Elie to the ground. Shuda also triggers an explosion on Elie, knocking her unconscious. When she wakes up, she wishes Haru good luck and is visibly worried when he seems to be at a disadvantage. She notices that the fortress is about to self destruct, and helps to call the Silver Rhythm Gang (the phone gets immediately taken by Musica due to her overreacting). When Haru falls to the ground unconscious after defeating Shuda, Elie gives Haru first aid and smiles when Haru wakes up.

Elie, having won many casino games, shows Haru her casino member card and takes him to dinner, and becomes very upset when she loses it. Afterwards she changes into a swimsuit at a beach, attracting many men there. When she plays beach ball with Plue, she praises Plue for stabbing and deflating it with its horn. At the Symphonia museum, they browse around until Elie begins to feel headaches for some reason. She stumbles upon a portrait of Resha Valentine, stating she looks exactly like her. She reads that Resha was a great dancer and had an amazing power. Some of her memories begin resurfaces.

Sieghart appears behind Elie, who is crying by herself. Elie recognizes him and learns that he is the guardian of time. Sieghart says that she must be a human test tube, subject number 3173, and that she has Etherion. Elie denies all of this and says that she must have a family. She then starts to cry and begs Sieghart to tell her the truth, and is told that she can just be Elie. Sieghart then tries to kill Elie, first with electricity, then poison, which causes Elie to beg for death. As Sieghart is dealing the final blow, Haru shows up and blocks it, and Elie tearfully says that she missed him. She explains that she made some new memories while she was with him, and calls Haru an idiot, before trying to inform him that she is 3173, but Haru says that she will always just be Elie. Elie then appears to be dying, but the Etherion neutralizes the poison. Haru uses his courage and summons rune save while seemingly being beaten by Sieghart. Sieghart uses his strongest spell - Altairis, which causes an illusion where people die for the victim's sake and then the victim dies - and traps Haru in it. But when Haru and Elie meet inside, Etherion awakens, and Haru stabs Elie to stop it. He stabbed her with rune save, so it wouldn't do Elie any harm. After the battle, the group enjoys themselves at a party with fireworks.

One year after the battle, Elie resumes her life as a regular high school girl. During the time-skip, the other Rave Warriors briefed her of everything that happened, all except mentioning Haru because the others agreed it was for the best to avoid further sadness. When Haru gets resurrected sometime later and when Elie sees him, her memories were restored as she tearfully embraces him with joy. Sometime presumably after Elie graduates high school, she returns to Garage Island with Haru and later get married and become parents a young son they name Levin.

When she was done we were shocked and HORRIFIED!

Me: My God!

Eli: That is awful!

Nico: Oh man! Elie we had no idea!

Lola: That is horrible!

Me: Those monsters! How can they do all that to you!?

Applejack: (ANGRY) WHY THOSE MONSTERS FROM THE DARKEST PITS OF BOOT HILL!

She then tooted like a steam horn!

TTTTTTTOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOT

Steam shot out of her ears!

Nico: WHOA!

Apple Bloom: Whenever sis gets really angry she is more angrier than a swarm of angry flash hornets.

Lola: Yikes!

Motormaster: I'm running them over.

Me: No wait. After the defeat of King we already destroyed them.

Nico: He's right. After we destroyed King we fired our Superlaser at the spot they worked at after liberating the prisoners and blowing their entire headquarters into Kingdom Come.

Motormaster: Good.

Qin: They deserved it.

Me: Yes they do. I can't believe what they did to Elie. But it King ever does come back he is DEFINITELY getting the Black Gates.

Nico: Absolutely.

Me: But Nico promise me something.

Nico: What's that?

Me: If and when he does come back, I want to face King, Alone.

Rodimus Prime: Not before Haru and Elie kill him first.

Haru: No Rodimus. J.D. defeated King before when he was leader. He has mine and Elie's permission to do so.

Elie: Yeah. Go kill that son of a bitch J.D.

Me: With pleasure.

Nico: All right. You got it J.D.

Me: Thanks Nico. And I'm willing to bet that he will appear in an upcoming mission and not on Universe 666's Earth.

Nico: I have that same feeling too.

Future Maria: Nico, which teams have you made this time?

Nico: Flash's team will include Fiona Hernandez, Ancient Fairy Dragon, Black Winged Dragon, Power Tool Dragon, and Life Stream Dragon. Vert's team will include Jet Vac, Guardian Elma, Fortune Lady Fire, Fortune Lady Water, Fortune Lady Earth, Fortune Lady Wind, Fortune Lady Dark and Fortune Lady Light.

Me: Wow! The Six Fortune Ladies. That's awesome.

Carly Atlas: Those are some of my signature monsters. Awesome choices.

Nico: Yep.

Eli: Awesome.

Nico: Now you guys will like our next mission. We're going to help Moana and take on Te Kâ.

Lily: Cool! This will be awesome.

Lola: It sure will!

Xenia: Yeah!

Nico: This time ALL of us are going.

Lana: Awesome!

Nico: Yep. First we're going to watch the movie and then we'll head out.

Then the previous group came.

Firepower: Can me, Scorcher, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf, and Weather Wizard go with you guys?

Volcano Man: Me, China White, Stormy, Emperor Z, Yost Living Laser, Fire Lord, Vomiting Frog Prince, Garble, Queen Cannabis, and Uchoten will go too.

Nico: Yes you all can come with. We're going to help Moana and help her restore Te Fiti.

Overdrive: Awesome!

Me: Yep.

Nico: We're going to watch the movie first.

We got to watching the movie.

On the Polynesian island of Motunui, the inhabitants worship the goddess of nature Te Fiti, who brought life to the ocean long ago using a pounamu stone as her heart and the source of her power. Maui, the trickster, shape-shifting demigod of the wind and sea and master of sailing, steals the heart to give humanity the power of creation. This causes Te Fiti to disintegrate, and Maui is attacked offshore by Te Kā, a volcanic demon. He loses both the heart and his magical giant fishhook to the depths of the sea.

A thousand years later, the ocean chooses Moana, daughter of Motunui's chief Tui, to return the heart to Te Fiti. Tui and Sina, Moana's father and mother, try to keep her away from the ocean to prepare her to become the island's chief. Sixteen years later, a blight strikes the island, killing vegetation and shrinking the fish catch. Moana suggests going beyond the island's reef with her pet pig, Pua, to find more fish and find out what is happening, but Tui forbids it. Moana tries conquering the reef but is overpowered by the tides and shipwrecked back to Motunui. That afternoon, Moana's grandmother, Tala, shows her a secret cave of ships, revealing that their people were voyagers until Maui stole Te Fiti's heart; the ocean was no longer safe without it. Tala explains that Te Kā's darkness is poisoning the island, but can be cured if Moana finds Maui and has him restore the heart of Te Fiti. Having been given the heart of Te Fiti by the ocean, Tala gives it to Moana. Tala later falls ill and, on her deathbed, tells Moana that she must depart to find Maui.

Moana sets sail on a camakau from the cavern along with her dimwitted pet rooster, Heihei, who has stowed away on it. They are caught in a typhoon and shipwrecked on an island where she finds Maui, who boasts about his achievements. She demands that Maui return the heart, but he refuses and traps her in a cave before leaving on Moana's camakau. She escapes and confronts Maui, who reluctantly lets her on the camakau. They are attacked by Kakamora-coconut pirates-who seek the heart, but Moana and Maui outwit them. Moana realizes Maui is no longer a hero since he stole the heart and cursed the world, and convinces him to redeem himself by returning the heart. Maui first needs to retrieve his magical fishhook in Lalotai, the Realm of Monsters, from Tamatoa, a giant coconut crab. While Moana distracts Tamatoa, Maui retrieves his hook, only to find himself unable to control his shape-shifting. He is overpowered by Tamatoa, but Moana's quick thinking allows them to escape with the hook. Maui reveals that his first tattoo was earned when his mortal parents abandoned him as an infant, and the gods, taking pity on him, granted him his powers. After reassurance from Moana, Maui teaches her the art of sailing, regaining control of his powers, and the two grow closer.

They arrive at Te Fiti's island, only to be attacked by Te Kā. Moana refuses to turn back, resulting in Maui's hook being badly damaged. Unwilling to lose his hook in another confrontation with Te Kā, Maui abandons a tearful Moana, who asks the ocean to find someone else to restore the heart and loses hope. The ocean obliges and takes the heart, but Tala's spirit appears, inspiring Moana to find her true calling. She retrieves the heart and sails back to confront Te Kā. Maui returns, having had a change of heart, and buys Moana time to reach Te Fiti by fighting Te Kā, destroying his hook in the process. Upon being unable to find Te Fiti, Moana realizes Te Kā is Te Fiti, corrupted without her heart. The ocean clears a path for Moana, allowing her to return the heart to Te Fiti, who heals the ocean and islands of the blight. Maui apologizes to Te Fiti, who fixes his hook and decorates Moana's boat with flowers before falling into a deep sleep and becoming an island. Moana bids farewell to Maui and Te Fiti, returning home where she reunites with her parents. She takes up her role as chief and wayfinder, leading her people as they resume voyaging with Maui flying over them in Hawk form.

In a post-credits scene, Tamatoa, still stuck on his back, addresses the audience, knowing they would help if he was named Sebastian.

We were amazed with the movie and then when it was done we cheered wildly!

Me: So awesome!

Nico: Love that movie!

Qin: YEAH!

Camie: Moana is so awesome and amazing!

Eli: She sure is.

Pirate Man: Nico, which Gene Slammer will ye be meeting next?

Nico: I'm hoping for one for Raichu next.

Ash: Wow! Pikachu's evolved form.

Pikachu: Pikachu!

Qin: That will be a cute and cool one.

Xenia: It sure will.

Camie: Yeah it will.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, the dark blue iris of Ed Cowart's Third Eye, the colored irises of The Dark World Goth Girls, and the green iris of Nabiki Tendo's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Ganryū, the evil leader of the Dark Ones, and he's coming here to get revenge on The Soul Society. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know those glowing eyes from anywhere. Lincoln, everyone, is Ganryū coming after us?

Lincoln: You guessed it, Rayman, and the evil leader of The Dark Ones is coming here to get revenge on The Soul Society.

Me: I've heard of him, he's one of the most dangerous criminals The

Soul Society's ever had to deal with, and The Dark Ones are a clan of Souls that were exiled over 1000 years ago and are also known as the Fallen House of Ryōdoji.

Nico: This is really serious. Rukia, what did he try to do that made him really dangerous to you guys and the human world.

Rukia Kuchiki: You're not going to like it, Ganryū came to the human world and tried to find and use the Shinenju to destroy the human world and the Soul Society.

We gasped in pure shock.

Eli: What?!

Me: It's true, Rukia told me all about it.

Lincoln: And there's no doubt he'll also have the other Dark Ones with him, so we're in for a big fight later on today, right, Ashley?

Ashley Clayf: You got that right, Linky, but we're not going to let that monster and his followers get away with their crimes. Those rogue Shinigami deserve nothing more than to die a horrible death for all of their crimes.

Nico: You said it, Ashley. Alright, gang, let's go, we're heading out to help Moana take on Te Kâ and bring her heart back and restore her as Te Fiti.

Lincoln: Oh man, this is going to be a repeat of both Lily's adventure and my rescue when we took on Te Kâ, and after we restore Te Kâ as Te Fiti, you and The Dark Ones are next, Ganryū.

Key: Let's get going.

Emperor Z: I'm actually interested to see how this plays out.

Lily: And I have past experiences with this one.

Me: You sure do Lily.

Nico: Yep. Lets head out.

We were off to the world of Moana

---

ISLANDS OF POLYNESIA

---

We arrived and we were walking on the water.

Me: Wow. Amazing.

Nico: This is gonna be awesome.

Me: Yep.

We saw a blue light coming from a boat.

Me: There it is.

Moana hugging the spirit of her Grandmother.

Moana: I tried, Gramma. I couldn't do it.

We arrived.

Lily: Moana. You can't give up. You've come this far and you can't give up on your people.

Lily got onto the boat.

Moana: Hey guys!

Me: Long time no see Moana.

Tala (Moana): It's been a long time everyone.

Lily: It sure has Tala. Moana I'm sorry about what happened.

Moana: Lily I tried my hardest but it was too much for me.

Lily: I know. But you have a strong spirit and a strong will and love for everyone on your island.

Moana: I know. But the question is Who am I?

Lily: [Singing Divinely] You are a girl that loves your Island and a girl that loves the sea.

Moana: [Singing] It calls me.

Lily: You are the daughter of the village chief. You are descended from voyagers who found their way across the world.

Moana: They call me.

(Glowing Blue Polynesian Sailing Canoes appeared and they had the spirits of Moana's Ancestors on them.)

Lily: You've delivered them to where you are. You have journeyed farther. You are everything you've learned and more.

Moana: Still it calls me. And the call isn't out there at all it's inside me.

Lily: It's like the tide always falling and rising.

Moana: [to her Grandmother] I will carry you here in my heart you remind me that come what may.

Lily: You know the way.

Moana: I am Moana!

Moana dove into the water and swam down to the bottom and retrieved a glowing green stone. It was the Heart of Te Fiti. The song ended.

Moana got back on the boat.

Me: That was awesome guys!

Qin: YEAH!

Camie: Wow!

Edward: Maui's not with you?

Moana: He left because he said I was reckless.

Me: Moana you made a mistake but you still have a chance.

Moana: That's right. I remember that Lily helped me before.

Nico: That's good.

Lily: From past experiences I remember that it was both of us working together that we helped save the world.

Moana: That's right.

Xenia: Maui just didn't want to listen to reason. But he still has a chance to help you out. We all will help.

Nico: That's right.

Lola: Lily is not giving up on you.

Lily: So we won't either.

El Diablo: My flames are probably hotter than Te Kâ's!

Fire Lord: Mine are probably hotter as well!

Me: Te Kâ may be a volcano demon but no fire is hotter than all of us combined.

Moana: That's for sure. But we need to be ready for this.

Me: We all will.

Moana: Lily. Thank you for reminding me.

Lily: It's no trouble at all. Now we got a job to do.

Moana: Right.

Lily: Lets do it, Together.

Lily extended her hand and she and Moana shook hands.

They both fixed Moana's boat.

We got to helping out and fixed up the boat.

Marie Kanker Loud: We're gonna need more boats. Like that Pirate Ship me, May, and Lee had that one time.

Nico: Good idea.

Me: I got this.

I summoned our ship, even Sora's Ship as well as the Megaforce Skyship and we got on.

Moana: Now we're talking guys.

We had Moana's boat brought on boat.

Me: Now we're going to be ready for Te Kâ.

Qin: Yep.

Nico: Jared man the helm.

Jared: Aye aye captain.

Jared did so.

Laney got into the Crow's nest.

Villamax: Does anyone need to do anything here before we head off?

Garble: Now is the right time.

Nico: Lets see. Anyone.

We looked and shook our heads for no.

Nico: Nope we're good.

Villamax: Okay.

Nico: Lets set sail!

We were off to the Barrier Islands. It was gonna be a while before we get there. Plenty of time.

Ground Man: This is gonna take a while.

Jared: Plenty of time for us to prepare. Captain Nico, it'll take at least until sunrise before we get there.

Nico: Noted.

Me and Eli and Nunnally were playing Go Fish.

Me: Hmm. Eli do you have and 6's?

Eli: Uch.

He gave me his 3 6's and I got a set down.

Me: Awesome. Hmm. Nunnally do you have any 2's?

Nunnally: Sorry J.D. go fish.

Me: Tartar Sauce.

I drew a card.

Weather Wizard: Think Te Kâ already knows what we're up to?

Uchoten: Nah. She's not THAT intelligent.

Me: She may be a volcano demon but she is completely blinded by anger.

Nunnally: That's true.

Queen Cannabis: It's kind of weird tha Te Fiti isn't here to help us with this.

Wolf: (suspicious) Yeah. Weird.

Eli: Hmm. Strange.

Qin: Yeah.

Me: By the way Moana have you heard the latest news?

Moana: What is it?

Me: We're going into battle against an evil version of us.

Moana: (Gasp) Really?

Jared: I'm afraid so Moana. Dad had a really horrible nightmare about it and it warned him and us through it and we got confirmation about it from King Kai.

Moana: That's horrible!

Me: Yeah it is. We're going into battle with them sometime later this week. Also we had a little incident involving Canterlot High School because of our old enemy Dr. Zalost, the most unhappy scientist ever known.

Nico: Long ugly story on that.

Gilda: Basically, Lincoln threatened to destroy an innocent person with the Black Gates.

Me: Yeah. But later on Nico's rescue a couple of days ago we found out that all of the revelations we heard all from Lincoln's Guardian Angels ran much deeper than we all first thought.

Lincoln: It's true Moana. All the emotional, psychological and physical abuse I endured at the hands of Lori, Lynn, Lola, Lisa, Luan, Chandler and his goons, Scoots, Flip, Lewis Travolta, Pablo, and Anderson ran much deeper than anything ever known.

Lincoln told her all about it and everyone that hadn't heard about it was ABSOLUTELY SHOCKED, HORRIFIED AND MORE BEYOND ALL FORMS OF WORDS!

Moana: (GASP)

Lori: It's literally true Moana. Because of the dark sides we had we were literally monsters. We were basically spawns of Satan himself.

Toyman: (to Nico and Lincoln) Sorry but stress being an excuse won't cut it for that incident. (to Lincoln) You nearly killed an innocent girl with the Black Gates out of anger. (to Nico) And you basically assumed that J.D., Lincoln, Laney, Lily, Lisa, Luan, and Luna were acting like they were the children of Lex Luthor and the Joker and wanted the 7 of them punished all because of 1 mistake, however severe it was.

Vomiting Frog Prince: You both need to take responsibility for your own actions. (VOMITS)

Me: Ew. Okay yes you're right. But also that Children of Lex Luthor thing is going too far.

Nico: Yeah please don't call them that ever again. And second yes you're right.

Skalor: Back to the matter at hand, I hope Lily puts Te Kâ out with an Aqua Cannon.

Lily: Te Kâ is one tough cookie. So she will be an amazing challenge.

Qin: She sure will.

Moana: Lily is right. She took her on before and we almost got torched by her.

Me: But we're ready for her. We all are.

Eli: That's right.

Overdrive: Seriously, there's no vehicles around here for me to use.

Yost Living Laser: Sure sounds like it.

Me: I'm afraid not.

Xenia: Yeah.

Me: But we'll rely on what we got.

Nico: Yep.

Barricade: I doubt taking down Te Kâ's gonna be that hard. It's not like she's actually Te Fiti or something. Because that would be crazy!

Nico: Want to take a wager on that?

Barricade: Oh you're on boss.

Jared: Yeah and you'll get your chance. We're approaching the barrier islands.

Nico: Target sighted.

Jared: This it?

Moana: Yes. We have to go passed the Barrier Islands. We do that, we make it to Te Fiti. But Te Kâ the Volcano Demon is going to prevent us from getting there. Te Kâ can't follow us into the water.

Lily: Okay.

Me: We better be ready with an entrance made of water.

Lily: Good idea.

Lily and Moana got onto the water and we got ready.

As they approached, Ash clouds, lava and red hot smoke billowed up and they saw a fiery monster. It was the Volcano Demon, TE KÂ!

Lily: Is that Te Kâ?

Moana: Yes.

Lily: WHOA!

Lightning flashed in Te Kâ's ash clouds and smoke and she was going to make sure they don't get passed her.

But then the symbols of Polynesian Myth appeared and swirled in front of Te Kâ and they converged and then…

KRASSSSSPPPLAAAAAAASSSSHHH!

A massive wave of water blasted out in front of her and then drenched her as the song of the mermaids was heard and we came out! She screeched as she was drenched!

Nico: YEAH!

Lily fired a blast of water and it hit Te Kâ in the chest and cooled her down and she screeched in pain.

Lily: That oughta cool you down!

Me: Try this!

I fired waves of water and drenched her and she reheated!

Ta Kâ reheated her chest and threw a ball of lava at us and Lily threw and ball of Water at it and cooled it down.

Lily: Is that all you got you overgrown sack of hot air!?

Nico: Yeah!

Te Kâ got mad and the lightning in her clouds intensified as she roared.

Windsweeper: After our next entrance, we're gonna find out whether Nico or Barricade is right.

Me: Okay!

Moana: Lily here she comes!

Te Kâ fired a stream of Fire and Lily and us and Lily fired a blast of water and the blasts collided and the fire turned into steam and the water hit Te Kâ in the face and she screeched in pain.

We made it passed the Barrier Islands and Te Kâ extended her arm out and was about to grab them when an Eagle came and transformed into the legendary demigod Maui and slashed off

Te Kâ's arm and he landed on the boat with us.

Moana: But your hook. One more hit and…

Maui: [Chuckles] Te Kâ has got to catch me first. Now get to the island chosen one. Go save the world.

Moana: Maui, thank you.

Lily: We owe you one.

Maui: You're welcome.

Maui then transformed into some kind of bug and flew up to Te Kâ and turned into a whale and made a big splash.

KRASPLASH!

Then while seizing the moment another entrance was done and it was the spirits of the Power Rangers from 1993 to 2003 and they swirled around her and blasted her all over and then they converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out in front of Te Kâ and a phoenix cry was heard and we landed.

Me: Time to cool you down!

We fired more water blasts and steam came off her.

China White: (to Maui) You and Aligned Cliffjumper actually sound similar.

Maui: Really?

Aligned Cliffjumper: It's actually true.

Scorcher: (to Te Kâ) Hey, hothead! Let's see who's hotter!

She fired waves of lava and Scorcher and El Diable fired blasts of fire and the blasts collided and exploded!

Lily and Moana made it to the island and went up the mountain and in the lagoon they saw a hole that looked like someone was resting.

Moana: Te Fiti. It's gone.

Lily: What happened?

Lily and Moana saw Te Kâ and in her chest was a spiral pattern and it matched the spiral on the Heart of Te Fiti and they instantly connected the dots.

Lily: Te Fiti and Te Kâ, they're both one in the same. Te Kâ is Te Fiti.

Moana: Yeah. Now we know.

Lily: (Yelling to us) GUYS! TE KÂ IS REALLY TE FITI! THEY ARE BOTH ONE IN THE SAME!

We gasped in shock!

Barricade: You got to be kidding me!?

Nico: I KNEW IT!

Qin: WHOA!

Camie: I did not see that coming!

Then Scorpion, Skalamander, Dr. Polaris, Sportsmaster, Crimson Dynamo, Count Vertigo, Pied Piper, Turtle, Spot, Doctor Octopus, Black Scorpion, Iron Maiden, Wolfman (Gaggle of Galloping Ghosts), Thunderhoof, Scooby Snax Monster, Evil Orbit Woman, Weather Report, Bassoon Burns, Bassoon Burns, and Yost Magneto appeared.

Nico: Scorpion, Skalamander, Dr. Polaris, Crimson Dynamo, Count Vertigo, Juggernaut, Pied Piper, Turtle, Spot, Doctor Octopus, Black Scorpion, Iron Maiden, Wolfman (Gaggle of Galloping Ghosts), Thunderhoof, Scooby Snax Monster, Evil Orbit Woman, Weather Report, Bassoon Burns, Bassoon Burns, and Yost Magneto.

Scorpion: So, you're saying that the goddess of life…

Doctor Octopus: Is actually the villain Moana and Maui have been fighting all along?!

Me: That's right!

Count Vertigo: And I thought Gabriel being unmasked as Hawk Moth was shocking.

Me: Nico kidding there!

Sportsmaster: (to Nico) We heard you killed some evil mermaids.

Nico: We sure did.

Pied Piper: Were they scary?

Me: Scary as ever! But it was perfect for blowing off some steam.

Nico: Yep.

?: That's good.

Then a figure came out and it was Cow-Type All-Purpose Weapon Zero from Kyurangers!

---

Because Champ had separated with the other Kyurangers in the past, Akyanba and Kukulga created an evil duplicate of Champ. Battle Orion Ship based on blueprints left behind by Dr. Anton, in order to destroy the Kyurangers. However, this duplicate was stopped by the real Champ, disguised as a wrestling champion under the moniker of "Yagyuu Juubee". Initially looking like the real Champ, its outer casing was blasted away by Yagyuu Juubee, revealing the inner skeleton and muscle-like parts along with the Jark Matter symbol.

After Yagyuu Juubee revealed himself to be the real Champ, the duplicate was destroyed by Shishi Red Orion's Infinish Blast and the Kyurangers' All-Star Crash, followed by the Orion Big Bang Cannon after it was enlarged.

The evil Dr. Anton, who was revealed to be alive, created two more Champ 0s when the Kyurangers arrived in the Perseus System. One of them appeared to assist Mecha Madakko in carrying the deactivated Champ back to Dr. Anton's hideout. In the RPG-themed world, the kidnapper was known as a "white oxen" (白い牛 Shiroi Ushi). This Champ 0 later reappeared with a second one fighting Champ and Stinger. The two Champ 0s were later used as cannon fodder by Mecha Maddako to defend herself from the Kyurangers' All-Star Crash and Shishi Red Orion's Infinish Blast. Though enlarged soon after, they were defeated again by Super KyurenOh's Final Break and Orion Battler's Orion Dynamic Strike.

A single Champ 0 guarded one of four satellites maintaining the barrier protecting Jark Matter's capital planet Southern Cross in the Minami Juuji System. It was destroyed by Super KyurenOh led by Ookami Blue.

Several Champ 0 units, fighting alongside Moraimars and Tsuyoindavers, defended the core of Southern Cross beneath the surface. They were all destroyed by KyurenOh, RyuTeiOh, and Gigant Houou before being followed by Akyachuuga.

A single Champ 0 carried the Anton Brain as he oversaw the production of Dark Planetium on planet Verona in the Karasu System. Though beaten back by Sasori Orange Ikkakuju Arm, it survived the battle with the Kyurangers and transported to safety with the Anton Brain. Numerous Champ 0 units were part of the near endless Jark Matter army which the remaining ten Kyurangers fought through over many hours to get to Don Armage, who had possessed Tsurugi Ohtori and absorbed Shou Ronpo. Oushi Black himself took the lead in fighting them. Though all Kyurangers bar Lucky eventually fell, this was part of their gambit to assemble the Kyutamas which reunited all twelve saviors.

---

Champ: Cow-Type All-Purpose Weapon Zero!

Me: I remember you! You were made as an evil Duplicate of Champ!

Champ: That's right J.D. Good memory.

Me: Never missed an episode.

Cow-Type All-Purpose Weapon Zero: (to Champ) Your disguise as the so called Yagyuu Juubee was not really fooling everyone.

Garu: Are you kidding?! Everyone knew he was in disguise but me!

Me: I knew he was in disguise too! But we'll see about that!

Nico: Yes we sure will.

Lola: Yeah!

We got the usual battles underway.

Duncan, Sunset Shimmer, Pipsqueak, Fire Skylanders, Spiderman, Kumiko and Future Maria VS Scorpion - Nico's Rescue

---

Scorpion was first.

Scorpion: (to Duncan) Nico's rescue involved killing Evil Mermaids. Was it a bloodbath?

Duncan: Ohohohoho yeah! It was a massive bloodbath. Everyone turned the entire bay red with their evil blood.

Sunset Shimmer: We counted over 40,233,235 evil mermaids.

Pipsqueak: (British Accent) Yeah that was so awesome guys.

Sunburn: Yeah we really maimed and destroyed them. J.D. had a lot of stress relieved from him by killing the evil mermaids.

Spiderman: That was a good idea doing that one.

Scorpion: Glad you guys had fun. Lets do it!

Duncan used the Lemon Lockseed and got a lemon blaster and he read a verse and then a bunch of imaginary thugs came and smashed and pulverized Scorpion all over with crowbars and baseball bats and they fired waves of fire and smashed him down.

## Scarlet, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, M.J., Pirate Man and June VS Doc Ock - Battling Another Taurus Undead Zodiarts and Another Vreedle Brothers

Doctor Octopus was next.

Doctor Octopus: (to Scarlet) Nico, Applejack's team, the Vreedle Brothers' team, and the others did good Battling Another Taurus Undead Zodiarts. And Another Vreedle Brothers as well.

Scarlet: They sure did great against them. It was pretty weird seeing 2 girls being male villains.

Pinkie Pie: But it was really amazing!

Maud Pie: (monotonously) I thought it was really fun though.

Featherweight: It sure was crazy.

Sprocket: Yeah it sure was.

M.J.: Also we expect that every day with girls who get turned into Male Villains. No offense.

Doctor Octopus: None taken but I definitely see what you mean. Lets do it!

Scarlet used the Blackberry Lockseed and got the Blackberry Flamethrower and she read a verse and numerous robot clones of

Billy McLean came and they had glowing red eyes and they said Total Drama and they pulverized Doc Ock all over the place and they all fired waves of metal, gears, lightning and energy and smashed him down.

## Courtney, Starlight Glimmer, Cozy Glow, Undead Skylanders, Batman, Talia, Mandarin and Edward VS Count Vertigo - Lincoln's Rescue

Count Vertigo was next.

Count Vertigo: (to Courtney) I heard Lincoln's rescue involved him fighting Hemorrhage. How was it?

Courtney: It was really cool! And they also found the 3rd treasure in Dark World. It was called The Demonic Cobalt Darkness Greatsword of Cobal, Excavator of Dark World.

Starlight Glimmer: It was for Connie Jackelstein the gene-slammer of Cobal, Excavator of Dark World and it was really awesome.

Cozy Glow: We all thought so.

Hex: Having Treasure Hunts in Dark World is really fun.

Batman: It sure is.

Talia: I most agree there beloved.

Count Vertigo: It's amazing that you guys are going to the Duel Monster Spirit World more often. Lets do it!

Courtney used the Cacao Lockseed and got a CHOCOLATE BAZOOKA! Courtney read a verse and then fired numerous blasts of fireballs and they hit Vertigo and enveloped him in a spinning fire tornado and they made him so dizzy to where he threw up and then they fired waves of fire, darkness, bones, lightning, stars, magic and energy and smashed him down.

## Lightning, Rainbow Dash, Scootaloo, Air Skylanders, Static Shock, Helga Sinclair and Marie Kanker Loud VS Sportsmaster - Meeting a Fusion Gene-slammer for Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle

Sportsmaster was next.

Sportsmaster: (to Lightning) I heard you guys met a Fusion Gene-slammer for Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle. What's her name?

Lightning: Her name was Anna "Cobalt Eagle" Cameron and she is a really amazing guardian angel for Lincoln.

Rainbow Dash: Boy she sure is an awesome girl with indigo power.

Scootaloo: You would love her story.

---

Anna Cameron: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Anna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Anna Cameron: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Anna, what's the story on how you caused a little "disaster" to happen to Lori's room after you saved him from an attempt at his life?

Anna Cameron: That's something I'd never forget. One day, Lincoln and I were heading home from the gym after a two-hour work-out, but then, we saw a group of thugs heading for us, and they had knives in their hands and they were going to kill us, and I saw that those thugs were remnants of The Black Daffodil Gang, and they were out for blood, and they told us that Lori had hired and paid them to murder Lincoln and throw his body into The Kalamazoo River, because she was tired of him living and she called him an obstacle to her way to getting what she wants. That really pissed me off, and it also pissed off Lincoln big time: that power-hungry control freak bitch really crossed a big line, but, before they could kill us, I fired blasts of indigo fire and they got turned into stars for my cobalt blue angel wings and they were made my prisoners. We put a stop to an attempt on Lincoln's life, but we were really pissed off that Lori was the one who did this, and we had to exact payback on her and we had to do it fast because if Lori finds out Lincoln's still alive, she would head out and kill him herself, so, I decided to cause some mayhem for her. As we got near The Loud House, I'd concentrated hard, and I made massive clusters of cobalt blue crystals and gems erupt from nowhere, and that caused Lori to really let out a really loud chain reaction of shrieks and she was running like a chicken with its head cut off as the cobalt blue crystal clusters were erupting out of nowhere and her dresses were really getting shredded. Then, Lincoln and I went inside and we still heard the crazy chaos happening in Lori's room. Lori came out, and her hair and clothes were a mess, and we saw my handiwork: her entire room was covered in cobalt blue crystal clusters and gems and her room was now a mess and her dresses were destroyed. Here's the video of what happened.

Anna Cameron played the video, and we saw what happened: massive clusters of cobalt blue crystals and gems erupt from nowhere, and that caused Lori to really let out a really loud chain reaction of shrieks and she was running around like a chicken with its head cut off as the cobalt blue crystal clusters were erupting out of nowhere and her dresses were really getting shredded. Then, Lincoln and Anna went inside and they still heard the crazy chaos happening in Lori's room. Lori came out, and her hair and clothes were a mess, and we saw Anna's handiwork: Lori's entire room was covered in massive cobalt blue crystal clusters and gems and her room was now a mess and her dresses were destroyed.

When the video finished, our jaws dropped to the floor.

CLANG!

We pulled our jaws up.

Me: We got to stop doing that or we're going to catch flies.

Nico: (Stunned with Awe) Holy… crap!

Eli: (Stunned with Awe) Whoa!

Lincoln: Yeah, I was stunned myself, but Anna saved me from what could've been another attempt on my life, and as for Lori, she got grounded for nineteen weeks, and Lynn was the one who told on Lori, somehow she found out what Lori was up to, and she was pissed when she found out Lori had gotten help from remnants of The Black Daffodil Gang, and she wanted to head into her room and rip her to shreds, but she had to wait until a disaster happened.

Lynn: And it was Anna's doing that caused that disaster.

Me: I remember that day all too well.

Varie: Yeah, and when Lincoln told me and you, I sprayed Lori with raw sewage and you dropped a bucket of fish-heads on her head.

Nico: Gross!

Hunter (Road Rovers): Sprayed with raw sewage and getting a bucket of fish-heads dumped on her head, yuck, but warranted.

Throttle: What Dark Lori did that day, that's what I call crossing another line: getting the remnants of the very gang who terrorized Detroit, and whom you all put down all those years ago, to kill her own little brother, that's just sick.

Modo: You said it, Throttle, but, you really saved Lincoln that day, Anna, and I can guess Lincoln also got a bit of payback on Lori as well, right?

Me: He sure did, he fired a blast of lightning at Lori and he electrocuted her so much, her hair looked like the Bride of Frankenstein.

Rita: And her body had random spasms from the electric blast Lincoln fired at her, but Lisa said that it would wear off in two to five days.

Nico: Phew, now that's a relief. But, Lori, what were you even thinking?

Lynn: Blame her Dark Side for that one, and I also got in payback as well, I gave her a Camel Clutch and she was in a lot of pain, and she deserved it: hiring remnants of The Black Daffodil Gang to kill my little brother, that's low even for her, and she's done tons of low things, because of that Dark Side of hers.

FLASHBACK ENDS

Sportsmaster: Whoa! That was amazing! And Electrifying.

Whirlwind: It sure was!

Static Shock: That was a really great story too.

Sportsmaster: It sure was. Lets do it!

Lightning used the Cantaloupe Lockseed and got a Cantaloupe Bazooka and then he read a verse and a massive avalanche of sports balls crashed onto Sportsmaster and smashed him all over and then they fired waves of wind, lightning and rainbows and smashed him down.

---

Gwen: Oh they sure did and Matt had a lot of fun on that one. We took on Pounder who is a Poundersaurolophus.

Princess Luna: He was half Pile-Driver and half Parasaurolophus. It was really freaky. Also he was a really powerful one as he packed a really nasty wallop.

Moondust: Yeah he was strong too. He had huge strength!

Snowdrop: But he was no match for the power of our zoids.

Gari: The Goths of Darkness and mother Luna and us went with the group and it was really fun.

Blackout: It sure was.

Wonder Woman: Yeah it sure was fun on that one.

Pied Piper: Wow! That is amazing. Pounder will make an awesome addition for us. Lets do it!

Gwen used the Butternut Squash Lockseed and it formed into THE SQUASH BAZOOKA! She read a verse and numerous crows and bats flew down and they attacked Pied Piper and then they fired waves of darkness and smashed him down.

---

---

Crimson Dynamo was next.

Crimson Dynamo: (to Akira) (Russian Accent) Elie's past was revealed. And man, was it dark!

Akira Akatsuki: You're not kidding there! What she went through was awful!

Applejack: When we heard about it and what she went through I was madder than a swarm of angry flash hornets! I wanted to find that organization that did this to her and rip them all to pieces!

Apple Bloom: I felt the same way sis! That was awful she went through all that.

Flashwing: Yeah it was terrible! Poor Elie.

Iron Man: What they did to her is awful and unforgivable. If we ever face whoever it was that did all that to her there will be no mercy from us for them.

Crimson Dynamo: That's for sure! Lets do it!

Akira used the Spinach Lockseed and got Popeye's muscles!

Akira: (Imitating Popeye) I loves me Spinach cause I'm Popeye the Sailor Man!

TOOT TOOT!

Akira laughed like Popeye.

Akira then read a verse and numerous Iron Man armors appeared and flew and smashed and blasted Crimson Dynamo all over and smashed him into dust and then they fired waves of energy, earth, rock, boulders, mud, crystals, apples and lava and smashed him down.

---

Ed Grant: They sure are and it's so cool that Moana was chosen to save the world.

Tornado Bolt: Yeah that is so cool! Lily has lots of past experiences with this.

Stealth Elf: We are really proud of her.

Hulk: Hulk proud of young Loud sister too.

Stygian: (British Medieval) Accent) Indeed. And it's good that she went through such a harrowing and amazing journey.

Spot: It sure is. Lets do it!

Ed used the Fire Fruit Lockseed and got a fireball bazooka. But it had a side effect that causes fireballs to also shoot from his nose and also he read a verse from his Wonder Ride Book and buffed up to Arnold Schwarzenegger's size and height! Then he punched and smashed and pulverized him all over and then fired waves of fireballs and then the group blasted and smashed him with leaves, grass, flowers and fireballs and smashed him down.

---

Skalamander: (to Chris) Moana has amazing Ocean Powers. Just like Lily and Luna.

Chris Taylor: I agree there too! That is so awesome!

Rarity: Oh it's most amazing darlings. And Moana was given a tremendous task too.

Sweetie Belle: Boy no kidding!

Gill Grunt: It's amazing that Moana and Lily worked really well together and helped save the world.

Hikaru: You got that right. But it turns out and we did not see this coming, we found out that Ta Kâ and Te Fiti were both one in the same. Without her heart Te Fiti turns into the vicious and infernal volcano demon Te Kâ.

Twilight Sparkle: Yeah no kidding! That was crazy and intense.

Starshine Sparkle: And the angrier that Te Kâ gets she gets more and more and more destructive and merciless.

Spyro: No kidding! Talk about having an explosive temper!

Hawkgirl: Literally. But It will be awesome to save her from herself. And we're going to use everything that Lily used on her past adventure to help us out.

Maui got Te Kâ extremely angry and Moana held the heart up and it emitted a bright glow and a loud hum.

Lily and Moana walked to the ocean edge.

Moana: Let her come to us.

The ocean in the lagoon split and allowed Moana and Lily to cross and Te Kâ rushed to them without feeling any water.

Lily and Moana were walking on the sand of the ocean floor.

Lily: [Singing] We have crossed the Horizon to find you.

Te Kâ was getting closer.

Moana: [Singing] We know your name.

Lily: They have stolen the heart from inside you.

Moana: But this does not define you.

Lily: This is not who you are.

Te Kâ began to realize that she was made into someone she was not.

Lily and Moana: You know who you are?

Te Kâ leaned in closer and Moana put her head on her head as the song ended.

Moana: Who you truly are.

Te Kâ closed her eyes and Moana placed the heart in the spiral and it glowed green and began cracking apart as leaves, flowers and life grew on Te Kâ and after the rocks broke off they saw Te Fiti, fully restored.

We gasped!

Lily and Moana: Te Fiti.

Me: WHOA!

Nico: WOW!

We were amazed. Te Fiti the spirit of life was fully restored and bringing new life to the island.

Laney: INCREDIBLE!

Te Fiti was forever indebted to Lily and Moana and she forgave Maui for his recklessness and actions and his hook was repaired. Maui left to go see the world.

Nico: Wow!

Camie: That was awesome!

Lincoln: Phew, we did it, we not only restored Te Ka to Te Fiti by returning her heart, but we also saved the world from a disaster of epic proportions.

Lily: Just like we remembered on the two times we each set out to restore Te Kâ to Te Fiti, Lincoln.

Nico: That was really awesome. Alright, awesome job, gang, but we're not done yet, there's still the matter of Ganryū and The Dark Ones to deal with, and those rogue Shinigami should be arriving… right now!

Rukia Kuchiki: I should've known there's no mistaking that voice from anywhere. You can come out now, Ganryū.

A figure came out, it was none other than Ganryū, and with him are The Dark Ones, Jai, Mue, Riyan, Bau, and Benin.

Rukia Kuchiki: I always knew you would show your face here one of these days, Ganryū, and the same can be said of the rest of The Dark Ones.

Ganryū: You fools will all pay for what you did, I will destroy The Soul Society and the human world, all of mankind shall be exterminated!

Ashley Clayf: That's never going to happen, Ganryū, and now, you and the rest of The Dark Ones will pay with your lives!

Suddenly, Ashley Clayf's brown eyes turned neon brown and she was surrounded by a brown and orange energy aura with earth, lava, rocks, and dogu, she unholstered her massive Clayf-themed greatsword from her back, and as she approached Ganryū, Jai, Mue, Riyan, Bau, and Benin, she left brown and orange energy, lava, rocks, and dogu with every step.

Ashley Clayf: You absolutely make me sick, Ganryū, what you attempted to do in trying to find and use the Shinenju to destroy the human world and the Soul Society, that's truly a crime against both the living and the dead, and it's a crime that none of you deserve to be forgiven for, instead, you all have sealed your own fates, and now, all of you will die!

Suddenly, Ashley Clayf was surrounded by a massive vortex of brown and orange energy with earth, rocks, and lava surrounding the vortex, there are an army of dogu and the Legendary Subterra Soldier, Clayf, flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Ashley Clayf emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Ashley Clayf grew from 6'5" to 7'4" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing dark brown hair, she has neon brown eyes and a brown and orange energy aura with earth, lava, rocks, and dogu surrounding her, she has the Subterra symbol in the hands of Clayf emblazoned on her forehead and Third Eye with brown iris, she has on dogu earrings with brown gems for eyes and holding the Earth and Eternity Kanjis in its hands, she also has Clayf with brown gems for eyes and holding the Earth and Eternity Kanjis in his hands on the bottom of her orange dogu-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with brown crystal links from her merged Crystal Necklace of the Buddha and brown gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Ashley Clayf has on a sleeveless open brown vest, sleeveless brown midriff top, brown skirt, orange pants, orange legwarmers, orange sneakers, and long white sleeveless trenchcoat with earth, lava, and dogu on the coattails, and on the back is the Legendary Subterra Soldier and the physically strongest of The Legendary Solders of Vestroia, Clayf, and he's surrounded by mountains. Suddenly, Ashley Clayf felt a sharp pain on her back, and then, her massive brown angel wings with orange tips on the large brown feathers grew much bigger for her new body, and she also now has eleven massive and long brown wolf tails, she has on a Ring of The Phoenix with brown gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Ashley Clayf's massive Clayf-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by brown and orange energy, lava, rocks, and dogu, and when it emerged, it was transformed into Clayf's Seismic Earthquake Greatsword of Subterra Dogu Earth Justice, it's a brand-new massive greatsword with embedded orange gems and Legendary Subterra Soldier and the physically strongest of The Legendary Solders of Vestroia, Clayf, etched on the 7'0" massive, wide, double-edged brown blade, large brown dogu heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large brown dogu heads and a large orange gem below the brown dogu heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Clayf's head with orange gems for eyes and a large brown gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a brown kanji below Clayf that said, "Ashley Clayf, Powerful Muscle of The Legendary Bakugan Gene-Slammers, Gene-Slammer of Clayf, The Legendary Subterra Soldier and The Physically Strongest of The Legendary Solders of Vestroia, Friend of The Bakugan Battle Slammers, Powerful Master of Earth, Lava, and Dogu, Strong and Talented Athlete, Good Sportswoman, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lynn, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Earth, Lava, and Dogu"

Ashley Clayf has transformed into SUPER ANGEL-DOGU-HARMONY CELESTIAL ETERNAL XELNAGA SEISMIC DOGU EARTHQUAKE SUBTERRA BAKUGAN DOGU ANGEL OF DIVINE SEISMIC EARTH LAVA DOGU JUSTICE AND DIVINE SUBTERRA SEISMIC DOGU LOVE!

We were amazed by Ashley Clayf's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ganryū, Jai, Mue, Riyan, Bau, and Benin saw it, they rushed at her to kill her, but Ashley Clayf blocked their attacks one by one and fired five powerful brown and orange energy blasts with earth, lava, rocks, and dogu at her and it sent them flying into a tree, they got out, but they were furious now.

Julie Makimoto: Incredible, Ashley's transformed.

Lincoln: Yep, she's the next of the Legendary Bakugan Gene-Slammers to transform, and now, we're going to make sure that those rogue Shinigami get buried alive for what they've done, and Ashley, you look beautiful. How do you feel?

Ashley Clayf: (Divine Echoing Cosmic Voice of The Seismic Subterra Earthquake Dogu and Divine Physical Strength Earthquake Love) I feel incredible, Linky. Now, shall we deal with Ganryū and his followers once and for all?

Lincoln: (Smiles) With pleasure, Ashley.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable

Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Ashley Clayf.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to destroy The Soul Society and the world are over, Ganryū, and now, it's time for you and your followers to die.

Ashley Clayf and Lincoln went after Ganryū, Jai, Mue, Riyan, Bau, and Benin, who unsheathed their swords and they tried to attack them, but they blocked every last one of their attacks, and they fired extremely powerful blasts of rainbow energy, brown and orange energy, dogu, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Ganryū, Jai, Mue, Riyan, Bau, and Benin, and they exploded with incredible power as they hit them, and they attacked them with powerful slashes from their massive greatswords, and they left nasty scars on them.

This was really getting Ganryū, Jai, Mue, Riyan, Bau, and Benin really pissed off, but Beverly and Lincoln were just getting started. Lincoln trapped Ganryū, Jai, Mue, Riyan, Bau, and Benin in five coffins of earth, and they couldn't escape, and then, Lincoln and Ashley Clayf had massive blasts of brown and orange forming in their hands.

Lincoln and Ashley Clayf: Get ready to be buried alive by the earth, Ganryū, Jai, Mue, Riyan, Bau, and Benin. SUBTERRA SEISMIC EARTHQUAKE FURY!

Lincoln and Ashley Clayf fired massive blasts of brown and orange energy, and they hit the five earth coffins with Ganryū, Jai, Mue, Riyan, Bau, and Benin, and they exploded with incredible power and the six rogue Shinigami were really messed up by the attack.

Nico: Whoa, now that's really powerful, I can see why Clayf was known as the physically strongest of the Legendary Soldiers of Vestroia.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Ashley Clayf, her hand-cannon Blaster is known as Clayf's Subterra Seismic Earthquake Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's brown with earth on the blaster with a Phoenix, Angel, and Clayf and the Subterra Symbol surrounded by earth etched on the sides, and an orange gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Ashley Clayf fired blasts of rainbow energy, brown and orange energy, and elemental forces at Ganryū, Jai, Mue, Riyan, Bau, and Benin and as they hit them, they exploded with incredible power, and Lincoln drained them completely dry of their life-forces, killing them. Then, as they holstered their hand-cannon Blasters, Ganryū, Jai, Mue, Riyan, Bau, and Benin's spirits appeared, and Lincoln fired six black Negative Karma Balls with the Judgement Kanji in it and it hits Ganryū, Jai, Mue, Riyan, Bau, and Benin's spirits, and she was sent to The Black Gates forever. We cheered wildly for what Ashley Clayf and Lincoln did to Ganryū, Jai, Mue, Riyan, Bau, and Benin as they holstered their massive greatswords on their backs and powered down, and Ashley Clayf's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Ashley Clayf: That's the end for you, you six traitorous Shinigami. Thanks for helping me destroy Ganryū, Jai, Mue, Riyan, Bau, and Benin, Linky.

Lincoln: (Smiles Warmly) You're welcome, Ashley.

Suddenly, Ashley Clayf wrapped her arms around Lincoln's massive, wider, and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ashley Clayf's face, they kissed passionately as Beverly Frosch's left arm was still wrapped around Lincoln's massive, wider, and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, and Clayf flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and mountains forming behind them and we cheered wildly. Lincoln and Ashley Clayf came back to us as the display and Clayf vanished.

Julie Makimoto: Wow, Lincoln, Ashley, what you guys did to Ganryū, Jai, Mue, Riyan, Bau, and Benin that was incredible.

Nico: It sure was, Julie. Plus, I can guessed that you used an Earth version of the Sand Coffin and entombed those six rogue Shinigami, and that allowed you and Ashley to really deliver a powerful attack on them, that was awesome.

Lincoln: Thanks, Nico, and you're going to see more combo attacks like that in the days to come.

Lori: And you know who's next tomorrow, right, Linky?

Lincoln: Oh yeah, Luna "Sapphire Pegasus" Spencer - Fusion Gene-Slammer of Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus, and Day 4 of The Dark World Treasure Hunt.

We then left for Moana's island, and Te Fiti went back to her rest.

We all then arrived back at Moana's island Motonui and her mom and dad, Sina and Chief Tui arrived onto the beach as they got on.

Moana: Mom! Dad!

Sina: Moana!

Moana hugged her mom and dad.

Moana: I may have gone a little ways past the reef.

Chief Tui: [Chuckles] It suits you.

Moana: Oh mom, dad. This is all my friends of Team Loud Phoenix Storm, they all helped me on my journey.

Me: It's a pleasure to meet you.

Sina: Lily, J.D., Everyone, we can't thank you enough for helping Moana.

Moana: They all were a big help.

Lily: You are so welcome Sina.

Me: Moana was in really good hands.

Nico: She sure was.

The villagers came and were excited to see Moana back safe and sound.

They cheered for both Lily, all of us and Moana.

Moana: Everyone. I couldn't have done all of this without all of your help. I thought I was gonna have to turn back but you all helped me regain my courage and strength.

Lily: True courage and strength only comes from what's inside your heart. Never forget that.

Moana: I won't.

Crimson Dynamo: Now Te Fiti's back to normal.

Spot: And with no fire signs.

Skalamander: Which is good.

Turtle: We should celebrate this occasion!

Dr. Polaris: (to Moana) Can we head back to your place for it?

Moana: We already are.

Nico: But great job guys. This was so awesome.

Lola: Yeah it was.

Fluttershy: (To the viewers) Um I hope you all liked this adventure like we did.

Me: I know we did.

Qin: Yep.

We had a great time. And we later went back home and rested and then we went to sleep.

I was dodging balls all over and really running all over the place and running along the walls.

Lincoln wass dodging balls all over.

Kendall threw a ball and it hit Rusty in his face!

Me: Come on is that all you got!?

Kendall screamed and threw more balls and I jumped off the wall and jumped off the Basketball hoop and landed on the floor.

Me: Now I got you.

I picked up a ball and threw it and it lit on fire and it hit a girl and smashed her into the wall!

Qin: TAKE THAT!

Nico: YEAH! I did not expect my rescue to be a dodgeball game.

Rhinox: Me neither Nico. This is really cool.

Zuria: Wow! J.D. is really acrobatic and athletic!

Kick Buttowski: Well I did teach him everything I knew about stunts.

Varie: But it's awesome that J.D. and everyone are facing your old school Kick.

Kick Buttowski: Yeah it sure is.

Nico: Vert, I want to thank you, LeGrange, and your teams for coming today.

Vert: No problem Nico. This is always fun and cool.

Nico: Jet Vac, I don't regret having you and the other Skylanders in the usual battles at all.

Jet Vac: (British Accent) Boy me neither Nico. It was a great idea having all the Skylanders put in the battles.

I jumped and threw a bunch of balls and they hit a couple of boys and smashed them into the walls.

Maria: YEAH!

WHAP!

Maria then got hit in the face with a ball!

Boy: HA HA!

UH OH!

Me: UH OH!

Maria: (EYES GLOW RED) (GROWLS FEROCIOUSLY) WAIT TILL I GET MY HANDS ON YOU!

She ran and grabbed numerous balls and threw them and smashed the entire team down!

Me: WHOA!

Nico: NICE ONE!

Maria roared in rage and then me and Nico grabbed her.

Me: Maria that's enough. You won the game for us.

Nico: I hope you like being paired with Rainbow Dash.

Vert: I sure do and it's awesome and cool!

Rainbow Dash: It is ALWAYS awesome!

We won the game and went over to the other team.

Me: You guys all right?

Kendall: Yeah we'll be fine. But J.D. you really learned so much.

Me: Kick taught me all his moves and they are so awesome and fun.

Kick Buttowski: J.D. has come a long way in Dodgeball.

Kendall: He sure has.

Eli: I'm proud of bro.

Rhinox: We all are.

Coach: Boy that was great J.D. Awesome job.

Me: Thanks Coach.

Nico: It's awesome that we're having a dodgeball game for my rescue today.

Coach: It sure is. All right lets take a drink break before the next round!

We went and got some water.

Maria gave us lots of water.

Me: Ahh. Thanks Maria.

Maria: No problem.

Girl Jordan came and she had a ball still wedged onto her face. Ouch.

Girl Jordan: (Muffled)

Lincoln: Let me get that for you G.J.

Lincoln pulled the ball off.

Girl Jordan: Thanks Linky.

Lincoln: Anytime.

Nico: Lily, yesterday was like old times.

Lily: It sure was! And it was awesome having all of us help Moana out.

Lola: That was so much fun!

Leni: It totes was.

Varie was healing some of the players of the teams.

Varie: It was cool helping her out like we did in the old days.

Aylene C.: Boy that wass so fun.

Vert: It sure was. And Lily's past experiences really came in handy.

Jet Vac: She did a Capital Bang Up job there.

Nico: Boy she sure did.

Nico: We were shocked to know Te Kâ's true identity.

Me: I think Barricade might have taken it the hardest.

Tigatron: (Laughs) Yeah he sure did and he hadn't stopped banging his head against a big boulder that Applejack made ever since.

We laughed.

Me: Boy no kidding.

Lola: Yeah that was funny.

Lily: But it was funny and awesome.

Nico: How many shocking reveals does that make now?

Me: I don't really know. I lost track a long time ago.

Nico: Yeah.

We got the next round of Dodgeball underway.

Rusty: SCORPION FORMATION GO!

They formed into a Scorpion as balls hit Mollie and others.

I jumped and threw more balls and bashed many of Kendall's classmates.

Nico: YEAH!

Airazor: Whoa J.D. is really messing them up.

Vert: But he sure is getting the job done.

Kuroto Dan: (laughs) You can't hit me. I AM GOD!

Kendall then threw a ball at him, knocking him down and making him fade away.

GAME OVER

Kuroto then reappeared through a Warp Pipe as his life counter now read 75 lives.

Kuroto: Okay, I'm out. But I still have 75 lives left!

Me: Actually you have infinite lives left because of your M.O.E. Status.

Kuroto: Even better.

Me: Yep.

I then threw a ball and it hit a kid and knocked him into the wall! Then he got up and growled and I saw him changed back and that it was the man that was THE CHAMELEON DEADMAN!

---

The Chameleon Deadman is a member of the Deadmans and a major antagonist in Kamen Rider Revice.

He is an unknown person who merged with his inner demon to become a Phase 2 Deadman. He killed Yujiro Wakabayashi, the commander of Fenix, and disguised himself as him to infiltrate Fenix.

He is played by Kazuya Tanabe. His real appearance is played by comedian Ayumu Kato.

While the Deadmans were assaulting the Fenix ceremony where Daiji would receive the Revice Driver, the Chameleon Deadman snuck onboard Skybase and copied Yujiro Wakabayashi's appearance to infiltrate Fenix before killing the real Yujiro.

As Yujiro, the Chameleon Deadman monitered the actions of the Fenix Riders while feeding the Deadmans intel. When the Skybase landed to refuel, the Chameleon Deadman helped the Deadmans assault and sneak aboard the Skybase so they could free Yasushi Kudo, as well as obtain the Proto Vistamp. While Amahiko Haitani freed Kudo, the Chameleon Deadman went to obtain the Proto Vistamp from George Karizaki, but was fought off by Vice after Ikki released him.

After the attack failed, the Chameleon Deadman went to simply obtain the Vistamp while disguised as Yujiro, but George swapped the Vistamp out with his Kamen Rider 1 action figure and staged a trap with Daiji and Hiromi. However, Yujiro was able to get close enough to Hiromi to take him hostage, before revealing his true form as the Chameleon Deadman. The Chameleon Deadman used Hiromi as a hostage to force George to give up the Proto Vistamp, and escaped back to the Deadmans' base with it.

Chameleon joined the other Gifftex Deadman and Aguilera in performing the ritual to revive Giff. As the ritual began however, the Deadmans Base was stormed by Fenix who attempted to stop the ritual. Chameleon joined his fellow Gifftex in engaging the Kamen Riders in battle, and fought against Hiromi Kadota, who was furious at him for killing Wakabayashi and copying his form. After Kadota beat back Chameleon, he fell back and met up with Olteca. While Revi Barid Rex destroyed the Deadmans Base, Chameleon and Olteca simply watched.

When Julio became enraged and attacked Olteca for mocking Aguilera, Chameleon assumed his Deadman form and pushed Julio out of the way, before Olteca then became the Daiouika Deadman and impaled Julio to force him out of his Wolf Deadman form. The two then exited the scene while Aguilera became the Queen Bee Deadman to get revenge for Giff. Olteca and the Chameleon Deadman later met on a rooftop to discuss their next move. Olteca sent the Chameleon Deadman to steal the Revice Driver for the next phase of their plan. Chameleon stalked the Igarashi family while they were shopping for groceries. As soon as the moment arose, Chameleon nabbed Yukimi, knocking her out, before assuming her form to get close to Ikki. Disguised as his mother, Chameleon brought Ikki outside and tried to stab him when his back was turned, but Ikki felt something was amiss and stopped Yukimi from stabbing him. The Chameleon Deadman then revealed himself, prompting Ikki and his siblings to assume their Kamen Rider forms to fight him and the horde of Giff Juniors he summoned. While Live and Jeanne dealt with the Giff Juniors, Revi and Vice defeated the Chameleon Deadman and knocked him out of his transformation, causing him to revert to his true appearance before being absorbed into Giff.

---

Me: (GASP) You're the Chameleon Deadman! I remember you! You're one of Revice's Villains.

Chameleon Deadman: (Laughs) Nice shot though.

Me: Thanks. But it's time for you to be destroyed. (GOES SUPER ANGEL WOLF MOON XELNAGA!)

Nico: Uh oh! We got a fight on our hards everyone.

Coach blew his whistle.

Me: (Divine Wolf Moon Voice) **Kita feel free to join me. It'll be**

**good to prepare you.**

Kita Birmingham: Thanks.

She came to help.

Chameleon Deadman: Then you both will die!

He went DEADMAN! He revealed his true form!

Kita: Until we can get more info on you, you're going to the Warp!

Me: **But it will be a good way to help Kita here be prepared for her upcoming Ambassador Missions.**

Kita: That's right!

Chameleon Deadman: Then I will kill you both!

He fired his tongue at us and I grabbed it and channelled lightning through it and electrocuted him all over.

Kita fired blasts of energy and blasted him all over and fiery explosions blasted him all over.

KRABBBBOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOMMMM!

He was blasted all over the place.

He launched his tongue again but Kita grabbed it before squeezing lemon juice on it.

He was gagging and coughing.

Me: **Don't rub Lemon Juice on the wound now! The fun is just getting started.**

We laughed at that remark.

Nico: That was a good one!

Chameleon Deadman: (GROWLS)

He fired a massive blast of fire and I fired a powerful blast of blue fire and the blasts hit and then exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blew him into the wall and smashed him down.

Qin: WHOA! Take that!

Chameleon Deadman got up and then he roared in fury!

He fired massive fireballs at me and Kita and we dodged them as massive fiery explosions blasted out all over the place and turned the area into a raging inferno and a warzone!

KRABBBBOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOMMMM!

Huge walls of fire exploded out and turned the gym into a raging inferno.

Kita blasted him all over the place with energy blasts and knocked

him down.

LaGrange then ran him over with his car.

SMASH!

Me: **NICE!**

Qin: YEAH!

LaGrange: No need to thank me.

Chameleon Deadman got up.

Me: **Time to finish this.**

I then pulled out the Vistamp for Pele, Goddess of Fire!

I used my Revice Sword and activated the Vistamp and it formed into a VOLCANIC LAVA BLADE!

Kita: Time for action! (ACTIVATES FAIRY LEVIATHAN'S VISTAMP!)

FAIRY LEVIATHAN!

Me and Kita: VOLCANIC FAIRY INCINERATION!

Me and Kita jumped and then slashed Chameleon Deadman and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

I grabbed the Vistamp and purified it and then banished Chameleon Deadman to the Warp.

Nico: YEAH! Chameleon Deadman you have failed this city!

Everyone cheered wildly.

Maria: I don't think we're done yet though.

Nico: I don't think so either.

Fluttershy then winced in pain as her Mark of Gemini the Twins glowed.

Fluttershy: Oh my mark for Gemini is glowing.

Me: **That means that the next Undead Zodiart is for Gemini the Twins.**

Qin: Yeah.

Then a figure came out. It was actually a two headed figure! It was ANOTHER GEMINI UNDEAD ZODIARTS! It looked like a scary version of Ba-Boom, the Boisterous and Evil Gemini Man!

Me: **WHOA!**

Nico: I've heard of that saying "Two Heads Are Better than One" but this is ridiculous!

Qin: Yeah.

Another Gemini 1: (In a girls voice) But it's good to see you guys here.

Another Gemini 2: (In a girls voice) Same here.

Me: (Gasp) **Those voices!**

They reverted back and they were 2 girls that had blue hair and one had red eyes and the other had blue eyes. One had red clothes and the other had blue clothes. And they both had the symbol for Gemini the Twins on their Arms.

Me: **Pele and Neptune Triton!**

Pele Triton: Awesome to see you again J.D.

Neptune Triton: Same here.

Nico: You know them J.D.?

Me: **I sure do. I call them the Fire & Water Twins. Pele and Neptune are two girls that I know and they have amazing powers over fire and water. They also are very powerful defenders of the weak and protected people from bullies and jerks.**

Nico: Wow! That is cool!

Pele Triton: It sure is.

Neptune Triton: We all thought so too.

May: Two of them this time?!

Nico: Well what did you expect? Gemini the Twins.

May: Oh right.

Me: **Girls I take it the next Another M.O.E. Member is not far behind.**

Pele Triton: That's right and it's a dark version.

Neptune Triton: (Points to LeGrange) Another version of him.

We gasped.

LeGrange: Another me!? Whoa!

Me: **Wicked! So this will be a fast one.**

Qin: Yep.

Fluttershy: Let me face you girls first.

Pele Triton: Sure thing Fluttershy.

They changed into ANOTHER GEMINI UNDEAD ZODIARTS!

Fluttershy fired waves of leaves and grass and flowers and blasted them down and they exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were down! I caught the Zodiarts Switch and Rouse Card and purified them. The Rouse Card had a picture of the stars of Gemini with the Symbol of Gemini and an image of twins on it.

Me: **Cool.**

Then the Zodiarts Switch formed into armbands for Gemini for Fluttershy and those for Gemini the Twins.

Fluttershy: Oh it's beautiful.

I went and grabbed the girls and brought them over.

Nico: Two for the price of one.

Me: **Soon to be three for the price of one.**

Then a figure came out and it was ANOTHER LEGRANGE! It was a dark version of LeGrange!

Me: **WHOA! Another LeGrange!**

Qin: This is gonna be a fast one.

Another LeGrange: (In a girls voice) (LAUGHS) Yeah it sure will be.

Me: (GASP) **Oh no! Stinky Brownstein Cammicola!**

All of us: Stinky Brownstein Cammicola!?

Another LeGrange: It's good to see you again J.D.

Me: (GULPS) **Same here.**

Nico: Uh oh. I take it you have a history with her?

Me: **It's not a bad history it's more like a funny and comedic history. Stinky was the biggest class clown in our school and she did all sorts of incredibly funny and silly pranks. Everyone got a good laugh out of them. But her favorite target was me. She did it all to me. She put whoopee cushions where I sat, spiked my milk with hot sauce, and even stuck my hand to my face with glue.**

Nico: Whoa!

Another LeGrange: That's right.

ZOOM!

She went behind me and just as she was about to pull my pants down I used the Substitution Jutsu on Pablo and she pulled HIS Pants down instead!

Pablo: HEY!

Everyone laughed at Pablo in complete and utter humiliation!

Me: **Nice try Stinky. Even though you haven't changed one bit which I think is cute you have to know that I am not going to fall for it again.**

Pablo was teleported back to Lynn's Table.

Kaito: (gets out Go Busters Gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger gear) Because we can grant it instead.

Another LeGrange: Just to be a great clown.

Me **: You could easily do that and you go to awesome birthday parties and entertain people like our teammates Luan and Eddy do.**

Another LeGrange: That's true.

Nico: One last thing. You don't have any psychopathic pranking habits on April Fools day do you?

Another LeGrange: Oh goodness no! I may be a prankster but I would never do all that stuff like Luan and your brother Connor did back in those days. That was awful.

Me: **That's a big sigh of relief.**

Another LeGrange: Yeah.

Me: **Sorry we have to fight you.**

Another LeGrange: No worries.

Me: **Lets get it on!**

Kaito: First this.

Kaito got a Beast X Blaster and Zocks got a Super Megaforce Blaster and Sword!

Qin: Yeah!

Xenia: This will be fun.

Me: **You should have seen some of the pranks that Luan and Connor did over the years to their families.**

Nico: Yeah no kidding! Those pranks were awful!

Another LeGrange: Yeah no kidding! I heard they really hurt so many people.

Me: **That is a massive understatement.**

Sougo (gets out Saber Ridewatch): You having several transformations this time, Geiz?

Armor Time! Rekka Battou! Saber!

Geiz: (gets out Changeman Ridewatch) Nope. This time, I'm sticking to one.

Sougo got SaberArmor while Geiz got ChangeDragonArmor.

Me: **Awesome. Here's a funny one!** (ACTIVATES STINKY BUTT'S VISTAMP)

STINKY BUTT THE FOUL!

Me: **FIRE IN THE HOLE!**

I pointed my butt at Another LeGrange and then…

LOUD SUPER FART!

It Hit Another LeGrange in the face and she coughed and gagged and even threw up!

Another LeGrange: (COUGHS AND GAGS) THAT WAS LETHAL! MY LUNGS ARE ON FIRE MAN!

Nico: (gets out LeGrange's Ridewatch) Let's burn rubber!

Nico activated it and ran fast then he pulled down Another LeGrange's pants and revealed his boxers!

Eli: I see London, I see France, I see Another LeGrange's underpants!

Another LeGrange: HEY! You got me Nico! (LAUGHS) That was funny!

Qin: You know it's funny. Johnny Bravo knows a girl named Stinky Brownstein and she picked on him all the time too.

Another LeGrange: That is coincidental.

Nico: (gets out Live Action Thrust's Ridewatch) Time to transform and rise up!

Nico activated and jumped and then turned into an F18 Fighter Jet!

Nico: Cool! Thrust this is cool that you are like this.

Live Action Thrust: It sure is.

Nico fired missiles and blasted Another LeGrange all over the place.

Qin: Yeah!

May: (Gets out Mimet's Ridewatch) Let's keep it up!

She activated it and fired blast star blasts and smashed Another LeGrange all over.

Qin: Take that!

Xenia: Yeah!

Camie: That was awesome!

Another LeGrange: It was. By the way J.D. I saw your game, you guys did awesome.

Me: **We sure did. And that was all fun.**

May: (gets out Asuka Lan's Ridewatch) Time to know what we can expect from Vinyl's missions.

May activated it and grew yellow angel wings and fired beams of light from them and they hit Another LeGrange and blasted her all over!

Qin: YEAH!

Me: **Wow! That was powerful!**

Xenia: Yeah that was cool!

May: Thanks.

Maria: (gets out Good Evolt's Ridewatch) Fitting that I'm about to use this. I wonder what form of Evolt's I'll be using powers based on though.

She activated it and fired waves of Evolt Energy and blasted down Another LeGrange!

Maria: Wow! That was his Blood Stalk power.

Qin: Nice one!

Xenia: Yeah!

Jet Vac: My turn! (ACTIVATES LIVE ACTION THRUST'S RIDEWATCH)

He fired waves of wind and missiles and smashed her all over the place.

Qin: YEAH!

Me: **Take that!**

May: I hope the next Gene Slammer's near.

But then..

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

A massive blast of lightning hit Another LeGrange from out of nowhere and electrocuted her.

Me: **Nice shot Lincoln!**

Lincoln: That wasn't me.

?: It was from me.

We looked and thought we were hearing voices.

?: Down here.

We looked down and saw a Raichu.

Me: **A Raichu. Cool!**

Raichu: (In a girls voice) That's right.

Nico: Nicholette Tesla! Wow!

Raichu: Awesome to see you again Nico. I got this.

She fired a blast of lightning and it hit Another LeGrange and knocked her down and Stinky was back to normal. I caught the ridewatch and purified it. I went over to Stinky and she was a girl with brown hair and had a white shirt and brown pants.

Stinky Brownstein Cammicola: (Groans) What a headache.

Me: **But you're back to normal.**

But then…

BLAM!

I got kicked in the butt by a kid!

Me: **OW!**

He laughed at me.

Me: **Hey what's the big idea!?**

Boy: You had this sign on you.

He pulled off a sign from my back.

Me: (Reading) **"Kick me, I bite peoples noses?" Oh REALLY funny Stinky!**

I Brought Stinky over.

May: (laughs) Even when defeated, Stinky gets the last laugh!

We laughed.

Me: (LAUGHS) **Yeah she always had gotten the last laugh.**

Qin: Yep.

Raichu: That's true.

Jet Vac: But this was a capital job.

Raichu: Thanks.

Jet Vac: What's your favorite memory of Nico?

Raichu: Well I have a lot of them. But my favorite is when me and Nico were on our way to class and I saw this kid wedging a bunch of girls in the locker room and they were so vilely humiliated. So I used my lightning powers and electrocuted the kid to where he was numb and then we turned him over to the cops and he got juvie.

Qin: Wow! Yes I remember that one.

Eli: What a jerk.

Raichu: Yeah.

Me: **Lets get you back to normal.**

Raichu: Okay but I'm naked.

Me: **Oh boy.**

Nicole: You guys peak and I will kill you!

I put on my glasses and everyone covered their eyes and I snapped my fingers and Nicholette reverted back and she was a girl with blond hair and had orange eyes and she was naked.

The Fashion Brigade gave her new clothes and they were yellow and golden yellow.

Nicholette stood up straight.

Nicholette Tesla: Wow what a rush.

Nico: But you're back to normal.

Nico and Nicholette hugged.

Nico: I've really missed you.

Nicholette Teska: Me too Nico. Me too

Woz: You're too late in wanting to even the score with Sally Witchford. We already defeated her as Another Kikai.

Nicholette: Really?

Me: Yeah ugly story.

Qin: She is now in the Saturn Insane Asylum. That bitch deserves it.

Camie: Big time.

Nicholette: Good. She can die in a ditch for all I care

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, Jesse Anderson, Jaden, Flash, Fiona Hernandez, Ancient Fairy Dragon, Black Winged Dragon, Power Tool Dragon, and Life Stream Dragon are heading back to Dark World for Day 4 of the Dark World Treasure Hunt, and not only is Lincoln going to rescue the three girls here, but Rhonda Jekyll is going to get a powerful treasure there: a powerful greatsword known as The Demonic Overlord Greatsword of Reign-Beaux, Overlord of Dark World.

And we're also going to destroy Damien Thorn, the Anti-Christ who's come back from the dead for revenge on us for destroying him and for what we did to his father, but we're going to make sure he never comes back from the dead and he's getting The Black Gates just like his father.

Lincoln: Whoa, we're back in Dark World for Day 4 of the Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the three girls here, but Rhonda Jekyll is going to get a powerful treasure there: a powerful greatsword known as The Demonic Overlord Greatsword of Reign-Beaux, Overlord of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Reign-

Beaux, Overlord of Dark World, it's perfect for her, and we're also going to destroy Damien Thorn, the Anti-Christ who's come back from the dead for revenge on us for destroying him and for what we did to his father.

Nico: Should've known he would return one of these days, but we're going to make sure he never comes back from the dead and he's getting The Black Gates just like his father.

Lincoln: Which is why I have these.

Lincoln took out The Seven Sacred Daggers of Tel Megiddo.

Eli: (Gasps) The Seven Sacred Daggers of Tel Megiddo.

Lincoln: I went to the Vatican before we set off for Nico's rescue, and the Pope told me that Damian Thorn had returned and he was waiting for us at Dark World, and he wants revenge on us for killing him years ago. Then, he gave me The Seven Sacred Daggers of Tel Megiddo.

TLPS Mr. Wolf: Why are these daggers really important and sacred?

Me: Because, these seven daggers were made for one purpose: they're the only weapons that can kill Damian Thorn.

Lincoln: We went long ago on a big mission to kill Damian Thorn, and J.D. had the Seven Daggers of Tel Megiddo with him that were given to him by the Pope, and after we weakened him, J.D. had to stab the daggers in Damian Thorn's chest in a sequence that forms the cross: and the Dagger that extinguishes the Antichrist's physical life force must serve as the center of the cross that the Daggers form.

Nico: And he also recited The Lord's Prayer in Latin as an added touch, and when J.D. stabbed the Antichrist in the center, he burst into flames and he was destroyed forever, plus, we saw his true form: an evil demon like his father, and after the task was done, J.D. returned the daggers to The Vatican.

Lincoln: Yep, and now, it's my turn to use the Seven Sacred Daggers of Tel Megiddo, and see to it that Damian Thorn never ever comes back, and I'll infuse the Dagger that extinguishes his physical life force with Black Gates energy and it'll send him to The Black Gates.

Rita: He may look like a child, but from what we saw in The Omen movies, Damian Thorn is capable of unleashing horrific acts of unholy supernatural evil, and he's got the Mark of The Beast on him.

Lincoln: The Three Sixes, the Number of the Beast, he's got some nerve to show up here in Dark World, too bad for him this place isn't like Hell, and the creatures there only answer to The Dark World Monsters, and now, he'll pay for his intrusion, and I want to thank you and your team for joining us, Flash.

Flash: You're welcome, Lincoln, this is going to be one awesome rescue, and the last time we'll ever have to deal with Damian Thorn.

Nicholette Torrington: When Lincoln told us of how you guys took on the Antichrist years ago, we were stunned, but you guys saved the world from an apocalyptic nightmare. Now, we should head for Reign-Beaux, Overlord of Dark World's shrine.

Rhonda Jekyll: Right.

We continued on and we arrived at Reign-Beaux, Overlord of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Overlord Greatsword of Reign-Beaux, Overlord of Dark World, a powerful demonic massive greatsword with rainbow gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large rainbow gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Overlord Greatsword of Reign-Beaux, Overlord of Dark World, that sure is one scary looking demonic greatsword.

Rhonda Jekyll: And it's absolutely perfect for me.

Suddenly, we saw Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus, and with them are the three girls.

Nico: Wow, that's Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus, and they got the three girls.

Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus: (Girl's voice) And away from Damien Thorn.

Lincoln: (Gasps) That voice, Luna "Sapphire Pegasus" Spencer, I knew it was you, it's awesome to see you again, but we'll talk later, I know that Damien Thorn is already heading for us.

?: I will have my revenge on you for what you did in destroying me and my father, Team Loud Phoenix Storm!

Me: I knew there was no mistaking that voice from anywhere, you just don't know when to stay dead, do you, Damien Thorn.

We then saw our target, Damien Thorn, and he was incredibly furious.

Nico: Damien Thorn, I should've known we'd run into you again, you just refuse to stay dead, huh?

Damien Thorn: As long as my hatred for all of you runs deep for what you did in destroying my father, I will never rest until all of you and all of mankind is dead and Heaven and its armies are destroyed!

Rhonda Jekyll: Alright, I've had just about enough of you to last an eternity, Damien Thorn.

Rhonda Jekyll went up and she grabbed The Demonic Overlord Greatsword of Reign-Beaux, Overlord of Dark World. Suddenly, Rhonda Jekyll's green eyes turned neon green and she was surrounded by a red-orange energy aura with darkness, demons, dark magic, and rainbow flames, she unholstered her massive

Reign-Beaux, Overlord of Dark World's Demon Greatsword of Darkness Overlord Justice from her back, and as she approached Damien Thorn, she left red-orange energy, darkness, demons, dark magic, and rainbow flames with every step.

Rhonda Jekyll: You really make me sick, Damien Thorn, you've murdered so many innocent people in your path and what you've tried to do in taking over the world and trying to revert it to Satanism, to take revenge on God for what he did in banishing your demonic father to Hell eons ago for his crimes, that's going too far, and now, we're going to make sure you never rise from the dead ever again.

Suddenly, Rhonda Jekyll was surrounded by a massive vortex of red-orange energy with darkness, rainbow flames, and dark magic surrounding it, there are demons and Reign-Beaux, Overlord of Dark World flying around the vortex, and inside the vortex is a green phoenix. Then, as the vortex faded, Rhonda Jekyll emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Rhonda Jekyll grew from 6'11" to 7'4" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing orange hair, she has neon green eyes and a black and red-orange energy aura with darkness, demons, dark magic, and rainbow flames surrounding her, she has Reign-Beaux, Overlord of Dark World emblazoned on her forehead and Third Eye with green iris, she has demon earrings with rainbow gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Reign-Beaux, Overlord of Dark World with rainbow gems for the eyes and the Dark and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with rainbow crystal links from her merged Crystal Necklace of the Buddha and rainbow gems on the gold lightning bolt links and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Rhonda Jekyll has on a sleeveless red closed blouse, sleeveless red top, red plaid skirt, red pants with flowers on the legs, red sneakers, and long white sleeveless trenchcoat with darkness, demons, dark magic, and rainbow flames on the coattails, and Reign-Beaux of Dark World surrounded by demons, darkness, and rainbow flames on the back.

Suddenly, Rhonda Jekyll's massive red-orange angel wings with black tips on the feathers grew much bigger for her new body, and she has eleven massive and long orange wolf tails. Rhonda Jekyll has on a Ring of The Phoenix with red-orange gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Rhonda Jekyll's massive Reign-Beaux Overlord of Dark World's Demon Greatsword of Darkness Overlord Justice and The Demonic Overlord Greatsword of Reign-Beaux, Overlord of Dark World and all of the other swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of black and red-orange energy, darkness, demons, dark magic, and rainbow flames, and when it emerged, it was transformed into Reign-Beaux, Overlord of Dark World's Demonic Darkness Overlord Greatsword of Dark Magic Rainbow Justice, it's a brand-new massive greatsword with embedded rainbow gems and Reign-Beaux, Overlord of Dark World, etched on the 7'0" massive, wide, double-edged, midnight black blade, large midnight black demon heads for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large midnight black demon heads with rainbow gems for eyes and a rainbow gem on the bottom of the demon heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, gold Belt of Elemental Bravery with a gold version of Reign-Beaux, Overlord of Dark World's head with orange gems for eyes and a large rainbow gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a red-orange kanji below Reign-Beaux, Overlord of Dark World that said, "Rhonda Jekyll, Descendant of Dr. Henry Jekyll, Smart and Talented Scientist, Gene-Slammer of Reign-Beaux, Overlord of Dark World, Powerful Member of the Dark World Goth Girls, Powerful Master of The Dark Arts and The Occult, Dear Friend of Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Celine Wendova, Connie Jackelstein, and Clara St. Clarice, Loving Future Wife and Guardian Angel of Lincoln Loud, Thrasher of Josee and Jacques, Archenemy of Shun Kageyama, Destroyer of Edana Baudelaire of The Church of Necrom, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Demons, and Rainbow Flames"

Rhonda Jekyll has transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS RAINBOW FIRE REIGH-BEAUX DEMON OVERLORD DARK WORLD DEMONIC ANGEL OF DEMONIC RAINBOW FIRESTORM DARK WORLD JUSTICE AND DIVINE DEMON RAINBOW FIRESTORM DARK WORLD LOVE!

We were amazed by Rhonda Jekyll's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Damien Thorn saw it, the demonic Antichrist went mad with demonic rage and fired a blast of fire at her, but Rhonda deflected it and she fired a powerful blast of red-orange energy with darkness, demons, dark magic, and rainbow flames at Damien Thorn and sent him flying out of the shrine and we also came outside, he got up and he was really pissed off now.

Nicholette Torrington: Whoa, Rhonda Jekyll has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lori: That is literally amazing, and as Lincoln puts it, all of Dark World is going to witness the death of Damien Thorn once and for all.

Lincoln: You got that right, Lori, and Rhonda, you look beautiful, how do you feel?

Rhonda Jekyll: (Divine Echoing Cosmic Voice of the Dark World Rainbow Demon Overlord and Divine Demon Overlord Dark World Divine Love) **I feel incredible, Linky. Now, shall we deal with Damien Thorn once and for all?**

Lincoln: (Smiles) With pleasure, Rhonda.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Rhonda Jekyll, and he also got out the Seven Sacred Daggers of Tel Megiddo.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Since you refused to learn your lesson the first time, Damien Thorn, you've left us with no choice but make sure you never rise from the dead ever again.**

Rhonda Jekyll and Lincoln went after Damien Thorn, who threw a blast of hellfire at them, but they dodged it, and they fired extremely powerful blasts of rainbow energy, black and red-orange energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Damien Thorn and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was major league pissing off Damien Thorn, but Rhonda Jekyll and Lincoln were getting started, then Rhonda Jekyll calls upon the dark forces of Dark World and they fire powerful blasts of darkness at him and blasted him badly, and Lincoln called upon the forces of the night and sent creatures of darkness at him who tore into him.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Rhonda Jekyll, her hand-cannon Blaster is known as Reign-Beaux, Overlord of Dark World's Demonic Overlord Darkness Rainbow Fire Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with rainbow flames on the blaster with a Phoenix, Angel, and Reign-Beaux, Overlord of Dark World surrounded by darkness etched on the sides, and a rainbow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Connie Jackelstein fired blasts of rainbow energy, black and red-orange energy, and elemental forces at Damien Thorn and as they hit him, they exploded with incredible power, and it knocked him down.

Then, Lincoln snapped his fingers and we were at a church and this was also a weakness for Damien Thorn because he hates the Church, and Lincoln used The Seven Daggers of Tel Megiddo, and just like me, he stabs them into Damien Thorn's chest in a sequence that forms the cross, and finally, he raised the last Dagger: the dagger that extinguishes the Antichrist's physical life force, and he also infused it with Black Gate energy, and finally, Lincoln drives it into the center of the cross the Daggers form and right into Damien Thorn's black heart and he was killed. Then, Damien Thorn's body burst into hellfire, and his true demonic form appeared, but when the Judgement Kanji appeared on his forehead, he was found guilty by the souls of all those he's murdered and he was erased forever by The Black Gates, and Damien Thorn's reign of unholy terror has finally been brought to an end.

Rita: He did it, he did it!

We all cheered wildly for what Rhonda Jekyll and Lincoln did to Damien Thorn as they holstered their massive greatswords on their backs and powered down, and Rhonda Jekyll's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red-orange wolf tails, and massive red-orange angel wings are permanent, and Lincoln picked up The Daggers of Megiddo and had them wrapped up in cloth again.

Rhonda Jekyll: That'll teach you, you heartless son of The Devil. Thanks for helping me destroy Damien Thorn once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rhonda.

Suddenly, Rhonda Jekyll wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rhonda Jekyll's face, they kissed passionately as Rhonda Jekyll's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Reign-Beaux of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Reign-Beaux, Overlord of Dark World came back to us as the display and Reign-Beaux, Overlord of Dark World vanished.

Nicholette Torrington: Wow, now that's what I call an awesome battle to save the world from a reign of eternal darkness.

Nico: Damien Thorn had caused enough trouble to last an eternity, and for the lives of those he killed, he deserved to suffer the same fate as his father.

We then head for the Vatican and Lincoln hands the Seven Daggers of Tel Megiddo back to The Pope and told him that the job has been done: Damien Thorn has been destroyed once again, and this time, he's never coming back. The Pope was eternally thankful to Lincoln and all of us for putting an end to the Antichrist once and for all, and we left The Vatican.

Lincoln: I always thought we'd never have to deal with Damien Thorn after we destroyed him, but he really was stubborn and his hatred for us for what happened to his father was that powerful, but we weren't going to let him live a single second further. (To Luna Spencer) And it's so good to see you again, Luna Spencer.

Luna "Sapphire Pegasus" Spencer reverted back to normal, and she's a beautiful girl with long flowing sapphire blue hair, sapphire blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has a sapphire blue gem embedded on her forehead and massive and beautiful sapphire blue angel wings with stars and sparkling sapphire blue gems and an aura of sparkling sapphire blue gems around her and she reigned in the powers of Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus, and she's dressed in a sleeveless sapphire blue open vest, sleeveless sapphire blue midriff top, sapphire blue skirt, sapphire blue pants, sapphire blue sneakers, and long white sleeveless trenchcoat with sapphire blue flames, sapphire blue gems, and Pegasi on the coattails and Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus holding a cobalt blue gem on the back and holstered on her back is a Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus-themed large greatsword with embedded sapphire blue gem and Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus etched on the 7'0" massive, wide, double-edged sapphire blue blade, large Pegasi heads for the crossguard, large sapphire blue gem embedded in the rainguard, longer midnight black handle, four large Pegasi heads and a large sapphire blue gem on the bottom of the large Pegasi heads for the pommel.

Luna Spencer: You too, Lincoln, it's been a long time, and it's also good to see you again, Sapphire Constantine, Nadine Flores, and Serenity Lexington.

Sapphire Constantine, Nadine Flores, and Serenity Lexington: You too, Luna.

Lincoln went up to Luna Spencer and he hugged her, and Luna Spencer is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Luna Spencer: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her, and she also knows Sapphire Constantine and Nadine Flores?

Lincoln: Indeed I do, Nico, this is Luna "Sapphire Pegasus" Spencer, she's my Guardian Angel from Buffalo, New York, and my classmate in Music. She's also an old friend of Serenity Lexington, Gene-Slammer of Rainbow Overdragon from New York before she moved to Royal Woods, and she purposefully Gene-Slammed herself into a Fusion Gene-Slammer of Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus in order to protect me from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home.

Nico: Yep, I figured that was coming.

Lincoln: That's right, and as a result of it, she gained sapphire blue angel wings and became a master of the blue color of the rainbow and even sapphire gems, and like Sapphire Constantine, Gene-Slammer of Advanced Crystal Beast Sapphire Pegasus, she also gained sapphire blue fire powers that can summon mythical creatures and remove demons from those who are possessed by demons.

Me: That's really awesome.

Lincoln: Yep, and she's easily identified by a sapphire blue gem embedded on her forehead and her favorite Crystal Beast Duel Monsters are Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus, and she was trained by Sapphire Constantine, Gene-Slammer of Advanced Crystal Beast Sapphire Pegasus and Nadine Flores, Gene-Slammer of Crystal Beast Sapphire Pegasus, and she hates Chandler with a blazing passion.

Nico: Nice!

Sapphire Constantine: It sure is, and she's really become an awesome expert in using the powers of Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus, along with using sapphire blue fire and creating sapphire blue gems, and thanks to all that training, she also gained an aura with sparkling sapphire blue gems around her and in her sapphire blue angel wings.

Nadine Flores: Which is also another awesome feature for her, and it also warns her of any incoming dangerous threats.

Jesse Anderson: That's really amazing.

Luna Spencer: Thanks, Jesse, and there's also something you all should know: you know that I've given myself the task of protecting Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home, and Lincoln's right, I really hated Chandler with a blazing passion.

Nico: Uh oh.

Luna Spencer: But, I actually prevented that by causing a little "disaster" in his locker and at the school before he could try another plot to kill Lincoln, and let's just say I pissed off Dark Chandler even more.

Nico: That's a relief, but what "disaster" did you cause on Chandler?

Lincoln: You'll hear the full story later, Nico, trust me, it's really hilarious.

Luna Spencer: He's right, and it's guaranteed to knock your socks off. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Luna, are you absolutely sure about this?

Luna Spencer: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Luna Spencer, and he saw that she's really serious, and he smiled as he walks over to Luna Spencer, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Luna Spencer's neck with sapphire blue gems on the gold lightning bolts and sapphire blue crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Luna Spencer: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Luna.

Luna Spencer has a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Luna Spencer's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Kumi Jefferson, Michi Kanzaki and Youko Mitsurugi from Detonator Orgun.

Lincoln: Oh wow, it's Kumi Jefferson, Michi Kanzaki and Youko Mitsurugi from Detonator Orgun.

Nicole: Awesome.

Lincoln: Are you girls okay?

Kumi Jefferson: Yes, we're okay, thanks to you.

Then, when Kumi Jefferson and the other two girls saw who it was that saved them from Damien Thorn, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Kumi Jefferson: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kumi Jefferson: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kumi Jefferson, Michi Kanzaki and Youko Mitsurugi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Rhonda Jekyll had gotten The Demonic Overlord Greatsword of Reign-Beaux, Overlord of Dark World, and they were shocked when they found out that the villain we went after was Damien Thorn, the

Antichrist, and he came back from the dead and he still wanted revenge on us for what we did in not only destroying his father, but also him, years ago.

But, when Lincoln showed them what happened such as Rhonda Jekyll transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and she and Lincoln laying a brutal beatdown on Damien Thorn and it ended with Lincoln teleporting into a Church and using The Seven Daggers of Tel Megiddo and stabbing them into Damien Thorn's chest in a cross formation and using the last dagger infused with Black Gate energy and drove it into Damien Thorn's black heart and he died in the same way as last time and he was then erased by The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Luna Spencer have a lot of catching up to do, now that she's back in town.

Maria: Holy crap, I did not expect Damien Thorn to return from the dead and await you guys at Dark World.

Lincoln: We didn't either, but when The Pope told me the news, I was shocked. But, when he gave me The Seven Daggers of Tel Megiddo, I knew what had to be done.

Me: I already did my job with using the Daggers on Damien Thorn, and now, it was Lincoln's turn.

Nico: And he and Rhonda showed him absolutely no mercy, Damien Thorn may have had the powers of Hell on his side, but they had the powers of Heaven and Dark World on theirs, and in the end, they won and Damien Thorn lost forever.

Eli: What a monster.

Lincoln: A monster who's the son of The Devil and a menace to mankind and Heaven itself.

---

After finally getting rid of Damien Thorn and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Luna Spencer saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Luna Spencer: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Luna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Luna Spencer: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Luna, what's the story on how you caused a little "disaster" to happen to Chandler before he could make another attempt to kill Lincoln again?

Luna Spencer: That's something I'd never forget. One day, Lincoln and I were heading off to our next class, but then, I suddenly got a vision, and I find out that Chandler's brought a gun to school, a gun he got from his lowlife dad, and he is going to kill Lincoln in cold blood and once he's done, he'll kill Laney, Lucy, Lana, Lola, and Lincoln's friends, Clyde, Liam, Zack, Rusty, and Stella. That's just going too fucking far, so I decided to put a stop to his attempted murder rampage and put that smug little prick in his place. During lunch, and before he could get his gun out, I concentrated hard, and I made massive clusters of sapphire blue crystals and gems erupt from nowhere, and that caused Chandler to really let out a really loud chain reaction of screams and swear words and he was running like a chicken with its head cut off as the sapphire blue crystal clusters were erupting out of nowhere and one of them kicked the gun out of his pants, and when everyone saw it, they were horrified. I then made a sapphire blue orb prison around the gun and put Chandler in sapphire blue crystal handcuffs, and I told Lincoln of my vision and he was really pissed off at Chandler again, but he just went over to me and he hugged me tight. Then, he proceeded to call the cops, and Lincoln told the cops that Chandler got the gun from his lowlife dad, and the cops took Chandler away and his lowlife dad got another Life Sentence added to the multiple life sentences he got for his crimes and attempted hits on Lincoln and his family and friends.

Nico: Of all the evil things that Dark Chandler has ever done, bringing a gun to school to kill Lincoln, Laney, Lucy, Lana, Lola, and his friends is the lowest.

Geronimo Stilton: Wait a second, so you were the one who caused The Sapphire Gem Disaster years ago in Royal Woods Elementary School?

Luna Spencer: Yes, and how did…?

Geronimo Stilton: I may not have been a part of the team years ago, but I've read the newspapers from those times, but you had a reason to do so, Luna. Chandler would've killed Lincoln, his sisters, and his friends, and if anyone else got in his way, he would've killed them too.

Benjamin Stilton: And we also read that Lincoln pressed charges on him, and Chandler would've been sent to juvie, but he had his goons rough up the cops and they helped him escape.

We gasped.

Me: Now, that I remembered all too well. But, I eventually caught them three days later, and had all three of them sent to the slammer for two months.

Nico: That'll teach them. Plus, I'm surprised Huggins didn't even try to expel you.

Lincoln: He saw what Luna and many of my Guardian Angels are capable of, plus, he'd been on thin ice since day one when they saw him giving me a hard time and just flat out hated me, and they also gave him a stern warning: if they saw him giving me a hard time just one more time, they would call Superintendent Chen and he would be fired, plus, they also have some dirt on him that could really put a dent on his reputation, and even worse, fire him.

Nico: Wait, what? What was it?

Rita: You really want to know?

Nico: Call me curious, but yes.

Rita got out a massive red book that she and Lincoln's Guardian Angels made and it also has an Anti-Huggins symbol on the cover, and Nico saw that Huggins had not only given Lincoln a hard time, but he's also been wanting to expel him for something he didn't do, he's waxed the floors so much that the students had gotten injured and all to impress Superintendent Chen, he was also unaware of the lethal obstacle course Coach Pacowski had set up, and how he had

Lincoln and Clyde falsely put in Detention so he couldn't let them win the comic book competition, and how he tried to have them and us killed with those robots, but that ended with him getting a beatdown from Ms. Rita, plus, they also listed about Bolhofner and Mr. Shu slipping into the school system on his watch, and if news of this got out, Huggins would be fired.

When Nico was done reading it, his jaw dropped to the floor, and I had to set it back in.

Nico: Holy crap! This is some dire the Guardian Angels had got on Huggins. If news of this ever got out, Huggins would be literally fired!

Me: And this was way before the restaurant incident, Nico.

Lynn Sr.: And I can't believe Mr. Shu also slipped in and under Huggins' watch. When I get my hands on him, I'm gonna… !

Lincoln: Easy, Dad, there's no need to worry. Besides, after the restaurant incident, he did change for the better, and Mom swore not to share this book with anyone.

Rita: That's right, honey. But, I also told the other Guardian Angels that if Huggins goes back on his word, they'd call me and Superintendent Chen, and when we show her our book, Huggins would face the consequences, and he'll be tossed out on his toupee.

We got a shower afterwards, and then, Ed Cowart, Cattleya, Nabiki Tendo, Aosaka Natsumi, Konami Hatano, Chiwa Amano Chiwa, Shino Ebizuka, Sana Kaizu, Yuno Kawakami, Wakana Shimazu, Wako Agemaki Wako, Atari Kou, Sarina Endou, Kei Madoka, Ruri Makina, Keito Nichi, Midori Okamoto, Sakana-Chan, Simone Aragon, Kinu Fukushima, Sarasa Honda, Asa Katou, Rinzu Kuroda, Momen Sanada, Sumi Ichijouji, Rasha, Saten, and Sophia are about to have a harem bonding session.

Ed Cowart: This is going to be so awesome: our first harem bonding session.

Cattleya: That's right, Ed, and I think I've got an idea on how to start our first harem bonding session.

Ed Cowart, Cattleya, Nabiki Tendo, Aosaka Natsumi, Konami Hatano, Chiwa Amano Chiwa, Shino Ebizuka, Sana Kaizu, Yuno Kawakami, Wakana Shimazu, Wako Agemaki Wako, Atari Kou, Sarina Endou, Kei Madoka, Ruri Makina, Keito Nichi, Midori Okamoto, Sakana-Chan, Simone Aragon, Kinu Fukushima, Sarasa Honda, Asa Katou, Rinzu Kuroda, Momen Sanada, Sumi Ichijouji, Rasha, Saten, and Sophia headed down to Lynn's Table for a massive humiliation on Flip, Lewis Travolta, Pablo, Anderson, Icky Vicky, Trina Riffins, Bubble Bass, The Wet Bandits, NO MA'AM, The Bundys, Mrs. D'Arcy, and Amy who are chained up to their posts and they were mega pissed off when they saw them here.

Flip: When I get out of this, I'm gonna… !

Ed Cowart: Shut up, you mutant tub of lard!

Ed Cowart punched Flip hard in the nose and he also got his teeth knocked out.

Ed Cowart: Alright, now to start the humiliation, and I've got just the technique. UNDERWORLD DARK STYLE NINJA ART: HELLHOUNDS OF HADES!

Ed Cowart fired blasts of dark blue fire which transformed into hellhounds and they pounced on Flip, Lewis Travolta, Pablo, Anderson, Icky Vicky, Trina Riffins, Bubble Bass, The Wet Bandits, NO MA'AM, The Bundys, Mrs. D'Arcy, and Amy and they viciously mauled them, and massive streams of gold coins and jewels exploded out of them.

Cattleya: Ooh, nice one, Ed, now it's my turn. FIRESTORM BLADE STYLE NINJA ART: THOUSAND BLADES SLASHSTORM!

Cattleya unholstered her Giant Killer and she slashed at Flip, Lewis Travolta, Pablo, Anderson, Icky Vicky, Trina Riffins, Bubble Bass, The Wet Bandits, NO MA'AM, The Bundys, Mrs. D'Arcy, and Amy and when she was done, the jerks had their clothes shredded clean off and they were nude, and they screamed.

Nabiki Tendo: Now, it's my turn.

Nabiki Tendo fired boulders and they hit the crotches of Flip, Lewis Travolta, Pablo, Anderson, Bubble Bass, NO MA'AM, Bud Bundy, and The Wet Bandits, and they screamed and howled in agonizing pain.

Aosaka Natsumi, Konami Hatano, Chiwa Amano Chiwa, Shino Ebizuka, Sana Kaizu, Yuno Kawakami, Wakana Shimazu, Wako Agemaki Wako, Atari Kou, Sarina Endou, Kei Madoka, Ruri Makina, Keito Nichi, Midori Okamoto, Sakana-Chan, Simone Aragon, Kinu Fukushima, Sarasa Honda, Asa Katou, Rinzu Kuroda, Momen Sanada, Sumi Ichijouji, Rasha, Saten, and Sophia also had their turn, and they unleashed pure hell on the jerks: they gave Flip, Lewis Travolta, Pablo, Anderson, NO MA'AM, Bubble Bass, and Bud Bundy the hot wax treatment by putting hot wax on their hairy backs, and when they peeled the adhesive bandages off, they screamed and howled in so much pain, and massive streams of gold and jewels exploded out of them, then, they shaved the hair off Icky Vicky, Amy, Trina Riffins, Peggy Bundy, Kelly Bundy, and Marcy D'Arcy, and when they all saw it in the mirror, they let out a massive cacophony of shrieks, and massive streams of gold coins and jewels exploded out of them.

Ed Cowart: Oh, that really had to hurt. And I'm going to guess in a few minutes, J.D., Nico, Lincoln, and their harems are going to come in and see what we've done.

Ed was proven right, soon enough, Nico, Lincoln, and I came with our harems as soon as we heard the massive cacophony of shrieks from Icky Vicky, Amy, Trina Riffins, Peggy Bundy, Kelly Bundy, and Marcy D'Arcy. When they saw it, they burst out laughing hysterically, and they also laughed harder as soon as they saw what Ed Cowart and his harem did to Flip, Lewis Travolta, Pablo, Anderson, NO MA'AM, Bubble Bass, and Bud Bundy.

Nico: Jeez, not a moment too soon, and already, you guys were humiliating our resident jerks.

Ed Cowart: Yep.

Bud Bundy: When we get out of this, we'll have swift and bloody revenge on all of you!

Lincoln: Eat your dad's socks, you girlfriendless pathetic son of a shoe salesman!

Me and Nico: Ooh!

We had a hard time trying to contain our laughter.

Ed Cowart: Oh, Lincoln, I think you just pissed off Bud Bundy big time.

We saw it for ourselves: Lincoln's insult has really riled up Bud Bundy big time, and that also got the rest of NO MA'AM, The Bundys, and Mrs. D'Arcy really riled up. But, Lincoln fired a blast of ice at the jerks and gave them a nasty cold.

Ed Cowart: Now, we'll need to keep them contained for our special day.

Lincoln: Leave that to me.

Lincoln fired a blast of energy and had the jerks contained inside of a soundproof and escape-proof dome and he also strengthened the chains around them, and it really pissed them off even more.

Me: Now, that's an awesome prison, and I know why you asked Lincoln to do that, Ed.

Ed Cowart: Ever since the escapes of Flip and Icky Vicky, we needed to strengthen security, and this is one way to make sure those jerks never escape.

Lincoln: And if they do, they'll get electrocuted with a little curse I also added to their prison.

Nico: I hope it's a lot worse than what Ed and his harem just subjected them to.

Ed Cowart: It is.

---

Later Mandy was walking Charlie Brown home from the park.

Charlie Brown: Mandy, what's the surprise?

Mandy: Trust me, Charlie. You're going to like it.

Charlie Brown: I have a feeling it's gonna be good.

We were getting everything ready for an awesome day because of was Charlie Brown's birthday today.

Me: Boy everything looks great!

Sunny Starscout: Charlie is gonna love it!

Kendra: I'm so excited for Charlie.

Me: Me too Kendra.

Lana: Here they come!

Nico: Places!

We hid.

Then the lights went off.

They came into the elevator and arrived.

Charlie Brown: Hey why is it so dark?

Mandy: I'll get the lights. But it's your special day.

CLICK!

All of us jumped out.

All of us: SURPRISE! HAPPY BIRTHDAY CHARLIE BROWN!

Mascots: HAPPY BIRTHDAY CHARLIE!

Charlie Brown: (GASP) You guys remembered! Oh you guys are the best!

Kendra: We would never forget a great birthday.

Charlie Brown: Oh thanks guys!

We brought out a really awesome and amazing cake! It was a White Chocolate Amaretto Mint Cake!

Charlie Brown: Oh wow! What a cake!

Me: Me and Mr. Lynn helped make it.

Camie: And no me and some of the girls are not in it.

Me: That was only for me.

Nico: But that would be cool for me.

Xenia: Yeah.

Wendy Darling: Blow out the candles, Charlie, and make a big happy wish.

Ed: And don't worry I'm not going to shove the whole cake into you like I did with a whole chicken to Double D when I was angry.

Nico: Now now guys.

Charlie Brown: Okay.

He thought of a good wish and it was to be a Kamen Rider and have awesome holiday theme powers.

He blew out the candles and we cheered for him.

We got to opening presents.

Poromon: I got you a present.

Charlie Brown: Let me guess. 24 bottles of beer?

Poromon: I was going to give you that.

Dead End: But then, I told Poromon that Charlie Brown definitely doesn't want to be drunk for his birthday. I even included the disasters that might occur if he gets drunk.

Me: Nice thinking Dead End.

Poromon: Yeah but no it's not beer. I save those for the Big Day Missions only.

Charlie Brown opened it and it was a blue shirt that had the Mascots with Charlie Brown Hugging them.

Poromon: We made the shirt ourselves.

Manaphy: Mama took the picture of us.

Qin: That is so cute!

Xenia: It sure is.

Charlie Brown: Thanks guys!

Me: And here is mine.

I gave him a bag and it REALLY LIT HIM UP as he saw it was his own Kamen Rider Belt for all the teams and he had all the Legend Items!

Charlie Brown: OH WOW!

Me: Yep.

Charlie Brown: How did you know?

Me: Megan Kiraton told me how much you like Kamen Rider and all that.

Kup: There are still plenty of presents where that came from. Kup: There are still plenty of presents where that came from.

Me: Yep.

We got him all sorts of gifts like comics, toys, video games, sports gear and more and it was fun.

Charlie Brown: Wow! Thanks guys!

Nico: And I've saved the best for last. Your birthday mission is now up.

Charlie Brown: Ooh what is it!?

Nico: You'll like this one. We're going to mee the Hoop Squad.

Me: Cool!

Eli: Awesome!

Static Shock: Been a long time since I saw them.

Me: Oh guys I have some new recruits to show you. Everyone meet Sumae Mizuno, Shijimi Chouno, and Tonko Oniyama.

Nico: Pleasure to meet you.

Sumae Mizuno: Awesome to meet you guys.

Me: We met at Yokai Academy.

Shijimi Chouno: We're insect girls.

Touko Oniyama: But it's gonna be an honor to help you guys.

Nico: Same here.

Mewtwo: Nico, which teams have you made this time?

Nico: (takes a deep breath) Gwen's team will include Sissi, the Yokai Academy Trio, The Bimbettes, the Good Fairies, and Donald and Scrooge's Nephews. Lightning's team will include Ramulus, Nigel Planter, Velma Green, Sailcat, and Deshiko. Roach's team will include Mira, Tamao, Elie, Haru, and Sylphy. And Ingrid's team will include Jinx, Cody, Talia Al Ghul, Black Cat, and Kaya. (pants) DAMMIT, SOMEONE GET SOME WATER!

Maria gave him some water.

Nico: Ahh. Thanks Maria.

Ramulus: But it will be an honor to help out in some teams.

Cody (Rescuers): (Australian Accent) This will be awesome mates!

Mandy: Nigel Planter is on the team now.

Lola: Yep.

Sylphy: It will be awesome too.

Elie: I agree.

Then The previous group of M.O.E. Members came.

Count Vertigo: Can me, Scorpion, Skalamander, Dr. Polaris, Sportsmaster, Crimson Dynamo, Count Vertigo, Pied Piper, Turtle, Spot, and Doctor Octopus go with you guys?

Wolfman: Me, Black Scorpion, Iron Maiden, Thunderhoof, Scooby Snax Monster, Evil Orbit Woman, Weather Report, Bassoon Burns, Scirocco Mole, and Yost Magneto will come too.

Nico: Yes you guys sure can.

Static Shock: We're going to meet the Hoop Squad.

Xenia: Yep. Also I have a feeling we're going after Dr. Odium.

Nico: Yep that's right.

Me: He is our main target today.

Nico: Yep and we're going to kill him.

Camie: What can you tell us about him.

Me: He is a nasty and fucked up son of a bitch.

---

Doctor Odium was a scientist who worked for the National Biotech Authority and but eventually turned on them and became an enemy of Static and the Hoop Squad in the Static Shock series. He is voiced by the late David Ogden Stiers, who also voiced The Penguin in Batman: Mystery of the Batwoman, and Radcliffe in Disney's

Pocahontas.

Odium was talented in biotechnology and robotics. The NBA recruited him for his expertise in these fields. Dr. Odium proved to be one of the most brilliant scientists in the organization. He wanted to test his nanites on humans as an experiment. The government refused to accept his proposal or fund his experiment and Dr. Odium left the NBA. Odium improved his nanites after he left and used it to blackmail NBA for a hundred million dollars. He planned to release the nanites if he was not paid as revenge. Doctor Odium sent his nanite creature to steal a train compressor so he could release the nanites through an old oil field in North Los Angeles which would destroy the west coast. The creature also kidnaps Gear while trying to steal the compressor.

Doctor Odium told Gear that he saw a lot of himself in him and offered Gear to join. When Gear refused, Dr. Odium kept him as bait for Static and the Hoop Squad. He tried to get Static and the Hoop Squad into a trap by using Gear's Shock Vox. The heroes escaped the trap and followed Odium to the oil fields. They realized at the oil fields that the Odium they were fight was a nanite clone. The nanite clone was defeated by Static and the Hoop Squad using a compressor. Gear found the real Dr. Odium hiding in a cryo-tube after the nanite clone's defeat. Dr. Odium was later taken to jail.

---

When I was done everyone was shocked!

Lola: Oh man!

Nico: Yeah this guy is really bad news!

Me: Yep and we're going to make him dead.

Bleez: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping for a Sandslash next.

Me: Neat.

Qin: Yep. This will be a good one.

Lola: Yeah it sure will.

Camie: Yep.

Sperg: Yeah no kidding there.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, the dark blue iris of Ed Cowart's Third Eye, the colored irises of The Dark World Goth Girls, and the green iris of Nabiki Tendo's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Ayon, Tier Harribel's disobedient Fraccion's "pet", and it's coming here to cause havoc. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know those glowing eyes from anywhere. Lincoln, everyone, is Ayon coming after us?

Lincoln: You guessed it, Rayman, and Tier Harribel's disobedient Fraccion's "pet", and it's coming here to cause havoc.

Rukia Kuchiki: I should've known.

Nico: When you said "disobedient", this means…

Lincoln: Yep, it always loves to disobey its masters and cause havoc. In other words, it's a mindless beast that needs to be put down for good.

Me: Yeah.

Nico: We've had no problem with that, but from what we've heard, this thing's caused The Soul Society a ton of trouble, and this beast's also incredibly strong.

Rukia Kuchiki: That's right, and it can also increase its size and strength.

Nico: A mindless beast and a shapeshifter, sheesh, looks like this is going to be one wild fight.

Aethra Oberus: It sure is going to be a wild fight, but we're ready for Ayon, right, Lincoln.

Lincoln: That's right, Aethra, we'll take him down and make him pay for what it's done.

Nico: I hope you break out Cell's stinger and absorb that beast, Lincoln. Alright, gang, let's go, we're going to meet The Hoop Squad and help them kill Dr. Odium.

Lincoln: That mad scientist has got a lot of nerve using his nanites to blackmail the NBA, and once we get through with that mad scientist, you're next, Ayon.

Crimson Dynamo: Look like's time for another visit to Dakota.

Evil Orbit Woman: It's not everyday we go there.

Me: No it sure is not every day we go there.

Eli: Yeah no kidding.

Nico: Lets head out!

We were off.

---

We arrived in the Dakota City Sector of the city.

Me: Here we are.

Lola: I hope Jimmy is doing all right.

Static Shock: Me too. But it'll be good when we destroy Odium.

Me: Yeah that guy is a monster to the Nth degree.

Tundra Man: (to Gear) At least you're not getting kidnapped again.

Gear: Don't jinx it, dude.

Jinx: You say something?

Gear: Figure of speech.

Jinx: Sorry.

Me: Not with all of us here they won't.

Spot: I can open up a portal to take us to their base.

Weather Report: No need. We're already here.

We arrived at the NBA Stadium.

Then we heard fighting.

Me: Uh oh!

We arrived and saw them FIGHTING PUTTIES!

We saw Spin Drive/Tracy McGrady, Pulverizer/Karl Malone, Center Force/Yao Ming, Point Man/Steve Nash and they were fighting Putties alll over!

Qin: They have putties all over!

Plant Man: I got this.

He fired leaves and shredded them.

Me: And this!

I fired waves of blue fire and lightning and obliterated the Putties!

Spin Drive: Whoa! Awesome!

Pulverizer: Team Loud Phoenix Storm! It's an honor!

Point Man: Same here!

Me: You too guys. It's an honor.

Static Shock: Awesome to see you all again.

Spin Drive: Wait. Aren't you two Dr. Polaris and Magneto?!

Dr. Polaris: (uses magnetism on car) Hey, back off man. Self defense!

Yost Magneto: I am Magneto. Just not the one from this Earth.

Me: It's all right guys. They are with our frenemies in the Masters of Evil.

Qin: Yeah we have awesome usual battles with them.

Spin Drive: Oh right I forgot about that. But it's awesome having you help the team.

Me: Long story on that. Also have you heard about what happened with us curing many people in Dakota because of the Big Bang?

Pulverizer: Yeah we sure have! That was 4 years ago and man that was awesome.

Point Blank: (chuckles) We leave you to protect Dakota for only a few years and after that, we found out you guys did some Damage Control in Dakota.

Fuse Man: J.D. and the others made sure that no one irresponsible stayed a Bang Baby.

Me: Nope. But let me tell ya it was fun and cool.

Maria: I'm sure you heard that I was Aquamaria right?

Spin Drive: We sure do.

Point Blank: But we're glad you're cured.

Maria: I still have my powers but I was blessed by the water stallion of Tefnut and made human but with water powers.

Sportsmaster: As a sports man, it's an honor to meet you guys.

Thunderhoof: And Maria even got a Pokemon the year after she got cured.

Horsea: I'm happy to be in Maria's old home.

William saw that Horsea was helping the mascots put on the walls No Watch posters of Blood and Honey.

William: You're seriously still on that?!

Horsea: THEY MUST KNOW OF THE ABOMINATION THAT MADE ROO CRY! (shows trailer close to Pulverizer's face) LOOK AT IT!

Maria: Horsea that's enough.

She picked her up.

Spin Drive: You guys saw that movie too?

Me: The Trailer for it. That movie is an awful one.

Xenia: Yeah no kidding.

Camie: Yeah.

Caitlyn: As you guys saw, Odium's back.

Spin Drive: With Dakota barely having any bad guys now, he thinks he and his nanites can rise to the ranks as Dakota's number 1 villain.

Me: Not on our watch he is. We're going to kill him and banish him to the Black Gates.

Qin: Yeah.

Nico: The last thing the universe wants is another fucked up mad scientist running amok.

Camie: That's for sure.

Lola: We're not going to let that monster do what he wants.

Doctor Octopus: Odium gave me an invitation for an alliance with him before. I declined it immediately.

Iron Maiden: And for a good reason.

Me: Thank goodness for that.

Qin: But he is going to pay for his crimes.

Lola: Yeah he sure is.

Doctor Octopus: Big time.

Spin Drive: I agree with you all.

Point Man: What he did is unforgivable.

Gear: This time, I'm not missing out on this teamup.

Bomb Man: Especially since there's no way in Hell we're letting you get kidnapped again!

Me: Yeah!

Nico: This is gonna be good.

Spin Drive: You got that right.

Nico: And his lair must be that observatory up there right?

He pointed to a nearby mountain with a tall observatory on it.

Pied Piper: First, if you guys want to get some supplies from your base, you can.

Lynn: Damn, this team up's gonna be awesome!

Scooby Snax Monster: (laughs) Lynn's a big sports fan.

Lynn: You bet I am!

Qin: Yeah she sure is!

Lola: Yeah.

Michael Morningstar: Also, have you guys ever met Lebron James before?

Spin Drive: You bet we did! He's an awesome guy!

Me: Awesome! And now the Lakers have him as a great player. He used to play for the Cavaliers.

Qin: Yep.

Me: And I take it you guys heard about what happened to Kobe Bryant.

Spin Drive: We sure did. Oh man that was awful.

Scorpion: Guys like Odium deserve Hell.

Black Scorpion: Guys like Bryant? They deserve to be remembered!

Me: That's for sure! And the Great Michael Jordan!

Lola: Yeah!

Laney: That is true!

Xenia: Yeah!

Camie: That is for sure.

Sandpit: Let's get going.

Me: We're coming for you Odium.

We were off.

While we were walking, Donkey kept doing popping sounds. And it was driving Skalamander nuts.

Skalamander: For 5 minutes, Donkey. Can you not be yourself… FOR 5 FUCKING MINUTES?!

After that, Donkey seemed to be quiet. But then, he smirked, leaned in close to Skalamander and did the popping sound again.

Skalamander: GODDAMMIT! ARE WE FUCKING THERE YET?!

Bassoon Burns: Actually, yes!

Me: Funny.

We were at the observatory.

Sideshow Bob: I believe it's entrance time.

Me: Lets do it.

We went at the observatory!

Dr. Odium was LAUGHING MANIACALLY!

Dr. Odium: Soon the world will be mine! I will have that money and then the world will be mine!

But then the spirits of the Avengers and Disk Wars heroes appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and fireballs rained down onto his research and experiments and then burned everything and a phoenix cry was heard and we came out!

Me: Odium it's time for us to pull the plug on your work!

Nico: We're going to kill you!

Kerbero Gangan: That was cool!

Me: Kerbero Gangan? But you already have a usual battle.

Kerbero Gangan: I know mates. But it's my turn for the ranger battle.

Me: Oh.

Kerbero Gangan: I know I'm part of the core 310. But me and some of the guys flipped a coin to see who would go. I ended up winning.

Me: Ah. That makes sense.

## Whitney, Applejack, Apple Bloom, Earth Skylanders, Build Kamen Riders, Plant Man and Wood Man VS Comic Book Guy - Meeting a Fusion Gene-slammer for Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus

Comic Book Guy was next.

Comic Book Guy: (to Whitney) I heard you guys met a Fusion Gene-slammer for Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus. What's her name?

Whitney: Her name is Luna "Sapphire Pegasus" Spencer and she is an amazing guardian angel for Lincoln.

Applejack: You should have seen what she did that really was amazing.

Apple Bloom: Her story is really something.

---

Nico: You got that right. So, Luna, what's the story on how you caused a little "disaster" to happen to Chandler before he could make another attempt to kill Lincoln again?

Luna Spencer: That's something I'd never forget. One day, Lincoln and I were heading off to our next class, but then, I suddenly got a vision, and I find out that Chandler's brought a gun to school, a gun he got from his lowlife dad, and he is going to kill Lincoln in cold blood and once he's done, he'll kill Laney, Lucy, Lana, Lola, and Lincoln's friends, Clyde, Liam, Zack, Rusty, and Stella. That's just going too fucking far, so I decided to put a stop to his attempted murder rampage and put that smug little prick in his place. During lunch, and before he could get his gun out, I concentrated hard, and I made massive clusters of sapphire blue crystals and gems erupt from nowhere, and that caused Chandler to really let out a really loud chain reaction of screams and swear words and he was running like a chicken with its head cut off as the sapphire blue crystal clusters were erupting out of nowhere and one of them kicked the gun out of his pants, and when everyone saw it, they were horrified. I then made a sapphire blue orb prison around the gun and put Chandler in sapphire blue crystal handcuffs, and I told Lincoln of my vision and he was really pissed off at Chandler again, but he just went over to me and he hugged me tight. Then, he proceeded to call the cops, and Lincoln told the cops that Chandler got the gun from his lowlife dad, and the cops took Chandler away and his lowlife dad got another Life Sentence added to the multiple life sentences he got for his crimes and attempted hits on Lincoln and his family and friends.

Nico: Of all the evil things that Dark Chandler has ever done, bringing a gun to school to kill Lincoln, Laney, Lucy, Lana, Lola, and his friends is the lowest.

Geronimo Stilton: Wait a second, so you were the one who caused The Sapphire Gem Disaster years ago in Royal Woods Elementary School?

Luna Spencer: Yes, and how did…?

Geronimo Stilton: I may not have been a part of the team years ago, but I've read the newspapers from those times, but you had a reason to do so, Luna. Chandler would've killed Lincoln, his sisters, and his friends, and if anyone else got in his way, he would've killed them too.

Benjamin Stilton: And we also read that Lincoln pressed charges on him, and Chandler would've been sent to juvie, but he had his goons rough up the cops and they helped him escape.

We gasped.

Me: Now, that I remember all too well. But, I eventually caught them three days later, and had all three of them sent to the slammer for two months.

Nico: That'll teach them. Plus, I'm surprised Huggins didn't even try to expel you.

Lincoln: He saw what Luna and many of my Guardian Angels are capable of, plus, he'd been on thin ice since day one when they saw him giving me a hard time and just flat out hated me, and they also gave him a stern warning: if they saw him giving me a hard time just one more time, they would call Superintendent Chen and he would be fired, plus, they also have some dirt on him that could really put a dent on his reputation, and even worse, fire him.

Nico: Wait, what? What was it?

Rita: You really want to know?

Nico: Call me curious, but yes.

Rita got out a massive red book that she and Lincoln's Guardian

Angels made and it also has an Anti-Huggins symbol on the cover, and Nico saw that Huggins had not only given Lincoln a hard time, but he's also been wanting to expel him for something he didn't do, he's waxed the floors so much that the students had gotten injured and all to impress Superintendent Chen, he was also unaware of the lethal obstacle course Coach Pacowski had set up, and how he had Lincoln and Clyde falsely put in Detention so he couldn't let them win the comic book competition, and how he tried to have them and us killed with those robots, but that ended with him getting a beatdown from Ms. Rita, plus, they also listed about Bolhofner and Mr. Shu slipping into the school system on his watch, and if news of this got out, Huggins would be fired.

When Nico was done reading it, his jaw dropped to the floor, and I had to set it back in.

Nico: Holy crap! This is some dire info the Guardian Angels had got on Huggins. If news of this ever got out, Huggins would be literally fired!

Me: And this was way before the restaurant incident, Nico.

Lynn Sr.: And I can't believe Mr. Shu also slipped in and under Huggins' watch. When I get my hands on him, I'm gonna… !

Lincoln: Easy, Dad, there's no need to worry. Besides, after the restaurant incident, he did change for the better, and Mom swore not to share this book with anyone.

Rita: That's right, honey. But, I also told the other Guardian Angels that if Huggins goes back on his word, they'd call me and Superintendent Chen, and when we show her our book, Huggins would face the consequences, and he'll be tossed out on his toupee.

FLASHBACK ENDS

Comic Book Guy was speechless!

Comic Book Guy: Of all the crazy no good things Dark Chandler did and of all the crazy things Killjoy Huggins did this is by far some of the worst! I never expected Chandler to try and do that to Lincoln!

Lincoln: Your mad scientist days are all over, Dr. Odium.

Nico: You've had this coming for a very long time, you mad scientist. Awesome job, guys, but we're not done yet, there's still the matter of Ayon to deal with, and that mindless Hollow beast should be coming… right now!

Suddenly, we heard a loud roar in the distance.

Rukia Kuchiki: I should've known there's no mistaking that roar from anywhere. Here it comes!

A tremendously large and muscular chimera came out, and it was none other than Ayon, the mindless disobedient "pet" of Tier

Harribel and her Fracción.

Nico: Whoa, so that's Ayon.

Me: Sheesh, this beast's really big.

Ayon roared in anger when it saw us.

Maria: And it's another baddie that doesn't speak, figures since it's mindless.

Aethra Oberus: Mindless or not, it's still going to die.

Suddenly, Aethra Oberus' emerald green eyes turned neon emerald green and she was surrounded by an emerald green energy aura with winds, leaves, butterflies, and birds, she unholstered her massive Oberus-themed greatsword from her back, and as she approached Ayon, she left emerald green energy, winds, leaves, butterflies, and birds with every step.

Aethra Oberus: There are indeed no words to say to you, Ayon, but what we've already seen, you are nothing more than violence personified, and you must be put down once and for all.

Suddenly, Aethra Oberus was surrounded by a massive vortex of emerald green energy with winds and leaves surrounding the vortex, there are birds, butterflies, and the Legendary Wind Bakugan, Oberus, flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Aethra Oberus emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Aethra Oberus grew from 6'5" to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her long flowing emerald green hair, she has neon emerald green eyes and an emerald green energy aura with winds, leaves, butterflies, and birds surrounding her, she has the Ventus symbol in the hands of Oberus emblazoned on her forehead and Third Eye with green iris, she has on bird earrings with emerald green gems for eyes and holding the Wind and Eternity Kanjis in its hands, she also has Oberus with emerald green gems for eyes and holding the Wind and Eternity

Kanjis in her hands on the bottom of her emerald green bird-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with emerald green crystal links from her merged Crystal Necklace of the Buddha and emerald green gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Aethra Oberus has on a sleeveless closed emerald green blouse, sleeveless emerald green top, emerald green skirt, emerald green pants, emerald green legwarmers, emerald green heeled sneakers, and long white sleeveless trenchcoat with winds, leaves, butterflies, and birds on the coattails, and on the back is the Legendary Ventus Soldier and Compassionate of The Legendary Soldiers of Vestroia, Oberus, and she's surrounded by winds. Suddenly, Aethra Oberus felt a sharp pain on her back, and then, her massive emerald green angel wings with green tips on the large emerald green feathers grew much bigger for her new body, and she also now has eleven massive and long emerald green wolf tails, she has on a Ring of The Phoenix with emerald green gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Aethra Oberus' massive Oberus-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by emerald green energy, winds, leaves, butterflies, and birds, and when it emerged, it was transformed into Oberus' Cyclonic Hurricane Greatsword of Ventus Wind Hope Justice, it's a brand-new massive greatsword with embedded emerald green gems and the Legendary Ventus Soldier and Compassionate of The Legendary Soldiers of Vestroia, Oberus,, etched on the 7'0" massive, wide, double-edged emerald green blade, large emerald green bird heads for the crossguard, large emerald green gem embedded in the rainguard, longer midnight black handle, four large emerald green bird heads and a large emerald green gem below the green bird heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with emerald green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of

Oberus' head with red gems for eyes and a large emerald green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's an emerald green kanji below Oberus that said, "Aethra Oberus, Compassionate Diplomat of The Legendary Bakugan Gene-Slammers, Gene-Slammer of Oberus, the Legendary Ventus Soldier and Compassionate of The Legendary Soldiers of Vestroia, Friend of The Bakugan Battle Slammers, Powerful Master of Wind, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Archenemy of Heure, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Wind, Leaves, Birds, and Butterflies"

エイトラ・オーベルス、伝説の爆丸ジーンスラマーの思いやりのある外交官、オーベルスのジーンスラマー、伝説のヴェントゥスの兵士であり、ヴェストロイアの伝説の兵士の思いやり、爆丸バトルスラマーの友人、風の強力なマスター、愛する守護天使、そして将来の妻リンカーン・ラウド、ダーク・ロリのスマッシャー、ヘアーの大敵、悪のスレイヤー、混乱した、殺人的、無慈悲、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、風、葉、鳥、蝶の達人

Aethra Oberus has transformed into SUPER ANGEL-BIRD-HARMONY CELESTIAL ETERNAL XELNAGA COMPASSIONATE WINDSTORM VENTUS BAKUGAN BIRD ANGEL OF DIVINE COMPASSIONATE WIND NATURE BIRD JUSTICE AND DIVINE VENTUS WINDSTORM COMPASSION NATURE BIRD LOVE!

We were amazed by Aethra Oberus' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ayon saw it, it roared in anger and charged at her to kill her with a single punch, but Aethra Oberus fired a powerful emerald green energy blast with winds, birds, butterflies, and leaves, and it sent Ayon crashing into the ground, it got up, but it roared and it made itself grow in size and muscle, and it was really pissed off

now.

Oberus: Incredible, Aethra's transformed.

Lincoln: Yep, she's the next of the Legendary Bakugan Gene-Slammers to transform, and now, Ayon is going to be swept away by the winds, and Aethra, you look beautiful. How do you feel?

Aethra Oberus: (Divine Echoing Cosmic Voice of The Compassionate Ventus Hurricane Bird and Divine Ventus Wind Love) I feel incredible, Linky. Now, shall we deal with Ayon once and for all?

Lincoln: (Smiles) With pleasure, Aethra.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Aethra Oberus.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's high-time that we put you down for good, Ayon, your mindless rampage ends now.

Aethra Oberus and Lincoln went after Ayon who tried to attack them, but they blocked and dodged every last one of his attacks, and they fired extremely powerful blasts of rainbow energy, green energy, leaves, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Butterflies, Succubi, Incubi, and Mermaids at Ayon, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was really getting Ayon really pissed off and it was roaring even more in anger, but Aethra and Lincoln were just getting started. Lincoln trapped Ayon in a massive tornado from a blast of wind he fired, and he couldn't escape, and then, Lincoln and Aethra Oberus had massive blasts of emerald green energy and wind forming in their hands.

Lincoln and Aethra Oberus: Get ready to be swept away by the winds of Oberus, Ayon. VENTUS GREEN TURMOIL BLAST FURY!

Lincoln and Aethra Oberus fired massive blasts of emerald green energy and winds, and they hit the massive tornado with Ayon in it, and they exploded with incredible power as they hit the giant beast and it was really messed up by the attack.

Nico: Whoa, now that's really powerful.

Oberus: Indeed, and Aethra has indeed learned a lot from me.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Aethra Oberus, her hand-cannon Blaster is known as Oberus' Ventus Windstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's green with winds on the blaster with a Phoenix, Angel, and Oberus and the Ventus Symbol surrounded by earth etched on the sides, and an emerald green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Aethra Oberus fired blasts of rainbow energy, emerald green energy, and elemental forces at Ayon and as they hit him they exploded with incredible power, and Lincoln turned the tip of one of his eleven massive and long white wolf tails into Cell's stinger and as he stabbed it into Ayon's chest, the beast roared in agonizing pain as Lincoln absorbed it into his body and he assimilated its immense power and abilities. Then, as they holstered their hand-cannons, Ayon's spirit appeared from a blast of light fired from Lincoln's massive greatsword, and Lincoln fired a black Negative Karma Ball with the Judgement Kanji in it and it hits Ayon's spirit, and he was sent to The Black Gates forever. We cheered wildly for what Aethra Oberus and Lincoln did to Ayon as they holstered their massive greatswords on their backs and powered down, and Aethra Oberus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long emerald green wolf tails, and massive emerald green angel wings are permanent.

Aethra Oberus: That's the end for you, you wild animal. Thanks for helping me destroy Ayon, Linky.

Lincoln: (Smiles Warmly) You're welcome, Aethra.

Suddenly, Aethra Oberus wrapped her arms around Lincoln's massive, wider, and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aethra Oberus' face, they kissed passionately as Aethra Oberus' left arm was still wrapped around Lincoln's massive, wider, and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, and Oberus flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and light breezes of wind behind them and we cheered wildly. Lincoln and Aethra Oberus came back to us as the display and Oberus vanished.

Shun: Wow, Lincoln, Aethra, what you guys did to Ayon, that was incredible.

Nico: It sure was, Shun. Plus, that combo you guys did, you used Oberus' abilities, Turmoil and Blast Storm, that was awesome, and I knew you'd use Cell's absorption technique on Ayon, I knew it.

Lincoln: Thanks, Nico, and you're going to see more combo attacks like that in the days to come.

Lori: And you know who's next tomorrow, right, Linky?

Lincoln: Oh yeah, the last of the Fusion Crystal Beast Gene-Slammers, Sienna "Amethyst Cat" Dawson - Fusion Gene-Slammer of Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat, Day 5 of The Dark World Treasure Hunt, and Lilith Exedra's fight against Jin Kariya.

Lilith Exedra: And we've also asked Apollonir, Lars Lion, Frosch, Oberus, Clayf, and Exedra to join us, along with Apollonia, Ashley, Beverly, Aethra, and Alina, Lincoln.

Me: Whoa.

Apollonir: This was indeed a huge request they've made, J.D., but we're not going to disappoint, and it'll be an interesting fight tomorrow.

Lincoln: Indeed it will, Apollonir.

Selma: Looks like it's the end of Odium.

Krusty: You think he also heard of Static's secret identity from the news back in 2019?

Me: It's possible.

Chalmers: Now it's a REALLY good thing we gave him the Black Gates!

Static: No kidding! The less scumbags who know my true identity, the better.

Me: Yeah.

Fat Tony: Got that right.

Pulverizer: What do you guys say we celebrate back at our base?

Cantwell: Sounds good to us!

Me: Yeah!

Nico: But great job today everyone.

Static Shock: (To the viewers) Sports are fun but always play fair and play with honor.

Me: Ain't that the truth. And Charlie did you have an awesome Birthday?

Charlie Brown: Boy I sure did! It was awesome!

Me: We're so glad.

We went back to the Hoop Squad's base and had a great time and then we went back home and rested and enjoyed the rest of the day and went to sleep.

THE END

In the early morning hours at 3:45 AM, Lincoln had a dream, and he saw two figure who was hiding out and living in the streets of Paris, France. But, they were no ordinary two figure, their were Batsy Jin, daughter of Lincoln's future wife, Batsy Claro. And Skullhead Wolf, son of Lincoln's future wife, Clawdeen Wolf. Lincoln woke up from the dream, but he wasn't the only one, Batsy Claro, Clawdeen Wolf, Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: What more did you expect, bro?

Batsy Claro: And not only that, it also means that we found out where our kids is at.

Clawdeen Wolf: And the question is, Where?

Me: His at Paris, France.

Nico: Oh no, that's not good. It's the same place when we found Cloudy Skies & Sugar Rush, And even though it's a nice place, but not a safe place for kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Batsy Claro, Clawdeen Wolf, Me, and Nico were heading to Paris, France. Then, Lincoln saw a slender and short 12-year-old White Vampire Bat/Human girl who has sparkly pale pink skin, green and blonde bob cut hairstyle, large light blue eyes, pointy ears, white fangs, and pink marks on her face, She has large bat-like wings. She has a black band decorated with flowers on her head. She wears a green dress that stops right before the knees with white frills underneath at the bottom, pink socks, and green Mary Jane shoes. And a large and muscular 14-year-old Werewolf/ Human boy who has black fur with green spots, blue eyes, green claws on his hands, and large saber teeth. He wears a spiked black choker, green sweatshirt with a hood, and tattered green pants. Lincoln saw who they are, they are Batsy Jin and Skullhead Wolf.

Lincoln: Excuse me, are you Batsy Jin and Skullhead Wolf?

Skullhead Wolf: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Batsy Claro and Clawdeen Wolf came out, and when Batsy Jin and Skullhead Wolf saw them, they was stunned.

Batsy Jin: Mother, is that you?

Batsy Claro: Yes, little bat, it's me.

Batsy Jin and Skullhead Wolf ran up to Batsy Claro and Clawdeen Wolf, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you should know, Batsy Claro, Clawdeen Wolf, your mothers are one of my many future wives.

Batsy Jin and Skullhead Wolf: Does that means… you're our father.

Lincoln smiled, and that filled Batsy Jin and Skullhead Wolf with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell

everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Batsy Jin and Skullhead Wolf to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Batsy Claro and Clawdeen Wolf with their kids, and Batsy Jin and Skullhead Wolf now has a loving, strong, brave, and caring father in their life.

Nico: And it's great that we have the Insect Girl Trio with us too. They are perfect for this.

Lightning: They sure are Nico. Sha-Blam! I'm glad that many girls and people from Yokai Academy can be part of the team.

Eli: Me too Lightning. They are awesome and Yukari and I have grown attacked in bonds like siblings.

Me: That's great bro.

Nico: Lightning, I want to thank you, Sportsmaster, and your teams for coming today.

Lightning: Sha-blam! It's gonna be awesome helping you out.

Sportsmaster: It's truly an honor to help you out Nico.

Nico: We're glad you all can come.

Xenia: Yeah.

Nico: Ramulus, remember when we met you and the rest of the Maximals?

Ramulus: I sure do. That was so awesome and that was so cool.

Eli: What was that?

Ramulus: It was back 4 years ago I think. But it was still cool.

Me: Yep. We had a great experience with that one.

I went over what happened in chapter 602.

FLASHBACK - Chapter 602

It starts in space above the orbit of Earth. Something was going on as a distortion appeared and it glowed blue and turned into a portal.

Out of the portal came two strange ships the likes of which we have never seen. The ships were firing their lasers and guns at each other.

On Earth at the estate we were playing with Nico's G1 Transformers Action Figures.

Me: You have a lot of awesome Transformers figures Nico.

Nico: FYI, my favorite G1 Autobots are Optimus Prime, Roller, Trailbreaker, Sideswipe, Sunstreaker, Hound, Mirage, Jazz, Smokescreen, Warpath, Ironhide, Cliffjumper, Bumblebee, Ratchet, and Prowl. My favorite G1 Decepticons are Skywarp, Thundercracker, and Rumble. I like Skywarp and Thundercracker better then their brother Starscream. And I like Rumble because he's a cool dude.

Me: I believe it.

Computer: ALERT! Spacial Anomaly in progress.

Me: Uh oh.

We went to the computer and saw a fight with the two ships in space.

Me: Looks like we have a space battle in progress.

Lori: Who is it between?

Me: Scanning now.

I activated the space scanners and it showed that the ships over the planet and they were both heavily damaged. One of the ships launched many pods and got them into orbit around the planet and they entered our atmosphere over Africa.

Me: They have entry into our atmosphere. Crash points are the jungles in the Congo and the volcanoes of Ethiopia.

Lincoln: Strange.

Me: Lets go see. Team Loud Phoenix Storm lets roll!

We set out for Africa. We went to the ship that landed in the Congo.

---

We arrived in the Congo and we saw the ship badly damaged.

Me: This ship is nearly totaled.

Lori: What do think it belongs to?

Me: Lets find out.

We walked up to the ship and it opened and out came a Gorilla, a Rhinoceros, a Rat and a Cheetah.

Me: Wow!

Gorilla: Who are all of you?

Me: Oh I'm sorry. We are Team Loud Phoenix Storm and you all are on the planet Earth.

Optimus Primal: So we are on the planet Earth. And news about your achievements has reached even all of Cybertron. I am Optimus Primal leader of the Maximals.

Me: It's a pleasure to meet you Optimus Primal.

Nico: You're all transformers! Awesome!

We introduced ourselves.

Optimus Primal: It's a pleasure to meet you all. Please allow me to explain what we are doing here. We didn't come to this planet by choice. We were locked on to Megatron's warp signature. He and some of the Predacon's stole the Golden Disk, a carefully guarded relic that gave the location of a major energon source. Planet Earth is the huge Energon source.

Me: Wow! So Megatron and the Predacons landed in Ethiopia.

Cheetor: That must be where they are at.

Lana: We were there before and it's a strange place.

Rattrap: Oh man. We're all gonna die.

Me: No one is gonna die on our watch Rattrap.

Rhinox: If Megatron and the Predacons are there then we have to be ready for anything.

Me: And we would be more than happy to help you all. We can convince some of the Predacons to join you so we can take down Megatron for good.

Laney: We have a powerful habit of saving some bad guys from the darkness of themselves.

Volcana: That's right. If it can happen to some of the supervillains it can happen to them as well.

Lola: That's right.

?: If you are gonna go after Megatron you have to be ready for his tactics.

We turned and saw Dinobot! He was a Predacon turned Maximal in the form of a Velociraptor.

Me: Dinobot. So you managed to betray Megatron.

Dinobot: Yes. I challenged Megatron to a battle and I lost. We stole the Golden Disk for nothing.

Me: On the contrary. You did come to the right planet and this is Planet Earth. We heard all about Megatron and how he has caused numerous problems all over Cybertron for years.

Optimus Primal: Yes. He is trying to restart the Great War. If the Predacon's get enough energon, they will start it again and we can't let that happen.

Me: No we won't. We saw on the scanners that you launched separate ships.

Rhinox: Yes. That was our crew in Stasis Pods.

Me: Lori, Lola, Lincoln, Naruto go get the Stasis Pods and bring them down here.

Naruto: Right!

Lori: You got it.

They went up into space and they brought them down.

Me: Good work guys. Shall we activate them for you Optimus?

Optimus Primal: We would like that J.D.

Me: Okay.

Dinobot: If only there were some way we can permanently get rid of the Megatron that we know.

Ben: Maybe I can go Nanomech, shrink inside his head, and destroy it before he even realizes what's going on!

Me: That's a good plan Ben.

We activated the Maximals in the pods and they had numerous forms.

Airazor: Thank you for activating me.

Me: You're welcome Airazor.

Lincoln: Lets go to Megatron and show him no mercy!

Me: Lets do it!

We set out for Ethiopia.

---

We arrived and saw the Predacon ship.

Me: There it is.

K-9: That's the Predacon ship all right.

Silverbolt: This is not gonna be an easy fight but it will all be worth it.

Ironhide: We can't let Megatron get away with all the crimes he has caused to Cybertron.

Prowl: Yeah.

Optimus Primal: This is now a battle called the Beast Wars.

Me: And we humans are the first to help out. I think.

Optimus Primal: Yes you are the first humans to help us J.D.

Me: Awesome.

Nico: I sense that Gorilla Grodd was here and he is helping Megatron somehow.

Me: I feel it too. Lets get them!

Optimus Primal: All units MAXIMIZE!

The Maximals transformed into Robots.

Nico: This is so cool!

Tigatron: It is indeed.

Blackarachnia: This is gonna be good.

Me: Lets go!

We powered up.

Kaiba: I summon Blue-Eyes White Dragon!

Carol: I summon Thunder King - The Lightningstrike Kaiju!

Me: I summon Five-Headed Dragon!

We went at the base and I fired an energy blast and blew a hole into the base. We saw the Predacons and we saw Megatron and he was a Tyrannosaurus Rex, Waspinator as a Wasp, Scorponok as a Scorpion, Terrorsaur as a Pterodactyl, Tarantulus as a Tarantula, Inferno as a Fire Ant and many more.

Me: Wow! There's a lot of Predacons.

Optimus Primal: Megatron, you've plagued the universe for far too long! Today, I take you down once and for all!

Megatron (BW): (laughs) Oh, Optimus. If you had the guts to do that, you would've done it years ago! I, on the other hand… (slams Optimus Primal into the ground)

I kicked Megatron off of Optimus and he and his Predacons transformed.

Nico fired a blast of energy at Megatron.

Nico: (sees Waspinator lose his arm) Ok, after we kill Megatron, the first thing we're gonna do is make Waspinator more durable.

Me: Good idea man. From what I remember he gets treated like a punching bag instead of a comrade.

Lori: That is literally disgusting.

Clawful pulverized Scorponok and Ultra-Humanite fought and pounded some sense into Tarantulas.

Nico: Was it really worth it?

Terrorsaur: Was what worth it?

Nico: Megatron's finally going to conquer this planet with Grodd's help and yet you guys won't be able to enjoy it.

Scorponok: Of course we will! What makes you say otherwise?

Kraven: (Russian Accent) In any minute now, you'll be nothing but Megatron's next victims!

Stalker: I know all you know is fighting and war. But is a planet ruled by Megatron and Gorilla Grodd really a world you all want to live in?

The Predacon's realized that Stalker was right and they decided that being with Megatron was not worth it at all.

Nico: Good to know that you've made the right choice, Inferno. Your G1 Ancestor would be proud.

Inferno: Thank you, your highness!

Nico: Ok, making Waspinator more durable probably won't be the only thing we need to change with the Predacons.

May: Nico, we managed to make the Predacons good. Any chance we can do the same for some of the G1 Decepticons?

Nico: There's a strong chance of that. It would be really entertaining to see Thundercracker and Skywarp gun Starscream down!

Retrax: That would be amusing.

Razorclaw: Thank you for saving us from ourselves Nico.

Nico: You're welcome Razorclaw.

Spittor: Lets make Megatron pay for his crimes.

Sea Clamp: Lets do it!

Ram Horn: Yeah!

Cicadacon: This is gonna be sweet!

Me: Lets get him!

We all went at Megatron.

I punched Megatron in the face.

Megatron (BW): You are indeed a strong one J.D. Yes.

Me: Nice to know I made an impression on you Megatron.

Megatron (BW): You are not the only one that has backup. No. Say hello to my little friend.

We saw an Armaldo.

Nico: An Armaldo!

Megatron (BW): Ah so you know what he is. Yes. Go get them!

Nico punched the Armaldo and knocked it out and threw a pokeball and he caught it.

Me: Way to go Nico!

Nico: Thanks.

We all looked at Megatron and we were ready to face him.

Nico: Megatron, you have failed this universe! (launches a fireball at him)

It hit him and exploded.

Ash: Charizard, I choose you!

Ash sent out Charizard.

Ash: Use Fire Blast!

Kaiba: Blue-Eyes attack with White Lightning!

Ash and Kaiba: PYROSTORM LIGHTNING DEATH!

The blasts combined and hit Megatron and blew him into the wall.

CRASH!

Luigi: (Italian Accent) Lets-a get him Yoshi!

Yoshi: You got it Luigi!

Luigi fired a fireball and Yoshi fired three blasts of fire.

Luigi and Yoshi: FIRESPRITE TENDERIZER!

The blasts combined and turned into a huge fireball and it hit Megatron and exploded!

Killer Frost: Final Smash time! ICE DEATH INSANITY!

Killer Frost fired a huge beam of ice and it froze off Megatron's arms.

Poison Ivy: My turn! BRAMBLE PIRANHA SLASHER!

Poison Ivy grew numerous bramble vines and slashed Megatron all over the place.

Optimus Primal: Now it ends here old friend.

Me: You brought all this on yourself Megatron.

Optimus Primal: I'll give you one last chance to surrender Megatron.

Megatron (BW): You fools.

Me: You're an even bigger one Megatron. We will never forgive you for your crimes against Cybertron or the galaxy.

Optimus Primal: Time to meet your fate Megatron!

Megatron (BW): You are pathetic to the end.

Optimus Primal: Very well then this shall be your end!

Me and Optimus Primal kicked Megatron in the face and had him on the run.

Optimus Primal: You will always lose Megatron. You think of nothing but destruction. None of your victories last. You care about nothing but yourself. No one cares about you.

Me: And the time has come to end your struggle. And destroy you once and for all! Only one shall stand and it's not going to be you!

Optimus Primal: Final Smash time!

Me: Lets get him! (Cups Hands to side)

The Maximals and the reformed Predacons channeled their powerful energy into my Kamehameha Wave and it turned the blast green and it had a symbol in it that was half Maximal and half Predacon.

Me, the Maximals and Predacons: CYBERTRON UNITY FORCE KAMEHAMEHA!

I fired a massive energy wave at Megatron and it hit him and exploded with incredible power!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful and so devastating that it completely obliterated Megatron in an instant.

Me: Go to Hell and stay there Megatron.

Nicole sealed Megatron into the Book of Vile Darkness.

Me: Megatron has been destroyed. His energy signature has disappeared.

We cheered wildly. It was over. Megatron's ship was destroyed too.

We brought the Axalon ship to Gotham Royal York and decided to help the Maximals and we also formed an alliance with all of Cybertron. It was the first ever alliance with robots and humans.

Nico was watching footage of the G1 Transformers.

Nico: (sees footage of G1 Megatron and the other G1 Decepticons kill Ironhide, Prowl, Brawn, and Ratchet aboard a ship) Note to self. Meet up with the G1 Autobots in the future.

Me: We'll make a note of that Nico. You all did an awesome and great job.

Nico: Thanks J.D.

Optimus Primal: I agree. Without all of you we would've never destroyed Megatron.

Polar Claw: Indeed.

Waspinator: Waspinator agrees. Now maybe Waspinator won't be used as punching bag all the time.

Me: We won't let that happen to you Waspinator.

Optimus Primal: I want to show you all something.

Optimus Primal took us all to the stasis hold and we saw a huge stasis pod with an evil looking X on it. It was Protoform X.

Me: What protoform is this one Optimus?

Optimus Primal: The Dark Secret of Axalon's journey. It was originally an attempt to replicate Starscream's mutant indestructible spark with a Maximal.

Me: Sounds like you all were playing with fire.

Optimus Primal: Well. It was a mistake to even try. Though brilliant it was hopelessly treacherous and incapable of being recycled.

Silverbolt: It was put on the Axalon for what reason Optimus?

Optimus Primal: To dump it. Somewhere far, Some place barren.

Me: I think I have just the place.

I snap my fingers and beamed the Protoform X into the Sun and it vaporized the Spark and the Protoform.

Me: It's empty. The protoform has been sent into the sun and was vaporized instantly.

Optimus Primal: Good work J.D.

Me: Thank you Optimus.

Poison Ivy: (To the viewers) We now have the Cybertronian's helping us in our adventures and who knows what is in store for us with them.

We went back to enjoying our activities.

FLASHBACK ENDS

When I was done everyone that hadn't heard about it was amazed.

Qin: Wow! So that's how you guys met Optimus and the others. I wasn't with you guys when that happened but that was cool!

Xenia: It sure was. Many of us weren't with the team but that is awesome.

Nico: Yep we all were amazed.

Camie: What was that version of Megatron after when he took the Golden Disk?

Me: He was after a powerful Energon Source. Megatron stole it so that he can get enough energon for power to conquer the galaxy.

Nico: Yep. But now he is in the M.O.E.

Me: He sure is and he is Android 21's archenemy.

Nico: Yep.

Maria: It was trip down memory Lane for me yesterday.

Nico: It sure was. And we had a lot of fun on that one.

Qin: Yeah no kidding. That was so awesome though.

Nicole: We hardly EVER go to the Dakota sector of the city that often. Mostly because dad cured many of the villains there.

Lily: That's right Nicole.

Me: Yeah.

Nico: I wasn't with you guys when that all happened. Can you give me the full details of what happened back then?

Me: I sure can Nico. It was awesome.

I went over what happened in Chapter 324.

FLASHBACK 2 - CHAPTER 324.

It starts in the Living Room and we were watching TV, playing board games and card games and reading books. Lynn Sr. and Rita were off to somewhere.

Rita: We're off to the mall kids.

Leni: (Excited) The Mall? Let me check my schedule for the day. (Grabs Lori's phone and deletes stuff) Delete, delete, delete, delete. (Realizing something) Oh. This is your phone Lori.

Lori: Uch!

Rita: Sorry guys. But this trip is not for you. Charles ruined Lynn's tie collection and we have to get new ties for him.

Lynn Sr.: (Crying) I loved all those ties.

Me: Oh I'm sorry Mr. Lynn.

Varie: Yeah. I know how much those ties meant to you.

Vince: Me too Mr. Lynn.

Rachel: Those ties were very cool.

Aylene: They sure were but that Rabbit one was freaky.

Laney: You'll get no argument from me Aylene.

Rita: Well we're off kids. We'll see you all at 5:00

Me: Okay Ms. Rita. Have a good shopping spree.

They left for the mall.

Then there was a special report came on the news.

News Announcer: We interrupt our regularly scheduled program to bring you this special report.

News Reporter: Metahumans are running amok in Royal York Suburb town Dakota City. The city is in great peril.

Me: We'd better get over there and help out.

Lincoln: You know it J.D.

Me: Yeah. Lets head out!

---

We went to Dakota City and saw the city on fire and we saw several Metahumans destroying the city and causing mayhem.

Me: Whoa! This is insane. That experimental mutagen really created a bunch of Metahumans.

Linka: No kidding.

Lucy: It's unbelievable.

Alexis: It sure is.

Agony: We have to stop all this madness.

Me: I agree with both of you Agony. Lets go. Starburst Fighter Jet formation!

We went into the city and got into formation and we became a giant rainbow F18 Fighter Jet and we were moving at 1300 miles per hour and leaving a rainbow stream behind. We punched all the Metahumans out of the city and into a field next to a farm. We landed and they saw us.

Me: Kangor, Puff, Talon, Hotstreak, Ebon, Rubberband Man, Replay, Hyde, Tantrum, Aquamaria and Ferret.

Ebon: That's right. J.D. Knudson. We've heard so much about you man.

Me: I get that alot. You must be Ivan Evans AKA Ebon.

Ebon: That's right.

Me: That Experimental Mutagen did a number on you all and gave you unique powers.

Puff: That's right. It was less than a year ago. It was an event called the Big Bang.

Lola: The Big Bang?

Lori: I literally saw that in the newpapers. It was an event where all these barrels of a strange gas exploded and it created you guys.

Me: I saw that too Lori. It was weird but interesting.

Talon: It was. We got our powers and mutations as a result and normal people don't look at us as humans! We're monsters!

Me: No. You don't know how wrong you are about that Teresa.

Many superheroes are looked at as different people but that didn't stop them from helping people.

Rubberband Man: He's right guys. Metahumans are not liked at first but they get accepted over time.

Carol: That's right guys. With great power comes a great responsibility.

Aquamaria: You're right Carol. But you probably don't recognize me. My name is Maria but I became Aquamaria because of the Big Bang.

Carol: (Gasp) Maria!

Maria and Carol hugged for the first time in a while.

Carol: I missed you my sister.

Aquamaria: I missed you too Carol.

Carol: These water powers are awesome for you.

Aquamaria: Thanks Carol but I can't be looked at as a normal human. Look at me. I'm pure water! I'm a freak!

Carol: Maria you know that I would never look at you any differently. You may have changed because of the Big Bang but you are still my best friend and my little sister.

Aquamaria: Really?

Carol: I would never think otherwise.

Aquamaria: Thanks Carol.

Suddenly a geyser of water exploded out of the ground and flew at Maria in the form of horse of pure water. It hit Maria and she was in a tornado of water and horses were swirling in it.

Laney: We have another elemental choosing in progress.

Lana: This is an interesting one.

Lapis: It sure is.

Rubberband Man: Is this how you guys got your powers?

Me: That's right Adam. Me, Vince and Carol were given our powers because of Cosmic Radiation, Radiation from Outer Space.

Luna: We got our powers because of the blessings of Mythological Gods and Goddesses from around the world.

Rachel: The list is long but it's a cool one.

Ebon: That's interesting. I didn't know powers worked like that too.

The water tornado faded and Maria was back to her human self and she was in an aqua blue swimsuit and her hair was brown and her eyes were green. She now had angel wings with feathers made of pure water.

Maria: What happened?

Carol: You've been cured of your condition and you've been given powers like me.

Maria: I have?

Maria fired a huge blast of water and it became a stampede of water horses and plowed into the trees with a huge splash.

KERSPLASH!

Maria: I still have my water powers!

Me: Yeah but look.

I form a mirror of water and Maria saw herself.

Maria: (Gasp) I've been cured! And these wings are awesome!

Carol: I'm so happy for you Maria.

Maria: Me too.

They hugged again.

Me: Glad your back to normal again Maria.

Maria: Thanks J.D.

?: Glad you're safe Maria.

On his disk came Static, and with him were Gear and Flamebird.

Me: Static, Gear and Flamebird.

Starfire: Flamebird!

Flamebird: Starfire!

They hugged.

Gear: You two must know eachother.

Flamebird: We sure do.

Me: We'll catch up later. Right now we have some Metahumans to take down. Lets power up!

Varie, Vince, Carol, Yuko, Naruto, Lincoln, Laney, Carol and my children went Super Angel.

Me: I've been saving this transformation for a rainy day but I figured it would be perfect to demonstrate for you guys.

I flared up my yellow aura and suddenly I was enveloped in a blinding ball of light blue light. It faded and I was forever changed. My hair was turquoise blue and my aura was sky blue and lightning sparkles and blue flames were in it.

Me: This is my new transformation. I was able to unlock it during my secret training 4 months ago. I call it Super Angel God and it contains the power beyond that of a Super Angel 10,000 transformation but my energy signal is completely undetectable. In this form I can do anything and my power is infinite.

Vince: I witnessed this myself and it's incredible.

Yuko: It's unbelievable.

Lincoln: It sure is. This is amazing.

Laney: I wish I could learn this power.

Carol: Me too.

Ebon: Well you guys won't live to get that chance.

Me: Want to bet?

I dash to Ebon with such blazing speed that it was too fast to comprehend and I punched him in the face with devastating force and he was stripped of his powers in an instant as a result and he reverted back to human form.

Me: Didn't expect that did ya?

Talon fired a sonic scream at me but I vanished and appeared behind her and snapped my fingers and she was cured.

Me: You're free now Teresa. We're gonna help you as much as we can.

Teresa: (Weakly) Thank you J.D.

Kangor jumped up and Static fired a blast of lightning at him and electrocuted him.

Me: Thanks Static.

Static: No problem J.D.

Gear had his backpack trap Ferret and I snapped my fingers and removed their powers and Kagor and Ferret were back to normal.

Puff flew up to me and blew a corrosive gas at me. Flamebird fired a blast of fire at the gas and it exploded into steam and I snapped my fingers and cured her.

Me: Nice work Flamebird.

Flamebird: Thanks J.D.

Lola and Talia were facing Hotstreak. They were demonstrating martial arts moves at an incredible level. Lola and Talia made a really great team.

They overwhelmed him.

Me: I'm sorry old friend but those fire powers are far too dangerous for you.

I snap my fingers and strip him of his powers and he was cured.

Lincoln and Linka were electrocuted Hyde and Tantrum and surprisingly Rubberband Man was helping them.

Lincoln: Thanks Adam.

Rubberband Man: No problem guys.

I stripped Tantrum and Hyde of their powers and cured them.

I reverted back.

Me: That's the end of them.

Police cars arrived and arrested them.

* * *

We later purged all of Dakota City of all the Metahuman villains and cured them. We found out that Richie Foley AKA Gear was given Superhuman Intelligence because of accidental exposure from the Mutagen still on Virgil Hawkins AKA Static. Flamebird came here through a transdimensional vortex as the Metabreed were attacking and she was helping Static and Gear when we arrived. The city was cleared of Metahumans that were evil and they were cured.

Back at home I was telling Maria how she got her powers by looking it up in my book.

Me: Here it is. Maria you were cured and given stronger water powers by the Water Stallion of Tefnut, the Egyptian Goddess of Water.

Cody: I know Tefnut.

Me: I had a feeling you would Cody. Once every 150 years Tefnut creates a geyser of water anywhere and sends a horse made of pure water. They are given Cosmic Hydrokinesis, Cosmic Cryokinesis, Winged Flight, can form water from anywhere whether it's from bodies of water or out of the Atmosphere, breathe underwater, talk to fish and even become a mermaid while underwater.

Maria: Wow. This is unbelievable.

Carol: It sure is. You probably have a lot to learn now that you have these powers too. Aside from what you had before.

Maria: Yeah.

Lily: I can teach you how to use your powers Maria. I was given my powers from the Glowing Water of Coventina, the Goddess of Water in Celtic Myth.

Girl Jordan: I was given my Water Powers from the Water Dragon of Lerr, the God of the Sea in Celtic Myth. I'll teach you too.

Luna: Same here. I was given my Water Powers by the Singing Water of the Sirens in Greek Myth.

Maria: This is incredible. Thank you.

Zoe: It shocked me too. It's called a Divine Blessing. We've been receiving reports in the world that the gods of the world were choosing people to give their powers to them.

Hercules: That's right.

Me: Yeah.

Lynn Sr. & Rita came back and we got dinner ready.

FLASHBACK ENDS

When I was done everyone that hadn't heard about it was amazed and in awe.

Nico: Wow! So that's how you helped out and saved many people!

Xenia: That's amazing!

Camie: No kidding! Wow! That Quantum Vapor gas really did a number on so many people.

Lola: Yeah it sure did.

Me: Yep and that was back in the final stages of the old days before the team got its official name.

Brittney: I remember that. That was cool.

Maria: I had fun teaming up with the Hoop Squad.

Me: Boy we all did and so did Teresa, Francis and all the members of the former Metabreed.

Qin: That was so awesome.

Lola: Yeah it sure was.

Tigatron: (Laughs) That was a great and fun adventure for all of us.

Tsuyu: It sure was. We had a lot of fun on that one. Especially with destroying Dr. Odium.

Lola: Yeah giving him the Black Gates was a good call.

Maria: We should visit my old home more often.

Me: Good idea Maria. There may not be very many members of the Metabreed running amok still but there are still many other things to do.

Maria: True.

We arrived at Yokai Academy.

Me: Here we are.

Nico: Too bad Moka and the others aren't with us for this one. It's always fun coming here.

Twilight Sparkle: It sure is. I'm glad they came to this school too.

Qin: We all are.

Lola: Yeah that was an awesome adventure for J.D. and Naruto back then.

Me: It sure was.

Nico: So what's going on here?

Nicole: Well I got reports from a local source here in my Spy Network that there have been incidents involving some of the girls. There's a Peeping Tom here loose in this school!

We gasped!

Everyone: UH OH!

Nico: You've gotta be fucking kidding me!

Me: Whoever it is, they are gonna face the ultimate extent of the wrath of Nicole Knudson.

Nicole: You got that right dad! And you know how much I hate perverts with a vengeance.

Lola: Yeah Nicole is gonna make him wish he was never born!

Me: Hmm. Well there is one person or shall I say monster here that fits the incident reports here.

Nicole: Really? Who dad?

Me: His name is Ginei Morioka and he is a werewolf.

Lincoln: A Werewolf? Wow!

Me: Yeah. But he did help the Newspaper Club and me and Naruto out by giving us juicy and good intel on the Public Safety Committee here when we were here the first time and help bring them down.

Nicole: That's good he did.

Nico: What can you tell us about him?

Me: Well he has a good side and a bad side. The good side is he is a good help, the bad side is that he is as bad as a pervert as Jiraiya-Sensei is.

I went over who he was.

---

**Ginei Morioka** (森丘 銀影, *Morioka Gin'ei* ) is a student at Yōkai Academy who happens to be a werewolf. As a werewolf, his powers reach its highest point when the full moon shines. Under a full moon, his power rivals vampires, the werewolf's natural enemy and his speed exceeds theirs. He is good friends with Haiji Miyamoto and a loyal person as he comes to the aid of the rest of his club members. However, Gin has a bad habit of being a pervert, which has earned him numerous beatings from Kurumu Kurono. In addition to being a werewolf, Ginei is also the former club president of the Newspaper Club.

## Year One

After Gin is introduced by Shizuka Nekonome as a second year student and the Newspaper Club president, he gives Moka Akashiya and Kurumu Kurono each a bouquet of flowers. Following his charming demeanor, Kurumu clings to Tsukune Aono, as playboy types gave her the creeps. Gin later tries to ask Moka on a date, but Yukari Sendo uses her wand to throw a desk on his head. When the Student Police claim the Newspaper Club as a violation, Gin gives in to their demands due to what they did to the club last year. Later while the others are trying to rescue Tsukune he arrives to aid them in their efforts, managing to greatly damage the Student Police's leader Kuyō in a matter of seconds. He falls in battle by his opponents released form when protecting his club members from a fatal flame attack. He later joins the other members of the newspaper club on a trip to the human world. When Tsukune gets attacked by monstrels, Kurumu goes to Gin and, after he touches one of her breasts (and she punches him in the face), he tells Kurumu what he knows of them before putting a hand on each of her breasts.

## Year Two

It is revealed he was Kurumu Kurono and Mizore Shirayuki's sparring instructor, groping them at every session which upsets them to no end. When he was framed for ripping clothing at school he took the blame in order to prevent another student from getting in trouble and purposely insulted her so she could move on. He's good friends with San Otonashi, the original Newspaper club president, and in his first year he only fought and enjoyed fighting until she changed him. He also has a past with the Karate club leader, Haiji Miyamoto and with him, defeated an entire division of Fairy Tale. It is also revealed that Gin has romantic feelings for San, different from his usual perverted attractions. Besides Gin himself, the only other person who knows about this crush is Kurumu because she is the one who discovered it. He appeared later in Hong Kong with Ruby Tōjō, Kokoa Shuzen and Hajii to help Tsukune. Then, he took part in the Final Battle against Fairy Tail and Alucard, working in team with Haiji, Kokoa, Ling Ling Huang and Touhou Fuhai. Of the 2nd Team to besiege Fairy Tail HQ, seeing a Vampire mutate into a Ghoul, he was wounded shielding Haiji from the Ghoul's attack. Also, Gin, Haiji and Ling-Ling had to play dead so as to avoid being slaughtered. After the battle against Alucard, Gin is in the bus with his friends; happily greeting Tsukune's return and they all head back to the Academy. Gin eventually graduates from the Academy, and currently works at the Seaside Inn where San lives.

## Anime **Rosario + Vampire**

Gin is first introduced by Shizuka Nekonome as the president of the Newspaper Club. He gives Moka Akashiya and Kurumu Kurono a bouquet of flowers and gives a single one to Yukari Sendo. He tries pinning the blame on Tsukune Aono as the peeping tom running around campus until he confronted Moka's inner self and lost when the full moon was hidden by the clouds. During summer break he is not seen because he apparently failed a few courses, which could possibly be because he is usually seen outside class spying on girls. At the end he is seen walking off the bus with Ruby in his arms. He is not seen again until the School Security try killing Tsukune, helping Inner Moka beat down Kuyō.

**Rosario + Vampire Capu2**

Gin makes minor appearances in the second season of the anime usually as a joke. On the first day of school, instead of aiding the others, who are being chased by Kokoa Shuzen, he decides to give Ruby Tōjō a photo shoot.

As Ruby tries to ban short skirts in the girls uniform, Gin instantly freaks since getting his "scoops" will be more difficult. Thus he had a one-on-one talk with Ruby but she suckered him into agreeing with her by using her body. After giving in to her ideals Gin still continued his picture hobby until he purposely tripped Tsukune and released Inner Moka for a photo shoot, but cause him to receive a beating for releasing her for no apparent signs of trouble.

He makes other minor appearances by trying to change his hairstyle to Tsukune's in a feeble attempt to impress the girls and banning Yukari Sendo from having a puppy which ripped apart the club. When Kōmori Nazo, in his human form, hypnotizes all of the females in the school, Gin tries to tell him off, only to end up as hypnotized as all the females. When Lilth's Mirror reverts him into his werewolf form, in addition, he is no longer hiding when taking his pictures and it showed his "true form" of being a pervert. This caused Moka to beat him upside the head to calm him down. He was also present during the season finale as he helped Nekonome and Ruby restrain Ageha Kurono (Kurumu's mother) and Tsurara Shirayuki (Mizore's mother).

When I was done everyone was shocked in awe, amazement, disgust and horror.

May: How long has this been going on?!

Me: I'm honestly not quite sure. But when me and Naruto were here the first time he started out as a 2nd Year student.

Qin: Oh boy.

Lola: That womanizer!

Me: Yeah. I know.

Nico: But he is gonna rue the day he messed with women's dignity.

Nicole: You are damn fucking right on that Nico!

Nico: I know the perfect place any pervert like him would go!

Nicole: Yep and that is looking through the windows of the girls locker room in the gym.

Nico: Bingo. I was gonna say the beach but that is the next best thing.

Me: Also Nico there are hardly any beaches here in Yokai Academy so that's out.

Nico: True.

Me: Gym Class should be getting out right… about… now.

The bell rang.

Nicole got out her binoculars and just as she thought she saw a shadowy figure peaking through the windows of the girls locker room.

Figure: Show me those curves.

Nicole: There's our pervert.

Me: Not on our watch.

I grabbed a rock and threw it.

WHOOSH!

Then…

BONK!

Figure: OW!

The girls then screamed when they saw him!

Nico: Nice shot J.D.

Me: Thanks.

The figure fell from the roof and crashed onto the ground.

Nicole: Lets get him.

We went over to him.

Me: HEY!

Ginei saw us!

Ginei: J.D., long time no see.

Me: It has been a while. But what you are doing is wrong on so many levels.

Ginei: Wait I can explain!

Me: Save it Ginei. You know very well that leopards don't change their spots.

Nicole: (GROWLING ANGRILY) Alright, that's it, I've had it with you to last a fucking eternity, Ginei Morioka, and now, I'm going to make you pay for sticking your nose where it doesn't belong, you peeping werewolf!

We saw Nicole clench her hands so tightly, she drew blood and when it hit the ground, it sizzled, and her wound healed.

Everyone: UH OH! HE'S DONE IT NOW!

Thunderhoof: EY YOO! THE FUCK DO YOU THINK YOU'RE DOING?!

Ginei: Uh I uh.

Me: He was up to his old habits again.

Suddenly, something in Nicole's mind snapped as memories of what every last pervert has done has rushed through her head and what Ginei Morioka has done has brought it out in full force, and her crimson red eyes turned neon crimson red and she was surrounded by a purple and crimson red energy aura with stars, suns, light, magic, and star dragons, she unholstered her massive Sword of The Star Dragon sword from her back, and as she approached Ginei Morioka, she left purple and red energy, stars, suns, light, magic, and star dragons with every step.

Nicole Knudson: You know, it's perverts like you who don't even give a damn about anyone except for their fucking selves, and you, Ginei Morioka, you fit that description too well, you have absolutely no respect for the rights of girls and what you just did absolutely disgusts me. (SUDDENLY GETTING REALLY AND EXTREMELY PISSED OFF INFINITELY) But, what you've been doing in peeping on girls yet again just proves that you haven't learned lesson, and for that… , YOU'VE JUST CROSSED ONE FUCKING LINE TOO MANY, GINEI MORIOKA, AND NOW, I'M GOING TO KICK YOUR FUR-COVERED ASS BIG TIME FOR STICKING YOUR NOSE WHERE IT DOESN'T BELONG!

We gasped at the sheer extent of Nicole's extremely violent fury.

Lincoln: Oh no, now Morioka's absolutely crossed the line big time.

Nico: And you heard her, she's going to kick his fur-covered ass big time.

Me: For sticking his nose where it doesn't belong, and if there's one thing Nicole absolutely hates with a vengeance, it's perverts. HIT THE DECK, SHE'S GOING TO BLOW!

We ran for cover as Nicole screamed like an absolute madwoman to the infinite power and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and stars and she was surrounded by a massive vortex of purple and red energy with stars, nebulae, light, and magic surrounding the vortex, there's a dragon made of stars flying around the vortex, and in the vortex is a purple phoenix with glowing blood red eyes glaring at Ginei Morioka: the red eyes of death. Then, as the vortex faded, Nicole emerged, but she was changed forever.

Suddenly, Nicole felt a sharp pain on her back, and then, her massive crimson red angel wings with purple tips on the feathers grew much bigger for her new body and she also now has eleven massive and long crimson red wolf tails, she has on her Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger, Indigo Lantern Ring on her left ring finger, black fingerless gloves with stars on the back, and Stone of Gelel embedded in her left hand.

Suddenly, Nicole's massive Sword of The Star Dragon and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of purple and red energy, stars, suns, light, magic, and star dragons, and when it emerged, it was transformed into Star Dragon's Celestial Fang Greatsword of Cosmic Celestial Justice, it's a brand-new massive greatsword with embedded crimson red and purple gems and a dragon with reflecting stars etched on the 7'0" massive, wide, double-edged purple blade, large purple dragon heads for the crossguard, large purple and crimson red gem embedded in the rainguard, longer midnight black handle, four large purple dragon heads with crimson red gems for eyes and large purple and crimson red gem on the bottom of the large purple dragon heads for the pommel, she has on her brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold dragon head with red gems for eyes and a large purple green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Book of Vile Darkness, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Nicole Knudson has transformed into SUPER ANGEL-STAR DRAGON-HARMONY CELESTIAL ETERNAL XELNAGA CELESTIAL NEBULA STAR DRAGON ANGEL OF DIVINE NEBULA CELESTIAL STAR DRAGON JUSTICE AND DIVINE NEBULA STAR DRAGON CELESTIAL COMPASSION!

We were truly amazed by Nicole's Super Angel-Star Dragon-Harmony Celestial Eternal Xelnaga transformation, but when Ginei Morioka saw it, he transformed into his werewolf form and was about to attack her, but Nicole fired a powerful purple and red energy blast, stars, suns, light, magic, and star dragons at Ginei Morioka and he was sent flying into a wall, he got out, but he was mad now.

Nicole: (Divine Echoing Cosmic Voice of The Celestial Nebula Star Dragon Angel and Divine Celestial Nebula Star Dragon Compassion) **And there's a lot more where that came from, you pervert werewolf!**

Me: He's in for it now!

Qin: Big time!

We took the fight to the sports fields.

Nico: You are in huge trouble!

Me: He is in a LOT of Trouble!

Lincoln: A lot more trouble than ever!

Lightning: You're really disgusting, man!

Ginei: Oh, c'mon! I'm sure you do the same to Lynn when she's getting dressed!

Lightning: I have too much honor for that!

Qin: Yeah!

Me: If there is one thing I know how to do it's respect a woman's dignity!

Lincoln let out a growl as lighter brown fur began growing on his abnormally massive and powerful muscular body with tan fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of his head, his nails grew into claws, his deep sapphire blue eyes turned yellow with slit pupils, and the tips of his eleven massive, long, and powerful white werewolf tails turned into large black wolf heads, and he let out a powerful howl as he transforms into Lincoln the Nocturnal.

Me: Nice!

Nicole went after Ginei Morioka, and she fired extremely powerful blasts of purple and crimson red energy, stars, light, magic, and star dragons at Ginei Morioka, and they exploded with incredible power as they hit him.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMM!

Then, Lincoln the Nocturnal stepped up to have his fun.

Ginei Morioka: (Beastly Voice) Hah, you think I'm scared of you?!

Lincoln: (Beastly Voice) You're about to be in a few seconds, you perverted werewolf!

Lincoln roared ferociously and he pounced on Ginei Morioka and he ferociously pounded him into the dirt.

SMASH BLAM WHAM BAM!

Lincoln: (Beastly Voice) Hope you don't mind me joining in, Nicole.

Nicole: (Divine Echoing Cosmic Voice of The Celestial Nebula Star Dragon Angel and Divine Celestial Nebula Star Dragon Compassion) **Not at all, Lincoln. Besides, I knew he was going to turn into his werewolf form, and you just responded in kind.**

Me: That's right, now allow me to also respond in kind to Ginei Morioka as well.

I let out a growl as lighter brown fur begin growing on my abnormally massive and powerful muscular body with tan fur growing on my massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of my head, my nails on my hands and toes grew into claws, and my blue eyes had slit pupils, and my eleven massive wolf tails were already out, as I let out a howl as I transform into J.D. the Nocturnal.

Me: (Beastly Voice) If you thought what Lincoln did to you was bad, wait 'til you deal with me.

Ginei Morioka: (Beastly Voice) Yeah, and who do you think you are?!

Me: (Beastly Voice) Nicole's pissed off father, who the hell do you think?!

Nico: Uh oh, he's done it now!

Me: Yep.

Nico: You've earned yourself a spanking! And I fucking mean it!

Nico formed an energy paddle! It was what he calls OL' SPANKFUL ∞!

UH OH!

He put Ginei over his knee and then…

WHAP WHAP WHAP WHAP!

BLOODCURDLING AND EXCRUCIATINGLY PAINFUL SCREAM!

YICHIHUAHUAS THAT IS GONNA HURT!

Eli: (WINCES) OOOH! That must hurt!

Ginei got up and was patting his butt.

I roared ferociously at him and I pounced on Ginei Morioka and I ferociously pounded him into the dirt. Then, Nicole ran up and kicked Ginei Morioka hard in the crotch.

KRASMASH!

OOOOOHH! THAT IS NOT GOING TO FEEL GOOD!

Nico: (Winces) Ooh, now that's got to hurt.

Eli: Even though we're not going to kill him, he still needs to learn his lesson the hard way.

Maria: You said it.

Nico: But why stop there? NOW, I'M SPANKING YOU WITH MY HANDS!

He then had energy form around his hands and then.

KRAWHAP!

PAINFUL SCREAMING!

---

Lightning: YEAH! Show that women disrespecting pervert what for! SHA-BLAM!

Then, after the beatdown, Nicole holstered her massive new greatsword on her back and powered down, and Lincoln and I changed back, and Nicole's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, and massive crimson red angel wings are permanent.

Ginei Morioka was still groaning in pain as he changed back after the beatdown.

Me: But I hope you learned your lesson.

Ginei: (SQUEAKY VOICE) I HOPE SO!

Me: But just in case. (WHISTLES)

All the girls from the academy came and then pulverized the living shit out of him in a merciless and brutal fight cloud and smashed him all over the place!

Ginei then ran for the hills.

Girls: GET BACK HERE YOU CREEP!

Me: GET HIM GIRLS!

Lincoln: (to Lightning) You don't really peep on my sister, do you, Lightning?

Lightning: No way Lincoln! I know how to respect a woman's dignity with pride and honor.

Me: Good for you buddy and Nicole awesome job unlocking your new transformation.

Nicole: Thanks dad. It was cool.

Lola: Maybe now that werewolf pervert will learn some manners.

Xenia: You got that right.

Me: We're not done yet though. But this was a really funny and goofy part of the rescue.

Nico: (LAUGHS) It sure was.

Then a newspaper hit me and it was an old paper from long before me and Naruto came to Yokai Academy.

Me: What's this? (Reading) "Special Edition! Culprit in Staged Peeping Tom incident revealed to be Class 2-1's Ginei Morioka! Tsukune Aono framed by Ginei Morioka."Tsukune Aono Cleared of All charges." Well that's a relief. But man look at the date. This was taken back 6 days before I went to Yokai Academy the first time.

Nico: Wow! That will be a good trophy.

Me: Yep.

I put it in my backpack.

Girls: GINEI YOU PERVERT!

We laughed at that!

Qin: (LAUGHS) He is still running.

Varie: (LAUGHS) Serves him right!

Vinyl Scratch then winced as her mark for Cancer the Crab glowed.

Vinyl Scratch: My mark is glowing!

Me: That means the next Undead Zodiarts is close.

Nico: You think it's one of the girls Ginei was peeping at?

Me: Lets hope not. But it would be coincidentally cool if it was.

Girls: YOU'RE GONNA PAY FOR PEEPING ON US!

Eli: I'm getting all this for social media.

He was recording the whole chase with his phone.

Nicole: Nice job Eli.

Eli: Thanks.

Girls: YOU'RE DEAD!

We laughed more!

Nico: YEAH!

Lola: That is funny.

Nico: I'm being serious.

Me: Sorry. Got distracted.

Nico: Yeah that is very humorous there.

Eli then sensed something.

Eli: Wait look!

We saw a figure come out and it was ANOTHER CANCER UNDEAD ZODIARTS! It looked like a mixture of Crab Nezilar, Commander Crayfish and Crustaceo!

Me: Whoa! Another Cancer Undead Zodiarts!

Nico: For Cancer the Crab! Awesome!

Me: Yep.

Another Cancer Undead Zodiarts: (Icelandic Accent) And it's good you all exposed that wolf.

Me: (GASP) That voice.

She reverted back and surprisingly it was a girl in black hair and blue eyes and only was wearing a towel. And she had the symbol of Cancer the Crab on her Right Arm.

Me: (Gasp) Selena Guðmundsdóttir!

Selena Guðmundsdóttir: Good to see you again J.D. and you Nicole and you saved all our dignity.

Me: It was our pleasure.

Nico: You know her J.D.?

Me: I sure do and she goes here to Yokai Academy.

Selena Guðmundsdóttir: That's right. I'm what's called a Nuckelavee.

Brittney: The Anthropomorphic Horse Demon of Norse Myth!? I've read about that one! Legends says that over in the northern Scottish Isles it was said to be responsible for causing droughts and famine with just a blow of its breath.

Selena Guðmundsdóttir: That's right Brittney.

Me: Yeah. Me and Selena met when me and Naruto were here the first time and we helped her realize that she was never alone and she was actually sent here to bring disease and drought to the school so people would starve. But I helped her abandon that goal.

Selene Guðmundsdóttir: And I will be forever grateful to you for that.

Me: Same here.

Nico: Did Ginei peep on you?

Me: Judging from the way you are just in your towel I would say that he did.

Selene Guðmundsdóttir: Yes he did and I wanted to make sure he paid for it. But you guys beat me to the punch.

Me: Yeah sorry about that.

Nicole: But it looks like we got here just in time before he could hurt you more.

Selene Guðmundsdóttir: You sure did. Ginei stole all my clothes. He was planning on turning the whole school into a nudist colony.

We gasped!

Maria: ARE YOU FUCKING KIDDING ME?!

Me: Boy I've heard of crazy super pervert shenanigans but THIS ONE takes the cake!

Leni: Does it really have cake in it.

Lisa Loud: Leni that's just an expression. It means that it's the stupidest thing that he has ever done.

Leni: Oh right. I see what you are saying.

Me: I don't think Jiraiya-Sensei would go that far.

Nicole: I don't think so either.

Me: Yeah.

Selene Guðmundsdóttir: Yeah but it looks like the girls are going to take care of Ginei for a while. But also there is another one like him around too.

She pointed to Sportsmaster.

Sportsmaster: Another version of me!?

Me: Then he can't be too far behind.

Selene Guðmundsdóttir: Yeah.

Vinyl Scratch: But I'll save you from this fate.

Selene Guðmundsdóttir: All right then.

She turned into Another Cancer Undead Zodiarts again!

Vinyl then fired waves of energy and blasted her down and she exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Rouse Card and Zodiarts switch and purified them. The Rouse Card had a picture of the stars and Symbol of Cancer the Crab as well as a picture of a crab on it.

Me: Cool.

The Zodiarts swirch glowed and became armbands for those of Cancer the Crab.

Me: Awesome!

I went over and picked up Selene and brought her over and Varie put a blanket on her and looked her over.

Selene Guðmundsdóttir: (Groans) What a headache.

Varie: You'll be all right.

Me: Better make her some new clothes too.

Rarity: You got it darlings.

They did so.

Maria: Stupid Ginei being a pervert!

Nicole: Welcome to my world Maria. But yeah let him be chased around like a frightened little mouse.

Qin: He had it coming.

Nico: Yeah.

Selene had black clothes on and had the map flag of Iceland on her skirt.

Selene Guðmundsdóttir: But I look amazing.

Me: You sure do Selene.

Eli: Perfect for you.

But then I sensed something coming and then I caught it and it was a black bowling ball!

Me: WHOA!

Eli: What the!?

Laney: A Black Bowling ball!?

Lightning: I'm keeping that!

But then we heard beeping.

Me: Beeping?

Eli: That Bowling Ball! It's a Bomb!

I threw it far over the sea!

Me: FIRE IN THE HOLE!

Then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was a powerful bomb!

Me: WHOA! That was a close one!

Nico: Yeah!

Lightning: Whew!

?: Nice one.

Then we saw a figure come and it looked like a dark version of Sportsmaster! It was ANOTHER SPORTSMASTER!

Me: WHOA! Another Sportsmaster!

Sportsmaster: Wow! Another me!

Lightning: Wow!

Another Sportsmaster: (In a girls voice) But it's good to see you again J.D.

Me: (GASP) Valeria Kennissburg!

Another Sportsmaster: That's right.

Me: I didn't expect to see you this way.

Another Sportsmaster: I know.

Nico: You know her J.D.?

Me: I sure do. She was the greatest athlete in all of gym class. Valeria was on every sports team there was in school and she dominated the sports with pure grace and honor. She mastered it all: Football, Hockey, Soccer, Rugby, Basketball, Wrestling, Boxing, you name it.

Another Sportsmaster. You got that right.

Me: Yeah and me and Valeria were masterful partners in it too. Until I hit my head and all.

Nico: Oh right.

Another Sportsmaster: That's what I heard. Are you all right J.D.?

Me: I sure am. I have all my full memory back. I really hit my head hard back then.

Another Sportsmaster: I heard about that. Glad you're back.

Me: Thanks. Also you would get along great with Lynn and Rainbow Dash. They are true sports stars like you.

Rainbow Dash: It's true and that is awesome you know so many sports.

Another Sportsmaster: You and I have so much in common Rainbow Dash.

Lola: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz,

Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Sportsmaster: Just to be the greatest sports star in the world.

Me: You already have that down Valeria. You won the school championships for elementary, junior high and high school 12 times in a row when we were together.

Nico: Wow! That's really impressive!

Rainbow Dash: That is awesome!

Another Sportsmaster: It sure is. And I knew that Swartz was lying.

Me: He lied to everyone.

Nico: Yep.

Me: Sorry we have to fight like this.

Another Sportsmaster: No worries. Come at me and don't hold back.

Me: With pleasure! (ACTIVATES SPORTSMASTER'S VISTAMP)

SPORTSMASTER!

I formed a soccer ball of fire and kicked it and it hit Another Sportsmaster and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It knocked her down!

Nico: YEAH!

Sportsmaster: To quote a Brazilian Sports announcer: GOOOOOOOOOAAAAALLL!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Me: This will be good. (ACTIVATES EVIL STRIKE MAN'S RIDEWATCH) Here comes the windup!

I formed a baseball of fire and threw it and then it hit Another Sportsmaster and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It hit her in the face and knocked her down in a powerful fiery explosion and smashed her down!

Qin: YEAH! YOU'RE OUT!

Xenia: NICE!

Nico: Nice Sports flare.

Me: Yep.

Another Sportsmaster got up.

May: (gets out Elephanko's Ridewatch) Did Ginei peep on you, by any chance?

Another Sportsmaster: No thank goodness. I was hiding in the cafeteria with Selene when it all was happening.

Me: That's a relief.

Nicole: Yeah no kidding there.

May: Thank goodness.

May activated Elephanko's ridewatch and fired a spinning top and then it smashed her down.

Nico: YEAH!

Me: That was cool!

May: (gets out Pinface's Ridewatch) Here, Pinface's name is literal.

Me: Except he doesn't have needle pins.

Pinface: That's right. I have bowling pins in my face.

May activated it and fired bowling pins and they hit Another Sportsmaster and smashed her all over.

Me: And here is this. Nico you ready?

Nico: Ready.

Me: This is a technique I made in 150,000 years. Watch. I turned into a giant bowling ball and Nico went giant.

Me and Nico: EARTH STYLE NINJA ART: HUMAN BOWLING BALL STRIKE!

Nico rolled me and I hit Another Sportsmaster and she was smashed down like 10 bowling pins!

BOWLING STRIKE CRASH!

Nico: STEEERIKE!

Qin: YEAH! Nice one Nico!

Camie: That was clever!

Selene Guðmundsdóttir: It sure was! Well done!

Eli: Bowling is awesome.

I came back.

Maria: (gets out Tennis World's Ridewatch) Funny how I'm using the Ridewatch of a World monster, who was made out of a Gear before.

Me: That is true. But here's one I've always wanted to try too. (ACTIVATES TENSIE'S RIDEWATCH)

I formed a fire Tennis Racket.

Maria activated Tennis World's Ridewatch and got a tennis racket too.

Me: You know I've always wanted to try tennis myself.

Nico: It's really fun.

Me and Maria formed Tennis Balls and then…

SMACK!

We hit them hard and they hit Another Sportsmaster and smashed her down!

Qin: YEAH!

Nico: That was awesome!

Maria: (gets out Wild Card's Ridewatch) Now, for Wild Card's powers.

Maria activated it and got football gear.

Maria: BLUE 44! HUT HUT HUT HIKE!

Maria charged and rammed Another Sportsmaster down with a powerful tackle!

Me: TOUCHDOWN!

Nico: YEAH!

May: That was awesome!

Lola: Yeah it was!

Rainbow Dash: Ish would be proud!

The U-Foes then came and they had, Bunnie and Clyde, Phantom (Real Ghostbusters), Yoshikage Kira, Animan and Mea (Magirangers)

Nico: Hey, U Foes. Your team's looking good!

Vapor: Thanks. We thought so too.

Eli: And Mea I remember you! You were one of the Phantom Spy Vancuria

Mea: That's right.

Me: Wow! So you're one of the Japanese Mystic Force Rangers monsters. That's awesome.

Mea: Yep. Me and Nai are both Phantom Spy Vancuria and we were spies for the Japanese version of Octolus the Master.

Me: That is amazing.

Nicole: It sure is.

Me: You and Nai would both make awesome members of the Goths of Darkness.

Brittney: I was just about to point that out dad. The way Mea and Nai are dressed makes them perfect for it.

Mea: Thanks. We'll keep that in mind.

Me: Lets bring Another Sportsmaster down.

We fired waves of energy and elements and blasted her all over.

Ramulus: My turn!

Me: Go for it!

Ramulus: Ramulus, MAXIMIZE!

He transformed and was ready.

Ramulus activated his Ridewatch for Thunderhoof and fired waves of energy and blasted her down.

Qin: YEAH! Take that!

Camie: OH YEAH!

Maria: We don't have any usual battles today. So, I'm using the Masters of Evil cannon early!

Maria pulled it out.

Maria: (TURNS DIAL) BUTTKICKING BRAWL BRIGADE!

She summoned Balrog, Juggernaut, Yost Juggernaut, Jorgen Von Strangle and Bane.

Nico: OH YEAH!

Juggernaut: Time to kick some butt!

Qin: Yeah!

They went at Another Sportsmaster and smashed and pulverized her all over!

BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF BAM BIFF!

Nico: NICE!

Qin: YEAH!

May: I hope while those guys are kicking ass, the next Gene Slammer comes.

Then we felt a big rumble and saw something burrowing towards Another Sportsmaster and then it bursted from the ground and smashed her down and Another Sportsmaster was down and we saw that it was a Sandslash!

Me: Whoa a Sandslash!

I caught the ridewatch and purified it and it was for Lightning.

Me: Awesome!

Sandslash: (In a girls voice) (British Accent) That was a grand entrance!

Nico: Whoa! Gwen Lancelot XXXVII! Awesome!

Sandslash: Good to see you again Nico.

I went over to Valeria and she was a girl with blue hair and blue athlete clothes and I picked her up.

Me: Are you okay?

Valeria Kennissburg: (GROANS) What a horrible headache.

Me: You'll be all right. But you are all right.

I brought her over.

Sandslash: But this was a crazy rescue huh?

Nico: It sure was.

Ramulus: What's your favorite memory of Nico?

Nico: But after you're done explaining, I'm gonna revert her back in the bathroom. I've had enough of girls' privacy being violated today to last an eternity.

Me: Me too. But wait your last name is Lancelot. Are you?

Sandslash: Yeah my ancestor was Sir Lancelot of the Knights of The Round Table.

Nico: WHOA! I thought this was yours.

He pulled out a Ring of The Knights Templar.

Nico: This ring I found on the street a while back. Engraved on it where the initials G.L XXXVII.

Me: Oh I get it! Gwen Lancelot XXXVII! Cool!

Sandslash: Yeah it sure is.

Me: But your ancestor was one of the most evil traitors of the ancient Arthurian legend. Over 1500 years ago Lancelot was accused of treason for both his affair with Guinevere and for the homicide of his fellow knights during his escape from the court.

Sandslash: That's right.

Nico: Wow.

Sandslash: Yeah. Anyway my favorite memory was when me and Nico were on our way to class and I saw someone trying to break into Qin's locker to stuff it full of stinkbombs and me and Nico stopped the bully and got her expelled and sent to prison.

Nico: I remember that.

Qin: At least you stopped her.

Lola: Yeah.

Nico: Lets get you back to normal.

In the bathroom, Sandslash went in and the Fashion Brigade went in with her and Nico waited outside and he snapped his fingers and Gwen reverted back and she had brown hair and orange eyes and The fashion brigade gave her new clothes. She had orange and yellow clothes on.

After Gwen got her skin back, she looked at herself in the mirror and saw her human face.

Gwen: Am I really human again? Or this all in my mind?

Varie: No this is real Gwen.

Gwen: I'm really back! Wow!

She came out and Gwen looked awesome.

Gwen: Nico it's awesome to see you.

Nico: You too Gwen.

He and Gwen hugged.

Nico: I really missed you.

Gwen: Me too Nico. Me too.

He put her ring back on her finger.

We later went back home

Lincoln: Whoa, we're back in Dark World for Day 5 of the Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the two girls here, but Chloe Terryington is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Huntsman Greatsword of Broww, Huntsman of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Broww, Huntsman of Dark World, it's perfect for her, and we're also going to destroy destroy the Dark Jinchuriki: Dark Gaara, Dark Yugito Nii, Dark Yagura, Dark Rōshi, Dark Han, Dark Utakata, Dark Fū, Dark Killer B, and Dark Naruto, who've come back from the dead and they want revenge on us for destroying them long ago.

Me: You got that right.

Nico: And it's to be expected, since tomorrow, the battle against Team Loud Evil Storm is near.

Lincoln: Yeah, and when news hit of the Dark Jinchuriki returning from the dead hit, I also had to call Gaara, Yugito, Yagura, Rōshi, Han, Utakata, Fū, and Killer B.

Gaara: And it's a good thing you did, Lincoln, we're not letting the dark versions of ourselves run free anymore.

Yugito: That's right, we're going to destroy them once and for all.

Lincoln: And banish them to The Black Gates once and for all, and thanks for joining us, Tamao, Elie, Haru, and Sylphy.

Tamao: You're welcome, Lincoln.

Mira: We've heard about how you all faced the Dark Jinchuriki long ago, and I can guess it wasn't an easy task, right?

Lincoln: It sure wasn't, Mira, and we also faced off against Mirror Maniac who brought them here, and helped Max Thompson get his brother back, who got kidnapped by Mirror Maniac and the Nine Dark Jinchuriki.

Yagura: I still remembered that all too well.

Just then, Shukaku, Matatabi, Isobu, Son Goku, Kokuō, Saiken, Chōmei, Gyūki, and Kurama appear.

Lincoln: Shukaku, Matatabi, Isobu, Son Goku, Kokuō, Saiken, Chōmei, Gyūki, and Kurama.

Kurama (Naruto): You didn't think you and Chloe Terryington are going to be the only ones to take on the Dark Jinchuriki, Lincoln. We also intend to take them down, especially if they transform.

Shukaku: That's right. Now, let's go find Broww, Huntsman of Dark World's shrine.

Chloe Terryington: Right.

We continued on and we arrived at Broww, Huntsman of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Huntsman Greatsword of Broww, Huntsman of Dark World, a powerful demonic massive greatsword with brown gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large brown gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large brown gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Huntsman Greatsword of Broww, Huntsman of Dark World, that sure is one scary looking demonic greatsword.

Rhonda Jekyll: And it's absolutely perfect for me.

Suddenly, we saw Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat, and with them are the two girls.

Nico: Wow, Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat, and they got the two girls.

Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat: (Girl's voice) And away from the nine Dark Jinchuriki.

Lincoln: (Gasps) That voice, Sienna "Amethyst Cat" Dawson, I knew it was you, it's awesome to see you again, but we'll talk later, I know that the nine Dark Jinchuriki are also heading for us.

?: And we will have our revenge on you for what you did in destroying us!

Me: I knew there's no mistaking that voice from anywhere. You Dark Jinchuriki just refuse to stay dead, do you?

We then saw our targets, Dark Gaara, Dark Yugito Nii, Dark Yagura, Dark Rōshi, Dark Han, Dark Utakata, Dark Fū, Dark Killer B, and Dark Naruto, and they were incredibly furious at us.

Gaara: I always knew we'd run into you nine once again, but this will be the absolute last time.

Dark Gaara: We'll see, now I will kill you all and PROVE MY EXISTENCE!

Chloe Terryington: Go to Hell, you psycho!

Chloe Terryington went up and she grabbed The Demonic Darkness Huntsman Greatsword of Broww, Huntsman of Dark World. Suddenly, Chloe Terryington's green eyes turned neon green and she was surrounded by a black and brown energy aura with darkness, demons, dark magic, brown flames, and arrows, she unholstered her massive Broww, Hunter of Dark World's Demon Sword of Darkness Huntsman Justice, and as she approached the Nine Dark Jinchuriki, she left black and brown energy, darkness, demons, dark magic, brown flames, and arrows and arrows with every step.

Chloe Terryington: You nine Dark Jinchuriki absolutely make me sick, as if what all of you have done in feeding on the hatred that Gaara, Yugito, Yagura, Rōshi, Han, Utakata, Fū, Killer B, and Naruto all felt from the villagers wasn't bad enough, but what you tried to do in tempting them to give in to the darkness and turn against everyone, that's just going too far. Dark Jinchuriki, as the Gene-Slammer and Champion of Broww, Huntsman of Dark World, you are all hereby sentenced to death!

Suddenly, Chloe Terryington was surrounded by a massive vortex of black and brown energy with darkness, brown flames, arrows, and dark magic surrounding it, there are an army of demons and Broww, Hunter of Dark World flying around the vortex, and inside the vortex is a brown phoenix. Then, as the vortex faded, Chloe Terryington emerged, but she was changed forever.

DEMONIC ANGEL OF DEMONIC BROWN FIRESTORM DARK WORLD JUSTICE AND DIVINE DEMON BROWN FIRESTORM DARK WORLD LOVE!

We were amazed by Chloe Terryington's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Nine Dark Jinchuriki saw it, they went mad and they tried to rush at her to kill her, but Chloe Terryington fired nine powerful black and brown energy blasts with darkness, demons, dark magic, brown flames, and arrows, and they hit The Nine Dark Jinchuriki and forced them out of the shrine, and it pissed them off even more, but then, Chloe Terryington got out her bow and fired arrows at them and they got riddled with arrows, but then, they forced them out and it really pissed them off even more now.

Nicholette Torrington: Whoa, Chloe Terryington has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, all of Dark World is about to witness the deaths of the Nine Dark Jinchuriki, and Chloe, you look beautiful, how do you feel?

Lincoln: (Smiles) With pleasure, Chloe.

Chloe Terryington and Lincoln went after the Nine Dark Jinchuriki, who activated their transformations in a fit of rage, and they fired extremely powerful blasts of rainbow energy, black and brown energy, dark magic, crosses, arrows, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at the Nine Dark Jinchuriki and they exploded with incredible power as they hit them. This was major league pissing off the Nine Dark Jinchuriki badly.

Dark Naruto: Don't think that any of you have won, we still got our trump card left to play.

Naruto: Oh crap, and I already know what it is. Guys, brace yourselves!

We all stood our ground, and the Nine Dark Jinchuriki transformed into The Tailed Beasts themselves, and we knew it was going to get ugly. But, Chloe Terryington and Lincoln were just getting started, as Chloe Terryington calls upon the dark forces of Dark World and they fire powerful blasts of darkness at them and blasted them badly, and Lincoln called upon the forces of the night and sent creatures of darkness who tore into them.

Chloe Terryington: (Divine Echoing Cosmic Voice of the Dark World Brown Demon Huntsman and Divine Demon Huntsman Dark World Divine Love) **Damn, they sure are that tough.**

Kurama (Naruto): Yes, but now, yours and Lincoln's chance to end this is about to come, Champion of Broww, Huntsman of Dark World.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Chloe Terryington, her hand-cannon Blaster is known as Broww, Huntsman of Dark World's Demonic Huntsman Darkness Arrowstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with brown flames and arrows on the blaster with a Phoenix, Angel, and Broww, Huntsman of Dark World surrounded by darkness etched on the sides, and a brown gem on the top of the blaster. Lincoln got out his Universal Elemental

Thunderbird hand-cannon Blaster as he and Connie Jackelstein fired blasts of rainbow energy, black and brown energy, and elemental forces at the Nine Dark Jinchuriki and as they hit him, they exploded with incredible power, and really knocked them down.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is for what you've done in tormenting Gaara, Yugito, Yagura, Rōshi, Han, Utakata, Fū, Killer B, and Naruto. OMEGA STYLE NINJA ART: ELEMENTAL PLANETARY TAILED BEAST RASENSHURIKEN!

Lincoln formed a massive black Rasenshuriken with stars and a galaxy inside it, and around it were multiple Rasenshurikens made of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and he threw it at the Nine Dark Jinchuriki, and they exploded with incredible power, and we saw a huge crater formed, and the Nine Dark Tailed Beasts were really weakened, and then, Dark Gaara, Dark Yugito Nii, Dark Yagura, Dark Rōshi, Dark Han, Dark Utakata, Dark Fū, Dark Killer B, and Dark Naruto were forced out of the nine Dark Tailed Beasts.

Nico: Whoa!

Naruto: Incredible, Lincoln's attack just forced Dark Gaara, Dark Yugito Nii, Dark Yagura, Dark Rōshi, Dark Han, Dark Utakata, Dark Fū, Dark Killer B, and Dark Naruto out of their Tailed Beasts, and he'd severed their links to the dark Jinchuriki, but they have yet to make their next move.

But, then we saw the red eyes of the dark versions of Shukaku, Matatabi, Isobu, Son Goku, Kokuō, Saiken, Chōmei, Gyūki, and Kurama become purified and normal: it's as if Lincoln's attack purified the hatred they carried.

Kurama (Naruto): And his attack purified them of the hatred they'd carried. You really are something, Lincoln.

Then, they each looked Lincoln in the eyes.

Kurama (Naruto) 2: What you did in purifying us of the hatred that we harbored… , we don't know how to thank you, Lincoln Loud.

Shukaku 2: I think there's one way to do so.

Just then, we saw the Purified Tailed Beasts turn into spirits and one by one, they enter into Lincoln's body, and he really gained a massive power boost. Suddenly, we saw Lincoln's eleven massive and long white wolf tails gain rainbow marks on them, he has white wolf ears on his head, and his finger and toenails grew into claws.

Eli: Wow!

Me: Just like when I showed you guys that I was the Jinchuriki of Yomi, The Ten-Tailed Wolf.

Naruto: Incredible!

Then, we saw the Nine Dark Jinchuriki get up and they were now incredibly pissed off, but Lincoln fired nine blasts of black energy with the Judgement Kanji, and once they hit their marks, the blasts exploded with incredible power, and Dark Gaara, Dark Yugito Nii, Dark Yagura, Dark Rōshi, Dark Han, Dark Utakata, Dark Fū, Dark Killer B, and Dark Naruto were sent to The Black Gates forever.

Nico: And don't you dare come back, you disgraceful mirror selves!

We cheered wildly as we holster our weapons and powered down and Chloe Terryington's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings are permanent. Then, Lincoln changed back, but then, we saw the ten Truth-Seeking Balls changed into ten colored orbs: representing Shukaku, Matatabi, Isobu, Son Goku, Kokuō, Saiken, Chōmei, Gyūki, and Kurama, which is also a new feature and another really cool upgrade.

Chloe Terryington: That'll teach you nine Dark Jinchuriki a lesson. Thanks for helping me destroy the Nine Dark Jinchuriki for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Chloe.

Suddenly, Chloe Terryington wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Chloe Terryington's face, they kissed passionately as Chloe Terryington's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Broww, Huntsman of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Chloe Terryington came back to us as the display and Broww, Huntsman of Dark World vanished.

Nicholette Torrington: Whoa, guys, now that's what I call one awesome fight against the Nine Dark Jinchuriki, and I love the new upgrades you got, Linky.

Lori: He literally does look even more amazing.

Nico: You said it, Lori.

Lincoln: I really do like the new upgrades I got: the white wolf ears on my head does match my hair perfectly and the rainbow marks on my tails, they're like the purple marks on J.D.'s tails.

Me: I was about to point that out, Lincoln.

Eli: Same here.

Lincoln: Well, that's another Dark World Treasure Hunting Day down, and we got rid of the Nine Dark Jinchuriki for good. (To Sienna Dawson) And it's so good to see you again, Sienna Dawson.

Sienna "Amethyst Cat" Dawson reverted back to normal, and she's a beautiful girl with long flowing purple hair, amethyst eyes, she was tall at 6'5" in height, she had the body of a goddess, she has an amethyst gem embedded on her forehead and massive and beautiful amethyst purple angel wings with stars and sparkling amethyst gems and an aura of sparkling amethyst gems around her and she reigned in the powers of Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat, and she's dressed in a sleeveless sapphire open purple blouse, short-sleeved purple shirt, purple skirt, purple pants, purple legwarmers, purple sneakers, and long white sleeveless trenchcoat with purple flames, amethyst gems, and cats on the coattails and Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat holding an amethyst gem on the back and holstered on her back is a Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat-themed large greatsword with embedded amethyst gem and Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat etched on the 7'0" massive, wide, double-edged sapphire blue blade, large cat heads for the crossguard, large amethyst gem embedded in the rainguard, longer midnight black handle, four large cat heads and a large amethyst gem on the bottom of the large cat heads for the pommel.

Sienna Dawson: You too, Lincoln, it's been a long time, and it's also good to see you again, Amethyst Viola, Caitlyn Gunnison, and Serenity Lexington.

Amethyst Viola, Caitlyn Gunnison, and Serenity Lexington: You too, Sienna.

Lincoln went up to Sienna Dawson and he hugged her, and Sienna Dawson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you

were seventeen, and as you can see, I really grew a lot since then.

Sienna Dawson: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new, and you've really grown so much bigger in muscle, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her, and she also knows Amethyst Viola and Caitlyn Gunnison?

Lincoln: Indeed I do, Nico, this is Sienna "Amethyst Cat" Dawson, she's my Guardian Angel from Kingston, New York, and my classmate in Music. She's also an old friend of Serenity Lexington, Gene-Slammer of Rainbow Overdragon from New York before she moved to Royal Woods, She purposefully Gene-Slammed herself into a Fusion Gene-Slammer of Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat in order to protect Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home.

Nico: Yep, I figured that was coming.

Lincoln: That's right, and as a result of it, she gained amethyst angel wings and became a master of the purple color of the rainbow and even amethyst gems, and like Amethyst Viola, Gene-Slammer of Advanced Crystal Beast Amethyst Cat, she also gained purple fire powers that can freeze bad guys in Amethyst Crystal forever.

Me: That's really awesome.

Lincoln: Yep, and she's easily identified by an amethyst gem embedded on her forehead and her favorite Crystal Beast Duel Monsters are Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat, and she was trained by Amethyst Viola, Gene-Slammer of Advanced Crystal Beast Amethyst Cat and Caitlyn Gunnison, Gene-Slammer of Crystal Beast Amethyst Cat, and she hates those rotten butt-faces from Hazeltucky, Hawk and Hank, and those heartless psychopaths, Pablo and Anderson, with a blazing passion.

Nico: Nice!

Amethyst Viola: It sure is, and she's really become an awesome expert in using the powers of Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat, along with using purple fire and creating amethyst gems, and thanks to all that training, she also gained an aura with sparkling amethyst gems around her and in her amethyst purple angel wings.

Caitlyn Gunnison: Which is also another awesome feature for her, and it also warns her of any incoming dangerous threats.

Jesse Anderson: That's really amazing.

Sienna Dawson: Thanks, Jesse, and there's also something you all should know: you know that I've given myself the task of protecting Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home, and Lincoln's right, I really hate those rotten butt-faces from Hazeltucky, Hawk and Hank, and those heartless psychopaths, Pablo and Anderson, with a blazing passion, and I hate them so much, I almost got that close to freezing them in amethyst crystal forever.

Nico: Whoa! That's brutal!

Lincoln: I still remembered that day all too well, and you're not going to like hearing about that later on today, Nico.

Sienna Dawson: Yeah, what those four tried to do just shows they're heartless, butt-faced assholes. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Sienna, are you absolutely sure about this?

Sienna Dawson: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Sienna Dawson, and he saw that she's really serious, and he smiled as he walks over to Sienna Dawson, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sienna Dawson's neck with amethyst gems on the gold lightning bolts and amethyst crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Sienna Dawson: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sienna.

Sienna Dawson has a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Sienna Dawson's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Touka Miyashita and Nagi Kirima from Boogiepop and Others.

Lincoln: Oh wow, it's Touka Miyashita and Nagi Kirima from Boogiepop and Others.

Nicole: Awesome.

Lincoln: Are you girls okay?

Touka Miyashita: Yes, we're okay, thanks to you.

Then, when Touka Miyashita and Nagi Kirima saw who it was that saved them from the Nine Dark Jinchuriki, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin,

Touka Miyashita: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Touka Miyashita: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Touka Miyashita and Nagi Kirima with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Chloe Terryington had gotten The Demonic Darkness Huntsman Greatsword of Broww, Huntsman of Dark World, and they were shocked when they found out that the villains we went after were the Nine Dark Jinchuriki: Dark Gaara, Dark Yugito Nii, Dark Yagura, Dark Rōshi, Dark Han, Dark Utakata, Dark Fū, Dark Killer B, and Dark Naruto, who've come back from the dead and they want revenge on us for destroying them long ago.

But, when Lincoln showed what happened such as Chloe Terryington transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and she, Lincoln, the Jinchuriki and Tailed Beasts, and all of us laying a brutal beatdown on them, along with what Lincoln did in purifying the Dark Jinchurikis' Tailed Beasts and severed them from their Dark Jinchuriki and banishing the Dark Jinchuriki to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Sienna Dawson have a lot of catching up to do, now that she's back in town.

Maria: Holy crap, I didn't expect the Nine Dark Jinchuriki to show up, that was wild.

Lincoln: It sure is, Maria, but now, we're rid of them for good.

William: Plus, Lincoln, I really like your new look: the white wolf ears on his head, rainbow marks on your eleven massive and long white wolf tails, and the circle of ten multi-colored orbs orbiting behind your back, that's really awesome.

Maria: You got that right, babe.

Girl Jordan: And we really like that new upgraded look our man has.

---

After finally getting rid of The Nine Dark Jinchuriki and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 30,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sienna Dawson saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 30,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sienna Dawson: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 30,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sienna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sienna Dawson: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Sienna, what's the story you had on almost freezing Hawk, Hank, Pablo, and Anderson forever in Amethyst crystal.

Sienna Dawson: You're not going to like hearing it one bit. One day, Lincoln and I were heading back home after another day in class. But, then, we heard the sounds of angry bellows, and we knew who it was that made those angry bellows: it was those butt-faces from Hazeltucky, Hawk and Hank, and those two heartless psychopaths, Pablo and Anderson, and they were really really pissed off, and they were inside a car they hi-jacked and they were trying to run us over and kill us. I was so pissed off big time, I literally lost it and caused a massive cluster of amethyst crystal and gems to erupt from nowhere and it literally tore the tires off and shredded the car, and that caused Hawk, Hank, Pablo, and Anderson to abandon the car, and that got them so pissed, they got the parts of the car and they were going to beat us to death, but Lincoln fired powerful blasts of lightning and electrocuted those butt-face assholes so badly, they went flying into a wall and were knocked out. I wanted to freeze them forever in amethyst crystal, but Lincoln stopped me and I saw into his eyes that he wanted them put away in jail, so instead, I put amethyst crystal handcuffs on them and called the cops. Then, they arrived, along with J.D. who grabbed Hawk and Hank and threw them back in the police car and drove off and Lincoln and I literally kicked Pablo and Anderson into the other car and it drove off. Here's the video to show it.

We then saw the video and it matched what Sienna Dawson told us: she literally lost it and caused a massive cluster of amethyst crystal and gems to erupt from nowhere and it literally tore the tires off and shredded the car, and that caused Hawk, Hank, Pablo, and Anderson to abandon the car, and that got them so pissed, they got parts of the car and they were going to beat them to death, but Lincoln fired powerful blasts of lightning and electrocuted those butt-face assholes so badly, they went flying into a wall and were knocked out, she wanted to freeze them forever in amethyst crystal, but Lincoln stopped me and I saw into his eyes that he wanted them put in jail, so instead, she put amethyst crystal handcuffs on them and called the cops. Then, they arrived and I did as well, and I grabbed Hawk and Hank and threw them back in the police car and drove off and Lincoln and Sienna literally kicked Pablo and Anderson into the other car and it drove off.

When the video finished, everyone was pissed off at those assholes.

Nico: Why, those butt-faced heartless psychos! They really went too far that day!

Me: They sure did, and Sienna wanted them frozen in amethyst crystal forever, but Lincoln stopped her from doing so and she saw it in his eyes that he'd rather have them put in jail forever. But, that didn't deter Hawk and Hank, because Abigail Sanchez busted them out to carry out her plan to cause Dark Eddy to emerge and try to bring back The 20 Days of Darkness, but Nico put his curse in place and Audrey Sauron's ring were not only keeping him in check, but Dark Eddy's also suffering from the beatings the kids gave him.

Lincoln: Yep, her plan had failed, and she, Hawk, and Hank were given the King Midas' Golden Touch Vengeance Curse, and are now frozen forever as gold statues and are back in prison forever, and we are also humiliating Pablo and Anderson, along with Flip, Lewis Travolta, Bubble Bass, Icky Vicky, Amy, Trina Riffins, and Billy McLean forever.

Sienna Dawson: Good, those two butt-faces were scum, and so was that bitch, Abby Sanchez.

Lincoln: What she did to Luan, that was just going too far, and it's because of her, we suffered from Dark Luan's lethal pranks, so this all began with her.

Lori: And it literally ended with Dark Luan and the other Dark Louds getting The Black Gates and Abby Sanchez getting turned into a gold statue, along with Hawk and Hank.

Luna: You got that right, sis.

We got a shower afterwards, and then, Lincoln and his harem are heading to Cala Goloritzé, one of Italy's most famous beaches, located at the base of a ravine on Sardinia's picturesque northeastern coast, and joining them are Keith and Mira Clay.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim trunks with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim trunks, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Keith was in a pair of red swim shorts and sandals and Mira was in a white and brown two-piece bikini and sandals, and they had their weapons holstered, and they all had a good reason: because, before they left, Lincoln and the others sensed a dark presence, and it was none other than Jin Kariya, the leader of the Bounts and he still wants to get revenge on The Soul Society, but Lincoln and Lilith Exedra, along with Apollonia Apollonir, Aethra Oberus, Ashley Clayf, Alina Lion, and Beverly Frosch, and Apollonir, Oberus, Clayf, Lars Lion, Frosch, and Exedra are going to destroy him for good.

Lilith Exedra: Wow, we're here in Cala Goloritzé, one of Italy's most famous beaches.

Lincoln: I've always wanted to come here, and it's perfect for our date.

Keith (Voltron: Legendary Defender): You got that right, Lincoln.

Lincoln: Plus, I'm glad you and Mira hooked up, and your brother was really happy, Mira.

Mira: He sure was, Lincoln, and he did warn Keith if anything bad happened to me, he was going to teach him a painful lesson.

Daria Kuso: From what Dan told me, your brother doesn't mess around especially if you get hurt. Plus, I can't believe that Jin Kariya, the leader of the Bounts is here, and he still wants revenge on The Soul Society.

Lincoln: Too bad for him, this'll be his last day alive. Let's have some fun before we get after him.

Lincoln, his harem, Keith (Voltron: Legendary Defender), and Mira dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they met the sea life that live there, and they went back to the beach and they had a game of volleyball, and the girls got a massive and extreme deep atomic red blush on their faces when they saw the boys lift up two 900,000,000,000,000-lb barbells Lincoln summoned. But, their day of fun was about to get a bit of an interruption.

?: You fools will never stop me from destroying The Soul Society!

Suddenly, the nine large multi-colored orbs orbiting around Lincoln's legs and the ring of ten multi-colored orbs orbiting around his massive, wider, and muscular back were glowing, and that meant big trouble.

Lincoln: And just the voice we were waiting to hear. You can come out now, Jin Kariya.

A figure came out, and it's none other than Jin Kariya, leader of The Bounts. Then, The Soul Society also came out.

Rukia Kuchiki: Jin Kariya, I should've known you'd show up.

Jin Kariya: Nothing will stop me from destroying the Soul Society, and I will destroy all of mankind!

Lilith Exedra: That's never going to happen, Jin Kariya, and now, we'll see to it that you are destroyed here and now.

Suddenly, Lilith Exedra's light purple eyes turned neon light purple and she was surrounded by a black and purple energy aura with darkness, dark magic, dark energy, and hydras, she unholstered her massive Exedra-themed greatsword from her back, and as she approached Jin Kariya, she left black and purple energy, darkness, darkness, dark magic, dark energy, and hydras with every step.

Lilith Exedra: Your crimes are far beyond forgivable, Jin Kariya, what you've done in trying to destroy The Soul Society and mankind and all for your own hatred just proves that you are nothing more than an irredeemable soul, and for that, there's only one punishment for you: death, and we'll make sure you never rise from the dead ever again.

Suddenly, Lilith Exedra was surrounded by a massive vortex of black and purple energy aura with darkness, dark magic, and dark energy surrounding it, there are hydras and the Legendary Darkus Soldier and Most Powerful of The Legendary Soldiers, Exedra, flying around the vortex, and in the vortex is a purple vortex with red eyes glaring at Jin Kariya: the eyes of death. Then, as the vortex faded, Lilith Exedra emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lilith Exedra, Lincoln, Apollonia Apollonir, Aethra Oberus, Ashley Clayf, Alina Lion, Beverly Frosch, Apollonir, Oberus, Clayf, Lars Lion, Frosch, and Exedra went after Jin Kariya, who tried to attack them with Messer, but they dodged his attack, and they fired extremely powerful blasts of rainbow energy, red energy, green energy, brown and orange energy, white and gold energy, aqua blue energy, black and purple energy, leaves, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Butterflies, Succubi, Incubi, Hydras, and Mermaids at Jin Kariya,

and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was really pissing off Jin Kariya badly, but Lilith Exedra, Lincoln, Apollonia Apollonir, Aethra Oberus, Ashley Clayf, Alina Lion, Beverly Frosch, Apollonir, Oberus, Clayf, Lars Lion, Frosch, and Exedra were just getting started.

Apollonir: Let's use our combos on him.

Apollonia Apollonir: (Divine Echoing Cosmic Voice of The Crimson Pyrus Firestorm Draconic Angel and Divine Crimson Pyrus Firestorm Love) Right!

Apollonir and Apollonia Apollonir: MAXIMUM PYRUS FIRESTORM BLAST!

Apollonir and Apollonia Apollonir fired powerful blasts of fire at Jin Kariya and he got burned badly.

Lars Lion and Alina Lion: HAOS SAGITTARIUS ARROW STORM!

Lars Lion and Alina Lion fired powerful blasts of light that transformed into arrows of light that attack Jin Kariya and he was pierced badly by the arrows of light.

Frosch and Beverly Frosch: AQUOS CYCLONE MAELSTROM FURY!

Frosch and Beverly Frosch fired powerful blasts of water that transformed into a cyclone of water and it hit Jin Kariya and he was drenched.

Clayf and Ashley Clayf: SUBTERRA SEISMIC EARTHQUAKE FURY BLAST!

Clayf and Ashley Clayf fired powerful blasts of earth and they really pulverized Jin Kariya with blasts of earth and boulders.

Oberus and Aethra Oberus: VENTUS TURMOIL BLAST FORCE FURY!

Oberus and Aethra Oberus fired blasts of hurricane-force winds at Jin Kariya and he was blown all over the place and the wind gusts also left scars on him.

Exedra and Lilith Exedra: DARKUS NEBULOUS WIZARD MEGABLAST!

Exedra and Lilith Exedra fired powerful blasts of dark fire and darkness at Jin Kariya and he also got burned badly by the dark fires and darkness blasts.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Whoa, now that's really incredible. Now, it's my turn. SIX ATTRIBUTE MEGABLAST FURY!

The symbols of Pyrus, Haos, Aquos, Subterra, Ventus, and Darkus appeared behind Lincoln in a circle and they fired six energy blasts with the corresponding colors and elemental attributes: Red Energy and Fire for Pyrus, Gold Energy and Light for Haos, Aqua Blue Energy and Water for Aquos, Brown and Orange Energy and Earth for Subterra, Green Energy and Winds for Ventus, and Black and Purple Energy and Darkness for Darkus, and they all hit Jin Kariya and they exploded with incredible power as they hit him.

Mira: Now, that was incredible.

Rukia Kuchiki: And we also made sure to film the fight to show everyone later.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Lilith Exedra, her hand-cannon Blaster is known as Exedra's Darkus Dark Magic Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with purple flames on the blaster with a Phoenix, Angel, and Exedra and the Darkus Symbol surrounded by darkness etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Lilith Exedra fired blasts of rainbow energy, black and purple energy, and elemental forces at Jin Kariya and as they hit him they exploded with incredible power, and Lincoln turned the tip of one of his eleven massive and long white wolf tails into Cell's stinger and as he stabbed it into Jin Kariya's chest, he screamed in agonizing pain as Lincoln began absorbed him and he assimilated his immense power and abilities. Then, as they holstered their hand-cannons and the stinger changed back, Jin Kariya's spirit appeared from a blast of light fired from Lincoln's massive greatsword, and Lincoln fired a black Negative Karma Ball with the Judgement Kanji in it and it hits Jin Kariya's spirit, and he was sent to The Black Gates forever. Everyone cheered wildly for what Lilith Exedra and Lincoln did to Jin Kariya as they holstered their massive greatswords on their backs and powered down, and Lilith Exedra's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Lilith Exedra: That'll teach you, you heartless monster. Thanks for helping me and all of us destroy Jin Kariya, Linky.

Lincoln: (Smiles Warmly) You're welcome, Lilith.

Suddenly, Lilith Exedra wrapped her arms around Lincoln's massive, wider, and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lilith Exedra's face, they kissed passionately as Lilith Exedra's left arm was still wrapped around Lincoln's massive, wider, and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, and Exedra flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness and dark flames behind them and everyone cheered wildly. Lincoln and Lilith Exedra came back as the display and Exedra vanished.

Mira: Now, that's what I call an amazing fight, Jin Kariya had no chance against all of you.

Apollonir: It's been some time since last we fought against an evil opponent, but we made sure Jin Kariya paid for his crimes.

Apollonia Apollonir: Indeed, and now, first thing tomorrow, it'll be the turn of The Bakugan Battle Slammers.

Lincoln: Yeah.

Daria Kuso: This is going to be an awesome fight tomorrow, plus, tomorrow's the fight against Team Loud Evil Storm.

Girl Jordan: You got that right.

Lincoln: Yeah, we're going to make that heartless snake, Evil Nico, pay for what he's done, along with Evil William, Evil Maria, and Evil Danny.

Ronnie Anne: You got that right.

Then, after Jin Kariya was dealt with, Lincoln, his harem, Mira, and Keith (Voltron: Legendary Defender) had some lunch, and then, as the sun was about to set, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive left pecs of Lincoln and his clones, and Keith (Voltron: Legendary Defender) went up to Mira and he hugged her in his arms, then as the sun turned orange, they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs, and Keith (Voltron: Legendary Defender) had lipstick marks on his face.

Nico: Hey, gang, how was your date?

Lincoln: It was awesome, Nico, we went to Cala Goloritzé, one of Italy's most famous beaches.

Lilith Exedra: That's right, and we had an amazing time, but then, Jin Kariya showed up to cause havoc.

Me: We should've guessed it.

Rukia Kuchiki: And we also got the video of it.

Rukia Kuchiki showed us the video of the fight, and it was really awesome, and it ended with Lincoln using Cell's absorption on him, and sending his soul to The Black Gates forever.

Eli: Wow, and the combos you girls did with the Legendary Bakugan was really awesome.

Apollonia Apollonir: Thanks, Eli.

Nico: And that attack you did, Lincoln, now that was really explosive.

Me: You got that right.

Lincoln: Yeah, they first did their individual elemental combos, and I finished it with using a technique based on the Six Elemental Attributes and really gave Jin Kariya a vicious beating.

Nico: Nice. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Serenity Lexington: I think I have just the Gene-Slammer for Linky's tomorrow for Day 6 of The Dark World Treasure Hunt: the Fusion Gene-Slammer for Rainbow Dragon and Rainbow Dark Dragon.

Lincoln: And there's only one person that we know who'd be Gene-Slammed into the Fusion Gene-Slammer for Rainbow Dragon and Rainbow Dark Dragon: Amara Thatcher.

Nico: Ooh, a Gene-Slammer for Rainbow Dragon, the dragon of light, and Rainbow Dark Dragon, the dragon of darkness, now that's an awesome combo.

Lincoln: You got that right, plus, you know what tomorrow is, right?

Nico: Yeah, the fight against Team Loud Evil Storm, and Evil Nico's going to pay for everything he's done.

Me: You got that right.

Lincoln: What he's done can never be forgiven, he deserves every single ounce of pain and fury that we're going to unleash on him. Better start praying, Evil Nico, 'cause we're coming for you, and your days of death and destruction will be brought to an end forever.

Nico: What you've done in your universe can never be forgiven, you pathetic excuse for a warrior.

Me: He's much more than that, Nico, he's a heartless cold-blooded snake who doesn't give a damn about anyone and craves only death and destruction. But, now, he's going to pay for all of his crimes in blood, steel, and fire.

Nico, Lincoln, and Everyone: The fires and light of Team Loud Phoenix Storm will forever incinerate the demonic fires of Team Loud Evil Storm and cleanse Universe 666 Earth of their crimes and purge their shadow from the land!

---

Later it was time for Matt's final ambassador mission.

William: Anyone else want to go with Matt? Besides all the Constructicons, Dante, and Haruto?

Lincoln: Me and my siblings will go too.

Me: Awesome.

Lana: You guys will love Ty and his friends.

Qin: They are so cool.

Lola: We can't wait.

Nico: Are we all set?

We nodded.

Nico: Lets roll.

I went and got into the Elephandor Zoid this time and we were off.

---

We arrived in the world of DinoTrux.

Nico: Here we are.

Lola: Wow!

Lori: Literally amazing.

Me: It sure is cool.

Ty and friends saw us.

Ty Rux: Hey guys!

Skya: Awesome of you all to come.

Matt: Ty, these are Dante Vale and Haruto Soma.

Ty Rux: Wow! The leader of the Huntik team and the leader of the Wizard Kamen Riders. An honor.

Haruto: Same to you Ty.

Dante Vale: And it's great to be here.

Me: And these are Lana's siblings the Loud's.

Lincoln: Awesome to meet you guys.

They introduced themselves.

Ton Ton: Awesome! That's a lot of kids in your family Lana.

Lana: Yeah we are big aren't we.

Me: Yeah and their mom and dad all thought it was cute if their names all started with the letter L.

Nico: Yeah.

Me: (Whispers to Ty) Also their family has never been one that uses condoms.

Ty snickered.

Ty: And looks like all the Constructions are with you guys.

Scrapper: Yep. We brought the whole team with us this time.

Bonecrusher: It's gonna be awesome.

Skya: Wow! I'll say. So Devastator has 6 Transformers that merge into one?

Scavenger: You guessed it.

Lola: It's so awesome.

Lily: We all think so.

Garby: I think it's really awesome. You guys will be awesome for helping us take on the Dreadtrux.

Me: I guess he is causing problems for you guys now?

Garby: You got that right.

LOUD FART TOOT!

Garby: Whoops! Sorry.

Me: Garby is funny and he is also REALLY gassy.

Garby: Yeah sorry about that.

Dozer: But it's cool.

Ty Rux: This one is actually a male. And unlike the one who helped us against D Structs and D Stroy, this one isn't friendly.

Me: Then this one will be destroyed and recruited into the M.O.E.

Qin: Yeah.

Lana: Awesome!

Me: Oh Ty got something for ya.

I gave him his own Legend Items.

Me: Your own Legend Items. In the future your archenemy is going to be Demolishor from the Live Action Universe.

Ty Rux: Awesome! Looking forward to seeing what he can do.

Lola: You'll love it.

Starlight Glimmer: This will be interesting to see what he is capable of too.

Ty Rux: I heard about the battle you're going into. You sure you don't want our help?

Nico: Ty, this is us against less than 10 villains. Maybe even more less if we're lucky.

Me: We've always been lucky against the odds. Besides we've had some outside help take down over 524,000 of them before we found out about them.

Qin: But thanks for your concern.

Ty Rux: Anytime.

Garby: Boy I heard that it's evil versions of you guys.

Me: Yeah I got a really horrible nightmare about them and we were warned about them.

Laney: But we've been preparing for them.

Me: They live on a wartorn Earth located over 34 billion lightyears away from Earth and we're going to make sure they all pay for their crimes.

Lily: We call it Universe 666.

Me: Sounds satanic I know but it fits.

Scrapper: Also, what do you think of this drawing we made?

Scrapper showed Ty a picture of a horse titled "Doofus McGoof Business Horse".

Ty Rux: (LAUGHS) That's funny!

Qin: That's a good drawing he made.

Me: Even if his version of Megatron didn't like it, I thought it was pretty cool.

Nico: Same here.

Me: Pretty fitting title for D-Structs.

We laughed.

Ty Rux: We might as well bring out the heavy artillery against the Dreadtrux.

Mixmaster: What do you mean by that?

Ty Rux: I'm talking about me and my friends getting Supercharged.

Me: Now this I got to see.

Qin: This will be cool.

Garby: Just as long as I don't do…

LOUD FART TOOT!

Dozer: (COUGHS)

Nico: That?

Garby: Yeah.

Ty Rux: But we'll do that the minute we see the Dreadtrux.

Me: Okay.

Eli: Wait I sense something. Something big.

Nico: Dreadtrux?

Eli: Yeah. He's coming at us 60 klicks and closing from the south.

Nico: Perfect.

Garby: Lets Trux it up!

LOUD BELCH!

Me: Scuse you!

Garby: Sorry! Little gassy there.

We laughed!

Ty Rux: Time to get… supercharged!

They then activated their Supercharge power!

Qin: WHOA!

They were glowing!

Lola: Awesome!

Me: Wow! That is awesome power.

Nico: Yeah!

Eli: Awesome!

We heard a roar and out came THE DREADTRUX!

---

Dreadtruxes are Dinotrux who are half Dreadnoughtus and half bucket-wheel excavator. They are accordingly a massive Dinotrux larger than any other species ever seen. They hibernate for hundreds of years and wake up only to feed.

Big Dread is a Dreadtrux - half Dreadnoughtus and half bucket-wheel excavator.

Lil'Dread is a young Dreadtrux - half Dreadnoughtus and half bucket-wheel excavator - who befriended Ton-Ton.

---

We were shocked to see one!

Qin: WHOA!

Me: Wow!

Nico: It's huge!

Me: Good thing I am piloting the Elephandor this time.

Nico: Yeah.

Scrapper: Constructicons, merge into Devestator!

They did so and formed into CONSTUCTICON DEVASTATOR!

Qin: YEAH!

Ty Rux: Wow! Devastator is huge!

Me: He sure is.

Nico: Yep.

Lola: This is gonna be awesome!

Matt: Yeah it sure is.

Me: Lets get him guys!

Elephandor Roared!

Haruto: Henshin!

He transformed and was ready!

Me: YEAH!

Elyon: Oh yeah!

Me: Chew on these!

The Elephandor fired laser blasts and blasted the Dreadtrux all over.

KRABBBBBBOOOOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMM!

Nico: Oh yeah!

Lola: Take this!

She fired waves of fire and blasted him all over.

Lily and Lisa fired Water and Gear blasts and smashed him all over.

Nico: Dante, we could use some Titan action!

Dante Vale: Coming at ya!

He summoned UMBRA!

Dante and Umbra fired waves of darkness and lightning and blasted Dreadtrux all over.

Ty Rux: Lets do this!

He used Live Action Demolishor's Wizard Ring and picked up a massive boulder and threw it and smashed Dreadtrux all over with it!

KRASMASH!

Nico: WOW! That was strong!

Me: I'll say!

Lincoln and Lynn fired waves of lava and lightning and smashed him all over.

Dante Vale: (gets out Whiger's Wizard Ring) Don't leave me out of the fun.

Me: Wouldn't dream of it Dante.

Dante activated his ring for Whiger and fired a Tiger Magic Blast and it hit Dreadtrux and smashed him all over.

Me: YEAH! Here's a bunch of tricks courtesy of Hoss Delgado.

I fired machine guns first and blasted Dreadtrux all over.

Lola: YEAH!

Me: Taste Shuriken!

I fired razor ninja stars and slashed him all over the place.

Me: Grenade launchers!

I fired grenades and they hit Dreadtrux and exploded all over!

---

Lana: To quote Billy, 15 Points!

We laughed!

Haruto: (Gets out Terminator 1984's Wizard Ring) To quote a friend of mine, Hasta La Vista, Baby!

He activated it and fired bullets all over the Dreadtrux.

Nico: YEAH!

Qin: Good one!

Me: Taste cannons!

I fired cannonballs and they hit Dreadtrux all over with incredible force!

Qin: And now for the Piece de Resistance! (Activates Captain Cold's Wizard Ring) She fired waves of ice and froze him in place.

Me: YEAH!

Devestator: Devestator will crush Dreadtrux!

Me: Go for it!

He punched and smashed him all over the place!

Qin: YEAH!

Nico: GET HIM!

Eli: OH YEAH!

Nico: Finish him J.D.!

Me: With pleasure. Stand back guys! This particle cannon has a massive punch.

I fired a powerful particle cannon blast and it hit the Dreadtrux and hit him and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blown into millions of pieces!

Me: OH YEAH!

Nico: That did it!

Lincoln: That was awesome!

Lisa Loud: That was a most impressive victory.

Nico: That supercharged mode of yours sure is powerful.

Me: Boy I'll say!

Ty Rux: Yeah it sure is!

Garby: But it always gets the job done.

LOUD FART TOOT!

Me: Especially with that!

We laughed!

Lana: Awesome!

Garby: I'm so sorry about that.

Elyon: But that was cool though.

Haruto: It sure was.

Ty Rux: Matt, ever since I first met you, I've seen you as a little brother.

Matt: Really? Oh Ty thanks.

He hugged him.

Garby: (Weeping) I promised myself I wouldn't cry. (CRYING)

LOUD FART TOOT!

Me: Whoops!

Laney: Crying and farting how funny.

Lana: Yeah.

Will Vandom: Looks like we're soon to be inlaws.

Ty Rux: We just might be Will.

Lola: Awesome.

---

We later came back.

Maria: How did it go guys?

Me: It was really awesome!

Qin: Yep.

We told everyone about it and it was awesome1

Varie: Wow! That was awesome!

Laney: It was one of the most awesome ever!

Lola: Yeah!

Me: Now we can take a small break.

Maria: So, all we can do now is wait?

Me: Yep.

Camie: Yep. We go into battle tomorrow.

May: Ellie, for your first mission, Yusei and 1 Rabbid should go with you.

Ellie Singh: I'm really excited for this one!

Me: Yeah me too! I hope we face many Beybladers at once. Also Tahu and Tyson will go with.

Tahu: It'll be good to give Gingka some pointers.

Me: From veterans to champions too.

Qin: Good idea.

Lola: Yep.

Elie Glory: I'll go with too.

Me: Awesome idea Elie.

---

Later I called in Drakus and the X-Squad and SIREN in.

Drakus: So, what's up everyone?

Poromon: (shows Trailer to the X-Squad and SIREN) LOOK AT IT!

Live Action Long Haul: (sighs) I knew you guys wouldn't drop it so easily.

Me: Eustace?

Eustace: Hey mascots?

Poromon: Yes?

They saw Eustace and then he pulled out his ugly mask.

Eustace: OOOGA BOOGA BOOGA!

Mascots: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHH

The mascots got the doody scared out of them!

Eustace: (LAUGHS)

KRABONK!

Francesca and Muriel hit him on the head with a rolling pin!

Eustace: OW! What did I do!?

Kanade Otonokoji (X-Squad Universe): You saw the trailer for Blood and Honey, didn't you?

Live Action Overload: You saw it as well?

Kiko: Long before you did.

Me: Yeah it was crazy.

Brushogun: But rest assured, the only thing we're doing about it is not watching the movie when it comes out.

Me: That's for sure.

Drakus: Look, I get it, Pooh and Piglet went sicko mode in this. But, to me, the director is showing Pooh and Piglet in a sort of relatable light.

Poromon: How?!

Drakus: Coping with loss, insanity, abandonment issues, the need to live to see another day. You name it.

Manaphy: Oh, I get it.

Tentacool: That is true.

Horsea: That's kinda reasonable.

Jirachi: Yeah

Poliwhirl: I swear if there's more horror movies like this coming out, I will say called it.

Hibiki Otonokoji (X-Squad Universe): Erm, look up Mean One, or Bambi Reckoning.

Poromon and the Mascots look it up, and then are shocked.

Poliwhirl: Called it.

Poromon: The GRINCH gets a horror movie?! And it's a knockoff?!

Drakus: Blame the legal system.

Manaphy: Bambi goes on the warpath?!

Kiko: Yep, that's gonna be.

Tentacool: We're gonna watch these, are we?

Drakus: Yep, when Blood and Honey comes out, we're gonna watch it, and you are forced to watch it. Because say what you will, Pooh is gonna be up there with Angela Barker, Michael Myers and Jason Voorhees.

Nico: Drakus no one is watching those movies, period. That's an order.

Drakus: Fine.

Me: But at least we have 2 more movies added to the 25 movies we'll NEVER watch.

Poromon: Whew.

Later we were watching TV.

Me: The calm before the storm.

Xenia: Yep.

Good Crocker: My advice is get enough free time as you can. No telling what's gonna happen tomorrow.

Me: Good idea.

Nico: Yeah.

Me: Hard to imagine that we're going so far away from home to the very distant edge of the universe to destroy one of our most evil enemies.

But then we heard loud crashing and sounds of brutal fighting.

Mandy: I'LL KILL YOU!

Billy: I'M SORRY MANDY!

Me: Uh oh!

We went to Billy and Mandy's rooms.

Good Evolt: Geez, at this rate, you guys will kill each other before Team Loud Evil Storm gets the chance.

We saw Billy and Mandy in a brutal fight cloud!

Eli: Oh boy! I got this.

Eli went over and grabbed them.

Eli: Pardon me you two but I must discipline the nanny goats!

BLAM!

He bashed their heads together!

Me: All right you guys what's going on now!?

Billy: It wasn't my fault!

Mandy: Billy farted in my face.

Billy: I was playing video games and got caught up in the fun and I have gas and ripped one in Mandy's face!

Me: Billy! I know you did some stupid things in the past but that's gross.

Nico: And no, it wasn't your shoe. We've heard it before.

Lori: That's literally usually my thing Nico.

Nico: Sorry force of habit.

Me: Yeah and we heard it 412,432,422 times.

Dexter did some math and determined that over the last 6 and a half years we heard that.

Dexter: He's right.

Nico: Nice keeping track.

Me: Thanks. Also this wasn't Billy's shoes.

Billy: Yeah I have really bad gas.

LOUD FART!

Me: Geez. First Garby and now Billy.

Lola: Yeah.

Me: Now Mandy, you know Billy has a really nasty gas problem even though you don't have a nose right?

Mandy: Yeah.

Me: Now Billy what do you say to Mandy?

Billy: I'm sorry.

Mandy: It's all right.

May: Nico, which teams have you made this time?

Nico: Syd's team will include Virgo, Lime, Po, Mantis, and Monkey. Becca's team will include Elizabeth Swann, Bulla, Valese, ChiChi, and Jade Chan.

Gohan: Awesome my friend Lime is in a team.

Me: That's cool Gohan. And Master Vegeta you must be proud to have Bulla in a team.

Vegeta: I sure am.

Me: Also Master Goku it'll be great to have Ms. ChiChi in a team too.

Goku: It sure is awesome.

Me: And Goten you must be excited to have your girlfriend in a team too.

Goten: You bet I am.

Me: And Jackie you must be happy for Jade.

Jackie Chan: I sure am.

Nico: Poromon, where are you 4 going?

Poromon: Last day before the battle. Last chance to do this. Me, Poliwag, Manaphy, and Horsea are going to Moe's Tavern to participate in a drinking contest.

Nico: What!?

Me: Uh oh.

Lola: Oh boy.

Jamesdean5842: (SIGHS) I knew this was going to happen.

Lori: Let's literally forget about the drunk antics. How about I tell you guys how Leni got her license?

Nico: Sure Lori.

Me: That's an even better idea.

Sweetie Belle: It sure is.

Me: I remember that one. It was back when I was helping Lincoln with some of Lori's chores.

Lori: Back then I gave rides to everyone because I was too lazy to do anything.

---

**Lincoln:** "Come on, Lori! This is a lot of laundry! I don't think it's worth it."

*[Lincoln is carrying a huge load of Lori's laundry and Lori is holding the keys to the family van.]*

**Lori:** "Do you want a ride to the comic book store or not?"

**Lincoln:** *[sighs]* "Fine." *[prepares to leave but Lori stops him.]*

**Lori:** "Whoa whoa whoa! Where are you going? Those are just my jeggings. Let me get the rest." *[tosses remainders into pile]* "Wore that yesterday… wore that Tuesday… whoops! That definitely needs to be washed!"

*[the pile falls on top of Lincoln and he pulls it off; insert an image of Lori's driver's license.]*

**Lincoln:** *[to the viewers]* "Lori's the only Loud kid with a driver's license. Which means that, in this house…" *[gets one of Lori's socks tossed on his face]* "… there's no such thing as a free ride."

Me and Varie came in.

Me: Hey guys.

Lori: Oh hey J.D. Hey Varie.

Varie: What's going on?

Lori: I'm going to take Lincoln to the comic book store after he helps me with my laundry.

Me: Boy Lori sure has a lot of clothes to wash.

Lori: I sure do.

*[enter Lisa with a piece of paper.]*

**Lisa:** "In exchange for transporting me to the planetarium, I've done your calculus homework. Next time, I would appreciate a challenge."

I sensed Lucy.

*[Lucy appears out of nowhere and scares everyone, making Lincoln lose the load.]*

I helped Lincoln with his load.

**Lucy:** "Thanks for the ride to the cemetery. I finished your poem for your ten week anniversary. It's called "Bobby"."

**Lori:** "Let's hear it."

**Lucy:** *[clears throat]* " **Bobby, I thought you were a stalker / When you left brownies in my locker / Bobby-** "

*[Enter Lana interrupting Lucy's poem.]*

**Lana:** "Hey, big sis!" *[holding Lori's retainer]* "I found your missing retainer in the garbage, and there was some perfectly good gum stuck to it!" *[blows a bubble showing she's been chewing it.]*

**Lori:** "So, where do *you* need a ride to?"

**Lana:** "Ride? I just like digging in the trash."

**Lori:** *[content with their services; picks up her homework, poem, and retainer in order.]* "Thank you, thank you, and thank… *ew!* See, Lincoln?" *[Holds her sisters]* "These guys respect our arrangement. Oh, and here are my dirty gym clothes, too." *[piles it on the laundry pile, stacking it up high. Lincoln smells the horrible stench and a foghorn sound effect plays to accompany it.]* "And don't forget, I like the lavender scented dryer sheets." *[closes door]*

Me: Got it.

Varie: We'll help out Lincoln.

*[Lincoln heads off to the laundry room; at the same time, Leni is coming in with a hammer, nails, and boards; they bump into each other and make a mess.]*

**Lincoln:** *[with Leni's shades on his face]* "Sorry, Leni!" *[Leni's hammer drops on his foot]* "Yeowch!" *[groans in pain]* "What are you doing with all this stuff?"

Me: Jeez what do you need all the wood and tools for?

**Leni:** "I need a ride to the mall, so Lori told me to make her bed, which is weird, cause I'm pretty sure she already has one."

Me: I don't think that's what Lori had in mind.

**Lincoln:** "Wait. Why are *you* doing chores for Lori? Aren't you old enough to drive *yourself* to the mall?"

**Leni:** "Yeah, but I failed the driving test 12 times. Everyone's given up on teaching me. Dad's still mad about the Fire Hydrant Paperboy Nun Incident."

*[Flashback to said incident; Leni had crashed Vanzilla into a tree and set a fire hydrant to spring a leak with a nun screaming at the*

*top of her lungs in a panic and a paper boy is hanging by a branch.]*

**Flashback Leni:** "Should I leave a note?"

*[Lynn Sr. is riding shotgun with his face covered with an airbag and sobbing over his daughter's failure. Back to the present.]*

Me: Geez!

Varie: That is crazy!

**Lincoln:** "What if *I* teach you to drive?"

**Leni:** *[excited]* "Wow! You have your license?"

**Lincoln:** "Well, no, but I *do* have a crazy high score on… **Total Turbo XXII**, the world's awesomest racing video game!"

**Leni:** *[eager]* "FUN!" *[worried]* "Wait. Are there nuns in it?"

**Lincoln:** " *Nun* that I know of!" *[chuckles; turns to viewers]* "If I can help Leni get her license, she'll drive us anywhere! And Lori will have to wash her own jeggings."

---

Today, Laney was doing something completely different. She was in kitchen washing dishes. She placed all the clean plates and bowls in nice stacks. And while she was placing the last stack of plates she was jumped by sound her sister Lucy.

Lucy: Hey Laney.

Laney: AAH! [she threw the plates up in the air and ending up juggling them as they landed, she slipped on a splash of water and fell breaking the plates] Oh dear…

Lucy: So what's your excuse?

Laney: [stands up] Well, tomorrow's Liam's birthday party and since Lori is the only sibling who's old enough to drive, I asked her if she can drive me to his house. She said she will If I do the dishes. [sees the broken dishes on the floor] Though, something tells me I might be a little late.

Lucy: Why would you go to some kid's birthday party anyway?

Laney: I heard he has a bounce house. I've never bounced on one before, but it's sounds fun! What about you?

Lucy: I wrote a poem for Lori's ten week anniversary for taking me to the cemetery. It's called "Bobby".

Lucy: [clears throat]

" **Bobby, I thought you were a stalker**

**When you left brownies in my locker**

**Bobby-** "

Laney: Uh. That's very nice Lucy. [sighs] I'm going to Lori's room. Perhaps I can make it before Liam opens his presents.

She walks upstairs to Lori's room, and finds Lincoln talking to his dumb blonde sister Leni. She continues to walk to Lori when Lincoln notices her.

Lincoln: Where you going Laney?

Laney: I was seeing if Lori can take me to Liam's house. Maybe she has something that doesn't involve anything breaking. [picks a piece of a broken plate out of her hair] Ow.

Lincoln: What if I told you that there was a way to drive you anywhere you want to go, without doing any medial task?

Laney: I'm listening.

---

*[Lincoln puts the game into the console and gives Leni the steering wheel controller.]*

**Leni:** "Wow! It's just like a real spinny thingy!"

**Lincoln:** "Technically, it's called a steering wheel. So, you ready to get started?"

**Leni:** "WAIT! I need my special driving outfit!" *[changes into her special driving outfit and makes a couple of poses.]*

**Lincoln:** "Great. So, can we get sta-"

**Leni:** "WAIT! I need my special driving smoothie!" *[makes a smoothie and takes a sip.]* "It's a soy pumpkin cookie crumble cream. It's seasonal!"

**Lincoln:** "Great. So, *now* can we-"

**Leni:** "WAIT!"

**Lincoln:** *[exasperated]* "What is it now?"

**Leni:** "Aren't you gonna open the door for me?" *[takes another sip of her smoothie.]*

**Lincoln:** *[sighs and pretends to open a car door with the sofa as the car.]* "Click! Creak!"

**Leni:** "What a gentleman." *[sits down]*

[The game starts and Leni's image is the player]

Laney: Nice looking avatar.

Leni: Aw. Thanks! Wait, what's an avatar?

Me: That's your image in the game.

Varie: I think that's cool.

**Lincoln:** "Okay, all you have to do is keep the steering wheel straight, and you'll-"

*[As soon as Leni starts playing, she crashes into the wall and the game is over.]*

**Leni:** "Like that?"

**Lincoln:** "Um… let's try again."

*[Leni chooses to continue]*

**Lincoln:** "Just keep the wheel straight."

*[Leni crashes again]*

**Lincoln:** "Okay, one more time."

*[Leni continues]*

**Lincoln:** "The road is straight, so keep the wheel straight."

*[Leni crashes again and her virtual self jumps out of the car and it explodes, resulting in yet another game over.]*

**Lincoln:** *[irritated by his sister's incompetence]* "Leni! You have to stay on the road!"

**Leni:** *[tosses controller in frustration]* "But, what's the point? We're not going anywhere fun!"

**Lincoln:** "Sure we are! We're going to, uh… the mall!"

**Leni:** *[gasps and takes controller back]* "Why didn't you say so?"

**Game announcer:** "GAME ON!"

*[This time, Leni plays the game like a pro with words of praise such as "Good!", "Holy Cow!" and "Dang, Girl!" appear on-screen.]*

**Lincoln:** "Wow! Go, Leni!"

Me: You're doing great!

**Leni:** *[her player stuck behind a Sunday driver.]* "Move it, slowpoke! Mama needs a new driving dress!" *[drives off a billboard and moves ahead; gets to the mall at the end of the level and beats Lincoln's high score.]*

**Lincoln:** *[amazed]* "That was incredible!"

**Leni:** *[has her virtual self punch an old lady.]* "Outta my way, granny!"

**Lincoln:** "Easy there, Fast and Furious." *[snatches the controller]*

**Leni:** "BUT I HAVE TO GET TO THE MALL!"

**Lincoln:** "The mall can wait. You've got a driving test to pass." *[Leni grins and heads out the door.]* "Go, Leni, go! Go, Leni, go!" *[notices Leni went in the wrong direction.]* "Wait! The bus stop is that way!" *[Leni turns around and heads the other way.]* "Go, Leni, go! Go, Leni, go!"

---

*[Lincoln is pacing around waiting for Leni to get home; Leni opens the door.]*

**Lincoln:** "Did you pass?"

*[Unfortunately, a cop is right behind Leni to give some bad news.]*

**Cop:** "No, she did not! She did, however, refuse to obey the speed limit, fail to use her turn signals, and she redirected the test vehicle toward the mall, where she proceeded to hip-check and tackle Mrs. Jelinsky!"

*[The citations are labeled "Crazy Mall Chick", "Incident Report", ""Forgot" the speed limit", "What are "blinky-blinks"?", "Hijacked test vehicle", "Assaulted Instructor Jelinski", and "NOTE: Culprit is dangerous"; Mrs. Jelinsky is in the police car yelling at Leni for her maniacal driving.]*

**Leni:** "It's not fair! When I did all that in the game, I won! You guys need to get your rules straight!" *[heads upstairs]*

*[The police car leaves and Lincoln sighs in disappointment.]*

**Lori:** *[having heard everything]* "Lincoln, Lincoln, Lincoln. That's your plan? Teaching Leni to drive? She can't even drive a lawnmower."

*[flashback to when Leni tried mowing the lawn.]*

**Leni:** *[panicking]* "AAAAAAAAAAAHHHHHH! MAKE IT STOP! AAAAAAAAHHHHHHH!" *[drives the mower through the hedges; end of flashback.]*

**Lori:** "Trust me. You're gonna fail. You and Leni both. Now, where's Lynn? She owes me a pedicure." *[takes off her shoe and wiggles her pink-painted toenails. takes off the other shoe and looks for Lynn]*

**Lincoln:** *[Fiercely]* "This isn't over yet." *[shakes fist]*

Leni: Lori, are you trying to sabatoge my chances at getting my license?!

Lynn: You know what? I'm just gonna walk for the rest of the day.

Me: You do that Lynn.

---

*[Lori and Leni's room; Leni has gone back to literally making Lori's bed.]*

We saw the bed she was making and we were amazed.

**Lincoln:** "Hey, Leni." *[amazed at how she's doing]* "What are you doing?"

**Leni:** "Going back to making Lori's bed."

Me: Boy this is well done.

**Lincoln:** "Nice craftsmanship.

FLASHBACK PAUSES

Nico: Wow so that's how Leni was really good at carpentry.

Me: Yeah we were amazed ourselves when we saw how awesome her skills were.

Laney: She has quite an artistry.

Me: Yep. Now where were we. Oh right.

FLASHBACK RESUMES

Lincoln: But you can't give up on driving. It was *my* fault you didn't pass the test."

Me: No it's not Lincoln.

**Leni:** "Maybe I'm just not meant to be behind the spinny thingy. You know?"

**Lincoln:** "No. See, my video game approach was all wrong. Let me try a different method." *[holds up an instruction manual.]*

---

*[Lincoln has set up a pretend car test for Leni to practice on.]*

**Lincoln:** "Okay, lesson one: preparing to drive."

*[enter Lynn with a sanding tool.]*

**Lynn:** "Ah, you're teaching Leni to drive? Score! Can I help? I'm sick of sanding Lori's calluses! Ugh, barf!" *[tosses tool away]*

**Lincoln:** "Thanks, Lynn!"

**Lucy:** *[out of nowhere]* "Me too." *[Lincoln and Leni scream at their sister's appearance.]* "I can't write another poem for Bobby. I've run out of words that rhyme with 'babe'".

**Lincoln:** *[chuckles nervously]* "Thanks, Lucy…"

*[suddenly, all of the other sisters come in wanting to help Leni learn to drive and get out of doing tasks for Lori.]*

**Lola:** "I can help!"

**Luna:** "I'll help! I'll help!"

**Luan:** *[takes off her gag glasses]* "Me, too! I wanna help!"

**Lana:** "Me me me me!"

**Lisa:** "I can be of assistance."

Laney: Are we seriously doing this again? Haven't we already established that Leni can't drive, and she can't be taught! I want no part of this!

Luna: C'mon dudette. You wanna bounce at that party don't ya?

Laney: Well I do, but…

Lana: And all this work for an escort is really getting tiring.

Laney: Um…

Luan: C'mon Lanes, you can't be mad at Leni 'cause she drived you crazy. [laughs]

Luna: All were sayin' is give Leni a chance.

The kids came up to stubborn Laney and they all smiled at her with hopes in their eyes.

Laney: Promise this will go well?

Lincoln: Trust me Laney, this time my plan is foolproof.

Laney: As long as the fool doesn't crash and burn like last time. [sighs] What have I got to lose?

Lincoln: Great! Alright guys, we need to set it up like a real car."

*[They gather up some of their things and do as Lincoln told them.]*

Lincoln: "Thanks, guys! Luna's bass drum is the brake. And Luan's whoopee cushion is the accelerator." *[puts foot on them to demonstrate their uses.]*

**Luan:** "Accelerator? Don't you mean *gas* ?" *[chuckles]* "Get it?"

Me and Varie laughed at that one!

Me: (LAUGHS) Good one!

**Lincoln:** "This golf club's the gear shift. The wreath is the steering wheel. Car horn, turn signal, and… oh! These keys…" *[grabs Lily's baby toy keys]* "… are, well… the keys. Got all that?"

*[the others smile in hope]*

**Leni:** *[obviously confused]* "Sure?"

**Others:** "GREAT!"

**Lincoln:** "Okay, first, fasten your seat belt."

*[Lola puts some of her beauty pageant sashes on them to simulate the seat belts.]*

**Leni:** "That was easy."

**Lincoln:** "Next, check your mirrors."

**Leni:** *[panicking]* "Why? Do I look bad?"

**Lincoln:** "No, no, no, no. I meant-"

**Leni:** *[runs off]* "Stop the car! I can't drive in this hideous condition!"

*[everyone else groans with Lincoln doing a facepalm; Leni comes back now wearing a helmet.]*

**Leni:** "That's better!"

*[everyone stares awkwardly at her.]*

**Lincoln:** *[sighs]* "Lesson 12: Avoiding road hazards. There's a squirrel in the road. What do you do?"

Me: Aw cute.

*[Lily walks in wearing a squirrel costume and makes squirrel chatter sounds; Leni bolts out of the living room screaming with her seat still*

*stuck on her. Lincoln throws the manual on the floor in frustration; eventually, it seems hopeless as the others seem to have already given up.]*

**Lincoln:** "Use your turn signal!" *[Leni taps Luna's drum]* "No, that's the brake!" *[Leni taps Luan's whoopee cushion]* "No, that's the gas!" *[Leni slaps him]* "No, that's my face!" *[points to ladle]* " *This!* This is the turn signal!"

**Leni:** "Oh! You mean the blinky blink?"

**Lincoln:** *[discombobulated]* "The… blinky blink?"

**Leni:** "Yeah. It's right by the spinny thingy." *[points to wreath]*

**Lincoln:** "The spinny…" *[realizes]* "That's the problem! I haven't been speaking Leni!"

**Leni:** "There's a country named after me?"

I facepalmed.

**Lincoln:** "No. I mean, I haven't been using words you understand. Let me try again. Use the blinky blink." *[Leni nods with a rattle sound effect and flips the blinky blink.]* "Good. Now turn left." *[Leni doesn't know]* "I mean, turn to your good side." *[Leni gets it and turns to her good side. Lincoln bursts with excitement]* "Now we're getting somewhere! Hey, crew, we're gonna need some new car parts."

*[The others salute and get to work; they replace Luna's bass drum with a white high heel shoe.]*

**Lincoln:** "This is a brake pedal. What does the brake pedal do?" *[Leni doesn't know]* "White shoes after Labor Day!"

**Leni:** "Ew, *stop!* "

**Lincoln:** "Exactly."

**Luan:** *[takes back her whoopee cushion]* "I *gas* you won't be needing this." *[Squeezes the whoopee cushion, giggles and skips away.]*

*[Lola scowls painfully at Luan's pun and hands Lincoln a Go-Go boot.]*

**Lincoln:** "This is the gas pedal. What does the gas pedal do?" *[Leni doesn't know]* "Boots from the 60's."

**Leni:** "Go-Go!"

**Lincoln:** *[Excitedly]* "Yes! Leni, I think you're ready for the next level!"

---

*[Leni is practicing on her old enemy, the lawnmower.]*

**Lincoln:** "Remember what we practiced, Leni!"

**Leni:** "Go-go boot!" *[accelerates]* "White shoe!" *[stops for a squirrel to pass]* "Go-go boot!" *[accelerates; heading for the hedges.]*

**Siblings:** *[worried what might happen]* "Whoa! Watch out!"

**Leni:** "Good side!" *[turns left in the nick of time.]*

*[Everyone starts cheering for her.]*

**Lincoln:** "She's doing it! Yeah, nice job, Leni!"

**Leni:** "I'm doing it!"

*[Meanwhile, Lori - all alone - is trying to pull the laundry out of her room.]*

**Lori:** "Stupid jeggings!" *[pulls them through the door only for them to fall on top of her.]* "Where is everybody? *[Calling]* LYNN! I'M STILL WAITING ON THAT PEDICURE!" *[suddenly hears the others cheering outside and looks out the window. She sees Leni on the lawnmower doing a victory dance. The camera zooms out to reveal that Leni's name is written on the lawn. Lori scowls.]* "I'm not giving up the car keys that easily."

But Varie overheard what Lori said.

Varie: (In her head) We'll see about that.

* * *

*[It's time to go to bed.]*

**Lincoln:** "Night, Leni! You're gonna do great tomorrow!" *[leaves]*

**Leni:** "Night, Lincoln! Night, Lori!"

*[Lori is fast asleep; Leni shrugs and puts on her sleeping mask and reaches for the lamp switch.]*

**Lori:** "Click."

**Leni:** "Got it!" *[goes to sleep]*

*[It turns out Lori was only pretending to sleep; she slips a fake driving instruction tape over Leni's ears to ensure that she will remain the only Loud kid with a driver's license and doom Leni to fail.]*

But little did Lori know that Varie replaced the tape with Lincoln's driving instructions.

Leni later went to the DMV the next morning and she passed.

Varie: Lori we know you were trying to sabotage Leni. But I was onto you.

Lori: You were?

Me: Drop the act Lori. We know it was you.

Lori: Oh you guys caught me and Varie was onto me the whole time I bet.

Varie: Yes I was.

Lola: Lori, if you don't let Leni get her license, I'll tell Mom and Dad about what you did.

Me: And believe me you don't want that to happen!

Varie: Yeah!

Laney: Yeah!

Me: We better get over there and make sure she's okay.

We went to the DMV and surprisingly was saw her jumping up and down like a giddy school girl.

Me: Leni?

Leni: I PASSED!

Me: Way to go!

Leni: I passed with perfect scores.

Me: That's great Leni!

Laney: Great job!

Lori: Leni I tried to Sabotage your test!

Lisa: Yes, Leni. Lori WAS trying to sabatoge you.

Lori: Lisa!

Lisa: I cannot tell a lie in this situation.

Me: You know how smart Lisa is.

Leni:: [not knowing the meaning of the word] Sabo… tage?

Lincoln: It's like she went and bought the dress she knew you wanted.

Leni: [gasps] HOW COULD YOU?!

Me: But Varie was on to Lori the whole time and she made sure it all went well.

Leni: Thanks guys.

Me: You're welcome Leni. But at least you passed.

Leni: Thanks to Linky's teachings.

Lori: I'm sorry Leni.

Leni: It's all right Lori.

Me: But we're proud of you Leni.

FLASHBACK ENDS

---

Me: We got Leni her Drivers License and she gives rides now perfectly.

Qin: That's awesome.

Nico: It sure is.

Lincoln: Yeah it sure was.

Maria: Nico, which gene slammer do you think you'll meet next?

Nico: Right the Mandatory Question. Nidoqueen next.

Me: Awesome choice.

Lola: Yeah and then after that is Nidoking next.

Lana: Yeah.

Nico: Yep. Doesn't take a rocket scientist to figure that one out.

Lola: Yeah.

Nico: Guys, I'm gonna pick the mascots up from Moe's. They're passed out from being drunk.

Me: Okay.

Nico went to Moe's.

Qin: Oh boy.

May: The Mascots really drank a lot didn't they.

Me: Yep.

Nico went and got them and came back later on and we had a huge day to prepare for tomorrow. I looked up at the sky.

Me: Team Loud Evil Storm better be ready. (EYES GLOW RED) We're coming for you and we're going to make you pay for everything you did.

Nico: That's for sure! (EYES GLOW RED) It will be really painful for them.

TO BE CONTINUED…

Also we're going to meet a gene-slammer for a Nidoqueen named Selma Fitzgerald. No relation to Rice Fitzgerald. Selma is Nico's friend from Nature class and she is known for having one of the most powerful belches ever, measured with a power of 523 decibels with the power of a thermonuclear explosion. She also can blow any villain back into the walls with their eardrums shattered and bleeding. Also she hates and loathes and ABSOLUTELY DESPISES The Digimon Emperor, Lila Rossi and Xin Fa with a merciless vengeance and wants to kill them and eat their heads on pikes. For Lincoln's rescue tomorrow, Lincoln and his group are heading back to Dark World for Day 5 of the Dark World Treasure Hunt, and Bertha Sellington is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Vanguard Greatsword of Beiige, Vanguard of Dark World, and we're also going to destroy Majin Vegeta who's come back for revenge on Eli for destroying him, but Bertha Sellington and the rest of us aren't going to let that happen. And we're going to meet the Fusion Gene-Slammer for Rainbow Dragon and Rainbow Dark Dragon named Amara Thatcher, she's Lincoln's Guardian Angel from Rochester, New York and his classmate in Gym, she's also an old friend of Serenity Lexington, Gene-Slammer of Rainbow Overdragon. She's a Goth Girl who has powers of both light and darkness and she's a very powerful force for good, she also knows all kinds of light and dark magic, and she can also resurrect the dead and summon the forces of the undead. But, she also has a secret that only Lincoln and the other Guardian Angels know about her: like Galeia the Dark Elemental Angel, Amara Thatcher is also a dark angel that fell from heaven and has the powers of all the elemental forces of nature, and her power is just as strong as our. She Gene-Slammed herself on purpose into Rainbow Dragon and Rainbow Dark Dragon to also protect Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home. But, she harbored a very nasty and dark hatred for the two traitorous Saiyans, Raditz and Nappa, because they killed Amara Thatcher's parents in cold blood, and there was also another one there as well: it was Damian Alaister, the sadistic, bloodthirsty, and insane leader of The Church of Necrom, who cackled at her like the insane psychopathic fucked-up madman that he is, before he sent them to Planet Vegeta and he disappeared. She also found out from Vegeta that Damian Alaister was also the one who brought them and an evil version of himself back from the dead when he went completely off the fucking deep end after what Lincoln and The Dark World Goth Girls have been doing in capturing the rest of his fucked-up followers. From that day on, she swore eternal bloody revenge on them for what they did to her parents, and she also swore if she ever saw Damian Alaister again, she would make him pay with his miserable life. GET READY FOR THE MOST EXPLOSIVE AND MOST EPIC BATTLE EVER AS WE HEAD OVER TO UNIVERSE 666 EARTH AND WE'RE GOING TO TAKE ON THE LAST 7 MEMBERS OF TEAM LOUD EVIL STORM AND

Lola: So we're at a soda factory this time.

Lana: Better than a sauce factory. That was tasty and awesome.

Me: Boy it sure was.

Vapor: But we're really going to be having a good time with this one.

Lola: Yeah I heard rumors flying around that they are making a really awesome alcoholic root beer.

Me: Root Beer that's really alcoholic!? Has the world gone mad!?

We laughed at my remark.

Nico: (LAUGHS) And J.D. does love root beer.

Syd Chang: He sure does. That is funny.

Nico: Syd, I want to thank you, the U Foes, and your teams for coming.

Syd: It's no problem Nico. This is gonna be so fun.

Me: It sure is.

Nico: Lime how did you meet Kakarot's son?

Lime: That's easy. Gohan saved me from drowning in a river.

She went over what happened during the 10 days to Cell's Tournament.

---

The episode begins with a young girl named Lime crawling along a tree branch as she tries to reach an apple. She reaches the end of the branch which snaps beneath her weight, causing her to fall into the raging river directly below. Luckily for her, Super Saiyan Full Power Gohan is flying overhead and saves Lime from drowning. Once he has set her upon land, she then notices Gohan touching her breast (unintentional), causing her to become angry and embarrassed. After snapping at him, she runs away and leaves Gohan wondering about what he did wrong. Gohan then finds a town called Chazke Village. He tells himself aloud that he hopes the village is not deserted because he has already tried three other places beforehand. He enters a shop where two men (Kasdan and Burdwell) are asking the owner for free food to take to the shelter to be protected from Cell.

Lime then cries out that Perfect Cell is coming. The two men run for the shelter in fear. The owner, Mr. Lao (who also happens to be Lime's grandfather), then scolds Lime for lying once she has revealed that she tricked them. Mr. Lao tells Gohan about Lime's parents who were absorbed by Imperfect Cell. Gohan then says he will help out by chopping their wood. Gohan throws three logs into the air and is about to slice them with his bare hands when Lime disrupts him by telling Gohan he must use an axe. The logs fall upon his head, hurting him, but he quickly recovers. He proceeds to chop the logs using the axe with ease, much to the joyful surprise of his two new friends.

Meanwhile, at Gohan's house, Goku and Krillin are talking and Krillin complains that resting makes him very powerless but Goku is undisturbed. Outside the Hyperbolic Time Chamber, Vegeta is thinking to himself and plans to go in and retrieve Piccolo if he does not exit within exactly one day. Inside the Hyperbolic Time Chamber, Piccolo is seeing an image of Perfect Cell teasing him, inspiring Piccolo to split into two and fight himself. Gohan and Lime are in the forest talking and eating apples when Lime tells Gohan that he is too gentle to fight. Lime also says that her grandpa (Mr. Lao) is a Martial Arts master. At the shelter, Lime again plays another trick by claiming that Cell is coming. The mayor, Mr. Borbonne, runs into the shelter and locks himself in, leaving the villagers outside. Kasdan and Burdwell catch Gohan and Lime, and are about to hurt them while Gohan tells them it is a scam to get money.

Mr. Lao then arrives and tells Gohan to not fight because he knows that Gohan will win and it is the villagers battle to fight. Mr. Lao fights very well but cannot defeat Mercenary Tao. Mercenary Tao fires his Super Dodon Wave at Mr. Lao, but Gohan blocks it. Mercenary Tao is about to fire it again until he realizes Gohan's resemblance to Goku, causing him to pause. Tao then asks Gohan for his name and is relieved to learn he is not Goku. But then Gohan reveals that he is Goku's son and Mercenary Tao flees with fear. Mr. Borbonne begs for Gohan's help and Gohan easily destroys the shelter with an energy wave. He then tells them that Cell is stronger and would have done much worse. The episode ends with Goku arriving to retrieve Gohan and the groceries.

---

When it was done we were amazed.

Qin: WHOA! So that's how Gohan met you and your grandpa.

Me: That's amazing that your grandpa stood up against General Tao. He was one of Master Goku's Childhood enemies.

Lime: That is amazing. I didn't know about that.

Qin: It sure is cool though. And it's awesome having you with us on the team.

Lime: I'm truly honored.

Nico: Virgo, what do you like to do in your free time?

Virgo: I haven't really thought about it that much. But I try my hardest to serve Lucy.

Me: She is really honored to have you with her.

Lola: I agree. And you have been a tremendous help to her too.

Virgo: I sure have. Even though I always have been asking for her to punish me.

Me: Why do you think someone is going to punish you?

Virgo: I just have this fear of not doing things right.

Me: You always do things right. Even in the most dire of situations.

Nico: Besides, we won't punish you for screwing up. Who do you think we are? Our version of Burns and Crocker?

Me: Yeah we're the good guys and we are not like the Prime Universes version of them.

Virgo: That's true.

Syd: Besides it's going to be all good when we destroy Team Loud Evil Storm later on.

Me: Yep.

Nico: This is gonna be awesome. Also Yesterday was a good one.

Nicole: You said it Nico especially after how I kicked Ginei's ass.

We laughed!

Me: (LAUGHS) That was so funny.

Lola: Yeah no kidding there!

Camie: That was really funny how he was chased by all the girls of Yokai Academy.

Laney: Yeah no kidding.

Varie: It was some well deserved payback on him for all that.

Me: You said it Varie.

Eli: Yeah that was awesome.

Lola: Yeah.

Nico: The mascots had a hangover this morning.

Me: Boy they must've really drank a lot.

Nico: Moe said they drank more than 50 glasses of beer.

Me: Holy crap!

Camie: Boy they must've really felt that one.

Applejack: That's more drunk than a rattlesnake drinking its own venom,

Lana: Yeah no kidding!

Camie: That is crazy.

Juran: Did any of them vomit?

Nico: By the bucket load of it!

Me: Geez!

Lola: Moe must not have been happy about that.

Me: Yeah but it was a gross way to start your day.

Varie: Yeah I don't think Homer drinks that much and throws up.

Xenia: Yeah no kidding. Homer drinks as much as Boris Yeltsin and he doesn't throw up.

Me: Yeah that's true.

Nico: Hopefully, they'll be better when we get back.

Me: Yeah we'll need them.

Lola: Yep.

But then we heard a splash from one of the alcoholic Root Beer Vats.

KRASPLASH!

Then we looked up and heard gurgling sounds and then crawling out of the vat looking drunk as a loon was a girl in green underwear.

She was drunk as a loon and had ample breasts and she was REALLY wasted.

Me: Whoa!

Me and Maria flew over and got her out.

Girl: HIC!

Me: Geez are you alright.

Girl: HIC! (Slurred Speech) I've been wanting to tell you off for years but I never had the nerve!

Me: Geez this girl is wasted.

We brought her down and Nico put a blanket on her.

Nico: What's your name, Miss?

Girl: (BARNEY GUMBLE BELCH) (HIC)

Me: Lets get her back to normal.

I snapped my fingers and she was back to normal.

Me: You okay?

Girl: (GROANS) What a headache. What the hell just happened?

Me: You fell into a vat full of alcoholic root beer and got seriously drunk.

Aika Kiryuu: Oh man. Oh sorry my name is Aika Kiryuu.

Me: Pleasure to meet you Aika.

Lana: What was the last thing you remember doing before you landed here?

Aika Kiryuu: Well I was in my school's locker room changing and then this portal opened up and then sucked me into it. I was taken here.

Me: Weird.

Qin: Yeah.

Lola: But at least you're okay.

Maria washed off Aika and she was clean.

Nico: No one fucking drink it!

Me: Nico I swore I would never drink ever again. Not after what happened on Saint Patrick's day 3 years ago!

Camie: What happened back then?

Me: I don't want to fucking talk about it.

Camie: Oh boy.

Lana: Yeah he was drunk as a loon and had to spend the entire day in bed.

Me: Yeah.

Camie: Oh boy.

Aika Kiryuu: Oh boy. Wait a second. You guys are Team Loud Phoenix Storm. Wow! It's an honor to meet you guys. I'm sorry I didn't know it was you guys that I would meet. I heard so much about you all from Rias and the girls back home.

Me: But it's good we found you here.

Nico: Did you see anyone else here?

Aika Kiryuu: No I just got here. So how would I know?

Me: No worries. But it's good you're here. We need all the help we can get. We go into battle with an evil version of us in a few hours.

Qin: Yep.

Aika Kiyruu: Oh wow.

Me: Yep.

Eli then sensed something.

Eli: We're not the only ones here.

Rainbow Dash then winced in pain as she felt her mark for Leo The Lion Glow.

Rainbow Dash: My mark for Leo is glowing.

Me: That means the next Undead Zodiart is for Leo the Lion.

Lola: Awesome.

Varie: Too bad Jeri isn't with us.

Nico: I thought you said you didn't see anyone.

Eli: No I sensed it Nico.

Nico: Oh. Sorry.

Then a figure came out and it was ANOTHER LEO UNDEAD ZODIARTS! IT looked like a mixture of Goaten, Spinferno and Liztwin!

Me: Whoa! The Undead Zodiarts for Leo The Lion!

Xenia: Wow! This one is gonna be amazing.

Another Leo Undead Zodiarts: (In a girls voice) But it's good that you guys are here.

Me: (GASP) That voice.

She reverted back and it was a girl in a yellow shirt, brown skirt and had a voluptuous body.

Me: Veronica Abigail Ivy!

Veronica Ivy: Good to see you again J.D.

Me: It sure has been a while.

Nico: You know her?

Me: Believe it or not she is Professor Ivy's little sister and she has a real gift for caring for lots of awesome Pokemon.

Nico: I will say this. She is as beautiful as her sister.

Veronica Ivy: Thanks Nico.

Me: I met her when I was out recruiting one of the Gym Leaders for the Kalos Region, Valerie.

Nico: Wow! I see.

Me: Yep.

Nico: Every time Brock hears the name of your sister, he gets all mopey.

Me: Yeah.

Veronica Ivy: I heard what happened. Poor guy.

Camie: What happened between them.

I whispered what happened into Camie's ear and it was shocking.

Camie: Oh man! But at least he's over that.

Me: Yeah.

Veronica Ivy: Poor guy must've been traumatized by my sister. But at least she was forgive for it.

Me: I am too. I will say this though, you and your sister are both really beautiful and awesome.

Veronica Ivy: Thanks J.D. Also I'm glad I found you guys. It's not just me. There are 4 more with me. They are dark versions of them.

She pointed to the U-Foes.

Vector: Another Versions of us!? How crazy!

Vapor: Whoa! We're going to be in for a big fight.

Lola: Yeah!

Maria: Lola, considering that as soon as the rest of Crocker's main team gets here, it's off to fight our evil doppelgängers, I think us finding the Another U Foes might be a blessing.

Lola: I agree there too!

Qin: Yeah!

Rainbow Dash: I'll face you to start.

Veronica Ivy: Lets do it then.

She turned into Another Leo Undead Zodiarts and Rainbow Dash fired waves of rainbow energy and blasted her down and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Zodiarts Switch and Rouse Card and purified them and the Rouse Card had a picture of the Stars of Leo the Lion as well as the symbol of the Constellation and a picture of a lion on it.

Me: Cool!

The Zodiarts Switch glowed and turned into Armbands for those marked with the power of Leo The Lion.

Rainbow Dash: That was AWESOME!

Lola: Yeah it was!

Xenia: Yeah!

I brought Veronica over to us.

Varie looked her over.

Veronica Ivy: (GROANS) What a headache.

Nico: You're gonna be okay.

Veronica Ivy: Yeah.

Me: We're not done yet.

Then 4 figures came out and they were DARK VERSIONS OF THE U-FOES! They were ANOTHER U-FOES!

Me: WHOA! Another U-Foes!

Vector: Wow! Another Versions of us!

Nico: Cool.

Camie: Yeah sorry we have to fight like this.

Another X-Ray: It's all right. Come at us with everything you got!

Me: With pleasure! (ACTIVATES VECTOR'S RIDEWATCH)

I lifted up numbers of boxes and threw them at them and smashed them all over.

Vector: Hey yeah! Nice one J.D.

Me: Thanks Simon.

Nico: (takes out U Foes' Ridewatch) Personally, I like using the Ridewatch for all 4 of them!

Me: No offense taken from that Nico.

Nico activated the Ridewatch and fired waves of energy and blasted down the Another U-Foes all over.

Me: YEAH!

Eli: Take that!

Nico: Yeah!

Qin: Top this one. (ACTIVATES VAPOR'S RIDEWATCH)

She fired waves of corrosive acid gas and it hit the side of a syrup vat and broke the vat open and drenched the U-Foes in STRAWBERRY SYRUP!

Me: Sticky.

I got some on my face and licked it off.

Me: Mmm! Strawberry.

Nico: Nice.

Me: Nico we should decide on individual team members for archenemies for the U-Foes, Dark Turtles and Wrecking Crew members individually.

Nico: That thought never came to me but that is cool! I'll consider it.

Me: Take your time on it.

Nico: (gets out Bunnie and Clyde's Ridewatch) Now, get a load of this!

He activated it and he got their guns.

Nico: (Imitating Scarface) Say Hello to my little friends!

He fired energy blasts from their guns and they hit the Another U-Foes and blasted them all over.

Eli: YEAH! Watch this. (ACTIVATES X-RAY'S RIDEWATCH)

Eli fired a blast of Radiation and it hit the Another U-Foes and blasted them all over.

Me: I have an idea! (ACTIVATES IRONCLAD'S RIDEWATCH)

I curled into a ball.

Me: Mike pick me up and roll me like a bowling ball.

Ironclad: I see what you're trying to do. Okay.

He went over and picked me up and ran and he threw me and I rolled like a ball and then…

BOWLING STRIKE CRASH!

I smashed into the Another U-Foes!

Ironclad: STEEEERIKE!

Nico: That was clever!

Me: YEAH! (Gives the thumbs up!

I teleported back.

May: (gets out Phantom's Ridewatch) I get the feeling Kylie and the other Extreme Ghostbusters will appear to help us defeat Evil Danny

Twilight Sparkle: You definitely know that Moondancer is going to help them out.

Lola: Yep.

May activated the Ridewatch and fired waves of energy and blasted them down.

Me: YEAH!

May: (gets out Yoshikage Kira's Ridewatch) Now, for this!

She activated it and fired waves of energy and blasted the Another U-Foes down in fiery explosions!

Qin: Nice one May!

Maria: (gets out Animan's Ridewatch) Time for animal power!

She activated the Ridewatch and turned into A Blue Tiger!

She went at the Another U-Foes and slashed them all over with her claws and then jumped back and roared!

TIGER ROAR!

Me: YEAH!

Eli: Maria you look cool as a blue tiger.

Maria: (gets out Mea's Ridewatch) Let's see what Mea can do.

She activated it and fired waves of darkness and blasted down the Another U-Foes.

Qin: YEAH!

Xenia: Take that!

Nico: Awesome!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor.

Qin: Yeah!

Lola: Lets do it!

We fired blasts of fire and elements and smashed them all over.

Electropede's team came and we saw that it had Electropede, Millipede Pete, Master Zik, Centipedenoid, Centipede Orphnoch, and Universe 666 Banno!

Nico: Nice team, Electropede!

Electropede: Hey thanks!

Me: Whoa is that Universe 666's version of Banno?

Universe 666 Banno: That's right.

Shinnosuke: Wow! Thank goodness you aren't the Prime Universe's version of him.

Me: Yeah he was a completely fucked up monster to the Nth degree.

Universe 666 Banno: Yeah I know. Vypra told me everything and that was awful.

Lola: It sure was.

Nico: Yep.

We fired more waves of energy and blasted the Another U-Foes all over.

Virgo: My turn!

She fired waves of energy and blasted down the Another U-Foes and smashed them down.

Nico: Yeah!

Virgo activated her Ridewatch for Bunnie and Clyde and fired waves of energy and smashed them down.

Qin: Take that!

Maria: Is the next Gene Slammer next?

?: Someone call?

We saw a Nidoqueen!

Me: A Nidoqueen! Wow!

Nidoqueen: (In a girls voice) I got this one.

Nico: Selma Fitzgerald! Wow!

Nidoqueen: Awesome to see you again Nico. I got this.

She fired a blast of energy and it hit the Another U-Foes and they were blasted down and then I caught the ridewatch and purified it. I went over to the 4 girls and they each had red, blue, green and yellow hair and had matching color Kimonos.

I picked them up and brought them over.

Nico: There.

Virgo: What's your favorite memory of Nico?

Nidoqueen: have a lot of them but my favorite is when I my powers to stop bad guys. I am known as The Galactic Burp Gril I have a massively powerful burp as powerful as 500 Decibels.

Me: WHOA! That is powerful!

Lola: Yeah it sure is.

Virgo: Wow.

Nico: Yep. There has to be a bathroom here.

I looked and saw restroom.

Me: There's one.

Nico: Good. Lets get you back to normal.

But it was a unisex bathroom. Nico and the Fashion brigade went in and he snapped his fingers and Selma was reverting back.

The rest of us waited outside.

Nico: rubbed Selma's back as she reverted back to normal.

Nico wasn't looking at her however.

Selma was naked and then the Fashion Brigade gave her awesome blue clothes.

Selma Fitzgerald: Wow thanks guys. Man these clothes are awesome and Nico thanks for rubbing my back. That felt good.

Nico: You're welcome.

Nico and Selma hugged.

Nico: I've really missed you.

Selma Fitzgerald: Me too Nico. Me too.

We went back home.

And we're also going to destroy Majin Vegeta who's come back for revenge on Eli for destroying him, but Bertha Sellington and the rest of us aren't going to let that happen.

Lincoln: Whoa, we're back in Dark World for Day 6 of the Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the three girls here, but Bertha Sellington is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Vanguard Greatsword of Beiige, Vanguard of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Beiige, Vanguard of Dark World, it's perfect for her, and we're also going to destroy Majin Vegeta who's come back for revenge on Eli for destroying him.

Vegeta: I always knew he'd come back one day.

Bertha Sellington: But we're not going to let that happen, Master Vegeta, the only thing he's getting is a one-way trip to The Black Gates.

Me: That's right.

Lincoln: And we're also ready for the most explosive and epic battle with the last seven members of

Team Loud Evil Storm, and not only are we going to make every single one of those monsters pay, but we're going to erase their entire influence from their universe forever.

Nico: You got that right, Lincoln. I can't wait to make that heartless snake, Evil Nico, pay for every last one of his crimes.

Goku: Same here, Nico.

Me: Me too, what he did to his universe's version of me and Varie, he deserves to die.

Lincoln: Big time, J.D., and I want to thank you and your team for joining us, Mrs. Chang.

Becca Chang: You're welcome, Lincoln. This is going to be really awesome.

Syd Chang: You said it, Mom.

Bulla: I also can't help but get the feeling the Fusion Gene-Slammer for Rainbow Dragon and Rainbow Dark Dragon happens to know my Dad, and it's also linked to the hated enemies of The Dark World Goth Girls: The Church of Necrom.

Lincoln: I have a feeling we'll find out about that later on today, Bulla. But, for now, let's head for Beiige, Vanguard of Dark World's shrine and deal with Majin Vegeta.

Bertha Sellington: Right, Linky.

We continued on and we arrived at Broww, Huntsman of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Vanguard Greatsword of Beiige, Vanguard of Dark World, a powerful demonic massive greatsword with dark blue gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large dark blue gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Vanguard Greatsword of Beiige, Vanguard of Dark World, that sure is one scary looking demonic greatsword.

Bertha Sellington: You said it, and it's absolutely perfect for me.

Suddenly, we saw Rainbow Dragon and Rainbow Dark Dragon appear before us, and with them are the three girls.

Nico: Whoa, that's Rainbow Dragon and Rainbow Dark Dragon, and it's got the three girls with them.

Rainbow Dragon and Rainbow Dark Dragon: (Girl's voice) And away from that murderous Majin Vegeta.

Lincoln: (Gasps) That voice, Amara Thatcher, I knew it was you, it's awesome to see you again.

Suddenly, we sensed a strong Saiyan energy signal heading right for us.

Vegeta: But, we'll have to talk later. Bertha, you grab The Demonic Darkness Vanguard Greatsword of Beiige, Vanguard of Dark World, and let's head out of the shrine and confront our "uninvited guest".

Bertha Sellington went up and grabbed The Demonic Darkness Vanguard Greatsword of Beiige, Vanguard of Dark World, and we head out of the shrine, and Bertha Sellington fired a dark blue energy blast at the figure, but he'd dodged it, and we saw who it was: it was Majin Vegeta.

Nico: I should've known you'd come back one day, you remnant of Babidi's dark magic.

Bertha Sellington: But, this is going to be the last time we'll ever have to deal with you.

Majin Vegeta: You really think you're even a match for me?!

Bertha Sellington: Time for you to find out, and I'm going to cram those words right back down your throat.

Suddenly, Bertha Sellington's pink eyes turned neon pink and she was surrounded by a black and dark blue energy aura with darkness, demons, dark magic, and blue lightning, she unholstered her massive Beiige, Vanguard of Dark World's Demon Greatsword of Darkness Vanguard Justice from her back, and as she approached Majin Vegeta, she left black and dark blue energy, demons, darkness, dark magic, and dark blue lightning with every step.

Bertha Sellington: There's no way that I'm going to let you run free ever again, what you've done in the past just proves that you're nothing more than a dark shadow of Master Vegeta's past and a dark remnant of Babidi's dark magic, and I will see to it that you're destroyed here and now. Majin Vegeta, as the Gene-Slammer and Champion of Beiige, Vanguard of Dark World, you are hereby sentenced to death.

Suddenly, Bertha Sellington was surrounded by a massive vortex of black and dark blue energy with darkness, dark magic, and dark blue lightning surrounding it, there's an army of demons and Beiige, Vanguard of Dark World flying around the vortex, and inside the vortex is a pink phoenix. Then, as the vortex faded, Bertha Sellington emerged, but she was changed forever.

Let's get him and rip him in two!

Bertha Sellington and Lincoln went after Majin Vegeta, who continued firing blasts of energy at them, but they kept on deflecting them, and they fired extremely powerful blasts of rainbow energy, black and dark blue energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Majin Vegeta and they exploded with incredible power as they hit him. Nico: Uh oh, Bertha's really set him off now!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Bertha Sellington, her hand-cannon Blaster is known as Beiige, Vanguard of Dark World's Demonic Vanguard Darkness Dark Blue Lightningstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with dark blue lightning and spears on the blaster with a Phoenix, Angel, and Beiige, Vanguard of Dark World surrounded by darkness etched on the sides, and a brown gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Bertha Sellington fired blasts of rainbow energy, black and brown energy, and elemental forces at Majin Vegeta and as they hit him, they exploded with incredible power, and really knocked them down.

Lincoln spread his arms out wide and his rainbow energy aura flared up, and lightning came crashing down from the Heavens and black energy was charging up in his hands and the ground was quaking.

Nico: Is he about to…?!

Me: Yep, he's going to use the Final Flash technique.

Vegeta: But, for this one, he's using the energy of The Black Gates to end this once and for all.

Eli: This is going to be one big finale!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious

Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for you to disappear forever, Majin Vegeta! BLACK GATES FINAL FLASH!

Lincoln fired two massive black energy beams with black lightning at Majin Vegeta, and it overwhelms and it destroyed him in a massive explosion and his evil spirit was erased by The Black Gates forever. We all cheered wildly as we holstered our weapons and powered down, and Bertha Sellington's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue wolf tails, and massive dark blue angel wings are permanent.

Bertha Sellington: That's the end of you once and for all, Majin Vegeta. Thanks for helping me destroy the last remnant of Babidi's dark magic, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Bertha.

Suddenly, Bertha Sellington wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Bertha Sellington's face, they kissed passionately as Bertha Sellington's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Beiige, Vanguard of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Bertha Sellington came back to us as the display and Beiige, Vanguard of Dark World vanished.

Nicholette Torrington: (Stunned) I… , I literally have no words to even say what I just saw!

Nico: But, we do. Bertha, that was an awesome battle you and Lincoln fought against Majin Vegeta, and that was a really nice touch you added with that Black Gates version of the Final Flash, Lincoln.

Lincoln: Thanks, Nico, besides we did say this was the last time we'll ever have to deal with him.

Eli: That's right.

Krillin: Either way, I'm glad we never have to deal with that version of Vegeta ever again.

Varie: And we're rid of the last trace of Babidi's darkness for good.

Lincoln: You got that right, Varie, but I fear as though the last few traces of Babidi's darkness will be awaiting us later on today, but we'll be ready. (To Amara Thatcher) And it's so good to see you again, Amara Thatcher.

Amara Thatcher reverted back to normal, and she's a beautiful girl with long flowing blonde hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful angel wings: one right white angel wing and one left midnight black angel wing, and she reigned in the powers of Rainbow Dragon and Rainbow Dark Dragon, and she's dressed in a sleeveless open green blouse, sleeveless red midriff top, yellow skirt with purple flowers, pink shin guards with hearts, orange pants, blue socks, dark blue sneakers, and long white sleeveless trenchcoat with rainbow flames, rubies, topaz, amber, sapphire blue, cobalt blue, emerald, and amethyst gems, and dragons on the coattails and Rainbow Dragon and Rainbow Dark Dragon holding an amethyst gem on the back and holstered on her back is a Rainbow Dragon and Rainbow Dark Dragon-themed large greatsword with embedded rainbow gem and Rainbow Dragon and Rainbow Dark Dragon etched on the 7'0" massive, wide, double-edged rainbow blade, large dragon heads for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large dragon heads and a large rainbow gem on the bottom of the large dragon heads for the pommel.

Amara Thatcher: You too, Lincoln, it's been a long time, and it's also good to see you both again, Serenity and Vegeta.

Serenity Lexington: You too, Amara.

We were also stunned when we heard her mention Master Vegeta's name.

Me: Master Vegeta, you recognize her?

Vegeta: Yes, I do, J.D., but I'll explain after Lincoln reunites with Amara.

Lincoln went up to Amara Thatcher and he hugged her, and Amara Thatcher is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Amara Thatcher: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new, and you've really grown so much bigger in muscle, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her, and she also knows Vegeta?

Lincoln: Indeed I do, Nico, this is Amara Thatcher, she's my Guardian Angel from Rochester, New York and my classmate in Gym, she's also an old friend of Serenity Lexington, Gene-Slammer of Rainbow Overdragon. She's a Goth Girl who has powers of both light and darkness and she's a very powerful force for good, she also knows all kinds of light and dark magic, and she can also resurrect the dead and summon the forces of the undead. But, she also has a secret that only I and the other Guardian Angels know about her: like Galeia the Dark Elemental Angel, Amara Thatcher is also a dark angel that fell from heaven and has the powers of all the elemental forces of nature, and her power is just as strong as ours.

We gasped.

Me: Whoa, this is shocking.

Galeia the Dark Elemental Angel: It sure is. (Realizes something) Wait, now I remember, it turns out I wasn't the only dark angel who fell from Heaven and has the powers of all the elemental forces of nature, and has power just as strong as ours.

Lincoln: That's really interesting. Plus, Amara Thatcher Gene-Slammed herself on purpose into Rainbow Dragon and Rainbow Dark Dragon to also protect Lincoln from the bullies at school and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home.

Nico: Yep, I figured.

Vegeta: However, she harbored a very nasty and dark hatred for the two traitorous Saiyans, Raditz and Nappa.

We gasped.

Me: Holy crap.

Nico: Damn, I wonder what those two did to earn her wrath?

Lincoln: We'll find out about that later on.

Amara Thatcher: Yes, and Nicholette, you and the Dark World Goth Girls aren't going to like this part, because it's also connected to The Church of Necrom. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Amara, are you absolutely sure about this?

Amara Thatcher: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Amara Thatcher, and he saw that she's really serious, and he smiled as he walks over to Amara Thatcher, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Amara Thatcher's neck with colored gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Amara Thatcher: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Amara.

Amara Thatcher has a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Amara Thatcher's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Sakura Uzuki, Herriot, and Garnet from Puzzles and Dragons.

Lincoln: Oh wow, it's Sakura Uzuki, Herriot, and Garnet from Puzzles and Dragons.

Nicole: Awesome.

Lincoln: Are you girls okay?

Sakura Uzuki: Yes, we're okay, thanks to you.

Then, when Sakura Uzuki and the other two girls saw who it was that saved them from Majin Vegeta, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of

Sakura Uzuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Sakura Uzuki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sakura Uzuki, Herriot, and Garnet with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Bertha Sellington had gotten The Demonic Darkness Vanguard Greatsword of Beiige, Vanguard of Dark World, and they were shocked when they found out that the villain we went after was Majin Vegeta, who'd come back from the dead and he wanted revenge on Eli for destroying him.

But, when Lincoln showed what happened such as Bertha Sellington transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and she, Lincoln, and all of us laying a brutal beatdown on him, and Lincoln finishing it by using a Black Gates variation of the Final Flash and it sent Majin Vegeta to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Amara Thatcher have a lot of catching up to do, now that she's back in town.

Maria: Holy crap, I didn't expect Majin Vegeta to show up at all.

Lincoln: Same here, but he did return, and we didn't show him no mercy at all and sent him straight to The Black Gates forever.

May: We sure did, and he's never coming back.

---

After finally getting rid of Majin Vegeta and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 30,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Amara Thatcher saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 30,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Amara Thatcher: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 30,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Amara, and I can still defend

myself, and in addition to getting stronger, I've also gotten smarter as well.

Amara Thatcher: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Amara, what's the story on why you harbor a very nasty and dark hatred for Raditz and Nappa?

Vegeta: You're going to wish you hadn't asked that, Bokrua. The reason why Amara harbored a very nasty and dark hatred for Raditz and Nappa is because they killed Amara Thatcher's parents in cold blood.

We gasped in shock.

Me: Oh, God. Those two really are nothing but pure evil.

Vegeta: That's not the end of the story there, there was also another person who was with Raditz and Nappa as well: it was Damian Alaister.

We gasped in horror, and The Dark World Goth Girls were extremely pissed off now.

Nicholette Torrington: What?! Damian Alaister was also there too?!

Amara Thatcher: Yes, he was, and he stood there cackling at my pain and suffering like the insane psychopathic fucked-up madman that he truly is, before he sent them off to Planet Vegeta and he disappeared.

Vegeta: And of course, I was the one who told her everything: who Raditz and Nappa were, and that Damian Alaister was also the one who brought them and an evil version of myself back from the dead when he went completely off the deep end after what Lincoln and The Dark World Goth Girls have been doing in capturing the rest of The Church of Necrom.

Clara St. Clarice: That bloodstained, heartless monster! Damian Alaister really is a heartless demon from the darkest depths of Hell!

Lincoln: He sure is, Clara, and after Master Vegeta told her everything and gave his condolences to her, from that day on, she swore eternal bloody revenge on Raditz and Nappa for what they did in murdering her parents, and she also swore that if she ever saw Damian Alaister again, she would make him pay with his miserable life.

Eli: That bastard, is there literally no line he's willing to cross?!

Lincoln: None whatsoever, Eli, in fact, from what we've heard about them months ago from the info we'd gotten from Giselle Harrington to the revelations about them, The Church of Necrom are indeed the personification of unchecked evil and madness. But, in the end, we gave those malevolent demon Goths The Black Gates, and we also put a stop to every last one of their contingency plans, along with the big contingency plan: the resurrection of The Doomsday 23 months ago, and we made sure they were nothing more than a forgotten memory.

Amara Thatcher: Good riddance, they were scum.

Nico: And Lincoln destroyed Raditz and Nappa, along with that evil version of Vegeta.

Lincoln: Yep, and Amara, there's also two people who've been wanting to see you again.

Suddenly, the doors opened, and Amara Thatcher was surprised when she saw them: it was her Mom and Dad.

Amara Thatcher: Mom, Dad?!

Mr. Thatcher: (Smiles Warmly) Yes, sweetie, it's us.

Then, Amara ran up to them and she hugged them tightly as she cried, and they hugged her.

Amara Thatcher: But, how…? How were you both brought back?!

Lincoln: On Nico's rescue on the day before the war, we went to an abandoned graveyard planet, but we soon found out that this planet was once full of life, but it was turned into a graveyard and all of the inhabitants were killed by The Church of Necrom who stole The Staff of Xiyoega, a powerful Necromorphistic staff that has the power to reanimate the dead and cause murderous insanity. The inhabitants kept that staff locked away in their vaults, but Damian Alaister and his murderous friends found it, and they began using its power to destroy all life on the planet.

Amara Thatcher: That's awful.

Nicholette Torrington: It sure is. We eventually found it, along with a massive treasure trove of dark magic spell books, scrolls, Satanic artifacts, demonic statues, witchcraft books, and more. We kept the other stuff, but as for The Staff of Xiyoega, we took it outside and destroyed it. But, when The Staff of Xiyoega was destroyed, not only was the planet restored to life along with its inhabitants, but all over the Earth, the millions and millions of people who lost their lives because of The Church of Necrom were restored to life, and that also included your parents, Amara.

Amara Thatcher: That's incredible.

Ed Cowart: You got that right. Oh, and Lincoln, you and your harem, along with J.D. and his harem and Nico and his harem are coming with me on my next rescue.

Nico: Awesome.

Me: This is really going to be epic.

Lincoln: You said it.

We got a shower afterwards, and then, Ed Cowart, Cattleya, Nabiki Tendo, Aosaka Natsumi, Konami Hatano, Chiwa Amano Chiwa, Shino Ebizuka, Sana Kaizu, Yuno Kawakami, Wakana Shimazu, Wako Agemaki Wako, Atari Kou, Sarina Endou, Kei Madoka, Ruri Makina, Keito Nichi, Midori Okamoto, Sakana-Chan, Simone Aragon, Kinu Fukushima, Sarasa Honda, Asa Katou, Rinzu Kuroda, Momen Sanada, Sumi Ichijouji, Rasha, Saten, and Sophia, Lincoln and his harem, me and my harem, and Nico and his harem are heading to the northern part of Gotham Royal York, and not only is Ed Cowart going to rescue rescue the twenty-five girls there, but we'd gotten word that Spopovich and Yamu are back from the dead, and they're causing havoc.

And when the news of those two coming back from the dead reached us, the rest of the team are also out in full force.

Ed Cowart: Whoa, so my rescue's taking place here in the northern part of Gotham Royal York, but I also know what we're going to do here, not only am I going to rescue rescue the twenty-five girls there, but we'd gotten word that Spopovich and Yamu are back from the dead, and they're causing havoc.

Lincoln: Oh man, and those two were also among those who got ensnared by Babidi's dark magic.

Nico: Yep, but the only thing that makes them truly evil is that Spopovich and Yamu both embraced Babidi's dark magic, so they're truly evil, and like what happened with Majin Vegeta, they're going to be destroyed here and now.

Me: You got that right.

Goku: We still need to watch it with those two, even though Babidi is gone forever, they still have the powers that he gave them.

Lincoln: Not for long, Master Goku, and we're also going to find out who brought them back from the dead.

?: HEEEEEEEELLLLLLPPPPP!

Suddenly, we heard the sound of twenty-five girls calling for help, along with the sound of maniacal laughter. Ed Cowart's dark blue eyes and Lincoln's deep sapphire blue eyes, and their Third Eyes of The Buddha scanned the area and we all sensed the energy signals, and soon enough, we saw the twenty-five girls, but they've been cornered by Spopovich and Yamu, and they're going to kill them.

Ed Cowart: (Gasps) Let's get over there at once, guys, we found twenty-five girls, but they've been cornered by Spopovich and Yamu, and they're going to kill them.

We rushed over, and before Spopovich and Yamu could kill them, Ed Cowart and Lincoln fired blasts of dark blue and rainbow energy and elemental forces at them, and the twenty-five girls got to safety in a dark blue energy field created by Ed Cowart to protect them from Spopovich and Yamu, and when they saw us, they were enraged.

Spopovich: So, you're the weaklings who killed Babidi?!

Varie: Who wants to know?

Yamu: I knew it. Now, we will have our revenge on you all, Team Loud Phoenix Storm!

Ed Cowart: Not happening any time soon, Yamu. Let's get them, Lincoln!

Lincoln: Yeah!

Ed Cowart unholstered his massive Hades' Infernal Dark Fire Underworld Hellhound Damned Soul Greatsword of Dark Fire Underworld Damned Soul Hellhound Justice from his more wider and more muscular back and he transformed into Super Angel-Hellhound-Harmony Celestial Eternal Xelnaga Darkness Firestorm Phoenix Infernal Hades Hellhound Angel of Divine Dark Infernal Firestorm Hellhound Justice and Divine Infernal Dark Fire Phoenix Hope, and Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and they went after Spopovich and Yamu, and they fired extremely powerful blasts of rainbow energy, dark blue energy, dark blue fire, leaves, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Butterflies, Succubi, Incubi, Hydras, Hellhounds, Skulls, Damned Souls of The Underworld, and Mermaids at Spopovich and Yamu, and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving painful scars on them. This angers Spopovich and he tried to attack them, but Lincoln kicked him hard in the stomach and Ed Cowart tossed Yamu at Spopovich and they crashed hard into the ground.

Ed Cowart: (Divine Echoing Cosmic Voice of The Infernal Darkness Fire Hellhound Phoenix and Diving Dark Underworld Infernal Fire Justice) Now, to find out who brought you bastards back and send you back to your deaths once more. Lincoln, if you would?

Lincoln turned the tips of two of his eleven massive and long white wolf tails into Cell's stingers and as he stabbed it into the chests of Spopovich and Yamu, they screamed in agonizing pain as Lincoln began absorbed them and he assimilated their strength, but he also found out that the one who had brought them back was Shūkurō Tsukishima, our next enemy for the Bakugan Gene-Slammers to face. Then, as Lincoln retracts his tails and the stingers changed back, Spopovich and Yamu's spirits appeared from blast of lights fired from Lincoln's massive greatsword, and Lincoln fired two black Negative Karma Balls with the Judgement Kanji in it and it hits Spopovich and Yamu's spirits, and he was sent to The Black Gates forever. Everyone cheered wildly as they holstered their weapons and powered down.

Nico: We did it, now we're finally rid of Babidi's evil for good. So, do we know who brought them back from the dead?

Lincoln: Yep, it was Shūkurō Tsukishima, another enemy of the Soul Society.

We gasped.

Rukia Kuchiki: I should've known he was behind it.

Ed Cowart: Well, now we know who it was that brought him back, and now, we'll be dealing with him after we finally get rid of Team Loud Evil Storm.

Then, we went up to the twenty-five girls, and when Ed Cowart saw them, he immediately recognized them. The twenty-five girls are Aiko, Audrey, Beli, Celeste, Jessie, Kyanna, Kyu the Love Fairy, Lola, Momo the Cat Girl, Nikki, Tiffany, Venus, Brooke, Candy Crush, Lailani, Lillian, Marlena, Nadia, Nora, Renee, Sarah, Zoey, Abia, Ashley, and Polly from Huniepop.

Ed Cowart: Oh wow, it's Aiko, Audrey, Beli, Celeste, Jessie, Kyanna, Kyu the Love Fairy, Lola, Momo the Cat Girl, Nikki, Tiffany, Venus, Brooke, Candy Crush, Lailani, Lillian, Marlena, Nadia, Nora, Renee, Sarah, Zoey, Abia, Ashley, and Polly from Huniepop.

Nicole: Awesome.

Ed Cowart: Are you girls okay?

Aiko: Yes, we're okay, thanks to you.

Then, when Aiko and the twenty-four girls saw who it was that saved them from Spopovich and Yamu, their faces turned atomic red upon seeing the 7'5" handsome and extremely muscular bare-chested man with abnormally massive and powerful upper and lower body muscles, eight-pack abs, wild long dark brown hair going down to the bottom of his neck and dark blue highlights in the bangs of his long dark brown hair, the mythical three-headed hellhound Cerberus and a phoenix emblazoned on his forehead and a Third Eye with dark blue iris, he has on hellhound earrings with dark blue gems for eyes and holding the Dark, Fire, Infernal, and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with dark blue gem embedded in the black metal flame links and dark blue crystal links and a dark blue phoenix-shaped Element of Harmony in the center and on the bottom of The Element of Harmony is a hellhound with dark blue gems for eyes and holding the Dark, Fire, Infernal, and Eternity Kanjis in its paws for the pendant on his bare chest and a gold version of He-Man 2002's chest harness with a phoenix on it and dark blue gems on the gold straps, and is dressed in a dark blue version of He Man 2002's loincloth, long dark blue trenchcoat coattails with pitch black flames, hellhounds, and the souls of The Underworld on the coattails and with dark blue flames coming off the loincloth and coattails, large black jeans with dark blue flames on the legs, large black leather knee-high combat boots, he now has nine large dark blue orbs orbiting around his legs, dark blue fingerless gloves, and Stone of Gelel embedded in his large left hand, he has a tattoo him and Cattleya kissing, and he's surrounded by Nabiki Tendo and his brand-new future wives tattooed on his massive and wide right pec, and he has Cerberus and a dark blue phoenix on his more wider and more muscular back with a dark blue kanji below Cerberus and the phoenix that said, "Ed Cowart, Brave and Righteous Leader of The Anti-Royal Defenders Resistance, Intelligence Gatherer of Team Loud Phoenix Storm, Loving Boyfriend and Future Husband of Many Future Wives, Loving Father of Rana, Archenemy of Demitri Maximoff, Destroyer of Sindri Myr and His Servants of Eternal Chaos and The Fanatical Worshipper Mikey Tomlinson, Slayer and Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary and Champion of Hades, and Master of Darkness, Infernal Dark Blue Flames, and The Wailing Souls of The Underworld", he has dark blue eyes, massive dark blue angel wings with black tips on the large dark blue feathers, nine large dark blue orbs orbiting around his legs, eleven massive and long dark brown wolf tails, he has on a Ring of The Phoenix with dark blue gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern ring on his left ring finger.

Aiko: Oh wow, you're Ed Cowart of Team Loud Phoenix Storm.

Ed Cowart: That's right, and it's a pleasure to meet you all.

Then, Ed Cowart made twenty-four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider and muscular backs of Ed Cowart and his clones, and we cheer wildly.

Aiko: (Seductively and rubs her right hand on Ed Cowart's massive right pec) You too, big, tall, muscular, and handsome.

We came back to The World Tree Estate, and Aiko, Audrey, Beli, Celeste, Jessie, Kyanna, Kyu the Love Fairy, Lola, Momo the Cat Girl, Nikki, Tiffany, Venus, Brooke, Candy Crush, Lailani, Lillian, Marlena, Nadia, Nora, Renee, Sarah, Zoey, Abia, Ashley, and Polly were made new members of Ed Cowart's harem.

Maria: Wow, now that makes two successful rescues for Ed Cowart, awesome. Plus, we also got rid of Spopovich and Yamu once and for all, but we also now know that Shūkurō Tsukishima was the one who brought them back.

Lincoln: Yep, and Daria and I are going to destroy him later on today.

Daria Kuso: After we get rid of the last seven members of Team Loud Evil Storm and make them pay with their lives.

Nico: You got that right, Daria.

---

On universe 666 Earth located 34 billion lightyears away from Our Earth, Good Luthor, Good Burns, and Good Flip were breaking into a safe. Good Luthor was wearing his same armor that he wore when he and the Justice League we know and love defeated the original Crime Syndicate. Good Burns' left arm was actually a cybernetic arm.

Good Luthor: (Good Flip was hacking into a nearby computer) Do you think you can hack through, Flip?

Good Flip: Don't sweat it, Lex. I'm not best hacker for nothing. Besides, Banno gave me the codes before he followed Crocker and Evolt to that other world.

Good Burns: Going to that other world is the reason why we're breaking into here.

The nearby vault with lasers then had said lasers deactivate.

Good Luthor: Burns, you do the honors. I already did this part before.

Good Burns: My pleasure.

Good Burns' cyberetic arm then fired a laser at the vault doors, blasting them open.

Good Flip (sarcastically): Well, that's stealthy, Burns!

Good Burns: We knew damn well when you shut down the laser grid, it sent off a silent alarm. They're already on their way.

They then entered the vault and Good Flip threw a bomb that blew up the door on one of the safe's doors. Inside was a familiar device to Good Luthor.

Good Flip: The Quantum Trigger!

Good Luthor: Just like last time.

Good Burns: We already have the advantage thanks to us arresting nearly all of Evil Nico's goons. But with this? We have a surefire way of defeating him.

Good Luthor: It will be salvation.

Then an alarm sounded.

Good Luthor: Uh oh.

The three of them then start to run down the corridor. Then the security door started to close behind them, only for something to burn them down. On the last security door, Good Burns fired a laser from his cybernetic arm, welding the door shut.

Good Luthor: That's not going to hold them for long

Good Flip lifted a floor panel allowing Good Luthor and Good Burns to jump in. Before Good Flip jumped down, he saw someone burning through the door.

Good Flip: That's not going to hold them at all. (jumps down)

He looked up to see two shadows running past. He looked around to see Good Burns and Good Luthor opening an escape hatch and jumping down it. The two of them looked up to see Good Flip not jumping down.

Good Luthor: What are you waiting for?

Then, someone started to break through the ceiling.

Good Flip: You guys go. I'll hold them off.

Good Luthor: No! Jester already died for me before. And that was before the Ben of the Royal Defenders universe accidentally reset this world when he used his Alien X form!

Good Flip (sadly smiles): You gotta face facts. We knew one of us was gonna bite the dust on this trip. Might as well be me! (closes the hatch)

Good Burns: Lex, there's nothing we can do for him. He's sacrificing his life so we can get out of here. We shouldn't waste that chance.

Good Luthor nodded grimly before the two of them kept going.

Good Flip then turned around to see the evil versions of Lori, Lynn, and Lola jumping down.

Good Flip: Hey there, Louds. Haven't seen you 3 since Cinder and Masato took down Luan and Lisa. Good to see you again!

Evil Lola then stabbed Good Flip in the chest with a fire sword, making him grunt in pain.

Good Flip: Well, guess the feeling ain't mutual!

Evil Lori: It literally isn't!

Evil Lynn: Just give us what you stole and we might let you live!

Good Flip: We both know that's a lie. But I got one last trick to play!

Good Flip then revealed a bomb in his hand.

Evil Lola: Oh fuck.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It destroyed them.

Meanwhile outside, Good Luthor and Burns had just exited a sewer pipe and looked at the city of Gotham Royal York covered in metal with tall buildings. They saw Good Masato Kusaka and Good Cinder walking to them.

Good Cinder: You two made it. Was Flip behind you?

Then an explosion happened on a floor of the center building..

Good Burns: (sadly) I guess we know the answer to that question.

Good Luthor: (closes his eyes) It won't be in vain, old friend.

?: Luthor!

The 4 of them saw the evil versions of Nico, May, Maria, William, Optimus, Ben, Danny, and Mega Man walking to them.

UH OH!

Evil Nico: Did you really think you could get away from Mega Man's scanners?

Evil Danny: Guess again!

Evil Mega Man: Targets identified. Prepare to be eliminated.

Evil William: Surprised, chumps? You may have taken down most of our forces. But we kept Mega Man in storage for emergencies.

Evil Optimus: We don't know where Crocker and Evolt are. But we'll kill them after we kill you!

Evil May: Let's kill them now, honey!

Evil Maria: Yeah! Let's kill them!

Evil May growled in jealousy at this.

Evil Ben: You guys are gonna pay for what you did. That's a promise!

Good Masato Kusaka: We have a promise of our own. We're gonna finish what Flip started! Starting now!

With that, Good Luthor activated the Quantum Trigger, teleporting the 4 of them to another Earth.

Evil Nico: Find them!

Evil May: And kill them!

* * *

Later me and Vypra were seen walking down the street and then we saw a portal open up.

The 4 of them appeared in the middle of the street, two cars barely stopping themselves so as to not crash into them. He wore some sort of suit of armor.

Good Burns: (the people got out of their cars) Ahoy hoy. Can anyone tell us where to find the nearest police station?

Soon, they got to a police station.

Good Luthor: Hello there. We're here with an important message.

Tom Lair: You're gonna have to get in line buddy. Everything is important these-

He then saw who it was.

Tom Lair: (gets his gun out) Lex Luthor, Cinder Fall, Burns, and Masato Kusaka! We haven't met Masato yet but Tsukasa said he's an asshole!

Good Masato: Take it easy. We just need you to contact Team Loud Phoenix Storm.

Tom Lair: Or what?!

Good Cinder: (shrugs) Or we'll destroy the world? Is that enough?

Good Cinder then melts apart a nearby wall non-lethally, making everyone run around. Then, the four of them raised their hands.

Me: (GASP)

Me and Vypra went over.

Me: Tom wait! Those are the good versions of Lex Luthor, Cinder Fall, Burns and Masato! They are from Universe 666 and are from the wartorn Earth that was ravaged by evil versions of us.

Tom Lair: Right! Irma told me about what has been happening! That is horrible!

Me: It's all right everyone! These guys are from another universe where they are good and there are evil versions of us. That they are fighting against.

Vypra: He's right! It's an ugly story.

Me: But Tom you better come with us so we can tell you all whats been happening.

Good Luthor: But J.D. I'm glad we found you.

Me: We were warned about everything that happened to you and for that you have our condolences.

Good Luthor: Thank you and I see you have J.D.'s necklace.

Me: Long story. Tom you better bring the rest of the team down here.

Tom Lair: Right.

Back at the estate, Vegeta was training.

Then the phone rang.

Vegeta: (picks up phone) Hello?

Tom Lair: Vegeta, you and the others better come here right away.

Vegeta: What's the problem?

Tom Lair: Universe 666 versions of certain villains are here.

Vegeta: We're on our way! Bokrua, Kakarot, everyone we have company!

They went to the area they came to.

Nico, Pesto, and the others walked into the interrogation room. There, we saw Good Luthor naked due to not having his armor. He was reading a newspaper while Good Cinder looked away blushing like mad.

Pesto: (covers his eyes) Jesus, you trying to get Nicole to kill you?!

Good Luthor: Relax. I've come to talk. As you can see, we're not armed.

Good Burns: My left arm however can't removed.

Me: Geez what happened with your arm?

Good Burns: The evil version of Homer ate it off me.

All of us: EWW!

Me: Yuck!

Homer: I can't believe he would do that!

Superman knew who this version of Luthor was. But just to be sure, he used his X Ray vision.

Good Masato: You're going to find our story very hard to believe.

Superman: (smiles at Good Luthor) It's good to see you again.

Maria: You know this version of Luthor?!

Superman: Me and the others teamed up with him to defeat the Crime Syndicate. And I recognize those reversed organs and heart anywhere.

Me: Really? I didn't know that Kal.

Lincoln: (growls) It's probably a trick!

Nico: Maybe. But the Burns, Luthor, and Cinder we know got destroyed by the Black Gates already.

Good Luthor: I'll never forget how you and the Justice League helped me before, Superman. But now, I need your help again. (about to get up)

Good Cinder: (blushing) For God's sake, Lex, put some fucking pants on!

I pulled out a robe and gave it to him.

Good Luthor: Thank you.

He put it on.

Qin: We better get to the estate.

Nico: Good idea.

We went back to the estate.

Superman: I don't understand. We helped you defeat the Crime Syndicate.

Good Luthor: You did. But when the Ben Tennyson of the Royal Defenders world used Alien X to reset his universe, my universe was reset as well.

Runabout: I'm sorry. We didn't know.

Me: Reversal Merging Paradox. So Universe 23 was merged with that of Universe 666.

Good Burns: We know there was no harm meant behind that. Besides, this time, Lex has a living Justice League to lead.

Me: That's true he does. But this is also the Prime Universe. Our version of King Kai told us that your world is located 34.6 billion lightyears from our Earth.

Good Cinder Fall: That far away!? Wow!

Xenia: Yeah we were shocked ourselves.

Nico: I just can't believe that there is really a version of us that is that evil.

Me: But thank goodness there's only seven of them.

Maria: What else do we need to know?

Good Cinder: Well, Evil Nico did have his version of May as a girlfriend for a few years. But eventually, he got bored of her and started having your evil self as a girlfriend behind Evil May's back.

We gasped again!

Nico: That is completely absurd! I would never cheat on May!

Xenia: Yeah! Nico is too good a person to do that!

May: I agree too! Nico may be always available on the market but that is going too far!

Maria: And besides I'm already happily married to the man I love.

William: I am married to Maria now too!

Nico: Yeah no kidding!

Blurr: I still can't believe only 8 of those dirtbags are left.

Good Luthor: You guys always win your battles. So, in our world, your evil selves are pushovers. We locked almost all of them up. But there have been a few powerful ones we were forced to kill.

Good Crocker: Like the Jorgen of our world that took me and Evolt 24 hours to kill.

Me: Whoa! They don't call Jorgen Von Strangle the Toughest Fairy in the Universe for nothing.

Good Crocker: That's for sure.

Lola: Was the Trinity of Violence there too?

Good Luthor: Yes there was an evil version of you guys. But our universe's version of Flip blew himself up and took them with him.

We gasped!

Me: Whoa!

Laney: I never thought I would see the day where that cheepskate would make the ultimate sacrifice to redeem himself.

Me: Yeah me neither. The Prime universe version of him is being used as Humiliation Fodder as punishment for his crimes here. But that version of Flip will be remembered.

Lincoln: Dammit! He beat me to them!

Good Luthor: Do you think I'm happy about his death either?! I tried telling Flip to come with us! But he chose to remain behind!

Me: He is a true hero.

Nico: Yep.

Qin: Yeah no kidding there.

Pyrrha: But Cinder it's just horrible that you guys went through all that.

Good Cinder: No kidding there.

Lola: Yeah.

Good Masato: It's good you guys are getting these usual battles out of the way now. Because it's still in development. But Evil Nico's planning to use a bomb that will destroy a universe it's detonated in.

We gasped!

Me: WHOA MAN!

Spiderman: That's like what Spider Carnage was going to do!

Qin: Not good!

Me: Then we got to stop them pronto.

Good Masato: Relax. I said it's still in development. But you should still get the usual battles out of the way now.

Me: Good idea. Also Masato, in the future we're going to face your Prime Universe Counterpart in 2023. And that's Cassidy's ambassador missions.

Cassidy: It sure is.

Good Masato: Good. I hope you guys kill that evil version of me.

Me: I have a feeling we will.

Miranda: Nico, which teams have you made this time?

Nico: Margo's team will include Arrowette, Charlotte Hazelrink, Vivi Nefertari, Marle, and Orta. Paula's team will include Aussa, Kamui, Supreme Kai of The West, Lyn, and Aika Kiryuu.

Me: Cool!

Eli: Yeah!

Goku: But the Supreme Kai of the West was destroyed by Majin Buu.

Me: Not for long.

I snapped my fingers and resurrected all the people and planets that Majin Buu destroyed.

Including the Kais.

Nico: Nice.

I wasn't exhausted even in the least.

Marle: Awesome.

Vivi Nefertari: But it'll be na honor to be part of a team.

Aika: Same here.

Good Luthor: You know, this is the kind of system for the Made Men the Crime Syndicate made before. And that the Team Loud Evil Storm inherited from them.

Me: Very interesting.

Lola: But not in a good way.

Qin: Yeah.

Then the Dark Signers, Robo Blaze, Dr. Light, Skulker, SHS

Carnage, Bui, Professor Monkey for a Head, Cammie Chameleon, Superfriends Giganta, Tobias Whale, Blackbird, Trifire, Evil Bright Man, and Live Action Bonecrusher appeared.

Nico: The Dark Signers, Robo Blaze, Dr. Light, Skulker, SHS Carnage, Bui, Professor Monkey for a Head, Cammie Chameleon, Superfriends Giganta, Tobias Whale, Blackbird, Trifire, Evil Bright Man, and Live Action Bonecrusher.

Roman Goodwin: So, if you're good in your universe…

Carly Atlas: Then the prime version of you-

Good Masato: Is an unrepetent asshole? Got it in one.

Me: Yep.

Devack: Considering his history, I'm not surprised!

Me: And we're going to kill him.

Misty: (to Nico) We heard you went to a soda factory.

Me: We sure did.

Kalin: Good thing the mascots didn't come, huh?

Me: Thank goodness.

?: Boy no kidding.

A figure came out and it was FLAPNAROK from episode 10 of Dino Fury!

---

Over 65 million years ago, Flapnarok and the other Sporix Beasts were created on Rafkon by military leaders hoping to use them as weapons against an approaching evil. Aiyon believed they are dangerous and as he predicted, they eventually turned against their creators and desired to destroy all life in the universe. Though Zayto and his fellow Knights of Rafkon fought hard, the Sporix ravaged

Rafkon and removed all traces of life from the planet. The Sporix then turned their attention to Earth but Zayto and the remaining Knights had managed to escape Rafkon and tracked the Sporix Beasts to Earth where they engaged them in battle with the help of the dinosaurs and other prehistoric creatures. Despite the Knights initially having the upper-hand against the Sporix, most of them grew enough in power over time to grow giant and force the Knights of Rafkon and thier dinosaur allies to retreat. When all seemed lost however, the Morphin Masters arrived and bestowed the Morphin Grid's powers to Zayto and his followers, as the first Ancient Dino Fury Rangers which gave them the advantage they need to defeat the Sporix Beasts and seal them inside of their eggs. When the other Sporix are accidentally released in the modern day during Void Knight's invasion of Dinohenge, Flapnarok is amongst the Sporix Beasts that escape. Flapnarok was one of the many Sporix Eggs Void Knight collected in his attempt to revive Santaura. Eventually, she was used alongside the other captured Sporix to revive Santaura. Sometime after Santaura became Void Queen, Mucus came back to Area 62 with a special collar that could grow somebody into a giant. Intrigued by the power of the collar, Santaura goes to the machine and pulls out Flapnarok's Sporix Egg. Flapnarok hatches out of her egg and Santaura tells Mucus to give her the collar. Mucus refuses to out of the 'finders keepers' rule, but Santaura zaps her and the collar flies into Flapnarok's hands. With the collar, Flapnarok grew without needing to wait for the Sporix's biological time frame to grow naturally and attacked Pine Ridge. The Rangers get an alert of Flapnarok's rampage, shocked how a Sporix Beast grew that quickly. The five teleport to Pine Ridge as Flapnarok continues to destroy the city, nearly zapping the Rangers in the process. After morphing, the Rangers summon their Zords and form the Megazords. Zayto leads Amelia and Ollie in the Dino Fury Megazord Smash Formation, while the Garcia siblings pilot the Ptera Freeze Zord Battle Mode. They manage to stop Flapnarok from flying to New York, but she zaps the Ptera Freeze Zord in response. Knowing they need more power, the Rangers combine the Zords into the Ptera Smash Ultrazord. However, none of their attacks work against Flapnarok, and she shoots lightning at them, bringing the Ultrazord down. The Rangers are ejected from the Ptera Smash Ultrazord as Flapnarok taunts them of their defeat. However, she soon shrinks back to human size, realizing that the collar ran out of energy. Flapnarok summons the Hengemen as the Rangers try to get the collar out of her hands. However, the monster and the Hengemen overwhelm the team and they retreat to Area 62. Once the collar is recharged, Flapnarok returns to the city to resume her attack. However, the Rangers came back for a rematch with the newly stabilized Primal Ultrazord. The Rangers confront Flapnarok in the Ultrazord, using its speed to get behind her and toss her through the mountains. After taking Flapnarok through the sky and the ocean, they blast her into space with the Primal Triple Beam. Zayto summons the Megafury Saber as the Rangers finish Flapnarok with the Primal Ultra Blast. It's presumed that Flapnarok returned to her Egg form and the Rangers collected her.

---

Zayto: Flapnarok!

Flapnarok: First time having a battle with you all.

Me: I remember you! You were giant right off the bat and you were destroying everything!

Flapnarok: That's right. Good memory.

Me: Yeah I get that a lot.

Flapnarok: I'm the first Sporix Beast who's in the usual battles!

Nico: You sure are.

Qin: This is gonna be so awesome.

Cornelia: I think so too.

Lola: Yeah!

We got the battles underway.

---

Sweetie Belle: Their stories are cool too.

FLASHBACKS

(SIENNA DAWSON FLASHBACK)

Sienna Dawson: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 30,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sienna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sienna Dawson: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Sienna, what's the story you had on almost freezing Hawk, Hank, Pablo, and Anderson forever in Amethyst crystal.

Sienna Dawson: You're not going to like hearing it one bit. One day, Lincoln and I were heading back home after another day in class. But, then, we heard the sounds of angry bellows, and we knew who it was that made those angry bellows: it was those butt-faces from Hazeltucky, Hawk and Hank, and those two heartless psychopaths, Pablo and Anderson, and they were really really pissed off, and they were inside a car they hi-jacked and they were trying to run us over and kill us. I was so pissed off big time, I literally lost it and caused a massive cluster of amethyst crystal and gems to erupt from nowhere and it literally tore the tires off and shredded the car, and that caused Hawk, Hank, Pablo, and Anderson to abandon the car, and that got them so pissed, they got the parts of the car and they were going to beat us to death, but Lincoln fired powerful blasts of lightning and electrocuted those butt-face assholes so badly, they went flying into a wall and were knocked out. I wanted to freeze them forever in amethyst crystal, but Lincoln stopped me and I saw into his eyes that he wanted them put away in jail, so instead, I put amethyst crystal handcuffs on them and called the cops. Then, they arrived, along with J.D. who grabbed Hawk and Hank and threw them back in the police car and drove off and Lincoln and I literally kicked Pablo and Anderson into the other car and it drove off. Here's the video to show it.

We then saw the video and it matched what Sienna Dawson told us: she literally lost it and caused a massive cluster of amethyst crystal and gems to erupt from nowhere and it literally tore the tires off and shredded the car, and that caused Hawk, Hank, Pablo, and Anderson to abandon the car, and that got them so pissed, they got parts of the car and they were going to beat them to death, but Lincoln fired powerful blasts of lightning and electrocuted those butt-face assholes so badly, they went flying into a wall and were knocked out, she wanted to freeze them forever in amethyst crystal, but Lincoln stopped me and I saw into his eyes that he wanted them put in jail, so instead, she put amethyst crystal handcuffs on them and called the cops. Then, they arrived and I did as well, and I grabbed Hawk and Hank and threw them back in the police car and drove off and Lincoln and Sienna literally kicked Pablo and Anderson into the other car and it drove off.

When the video finished, everyone was pissed off at those assholes.

Nico: Why, those butt-faced heartless psychos! They really went too far that day!

Me: They sure did, and Sienna wanted them frozen in amethyst crystal forever, but Lincoln stopped her from doing so and she saw it in his eyes that he'd rather have them put in jail forever. But, that didn't deter Hawk and Hank, because Abigail Sanchez busted them out to carry out her plan to cause Dark Eddy to emerge and try to bring back The 20 Days of Darkness, but Nico put his curse in place and Audrey Sauron's ring were not only keeping him in check, but Dark Eddy's also suffering from the beatings the kids gave him.

Lincoln: Yep, her plan had failed, and she, Hawk, and Hank were given the King Midas' Golden Touch Vengeance Curse, and are now frozen forever as gold statues and are back in prison forever, and we are also humiliating Pablo and Anderson, along with Flip, Lewis Travolta, Bubble Bass, Icky Vicky, Amy, Trina Riffins, and Billy McLean forever.

Sienna Dawson: Good, those two butt-faces were scum, and so was that bitch, Abby Sanchez.

Lincoln: What she did to Luan, that was just going too far, and it's because of her, we suffered from Dark Luan's lethal pranks, so this all began with her.

Lori: And it literally ended with Dark Luan and the other Dark Louds getting The Black Gates and Abby Sanchez getting turned into a gold statue, along with Hawk and Hank.

Luna: You got that right, sis.

(AMARA THATCHER FLASHBACK)

Amara Thatcher: Whoa, Serenity's right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 30,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Amara, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Amara Thatcher: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Amara, what's the story on why you harbor a very nasty and dark hatred for Raditz and Nappa?

Vegeta: You're going to wish you hadn't asked that, Bokrua. The reason why Amara harbored a very nasty and dark hatred for Raditz and Nappa is because they killed Amara Thatcher's parents in cold blood.

We gasped in shock.

Me: Oh, God. Those two really are nothing but pure evil.

Vegeta: That's not the end of the story there, there was also another person who was with Raditz and Nappa as well: it was Damian Alaister.

We gasped in horror, and The Dark World Goth Girls were extremely pissed off now.

Nicholette Torrington: What?! Damian Alaister was also there too?!

Amara Thatcher: Yes, he was, and he stood there cackling at my pain and suffering like the insane psychopathic fucked-up madman that he truly is, before he sent them off to Planet Vegeta and he disappeared.

Vegeta: And of course, I was the one who told her everything: who Raditz and Nappa were, and that Damian Alaister was also the one who brought them and an evil version of myself back from the dead when he went completely off the deep end after what Lincoln and The Dark World Goth Girls have been doing in capturing the rest of The Church of Necrom.

Clara St. Clarice: That bloodstained, heartless monster! Damian Alaister really is a heartless demon from the darkest depths of Hell!

Lincoln: He sure is, Clara, and after Master Vegeta told her everything and gave his condolences to her, from that day on, she swore eternal bloody revenge on Raditz and Nappa for what they did in murdering her parents, and she also swore that if she ever saw Damian Alaister again, she would make him pay with his miserable life.

Eli: That bastard, is there literally no line he's willing to cross?!

Lincoln: None whatsoever, Eli, in fact, from what we've heard about them months ago from the info we'd gotten from Giselle Harrington to the revelations about them, The Church of Necrom are indeed the personification of unchecked evil and madness. But, in the end, we gave those malevolent demon Goths The Black Gates, and we also put a stop to every last one of their contingency plans, along with the big contingency plan: the resurrection of The Doomsday 23 months ago, and we made sure they were nothing more than a forgotten memory.

Amara Thatcher: Good riddance, they were scum.

Nico: And Lincoln destroyed Raditz and Nappa, along with that evil version of Vegeta.

Lincoln: Yep, and Amara, there's also two people who've been wanting to see you again.

Suddenly, the doors opened, and Amara Thatcher was surprised when she saw them: it was her Mom and Dad.

Amara Thatcher: Mom, Dad?!

Mr. Thatcher: (Smiles Warmly) Yes, sweetie, it's us.

Then, Amara ran up to them and she hugged them tightly as she cried, and they hugged her.

Amara Thatcher: But, how…? How were you both brought back?!

Lincoln: On Nico's rescue on the day before the war, we went to an abandoned graveyard planet, but we soon found out that this planet was once full of life, but it was turned into a graveyard and all of the inhabitants were killed by The Church of Necrom who stole The Staff of Xiyoega, a powerful Necromorphistic staff that has the power to reanimate the dead and cause murderous insanity. The inhabitants kept that staff locked away in their vaults, but Damian Alaister and his murderous friends found it, and they began using its power to destroy all life on the planet.

Amara Thatcher: That's awful.

Nicholette Torrington: It sure is. We eventually found it, along with a massive treasure trove of dark magic spell books, scrolls, Satanic artifacts, demonic statues, witchcraft books, and more. We kept the other stuff, but as for The Staff of Xiyoega, we took it outside and destroyed it. But, when The Staff of Xiyoega was destroyed, not only was the planet restored to life along with its inhabitants, but all over the Earth, the millions and millions of people who lost their lives because of The Church of Necrom were restored to life, and that also included your parents, Amara.

Amara Thatcher: That's incredible.

Ed Cowart: You got that right. Oh, and Lincoln, you and your harem, along with J.D. and his harem and Nico and his harem are coming with me on my next rescue.

Nico: Awesome.

Me: This is really going to be epic.

Lincoln: You said it.

Astro Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: I think it's obvious for that one. It's going to be Nidoking next.

Qin: Nice!

Xenia: Yeah this is gonna be good.

Lola: Yep. I think we're ready.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, the dark blue iris of Ed Cowart's Third Eye, the colored irises of The Dark World Goth Girls, and the green iris of Nabiki Tendo's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Shūkurō Tsukushima, a Fullbringer that served as a member of Xcution, and he's coming to get revenge on The Soul Society. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Shūkurō Tsukushima coming after us?

Lincoln: You guessed it, Rayman, and he's coming to get revenge on The Soul Society yet again, and on me for killing Spopovich and Yamu.

Nico: Should've known he'd come after us as soon as the word of their deaths had reached him.

Daria Kuso: Yeah, but me and Lincoln are ready for him, he's going to get burned.

Dan: You got that right, but just be careful, okay, Daria?

Daria Kuso: I will, Dan.

Me: She'll be careful, Dan, besides, Lincoln's going to be with her.

Nicole: Yeah, and they're going to burn that Fullbringer to ashes.

Nico: That delusional Fullbringer's going to die a brutal death for the harm he's inflicted on all those around him. Alright, gang, it's time to gear up.

We geared up with machine guns, laser blasters, machetes, explosives, and all kinds of weapons.

Nico: Now, this is what I'm talking about, we're now geared up with tons of weapons, and now, it's time to head to Universe 666 Earth and take on the last seven members of Team Loud Evil Storm and we're going to make every single one of those monsters pay and erase all of their entire influence from their universe forever.

Lincoln: None of them deserve to live a single second further, not after everything they've done in their universe, all of the blood they've spilled, all of the people they've tortured, killed, and slain will be avenged here and now!

Nico: You said it, Lincoln, never again will we let those bastards live a single second further.

Me: Yeah, today is the day they die!

Lincoln: The Judgement of God and Heaven is already upon their damned souls, and once we get done with Team Loud Evil Storm once and for all, you're next, Shūkurō Tsukishima.

Just then, Good Evolt, Good Crocker, and Good Burns appeared, along with the rest of The Masters of Evil.

Good Evolt: I see you guys are already prepared, and that was a good speech you gave, Lincoln.

Lincoln: Just needed a little something to get us all even more ready and full of action for this day.

Nico: That's right. You know, you should make more of those speeches, Lincoln, that kind of talk can really get someone going and ready, including us.

Girl Jordan: He always has that kind of influence of getting us ready.

Me: He sure does. Now, then, shall we?

Nico: Yep. Get ready, Team Loud Evil Storm, it's JUDGEMENT DAY!

Everyone: AND EVERY LAST SINGLE TRACE OF YOUR INFLUENCE WILL BE ERASED FROM EXISTENCE FOR ETERNITY!

We all set off for Universe 666 Earth for the most explosive and epic battle ever: Team Loud Evil Storm, YOUR TIME IS UP!

---

We arrived at Universe 666 Earth and we were in what was left of Royal Woods and it was a completely decimated and wartorn world.

Me: My god.

Everything was completely ruined and there was lightning storms all over and the world was ruined beyond all form of repair. It was absolute devastation as far as the eye could see.

Nico: My god. This is horrible.

Eli: It's worse than big bro's dream.

Lola: Yeah this is awful.

Nico: We better keep our energy hidden.

We masked our energy levels.

We arrived at the base of the resistance.

The Jester, who's the good version of Joker, and the good version of Tyrian were taking a nap inside Universe 666 Justice League's base when we appeared. The two of them got into battle positions.

Snake: Easy, dudes!

Roman Torchwick: It's just us.

The Jester: Oh sorry.

Good Luthor: And I brought some help.

Me: Sorry to disturb you all. We are Team Loud Phoenix Storm.

The Jester: Oh wow!

Nico: I am the good version of Evil Nico.

Qin: It's a really long story.

Me: We saw that the city we were in was made mostly of metal.

Good Tyrian: Yeah it's crazy.

Phage: A city made out of mostly metal. Not the apocalyptic wasteland we thought it was.

Goku: Reminds me of what we saw on the Machine world of General Rilldo.

Me: That was crazy Master Goku. I remember hearing about that from Pan.

Qin: Yeah.

The Jester: That is amazing though.

Fat Tony: This is a nice base.

Good Banno: It's not as nice as yours though.

Louie: Hey, this might not be fancy.

Legs: But we know good bases when we see it.

UA Carnage: But any minute now, one of Team Loud Evil Storm's probably gonna bust in.

Me: But we'll be ready for them. We also heard that you guys did a really good job taking down most of Evil Nico's team.

Good Banno: We sure have been busy.

Good Opaline: Yeah it was good.

Me: Whoa! A good version of Opaline!

Good Opaline: Yes unlike your version I did not divide all the ponies but brought them all together.

Me: Wow!

Jester: I locked up this world's Pinkie Pie myself.

Me: Whoa!

Pinkie Pie: This version of me!? Wow.

Me: Can we see all your prisoners?

Jester: Certainly.

Nico: Guys, tomorrow, I might have to make another contingency plan for myself in light of what we know about this world.

Me: Oh boy.

Nico: I know.

Lola: Okay.

We saw a prison that went on forever and there were cells down a hugely long hall that went on for miles.

Me: Whoa! Look at all these cells.

Pinkie Pie: Damn, these are a lot of prisoners.

Evil Pinkie Pie blew a raspberry at us from her cell.

We saw the evil Pinkie and it looked like Pinkie but with her hair straightened and she was covered in blood and was laughing like a fucked up lunatic.

Me: Whoa! The element of insanity.

We saw many evil versions of us and they all were glaring at us with INTENSELY BURNING HATRED!

Qin: Wow look at these guys.

Xenia: No kidding!

Lincoln's ghost sense then went off.

?: Knock knock! Can the Justice League come out to play?!

Danny: That's my voice!

Me: Evil Danny!

Then out came UNIVERSE 666's DANNY!

Me: Evil Danny Phantom I presume!?

Evil Danny: WHAT!? But I saw Nico kill you!

Me: Your worlds version of me but not me!

Evil Danny: Doesn't matter. Because I'll just kill you again. I wonder what your screams of pain are gonna sound like?!

Me: Come and try it!

Danny: Hearing that from you makes me sick!

Just then, Evil Danny was hit from behind by a Particle beam.

He screamed in pain!

Moondancer: I knew you guys would come!

Eduardo: Looks like we got here just in time!

Kylie: Yeah we sure did.

Me: Perfect timing guys.

Nico: Moondancer you go help them.

Me: And Moondancer you'll need this.

I gave her a Fenton Thermos.

Kylie: You guys go get your doppelgangers. We'll handle him!

Me: Show no mercy.

Kylie: With pleasure.

Me: Nico it's time to end this for good.

Qin: That's right.

Nico: You read my mind.

We teleported down to the surface of the planet and we were in front of a true castle from hell.

Snake Man: That must be their base.

Jester: That's it.

Good Luthor: Scary place.

Me: But it's very fitting for them. It looks like a true fortress from hell.

Nico: Yeah it sure does.

Me: Want me to start us off like with the Royal Defenders?

Nico: With a Thermonuclear Arrow?

Me: Yep.

Nico: Do it.

Skinner: That can be mixed in with our entrance.

Me: Sure.

Sellon: Let's do this!

Me: Here we go.

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

I formed a bow and a glowing blue fire arrow.

Me: ATOMIC STYLE NINJA ART: THERMONUCLEAR ARROW!

I fired a powerful energy arrow right at the base and it hit the base and it exploded with incredible power!

***EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION!***

The explosion blew the entire base to smithereens!

Nico: Showtime!

We went at the base!

Evil Nico got up and saw his base blown into fiery rubble!

Evil Nico: NOOOOOOO!

Evil May: OUR HOME!

But then the spirits of the Elements of Scumbags appeared and swirled around them and then converged and then…

***KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

A massive fiery explosion of incredible power blasted off above them and a powerful phoenix cry was heard and fireballs rained down and blasted the remaining seven members into pulp

all over and we landed.

Me: Surprised to see me!?

Evil Nico: IMPOSSIBLE! I KILLED YOU!

Me: You killed this worlds version of me but not me. I am going to make sure you never destroy anyone ever again!

Nico: And after today you all will be a forgotten memory!

Harley Quinn: I'm glad this version of Mr. J is a good guy!

Evil May: So, you brought other versions of us to beat us, huh, Lex?

May: Your reign of terror ends here!

Me: You will pay for everything you did!

Evil Nico: The bomb we have is armed now You better surrender while you can

Evil May: You heard what my husband said, we have the bomb, so everybody does what we say now. Or else!

Maria: You're bluffing, as long as the bomb is still here, all you can really blow up is yourselves!

Nico: So maybe you all should surrender instead.

Me: And you should do it now!

Qin: That's right!

Nico: What you did is completely unforgivable!

Camie: And it will not go unpunished!

Nico: That's right!

Evil Nico: It's a shame it has to end like this for you my goody two shoes self.

Nico: As long as I have the power to destroy you, Evil Me that's all that matters to me!

Me: You may have killed this worlds version of me, but now I am going to do what's right and make you all pay for your crimes!

I then went SUPER ANGEL WOLF MOON CELESTIAL ETERNITY XELNAGA!

Me: (Divine Echoing Celestial Cosmic Elemental Voice of Hope, Friendship, Love, Justice, Virtue and Courage) **What you did to this planet is completely unforgivable!**

Evil Maria growled and fired a blast of water at Good Cinder but she avoided it. Evil Mega Man then started firing at all of us.

Rich Texan: Looks like the battle's on already!

Golden Gutt: Nico, you and Luthor handle your evil self. We'll handle the rest!

Nico: Right!

Me: **Nico I'll help you deal with your evil self too.**

Nico: Okay.

Nico then went SUPER SAIYAN 7!

Nico: You will pay for everything you did!

We went at them and they roared and went at us and then we collided and then..

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF UNIMAGINABLE AND UNBELIEVABLE POWER!

**THE BATTLE THAT WILL DECIDE THE FATE OF THE PRIME UNIVERSE HAS BEGUN!**

Good Masato: Henshin!

Complete!

He transformed and was ready!

Qin: Yeah!

I kicked Nico's Evil self in the face and teleported and kicked him in the back and I fired a massive barrage of energy blasts and they hit him and exploded!

**KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO**

Nico then kneed his evil self in his stomach with devastating force and kicked him square in the face and smashed him into the ground!

Evil William fired a blast of ice at Good Masato but he jumped over it while William fired his own blaster.

Ultra Humanite: Without your blaster, you're not much of a threat.

William kicked his evil versions blaster out of his hands.

Evil William: NO!

William: Maria!

He gave it to her.

William: You deserve it more than him.

Maria: Thanks honey!

Maria fired ice blasts and froze his evil self's arms.

KRABBBBBOOOOOOOOOOMM!
KRABBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOOOOOOMMMMM!

Massive fiery explosions were decimating the landscape all over the place as we were blasting and destroying Team Loud Phoenix Storm all over!

KROW!

I kicked Evil Nico in the face and sent him crashing into a building!

Me: **That was for this worlds version of me!**

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

He blasted out of the rubble in a massive explosion of energy!

Evil Nico: I HATE YOU SO MUCH!

My aura exploded out with incredible massive and powerful force!

Me: **Thanks for the power boost!**

I teleported and kicked him square in the face and sent him flying!

Good Cinder: (avoids Evil Maria's water blasts) Maria, a little help here!

Cantwell: Maria, I'll help you too!

Quirrell: Same with me!

Maria fired waves of energy and blasted her Evil Self all over the place.

Qin fired waves of fire and they hit Evil Maria and blasted her all over the place as steam came off her.

Gabriel: Evil Mega Man's not going down easily!

Evil Mega Man: Terminate targets.

Varie fired waves of energy and blasted him all over the place and then she fired a huge energy blast and it hit him and he exploded into scrap metal!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blown into dust!

Eli fired waves of Force Lightning and electrocuted Evil May all over the place!

Eli: You give my friend's wive and everything she loves a really bad name!

Max: That's right! You make my sister look like a total bitch!

Good Burns: And by the way, your Nico's cheating on you!

Evil May: You're lying!

Camie: Do we look like we're lying!?

Good Burns: Max you may want to cover your ears. What this tape has will not be pleasant for someone your age.

Max did so and Good Burns played a tape and it showed Evil Nico and Evil Maria having sex and making love and doing stuff behind Evil May's back!

THE CAT'S OUT OF THE BAG NOW!

Evil May was shocked and completely betrayed! They say Hell Hath No Fury Like a Woman scorned, but Evil May was betrayed with the fury of a million furious demons!

Good Burns took advantage of this by using his arm to shoot a laser at Evil May.

Krusty: Isn't that cheating?

Quackerjack: At this point, these guys don't care about playing fair.

May: (fires ice at Evil May) He's right about that!

She froze her in a block of ice!

May: That arm of yours is really cool.

Good Burns: It sure is. Very handy and amazing tool.

Evil Ben turned into Evil Chromastone and shot lasers at Good Crocker.

Drill Man: Look out!

Eli used his Lightsaber and deflected the lasers back and they hit Evil Chromastone and blasted him down.

Eli: Nice try!

Qin kicked him down!

He was back to Ben.

Xenia: Chew on this one!

Xenia fired an arrow and it skewered Evil Ben in his leg and he screamed in pain!

***KRABBBBBBBOOOOOOOOOOOOOOOMMMMMM!***
***KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMM!***
***KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!***
***KRABBBBBBBBBBOOOOOOOOOOOOOOOOMMM!***

Me and Nico were really going at it against Evil Nico!

Me: **KAAAAAAAAAA MEEEEEEEEEEE HAAAAAAAAAAAA MEEEEEEEEEEEEEE!**

Nico: FINAL FLASH!

Evil Nico: HAAAAAAAAAAAAA!

Me: **HAAAAAAAAAAAAAAAAAAAA!**

***EXTREMELY MASSIVE AND POWERFUL EXPLOSION!***

Evil Nico was blasted through a huge mountain!

Good Crocker: Let me have a shot! (SPAZZING) EVIL VILLAINS EVIL VILLAINS EVIL VILLAINS!

Qin: Nice!

Optimus: Freedom is the right of all Sentient Beings!

Evil Optimus: Don't make me laugh! All beings exist to serve us!

Chalmers: You're definitely not Optimus!

Supreme King Jaden: And that beard looks so wrong on you!

Good Evolt, in his Black Hole Form, charged at Evil Optimus.

He kicked him down.

Optimus: You call yourself a prime. Even if you destroy us you haven't won. My friends will never stop fighting you and if they fall others will come forward. As long as all you care about is yourself you'll have to take on the entire universe. YOU WILL NEVER WIN!

Lori Jimenez: AND THAT IS FOR SURE!

On the base, Moondancer and the Ghostbusters were blasting Evil Danny all over.

Evil Danny: (to Garret) Always wanted to fucking murder a cripple!

Moondancer: You leave him alone!

She fired beams of magic and blasted him all over.

Then they fired Proton rays!

Moondancer then sucked him into the Fenton Thermos.

Moondancer: Got him!

Eduardo: So, what do you guys wanna do while waiting?

Moondancer: Lets go help the team guys.

They agreed.

The blasts all hit Evil Nico and exploded!

EXTREMELY MASSIVE AND UNBELIEVABLE EXPLOSION!

Me: It's over for you!

Evil Nico: I'm not done yet!

Evil Nico flew to the bomb, took out the same device as the Quantum Trigger, pressed some buttons, and teleported away, taking the bomb with him.

Good Luthor: No!

Evil May: What just happened?

Good Luthor: He took the bomb to a desolate Earth in the center of the Multiverse, where it'll explode, and destroy many worlds, one by one.

Evil Ben: I don't like the sound of that.

Evil Maria: Don't listen to him. Nico just took it to a hiding place!

Evil May: Shut your trap! After what you did, I'm through listening to

you!

Good Burns: It's too late. We can't track him now.

Nico: (sees the location) I won't be too sure of that.

Good Luthor: Still, to reach there in the exact time without ending up somewhere else by mistake, we need someone who can vibrate at the same frequency as Evil Nico's device's wave to open a portal.

Ben: Or I can go Alien X to pour enough energy into our Quantum Trigger.

Good Burns: But there's a good chance you'll die. Are you prepared for that?

Evil Ben: No. Because I'll do it instead.

Ben: Look-

Evil Ben: No! You look! He's planning to destroy the universe! I live in it too!

Me: We all do. We won't let that happen.

Qin: Yeah!

Magnet Man: Nico, go and kick your evil self's ass for us!

Nico: With pleasure!

Me: I'll go with.

Nico: No J.D. This is something I have to do. But if I don't come back, you have full leadership of the team again.

Me: Good luck man.

Eli: May the Force Be With You.

Nico went into the portal after him and he was ready.

Nico arrived on the same Earth the bomb was on. And he also found evil Nico there too.

Nico: Don't you realize what you're doing?!

Evil Nico: Oh, nothing. Just detonating this bomb so it destroys this Earth and all life in the Multiverse.

Nico: You're fucking insane.

Evil Nico: Does it matter? There are other alternate versions of me that you would find quite charming.

Nico: I won't let you destroy everything!

Evil Nico: We'll see!

Nico flared up his power to the max and went at his evil self and bashed and pulverized him all over the place!

Evil Nico: Even if you do stop me, someone else will find a way to finish what I started. And even if that doesn't happen, you guys will be back to doing the same song and dance fighting a pointless war against evil in your world. Rinse and repeat.

Nico: What are you gonna do? Talk me to death?

Evil Nico: No. I'm gonna fucking beat you to death.

He went at Nico and Nico kicked him in the face and kicked him in the stomach and bashed and pulverized him all over the place.

Nico: You don't understand Evil me! You will never win as long as all you care about is yourself!

Nico kicked him in the face and knocked out some of his teeth!

Evil Nico: You really should've sent your J.D. to fight me instead. But you didn't. Because deep down, you're still afraid of his power. (smirks) I felt the same way towards mine as well.

That's why I killed him. So he wouldn't become too powerful than me.

Nico: You're a monster! You killed your world's J.D. because you are nothing but a coward!

Evil Nico: What did you call me!?

Nico: You heard me!

Nico punched him in the face and knocked him down!

Nico: True power comes from those you care about! You have none of those things! You don't know that we have a most important rule that you never will have and that is With Great Power Comes Great Responsibility!

Evil Nico: Don't you see we're alike.

Nico: If we're really alike, then you know this is wrong. You must've been a good person once.

Evil Nico: No. Not good. Never good. (grins evilly) After all, I'm only human.

Nico: You are not human at all. You are a Saiyan like me. And we may be human but there is one thing that I have that you never will have and that is a Heart!

Nico teleported and kicked him in the face and kicked him in the stomach and crotch and deal him a powerful uppercut!

Nico: We Saiyans are a true warrior race and we get stronger with each battle we fight in. You didn't stronger at all. You are just as weak as ever!

Nico then ran to the bomb terminal and tried to deactivate it. But when Evil Nic saw what he was doing, he grabbed him

Evil Nico: (about to stab Nico with Shiv's light blade) No more debate. I'm going to kill you. And then, kill everyone else.

Nico: There's a difference between you and me.

Nico elbowed Evil Nico in the chest freeing himself and pushed him towards the terminal. Then Nico fired Yost Venom's webs, trapping one of Evil Nico's arms around the terminal.

Nico: We both looked into the abyss. (takes Evil Nico's Quantum Trigger and activates the one he has) But when it looked back at us, you fucking blinked.

Nico threw his quantum trigger and both Evil Nico and the bomb disappeared just as Evil Nico freed himself. Then he found himself on another Earth covered in ice. He was about to push the abort option but then stopped.

Evil Nico: (smirks) It doesn't matter.

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL AND INCREDIBLE EXPLOSION!

Strawberry Technicolor Phantom: Nico sure is taking them an awful long time.

Kearney: I hope they're oka.

Jimbo: J.D., even if Nico doesn't survive, you won't have long to enjoy being full time leader again. Because that will mean that the entire multiverse will go bye bye!

Me: I know. Huh? Wait look!

A portal opened up Nico came out.

Me: Nico!

Nico: (GROANS)

Me: Is it?

Nico: It's over guys! Evil Nico is gone!

We cheered!

Nico: Evil Ben, it's over! I'm back! You can stop now!

Evil Alien X turned back into Evil Ben. But he had blood pouring out of his chest and fell to the ground.

Evil Ben: (weakly) Did we win?

Nico: Yes. We did.

Me: Oh man! There has to be something we can do for him?

Rhinox: He's too far gone. Even after everything he went through.

Evil Ben: (laughs) I knew we would. Tell everyone that I'm glad he is. Tell my tale to those who know me. I'm so sorry for everything I did. But please grant me my final request.

Me: Anything.

Evil Ben: Have my Omnitrix given to someone better who deserves it.

He took it off and I took it.

Me: I will Ben.

Evil Ben: Now, I think I'm gonna rest in peace now.

With that, Evil Ben closed his eyes and died. Nearly all of us bowed our heads in respect.

Me: I'm sorry Ben.

Evil May: (crying) My husband… gone! (gets angry) THIS IS ALL YOUR FAULT! ALL OF YOU GET OUT OF MY WORLD! NOW!

Good Luthor: What's the matter with you?! We nearly died!

Me: And besides, he brought all this on himself.

Evil May: That was then, this is now. Now you're all just a bunch of wannabe cops trying to take us in.

May: Wrong. We WILL take you in.

Evil May: With President Slade afraid of us? I doubt it!

Maria: Notice anyone missing?

Storm Shadow then entered.

Storm Shadow: Sorry I'm late. Had to call in the cavalry.

At that moment, many soldiers dressed up in suits resembling Lex's armor descended, all aiming special weapons. And then their leader who has one eye. (the other was covered by an eyepatch) aimed a huge cannon at Evil May. This was President Slade Wilson.

Me: Slade Wilson as President!? Whoa!

Good Slade: These are powerful weapons, and they will take you out.

The Team Loud Evil Storm exchanged looks, realizing they couldn't battle us and these soldiers with special weapons at the same time, and raised their hands in surrender, for they'd finally been beaten after years of terror.

Me: It's over for all of you. You've lost.

Nico, Lincoln, and Me: GO TO HELL FOREVER, TEAM LOUD EVIL STORM! YOUR DAYS OF CAUSING DEATH AND DESTRUCTION ARE ALL OVER!

Eli: For what you all have done, you deserve to be erased from existence for eternity.

Nico: You got that right, Eli. Awesome job, guys, but we're not done yet, there's still the matter of Shukuro Tsukishima to deal with, and that delusional Fullbringer should be arriving… right now!

Ichigo Kurosaki: I should've known there's no mistaking that voice from anywhere. You can come out now, Shūkurō Tsukishima.

A figure came out, and it was none other than Shūkurō Tsukishima, the delusional Fullbringer.

Ichigo Kurosaki: Shūkurō, I should've known you'd one day return. But, now, we'll make sure that you never return from the dead to plague us again.

Shūkurō Tsukishima: We'll see about that, soon, your Fullbring will finally be mine!

Daria Kuso: That's not happening anytime soon, Shūkurō, now you're going to pay!

Suddenly, Daria Kuso's crimson red eyes turned neon crimson red and she was surrounded by a crimson red energy aura with red hot crimson red flames, red hot orange flames, and dragons, she unholstered her massive Fusion Dragonoid-themed greatsword from her back, and as she approached Shūkurō Tsukishima, she left crimson red energy, red hot crimson red flames, red hot orange flames, and dragons with every step.

Daria Kuso: You really make me sick, Shūkurō Tsukishima, what you've been doing in trying to steal Ichigo Kurosaki's Fullbring powers is beyond reprehensible, but what you've also done in making so many people suffer mental breakdowns with your own Fullbring is completely unforgivable, and for that, you've sealed your own fate, and now, you will die a horrible death for your crimes.

Suddenly, Daria Kuso was surrounded by a massive vortex of crimson red energy with red hot crimson red flames and red hot orange flames surrounding the vortex, there are dragons and the Pyrus Bakugan, Fusion Dragonoid flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Daria Kuso emerged, but she was changed forever.

Suddenly, Daria Kuso's massive Fusion Dragonoid-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by crimson red energy, red hot crimson red flames, red hot orange flames, and dragons, and when it emerged, it was transformed into Fusion Dragonoid's Crimson Red Draconic Pyrus Firestorm Greatsword of Pyrus Draconic Firestorm Justice, it's a brand-new massive greatsword with embedded crimson red gems and the Pyrus Bakugan, Fusion Dragonoid, etched on the 7'0" massive, wide, double-edged crimson red blade, large orange dragon heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large orange dragon heads and a large crimson red gem below the orange dragon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Fusion Dragonoid's head with green gems for eyes and a large crimson red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Daria Kuso has transformed into SUPER ANGEL-DRAGON-HARMONY CELESTIAL ETERNAL XELNAGA DRACONIC PYRUS BAKUGAN CRIMSON RED FIRESTORM DRAGON ANGEL OF DIVINE DRACONIC PYRUS FIRESTORM JUSTICE AND DIVINE PYRUS FIRESTORM DRAGON LOVE!

We were amazed by Daria Kuso's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Shūkurō Tsukishima saw it, he transformed his bookmark into his katana, Book of the End and tried to kill her, but Daria Kuso fired a powerful crimson red energy blast with red hot crimson red flames, red hot orange flames, and dragons at Shūkurō Tsukishima and sent him flying into a wall, he got out, but he was indeed ticked off.

Dan: Incredible, Daria's transformed. Now, she's about to turn up the heat on Shūkurō Tsukishima.

Lincoln: You got that right, Dan, and Daria, you look beautiful, how do you feel?

Daria Kuso: (Divine Echoing Cosmic Voice of The Crimson Pyrus Firestorm Draconic Angel and Divine Crimson Pyrus Firestorm Love) **I feel incredible, Linky. Now, shall we deal with Shūkurō Tsukishima once and for all?**

Lincoln: (Smiles) With pleasure, Daria.

Dan Kuso: Hold on, guys, I'm also joining in too.

Dragonoid: Same with me.

Lincoln: Sure, guys.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super

Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Daria Kuso, and Dan summoned Dragonoid, and they also joined Lincoln and Daria.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of antagonizing Ichigo Kurosaki and everyone in your path is over, Shūkurō, and now, it's time for you to die.**

Daria Kuso, Dan, Dragonoid, and Lincoln went after Shūkurō Tsukishima, who attacked them with his sword, but they dodged and blocked every last strike from his sword, and they fired extremely powerful blasts of rainbow energy, crimson red energy, crimson red fire, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, and Mermaids at Shūkurō Tsukishima, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was really getting Shūkurō Tsukishima really irritated, but Daria Kuso, Dan, Dragonoid, and Lincoln were just getting started. Lincoln made three focusing lenses and they're aimed at Shūkurō Tsukishima, and then, Lincoln, Daria Kuso, Dan, and Dragonoid had massive balls of crimson red energy and fire forming.

Lincoln, Daria Kuso, Dan, and Dragonoid: Time to burn, Shūkurō Tsukishima! DRAGON ASTRAL NOVA DEATH CANNON!

Lincoln, Daria Kuso, Dan, and Dragonoid fired beams of crimson red energy and fire and they passed through the three focusing lenses, and they became supercharged and they hit Shūkurō Tsukishima and he was burned badly.

Nico: Whoa, they combined both Nuova Shenron's Nova Death Ray with Fusion Dragonoid's Dragon Astral attack, that's really cool.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Daria Kuso, her hand-cannon Blaster is known as Fusion Dragonoid's Pyrus Draconic Firestorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's crimson red with flames on the blaster with a Phoenix, Angel, and Apollonir and the Pyrus Symbol surrounded by flames etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Daria Kuso fired blasts of rainbow energy, crimson red energy, and elemental forces at Shūkurō Tsukishima and as they hit him, they exploded with incredible power, and Lincoln drained him completely dry of his life-force, killing him. Then, as they holstered their hand-cannon Blasters, Shūkurō Tsukishima's spirit appeared, and Lincoln fired a pitch black Negative Karma Ball with the Judgement Kanji in it and it hits Shūkurō Tsukishima's spirit, and he was sent to The Black Gates for eternity. We cheered wildly for what Daria Kuso and Lincoln did to Shūkurō Tsukishima as they holstered their massive greatswords on their backs and powered down, and Daria Kuso's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, and massive crimson red angel wings are permanent.

Daria Kuso: That's the end for you, you sociopathic monster. Thanks for helping me destroy Shūkurō Tsukishima, Linky, and same goes to you and Drago, Dan.

Lincoln: (Smiles Warmly) You're welcome, Daria.

Dan: You're welcome, Daria.

Dragonoid: We were glad to help you both out.

Suddenly, Daria Kuso wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Daria Kuso's face, they kissed passionately as Daria Kuso's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Fusion Dragonoid flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Lincoln and Daria Kuso came back to us as the display and Fusion Dragonoid vanished.

Nico: Oh man, Lincoln, Daria, Dan, Drago, that was one extremely fiery and awesome battle you guys fought, and thanks to you guys, Shūkurō Tsukishima has been destroyed forever.

Lincoln: Thanks, Nico, and tomorrow, when Riley and I fight Mabashi, you and Tigrerra are joining in, Runo.

Runo: Alright. This is going to be awesome.

Tigrerra: Indeed, this will be an amazing fight tomorrow, Runo. And, Lincoln, what Gene-Slammer are you hoping to meet tomorrow on your rescue?

When we finished reading, we were stunned.

Nico: Whew, now that's what I call one huge list, and Ursula and Tiana know these girls all too well.

Lincoln: You'd be surprised at how many girls they know, and some of them have relations with my future wives.

Adriana Ardelean Dracula: (Romanian Accent) You said it. Which means tomorrow, on Day 7 of the Dark World Treasure Hunt, we're going to meet Ramona Alucard, Gene-Slammer of Ghostrick Alucard, it'll be good to see her again.

Emily Bathory: (Hungarian Accent) And she'll be happy to hear that we got rid of my former sister once and for all.

Lincoln: You got that right, girls.

All of us stood outside the White House, as President Wilson walked out, supporting himself with a cane.

Good Slade: I don't know how we can thank you all, for you've given us back our world. The National Guard is supporting the local law enforcements, and the bad guys are being rounded up too.

Patty: It was nothing.

Selma: It's what we do best.

Mr. Fibb: Maybe we can also recruit some of Evil Nico's goons, including Evil Kairi, into our ranks.

Mr. Wink: If Superwoman can join, so can some of them.

Me: That's not a bad idea.

Qin: For what it's worth, we still won here.

Nico: What are you going to do with Evil Ben's Omnitrix?

Me: Well Nico should May receive it?

Nico: What do you think May?

May: Well I will gladly use it.

I then put it on her and it glowed and then turned Orange and Yellow.

May: Cool!

King Kai was glad the threat was over.

King Kai: Everyone I'm so proud of you all. Good job.

Good Luthor: I can't thank you guys enough. Without your help, this victory wouldn't have been possible.

Superman: It was good to see you again, Lex.

Me: It was our pleasure helping you out.v

Good Luthor: (smirks) You're not getting rid of me that easily.

Greiger: You guys are joining our ranks?

Good Cinder: Of course we are.

Rex Goodwin: Well, if your Crocker, Evolt, and Banno can join, so can the rest of you.

Robo Blaze: We know what teams to place most of you guys in.

Me: Absolutely.

Dr. Light: (to the Extreme Ghostbusters) You guys helped too.

Kylie: We sure did.

Me: And we owe you guys big time.

Zayto: See you guys in January.

Zayto and Kylie high fived each other.

Me: On January 7th, 2023.

Skulker: Need a ride back home.

Eduardo: Nah. We got our own way.

Me: We better get back home to our world. We got a lot of rebuilding here to do too.

Nico: Yep.

We teleported Universe 666 Earth to our Galaxy in our system and went back home. It was gonna take a lot of rebuilding too.

Vypra: (To the viewers) Hope you all liked this adventure. It was awesome destroying Evil Nico and all that.

Nico: It sure was. Great job today everyone!

Me: What happened to your evil self though?

Nico: He was given the Black Gates.

Me: Good riddance.

We went back home and crashed on our beds exhausted and tired. We were beat.

The next match-up in the line-up is Riley Misaki, Haos Brawler and Member of The Bakugan Battle Slammers, Gene-Slammer of Blade Tigrerra, and Cousin of Runo Misaki and Lincoln VS. Mabashi. For Lincoln's rescue tomorrow, Lincoln and his group are heading back to Dark World for Day 7 of the Dark World Treasure Hunt, and Griselda Huffington is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Tactician Greatsword of Gren, Tactician of Dark World, and we're also going to destroy Armadyl, a werewolf villain and enemy of Vampirella. And we're going to meet Ramona Alucard, Gene-Slammer of Ghostrick Alucard, she's Lincoln's Guardian Angel from Bucharest, Romania and classmate in English, she's a Goth Girl and she's a vampire with immense power over the forces of darkness, The Dark Arts, Necromancy, Satanic Black Magic, The Undead, and Blood Magic, and she also knew of Lincoln being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers. She, just like Lincoln and many of the other vampires on the team, gets blood from the blood bank, and she's also the older sister of Lincoln's Guardian Angel, Adriana Ardelean Dracula, and like her cousin, she's also the descendent of Vlad Tepes Dracula, and a famed hunter of evil vampires and werewolves, and she and Adriana have hunted down many evil vampires and werewolves running loose in Romania, and they've also harbored a hatred for Emily Bathory's evil sister, Evelin Báthory. She's also good friends with Lucy and her friends in The Young Morticians' Club and will also become an awesome member for The Goths of Darkness, and she hates Lincoln's enemies and Team Loud Phoenix Storm's enemies with a burning passion, and wants nothing more than to kill them and make them her undead slaves. Get ready for a really funny adventure as we meet Buddy, who is a human that was adopted by Santa's elves and raised as one of their own. And we're going to help him take down Fulton Greenway.

See you all next time.

Nicole: I hope Ginei has learned his lesson about being a pervert or he is getting another beating from yours truly.

Qin: Boy I hope so. Like Nico said, he has had enough perverts to last an eternity.

Xenia: Yeah no kidding there.

Misty Brightdawn: Yeah Ginei is a bad news pervert.

Me: Yeah and it looks like Jiraiya-sensei is gonna have a huge competition with him soon.

Camie: Yeah that would be funny to hear about.

Supreme Kai of The West: It sure will be. But J.D. thank you for bringing me back to life after everything that happened with Majin Buu.

Me: You're welcome West Supreme kai.

Nico: Paula, I want to thank you, Electropede, and your teams for coming today.

Paula: Ah it's no problem Nico.

Me: How does it feel to be free of that crutch and cast?

Paula: Honestly it feels awesome and great.

Lola: That's awesome.

Varie: Yeah no kidding. What your mother did was awful.

Camie: What did she do?

Me: We found out that she is suffering from a mental illness called

Munchausen Syndrome By Proxy. It's a form of mental illness where a person inflicts pain and lies and abuse unto other people to garner attention. I've read about and saw it in crime documentaries.

Camie: Geez! Her mother is really messed up.

Paula: Yeah. I still visit her in prison.

Me: She was given 25 years for her crimes.

Nico: Yep.

Paula: She may have done all those things to me but she is still my mother and I love her.

Maria Hernandez: That's great you still do.

Nico: Aussa, what do you like to do in your free time?

Aussa: Honestly I haven't really thought about that at all. I just like doing all sorts of things.

Nico: Well you'll think of something.

Varie: Yeah there's plenty of free things to do out there.

Aussa: Yeah there sure is.

Nico: Remind us to find you a job.

Aussa: Noted. But there is one thing I always liked and that is a rock and mineral shop clerk.

Me: Hmm. Fitting for you.

Aussa: I agree there.

Camie: Yeah. But man Yesterday was EPIC!

Xenia: Yeah it was!

Nico: Guys, I know me and J.D. might disagree on some things. But you know I would NEVER betray and murder him!

All of us: ABSOLUTELY NOT!

Me: You have too big a heart to think that Nico.

May: That's right you big lug. You are too good for me and everyone.

Me: Aww. And besides Nico your evil self was COMPLETELY WRONG about EVERYTHING! You are NOT going to become like him.

Xenia: Yeah!

Camie: Who gives a flying crap what that monster says?

Laney: Not me!

Varie: Or me!

Me: Neither do I!

Nico: And I would NEVER cheat on May for Maria. Maria's like a sister to me!

Me: (GROWLS) That makes me so angry!

May: Yeah me too! But I'm glad that you would never do that Nico!

Maria: I agree there! Besides I'm happy being married to William.

Me: Sorry your little brother had to hear what was on that tape.

May: No worries J.D. but man that was awful! He had his ears covered thank goodness.

Universe 666 Banno: Yeah what Evil Nico did was awful!

Me: Yeah no kidding there.

Nico: Rest assured I'm going to make a new contingency plan for myself to make sure I never turn out to be evil. The one that Ed made for me during the 20 Days of Darkness is probably outdated anyway.

Me: Yeah that one was getting old anyway. No offense to Ed. But it did work for a while.

Nico: Yeah.

Me: Just as long as it's not too extreme.

Nico: Okay.

Me: But Nico I'm still reeling from the fact that many of our most dangerous enemies are now good and many of us were evil.

Nico: Me too. But the good news is that they are all with us and helping us out.

Universe 666 Banno: Yeah that is cool.

We arrived at Yokai Academy.

Me: Here we are.

Nico: Everything looks fine so far.

Nicole: So far.

We walked around and saw that everything looked all right.

Me: Boy things are going great.

Nicole: Yeah at least Ginei isn't being a peeper. I hope. Or else he'll get another beatdown courtesy of yours truly.

Eli: You got that right.

We walked around and looked in the classrooms and then in the math class we saw one of the teachers transform and she was a Lamia, The Child Devourer of Greek Myth!

Me: WHOA!

The teacher was Ririko Kagome!

Me: Ririko Kagome I presume?

Ririko Kagome: Team Loud Phoenix Storm. What an honor.

Brittney: You are a Lamia, the Child Devourer of Greek Myth.

Ririko Kagome: That is correct Brittney.

Nico: Mind telling us what you're doing here?

Ririko Kagome: Oh just being myself and also showing my students how to do things right.

Me: So I see.

Ririko Kagome: Yeah. I heard you all went into battle with an evil version of you guys. Are you all okay?

Me: We sure are. It's a really ugly story. We went to Universe 666's Earth. Sounds pretty provocative because it's the number of The Antichrist from the bible.

Ririko Kagome: It sure does doesn't it? Like something out of The Omen.

Xenia: I was just about to point that out.

Me: I will say this though Ririko you are one smoking hot teacher. It's always some of the math teachers that are the hottest. (Purrs)

We laughed at that remark.

Ririko Kagome: (LAUGHS) That is true. Thank you.

Nico: But you're not being forced in a relationship.

Ririko Kagome: No thank goodness. But I have all the time in the world.

Me: True. How would you like to join the M.O.E.

Nico: And I do have a good archenemy for you.

She reverted back to human.

Ririko Kagome: Really? Who is it?

Nico: My friend Sakura Yinghua.

Qin: She is an Arbok Gene-slammer.

Ririko Kagome: I would be honored!

Me: Awesome. By the way are there any dark figures running amok?

Ririko Kagome: I remember seeing one over in the gym.

Nico: Then we better get over there.

We later arrived in the gym.

Nico: Big gym.

Me: It sure is.

Maria: Anyone here?

We looked around.

Eli: It's quiet. Too quiet.

Varie: Hmm.

Camie: Creepy.

But then we heard something and then Sunset Shimmer winced in pain as her mark for Virgo the Maiden glowed.

Me: Virgo the Maiden.

And then a figure came down and we saw that it was the ANOTHER VIRGO UNDEAD ZODIARTS! It looked like a mixture of Vypra, Yodonna and Hummerzoom!

Me: Whoa! The Another Virgo Undead Zodiarts!

Nico: Wow! This one is beautiful.

Lola: I'll say!

Another Virgo Undead Zodiarts: (Swiss Accent) Thank you very much.

Me: (Gasp) That voice!

She reverted back and she was a girl in a traditional Swiss Outfit and she had blond hair in pigtails.

Me: (GASP) Emilia Aeschbacher!

Emilia Aeschbacher: Oh it's good to see you again J.D.

Me: Same to you.

Nico: You know her?

Me: I sure do. Emilia is from Switzerland as you can guess. But also she goes here because she is a Krampus.

We gasped!

Brittney: The Devil of Christmas from Alpine Legend and Folklore?

Emilia Aeschbacher: That's right ja.

May: We had an encounter with a Krampus before.

Me: I was just going to say that. 2 years ago we met and battled The Devil of Christmas himself.

Emilia Aeschbacher: Oh ja I've heard about that battle. That was amazing.

Me: It was. I was reading a book about Krampus to help brush up on learning about him. In my opinion bringing kids who are REALLY naughty down to the fires of Hell to be punished forever is far too extreme.

Emilia Aeschbacher: Oh ja. That is extreme.

Me: It sure is. And it may go against our code to kill kids but that breaks our code on a whole new extreme.

May: Yeah no kidding.

Emilia Aeschbacher: It sure does.

Me: By the way are there anymore opponents around?

Emilia Aeschbacher: Oh ja there are. Another one like him.

She pointed to Electropede.

Electropede: Another version of me!? Wow!

Maria: Let's see if you're any different then the real Krampus!

Sunset Shimmer: Let me face her.

Maria: Be my guest.

Emilia changed into Another Virgo Undead Zodiarts and Sunset spread her wings of fire with her flaming tailfeathers and they flew into the air. Sunset fired waves of fire magic and blasted her all over.

Zuria: Wow! I didn't know Sunset can fly with wings made of fire.

Me: Sunset is said to be a girl that was born from the power of the Phoenix. She is said to be a Phoenix Alicorn.

Twilight Sparkle: It's true. And she is a true friend and is really gifted.

Sunset fired waves of fire and blasted Another Virgo Undead Zodiarts down and she exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Rouse Card and Zodiarts Switch and purified them. The Rouse Card had the stars of Virgo on it as well as the symbol and a picture of an angel on it.

Me: Beautiful. And next up is Libra because it is my birth month.

Then the Zodiart Switch glowed and formed into armbands for

Sunset and the girls marked by Virgo the Maiden.

Me: Awesome.

I went and picked up Emilia and brought her over.

Emilia Aeschbacher: (Groans) What a headache.

Nico: One down.

Varie: But Emilia is gonna be all right.

Me: Good.

Then lightning struck all over the gym floor!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Me: WOW!

Nico: WHOA! Lightning in the gym!

Electropede: Wow!

Then a figure came out and it was a black version of Electropede! It was ANOTHER ELECTROPEDE!

Me: Whoa! Another Electropede!

Nico: Whoa! That was an awesome entrance.

Me: It sure was.

Nico: Who are you?

Another Electropede: (In a girls voice) J.D. knows who I am.

Me: (GASP)

(INTERSTELLAR 2014 THEME PLAYS)

Me: Stella Vorennenchikova?

Another Electropede: It's good to see you again J.D.

Me: Its been so long.

Nico: You know her J.D.?

Me: I sure do. Believe it or not she is one of the first friends from another planet that I made. She's from an Earth-Like planet orbiting the gas giant planet K2-2016-BLG-0005Lb.

Nicole: Wow! That is the farthest ever planet ever observed by our telescopes. It's located 17,000 light-years away from Earth.

Nico: Wow! That's amazing that our telescopes saw it from that far away.

Me: It sure is. Stella is what's called a Vorennchiite. They are Angel People from the planet Vorennchi and she is a beautiful and powerful warrior and loves all nature and life. I named her

Stella Vorennenchikova because it sounded cool.

Another Electropede: It's true.

Nicole: Wow that is incredible.

Eli: Boy no kidding there.

Kaito: (gets out Zero One gear) Did Swartz promise you anything?

Zocks: (gets out Zi O gear) Because we can grant it instead.

Another Electropede: I don't even know who Swartz is.

Me: You would not like him. He turned so many of my friends into Another Rangers, Kamen Riders, Omnitrix Aliens and now M.O.E. Villains.

Nico: We destroyed him 4 months ago.

Qin: Long and ugly story.

Laney: And we have his mess to clean up as well as Team Rocket's.

Me: Lots of things have happened since we saw each other last Stella.

Nico: When did you first meet Stella?

Me: 17 years ago. Her ship crash landed on Earth in my back yard and I went and checked it out and I found her and nursed her back to health and we became good friends.

Nico: Wow!

Lola: That's amazing.

Me: Yeah. Sorry we have to fight like this Stella. But we have to save you from this.

Another Electropede: I understand.

Kaito got a Zero One Blaster and Zocks got a Zi-O Sword!

Sougo: (gets out Hibiki gear) If Swartz didn't find you…

Armor Time! (Orchestral music mixed with Onkaku ringing) Hibiki!

Geiz: (gets out Geiz Majesty Ridewatch) Then how did you become this?

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo got HibikiArmor while Geiz became Geiz Majesty.

Another Electropede: That's just it. I don't know.

Me: Hmm.

I turned on my dark orb radar and saw that there was a Dark Orb inside her.

Me: Just as I suspected. Dark Orb.

Nico: Whoa!

Me: Here we go. (ACTIVATES ELECTROPEDE'S VISTAMP)

ELECTROPEDE!

Me: Taste lightning!

I fired a massive blast of lightning and electrocuted her all over the place.

Nico: (gets out Electropede's Ridewatch) Shocking, isn't it?

Nico activated it and fired waves of lightning and electrocuted her all over the place.

Qin: YEAH! Take this one. (ACTIVATES RAGE SHENRON'S VISTAMP)

RAGE SHENRON!

Qin: DRAGON THUNDERCLAP!

Qin fired a powerful blast of lightning and electrocuted Another Electropede all over.

Nico: (gets out Millipede Pete's Ridewatch) Now, for this!

Nico activated it and got 14 extra arms and he had lots of mallets.

Nico smashed and bashed Another Elecropede all over with them.

WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

Millipede Pete: OH YEAH! SMASH HER!

May: (gets out Master Zik's Ridewatch) To quote Master Zik, prepare to be tested, young one!

May activated it and bashed Another Electropede all over and kicked her down.

Qin: YEAH!

Me: Take that!

May: (gets out Centipedenoid's Ridewatch) Let's keep it up!

She fired waves of energy and blasted her all over the place.

Me: I hope I don't live this down. (Activates Rantipede's Ridewatch)

I pulled off my head like a mask and then revealed THAT MY HEAD WAS MADE OF FUCKING CENTIPEDES!

IT SCARED THE CRAP OUT OF EVERYONE! INCLUDING ANOTHER ELECTROPEDE!

My head reverted back.

Nico: I THINK I'M GONNA NEED THERAPY FOR THE REST OF MY LIFE!

Maria: (gets out Centipede Orphnoch's Ridewatch) This is a sneak preview for Cassidy's missions.

She activated it and fired waves of energy and blasted her all over the place.

Laney: YEAH! Take that!

Maria: (gets out Universe 666 Banno's Ridewatch) I'm taking you out for a Drive!

She activated it and used his Shift Car and fired waves of dark energy and smashed down Another Electropede.

Xenia: Take that!

Camie: Yeah!

Lola: Oh yeah!

Aussa: My turn!

She fired waves of energy and earth and bashed her all over. Then she activated Millipede Pete's Ridewatch and bashed Another

Electropede all over the place.

Jet and his team came and it consisted of him, Walter Wolf, Teeny, Universe 666 Kamen Rider Legend Arc, Web Crusher And King Zing.

Jet: Hey guys.

Nico: Nice team, Jet!

Jet: Thanks Nico.

BLANG!

Walter Wolf got hit on the head with an anvil and was flatter than a pancake.

Nico: Hey! Why did you do that J.D.?

Me: Sorry Nico. Slappy does it to him and it's funny.

Eli: It sure is funny.

Nico: Oh you're right.

Maria: I hope the next gene Slammer's near.

?: Someone call?

Then out came a Nidoking!

Me: A Nidoking! Wow!

Nidoking: (In a girls voice) And it looks like the fun has started.

Nico: Jacqueline Hyde Vexxington? Whoa!

Nidoking: That's right Nico. I got this.

She fired an energy blast and it hit Another Electropede and knocked her down and she exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it and then went over to Stella and she was a girl with blond hair and had blue angel wings and had butterfly antennae.

I picked her up.

Stella Vorennenchikova: (GROANS) What a headache.

Me: You'll be better soon Stella.

I brought her over.

Aussa: What's your favorite memory of Nico?

Nidoking: I have a lot of them. My favorite is when me and Nico had a huge chicken sandwich eating contest and I won.

Me: Cool.

Nidoking: Yeah that was tasty.

Nico: Yep.

Me: Lets get you back to normal.

We went to the bathroom and she and the Fashion Brigade went in and Nico snapped his fingers and she was back to normal and was a girl with purple hair and purple eyes and the fashion brigade gave her purple clothes..

Jacqueline looked at her muscles as they shrank while she was reverting.

Jacqueline: Well at least I'm back to normal.

She was happy about that.

Rarity: But you look great darling.

She came out.

Nico: I really missed you.

Jacqueline: Me too Nico. Me too.

And we're also going to destroy Armadyl, a werewolf villain and another enemy of Vampirella.

Lincoln: Whoa, we're back in Dark World for Day 7 of the Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the three girls here, but Griselda Huffington is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Tactician Greatsword of Gren, Tactician of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Gren, Tactician of Dark World, it's perfect for her, and we're also going to destroy Armadyl, a werewolf villain and another enemy of Vampirella.

Vampirella: Should've known that werewolf wouldn't stay hidden for much longer. Plus, that was one epic battle against Team Loud Evil Storm yesterday.

Lincoln: It sure was, and Nico, you really gave that heartless Evil Nico what for, and I really thought you weren't going to make it.

Me: We all were.

Nico: I know, I was thinking the same, but I made it and sent Evil Nico to The Black Gates for good, and the rest of Team Loud Evil Storm were captured.

Lincoln: That was one crazy adventure yesterday, but we brought an end to Team Loud Evil Storm, plus, that was an awesome move getting Evil May so riled up when we showed her the "evidence".

May: Yeah, that was crazy, but before she could rip him in two, I froze her.

Lincoln: And Nico, J.D., and I also decided that today's the day we execute the remaining members of Team Loud Evil Storm, so we're in for one awesome execution, and I want to thank you, Arrowette, Charlotte Hazelrink, Vivi Nefertari, Marle, and Orta for joining us, Margo.

Margo: You're welcome, Lincoln, and sorry you didn't get a chance to pile-drive Evil Lynn and Evil Lola into the dirt.

Lincoln: That's alright, Margo, but what Good Flip did to those two, he will be remembered, and I'm sure he would have wanted a crack at our Flip.

Nico: (Laughs) Yeah, he would've wanted to crack our Flip's head open and mongrelize him, but the next time we humiliate Flip, it'll be a tribute to Good Flip. However, it's not a total loss, Lincoln, there is still the matter of those bitches, Evil Lori, Evil Lisa, and Evil Luan.

Lincoln: (Smirks) Nico, that's just what I was about to say, those three were also among those that were captured after you sent Evil Nico to The Black Gates, and we all have got a lot to say to those three for all the horrific things they've done to me. But, we'll worry about that later, let's head for Gren, Tactician of Dark World's shrine.

Griselda Huffington: (English Accent) Right.

We continued on and we arrived at Gren, Tactician of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Tactician Greatsword of Gren, Tactician of Dark World, a powerful demonic massive greatsword with green gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large green gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Tactician Greatsword of Gren, Tactician of Dark World, that sure is one scary looking demonic greatsword.

Griselda Huffington: (English Accent) You said it, and it's absolutely perfect for me.

Suddenly, we saw Ghostrick Alucard, and with it are the three girls.

Nico: Wow, that's Ghostrick Alucard, and it's got the three girls.

Ghostrick Alucard: (Romanian Accent) And away from that werewolf, Armadyl.

Lincoln: (Gasps) That voice, Ramona Alucard, I knew it was you, it's awesome to see you again. But, we'll talk later, I just caught Armadyl's scent and he's already heading for us.

Suddenly, we saw a huge white-furred werewolf heading for Vampirella, only to be kicked away by Lincoln, and we saw who it was: it was Armadyl, Vampirella's werewolf enemy.

Vampirella: I always knew you'd come out again, Armadyl.

Armadyl roared in anger and tried to attack again, but Lincoln slashed at his chest with his claws, and left claw marks on his chest.

Lincoln: You're not laying one paw on my future wife, Armadyl.

Griselda Huffington: (English Accent) That's right, you're about to be put down and turned into a werewolf pelt.

Griselda Huffington went up and grabbed The Demonic Darkness Tactician Greatsword of Gren, Tactician of Dark World. Suddenly, Suddenly, Griselda Huffington's green eyes turned neon green and she was surrounded by a black and green energy aura with darkness, demons, and dark magic, she unholstered her massive Gren, Tactician of Dark World's Demon Greatsword of Darkness Tactician Justice from her back, and as she approached Armadyl, she left black and green energy, darkness, demons, and dark magic with every step.

Griselda Huffington: (English Accent) You've tried and failed at numerous attempts to attack and kill Vampirella, and all to slake your hunger, Armadyl, but I'm afraid that's about to end here and now, your days of hunting down and killing innocent people at night to slake your endless hunger ends here and now.

Suddenly, Griselda Huffington was surrounded by a massive vortex of black and green energy with darkness and dark magic surrounding it, there's an army of demons and Gren, Tactician of Dark World flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Griselda Huffington emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Griselda Huffington grew from 6'11" to 7'4" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing green hair, she has neon green eyes and a black and green energy aura with demons, darkness, and dark magic surrounding her, she has Gren, Tactician of Dark World emblazoned on her forehead and Third Eye with green iris, she has on demon earrings with green gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Gren, Tactician of Dark World with blue gems for the eyes and the Dark and Eternity Kanjis in its hand for the second pendant, along with the golden Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolt links and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Griselda Huffington has transformed SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS GREEN COURAGE GREN DEMON TACTICIAN DARK WORLD DEMONIC ANGEL OF DEMONIC GREEN FIRESTORM DARK WORLD JUSTICE AND DIVINE DEMON GREEN FIRESTORM DARK WORLD LOVE!

We were amazed by Griselda Huffington's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Armadyl saw it, the werewolf roared in rage and ran at her to kill her, but Griselda Huffington fired a powerful black and green energy blast with demons, darkness, and dark magic, and sent Armadyl flying out of the shrine and we followed out, the werewolf got up and it was really pissed off now.

Nicholette Torrington: Whoa, Griselda Huffington has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, we're about to put that werewolf, Armadyl, down for good, and Griselda, you look beautiful, how do you feel?

Griselda Huffington: (Divine Echoing Cosmic Voice of the Dark World Green Firestorm Demon Tactician and Divine Demon Tactician Dark World Divine Love) (British Accent) I feel incredible, Linky. Now, shall we put this wild beast down for good?

Lincoln: (Smiles) With pleasure, Griselda.

Lincoln let out a growl as white fur began growing on his abnormally massive and powerful muscular body with white fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, he still has his white wolf ears and claws on his fingers and toes, his deep sapphire blue eyes remained the same, but his pupils became slit pupils, and the tips of his eleven massive, long, and powerful white werewolf tails turned into large black wolf heads, and he let out a powerful howl as he transforms into Lincoln the Nocturnal.

Nico: Whoa, looks like Lincoln The Nocturnal has gotten a complete fur color change.

Me: This was due to the new look he'd gotten when we went after the Nine Dark Jinchuriki.

Lincoln: (Beastly Voice) You said it, guys.

Then, Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Griselda Huffington.

Lincoln: (Divine Echoing Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to put you down for good, Armadyl, your rampage ends here and now.

Griselda Huffington and Lincoln went after Armadyl, who tried to attack them with its claws, but they dodged his claws, and they fired extremely powerful blasts of rainbow energy, black and dark blue energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Armadyl and they exploded with incredible power as they hit him. Then, they also attacked him with punches, kicks, and slashes from their massive greatswords, and slashes from Lincoln's claws, and they drew more blood.

Me: Oh man, this is becoming one gory battle if Lincoln's already drawing more blood.

Nico: Mess with The Vampire-Werewolf Hybrid of Michigan, and there's going to be blood. Let's join in and make this fight even bloodier.

TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Margo Arrowette, Charlotte Hazelrink, Vivi Nefertari, Marle, Orta, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Armadyl, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Griselda Huffington, her hand-cannon Blaster is known as Gren, Tactician of Dark World's Demonic Tactician Darkness Dark Blue Lightningstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with green flames on the blaster with a Phoenix, Angel, and Gren, Tactician of Dark World surrounded by darkness etched on the sides, and a green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Griselda Huffington fired blasts of rainbow energy, black and green energy, and elemental forces at Armadyl and as they hit him, they exploded with incredible power, and really knocked him down.

Then, Lincoln ran at Armadyl and put him in a brutal bear hug, so the werewolf couldn't escape, and as Lincoln sank his fangs into Armadyl, he began sucking out his blood and absorbing him into his body through his skin and fur and he was also assimilating Armadyl's powers. Then, as soon as Lincoln was done feeding on Armadyl's blood and absorbing him into his body, an energy card with Armadyl's soul appeared from a blast of light fired from Lincoln's massive greatsword, and when the Judgement Kanji appeared on Armadyl's forehead, the werewolf was sent to The Black Gates for good. We cheered wildly as we holstered our weapons and powered down and Lincoln changed back, and Griselda Huffington's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, and massive green angel wings are permanent.

Griselda Huffington: (British Accent) That's one more evil werewolf turned into food for the Vampire-Werewolf Hybrid of Michigan. Thanks for helping me destroy Armadyl, Linky.

Lincoln: (Smiles Warmly) You're welcome, Griselda.

Suddenly, Griselda Huffington wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Griselda Huffington's face, they kissed passionately as Griselda Huffington's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Gren, Tactician of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Griselda Huffington came back to us as the display and Gren, Tactician of Dark World vanished.

Nicholette Torrington: Whoa, I knew this was going to be one bloody battle, but, Lincoln, you really tore into Armadyl.

Nico: We've seen what he's done in tearing into many evil vampires and werewolves, and that ended with him feeding on their blood and absorbing them into his body.

Me: Yep, and those evil vampires and werewolves should beware: there's a creature more powerful than both of them combined, and should they cross his path, they wind up as food for him.

Rudina Adalwulf: You said it, and if you look at it, Lincoln's an Alpha Male hybrid, and he doesn't take kindly to evil vampires and werewolves causing trouble.

Nicole: And when it comes to defending his territory and those around him, Lincoln shows no mercy to them.

Lincoln: That's right, Nicole, and I don't mess around especially when it comes to killing irredeemable villains and evil creatures of the supernatural. (To Ramona Alucard) And it's so good to see you again, Ramona Alucard.

Ramona Alucard reverted back to normal, and she's a beautiful girl with long flowing midnight black hair, crimson red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings, and she reigned in the power of Ghostrick Alucard, and she's dressed in a short-sleeved midnight black dress, black lace stockings, knee-high midnight black boots, and long white sleeveless trenchcoat with darkness, blood, and vampires on the coattails and Ghostrick Alucard on the back and holstered on her back is a Ghostrick Alucard-themed large greatsword with Ghostrick Alucard etched on the 7'0" massive, wide, double-edged midnight black blade, large dragon heads for the crossguard, large crimson red embedded in the rainguard, longer midnight black handle, four large dragon heads and a large crimson red gem on the bottom of the large dragon heads for the pommel.

Ramona Alucard: (Romanian Accent) You too, Lincoln, it's been a long time, and it's good to see you and Tiana again, Ursula, and you too, Adriana.

Ursula Truaigheaingeal and Tiana Masina: (Scottish Accent) You too, Ramona.

Adriana Ardelean Dracula: (Romanian Accent) You too, Ramona.

Lincoln went up to Ramona Alucard and he hugged her, and Ramona Alucard is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were fifteen, and as you can see, I really grew a lot since then.

Ramona Alucard: (Romanian Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new, and you've really grown so much bigger in muscle, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her, and she also knows Ursula, Tiana, and Adriana?

Lincoln: Indeed we do, Nico, this is Ramona Alucard, she's my Guardian Angel from Bucharest, Romania and classmate in English, she's a Goth Girl and she's a vampire with immense power over the forces of darkness, The Dark Arts, Necromancy, Satanic Black Magic, The Undead, and Blood Magic, and she also knew of me being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers.

Me: That's really awesome.

Lincoln: It sure is, plus, she, just like me and many of the other vampires on the team, gets blood from the blood bank.

Ursula Truaigheaingeal: (Scottish Accent) And here's another awesome thing: she's also the older sister of Lincoln's Guardian Angel, Adriana Ardelean Dracula, and like her sister, she's also the descendent of Vlad Tepes Dracula.

We were stunned.

Nico: Holy crap, so Lincoln has not one, but two descendants of Vlad Dracula, as his Guardian Angels?!

Me: Wow!

Lincoln: That's right, and like her sister, she's also a famed hunter of evil vampires and werewolves, and she and Adriana have hunted down many evil vampires and werewolves running loose in Romania, and they've also harbored a hatred for Emily Bathory's evil sister, Evelin Báthory.

Ramona Alucard: (Romanian Accent) And when I heard the news that Evelin was killed when Lincoln fed on her blood and absorbed her and sent her soul to The Black Gates, I was so happy to be rid of her for good.

Eli: So were all of us.

Just then, Brittney and the other Goths of Darkness have appeared.

Me: Wow, Brittney, you and the other Goths of Darkness have shown up?! This is a surprise.

Lincoln: And there's a reason why, J.D., you see, Ramona's also good friends with Lucy and her friends in The Young Morticians' Club, and I gave Brittney the list of the other Ghostrick Gene-Slammers, and these girls are also going to become members of The Goths of Darkness.

Nico: Wow!

Nicole: So, this is not only going to be a reunion for you and the other Ghostrick Gene-Slammers in the days to come, but also, a welcoming ceremony.

Brittney: That's right, Nicole, and we want to welcome you personally to The Goths of Darkness, Ramona Alucard.

Brittney gives Ramona Alucard the ring of The Goths of Darkness.

Ramona Alucard: (Romanian Accent) Thank you, Brittney.

Lincoln: And in the days to come, Brittney and the Goths of Darkness are coming with us for when we meet the other Ghostrick Gene-Slammers.

Brittney: You got that right.

Ramona Alucard: (Romanian Accent) Splendid, and like Selene Emperyous, I hate all of Lincoln's enemies and Team Loud Phoenix Storm's enemies with a burning passion, and I want nothing more than to kill them and make them my undead slaves.

Nico: Whoa, now that's what I call a fearsome vampire's revenge.

Lincoln: You said it, Nico, and there's also something else: Ramona's a master of a dark power called The Vampire's Blood Embrace, when she uses this dark power, she fires a blast of darkness at those who are destined to die and are irredeemable by their actions and nature, and when that blast hits them, it immediately allows the user to suck out every last ounce of blood from the victim until they are dead. But, it also carries with it The Curse of The Vampires, so she always carries stakes with her, to plunge them into their hearts before they could rise again as vampires.

We gasped.

Brittney: I've heard about this dark power all too well, and the Ghostrick Gene-Slammers also have a mastery of the dark powers mentioned in the list.

Me: Whoa, now that's an impressive dark power.

Ramona Alucard: (Romanian Accent) And I've used it before on a thug who tried to kill Lincoln long ago, and you're not going to like hearing it. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Ramona, are you absolutely sure about this?

Ramona Alucard: (Romanian Accent) (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, just like Adriana, and she and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Ramona Alucard, and he saw that she's really serious, and he smiled as he walks over to Ramona Alucard, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Ramona Alucard's neck with colored gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Ramona Alucard: (Romanian Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your sister, you're now part of my harem and my many future wives, Ramona.

Ramona Alucard has a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Ramona Alucard's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Ayame Himuro, Ena Ibarada, and Kanade Kotohana from Science Fell in Love, So I Tried to Prove It.

Lincoln: Oh wow, it's Ayame Himuro, Ena Ibarada, and Kanade Kotohana from Science Fell in Love, So I Tried to Prove It.

Nicole: Awesome.

Lincoln: Are you girls okay?

Ayame Himuro: Yes, we're okay, thanks to you.

Then, when Ayame Himuro and the other two girls saw who it was that saved them from Armadyl, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic

Ayame Himuro: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Ayame Himuro: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayame Himuro, Ena Ibarada, and Kanade Kotohana with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Griselda Huffington had gotten The Demonic Darkness Tactician Greatsword of Gren, Tactician of Dark World, and they were shocked when they found out that the villain we went after was Armadyl, a werewolf villain and another old enemy of Vampirella.

But, when Lincoln showed them what happened such as Griselda Huffington transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and Lincoln also turning into Lincoln the Nocturnal and also transforming, and she, Lincoln, and all of us laying a brutal beatdown on him, and Lincoln finishing it by bear-hugging Armadyl and biting him and sucking out his blood and absorbing the werewolf into his body through his fur and skin and then sending his soul to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Ramona Alucard have a lot of catching up to do, now that she's back in town.

Maria: I should've known that another enemy of Vampirella would show up, and it's that werewolf, Armadyl.

Lincoln: Yep, but he made a big mistake fighting us.

Nico: Yep, and Lincoln literally drew blood twice by slashing Armadyl in the chest with his claws, and he also finished it by bear-hugging Armadyl and biting him and sucking out his blood and absorbing the werewolf into his body through his fur and skin and then sending his soul to The Black Gates forever.

William: Yep, I should've known he'd do that.

May: And Brittney and The Goths of Darkness are joining tomorrow for the meeting of the other Ghostrick Gene-Slammers, and Ramona Alucard is now a new member of The Goths of Darkness.

Maria: And that she's also the older sister of Adriana Ardelean Dracula, wow.

Nico: And she's the master of a dark power known as The Vampire's Blood Embrace, Lincoln told us of this dark power and it basically sucks out every last drop of blood from the targeted villain, but it also carries The Curse of The Vampires.

Maria: What? Oh boy.

Lincoln: But, Ramona's always prepared: she carries a stake with her to plunge it into their hearts to keep them from coming back as vampires, and it also destroys them.

Me: And she and the other Ghostrick Gene-Slammers also know that Lincoln's a powerful Vampire-Werewolf hybrid, and an Alpha Male hybrid as well, so any villain who dares to cause trouble, they're going to get pummeled.

Nico: Big time.

* * *

After getting rid of Armadyl, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ramona Alucard saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ramona Alucard: (Romanian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ramona, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ramona Alucard: (Romanian Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Ramona, what's the story on how you used The Vampire's Blood Embrace on a thug who tried to kill Lincoln?

Ramona Alucard: (Romanian Accent) You're not going to like it one bit. One day, Lincoln and I were coming back home after school, but then, I saw something heading for us and it had a knife and it was heading for Lincoln. I kicked the figure away, and I saw who it was: the figure who tried to kill Lincoln was a local thug named Bruce Aldine, he's a career criminal with a history of violent robberies and assaults, and multiple counts of first-degree murder in connection with the violent robberies and assaults in his history. He was convicted for his crimes and received Life Without Parole and he was sent to prison in Ionia Correctional, until he escaped. I also found out from his big fat mouth that the rotten ex-father of Chandler, Anthony McCann, hired him to kill Lincoln and everyone he's been with and he's willing to offer him $700,000,000, which he doesn't even have, but the career criminal and murderer took it, the fool. This made me pissed off for the last time, and when I saw Lincoln's eyes turn blood red and his fangs grew a little longer, I knew it meant he was going to rip his throat out, but I beat Lincoln to the punch and I used my dark power, The Vampire's Blood Embrace, and I fired a powerful blast of darkness at Bruce Aldine, and as it hit him, I sucked out every last drop of blood from his body until he was a pale corpse. But, knowing he's now been infected with The Curse of The Vampires and could rise again as a vampire, I took out a stake and plunged it into his heart and that killed him as he let out an inhuman shriek and he burst into flames and ashes. We then head back to The Loud House, and when I told everyone of Bruce Aldine and who hired him to kill Lincoln, they were horrified. But, they hugged me and Lincoln, and they were so happy to know we were alright and that Bruce Aldine is dead for good, and Anthony McCann's plot was foiled.

Nico: Damn, as if Chandler's low-life ex-father hadn't stooped that much lower than he already had!

Me: And he hired that career criminal, Bruce Aldine, to kill Lincoln and everyone again, that's just yet further proof that he's nothing but scum, and that Vampire's Blood Embrace is one powerful attack.

Adriana Ardelean Dracula: (Romanian Accent) It sure is. Ramona mastered this power for years, and she's only used it on those who are truly irredeemable, and Bruce Aldine was one individual who fit the picture.

Lincoln: But, she also knew of the curse that this dark power carries with it: that those drained of all their blood will rise as vampires, and with her knowledge of how to kill vampires, she was prepared for this task with a stake in hand.

Ramona Alucard: (Romanian Accent) When it came to battling evil vampires and werewolves in both Romania and Transylvania, you always have to be prepared for them and know how to kill them.

We got a shower afterwards, and then, Ed Cowart, Cattleya, Nabiki Tendo, Aosaka Natsumi, Konami Hatano, Chiwa Amano Chiwa, Shino Ebizuka, Sana Kaizu, Yuno Kawakami, Wakana Shimazu, Wako Agemaki Wako, Atari Kou, Sarina Endou, Kei Madoka, Ruri Makina, Keito Nichi, Midori Okamoto, Sakana-Chan, Simone Aragon, Kinu Fukushima, Sarasa Honda, Asa Katou, Rinzu Kuroda, Momen Sanada, Sumi Ichijouji, Rasha, Saten, Sophia, Aiko, Audrey, Beli, Celeste, Jessie, Kyanna, Kyu the Love Fairy, Lola, Momo the Cat Girl, Nikki, Tiffany, Venus, Brooke, Candy Crush, Lailani, Lillian, Marlena, Nadia, Nora, Renee, Sarah, Zoey, Abia, Ashley, and Polly were heading to Bubblaine.

Ed Cowart snapped his fingers, and the 7'5" dark brown-haired, handsome, and extremely muscular man was dressed in a large dark blue speedo with Cerberus and a phoenix surrounded by dark blue fire and stars on it and dark blue flames coming off the speedo, sandals, his jewelry, and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Cattleya, Nabiki Tendo, Aosaka Natsumi, Konami Hatano, Chiwa Amano Chiwa, Shino Ebizuka, Sana Kaizu, Yuno Kawakami, Wakana Shimazu, Wako Agemaki Wako, Atari Kou, Sarina Endou, Kei Madoka, Ruri Makina, Keito Nichi, Midori Okamoto, Sakana-Chan, Simone Aragon, Kinu Fukushima, Sarasa Honda, Asa Katou, Rinzu Kuroda, Momen Sanada, Sumi Ichijouji, Rasha, Saten, Sophia, Aiko, Audrey, Beli, Celeste, Jessie, Kyanna, Kyu the Love Fairy, Lola, Momo the Cat Girl, Nikki, Tiffany, Venus, Brooke, Candy Crush, Lailani, Lillian, Marlena, Nadia, Nora, Renee, Sarah, Zoey, Abia, Ashley, and Polly were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Cattleya: Wow, so this is Bubblaine.

Ed Cowart: Yep, and Lincoln, J.D., Nico, and Clyde have been here before with their harems, and now, it's our turn. Shall we?

Ed Cowart and his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they see the marine life that live there, and they went back to the beach and they had a game of volleyball, and his harem got a massive and extreme deep atomic red blush on their faces when they saw Ed Cowart lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, as the sun was starting to set, Ed Cowart made clones of himself, and he and his clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls placed their hands on the massive wide and muscular left pecs of Ed Cowart and his clones. Then, as the sun turns orange, Ed Cowart and his clones kissed the girls passionately on their lips and they also returned it. They returned home to The World Tree Estate and in their original clothes, and we saw that Ed Cowart had lipstick marks on his face, massive muscular body, and eight-pack abs, and he had a lovestruck look on his face.

Nico: Hey, Ed, how was your date?

Ed Cowart: In two words: really awesome.

Cattleya: We went to Bubblaine for our date.

Me: You all sure had fun there.

Lincoln: And judging from the lovestruck look on Ed's face and kiss marks on his body and face, he really had an awesome beach date.

Ed Cowart: And now that I'm back, isn't today…?

Lincoln: Yep, Good Slade has already gotten Evil William, Evil Optimus, Evil Maria, Evil Danny, and Evil May tied up, and with Evil Nico dead and in The Black Gates, not to mention with the rounding up and arresting of Team Loud Evil Storm's remnants and putting them in prison, those five top officials are already looking at getting sentenced to death for their crimes.

Lori: And the evil Louds are already in prison, with the exceptions of Evil Lola and Evil Lynn, so they get to watch the executions.

Nico: And they're going to be in despair. Let's go.

Later on, we headed for Universe 666 Earth, and it was already in the process of repairs after the big battle with Team Loud Evil Storm and their years of terror. We then met up with Good Slade and the rest of the good versions of the villains.

Good Slade: I'm glad you all made it.

Nico: Wouldn't miss this for the world.

Good Evolt: We've been waiting for this moment for so very long.

Lincoln: After what they'd done, this moment has finally arrived at long last.

We then arrived at the location where we see Evil William, Evil Optimus, Evil Maria, Evil Danny, and Evil May chained up to posts, and they were really pissed now.

William: Jeez, they're really pissed off!

Luan: (As Mr. Coconuts) Yeesh, who replaced their undies with porkchop underwear? They're acting like a pack of rabid dogs.

We laughed.

Nico: Porkchop underwear, that's a good one!

Me: You got that right.

Lori: So, how are we going to have them executed?

Lincoln: I think I have an idea, Lori.

Lincoln fired a blast of energy which removed Evil Optimus' spark and contained it inside a vessel and it permanently locked him inside, and that pissed off Evil William, Evil Maria, Evil Danny, and

Evil May badly.

Lincoln: Oh, don't give me those ugly glares, you've had this coming for a long time.

Ramona Alucard: (Romanian Accent) Let's use The Vampire's Blood Embrace on them, so everyone can see it in action.

Lincoln: (Smiles) Good idea, Ramona. (To everyone) Get ready to see The Vampire's Blood Embrace in action, guys.

We stood there in anticipation, then we saw Ramona Alucard and Lincoln fire four blasts of darkness at Evil William, Evil Maria, Evil Danny, and Evil May, and as the blasts hit them, Ramona Alucard and Lincoln sucked out every last bit of blood from Evil William, Evil Maria, Evil Danny, and Evil May until there was no color left on any of them.

Eli: Whoa, so that's The Vampire's Blood Embrace?!

Nico: Yep. Now, here comes the second part.

Suddenly, we saw Evil William, Evil Maria, Evil Danny, and Evil May raise their heads and they hissed at us, and we saw they had fangs and red eyes: they got turned into vampires, but they eventually got hit in the hearts with stakes by Ramona Alucard and Lincoln, and they burst into black flames and erased by The Black Gates. We said our goodbyes and came back home.

It was now time for Ellie's first ever ambassador mission.

Ellie Singh: I'm so excited for this!

Qin: We are too Ellie!

Me: Boy you have been excited for this mission for a long time.

Lola: Yeah.

William: Anyone else want to go with Ellie? Besides 1 Rabbid and

Yusei?

Tahu: Me and Tyson will go.

Me: And you know Eddy and the Cul-De-Sac kids will go. (In my head) When Dark Eddy appears he is going to be in for a surprise.

Elie Glory: You know I'll be going too.

Nico: All right then lets go.

We were off to Japan.

---

We arrived in Japan and Gingka saw Yusei.

Yusei: Are you Gingka Hagane?

Gingka: Yes that's me.

Yusei: It's awesome to meet you.

Gingka: (to Yusei) Wait. I've heard of you. Yusei Fudo, right?

Yusei: That's right. Leader of the Signers.

Gingka: Wow it's an honor to meet you!

Yusei: Same here.

Me: He's with us too.

Gingka Hagane: Wow! Team Loud Phoenix Storm! It's an honor to meet you all.

Nico: Same here to you.

Ellie Singh: My name is Ellie Singh and it's awesome to meet you. I'm one of Nico's friends.

Me: And this is your predecessor Ambassador for Tyson and his friends.

Tahu: An honor to meet you. I'm Tahu, leader of the Toa Nuva of the Island of Mata Nui.

Gingka: Wow it's an honor.

Tyson: I'm Tyson, and it's awesome to meet you.

Gingka: Cool! You too.

Elie: And my name is Elie Glory. It's an honor to meet you.

Gingka: You too Elie.

Me: Ellie Singh here is your Ambassador. It's part of a special diplomatic mission program we made.

Nico: As you can see, Tyson is a Beyblade user just like you.

Tyson: It's true. I'm the predecessor Champion before you.

Me: And so am I. I was the greatest Beyblader of all and me and Tyson go way back.

Gingka: Wow! That is awesome!

Tahu: It sure is.

Me: And we heard so much about your achievements and everything you did to defeat the evil Nemesis. That was really amazing how you did all that.

Gingka: It was a really harrowing journey. But yeah we saved the world.

Nico: You sure did.

Eli: And we're really proud of you guys.

Eddy: We sure are. Oh sorry Eddy McGee is the name.

Me: And these are his friends from Peach Creek.

Rolf: Rolf honored to meet you.

We had them introduce themselves.

Gingka: Wow it's a pleasure to meet you.

Kevin: I wonder what exactly is the difference between you and Tyson's Beyblading styles.

Gingka: We have metal layered Beyblades.

Me: Also they have more power and more advanced fighting class.

I pulled out my Elemental Galaxy Phoenix Beyblade.

Me: I also found this. It's my new Elemental Galaxy Phoenix Beyblade.

Gingka: Whoa! Where did you get that one?

Me: Found it over in Ireland on one of our previous Ambassador Missions.

Ellie Singh: Yeah it is really cool. Also I wish I had a Beyblade like yours.

Gingka: I think I have one for you.

He gave a blade to her and it was called THE NEPTUNE MERMAID!

Ellie Singh: The Neptune Mermaid! Wow!

Nico: That's cool Ellie!

Ellie Singh: It sure is!

Gingka: Wanna meet my friends?

Nico: Sure.

Ellie Singh: Sure.

We went to meet them.

Gingka: By the way Nico, we heard about what happened to you in the world of Universe 666 and that was a crazy battle.

Nico: That was a crazy battle but yeah.

Gingka: And I for one don't buy any of that garbage your evil self said about you, you are nothing like your evil self.

Nico: How did you know about that?

Gingka: Galaxy Pegasus told me what happened and everything he said was all lies. You are full of too much honor and love to be like that.

Nico: That means a lot to me. Thanks.

Gingka: I was actually busy myself yesterday. Visiting the grave of a rival turned friend.

Nazz: You're talking about that Ryuga kid, right? Wasn't he a jerk to you?

Me: Yeah from what I heard he was a total jerk and an asshole to you. He tried to kill you many times. But if he comes back I'm gonna give him a piece of my mind.

Gingka: Hey, he might've been a jerk to me in the beginning. But he turned out to have a heart of a hero. He sacrificed himself to help Kenta.

Eddy: Me and Shovelchin can relate.

Kevin: Only I'm actually still alive. And Ryuga-(everyone looks seriously at him) I'll stop talking now.

Me: No worries. But I was being serious about giving that Ryuga kid a piece of my mind.

Gingka: I don't blame you J.D.

We arrived at the shop of Madoka and there we met her and Gingka's friends.

---

Kenta Yumiya

A young Beyblade who dreams of one day becoming a champion. Before meeting Gingka, he is initially afraid of the Face Hunters until Gingka soundly defeats them, telling him that the battle was decided by the blader's heart. His greatest goal now is to become as powerful a Beyblade as Gingka, though it has so far proven difficult for him.

Madoka Amano

A young girl who repairs Beyblades at her father's shop, B-Pit. Though she doesn't Beyblade at all she knows almost all things about it. If there are any problems in her friends' beys, she is always there for her friends, and she helps Gingka and Kenta with their battles. Not only them she helps many other bladers who become their friends. In Beyblade: Metal Masters, she becomes the supporting member of Team Gan-Gan Galaxy and travels to many countries with them. In "Beyblade: Metal Fury", she helps her friends stop the God of Destruction 'Nemesis'. She later inherits her father's shop in Beyblade Shogun Steel.

Kyoya Tategami

Gingka's second greatest rival and the former leader of the Face Hunters. After losing to Gingka, he decided to disband the group and eventually joined Gingka and his friends on several occasions. He was also the leader of the African representational team, Team Wild Fang during the Big Bang Bladers World Championships. In Metal Fury, he's on a quest with Gingka and the Legendary Bladers to stop Nemesis from controlling the world. His Beyblade was Rock Leone in Metal Fusion/Masters, and Fang Leone in Metal Fury.

---

Kyoya: Wow! Team Loud Phoenix Storm it's an honor.

Madoka: It sure is!

Kenta: Same here. What an honor.

Me: You all must be Kyoya, Madoka and Kenta. It's a pleasure to meet you all.

Nico: Kenta, we just heard that Ryuga sacrificed himself to help you.

Me: Yeah he might have been a jerk but he is a hero.

Kenta: (sighs sadly) I just can't help thinking that it's my fault he's dead.

Eddy: Dude, no! Ryuga gave up his own life for you! And you should honor that sacrificing by being the best Beyblader you can be!

Me: Yeah he gave his life for you. That makes him a truly redeemed hero worthy of both the Redemption Squad and the Masters of Evil. After I give him a piece of my mind that is. But I don't know the full extent of what went down with him can one of you guys fill me in?

Gingka: I can.

He did so.

---

Ryuga is a major antagonist turned major protagonist in the Beyblade series. He served as the main antagonist of Beyblade: Metal Fusion, a supporting character in Metal Masters and a main character and partial antagonist in Beyblade: Metal Fury.

He is a member of the Dark Nebula Organization, the partner of Doji, and the possessor of Lightning L-Drago. After losing to Ginkga he redeems himself and breaks free from the Dark power.

He was voiced by Kenjiro Tsuda in Japanese and Carman Melville in English.

Past

Not much of Ryuga's past is known, except he once joined the Dark Nebula Organization and became Doji's right-hand man.

Ryuga and Doji once heard of a forbidden Beyblade called L-Drago, hidden in a temple at Koma Village and flew to Mount Hagane. There, after getting past the booby traps, Ryuga acquires L-Drago and uses it to defeat Gingka's father and his Beyblade, Pegasus, with ease. However, as Ryuga fled the temple with Doji, L-Drago drained Ryuga of his power. Ever since then, Ryuga had to rest inside of a capsule until he regained his power.

Beyblade: Metal Fusion

Ryuga is woken up by Gingka's presence at Dark Nebula's Castle after he defeated Doji. Breaking dree of his pod, he appeared before Gingka, challenging him and his Beyblade, Pegasus, to battle. They fought on the stadium often used by the Dark Nebula, and through using L-Drago, Ryuga won the duel.

After his win against Gingka, Ryuga battled Dark Nebula Bladers, beating them without breaking a sweat. Doji later takes him to a desert to meet Yu Tendo. He beats the kid easily, to which Yu joins the Dark Nebula. When Yu wins the survival battle in the Battle Bladers, be tells of his desire to see Ryuga win against the best fighters in the country, to which Ryuga is summoned. Gingka and Ryuga fight for a while, but the Dragon Emperor ends it, knowing he will win and tells the hero that if he wants to face him again, he will need to enter Battle Bladers. Doji says that when Ryuga wins Battle Bladers, he will be the king of all Bladers. Ryuga later wins against a one-hundred man battle and bets another unnamed Blader before battling Tobio Oike and Ryutaro Fukami at the same time, beating them both. Ryuga invites them to join the Dark Nebula which they both accept.

When Tsubasa is discovered as a traitor, Ryuga revives himself to him and battles him. Ldrago almost beats Eagle, but Tsubasa gets saved by Phoenix, and the two escape much to Ryuga's anger.

Battle Bladers begins with Ryuga as one of the sixteen bladers in the tournament. He also watches Gingka beat Yu and then goes on to face Hikcaru to end the first round scaring her for life. He later fights Dan Sodo, Reiki Sodo, and the Kumade Brothers, easily winning. He then battled Tobo and Tetsuya Watarigani for losing. Tobio gets mad which Ryuga taunts him to get more angry. He watches Yu and Reiji Mizuchi battle and doesn't come to the kids aid crushing him. Later, in the second round, he battles Tsubassa in a rematch. Although Tsubassa fights hard, he is no match for Ryuga's power and thus loses. With such a close match with Tsubasa, Doji feels concerned that Ryuga may not be able to defeat Gingka, and as a compromise, Ryuga drains the negative energy from Doji's body instead, supposedly killing him.

In the semi-finals, he battles Kyoya Tategami and wins after an intense fight despite Kyoya's determination to beat Ryuga, with him also winning against Gingka.

Beyblade: Metal Masters

After training in a volcano, Ryuga fought back the dark power and succeed in controlling L-Drago, resulting in Meto L-Drago, since it is also closely related to a mentor.

Beyblade: Metal Fury

As the Star Fragment fell, a piece of it struck Meteor L-Drago, transforming it into L-Drago Destructor. The villagers were scared of L-Drago's power and thus banned Beyblades from their village.

---

When he was done we were shocked!

Me: Oh my god. He really saved you all and Kenta. But it still doesn't excuse him for his rotten attitude.

Ellie Singh: Yeah he needs to be taught some manners.

Me: But wow! That L-Drago blade of his is powerful!

Nico: No kidding!

Madoka: Yeah it sure is. After he died I was given L-Drago.

Rabbid gibbering.

Yusei: (sighs) And this is a Rabbid.

Me: Yeah he is a cute one

Madoka: Oh he is adorable.

Me: He sure is. But believe me they are also very stupid. Rabbids are not the brightest lightbulbs in the closet if you know what I mean. They are brainless idiots.

Nico: Yeah they are also really funny.

Eli: We get a good laugh out of them.

Elie Glory: We sure do. They are funny.

The Rabbid then took Kyoya's Beyblade and was about to eat it.

Kyoya: No! My Beyblade is not food! (the Rabbid blew a raspberry at him) Did you just raspberry me?!

I took it back.

Me: See they are idiots. But yeah I think that's going to to be the line of the day when we have our first missions.

Kyoya: Oh I get it.

I gave him his blade back.

Me: Also guys just a forewarning, Eddy has a dark side in him and his goal is to kill us all and claim all the fame and glory as the only hero. He wants to destroy all of us.

Gingka: Oh man!

Me: Yeah just want to give you the heads up on that. Hence why Eddy's friends are with us.

Gingka: I see. So they are here to help you stop him.

Me: Yep. But Nico put a curse on Dark Eddy as we call him that will banish him to the Black Gates after 24 times. Its already been 4 times so he has 19 times left.

Eli: Yep.

Madoka: The Black Gates?

Nico: The Deadliest Technique in our arsenal.

Madoka: Oh wow.

Gingka: (out loud while holding a toy gun) Boy, this gun will surely come in handy if Eddy's Dark Side comes out later today!

Nico: (telepathically) Dude, the Hell are you doing?! You trying to give away a plan you have in mind?!

Gingka: (telepathically) Relax. I'm just fooling Eddy's Dark Side. This is actually a toy gun. My real surprise is something I'll reveal soon.

Me: (Telepathically to Nico) Nico this is exactly what I was going to do and I already switched his blaster with a toy gun.

Gingka: (Telepathically to me) Oh you already thought ahead of me. Nice.

I winked.

Gingka: Also, Ellie, I can't help but notice something inhuman about you.

Ellie Singh: You are very perceptive. I'm a gene-slammer for a Kineceleran.

Madoka: Isn't that one of Ben's aliens?

Ellie Singh: Yep. They have amazing superhuman speed.

Me: They can run at 500 miles per hour.

Ellie Singh: Watch.

Ellie opened the door to the shop and then…

ZOOOM!

She ran fast and went to 10 miles away and back in less than 2 seconds and brought back one of the Dark Nebula's men with incredible speed.

Madoka: Wow! That is fast!

Gingka: And you brought Ryutaro Fukami with you.

Me: So he's one of the Dark Nebula.

Kenta: Yep.

Ryutaro: You will never stop Dark Nebula!

Me: We'll see about that!

Me and Nico then punched him square in the face and knocked him out.

We took his Beyblade which was Thermal Pisces.

Me: Thermal Pisces. Nice one.

Gingka: Lock him up. He was probably sent as a scout by the real threat today.

Me: You heard him.

I teleported him to the Uranus Prison.

Ellie Singh: A nice term in our Space Prisons will be good.

Me: Yep.

Gingka: And I have a pretty good idea who sent him.

Me: Who is it?

Gingka: Dr. Ziggurat.

Eli: Wasn't he that madman that was going to blow up much of the world with that new energy source you have?

Madoka: That's him.

Me: Not on our watch. He'll be the first one of your enemies we sent to the black gates.

Ellie Singh: That's for sure.

Yusei: But not before we take his Beyblades too.

Gingka: That's right. A true Blader's power comes from the heart.

Me: Very spiritualistic. And very powerful.

Gingka: Thanks.

Eli: I sense that he is coming this way.

Me: He must be really pissed at you guys for ruining his plans.

Gingka: He sure is.

Me: What can you tell us about him first?

Gingka: You won't like it one bit.

He told us all about him..

---

Dr. Ziggurat is the main antagonist of the anime show Beyblade: Metal Masters, the second season of the Metal Saga. He is a scientist and manager of the American blader team Starbreaker who is using the world tournament to study the beys and create the ultimate bey, Twisted Tempo, as an energy source. He is also revealed to be the mastermind behind the actions of Doji, the main antagonist of Beyblade: Metal Fusion, although there was no scene showing them together. This was later confirmed by Doji himself in Beyblade: Metal Fury.

Prior to the season, Ziggurat heard of the forbidden bey, Lighting L-Drago, and send his agent Doji, leader of the organization Dark Nebula, to get it. When Ryuga finally lost control over L-Drago, Ziggurat was surprised to hear later that Ryuga had managed to control L-Drago.

At some point, he also approached Zeo Abyss, a friend of Masamune, a teammate of Gingka, who believed that Masamune betrayed him and their friend Toby, who was in a coma, by leaving to prove himself to Gingka. Ziggurat offered Zeo to take care of Toby if he joined his team, Starbreaker. He invented a system he called the Arrangement System that allowed bladers to use their full potential, however it could cause mental breakdowns and insanity, as shown with Jack, who became a sadist obsessed with art or elite blader Damian Hart who was obsessed with winning every battle he fought.

Many years later, he managed to bring Ryuga to his base and offered him to serve him, however Ryuga refused and instead damaged the building, escaping afterwards. Ziggurat then claimed that L-Drago was extremely dangerous, which to him was just another reason to prevent Ryuga from escaping. He later blackmailed Zeo into defeating Masamune during the world championship, threatening to let Toby die if he didn't. After Gingka defeated Damian in the final battle, Ziggurat revealed he was never interested in winning, just in collecting data from the beys. He planned to use beys as an alternate energy source, which he dubbed Spiral Force, powered by a bey he based on both L-Drago and Pegasus, Twisted Tempo. He also revealed that the blader using Tempo and thus powering the Spiral Force was Toby, whom, despite Zeo's failure in battle, was not killed, however Ziggurat had him undergo the arrangement system as well, brainwashing him and robbing him of his memories. Ziggurat told everyone that he had changed his mind about using the Spiral Force to save the world from an energy crisis, now planning to sell it to the highest bidder, something that Ryo strongly opposed, as someone could use it as a weapon, something that Ziggurat completely careless about.

When Gingka, his teammates and friends were heading towards Hades City, the headquarters of Hades Inc., as they had to take matter into their own hands as Ziggurat's auction was dangerous, but legal, they were opposed by the Garcias and Julian Konzern. Argo Garcia and his syblings were offered money whilst Konzern was blackmailed by Ziggurat, who took over his companies. After defeating them, Gingka and the others entered the room where Toby/Faust was. However, when Ryuga suddenly attacked the flying city with L-Drago, he damaged the Spiral Force technology. This resulted in a meltdown, which Dr. Ziggurat explained could destroy the world. When Ziggurat tried to stop Faust from creating even more Spiral Force, which would just accelerate the meltdown, Faust proved to be obsessed with carrying out his mission like a machine. Realizing that Faust was no longer under his control, Ziggurat tried to escape, mumbling to himself that it wasn't his fault and he just did it for humanity. He was opposed by Zeo, who got his revenge for being manipulated and blackmailed by attacking his former boss with his bey, causing to Ziggurat to clash against a wall and being rendered unconscious. At the end of the series, it's unknown what happened to him.

In Beyblade: Metal Fury, it was revealed by Doji that both him and Ziggurat were part of a cult that worshipped the dark god Nemesis and that both the search for Lightning L-Drago and the Spiral Force were just parts of their plan to revive their god in order to destroy the world and recreate it in their image.

---

When he was done we were shocked!

Me: Whoa man! So he was one of the masterminds that brought Nemesis back!

Nico: Now I'm really glad we're going to give him the Black Gates.

Me: Same here.

Rolf's pig Wilfred squealed and rubbed his butt on the ground.

Rolf: What is it, Wilfred?!

Nico: He's close.

Me: He's right… There!

I fired an energy blast and it hit a bush and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Out came DR. ZIGGURAT!

He crashed onto the ground!

Me: Nice try Ziggurat! But we knew you were coming.

Dr. Ziggurat: You don't disappoint do you J.D.?

Me: Not at all.

Dr. Ziggurat: (smirks) Hello, Gingka, How is Ryuga doing?

Gingka: (growls) You don't get to say his name!

Dr. Ziggurat: (laughs evilly) I'm sorry. Did I touch a nerve?!

Me: He is dead because of you! You are one of the people that killed him!

Dr. Ziggurat: WHAT!? Ryuga is dead!?

Nico: That's right! Murderer!

Eli: You killed him in cold blood!

Ellie Singh: You heartless fiend!

Just then, we heard Dark Eddy laughing. We turned and saw him pointing Eddy's blaster at us.

Me: (In my head) Right on cue.

Nico: Why am I not surprised that you'd come out now?

Dark Eddy: (to Gingka) I had to bide my time until I could kill you all at once. Too bad you won't get to use your own blaster after all.

Dark Eddy fired Eddy's blaster at Gingka only for him to take out a mirror and reflect at him, getting him in the shoulder.

Dark Eddy: ARGH! You tricked me!

Gingka: (smirks) That was a toy blaster I was holding. This mirror was my true counter. Because it and others like it can reflect your laser blasts back at you. (Dark Eddy is about to fire again) You really wanna push your luck, man? Go right ahead.

Me: Also looking for this?

I pulled out the real blaster.

Me: I knew it was going to be another chance for you to appear. That was a laser pointer blaster you have.

But then regained control!

Eddy: STOP IT NOW!

Eli: What the!?

Me: HUH?!

Nico: How the!?

Eddy: This has gone on far enough! I won't let you hurt any of my friends anymore!

Dark Eddy: You are nothing you goody goody two shoes version of myself! I am in control! You will do what I say!

Eddy: NO! This is MY body! I won't let you hurt people anymore! Get out of my head! I won't let you do this anymore! It will take more than head games to stop me from being rid of you! But there is one thing I learned from Nico and that is 2 have one things that you don't! A HEART AND PRIDE!

HE FLARED UP HIS AURA OF LIGHT AND POWER WITH INCREDIBLE EXPLOSIVE FORCE AND LIGHTNING SURGED INTENSELY AROUND HIM AS HE WAS FLARING UP HIS POWER AND ENERGY SWIRLED AROUND HIM!

Me: WHOA WHAT POWER!

Gingka: INCREDIBLE!

Dr. Ziggurat: WHAT IS THIS KID!?

But then a blob of darkness came out of him and it was DARK EDDY! ON THE OUTSIDE!

Nico: OH NO!

Me: The curse is still active but I know one place that he will never return from until the next Ambassador mission!

I banished him to the Book of Vile Darkness Dimension!

Eddy: Man! (Dizzy and disoriented) What a headache.

Kevin: Are you all right Eddy?

Nazz: Man dude you really were incredible.

Me: But you did it Eddy! You expelled Dark Eddy from you!

Eddy: I did?

Eli: Yeah! You're free from him!

Me: I banished him into the Book of Vile Darkness Dimension. He'll return the next mission. But you did it.

Ellie Singh: You sure did. Way to go Eddy!

Rolf: Let Rolf give you an Armpit Rub of Victory!

He did so.

Me: That was awesomely well done Eddy.

Gingka: Now, the fun begins! Beyblade, let it rip!

Me: Time for action! BEYBLADE LET IT RIP!

Ellie Singh: Lets see what this can do. BEYBLADE LET IT RIP!

We launched our blades!

Yusei: (gets out Mysterio's Astroswitch) This isn't a Beyblade or one of my monsters. But it'll make things interesting anyway!

He put it in his device and flicked it and formed a bunch of Heartless Robots for Red Nocturnes!

Me: Lets do it!

I flared up my rainbow aura and unleashed ELEMENTAL STAR PHOENIX!

Gingka flared up his aura and unleashed Galaxy Pegasus!

Ellie: Okay lets see what the power of Neptune can do. I lend my strength and heart and soul to you Neptune Mermaid.

She flared up her blue aura and then a beautiful blue mermaid appeared and she had the symbol of Neptune in the middle of her forehead!

Nico: WHOA! So that's Neptune Mermaid and Galaxy Pegasus!

Eli: Incredible!

Tyson: That is amazing!

Rolf: ROLF WILL RELEASE HIS RAGE NOW! BEYBLADE, LET THEM RIP!

He launched his new blade!

Rolf: You have broken the celery stalk on the back of a sea urchin!

Dr. Ziggurat: What!?

Rolf ran and smashed him all over and then threw him into a tree!

SMASH!

It crashed onto him!

CRASH!

Me: OOH! OUCH! Awesome! Lets see what it can do. SPECIAL MOVE: ELEMENTAL PHOENIX STAR FLARE!

I flared up my aura and fired a powerful blast of star fire and blasted him down with incredible force!

Rolf: Now, let us see what this Thermal Pisces Beyblade can do!

Rolf flared up his aura and it formed A POWERFUL FLAMING FISH!

Nico: WHOA!

Ellie Singh: Wow! Now for this. SPECIAL MOVE: SONG OF NEPTUNE'S SIRENS!

She had Neptune's Mermaid sing a divine song and fired a massive deluge of water and smashed Dr. Ziggurat all over the place!

Tyson: That was amazing!

Kevin formed his WarKevin suit and shot a repulsor at Ziggurat.

It hit his leg and blasted it off and he screamed in pain!

Kenta: That must've hurt!

Madoka: WHOA! That was powerful!

Me: Yep. That's his new Iron Man outfit. We call it WarKevin.

Nico: Yep.

Madoka: This is for Ryuga! LET IT RIP!

She launched L-Drago!

Dr. Ziggurat: Fine! I'll just use one of my own Beyblades!

He got his blade out and it was SPIRAL CAPRICORN!

Dr. Ziggurat: LET IT RIP!

He launched his blade!

Madoka flared up a red aura! L-DRAGO CAME OUT! But instead of it being black and purple it was blue!

Me: WHOA! So that's L-Drago!

Eli: Incredible!

Nico: Its power is incredible!

Madoka: SPECIAL MOVE: DRAGON EMPEROR DESCENDS!

She unleashed 3 powerful dragons from it and it hit Spiral Capricorn and smashed the blade down and I caught it!

Me: WHOA!

Nico: That was powerful!

Eli: I'll use that blade.

Me: Okay.

Dr. Ziggurat: THAT'S MINE!

Me: Not anymore!

Gingka: After all the stunts you pulled, you don't deserve a Blade!

Yusei: Time to summon Stardust Dragon!

Yusei summoned Stardust Dragon!

Gingka: Whoa so that's Stardust Dragon!

Me: Yep.

Yusei: ATTACK! COSMIC FLARE!

Stardust Dragon fired a star fire blast and it hit Dr. Ziggurat and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

He was smashed down.

Me: Now for this. (CUPS HANDS) KAAAAAAAA MEEEEEEEE HAAAAAAAA MEEEEEEEEE HAAAAAAAAAAAAAAA!

I fired a powerful Kamehameha Wave and it hit Dr. Ziggurat and obliterated him into nothing! He was dead!

Nico: Check if he dropped anymore Beyblades.

We looked around.

Me: Found one.

I found that it was Dark Wolf.

Me: Dark Wolf. Must be for Lupus The Wolf. Zarya would like this one.

Nico: Good idea.

Eli: That's it for that.

Then his spirit appeared.

Me: Now you will see the black gates in action.

Ellie Singh: I got this.

She used the Black Gates on him and he was found guilty of his crimes and erased from existence forever.

---

We later went back home.

May: Hey guys. How was it?

Me: Ellie did a great job on her first ever mission.

Ellie Singh: I sure did.

Me: And we have had a really unexpected by awesome development.

We told everyone what went down and everyone gasped!

Varie: Whoa! So Dark Eddy is out of Eddy!?

Me: Yep. But we banished him to the Book of Vile Darkness Dimension.

Nicole checked and saw that we were right.

Nicole: It's true! He's locked in the pages of the Book of Vile Darkness.

She showed us.

Nico: Wow!

Qin: That is amazing.

I gave Zarya the Dark Wolf Blade.

May: Next time, Chick Hicks and Cheese should go with you.

Ellie: Good idea.

Me: Yeah but this was awesome.

---

Later at Lynn's Table we were having an awesome victory party for our win over the destruction of Team Loud Evil Storm.

All of us: (CLINK GLASSES) CHEERS!

Nico: To the death of Team Loud Evil Storm.

Me: Yeah that's for sure!

Lasher: Alright, Nico. What's this urgent announcement you have for us?

Nico: I'm sorry to have this so suddenly in the middle of our party.

But Guys, I really am taking to heart your assurance that I won't turn out to be like my evil counterpart. But the thing is…

I can't take any chances. That's why before the Ambassador mission, I had Stewie help put my contingency plan into place.

Me: What is your contingency plan?

My Dark Orb Radar went off and it showed a DARK ORB INSIDE NICO!

Me: There's a Dark Orb inside you!?

Nico: Yes but it's part of my contingency plan. Stewie put a microscopic Smart Bomb inside me and it will make sure I don't go down the dark path that my evil self went down.

Me: I see.

Nico: The bomb can be remotely detonated by a trigger which changes hands between each of the Loud Kids, in case I ever go down my counterpart's path.

Supreme Kai of the West: What about J.D.?

Nico: Relax. He's not getting a shift. Because I know he'd never be the one to willingly do this.

Me: You're right I never would.

Lola: But this is crazy Nico!

Lana: Yeah! This is too extreme!

Nico: Guys, you know how much I believed I would never snap. But that was before we found out about Universe 666! As much as I want to believe I won't turn out like that, we may never know what will push me towards the edge. What if I end up threatening someone innocent with the Black Gates like Lincoln did before? None of us truly know what any of us are capable of. You guys understand, right?

Nightbird: You have a good point, actually.

Me: You do have a good point there too. And we are anger prone.

Xenia: Yeah.

Lola: Yeah that's true.

Me: Yep.

Arcee: So, who gets to hold the trigger first?

Nico: Lincoln. Who gets to have a turn after that is up to you guys.

Lincoln: Okay then.

Qin: Okay.

Lincoln: After me it's Lori.

Nico: Okay.

Nico gave him a remote control.

Me: Where is the bomb planted?

Nico: You don't want to know.

I saw a beeping light in Nico's crotch area.

Me: Oh.

Lori: What if someone else literally gets a hold of the trigger?

Stewie: Oh, I planned ahead. The trigger can only by activated by any of you guys.

Me: Very smart thinking.

Qin: Indeed.

Amy: Let me hold the trigger!

Me: Nice try it bitch!

Qin: Yeah.

Lynn: What if certain villains kick Nico in the groin.

Nico: Relax. The bomb will only go off if the trigger is activated. Not if I get kicked in the crotch.

Me: Oh good.

Qin: Thank goodness.

Me: What kind of bomb is it? Nuke?

Nico: Yep. But it's not the kind that will level the whole city.

Qin: Good.

Me: And for that remark Amy, you get this: THE MAD FIRE HYDRANT!

I fired a massive blast of strawberry Heffer Farms Brand Yogurt from my hand and it shot into her mouth and inflated her to the point where she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: OH SICK!

Qin: GROSS!

Xenia: Nice!

Tantrum: With that out of the way, what teams have you made?

Nico: Green Lantern's team will include Amelia Waverley, Amelia Bradford, Rainbow Faces, Princess Rose, and Dance Princess of The Ice Barrier. Captain Marvel's team will include

Cora Billingston, Enolas Wendy Marvell, Enolas Lucy Heartfilia, Universe 666 Opaline, and Kayara.

Me: Cool!

Aylene C.: Boy I remember the Rainbow Faces. They were Gallimimus from Another Planet.

Me: Really? Gallimimus from another world!?

Xenia: How bizarre.

Erza Scarlett: Also the Enolas versions of some of us is amazing.

Lola: Yeah.

Me: Also Universe 666 Opaline is perfect.

Laney: And who is Kayara?

Me: Oh she is from a Disney Movie that comes out later in the future.

Laney: Cool!

Eli: And I got a better solution for Amy.

He pulled out the Mask of The Beast.

Me: The Mask of The Beast. Good idea bro.

Eli gave it to me.

I went over to Amy after she was back to normal and her stomach vomit turned into numerous bars of gold.

I put the mask on her.

Amy: What is this mask you fuckup?

(DONKEY BRAY!)

She grew a nose and then she grew a tail!

Me: Loser.

Then the Previous Group of M.O.E. Members came.

Kalin: Can me, Carly, Misty, Greiger, Devack, Roman, Robo Blaze, Dr. Light, and Skulker go with you guys?

Superfriends Giganta: Me, SHS Carnage, Bui, Professor Monkey for a Head, Cammie Chameleon, Tobias Whale, Blackbird, Trifire, Evil Bright Man, and Live Action Bonecrusher will come too.

Nico: Yes you all can come with. And I have just the mission for us. We're going to meet Buddy the Elf from the 2003 movie Elf.

Carly Atlas: I love that movie!

Misty Tredwell: Me too! That was funny.

Devack: It sure was.

Nico: First we're going to watch the movie and then get ready.

We went back to the estate and went and watched the movie.

On Christmas Eve, a baby at an orphanage crawls into Santa Claus' sack and is unknowingly taken back to the North Pole. After the infant is discovered at the workshop, the elves name him Buddy after his diaper's brand label and Papa Elf adopts him. Buddy is accepted by the elf community and grows up thinking that he is an elf, but soon learns he is really a human. Papa Elf explains that Buddy was born to Walter Hobbs and Susan Wells, and that Susan put him up for adoption prior to her death. Walter now works as a children's book publisher at the Empire State Building in New York City and is unaware of Buddy's existence. Santa reveals that Walter is on the Naughty List due to his selfishness, but suggests Buddy could help redeem him with some Christmas spirit.

Buddy travels to New York and finds Walter at work, but Walter mistakes him for a Christmas-gram messenger and has him ejected. Buddy heads to a local Gimbels department store and meets Jovie, an unenthusiastic employee with whom he is instantly smitten. Hearing that Santa will be at the store the following day, Buddy redecorates the store overnight. However, upon realizing that the Gimbels Santa is not the genuine article, Buddy unmasks him and causes a brawl in the store that the manager breaks up.

Walter reluctantly bails Buddy out of the police station and takes him for a DNA test, confirming that Buddy is his biological son. Dr. Leonardo convinces Walter to take Buddy home to meet his stepmother Emily and half-brother Michael. Walter and Michael are unnerved by Buddy's strange behavior, but Emily insists that they care for him until he "recovers". Michael warms up to Buddy after they defeat a gang of bullies in a snowball fight and encourages Buddy to ask Jovie out on a date. During the date, the two fall in love.

Meanwhile, Walter's publishing company is failing after their latest book flops. Walter's boss, Fulton Greenway, expects Walter to have a new book ready by Christmas Eve. Walter and his team secure a meeting with best-selling children's author Miles Finch, but Buddy interrupts the meeting and mistakes Finch, who has dwarfism, for an elf. Buddy unintentionally insults Finch before the latter attacks him and leaves the meeting, upon which Walter loses his temper and harshly disowns Buddy. Heartbroken, Buddy writes an apology note on an Etch A Sketch and leaves Walter's apartment.

Upon finding Finch's notebook full of ideas, Walter and his team scramble to create a book to pitch. As Walter prepares to pitch the book to Greenway, Michael arrives and informs Walter of Buddy's departure. Realizing his mistake, Walter quits his job and walks out with Michael to find Buddy. Meanwhile, Buddy sees Santa's sleigh crash in Central Park, attracting a large crowd. Santa explains that the sleigh's engine is lost and cannot fly without it due to a shortage of Christmas spirit.

Buddy finds the engine and reunites with Walter and Michael. Walter apologizes to Buddy for how he treated him and accepts him as his son. After he takes them to meet Santa, Michael takes Santa's list and reads it in front of television news cameras gathered outside the park, proving that Santa is real. A group of Central Park Rangers, who are angry at Santa for placing them on the Naughty List, chase the sleigh as Buddy tries to reattach the engine. Jovie leads the crowd and those watching on television in singing "Santa Claus Is Coming to Town", raising enough Christmas spirit to fully power the sleigh without the engine.

By the following Christmas, Buddy writes a book about his life, which becomes a bestseller and allows Walter to establish his own publishing company. Buddy also marries Jovie and brings their newborn daughter Susie to visit Papa Elf.

When it was done we laughed hysterically and more and it was funny!

Me: (LAUGHS) OH THAT WAS SO FUNNY!

Xenia: (LAUGHS) SO FUNNY AND FUN!

Carly Atlas: (LAUGHS) THAT FUNNY LONG BURP ALWAYS CRACKS ME UP!

Me: So our target is Fulton Greenway and we're going to send him to jail.

Nico: I agree there. No one should ever have to work on Christmas Day.

Undermine: Nico, which Gene Slammer do you think you'll meet next?

Nico: Fearow next.

Laney: Ooh!

Qin: A bird Pokemon next. Awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, the dark blue iris of Ed Cowart's Third Eye, the colored irises of The Dark World Goth Girls, and the green iris of Nabiki Tendo's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Mabashi, one of the Bounts and one of Jin Kariya's followers, and he's coming after us for revenge for what happened to Jin Kariya. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln,

everyone, is Mabashi coming after us?

Lincoln: You guessed it, Rayman, and he's coming after us for revenge for what happened to Jin Kariya.

Rukia Kuchiki: I should've guessed that as soon as word hit of Jin Kariya's death, another of his fellow Bounts would come out.

Riley Misaki: But, we'll be ready for him, right, Lincoln?

Lincoln: You guessed it, Riley, and like I said yesterday, Runo and Tigrerra are also joining in as well.

Runo: This is going to be awesome fighting alongside you guys, and we'll make Mabashi pay for his crimes.

Tigrerra: And we'll get the chance to see Riley in action.

Me: After what we saw what Daria, Dan, Drago, and Lincoln did to Shūkurō Tsukishima yesterday, this should be something to see.

Nico: Same here. Alright, gang, let's go, we're off to meet Buddy and take down Fulton Greenway.

Lincoln: Greenway's already made his way to the Naughty List for his crimes, and once we get done taking him down, you're next, Mabashi.

SHS Carnage: What about Buddy's dad?

Roman Goodwin: Oh, he's actually proven to be a nice guy.

Me: Yeah. But still that is a really awesome and funny movie though.

Eli: Where is he at?

Me: New York City, I think.

Xenia: Yeah it's New York City.

Lola: Then we're off to the Big Apple.

We were off.

We arrived in New York City.

Me: Ahh New York City.

Nico: Always love coming here.

Xenia: Me too.

Divebomb: Let's keep to the side so we don't get hit by any cars.

Camie: Good idea.

Lola: I can't wait to start shopping here.

Eli: Boy this city has everything.

Lola: Yeah!

We arrived at the home of Buddy Hobbs.

Me: There it is.

Nico: Yep.

We went over and knocked on the door and answering it was Walter Hobbs.

Nico: Are you Walter Hobbs?

Walter Hobbs: Team Loud Phoenix Storm. How can we help you?

Me: Well is Buddy home?

Walter Hobbs: He'll be back in 5 minutes.

Devack: Can we still come in?

Walter Hobbs: You can.

Professor Monkey for a Head: Great!

Me: Nice place you guys got here. Sorry to drop by like this.

Walter Hobbs: No worries. But it's always an honor to have you all here.

Me: No problem.

Walter Hobbs: I take it you guys are all going to stop Fulton Greenway.

Me: That's right.

Xenia: We are not going to let that Jerk get away with it.

Laserbeak: I just hope he hasn't done anything bad to Buddy.

Me: If he does he is going to regret it.

Buddy and Jovie came in.

Buddy Hobbs: We're back.

Walter Hobbs: We're in here and we have guests.

Rex Goodwin: Hi there!

Blackbird: You must be Buddy.

Buddy Hobbs: Wow! Team Loud Phoenix Storm it's an honor. Santa told me so much about you all and how you all saved him from his evil brother.

Qin: That was so awesome.

Me: Boy that was awesome and cool.

Lola: Yeah it sure was.

Camie: Santa's brother?

Me: Satan Claus. He was Santa's evil twin brother.

Nico: Yep.

Vice: We also had to deal with another version of Santa during our multiversal chase of Bertram.

Me: Yeah I heard about that.

Brian Griffin: Yep. That was a crazy adventure.

Nico: But it was really cool.

Buddy Hobbs: Wow! That is what I was hearing too.

Jovie: You guys went through it all too.

Varie: All that and more.

Fluttershy: But it was really amazing to hear about.

Dr. Light: Buddy, what Christmas song is your favorite?

Evil Bright Man: Personally, we like Rudolph the Red Nosed Reindeer.

Buddy Hobbs: I love all Christmas Songs.

Me: Who doesn't love all the great Christmas Songs.

Qin: Yeah they all are great.

Grenade Man: So, how are things at your workplace?

Buddy Hobbs: Busy as ever. Making presents for over 2 billion kids all over the world is amazing and fun.

Me: Big job for Santa. Especially with Earth growing larger because of us and all that.

Lola: Yeah no kidding there. Earth has grown much bigger because of us. And much safer too.

Lana: That's right.

Buddy Hobbs: Yep.

Live Action Bonecrusher: If there's one thing I hate the most, it's people working on Christmas.

Skulker: Considering the Ghost Zone Truce during Christmas, I have to agree with you on that one.

Brenda Loud: I may hate everything and everyone but I still love christmas.

Qin: But at least we're going to give Fulton a lesson in manners.

Nico: Big time. He is a TRUE Scrooge there.

Lola: Yeah.

Totally Spies Alice: (to Buddy) Yeah, that's actually why we're visiting.

Me: Yep.

Buddy Hobbs: All right!

Me: And I have the perfect place for him too.

Nico: Our space prisons?

Me: Nope. The Fruit Cake Mines of Nunavut Bay, Canada. It's a mine that I discovered up near the North Pole that has fruit cakes. I established it as The Fruit Cake Mines Supermax

Prison for Christmas Haters.

Nico: Ooh! Not bad.

Eli: I like it.

Robo Blaze: Speaking of fruitcakes, you guys have any

Trifire: I could go for some.

Me: No fruit cake for me today. We had an incident happen to us a while back that had contaminated fruit cake.

Qin: It was crazy and weird.

Lincoln: Yeah no kidding.

Buddy Hobbs: Yeah but I'm afraid we don't have any.

Me: Okay then. Also I thought that prison was fitting for someone like Fulton and all those that hate Christmas because hardly anyone likes fruitcakes.

Nico: That is true.

Me: At least it's better than being dragged down to Hell to be punished.

Nico: True.

Trifire: By the way guys, we felt a massive energy burst and it was from Eddy. What happened?

Me: You guys are not gonna believe this. During Ellie's first ambassador Mission, Dark Eddy took over and then Eddy fought back against him. Through sheer and utter will power, Eddy released a massive burst of energy and expelled Dark Eddy from his body and made him a separate being. But I banished him to the Book of Vile Darkness Dimension.

Trifire: Wow! That is incredible!

Qin: Yeah no kidding!

Ellie Singh: That was incredible to see.

Vegeta: That's very similar to how I fought back against Babidi when I was Majin Vegeta.

Me: Wow! That was awesome too.

Buddy Hobbs: I agree there too.

Tomahawk Man: Hey, Buddy. Can you show us how loud you can burp?

Buddy Hobbs: I sure can.

Maria gave him a whole bottle of super fizzy soda.

Me: Fizz Bomb Cola.

He drank the whole thing down.

Greiger: Better cover our ears.

Tobias Whale: This is going to be loud!

Me: Fire in The Hole!

Then…

LOUD LONG SUPER BELCH!

He burped for 1 whole minute!

Buddy stopped later.

Buddy Hobbs: Did you hear that?

Disk Wars Deadpool: Damn, that was probably as long as when you did it during the movie!

Me: Actually that one lasted for 15 seconds.

Nico: Wow!

Disk Wars Deadpool: Oh. I see what you mean.

Cammie Chameleon: Now, let's go after Fulton.

Misty Tredwell: He's about to get more then coal!

Me: That is an understatement.

Nico: At least the building he is in is not hard to spot.

We saw the building he is at.

Me: Greenway Industries.

Qin: Yep.

Nico: Yep. Lets get him guys.

We went outside and then flew to the building.

Kaiba: Entrance time!

Nico: Lets do it!

Fulton was on the phone.

Fulton: Get rid of EVERYTHING in New York City relating to Christmas and I want it done now! No exceptions! I HATE CHRISTMAS and I want EVERYONE to suffer! DO IT or I will have your hide and kill you!

But then the phone line went dead.

Fulton: Hello?

Then the spirits of the Earthbound Immortals and The Nazca Lines appeared and swirled around him and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the roof and a phoenix cry was heard and then we busted in.

Me: You will do no such thing Fulton! You're under arrest!

Fulton: On what charges!?

Me: Abuse of power and Holiday Murder!

Bui: You have a lot to learn about the Christmas Spirit.

Fulton: Who gives a damn about Christmas?!

Carly Atlas: We do!

Me: It's time to teach you some manners!

I fired waves of garlands and tied him up.

Then Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Solomon Grundy, Samon, Ape Man, Shakedown, Nuclear Man, Eustace Bagge, Black Knight of Merlin, IR Baboon, Ayatoriko, Roller Ghoster, Mr. Freeze, and Greg appeared.

Nico: Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Solomon Grundy, Samon, Ape Man, Shakedown, Nuclear Man, Eustace Bagge, Black Knight of Merlin, IR Baboon, Ayatoriko, Roller Ghoster, Mr. Freeze, and Greg.

Mojo: (to Eddy) While I am glad Dark Eddy is no longer inside you, you are aware he'll still be able to make a new blaster, right?

Eddy: I know. That can go to the Book of Vile Darkness Dimension with him.

Po Kong: On the bright side, you can rest easy now.

Nico: Thank goodness.

Radioactive Man: But now, he'll be even more unpredictable.

Me: Yep. But not for us with the Force.

Eli: Yep.

Gizmo: (to Nico) Heard you went to Yokai Academy again?

Nico: We sure did.

Deker: How were things this time?

Me: Better than they were last time. But it was awesome.

Galza then appeared again.

Me: Galza! Looks like it's time for us to dish out some well deserved payback on you.

Galza: This will be fun.

Me: It always will be fun.

Me: Also, we've actually decided on an archenemy for you.

Galza: Really? Who is it?

Gaia Han Stepped forward.

Gaia Han: Me. Gaia Han, the Evil HERO Dark Gaia Gene-slammer for Nico's side.

Galza: Wow!

Nico: This is gonna be awesome and cool.

We got the battles underway.

## Jaune Arc, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Powerpuff Girls, Headstrong and Tantrum VS Mojo Jojo - Nico's rescue at Yokai Academy

Mojo Jojo was first.

Mojo: (to Jaune) Nico's rescue was at Yokai Academy again. I hope there were no perverts this time!

Jaune Arc: No thank goodness. But if there were then we would feel the full extent of Nicole's fury and wrath.

Pinkie Pie: But everything has been going good there.

Maud Pie: (monotonously) So far things have been well. They even recruited Ririko Kagome the Math teacher into the M.O.E. For you.

Featherweight: She's what's called a Lamia and they are the child suckers of Greek Myth.

Sprocket: She is a smoking hot fox.

Blossom: Boy she sure is and they always say that the Math Teachers are smoking hot.

Mojo Jojo: That is true. Lets do it!

Jaune used the Raspberry Lockseed and got a Raspberry sword and he read a verse and fired waves of daggers and swords and slashed him all over and then they fired waves of energy and metal, gears, lightning and lasers and smashed him down.

---

## Nora Valkyrie, Rainbow Dash, Scootaloo, Air Skylanders, Jackie Chan, Jade Chan, Undermine and Brimstone VS Po Kong - Battling Another Virgo Undead Zodiarts and Another Electropede

---

Po Kong the Demon Sorcerer of The Mountain was next.

Radioactive Man: That is awesome. By the way Pyrrha are you all right with having Universe 666's version of Cinder Fall with us?

## Lie Ren, Starlight Glimmer, Cozy Glow, Undead Skylanders, Robin, Starfire, Cyborg, Raven, Beast Boy, Tara, Laserbeak and Buzzsaw VS Gizmo - Meeting a gene-slammer for Ghostrick Alucard

---

Gizmo: (to Ren) I heard you guys met a gene-slammer for Ghostrick Alucard. What's her name?

Lie Ren: Her name is Ramona Alucard and she is a direct descendant of Vlad III of Wallachia and she is a really powerful vampire and dark arts master.

Starlight Glimmer: She sure is and she has amazing powers that the Goths of Darkness are proud of too.

Cozy Glow: And her story is cool too.

---

Ramona Alucard: (Romanian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ramona, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ramona Alucard: (Romanian Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Ramona, what's the story on how you used The Vampire's Blood Embrace on a thug who tried to kill Lincoln?

Ramona Alucard: (Romanian Accent) You're not going to like it one bit. One day, Lincoln and I were coming back home after school, but then, I saw something heading for us and it had a knife and it was heading for Lincoln. I kicked the figure away, and I saw who it was: the figure who tried to kill Lincoln was a local thug named Bruce Aldine, he's a career criminal with a history of violent robberies and assaults, and multiple counts of first-degree murder in connection with the violent robberies and assaults in his history. He was convicted for his crimes and received Life Without Parole and he was sent to prison in Ionia Correctional, until he escaped. I also found out from his big fat mouth that the rotten ex-father of Chandler, Anthony McCann, hired him to kill Lincoln and everyone he's been with and he's willing to offer him $700,000,000, which he doesn't even have, but the career criminal and murderer took it, the fool. This made me pissed off for the last time, and when I saw Lincoln's eyes turn blood red and his fangs grew a little longer, I knew it meant he was going to rip his throat out, but I beat Lincoln to the punch and I used my dark power, The Vampire's Blood Embrace, and I fired a powerful blast of darkness at Bruce Aldine, and as it hit him, I sucked out every last drop of blood from his body until he was a pale corpse. But, knowing he's now been infected with The Curse of The Vampires and could rise again as a vampire, I took out a stake and plunged it into his heart and that killed him as he let out an inhuman shriek and he burst into flames and ashes. We then head back to The Loud House, and when I told everyone of Bruce Aldine and who hired him to kill Lincoln, they were horrified. But, they hugged me and Lincoln, and they were so happy to know we were alright and that Bruce Aldine is dead for good, and Anthony McCann's plot was foiled.

Nico: Damn, as if Chandler's low-life ex-father hadn't stooped that much lower than he already had!

Me: And he hired that career criminal, Bruce Aldine, to kill Lincoln and everyone again, that's just yet further proof that he's nothing but scum, and that Vampire's Blood Embrace is one powerful attack.

Adriana Ardelean Dracula: (Romanian Accent) It sure is. Ramona mastered this power for years, and she's only used it on those who are truly irredeemable, and Bruce Aldine was one individual who fit the picture.

Lincoln: But, she also knew of the curse that this dark power carries with it: that those drained of all their blood will rise as vampires, and with her knowledge of how to kill vampires, she was prepared for this task with a stake in hand.

Ramona Alucard: (Romanian Accent) When it came to battling evil vampires and werewolves in both Romania and Transylvania, you always have to be prepared for them and know how to kill them.

FLASHBACK ENDS

Riley Misaki has transformed into SUPER ANGEL-TIGER-HARMONY CELESTIAL ETERNAL XELNAGA BLADE TIGER HAOS BAKUGAN GOLDEN YELLOW LIGHTSTORM TIGER ANGEL OF DIVINE TIGER HAOS LIGHTSTORM JUSTICE AND DIVINE HAOS STAR LIGHTSTORM TIGER LOVE!

We were amazed by Riley Misaki's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Mabashi saw it, he rushed at her to kill her in a fit of rage, but Riley Misaki fired a powerful golden yellow energy blast with light, stars, blades, and tigers at Mabashi and sent him flying into a wall, he got out, and he was pissed off now.

Runo: Wow, Riley's transformed, Mabashi better say his prayers.

Lincoln: Especially now that we're going to join in, Runo, and Riley, you look beautiful, how do you feel?

Riley Misaki: (Divine Echoing Cosmic Voice of The Yellow Haos Lightstorm Star Blade Tiger Angel and Divine Gold Haos Lightstorm Love) I feel incredible, Linky. Now, shall we deal with Mabashi once and for all?

Lincoln: (Smiles) With pleasure, Riley.

Runo: Alright, let's join in, Tigrerra.

Tigrerra: Right.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Riley Misaki, and Runo summoned Blade Tigrerra, and they also joined Lincoln and Riley Misaki.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to help Jin Kariya to destroy The Soul Society are over, Mabashi, and now, it's time for you to die.

Riley Misaki, Runo, Blade Tigrerra, and Lincoln went after Mabashi, and they fired extremely powerful blasts of rainbow energy, golden yellow energy, blades, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, and Mermaids at Mabashi, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was really pissing off Mabashi badly, but Riley Misaki, Runo, Blade Tigrerra, and Lincoln were just getting started. Suddenly, Blade Tigrerra had her blades out, and her blades, along with the massive blades of Riley Misaki, Runo, and Lincoln's massive greatswords were glowing with golden yellow energy and light.

Riley Misaki, Runo, Blade Tigrerra, and Lincoln: Now, you will pay for every last one of your crimes, Mabashi. HYPER VELOCITY FANG SLASHSTORM FURY!

Riley Misaki, Runo, Tigrerra, and Lincoln attacked Mabashi with super-fast golden energy and light-infused slashes from Tigrerra's blades and the massive blades of Riley Misaki, Runo, and Lincoln's massive greatswords, and he wasn't able to defend himself from the fierce attack.

Me: Whoa, now that's brutal!

Nico: They're really moving at the speed of light and they're not giving Mabashi any chance to defend himself, nice.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Riley Misaki, her hand-cannon Blaster is known as Blade Tigrerra's Haos Blade Tiger Lightstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's white with lights on the blaster with a Phoenix, Angel, and Blade Tigrerra and the Haos Symbol surrounded by lights etched on the sides, and a golden yellow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Riley Misaki fired blasts of rainbow energy, golden yellow energy, and elemental forces at Mabashi and as they hit him, they exploded with incredible power, and Lincoln turned the tip of one of his eleven massive and long white wolf tails into Cell's stinger, and as he stabbed it into Mabashi's chest, he screamed in agonizing pain and Lincoln absorbed him. Then, as he retracted his tail and the stinger changed back, Lincoln's massive greatsword fired an energy card with Mabashi's soul inside, and when the Judgement Kanji appeared, Mabashi was sent to The Black Gates forever, along with his Doll, Ritz. We cheered wildly for what Riley Misaki and Lincoln did to Mabashi as they holstered their massive greatswords on their backs and powered down, and Riley Misaki's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, and massive golden yellow angel wings are permanent.

Riley Misaki: That'll teach you, you good-for-nothing Bount. Thanks for helping me destroy Mabashi, Linky, and same goes to you and Tigrerra, Runo.

Lincoln: (Smiles Warmly) You're welcome, Riley.

Runo: It was an awesome pleasure to get the chance to fight side by side with you, Riley.

Tigrerra: We were glad to help you both out.

Suddenly, Riley Misaki wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Riley Misaki's face, they kissed passionately as Riley Misaki's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Blade Tigrerra flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and lights shining down on them and we cheered wildly. Lincoln and Riley Misaki came back to us as the display and Blade Tigrerra vanished.

Nico: Whoa, Lincoln, Riley, Runo, Tigrerra, that was one awesome and incredible fight, Mabashi didn't stand a chance, nor could he defend himself from that blade combo you guys unleashed.

Lincoln: Thanks, Nico, and tomorrow, when Mana and I fight Di Roy Rinker tomorrow, you and Preyas are also joining us, Marucho.

Marucho: Alright.

Preyas: I'll give that creep a pounding he'll never forget and I'll send him running for his life.

Nico: The only place he'll be running for is The Black Gates. And I can guess the next Ghostrick Gene-Slammer we're going to meet tomorrow, right, Lincoln?

Lincoln: Yep, Claire Allaire, Gene-Slammer of Ghostrick Doll, tomorrow for Day 8 of The Dark World Treasure Hunt.

Abis Mal: Looks like Fulton's out of a job.

Motor Ed: Someone's gonna have to take over his company now.

Me: Yep.

Samon: Who cares about that?! Let's celebrate at Buddy's house! I'm making salmon!

Nergal: I'm making pizza!

Grundy: Grundy love salmon and pizza!

Me: Yeah!

Nico: But great job guys.

Buddy Hobbs: (To the viewers) You mess with the love of Christmas you mess with us.

Me: That's for sure.

We had a party back at Buddy's home and then later went back home and went to sleep. Fulton Greenway was sentenced to life in the Fruit Cake Mines for Christmas Haters and there was no possibility of parole. He was also ordered to pay $500,000,000,000,000,000,000,000,000.00 in restitution.

We gave the scouts all cozy and warm awesome cabins for their camp for winter and they were really nice. The cabins all had hot cocoa, wood burning stoves and wood rustic beds and the comforts of a winter mountain lodge.

Me: Boy these are perfect for the winter.

Nico: They sure are and it was awesome building them.

Me: And the best part is, at the push of a button they can be changed for the seasons.

Zipp Storm: Boy these cabins are so nice.

Misty Tredwell: They sure are.

Misty Brightdawn: I'll say. So cozy for the cold and more.

Me: And it's perfect because it's snowing outside.

Lazlo: Yeah I love the snow guys.

Raj: (Hindu Accent) It's a perfect time of the year for all of us guys.

Clam: Love snow!

Green Lantern: Boy it's perfect for some people.

Sunny Starscout: Too bad that our friend Posey doesn't like the snow. But that's all right.

Sunset Shimmer: Well some ponies and people are just not suited for winter.

Xenia: Yeah but that's cool.

Nico: Hal, I want to thank you, Jet, and your teams for coming with me today.

Green Lantern: It's my pleasure Nico. And it's so cool that Lazlo's camp was made a winter camp too.

Nico: It sure is. This was a great idea too.

Eli: It sure was.

Eli then threw a snowball and it hit Carol.

Carol Pusateri: Hey! Oh you're going to get it bro!

She threw more snowballs as they laughed.

Nico: (LAUGHS) So awesome.

Camie: Yeah.

Nico: Amelia, remember when we first met?

Amelia Waverley: Boy how can I not? You and I won a huge pancake eating contest up in Alaska together. I have never seen anyone with an appetite as big as mine for pancakes.

Lazlo: Boy you sure love pancakes don't you Amelia.

Clam: Pancake love.

Amelia Waverley: I sure do. Not only do I love huskies and malamutes all over the place but I love pancakes. Have a huge appetite for them.

Nico: That's true. So awesome and cool.

Me: Yep.

Rainbow Face Male: But I must say it's so fun being part of the team.

Me: It sure is.

Aylene C.: Boy I'll never forget meeting you guys when the Stone of

Cold Fire crash landed. That was so cool.

Xenia: That was really cool earlier.

Rainbow Face Female: It was an amazing honor helping you all too.

Camie: It was really awesome seeing it. Also we did not expect it to be a comet that was made of the same material as your time stone Aylene.

Aylene C.: That was amazing.

Nico: Honestly, Amelia, considering your Gene Slammed form, this environment is perfect for you.

Amelia Waverley: I may be part Polar Manzardill but this is perfect for me too.

Qin: Boy it sure is.

Me: (To Princess Rose) Do you like the snow as much as anyone else your highness?

Princess Rose: Oh I sure do J.D. and it's so much fun for me and my frogs.

We saw a bunch of Des Frogs hopping around.

RIBBIT RIBBIT!

Qin: They sure like the cold.

Lana: Boy they sure do.

Lana pet one and it was loving it.

Lana: Your frogs make awesome friends for me and Hops.

Princess Rose giggled.

Princess Rose: I'm glad they do Lana.

Me: Also Mizore loves this kind of weather too.

Lincoln: She sure does. She practically lives in the snow.

Qin: That she does.

Nico: Yeah she does.

Lola: I love the snow myself.

Lola was skating on the ice of Leaky Lake with Patsy, Gretchen and Nina and they were doing all kinds of awesome movies that Kristy Yamaguchi would be proud of.

Nico: Buddy was a really funny guy.

Me: Boy he sure was! (LAUGHS) I love how he belched like that.

Xenia: Me too!

Amelia Bradford: Yeah that was great.

Slinkman: I agree too guys. And J.D. this winter camp idea was absolutely great. Everyone seems to love the camp like this.

Me: I'm glad they do Slinkman.

Nico: Can't believe Fulton hates Christmas so much.

Me: Boy no kidding. He was a true Scrooge there.

Dance Princess of The Ice Barrier: Yeah no kidding there. But he'll have all the time in the world to think about that as spends the rest of his life in the Fruit Cake Mines.

Twilight Sparkle: At least it's not Jerktonium Laced Fruitcake.

Me: No kidding there. Also I actually like fruit cake. Even though I never had one before I think it looks really good.

Eli: It sure does.

Eli then threw a snowball and it hit Nico in the face!

SPLAT!

Nico: Hey! (LAUGHS) Nice one Eli!

Eli: Thanks!

Nico: I can't believe there would be people who truly hate Christmas

Me: I know! Those kinds of people are those that have no faith and no love in their hearts. Like Princess Morbucks.

Nico: That's true there.

Eli: People like them deserve to be put on the Permanent Naughty Plaque.

Camie: What's that?

Me: It's for the most naughty of all kids. They do things that are so evil and naughty and irredeemable that Santa puts them on a plaque. That means they will never get another present from Santa ever again for all eternity.

Camie: Oh man! I wouldn't be surprised if Fulton is added onto that.

Nico: Me neither.

Maria grinned and threw a snowball at Nico.

SPLAT!

It hit him.

Nico: HEY! Oh you're going to get it now Maria!

Maria laughed and Nico threw snowballs at Maria.

Me: Watch this guys. (ACTIVATES VEXEN'S RIDEWATCH)

I used ice powers and formed a Snow machine gun.

Me: Hey Romeo and Juliet! Who's laughing now!?

Nico: Uh oh!

Maria: (GULPS)

I then fired and started shooting snowballs at Nico and Maria very fast!

Nico: Huh? [as snowballs pile on him. He then stands up, revealing a bunch of snowballs lined up on his forehead] Ha! You missed me! [I then started shooting more snow into Nico's mouth. Slow motion occurs then resumes to normal speed. Nico swallows the snowballs and blows out cold breath. A gun cocks and I fired more snowballs and this time the snowballs get stuck in his mouth]

Me: Take that!

Nico then swallowed all the snow.

Nico: Ahh. That was funny. How did you make a snow machine gun like that?

Me: Vexen's Ridewatch. Perfect for Snowball Fights.

Nico: (LAUGHS) That was cool.

Me: Literally.

Nico: For the record, I already told you guys Maria is like a sister to me!

Me: We know Nico.

May: I know Nico.

Me: Also May your Glaceon loves the snow too.

May: She sure does.

Varie: But that was awesome.

Edward The Platypus: But that was awesome J.D. Great job.

Me: Thanks Edward.

Sure enough, Glaceon was running through the snow happily.

She was running with May through the snow and loving it.

Qin: That is so awesome.

Nico: Didn't Billy and Mandy first meet Nergal Junior at a winter camp?

Me: They sure did. Mandy told me they first met him on one of the coldest adventures ever. It was called Camp Paradise.

Nico: Stupid name for a camp for Winter.

Camie: No kidding there. But I actually love the snow. It means I can do this.

She used her quirk and formed the Aurora Borealis over the camp and it provided the perfect illusional display for the winter theme.

Lana: Wow!

Xenia: Beautiful!

Me: Awesome!

But then…

?: (FAMILIAR VOICE) I WANT MY CAMP BACK NOW!

Me: Can't he take a hint!

Out came Algonquin Lumpus and he was REALLY PISSED!

Nico: We'll look who it is.

Lumpus: (shivering) And I also want the snow gone too!

Me: Not on your life antler boy! And also when are you going to get it through that stupid thick skull of yours along with that stupid pea sized brain that this was NEVER your camp at all! It was all Heffer's camp to begin with and you stole his job!

Camie: Yeah Lumpus! So make like a rocket and take off!

Lumpus tried to charge at Nico in a rage but he was shivering too much to even run.

Nico: (smirks) I think we can ignore him right now.

Me: Bad idea coming here in just a hospital gown. Especially in this weather.

Then the Paddy Wagon came and caught him in a big net and pulled him in.

Lumpus: YOU WILL NEVER BE RID OF ME! I WILL BE BACK!

It drove off.

Me: Sheesh he sure is a glutton for punishment.

Nico: No kidding. Besides I think it was too cold for him.

Qin: Yeah. He should have just waited till it was warmer. It is December after all.

Nico: True. Hopefully he'll be in good condition to battle us soon.

Me: Universe 666's version can be put into the Masters of Evil and the Redemption Squad.

Nico: Good idea.

Sunny Starscout: Hey guys I have something for you all to try.

Sunny came out with a huge plate full of awesome cookies.

Me: Ooh those look delicious Sunny.

Sunny Starscout: These are my friends favorite cookies growing up when they were foals. These are Kiwi Pia Crystal Unicookies, Royal Banana Nut Bites and Hitch's grandma Figgy's Good Old Fashioned Marshmallow Citrus Crumblies.

Nico: Boy those look yummy.

We got to trying them. I was trying the Kiwi Unicookies and they were delicious.

Nico: (Eating a Banana Nut Bite) MMM! Delicious!

Laney: (Eating a Marshmallow Citrus Crumblie) MMM! So yummy!

Hitch Trailblazer: These are our favorite cookies guys.

Nico: Damn, these are good!

Eli: (Eating cookies) Mmm! Where did you learn how to make these Sunny?

Sunny Starscout: I learned how to make them from Grandma Figgy, Alphabittle and from Queen Haven's recipe Book. I wanted to make my friends favorite cookies for Winter Wish Day.

Me: That's very sweet of you Sunny. And it's awesome that you learned how to make these from them.

Qin: Yeah. (Eating cookies) And Hitch your grandma makes really great cookies.

Hitch Trailblazer: She sure does.

Izzy Moonbow: They are really delicious too.

Sunny Starscout: And I learned that making cookies comes from your heart and not your hooves.

Me: Ah they make them all with love.

Xenia: (Eating cookies) So delicious.

Lily: Just like how SpongeBob and me make all our Krabby Patties with love.

Himiko: (Eating) Mmm! That is so true.

Nico: Let's give these to Santa for Christmas.

Me: Good idea Nico. He loves ALL kinds of cookies.

Qin: Yep.

We licked the whole plate clean of the cookies.

Qin: Boy those were great Sunny.

Applejack: They sure were.

Nico: Boy and I needed one too. Nothing like a great cookie after so much stress these last few days.

Me: Eating cookies are the perfect stress buster.

Camie: They sure are. Lets give some of these to the previous group of M.O.E. Members before our next mission.

Me: Good idea Camie.

Nico: Let's also give these to the mascots.

Me: They'll love them Nico.

May: Good idea.

Applejack: But these cookies are just as good as Granny Smith's Apple Crumble Cookies.

Me: They sure are Applejack.

Applejack then winced in pain and she saw her mark for Libra the Scale glow.

Me: Uh oh. Your mark is glowing and that means only one thing. The next Undead Zodiart is close.

Nico: And it's for Libra the Scale.

I then winced too as I saw my mark for Libra the Scale glow as well.

Me: My secondary mark is glowing too.

Nico: I thought your mark was for Phoenix The Firebird.

Me: It is. But also my birthday is in October and that makes me a Libra.

Nico: Oh right.

Eli: Good reason.

Nico: Whoever you are, I hope you can withstand the cold!

Then a figure came out and it was ANOTHER LIBRA UNDEAD ZODIARTS! It looked like a mixture of Bell Org, Libra Zodiarts and Loki!

Nico: Whoa! Another Libra Undead Zodiarts!

Me: Wow! This one is a good one.

Another Libra Undead Zodiarts: (In a girls voice) (French Accent) It always will be fun with you J.D.

Me: (GASP) That voice.

She reverted back and it was a girl with brown hair and blue eyes and had a blue parka and blue pants.

Me: (GASP) Julie Lenoir!

Julie Lenoir: Bonjour J.D. Good to see you again.

Me: You too Julie.

Nico: You know her?

Me: I sure do. But I'm afraid you are not going to like her story. I found out something really shocking about her. Her father's sister Juliette is her aunt. I take it you heard?

Julie Lenoir: Yes I sure have. My mother Juliette went down to Thule Station 40 years ago and never returned. And I don't know why.

Kate Lloyd: Well there's a reason for it.

Me: And I'm afraid it's not good. It's because of a horrible nightmare that Kate Lloyd here had to endure down in Antarctica. I take it you heard about the disappearances of everyone in Thule Station and Outpost 31 right?

Julie Lenoir: Yes I have.

Me: Well they were all caused by a horrifying Shapeshifting Alien Parasitic Organism that has the ability to imitate lifeforms perfectly. It's called The Thing.

Eli: It was horrifying!

Me: It was gruesome and bloody. It was a creature composed of over 10,000,000 aliens all in one and it killed everyone in both stations. Kate Lloyd here is the only survivor of Thule Station whereas MacReady and Childs are the only survivors of Outpost 31 along with all their dogs. It's a horrible story.

Nico: Your aunt was present there.

Me: Yeah. 40 years ago, your aunt and the Thule Station team of Norway stumbled upon the alien ship that had The Thing in it and they found it and carted it back in a block of ice, not knowing it was still alive. It thawed out and killed many of their men and crew left and right. Juliette became one of the Thing's too. It caused fear, distrust, paranoia and dissension amongst them. Turned them all against each other because they couldn't tell who was human and who wasn't.

Kate Lloyd: It was an awful nightmare.

Qin: Yeah. Scared us too. Scarred Kate for life.

Julie Lenoir: Sacre bleu. Father told me what happened but I never realized it was that bad.

Me: It was a nightmare. Your aunt didn't make it. I'm sorry.

Julie Lenoir: My god. I didn't know all that happened to her.

Nico: Hey, your aunt might be gone. But you can still honor her memory by fighting the good fight.

Me: Nico, after this fight she has to let it all out. She can't keep it all bottled up.

Nico: You're right.

Applejack: And I will face her.

Me: Go for it Applejack.

Julie Lenoir: (Tears stream down her face) Thanks for telling me all this.

Me: You're welcome.

Julie turned back into Another Libra Undead Zodiarts and then Applejack fired waves of earth and rock and smashed her down and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded!

I caught the Rouse Card and Zodiarts switch and purified them. The Rouse Card had a picture of the stars and Symbol of Libra and a picture of a scale on it.

Me: Cool.

The Zodiarts switch formed into armbands for the Libra Marked members and they were awesome.

I went over to Julie and brought her over.

Julie then hugged me and then broke down crying and I comforted her as she was crying hard into my chest and was wailing hard.

Me: It's all right. It's all right.

Nico: Fuck the Thing to Hell!

Me: You got that right!

Eli: Don't let your friend Tina Terishkovanaya hear that.

Nico: Oh right. Sorry.

Me: Julie don't worry about the Thing anymore. It was given the Black Gates. It's gone forever so don't worry.

Xenia: Yeah.

Julie Lenoir: (Crying) Really?

Me: Yeah Julie.

Julie Lenoir: (Sniffles) Thank you.

Kate Lloyd: She must be really cold.

Julie Lenoir: (Shivering) Crying makes me colder.

Nico: Kate take her into Lazlo's cabin and give her some hot cocoa.

Kate Lloyd: Okay.

Me: By the way Julie did you see anyone else with you?

Julie Lenoir: Yes it was a dark version of (Points to Jet) Him.

Me: Another Jet. Oh boy.

Kate Lloyd: Lets get you warmed up.

She took Julie into the cabin.

Eli: The Another Jet is not far behind. I sense him.

Zocks: (gets out Donbrothers' gear) Did Swartz promise you anything? Because we can grant it instead.

Another Jet: Just to get rid of all the Queen Bee girls in the world.

Me: Well we already beat you to the punch on that one. A couple of months ago I made a law that got all the Queen Bee Girls banished from Earth and sent a Reformatory School on Uranus's moon Titania and if they fail to be rehabilitated they get turned into solid gold statues.

Lincoln: It's true. And the girls are all there now.

Qin: Yep.

Another Jet: Wow! Serves those monsters right. They are absolute disgraces to humanity.

Qin: Yes they sure are.

Nico: Not all of them are that bad though. Chloe here was once like that until she redeemed herself.

Chloe Bourgeois: It's true. I was saved from myself thanks to Nico here when he joined the team.

Another Jet: I'm glad you are redeemed Chloe. But now I see that Swartz lied to me.

Me: He lied to everyone. But he is gone now. So you don't have to worry about that.

Another Jet: Good.

Me: Sorry we have to fight like this Annika.

Another Jet: It's all right. Come at me and don't hold back.

Zocks got a Donbrothers sword.

Me: With pleasure. (ACTIVATES UNIVERSE 666 BLIGHT'S RIDEWATCH) Feel the heat!

I fired a ball of gamma radiation and it hit Another Jet and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It smashed her down!

Qin: WHOA! That was intense.

Sougo (gets out Build Ridewatch): Shall we begin the Experiment?

Armor Time! (Electronic rock music) Best Match! Build!

Geiz: (gets out Jetman Ridewatch) What do you think?

Sougo got BuildArmor while Geiz got RedHawkArmor!

Me: Rock on!

Qin: YEAH!

Me: Lets see here. Ooh! How about this? (ACTIVATES UNIVERSE 666 SCARECROW'S RIDEWATCH) Sorry to do this to you. (BLOWS FEAR GAS ON HER)

She then saw her worst fear ever and it was A WORLD MADE OF VOMIT! YUCK! TOTAL PUKEVILLE!

Another Jet: (GASP) NO! It's not real. Wow! That was amazing you did that J.D.

Me: Sorry about that. We went to Universe 666 Earth and after the big battle with Team Loud Evil Storm we got NUMEROUS new members of the M.O.E. And us too.

Another Jet: I see. Wow! You guys have been busy.

Nico: What did the fear gas make you see?

Another Jet: A world made entirely out of vomit and puke.

All of us: EW!

Nico: YUCK!

Me: Annika's biggest fear is vomit.

Laney: She has what's called Emetophobia, the fear of vomiting.

Lana: Yuck.

Nico: (gets out Jet's Ridewatch) Do you feel cold, by any chance?

Another Jet: It's freezing out here.

Me: Well it's really cold outside. But we'll warm you up when we're done here.

Nico: Yeah. (ACTIVATES JET'S RIDEWATCH)

He threw spears and she dodged them.

Me: Nice!

Jet: I was a good weapons master during my days as the leader of the rebels.

Qin: That's amazing.

Nico: Yep.

Me: Here's a funny one.

I used my powers and formed a huge sausage in front of Another Jet. She stares at the sausage in front of her. It explodes into ground meat!

KRASPLAT!

Me: Hope you're hungry.

Another Jet: Oh boy,

She ate the sausage and man was it tasty.

Nico: (gets out Walter Wolf's Ridewatch) I'm hungry like the wolf!

Nico activated it.

Walter Wolf: Let her have it!

BLANG!

I dropped an anvil on Walter's head and flattened him.

Me: Sorry force of habit. Slappy would have done the same thing.

Nico fired waves of dynamite and they hit Another Jet and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: WHOA!

Another Jet was burned all over. Ouch!

Xenia: Nice one!

May: (gets out Teeny's Ridewatch) Let's keep it up!

She activated it and ran and then head butt her in the stomach and smashed her down.

Me: Teeny's have big noses that make them deadly battering rams.

Qin: They sure do.

Lola: Wow!

Me: Lets see. How about this one? (ACTIVATES UNIVERSE 666 LEGEND ARC'S RIDEWATCH)

I fired waves of explosions and blasted Another Jet all over the place with incredible force.

Qin: WOOHOO! YEAH!

May: (gets out Universe 666 Kamen Rider Legend Arc's Ridewatch) Time to break the chains of destiny!

She activated it and fired waves of explosions and blasted Another Jet all over the place with incredible force and more.

Qin: YEAH!

Xenia: That was awesome!

Lola: It sure was!

Maria: (gets out Web Crusher's Ridewatch) See how you like this!

She activated it and fired a matrix stream and blasted her down.

Nico: OH YEAH!

Qin: AWESOME!

Me: Time for you to feel the sting!

Maria: Big time! (ACTIVATES KING ZING'S RIDEWATCH)

She got a deadly stinger tail and then she teleported behind Another Jet and then…

POINK!

Another Jet: YEEEEEEOOOOOOWWWWWW!

She stung her in her butt which hurt her like a son of a bitch!

Me: YICHIHUAHUAS! THAT is gonna hurt

Then Scorpion came and on his team was Black Scorpion, Scorponok (Robots in Disguise), Asaji Ventress, Scorpius Zodiarts and Universe 666 Carnage (Spiderman TAM)!

Me: WHOA!

Nico: Nice team, Scorpion!

Me: Uhh Mack are you sure it's a good idea to have a version of Carnage on your team?

Universe 666 Carnage (Spiderman TAM): Don't worry. I'm from Universe 666.

Me: Oh that's different. But after what happened with Girl Jordan and the many versions of Carnage we faced I think she is still going to be wary.

Nico: Oh boy.

Universe 666 Carnage (Spiderman TAM): I heard about what that version of me did. That was terrible.

Me: You have no idea.

Girl Jordan: Since this is the good version of you from Universe 666 I'm cool with it.

Universe 666 Carnage (Spiderman TAS): Good.

Amelia Waverly: My turn!

She fired waves of ice and froze Another Jet's legs.

Then she activated her Ridewatch for Walter Wolf and then…

BLANG!

She hit Another Jet on her head with it.

Another Jet: (Stupid Talk) Mommy read me the story about the unicorn and the bunny.

She came back to her senses.

Maria: And now… (throws snowball at Another Jet)

SPLAT!

Another Jet: HEY! Nice one.

Then a bird screech was heard.

Me: Whoa!

We then saw a Fearow fly in!

Me: WHOA! A Fearow!

Xenia: Awesome!

It was hovering.

Fearow: (In a girls voice) Looks like you guys are having fun.

Nico: Autumn Evergreen! Wow!

She reverted back and was a girl with brown hair and had brown angel wings and had a beautiful floral kimono on.

Autumn Evergreen: I got this.

She fired waves of lightning and fire and blasted Another Jet down and I caught the Ridewatch and purified it. It was for Green Lantern. Annika was a girl with blue hair and blue shorts and blue t-shirt.

I went over and picked her up.

Nico: Oh man. Lets get her inside and warm her up.

We went into one of the cabins and it was toasty and comfy.

I put a blanket on Annika.

Annika Westward: (GROANS) What a headache and man I am FREEZING!

Me: We're warming you up right now.

I gave her a cup of hot cocoa.

Annika Westward: Ahh thank you.

Maria: Did you get dressed after reverting back like Chloe Vesperona did?

Autumn Evergreen: I sure did.

Maria: Good.

Me: Yeah.

Autumn Evergreen: I saw all the fun you guys were having and that is cool.

Qin: It sure is. And it's gonna be awesome having you with us.

Autumn Evergreen: Same here.

Annika Westword: Boy this cabin is nice.

Me: We built it for a winter camp at Camp Kidney. We built many of them for them.

Nico: Yep.

Amelia Waverley: Boy they sure are nice. Also Autumn it's great having you with us.

Green Lantern: It sure is. What's your favorite memory of Nico?

Autumn Evergreen: I have a lot of them. But my favorites involve kicking the living shit out of that bitch Lila Rossi. I hate her so much that I want to kill her and mount her head on a pike and splatter her organs all over all of Paris for what she did.

Me: Get in line sister. Practically everyone all over Paris wants her dead.

Autumn Evergreen: I saw. My favorite memory is when me and Nico were in Paris after he joined the team and we met Marinette and kicked Lila's butt as Volpina and landed her in the hospital.

Nico: She was using her illusions to spread lies about Adrien being a player. Marinette didn't buy it.

Me: What a heartless bitch.

Juran: (to Amelia Waverly) I'm surprised you didn't ask about her favorite memory?

Amelia Waverly: I grew up with Nico, her, and the others. Me asking the question would sound very weird.

Juran: Good point.

Nico and Autumn hugged.

Nico: I really missed you.

Autumn Evergreen: Me too Nico. Me too.

Me: But man this was an awesome Winter Camp rescue.

Nico: First one ever too.

Eli: Yep.

Nico: Before we go back, let's have some hot chocolate.

Me: Good idea. It's cold outside.

We got some hot cocoa and it was warming. Applejack had Warm Apple Cider.

Me: Boy this is awesome. It's like a Mountain Ski Lodge up here too.

Lola: Yeah.

Xenia: Just like it.

Lola: Yeah.

Camie: And it was fun too.

Twilight Sparkle: Yeah.

We later went back home and told everyone about the rescue.

And we're also going to destroy Elesis, The Bloody Queen and antagonist from Elsword.

Lincoln: Whoa, we're back in Dark World for Day 8 of the Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the five girls here, but Camie Nicholetta is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Guerilla Greatsword of Kahkki, Guerilla of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Kahkki, Guerilla of Dark World, it's perfect for her, and we're also going to destroy Elesis, The Bloody Queen.

Nicole: Oh man, I knew we'd be facing Elesis, The Bloody Queen, one of these days. Elesis was once a hero, the head of The Imperial Knights and a powerful swordswoman and knight. But, months later, she was ambushed during the battle against the demons that conquered Feita, and Elesis ended up losing all of the knights and friends under her command and she was mortally injured in the process. Elesis managed to cling onto life by absorbing the Dark Energy from a Dark El shard she'd confiscated from Amethyst, but due to the Dark Energy she absorbed, she was reborn as the 'Crimson Avenger', who carried out bloody revenge against the demons.

Nico: Oh man, that's really brutal.

Nicole: But though she killed and killed, burning with a vengeance for her fallen comrades, the dead did not come back, and so she abandoned her desire for vengeance and she became the very thing she'd sworn to destroy: a complete genocidal cannibal warrior who thought of nothing but killing and causing chaos and destruction among the demons. As the bloodthirsty knight of death, she uses a forbidden technique that enhances her destructive power by consuming demon blood, and so she slaughtered countless monsters and demons across Elrios, taking baths and drinking the blood of her demon victims to grow stronger.

Emily Bathory: (Hungarian Accent) Just like my hated ancestor, Elizabeth Bathory, this isn't good.

Brittney: And with a moniker "The Bloody Queen", she's also very dangerous.

Me: So, we're dealing with a former heroine who'd fallen into darkness and became a genocidal evil monster with an uncontrollable thirst for the blood of demons. This is going to get really bloody.

Lincoln: And because of the constant consumption and bathing of demon blood, it's destroyed every last bit of her humanity, and she became the very thing she swore to destroy. We have to destroy her once and for all and send her to The Black Gates, and I want to thank you, Enolas Wendy Marvell, Enolas Lucy Heartfilia, Universe 666 Opaline, and Kayara for joining us, Carol.

Captain Marvel: You're welcome, Lincoln, and I hope you're planning on draining her dry of every last drop of blood.

Camie Nicholetta: I hope he does, all she ever wanted was revenge, and when she abandoned that, she became the very thing she hated: a bloodthirsty knight of revenge with an insatiable thirst for the blood of demons. Now, let's head for Kahkki, Guerilla of Dark World's shrine, and then, it's off to kill The Bloody Queen.

We continued on and we arrived at Kahkki, Guerilla of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Guerilla Greatsword of Kahkki, Guerilla of Dark World, a powerful demonic massive greatsword with green gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large green gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Guerilla Greatsword of Kahkki, Guerilla of Dark World, that sure is one scary looking demonic greatsword.

Camie Nicholetta: You said it, and it's absolutely perfect for me.

Suddenly, we saw Ghostrick Doll, and with it are the five girls.

May: Aw, that's Ghostrick Doll, it's beautiful, and it's got the five girls.

Ghostrick Doll: (French Accent) Aw, thank you for your kind compliment, and yes, I got them away from that Bloody Queen, Elesis.

Lincoln: (Gasps) That voice, Claire Allaire, I knew it was you, it's awesome to see you again, but we'll talk later, I already know Elesis, The Bloody Queen, is already heading for us.

?: (LAUGHING MANIACALLY) Now, I will kill you all and bathe in your blood!

Nicole: I knew there's no mistaking that mad laughter from anywhere. You can come out now, Bloody Queen, it's time to face your punishment.

We then saw our target, The Bloody Queen, the genocidal persona of the fallen heroine, Elesis.

Nicole: Elesis, I should've known you'd show up here, and now, it's high time to punish you for your crimes.

Elesis the Bloody Queen: We'll see about that. I will kill you all and bathe in your blood, Team Loud Phoenix Storm!

Camie Nicholetta: That's it, you blood-crazed psycho, you're asking for it.

Camie Nicholetta went up and grabbed The Demonic Darkness Guerilla Greatsword of Kahkki, Guerilla of Dark World. Suddenly, Camie Nicholetta's pink eyes turned neon pink and she was surrounded by a black and green energy aura with darkness, demons, dark magic, and leaves, she unholstered her massive Kahkki, Guerilla of Dark World's Demon Greatsword of Darkness Guerilla Justice from her back, and as she approached Elesis, The Bloody Queen, she left black and green energy, darkness, demons, dark magic, and leaves with every step.

Camie Nicholetta: I honestly couldn't believe that you took a change for the worst, Elesis. You'd went from the honorable head of The Imperial Knights to a dark knight of revenge, and finally, you became a bloodthirsty genocidal fallen heroine who desired to drink and bathe in the blood of the demons that you'd slain to become even more powerful. In the end, you became the one thing you hate, and now, we will see to it that you pay for every last one of your crimes… with your own blood!

Suddenly, Camie Nicholetta was surrounded by a massive vortex of black and green energy with dark magic, darkness, and leaves surrounding it, there's an army of demons and Kahkki, Guerilla of Dark World flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Camie Nicholetta emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Camie Nicholetta grew from 6'11" to 7'4" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing brown hair, she has neon pink eyes and a black and green energy aura with demons, darkness, leaves, and dark magic surrounding her, she has Kahkki, Guerilla of Dark World emblazoned on her forehead and Third Eye with green iris, she has on demon earrings with green gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Kahkki, Guerilla of Dark World with green gems for the eyes and the Dark and Eternity Kanjis in its hand for the second pendant, along with the golden

Camie Nicholetta has on a grey sleeveless closed blouse, sleeveless green top, green skirt with flowers, camoflage pants, brown stockings, green heeled sneakers, and long white sleeveless trenchcoat with darkness, demons, leaves, and dark magic on the coattails, and on the back is Kahkki, Guerilla of Dark World surrounded by demons, darkness, and dark magic on the back. Suddenly, Camie Nicholetta felt a sharp pain on her back, and then, her massive brown angel wings with green and black tips grew much bigger for her new body, and she has now has eleven massive and long brown wolf tails. Camie Nicholetta has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Camie Nicholetta's massive Kahkki, Guerilla of Dark World's Demon Greatsword of Darkness Guerilla Justice and The Demonic Darkness Guerilla Greatsword of Kahkki, Guerilla of Dark World and all of the other swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of black and green energy, darkness, demons, leaves, and dark magic, and when it emerged, it was transformed into Kahkki, Guerilla of Dark World's Demonic Darkness Guerilla Greatsword of Dark Magic Guerilla Justice, it's a brand-new massive greatsword with embedded green gems and Kahkki, Guerilla of Dark World, etched on the 7'0" massive, wide, double-edged, midnight black blade, large midnight black demon heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large midnight black demon heads with green gems for eyes and a large green gem on the bottom of the demon heads for the pommel, she has on her new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, gold Belt of Elemental Bravery with a gold version of Kahkki, Guerilla of Dark World's head with green gems for eyes and a large green gem in its open mouth for the belt buckle, large Destroyer of The Church of Necrom grimoire, rainbow-colored leather and gold metal bound Elemental Spellbook of

Camie Nicholetta has transformed SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS GREEN KAHKKI DEMON GUERILLA DARK WORLD DEMONIC ANGEL OF DEMONIC GREEN FOREST DARK WORLD JUSTICE AND DIVINE DEMON GUERILLA DARK WORLD LOVE!

We were amazed by Camie Nicholetta's Super Angel-Demon-

Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Elesis the Bloody Queen saw it, the genocidal fallen heroine got out her bloody sword and ran at her to kill her, but Camie Nicholetta fired a powerful black and green energy blast with demons, darkness, leaves, and dark magic, and sent Elesis the Bloody Queen flying out of the shrine and we followed out, the genocidal fallen heroine got up and she was really pissed off now.

Nicholette Torrington: Whoa, Camie Nicholetta has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, we're going to put an end to Elesis the Bloody Queen once and for all, and Camie, you look beautiful, how do you feel?

Camie Nicholetta: (Divine Echoing Cosmic Voice of the Dark World Green Forest Demon Guerilla and Divine Demon Guerilla Dark World Divine Love) I feel incredible, Linky. Now, shall we put this blood-crazed genocidal fallen heroine down for good?

Lincoln: (Smiles) With pleasure, Camie.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Camie Nicholetta.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your senseless bloody rampage ends here, Elesis, and now, it's time for you to die.

Camie Nicholetta and Lincoln went after Elesis the Bloody Queen, who tried to attack them with her bloody sword, but they blocked every last one of her attacks, and they fired extremely powerful blasts of rainbow energy, black and green energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Elesis the Bloody Queen and they exploded with incredible power as they hit her. Then, they also attacked her with punches, kicks, and slashes from their massive greatswords, and slashes from Lincoln's claws, and they drew more blood.

Me: Oh man, this is becoming one gory battle if Lincoln's already drawing more blood.

Nico: Let's join in and make this fight even bloodier.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Camie Nicholetta, her hand-cannon Blaster is known as Kahkki, Guerilla of Dark World's Demonic Guerilla Darkness Green Forest Jungle Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with green flames on the blaster with a Phoenix, Angel, and Kahkki, Guerilla of Dark World surrounded by darkness etched on the sides, and a green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Camie Nicholetta fired blasts of rainbow energy, black and green energy, and elemental forces at Elesis the Bloody Queen and as they hit her, they exploded with incredible power, and really knocked her down.

Then, Lincoln ran at Elesis and he put her in a brutal bear hug, so she couldn't escape, and when he sank his fangs deep into her, she screamed in pain and Lincoln began sucking out every last drop of her blood and absorbing her into his body through his skin and he was also assimilating The Bloody Queen's immense powers. Then, as soon as Lincoln was done feeding on The Bloody Queen's blood and absorbing her into his body, an energy card with The Bloody Queen's soul appeared from a blast of light fired from Lincoln's massive greatsword, but she was now purified and back to normal.

Elesis: I… , (Sighs) There's absolutely no words that can be said. I murdered so many and for my own selfish desire for revenge. Go ahead and send me to The Black Gates, I deserve it.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I thought about that at first. But… , I can understand why you did this. But, you have to know that nothing good ever comes from seeking revenge, Elesis, and I can see that you now regret your mistakes after I fed on your blood and absorbed your powers when you became The Bloody Queen. So, I'm going to give you a second chance at life and seek redemption.

Elesis: You would…? Really?!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles Warmly) Of course.

Lincoln snapped his fingers and Elesis was brought back to life, but in the clothes from when she was the head of The Imperial Knights and given back her Claymore. Suddenly, Elesis hugged Lincoln and she kissed him on the lips, and he also returned it, and that caused our jaws to drop.

Me: Seriously, we have got to stop doing that or we're going to catch flies.

Nico: Yeah. But, this was a big surprise, Lincoln saw that what she did was wrong, but he decided to forgive her, and give her a chance to seek redemption.

Lori: That's always been a trait of Lincoln's, he's also forgiving.

Nicole: Elesis has a long way to find redemption, but Lincoln decided to give her that chance to seek her redemption.

Suddenly, we saw an Elemental Thunderbird Necklace of Eternal Love appear around Elesis' neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck, and this meant that she's now in Lincoln's harem. She still stayed there hugging Lincoln, but then, he felt tears on his chest and stomach, and he comforted her, as her dark deeds came back in full force.

We cheered wildly as we holstered our weapons and powered down and Lincoln changed back, and Camie Nicholetta's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings are permanent. Then, Elesis and Lincoln came back to us.

Camie Nicholetta: We all heard every word, Elesis. But, at least, you realized that your actions and desire to seek revenge led you down a dark path, but Lincoln saved you from that when he killed The Bloody Queen that you became.

Elesis: And I swear, I won't let waste this second chance Lincoln gave me.

Nico: We know you won't.

Camie Nicholetta: And of course, there's a reward for what you did to save her, Linky, and for helping me destroy her Bloody Queen persona.

Suddenly, Camie Nicholetta wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Camie Nicholetta's face, they deeply kissed passionately as Camie Nicholetta's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Kahkki, Guerilla of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Camie Nicholetta came back to us as the display and Kahkki, Guerilla of Dark World vanished.

Nicholette Torrington: Oh man, although I knew it was going to be a bloody battle, but this all ended with a twist: you brought Elesis back to life, and now, she's on the path to redemption when you fed on her when she was still The Bloody Queen and you absorbed her and assimilated all of The Bloody Queen's powers and blood abilities, and she's now part of your harem, Lincoln.

Lincoln: I wasn't going to let Elesis die like that, she can still be a hero, but on the side of redemption and not get The Black Gates.

Nico: That really was an awesome thing you did, Lincoln, even though you did had to fight her when she was still The Bloody Queen, feed on her blood, absorb her and assimilate The Bloody Queen's immense powers and blood abilities.

Me: But, it was worth it in the end, you saved her soul, and now, she's part of your harem.

Lincoln: That's right, guys, Elesis didn't deserve the dark fate that befell her, but we knew she wasn't going to give up that easily, she was going to fight, so we had to respond.

Lincoln saw that Elesis had her head down, she still had guilt of what she did when she was The Bloody Queen, and he went up to

Elesis and hugged her.

Elesis: But, still, I killed many demons and drank and bathed in their blood to grow stronger, and I…

Lincoln: Hey, there's no need to apologize, Elesis, this wasn't you, it was The Bloody Queen that took over you.

Nico: He's right, she's the one to blame for it, not you.

Nicole: Yeah, but now, she's gone and you're free again.

Lincoln: Free to walk on a path of redemption and we'll be there to help you, to show you won't be doing this alone. (To Claire Allaire) And it's so good to see you again, Claire Allaire.

Claire Allaire had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Claire Allaire's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Hail, Desna "The Starstruck Beauty", Joule, Kohaku, and Moniqa from the Gunvolt series.

Lincoln: Oh wow, it's Hail, Desna "The Starstruck Beauty", Joule, Kohaku, and Moniqa from the Gunvolt series.

Nicole: Awesome.

Lincoln: Are you girls okay?

Then, when Hail and the other four girls saw who it was that saved them from Elesis' dark persona, The Bloody Queen, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the

Hail: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Hail: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hail, Desna "The Starstruck Beauty", Joule, Kohaku, and Moniqa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Camie Nicholetta had gotten The Demonic Darkness Guerilla Greatsword of Kahkki, Guerilla of Dark World, and they were stunned when they saw Elesis from Elsword here, but they were shocked when they found out they had to fight her when she was still The Bloody Queen.

But, when Lincoln showed everyone what happened such as Camie Nicholetta transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form and Lincoln, and she, Lincoln, and all of us laying a brutal beatdown on him, and Lincoln finishing it by bear-hugging The Bloody Queen and biting her and sucking out her blood and absorbing her into his body through his skin. But, he then showed that Elesis was purified, and then, he brought her back and they also saw she now has an Elemental Thunderbird Necklace of Eternal Love on her neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Claire Allaire have a lot of catching up to do, now that she's back in town.

Maria: That was a really awesome thing you did, Lincoln, and granted you guys did have to fight her, but when you forgave her and brought her back, you also gave her a second chance.

Lincoln: And set her on a path of redemption.

May: Plus, as you see, she's now in his harem and he'll be there to help her on her path, which isn't going to be an easy one.

William: After her time as The Bloody Queen, it's not going to be an easy one, but she'll recover from this slowly.

Nico: Yep.

After another Dark World Treasure Hunt and putting a stop to The Bloody Queen and bringing Elesis back to life, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Claire Allaire saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Claire Allaire: (French Accent) Sacre bleu, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Claire, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Claire Allaire: (French Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as

well.

Nico: You got that right. So, Claire, what's the story on how Lincoln saved you from Scoots during a modeling show you were in Royal Woods?

Claire Allaire: (French Accent) Now, that's a story I remember all too well. That night, at the Gotham Royal York Auditorium, it was the biggest fashion show ever. I came out in a midnight black version of the very same dress that Selene wore, black high heels, crimson red jewel earrings and necklace, the audience loved it, and among them were Lincoln and his family, who came out in support. But, this night was rudely interrupted by Scoots, who barged in, and she revved up her scooter and she came barreling towards me with a psychotic look on her face and laughing like the witch she really is. But, I was saved when Lincoln flew to me and grabbed the scooter with his hands and he lifted it up and he tossed Scoots off and he also dismantled her scooter. This really angered her and she ran towards us to kill us again, but Lincoln fired a blast of red energy and imprisoned her in a red orb. The fashion show was ruined by Scoots' rampage, but it didn't end on a bad note: Lincoln saved me from Scoots, and before we left, we sent Scoots right back to The Lansing Maximum Security Nuthouse, this time, wrapped in a dark energy straitjacket and her dentures smashed out of her mouth.

Nico: I knew Scoots would do something like this, she just doesn't know how to quit starting trouble.

Lincoln: Even after Mayor Davis imposed a lifetime ban for Scoots from any major events because of her habit of starting trouble and heckling people.

Me: You got that right, so we had to increase security the next time an important event is happening here, and we made sure that Scoots' lifetime ban is enforced, and we also put up an alert system and it warns us if Scoots is planning to break out and cause trouble.

Nico: Smart move, but now that Scoots is no more, looks like the alert system is…

Lincoln: Not exactly, Nico, we decided to update it, and now, it'll alert us for any troublemaking thugs out to cause trouble, and it'll also alert the police.

Eli: Nice one.

We got a shower afterwards, and then, Clyde and his harem were off on their first harem bonding session, and they decided to do so by humiliating the jerks at Lynn's Table.

Syd Chang: Oh man, this is going to be awesome humiliating the jerks.

Clyde: You got that right. Lincoln and his harem, along with Ed and his harem, had their fun with humiliating them, now it's our turn.

Clyde and his harem wasted no time as they pummeled the jerks with all sorts of pranks and gags and powerful humiliation techniques, and that triggered a chain of explosions of gold coins and jewels from the jerks and it was pissing them off times infinity! We also heard the loud strings of curses and death threats, and we were laughing hysterically, and Lincoln covered the ears of his newborns, since he didn't want them hearing that kind of language.

Lincoln: (LAUGHS HYSTERICALLY) Oh man, whatever Clyde and his harem are doing to the jerks, it's got to be a lot more hilarious than what me and my harem had done to them.

Nico: From the loud strings of curses and death threats coming from them, it's got to be!

Me: Sheesh!

Sunset Shimmer: And that was a good thinking on your part, Linky.

Applejack: Yeah, we don't want our newborns exposed to that kind of language.

Starlight Glimmer: But, whatever Clyde and his harem are doing to them, it's got to be a lot worse than the pain we gave them.

Fluttershy: But, they deserve it.

Marucho: You got that right.

Later, Clyde and his harem came back, and we saw the video Syd Chang made, and it was wild.

Ronnie Anne: Oh man, now that was hilarious, and that was a nice touch with you calling an army of skunks to spray them, Syd.

Syd Chang: You know it.

Lincoln: Luckily, the ventilation system I installed has aired out the stink, and have it sent to Mandy's cell in The Neptune Prison.

Clover: (LAUGHS HYSTERICALLY) Oh man, Lincoln, that's genius!

Sam Simpson: After all the trouble she's caused us, she deserves to smell like a skunk for eternity.

Nico: P.U.! That's going to raise quite a stink among the prisoners.

We laughed.

Lincoln: Okay, that was a good one!

Luan: You got that right!

We were at Rarity's store.

Universe 666 Megatron Dragon: Remind us why we're here, Rarity?

Rarity: Well it's simple darlings. I am placing Kairi in charge of the shop while I have some bonding time with Lincoln.

Me: Interesting.

Kairi came out and she was dressed in gothic black clothes.

Me: Ooh!

Brittney: Love the gothic attire Kairi.

Kairi: Thanks Brittney.

Pony: This store is a desperate wasteland of nothingness. Do you have anything in black?

Kairi: [goth voice] It's not like the futility of shopping can be made better with black leather and metal studs, but they help.

Brittney: She definitely has the perfect goth voice for the Goths of Darkness.

Twilight: Anyone else getting a feeling of Déjà-vu?

Black Panther: This happened before?

Twilight Sparkle: Yes but with Fluttershy.

Me: I think Fluttershy told me all about that. She dressed up in a wide variety of clothes and it changed her personality for each one.

Qin: Interesting.

Astrotrain: (sees Kairi's current outfit) She's in a Victorian Era Princess outfit now?

Rainbow Dash: Um… I don't think Fluttershy wore that the first time.

Me: But it's still beautiful.

Sora: I agree there too.

Qin: It's awesome.

We saw Kairi dress up in a Victorian Era Princess outfit, Poetry Club, Jazz Club, Renaissance Era Medieval Princess outfit and many more.

Qin: Wow those outfits she is dressed up in are awesome.

Me: Yep.

Nico: They sure are awesome.

Springer: Um… Kairi, you're still yourself, right?

Kairi: I sure am. Just want to set some themes for Rarity's shop.

Me: You're doing really well though. And it's drawing people from all over the mall in.

Nico: Yep. Variety is the spice of life.

Xenia: It sure is.

Tsuyu: I think it's awesome.

Varie: Yep.

Rarity: We're back! How were things here?

Me: Really awesome. Business was really booming thanks to Kairi doing a bunch of themes for the store.

Lincoln came back in and his hair was disheveled And he had lipstick marks all over him and his clothes were a mess. And he was acting all goofy and silly with love.

Me: (Whispers to Nico) Oh (Purrs) Looks like someone got down and wild with Rarity. Rawr.

Nico: (Chuckles) Yeah.

Kairi: If it's okay with you guys, I'll get changed back into my normal outfit.

Me: Sure Kairi.

Rarity: Besides you did wonderful for me darling.

Kairi: Thanks Rarity.

She snapped her fingers and was back in her normal clothes.

Nico: Yep. We'll watch the movie and then get ready to head out.

We went and watched it.

***SPOILER ALERT***

Sam Greenfield is a clumsy, orphaned young woman whose life has been constantly plagued by misfortune and has recently been forced out from her foster home, much to the dismay of her younger friend Hazel, who is hoping to be adopted soon. One night, after sharing a panini with a black cat, she finds a penny she hopes to give to Hazel for her collection of other lucky items to help her get adopted. The next day, Sam notices that the penny has made her luck significantly improve. However, she soon loses the penny by inadvertently flushing it down a toilet.

As Sam bemoans her error, she encounters the cat again and tells him what happened, which causes the cat to berate her for losing the penny. Shocked, Sam follows the cat through a portal to the Land of Luck, where creatures like leprechauns create good luck for the people on Earth. The cat, named Bob, tells Sam he needs the penny for traveling purposes and that he will be banished if word gets out that he lost it. Bob and Sam make a deal to get another penny from the Penny depot for Hazel to use before returning it to Bob. Bob uses a button from Sam to pass off as a penny while she sneaks into the Land of Luck using clothes belonging to Bob's personal leprechaun, Gerry. Throughout the journey, Sam comes to learn how the good luck is managed by a dragon, and that bad luck is managed underneath the Land of Luck.

Following a disaster at the Penny depot which causes Gerry to learn about Sam's identity, Gerry uses a drone to retrieve the missing penny on Earth but the drone gets lost in the In-Between, a space between the Good and Bad Luck lands. Sam and Bob go to the In-

Between, which is managed by a unicorn named Jeff. Jeff manages a machine called the Bad Luck Apparat that keeps bad luck specks from sticking which feeds the Randomizer, another machine that sends both good and bad luck into Earth. Jeff tells the pair he found the penny and has returned it to the depot. Not deterred, Sam decides to visit the dragon in hopes to get another penny. The dragon, named Babe, shares a moment with Sam by telling her how better things would be everyone had good luck before giving her a new penny. But Sam sacrifices her penny after Bob is caught for faking his travel penny to spare him from banishment.

Still wanting to help Hazel, Sam and Bob decide to temporarily shut down the Bad Luck Apparat to prevent bad luck from going to the Randomizer and give Hazel the luck she needs to get adopted. However, the bad luck specks start to clog Jeff's machines and destroy the good luck and bad luck stones within the Randomizer, which itself brings bad luck to the Land of Luck and Earth. Seeing Hazel did not get adopted because of this, Sam sulks in remorse. Bob tells Sam that Hazel is the luckiest girl for having Sam at her side. Sam realizes things can be fixed because she remembers seeing some good luck in Bad Luck land while on her way to the In-Between.

Back in Bad Luck, they find it in a tiki bar where the bartender, a root monster named Rootie, gives them a jar of good luck they have been using. They take it to Babe to forge new good and bad luck stones. However, while Babe creates a bad luck stone, she creates two good luck stones, wanting to create a world with only good luck. Before she can place them, Sam tells Babe people need bad luck as much as good luck. Realizing her mistake, she allows Sam to place the bad luck stone, and good luck is restored to normal, where Sam sees Hazel finally getting adopted. Bob is offered to keep his job at the Land of Luck, but decides he wants to live with Sam.

One year later back on Earth, Hazel's family spends time with Sam and Bob as Sam has finally accepted her bad luck.

We were amazed and we were also laughing out heads off too. It was awesome.

When it was done we cheered wildly.

Xenia: That was awesome!

Camie: Yeah it was!

Laney: Awesome movie! But poor Sam.

Sam S.L.: Yeah no kidding there. Poor girl.

Megamind: Nico, which Gene Slammer do you think you'll meet next?

Nico: Clefable next.

Me: Ooh a stellar version.

Qin: Yep.

Varie: That one will be awesome.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, the dark blue iris of Ed Cowart's Third Eye, the colored irises of The Dark World Goth Girls, and the green iris of Nabiki Tendo's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Di Roy Rinker, one of the Fracción of Grimmjow Jaegerjaquez, and he's coming here to get revenge on us for what we did to Sōsuke Aizen. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Di Roy Rinker coming after us?

Lincoln: You guessed it, Rayman, and he's coming here to get revenge on us for what we did to Sōsuke Aizen.

Rukia Kuchiki: I should've guessed that as soon as word hit of that traitor's death, another of his minions would come after us.

Mana Marukura: But, we'll be ready for him, right, Lincoln?

Lincoln: You guessed it, Mana, and like I said yesterday, Marucho and Preyas are also going to join us.

Marucho: Alright.

Preyas: Oh yeah, I can't wait to break that guy's teeth! I'll throttle 'em!

Nico: Whoa, someone's excited about cracking Di Roy's head open, and I hope you wind up making a joke about his appearance just to piss him off.

Me: Oh, now that I'd like to see happen.

Nico: Same here. Alright, guys, let's go, we're off to meet Sam Greenfield.

Lincoln: We've heard about some of the horrible things that've happened to her, but I can't help but get the feeling that one of Billy and Mandy's old enemies is back and wants revenge on us, but whoever it is, once we get done with him, you're next, Di Roy Rinker.

Deker: We should get going.

Black Knight of Merlin: We shall!

We were off to New York City.

* * *

We arrived.

Me: In New York City again.

Lola: This is gonna be so awesome.

Xenia: Yep.

Kerchak: Does it say where she lives?

Me: Just says in a foster home.

Lola: Hmm.

Qin: Very strange.

But then..

MULTIPLE THUNDERCLAPS!

Nico: WHOA!

Qin: WHAT THE!?

We saw someone get struck by NUMEROUS LIGHTNING STRIKES all at once!

We saw that it was Sam Greenfield! She was really badly mangled up!

Me: Oh my god!

We went over to her and she was badly hurt six ways to Sunday!

Nergal: We saw she had bad luck.

Ayatoriko: We didn't think it was this bad!

Nico: Come on guys!

We picked her up and brought her into her house and she was really brutally hurt.

Me: Geez!

Varie: Boy these injuries are horrible.

Laney: It's like she was hit by many things at once.

We set her on the sofa and Varie, Nurse Santiago and Nurse Redheart were helping her out.

Sam Greenfield: Man I have it bad. But I didn't think it was THIS bad.

Me: But you'll be all right. We'll have you patched up.

Sam Greenfield: Thanks. Wow Team Loud Phoenix Storm. What an honor.

Me: Boy something REALLY did a number on you with all this bad luck.

Ken Ichijouji: Can't you call your Land of Luck friends for help with this?

Wormmon: We remember how they helped you before.

Sam Greenfield: I tried but they don't know what is going on with me. They said this kind of bad luck is not like anything they have seen before.

Camie: Hmm. Very weird.

Lola: Boy this kind of bad luck is unnatural.

Me: Hmm. I wonder.

I pulled out my Tricorder and scanned her.

Me: Just as I suspected. She is caught in a bad juju hurricane and her good luck matrix is almost wiped out. This is obviously the work of old friend and Bad Luck Nightmare, THE CATASTROPHE SNAIL!

I showed the image of it.

Everyone gasped!

Mojo Jojo: Him again?!

Ape Man: Didn't we deal with him before?

Me: Yes we did. Twice.

Grim: (Jamaican Accent) Yes and I ate him. Tasty too.

Qin: Yuck.

Sam Greenfield: What does this snail do?

Me: First of all, how did you first noticed that you had all this bad luck?

Weather Vane: Want this pet turtle I bought earlier? It's said that turtles can grant good luck to people.

Me: Now is not the time for that.

Sam Greenfield: Let me see here.

She thought about it.

Sam Greenfield: Oh man! It was during lunch at the orphanage I went to. I spilled some salt by accident and then a bully kid pushed me. But I didn't know it would result in this.

Me: When was this?

Sam Greenfield: Back when I was like maybe 5.

Me: Has anyone ever told you to throw salt over your shoulder?

Sam Greenfield: No.

Me: That's it then! Let me tell you how this snail does its nasty business. Salt would have fizzled out that nasty slimeball. But because of that bully's interruption that snail slipped right into your ear with no one noticing a thing.

Grim: And once a catastrophe snail gets inside your head he plugs his shell right into your brain and once he's plugged in mon, he'd be reprogramming your mind to have nothing but bad luck only.

Camie: We got to get that snail out of her!

Greg: (sees an incoming truck) There's a truck heading towards us!

Grundy: GRUNDY SMASH TRUCK!

Grundy punched the truck, stopping it.

William: You guys crazy?!

Wildrider: It was either the truck or Sam, dude!

Eli: He was right to do that! I sensed that the truck was coming at us to kill Sam!

Me: Whoa! Nice work Grundy.

Sam Greenfield then grabbed me by my shirt!

Sam Greenfield: You guys have got to help me!

Me: Okay okay! But I do know how we can get that snail out. I just have to give you a wet willie.

Sam Greenfield: EW!

Me: It's the only way Sam.

An ice cream cart came at Sam but Mr. Freeze froze its' wheels.

Mr. Freeze: Not on my watch.

Samon Shakekisutanchin: And as a bonus, free ice cream! I'll add in salmon as well!

Me: EW! Salmon on Ice Cream!?

Sam Greenfield: YUCK!

I had some ice cream and it was banana.

Me: Hmm!

I saw a concrete pipe rolling.

Me: Concrete pipe coming!

Lincoln fired waves of lightning and blew the pipe to smithereens.

A stampede of rhinos were charging at Sam.

Maria: Are those rhinos?!

Chaor: I'll burn them alive! Flame Orb!

Fluttershy: No wait Chaor! I got this.

She used a divine song voice and then opened a portal and sent the rhinos back to Africa.

Me: Nice save Fluttershy!

Lincoln: Way to go Flutters!

A skunk came.

Gizmo: Oh no. A skunk.

Eustace Bagge: Stupid skunk. You make Sam look bad!

May: (Eustace gets out mask) EUSTACE, NO!

Eustace: OOOGA BOOGA BOOGA!

The skunk screamed and I teleported it to the forest before it could spray us.

Me: Whew!

Xenia: Nice save!

Drug Dealer: (to Sam) Hey, lady. Want some cocaine?

RD Lori: She's literally not interested!

Drug Dealer: (points gun at Sam) Wasn't asking.

Me: (Grabs his hand and crushes it) Not interested you asshole!

He dropped the gun and I punched him and sent him crashing into a police car and he was arrested.

Me: There.

Nico: Jerk.

A tree then fell toward Sam but Burner Man incinerated it.

Burner Man: That was a close one!

Me: Nice one! Sorry Sam.

I licked my finger and covered it with spit.

Me: This is gonna be gross but it's now or never.

I then stuck my finger into her left ear and then the spit went into her brain and formed into a hand and then pulled the snail out and then the snail was on my finger.

I pulled it out.

Me: Gotcha! There's our little snail!

Sam Greenfield was dizzy and had a REALLY NASTY headache!

Sam Greenfield: (Groans) That snail was in me!?

Me: Yep. This was the source of your bad luck.

Shakedown: (to Catostrophe Snail) We're giving you a 10 minute head start.

Po Kong: And then, we're coming to eat you!

I threw the snail and it hit a trash can in an alley across the street.

Then piles of jewels and real gold and cash appeared out of nowhere and landed on Sam and shew as now filthy rich!

Sam Greenfield: Wow! I'm rich!

Me: Talk about a huge turn of luck!

Arixam: Cornelia, I think you and Zayto will get a chance to shine

today.

Cornelia: Sweet!

Xenia: Cool!

Zayto: Right on guys!

Amelia Jones: This is gonna be awesome!

Xenia: It sure will be good.

Me: Sam we're sorry about what happened to you.

Roller Ghoster: Let's go after that snail.

Motor Ed: And give him a pounding. Seriously.

Nico: You read my mind. But we're not going to eat him, we'll have him recruited into the M.O.E.

Po Kong: Yeah we killed him more than enough.

Xenia: I agree.

Nico: Yeah. Lets go! Entrance time!

Then the snail grew to human size and then the spirits of the elements of luck appeared and then swirled around the snail and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and then we landed.

Me: Okay Snail Bait you are going down!

Eli: This is NOT your Lucky Day!

Bertie: Zayto, you do the honors.

Zayto: My pleasure! Dino Knight Morpher!

He had his morpher appear!

Zayto: LINK TO MORPHIN GRID!

He transformed!

Zayto: T-REX FURY! DINO FURY RED!

He was ready!

Nico: It's time to kick some shell!

Sam Greenfield: You gave me 15 years of bad luck! Now I'm going to return the favor!

IR Baboon: IR gonna give snail pain!

Abis Mal: Not before me, you won't!

Me: Time to turn this snail into pulp.

We fired waves of energy blasts and smashed and pulverized him all over.

Me: Yeah.

Stratos: (to Nico) We heard it snowed in Camp Kidney.

Nico: It sure did.

Hydros: (pouts) I wish I could've been there!

Me: It's a Winter Camp program.

Then Tennis World came.

Tennis World: Time for this tennis match.

Me: Tennis World next. Cool!

Qin: Nico!

Nico: It's funny how you're in the usual battles with Stacey today.

Tennis World: I know. Especially since he helped take me down before!

Me: That is coincidental and cool. I remember that too.

Qin: Yep.

We got the battles underway.

Baihumon: Her name is Claire Allaire and she is from France. But she is a really cool angel for Lincoln.

Rainbow Dash: Boy she sure is awesome and she and Lincoln really taught that old bat Scoots a really painful lesson.

Scootaloo: Boy they sure did.

Claire Allaire: (French Accent) Sacre bleu, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Claire, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Claire Allaire: (French Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Claire, what's the story on how Lincoln saved you from Scoots during a modeling show you were in Royal Woods?

Claire Allaire: (French Accent) Now, that's a story I remember all too well. That night, at the Gotham Royal York Auditorium, it was the biggest fashion show ever. I came out in a midnight black version of the very same dress that Selene wore, black high heels, crimson red jewel earrings and necklace, the audience loved it, and among them were Lincoln and his family, who came out in support. But, this night was rudely interrupted by Scoots, who barged in, and she revved up her scooter and she came barreling towards me with a psychotic look on her face and laughing like the witch she really is. But, I was saved when Lincoln flew to me and grabbed the scooter with his hands and he lifted it up and he tossed Scoots off and he also dismantled her scooter. This really angered her and she ran towards us to kill us again, but Lincoln fired a blast of red energy and imprisoned her in a red orb. The fashion show was ruined by Scoots' rampage, but it didn't end on a bad note: Lincoln saved me from Scoots, and before we left, we sent Scoots right back to The Lansing Maximum Security Nuthouse, this time, wrapped in a dark energy straitjacket and her dentures smashed out of her mouth.

Nico: I knew Scoots would do something like this, she just doesn't know how to quit starting trouble.

Lincoln: Even after Mayor Davis imposed a lifetime ban for Scoots from any major events because of her habit of starting trouble and heckling people.

Me: You got that right, so we had to increase security the next time an important event is happening here, and we made sure that Scoots' lifetime ban is enforced, and we also put up an alert system and it warns us if Scoots is planning to break out and cause trouble.

Nico: Smart move, but now that Scoots is no more, looks like the alert system is…

Lincoln: Not exactly, Nico, we decided to update it, and now, it'll alert us for any troublemaking thugs out to cause trouble, and it'll also alert the police.

Eli: Nice one.

Lincoln: It's over, you multi-eyes butt-ugly snail!

Nico: You're going away for a long time, Escargot Breath. Alright, awesome job, guys, but we're not done yet, there's still the matter of Di Roy Rinker to deal with, and that minion of Sōsuke Aizen should be arriving… right now!

Rukia Kuchiki: I should've known there's no mistaking that voice from anywhere. You can come out now, Di Roy Rinker.

A figure came out, and it was none other than Di Roy Rinker, one of the Fracción of Grimmjow Jaegerjaquez and aider of Sōsuke Aizen's goals.

Rukia Kuchiki: I should've known you'd show your face yet again, Di Roy Rinker.

Di Roy Rinker: And it's about to be the last time, and now, I will kill you all for what you did to Lord Aizen!

Mana Marukura: That's not happening anytime soon, Di Roy Rinker, and now, your life ends here and now.

Suddenly, Mana Marukura's aqua blue eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with water, ocean waves, and chameleons, she unholstered her massive Preyas-themed greatsword from her back, and as she approached Di Roy Rinker, she left aqua blue energy, water, ocean waves, and chameleons with every step.

Mana Marukura: You really are nothing but trouble, you know that, Di Roy Rinker. You've caused a lot of trouble and mayhem for both The Soul Society and the human world for what you've been doing in aiding Sōsuke Aizen's goals. Your master got what he deserved, and now, you will suffer the same fate.

Suddenly, Mana Marukura was surrounded by a massive vortex of aqua blue energy with water and ocean waves surrounding the vortex, there's an army of chameleons and Preyas flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Mana Marukura emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Mana Marukura grew from 6'5" to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her long braided aqua blue hair, she has neon aqua blue eyes and an aqua blue energy aura with water, ocean waves, and chameleons surrounding her, she has the Aquos symbol in the hands of Preyas emblazoned on her forehead and Third Eye with aqua blue iris, she has on chameleon earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its hands, she also has Preyas with aqua blue gems for eyes and holding the Water and Eternity Kanjis in his hands on the bottom of her aqua blue chameleon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Mana Marukura has on a short-sleeved aqua blue blouse, sleeveless aqua blue top, aqua blue skirt, aqua blue bellbottom pants, aqua blue sneakers, and long white sleeveless trenchcoat with water, ocean waves, and chameleons on the coattails, and on the back is the Aquos Bakugan, Preyas, and he's surrounded by ocean wavs. Suddenly, Mana Marukura felt a sharp pain on her back, and then, her massive aqua blue angel wings with blue tips on the large aqua blue feathers grew much bigger for her new body, and she now has eleven massive and long aqua blue wolf tails, she has on a Ring of The Phoenix with aqua blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Mana Marukura's massive Preyas-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by aqua blue energy, water, ocean waves, and chameleons and when it emerged, it was transformed into Preyas' Ocean Maelstrom Aquos Greatsword of Aquos Chameleon Maelstrom Justice, it's a brand-new massive greatsword with embedded aqua blue gems and the Aquos Bakugan, Preyas, etched on the 7'0" massive, wide, double-edged aqua blue blade, large aqua blue chameleon heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large aqua blue heads and a large aqua blue gem below the chameleon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with aqua blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Preyas' head with red gems for eyes and a large aqua blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below Preyas that said, "Mana Marukura, Aquos Brawler and Member of The Bakugan Battle Slammers, Gene-Slammer of Preyas, Older Sister of Marucho Marukura, Powerful Master of Water, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of The Dark Sides of Lori, Lynn, Lola, Lisa, Luan, and Chandler, Despiser and

Smasher of Hawk and Hank, Pablo and Anderson, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water and Chameleons"

丸倉マナ、アクオス ブローラー、爆丸バトル スラマーズのメンバー、プレヤスのジーンスラマー、丸倉丸長の姉、水の強力なマスター、愛する守護天使、リンカーン ラウドの未来の妻、ローリの暗黒面の破壊者、リン、ローラ、リサ、ルアン、チャンドラー、ホークとハンクの軽蔑と粉砕者、パブロとアンダーソン、悪のスレイヤー、混乱した、殺人的、無慈悲、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして水とマスターカメレオン

Mana Marukura has transformed into SUPER ANGEL-CHAMELEON-HARMONY CELESTIAL ETERNAL XELNAGA OCEAN MAELSTROM AQUOS BAKUGAN OCEAN FURY CHAMELEON ANGEL OF DIVINE CHAMELEON AQUOS MAELSTROM JUSTICE AND DIVINE AQUOS OCEAN MAELSTROM CHAMELEON LOVE!

We were amazed by Mana Marukura's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Di Roy Rinker saw it, he rushed at her to kill her in a fit of rage, but Mana Marukura fired a powerful aqua blue energy blast with water, ocean waves, and chameleons at Di Roy Rinker and sent him flying into a wall, he got out, and he was pissed off now.

Marucho: Wow, Mana's transformed, this is amazing.

Lincoln: And it's about to be rough sailing for Di Roy Rinker now that we're going to join in, Marucho, and Mana, you look beautiful, how do you feel?

Mana Marukura: (Divine Echoing Cosmic Voice of The Aqua Blue Aquos Maelstrom Chameleon Angel and Divine Blue Aquos Maelstrom Love) **I feel incredible, Linky. Now, shall we deal with Di Roy Rinker once and for all?**

Lincoln: (Smiles) With pleasure, Mana.

Marucho: Alright. Come on, Preyas, let's give them a hand.

Preyas: Alright, let me at 'em, I'll thrash him into the ground.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Mana Marukura, and Marucho summoned Preyas, and they also joined Lincoln and Mana Marukura.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of trying to help Sōsuke Aizen destroy The Soul Society are over, Di Roy Rinker, and now, it's time for you to die.**

This pissed Di Roy Rinker off, and he transformed into his Hollow form.

Preyas: Yeesh, looks like someone got hit with the wrong end of the ugly stick! Let's get him!

Mana Marukura, Marucho, Preyas, and Lincoln went after Di Roy Rinker, who tried to attack them, but they dodged his attacks, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental

Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, and Mermaids at Di Roy Rinker, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was really pissing off Di Roy Rinker badly, but Mana Marukura, Marucho, Preyas, and Lincoln are just getting started. Suddenly, Mana Marukura, Marucho, Preyas, and Lincoln had massive aqua blue energy and water balls forming in their hands.

Mana Marukura, Marucho, Preyas, and Lincoln: Time for you to be washed away, Di Roy Rinker. AQUOS BLUE LAGOON SQUALL!

Mana Marukura, Marucho, Preyas, and Lincoln fired blasts of aqua blue energy and water blasts at Di Roy Rinker, and he was hit and drenched, and it was also more painful knowing they used Holy Water and we saw steam coming off him and he was being burned.

Nico: Oh man, they used Holy Water for that combo?! Ooh, they really got him mad now!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Mana Marukura, her hand-cannon Blaster is known as Preyas' Aquos Ocean Maelstrom Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's aqua blue with ocean waves on the blaster with a Phoenix, Angel, and Preyas and the Aquos Symbol surrounded by ocean waves etched on the sides, and an aqua blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Mana Marukura fired blasts of rainbow energy, aqua blue energy, and elemental forces at Di Roy Rinker and as they hit him, they exploded with incredible power, and Lincoln fired a pitch black energy shockwave with a swing of his massive greatsword and it split his mask and head in two and he exploded into black flames and he was erased by The Black Gates. We cheered wildly for what Mana Marukura and Lincoln did to Di Roy Rinker as they holstered their massive greatswords on their backs and powered down, and Mana Marukura's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, and massive aqua blue angel wings are permanent.

Mana Marukura: That'll teach you, you ugly Hollow. Thanks for helping me destroy Di Roy Rinker, Linky, and same goes to you and Preyas, Marucho.

Lincoln: (Smiles Warmly) You're welcome, Mana.

Marucho: It was an awesome pleasure to get the chance to fight side by side with you, Mana.

Preyas: And we saw the last of that butt-ugly Hollow, if I ever see him again, it'll be too soon!

Suddenly, Mana Marukura wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Mana Marukura's face, they kissed passionately as Mana Marukura's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Preyas flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Lincoln and Mana Marukura came back to us as the display and Preyas vanished.

Nico: Whoa, Lincoln, Mana, Marucho, Preyas, that was one awesome and incredible fight, Di Roy Rinker didn't stand a chance, nor could he defend himself from that combo you guys unleashed, and that was a nice touch using blasts of Holy Water.

Lincoln: Thanks, Nico, and tomorrow, when Shana and I fight Yammy Llargo, you and Skyress are also joining in, Shun, and this'll be a battle between speed and brute strength.

Shun: So, we'll be using ninja techniques on him tomorrow, this should be a good one, against one of the Hidden Leaf Shinobi who had learned all about the eighteen disciplines of ninjutsu and the many techniques that Naruto and his friends had learned in the world of Shinobi, and myself, he doesn't stand a chance.

Nico: Whoa, a battle between the Arrancer brute and the two ninjas of the team, this really should be a good fight tommorow.

Me: You said it, Nico, and this'll be a perfect opportunity for Lincoln to display his skills in ninjutsu.

Kiiro, Kuro, Shiroi, Shinku, and Aoi Yōsoninja: We're really going to enjoy seeing this.

Nico: Same here. And I can guess the next Ghostrick Gene-Slammer we're going to meet tomorrow, right, Lincoln?

Lincoln: Yep, Sarah Dullahan, Gene-Slammer of Ghostrick Dullahan, tomorrow for Day 9 of The Dark World Treasure Hunt.

Pyros: Catastrophe Snail's coming with us!

Stratos: He'll be a great addition.

Fireor: After some time in the smallest cell we have.

Me: Yep.

Whirlin: (to Sam Greenfield) So, how does it feel to no longer have bad luck.

Sam Greenfield: It feels great!

Me: Sweet!

Chillyfish: You should tell your friends in Luck World.

Me: Don't worry. I sent a message to them a few minutes ago.

Nico: Yep. Lets head to Lynn's Table and celebrate.

Sam Greenfield: Good idea. Can't wait to eat.

Mandy: (To the viewers) I don't believe in luck but this was a great adventure.

Me: It sure was.

We went back home and ate a good meal and then enjoyed the rest of the day and went to sleep.

Me: Another awesome day in the Boiling Isles.

Nico: Yep.

Felicia Wittebane: Awesome to see that it's doing great after the fall of Belos.

Camie: Yeah good riddance. That monster deserved it.

Xenia: Yep.

Duncan: Thank goodness.

Nico: Duncan, I want to thank you, Scorpion, and your teams for coming today.

Duncan: No sweat Nico. It's gonna be awesome to kick some butt.

Aylene C.: It's always fun too.

Luz: At least Emperor Belos will never terrorize the lands again.

Amity: That's a sure fact.

Nico: Scorp, what do you like to do in your free time?

Scorp: In all honesty, I've never really thought about it. But I do like going after bad guys that do petty offenses.

Nico: That is cool.

Qin: Yeah it sure is.

Nico: You should get a real job though.

Scorp: I should. But I haven't decided on that.

Qin: You'll think of something.

Nico: Yeah. Plenty of time to decide on that.

Xenia: Yep.

Me: But yesterday's mission was fun.

Nico: Yesterday was a blast from the past.

Me: Yeah it sure was. Especially with dealing with the Catastrophe Snail again.

Laney: Yeah no kidding! Poor Sam.

Xenia: She was really mangled up from all those horrible things that happened to her.

Camie: Yeah that was awful.

Lana: No kidding there.

Kaoruku: Yeah he really did a number on her and its been worse and worse for her for 15 years.

Maria: At least she's better now.

Me: Thank goodness there.

Amity Blight: It's crazy all that happened to her though.

Camie: No kidding.

Gus Porter: Yeah no kidding there.

Willow Park: Yeah she did not deserve that at all.

Varie: But at least she will be all right.

Nico: That is true.

Eli: Yep.

Nico: And Catastrophe Snail won't be causing anymore trouble:

Me: That's for sure.

Varie: It's crazy how a little snail like that can cause so much damage to one person.

Qin: Yeah no kidding.

Felicia Wittebane: But at least he is under the servitude of the M.O.E.

Lola: And now Sam is having massive waves of good luck with her. She has been getting luckier and luckier with everything too.

Me: Boy she went from the most unluckiest girl in the world to one of the most luckiest ever.

Nico: Let's keep an eye out for trouble.

Me: I'm afraid I have bad news guys. I got a call from the Neptune Prison Warden and I found out that the deposed and overthrown Fire Lord Ozai escaped.

We gasped!

Lincoln: Oh man, I can't believe Ozai has escaped from prison, and I bet he wants revenge on you guys for destroying his goals and plans.

Nico: I knew Ozai wouldn't stay in prison for much longer, and he escaped to The Boiling Isles.

Me: I knew it was only a matter of time before he came after us to get revenge. But, now we're going to finish what we both started and kill Fire Lord Ozai once and for all, and send him straight to The Black Gates.

Camie: Remind me who Ozai is will you?

Me: Sure thing.

I went over his history and it was really really bad.

**Ozai**, formerly known as **Fire Lord Ozai** and **the Phoenix King**, is one of the main antagonists of the *Avatar* franchise.

He is the tyrannical Fire Lord of the Fire Nation who wishes to destroy the other three elemental nations and bring the world under his control. He is also the second son of Azulon and Ilah, the younger brother of Iroh, the father of Zuko and Azula, the ex-husband of Ursa, the uncle of Lu Ten and the grandson of Sozin. He is Aang's archenemy.

He was voiced by Mark Hamill, who also played the Joker, Ferris Boyle, and Solomon Grundy in the DC Animated Universe and the *Batman: Arkham* video game series, Colonel Muska in *Castle in the Sky*, Darth Bane in *Star Wars: The Clone Wars*, the Skeleton King in *Super Robot Monkey Team Hyper Force Go!*, the Hobgoblin in *Spider-Man: The Animated Series*, Maximus in the *Fantastic Four* animated series, Tony Zucco in *The Batman*, Stickybeard in *Codename: Kids Next Door*, Flint in Disney's *Buzz Lightyear of Star Command*, Niju in *Balto II: Wolf Quest*, the Trickster in *The Flash*, Dictatious Maximus Galadrigal in *Trollhunters*, ShiverJack in *Jake and the Never Land Pirates*, Undergrowth in the *Danny Phantom* series, Agent Goodman in *Recess: School's Out*, Popsicles in *The Powerpuff Girls* and Alvin the Treacherous in the *How to Train Your Dragon* series.

In the upcoming live-action series, he will be portrayed by Daniel Dae Kim, who also played General Fong and Hiroshi Satoin the franchise's animated shows, Johnny Gat in the *Saints Row* video games and Dr. Jackson Han in *The Good Doctor* .

Ozai was born to Fire Lord Azulon and Ilah, as the younger brother to Fire Prince Iroh, who was favored by their father and who would inherit the throne. He married a generous noblewoman named Ursa, who bore two children, Prince Zuko, the eldest who was favored by Ursa, and Princess Azula, who Ozai would favor and who would become a prodigy in the art of Firebending. It is speculated that Ozai favored his daughter Azula and disfavored Zuko for another reason as well; Zuko was firstborn, just as the favored Iroh had been, while Azula was second in succession just as Ozai had been most of his life. Another reason is that Ursa untruthfully wrote in a letter that Zuko was the son of her previous boyfriend, Ikem, and when Ursa said she wished it was true, Ozai started to treat Zuko as if he was Ikem's son out of spite and jealousy.

When his nephew Lu Ten was killed in battle Ozai believed Iroh (in his grief) would not be capable as Fire Lord. He asked his father, Azulon to relinquish the title of Fire Lord to him, noting that he would be capable of maintaining the royal bloodline. Outraged by his request, Azulon ordered Ozai to kill his son, Zuko. At first, Ozai was willing to comply with this request. However, Ursa managed to save her son's life by taking his place. However, instead of being killed, she was banished. Azulon mysteriously died at about the same time (it was revealed in the comic *The Search* that Ursa had actually procured a poison for Ozai, with which he killed his father), and at his funeral, Ozai was crowned Fire Lord, as Iroh was too sad to accept the role as leader of the Fire Nation.

Later in life, when Zuko was thirteen years old, his uncle, Iroh invited him to attended a military meeting, where one of Ozai's generals suggested that they send a group of soldiers to a suicide mission to distract the troops of the Earth Kingdom while they had their other soldiers ambush the Earth army and then overcome the capital of the Earth Kingdom, Ba Sing Se. Outraged, Zuko spoke out against this plan, and he was punished severely: being forced into an Agni Kai against his own father. Zuko was unwilling to hurt his father, and as a result, the Fire Lord blasted his son with powerful flames, creating Zuko's characteristic huge scar on the left side of his face as he begged for mercy as a lesson. Ozai banished Zuko until he found the Avatar, master of the four elements.

Ozai is mentioned several times throughout the show but rarely appears. He is first mentioned by name in the episode "King of Omashu", by King Bumi. Most of his appearances are in visions that Aang has or in flashbacks of Zuko's past. The first time we see him outside of flashbacks of visions is in the finale of the first season, where he gives his daughter Azula the orders to capture his son and brother, who he blames for the failure in the invasion of the Northern

Water Tribe. However, in all of his appearances prior to Season 3, his face is covered by shadows. In the Season 2 episode "Zuko Alone", his eyes are not shown.

He appears far more in the very last season of the show, where his face is shown for the first time when he welcomes his son Zuko back home after he helped Azula and the Dai Li "kill" the Avatar (they didn't know he actually survived thanks to some mystical healing water used by Katara) and conquer Ba Sing Se. Throughout the first half of the season, Aang's gang and Zuko see many paintings and statues of him. Aang also has a series of nightmares about his upcoming battle with the Fire Lord. The night before the Avatar and his allies invade the capital of the Fire Nation, where the solar eclipse will stop any firebending, the Fire Lord holds a war meeting with his children and his general. At this meeting, he came up with the plan to use his newly built airships to commit genocide against the people of the Earth Kingdom by burning it to the ground, leaving only the Fire Nation and the massively divided people of the Water Tribe left on the planet and be left as the supreme ruler of the world.

During the invasion, Ozai and many other nobles and soldiers hid in a giant metal underground dome near the capital city. Zuko confronted his father during the eclipse, informing him of his choice to join the Avatar, teach him Firebending and free the Fire Nation from Ozai's tyranny. When he is about to leave, Ozai decieves him into staying by telling him the story of his mother's fate, revealing that she may still be alive. When he finishes the story, the eclipse ends and he tries to kill Zuko by shooting lightning at him unaware that Iroh taught Zuko how to redirect lightning. Zuko redirects it towards his father sending him flying backwards into a wall and then escapes.

His next appearance is around three days before Sozin's Comet arrives, which will increase the powers of any firebender to an extreme degree. He appoints Azula as the new Fire Lord, as he will be known as the Phoenix King in what he considers a rebirth after giving the world one with fire, who will rule over all the nations and it's leaders. On the day of the comet's arrival, he boards the largest of the Fire Nations fleet of airships and heads towards the Earth Kingdom. While some of the Avatar's comrades take control of an airship and sabotage the rest of the fleet, Avatar Aang, having learned how to use all four elements, destroys the engine of Ozai's flagship and they begin to duel. For most of the fight, Aang and the Fire Lord are equally matched, with Aang using his skill in each bending art to block and evade most - if not all - of Ozai's blows.

Eventually, Ozai began to use his lightning-bending abilities, which backfires when Aang reveals his power to redirect it at Ozai. However, unwilling to kill another human being, he willingly misses the Phoenix King, who begins to overpower the Avatar, forcing him to retreat and protect himself in a boulder. After many strong blows, Ozai shatters the rock with a single jet of fire and sends Aang flying. However, this proves to be the Fire Lord's greatest mistake. As Aang was thrown back by the blast, a piece of rock pierces the scar on his back where Azula killed him, causing him to abruptly reconnect with the energy of the universe. Ozai attempts to finish off Aang only to be confronted with the young airbender returned in the Avatar State (where he has the power and knowledge of all the past Avatars) who seized him by his beard. He proceeds to overpower Ozai in every way, manipulating the four elements in logic-defying ways, finally pinning Ozai down. Yet, as Aang prepares to deliver the final blow, he falters- still unwilling to take a life- abandoning the Avatar State and releases Ozai.

Ozai calls him weak and attacks him from behind, but Aang traps him a final time and uses forgotten art called "Energybending" to take away Ozai's bending powers. During the battle, the Avatar's allies defeated Azula, retook Ba Sing Se and destroyed the Fire Nation's fleet. With Ozai defeated, powerless, and broken, Zuko (as the new Fire Lord) throws Ozai into prison and interrogates him on the whereabouts of his mother which Ozai refuses to.

While his time in prison, Zuko visits him for advice as the Fire Nation was at the brink of war with the Earth kingdom again as a result of the multiple Fire Nation colonies, to which Ozai made attempts to use some genuinely good advice in an effort to corrupt Zuko and turn him into as ruthless tyrant as himself. After the issue was settled, Zuko brings the now clinically insane Azula to Ozai's cell for information, to which Ozai secretly tells about the letters he was hoarding and informs about one of them that could make her the rightful Fire Lord. Some time later, Ukano and the other Ozai loyalists establish the New Ozai Society to rid Fire Lord Zuko from power, allying with Azula who regained her sanity to do so by causing mass chaos. It ends up with Ukano being sent to prison after saving children from Azula and the Fire Warriors. He is later confronted by Ursa, telling him that he had a weak heart to even hold himself as he told her to come back and grovel. This event shattered his confidence.

By the time of *The Legend of Korra*, it is unknown if Ozai died or not as he may have died of natural causes or may well have been finally executed for his actions considering the number of years the show takes place after.

When I was finished EVERYONE was shocked.

Zuria: WHOA! He is a monster!

Nico: Yeah.

Me: We should have killed Ozai back then but he would have been remembered as a Martyr.

Lincoln: You already sent Sozin to his place of eternal torment when you used a more powerful version of The Penance Stare on him, and it made sure he wouldn't come back in any shape or form, and he was damned forever to Oblivion.

Me: Yep.

Camie: I never knew you could do that, J.D.

Me: Yeah it was cool.

Nico: That move was only reserved for the most evil, and Sozin did a lot of evil against the Four Elemental Nations and for starting the war, and he deserved it.

Me: You said it, but there's only one thing Ozai is getting: The Black Gates.

Himiko: Yeah, and I can also feel that I, along with Camie, Tsuyu, Sirius, Kaoruku, Ibara, Toru, and Ochaco are going to transform.

Me: Awesome. Now, let's go find Ozai and end him.

Nico: With pleasure.

Maria: Good thing water puts out fire

Nico: Yep.

Eli: Ozai is going to pay for everything he did.

Xenia: And it will be slow and excruciatingly painful.

Duncan: Let's try to be optimistic. Maybe one of the prison guards killed him while he was on the way here.

Eli: I'm afraid not Duncan. The Force is telling me that he REALLY did escape and he has his Firebending back.

Qin: Oh boy.

Me: But I thought he had his Firebending forever stripped from him after what happened to him.

Eli: So did all of us. But somehow he has it back.

Nico: Dark Orb?

Me: Hmm.

I used at my radar and it showed that there was a blip located on the sports field.

Me: It's located on the sports field.

Felicia Wittebane: Then we better get over there.

We continued on.

We arrived at the Hexside Academy Sports Field.

Duncan: No one here yet. While we're waiting, I'm gonna see if there are any nearby snack bars.

Me: Well it's not the kind of food you would want to eat. Trust me on this.

But then, we saw a massive ball of fire heading for us, but we absorbed it, and it made us stronger than ever, and I fired a powerful blast of fire and forced out the figure who fired that blast of fire at us: it was Fire Lord Ozai, and he was beyond enraged when he saw me and Nico.

Me: Fire Lord Ozai, I should've guessed you'd show up again.

Nico: You really are a sore loser if you tried to kill us with that pathetic fire attack.

Ozai: I hate you both so much, you ruined all of my plans and goals, if you both hadn't gotten in my way, the remaining nations would've been under my control and the Avatar would finally be destroyed along with the entire Air Nomad civilization and the entire Earth Kingdom!

My aura and Nico's flared up and we gained a massive power boost from his hate.

Nico: Thanks for the power boost Loser Lord!

Me: You really are a pathetic monster, Ozai. You have absolutely no remorse for the countless lives that you'd tortured and slain, and you don't give a damn about anyone except for you. You deserved your fate years ago, but now, we're going to finish what Nico and I started: and that is to kill you! Once and For All!

Nico: That's right! And everyone in the Fire Nation will be glad you're dead!

Eli: That's for sure!

Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco: And we've had enough of you last an eternity, Ozai.

Suddenly, the eyes of Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco turned neon, and they were surrounded by colored energy auras, elemental forces, and mythological animals, they unholstered their massive greatswords from their backs, and as they approached Fire Lord Ozai, they left colored energy, elemental forces, and mythological animals with every step. Suddenly, Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco were surrounded by massive vortexes of colored energy with elemental forces surrounding them, there are mythological animals flying around the vortexes, and in the vortexes are colored phoenixes. Then, as the vortexes fade, Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco emerged, but they were changed forever.

LOVE!

We were amazed by the transformations of Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco, and when I saw Camie, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding, and when Izuku saw Ochaco, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Fire Lord Ozai saw it, he went mad and fired more blasts of fire to kill them, but the girls absorbed them and it made them stronger than ever, and they fired powerful colored energy blasts with elemental forces and mythological animals at Fire Lord Ozai, and they exploded as they hit him, and this really pissed him off now.

While the transformations were going on, Duncan started pouring gasoline onto parts of the field.

He then lit it on fire!

Me: Time to burn!

I went SUPER ANGEL WOLF MOON XELNAGA!

Nico went Super Angel 7!

Me: (Divine Wolf Moon Voice) **This time you will die! Just like when I killed Sozin.**

Duncan: Surprised? Gasoline is on parts of this area! Good luck trying to kill us without hurting yourself!

Ozai: You will think that when you burn in hell!

I fired waves of energy and blasted Ozai all over.

Me: **You're the one that's going to Hell!**

Xenia: That's right you bastard!

She fired an energy arrow and he flew into the air with a jet propulsion fire blast and then I flew after him and then he fired waves of fire at me and I absorbed the blasts and I fired blasts of energy and blasted him more and then I kicked him in the face and kicked him in the back and smashed him into the ground and then I fired a massive blast of fire and it hit him and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and badly hurt!

Ozai tried to launch more fire but some of it got onto the ground and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMMMMM!

It set the grounds on fire!

Nico: Nice try Ozai!

Eli fired blasts of Force Lightning and electrocuted him all over. Then Camie and the girls flew and blasted and slashed Ozai all over the place with incredible force and fury.

Duncan: Warned ya!

Ozai: I HATE YOU ALL SO MUCH!

All our auras exploded out with incredible power and we got a massive and incredible power increase!

Lola: Thanks for the Power Boost!

We fired waves of fire and energy and blasted him all oer.

Tsuyu slashed him with her sword.

He was about to fire more blasts of fire but Maria blasted water at Ozai, putting his fire out.

Me: **It's over Ozai! You're finished!**

Camie: **For all the atrocities and war crimes you did…**

Kaoruku: **Which resulted in the near extinction of the Air Nomads…**

Laney: You deserve worse than the pits of hell!

We fired waves of energy and they hit Ozai and he was completely obliterated in an instant!

His evil spirit then appeared and I put the judgement kanji on him and gave him the Black Gates! He was found guilty of all his crimes by all those he has hurt in the past and he was fading away.

Ozai: No you can't do this to me! I am the Phoenix King!

Me: **You're king of nothing Ozai and that's why you will NEVER be welcome on Earth again.**

Nico: Good bye and good riddance.

Ozai: I HATE YOU SO FUCKING MUCH TEAM LOUD PHOENIX STORM - (FADES)

He was gone for good!

Duncan: Well, that was fun! Who wants to try the food at the snack bar here!

Me: We're not done yet though.

Girl Jordan then winced in pain as her mark for Scorpio the Scorpion glowed.

Girl Jordan: My mark for Scorpio is glowing.

Nico: The next Another Undead Zodiart is near.

Qin: Yep.

Then a figure came out and it was ANOTHER SCORPIO UNDEAD ZODIARTS! It looked like a mixture of Scorpina, Confrontation Beast Scorpion-Fist Sorisa and Scorpion Nezire!

Me: Whoa! Another Scorpio Undead Zodiarts!

Nico: Sorry about the place! We were doing some redecorating.

Another Scorpio Undead Zodiarts: (In a girls voice) No worries guys. But great job killing Ozai.

Me: (GASP) I know that voice.

She reverted back and it was a girl with black hair and she had black hair and had purple clothes and had the symbol for Scorpio the Scorpion on her right arm.

Me: (GASP) Violet Capprizola!

Violet Capprizola: Good to see you again J.D.

Me: You too

Nico: You know her?

Me: I sure do. Violet is from my Nature Classes and she knows all about rare and beautiful flowers. She also has amazing nature and plant powers and knows how to summon butterflies to help her out.

Nico: Whoa! That is amazing.

Maria: FYI, Scorpions are butterflies are very different.

Nico: She's right.

Violet Capprizola: That's true. Also I'm not the only one. There's another version of Scorpion on his way.

Scorpion: Whoa another version of me!?

Qin: Oh boy.

Me: Fitting because you are for Scorpio the Scorpion.

Xenia: Yeah it sure is.

Girl Jordan: But we'll be ready. I'll face you first.

She stepped forward.

Violet Capprizola: All right then.

She changed into Another Scorpio Undead Zodiarts and Girl Jordan blasted her down with water and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded and I caught the Rouse Card and Zodiarts Switch and purified them. The Rouse Card had the stars and symbol of Scorpio and a scorpion on it.

Me: Cool.

The Zodiarts Switch glowed and those marked with Scorpio got armbands.

I went over and brought Violet over. She was being looked over.

Violet Capprizola: (GROANS) What a headache.

Nico: One down.

Me: Yep.

Then a blast of acid was shot at us and we dodged it.

Then a figure came out and it was a dark version of Scorpion! It was ANOTHER SCORPION!

Me: Whoa Another Scorpion!

Nico: Whoa!

Another Scorpion: (In a boys voice) Hello J.D. Been a long time.

Me: (GASP) TERRANCE GALLAGHER! I did not expect you to be here and I thought I was rid of you for good when I moved to Michigan!

Another Scorpion: What? Can't an old classmate just see you and say hello?

Me: You sure have a lot of nerve showing up here!

Nico: Who is he J.D.?

Me: His name is Terrance Gallagher, and he was one of the worst bullies in my elementary school. He used to torment all the kids and made us look like a bunch of idiots!

Nico: Another local bully?

Me: Yep.

Another Scorpion: Oh come on now things weren't that bad.

Me: Don't believe him guys. Terrance was the worst. One time during math class while we were having a test, he lit a bunch of firecrackers and stuck them down a girls pants and blasted them off in her underwear and they burned her so bad and injured her that he crippled her bad.

Nico: YIKES!

Qin: Oh man!

Sougo: (gets out Patranger Ridewatch) Normally, we'd ask you what Swartz promised you.

Geiz: (gets out Geiz Majesty Ridewatch) But I think it's obvious what that promise was.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo got Patren1gouArmor while Geiz became Geiz Majesty

Me: And I'm guessing it's revenge on me for what I did to you.

Another Scorpion: That's right!

Nico: What did you do to him?

Me: I busted him for trying to set off a huge fertilizer bomb in the school basement and I threw him in prison.

Nico: WHOA!

Me: Yep. He swore to get revenge on me ever since.

Qin: GEEZ! He really has it out for you.

Me: Yep. And now I can finally say this to you Terrance. It's PAYBACK TIME!

Eli: Yeah! You hurt many of J.D.'s friends and we won't let you hurt anyone else!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Qin: Nice!

Me: This is for injuring one of my classmates!

I fired a blast of lightning and him and electrocuted him all over.

Nico: (gets out Scorpion's Ridewatch) Feel the scorpion's sting!

He activated it and grew Scorpion's tail and fired waves of acid from it and it hit Another Scorpion and burned him.

Qin: Take that!

Nico: YEAH!

Me: And this one!

I fired waves of fire and burned him all over.

Nico: And this sting too! (Activate's Black Scorpion's Ridewatch)

He grew a scorpion tail and then stung Another Scorpion and he was really going to feel that!

Xenia: OUCH!

Camie: Take that!

Kaoruku: This will hurt!

She fired waves of water and blasted him all over.

May: (gets out Aligned Scorponok's Ridewatch) This one is fitting considering I knew about the Aligned universe before Lincoln and the others found out about it.

Lincoln: That's true.

She activated it and fired energy blasts and smashed him down.

Qin: Take that!

May: And this too. (ACTIVATES ASAJI VENTRESS'S RIDEWATCH)

She got red blade lightsabers and jumped and slashed off Another Scorpion's tail!

Maria: (gets out Scorpius' Zodiarts' Ridewatch) This one's also fitting considering that we just fought an Undead Scorpius Zodiarts.

Maria activated it and got a Scorpion Sword of Scorpius. She jumped and slashed Another Scorpio Undead Zodiarts.

Maria: And this one as well. (ACTIVATES UNIVERSE 666 CARNAGE (SPIDERMAN THE ANIMATED SERIES) RIDEWATCH)

She formed her arms into an ax and scythe and slashed him all over!

Scorp: OH YEAH! My turn! (ACTIVATES BLACK SCORPION'S RIDEWATCH) King of The Sting!

He fired waves of energy and blasted him all over.

Doc Ock and his team came. It had Iron Maiden, Universe 666 Aresia, Cancer Zodiarts, Tech Geargolem and Super Zebesian.

Nico: Nice team, Doc!

Doc Ock: Thanks. I thought it was cool too.

Maria: Same here.

Then a Clefable came.

Me: Hey a Clefable.

Nico: Cute one.

Clefable: (In a girls voice) Looks like I got here just in time.

Nico: Gina Carmilla! Wow!

She reverted back and she was a girl with neon pink hair and pink athletic clothes and had angel wings and a Frostmourne Blade.

Another Scorpion: This wasn't your fight girl!

He then summoned NUMEROUS PUTTIES!

Me: Putties!

Gina Carmilla: I got this one.

She went at the Putties and slashed them all over the place and sucked in all their souls and imprisoned them. Then she fired a Psybeam blast and it hit Another Scorpion and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and I caught the ridewatch and purified it.

Terrance was a kid with black hair and he was wearing a blue prison jumpsuit and I tied him up.

Maria: Gina, had we known your blade can suck in souls, we would've just let you have Ozai's spirit.

Gina Carmilla: Yeah but he deserves to be given the black gates after everything he did.

Qin: But it's awesome to see you again Gina.

Gina Carmilla: Same here Qin.

Scorp: What's your favorite memory of Nico?

Gina Carmilla: I have many of them. But my favorite is when me and Nico had a Tamale eating contest. We ate 2,000 tamales And man they were delicious.

Nico: Oh yeah. I was burping up spicy fire for days but it was awesome.

Me: Boy that is cool.

Qin: Yep.

Nico and Gina hugged.

Nico: I've really missed you.

Gina Carmilla: Me too Nico. Me too.

And we're also going to destroy Dr. Viper, the plant-cat hybrid mad scientist, who's come back from the dead and he wants revenge on us for killing him and ruining his plans, and we also invited The Swat Kats here.

Lincoln: Whoa, we're back in Dark World for Day 9 of the Dark World Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the four girls here, but Laniya Guillermo is going to get a powerful treasure there: a powerful greatsword known as The Demonic Darkness Exarch Greatsword of Latinum, Exarch of Dark World.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and since she was Gene-Slammed into Latinum, Exarch of Dark World, it's perfect for her, and we're also going to destroy Dr. Viper, the plant-cat hybrid mad scientist, who's come back from the dead and he wants revenge on us for killing him and ruining his plans.

Nico: I should've known that mad scientist would one day come back from the dead.

Me: Yep, but this time, we're going to get rid of him once and for all.

Razor: And when we found out he'd come back, we had to come with you guys.

T-Bone: And I didn't expect him to be here in Dark World of all places.

Rayman: I'm not surprised though, we did run into Dark Kat two months ago after our exorcism of Greyfriars Cemetery.

Nico: Yeah, that's true, but either way, Dr. Viper is going to die once more.

Lincoln: And this time, he's never coming back, and I want to thank you, Chester Cheetah, Captain Space Heifer, Universe 666 Delightful Children From Down The Lane, Universe 666 Kaos, and Universe 666 G1 Megatron for joining us, Johnny.

Ghost Rider: You're welcome, Lincoln, and I can't wait to make him pay once again.

Lincoln: Dr. Viper hurt so many of Megakat City's citizens, and he deserves to feel the pain of those he's hurt.

Lynn: I'll be surprised if you and Johnny use a combo on him that'll be just like The Penance Stare, Lincoln.

Me: A combo that's just like The Penance Stare, is that even…?

Nico: Now, that I'd like to see: Dr. Viper being attacked by the souls of all those he's hurt and being burned forever for his crimes. But, we'll see that later.

Laniya Guillermo: Right, let's head for Latinum, Exarch of Dark World's shrine.

We continued on and we arrived at Latinum, Exarch of Dark World's shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive demonic looking greatsword floating in the center and with dark light shining down on it: The Demonic Darkness Exarch Greatsword of Latinum, Exarch of Dark World, a powerful demonic massive greatsword with platinum gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large platinum gem embedded in the rainguard, longer midnight black handle, four large demon heads and a large platinum gem on the bottom of the demon heads for the pommel.

Rarity: My word, is that…?

Lincoln: The Demonic Darkness Exarch Greatsword of Latinum, Exarch of Dark World, that sure is one scary looking demonic greatsword.

Laniya Guillermo: You said it, and it's absolutely perfect for me.

Suddenly, we saw Ghostrick Dullahan, and with it are the four girls.

Nico: Yikes, that's Ghostrick Dullahan, and it's got the four girls.

Ghostrick Dullahan: (Scottish Accent) Aye, and away from that plant-cat mad scientist, Dr. Viper.

Lincoln: (Gasps) That voice, Sarah Dullahan, I knew it was you, it's awesome to see you again, but we'll talk later, I already know Dr. Viper is heading for us.

?: I will have my revenge on you all for ruining my plans to destroy Megakat City, Team Loud Phoenix Storm!

T-Bone: I knew there's no mistaking that hissing voice from anywhere, you can slither out now, Dr. Viper.

We then saw our target, Dr. Viper, and man, he was hissing mad.

Razor: Should've known you'd show your ugly face again, Dr. Viper.

Dr. Viper: And it will soon be the last time when I finally destroy you all!

Laniya Guillermo: The only one who's going to die here is you!

Laniya Guillermo went up and grabbed The Demonic Darkness Exarch Greatsword of Latinum, Exarch of Dark World. Suddenly, Laniya Guillermo's purple eyes turned neon purple and she was surrounded by a black and purple energy aura with darkness, demons, and dark magic, she unholstered her massive Latinum, Exarch of Dark World's Demon Greatsword of Darkness Exarch Justice, and as she approached Dr. Viper, she left black and purple energy, darkness, demons, and dark magic with every step.

Laniya Guillermo: You absolutely make me sick to my stomach, it wasn't bad enough that you turned yourself into this ugly freak of nature, but your sick experiments have hurt so many people and you've tried to turn Megakat City into nothing more than an urban jungle. Dr. Viper, as the Gene-Slammer and Champion of Latinum, Exarch of Dark World, you are hereby sentenced to death.

Suddenly, Laniya Guillermo was surrounded by a massive vortex of black and purple energy with dark magic and darkness surrounding the vortex, there's an army of demons and Latinum, Exarch of Dark World flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Laniya Guillermo emerged, but she was changed forever.

Laniya Guillermo has transformed into SUPER ANGEL-DEMON-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LATINUM DEMON EXARCH DARK WORLD DEMONIC ANGEL OF DEMONIC PLATINUM DARK WORLD JUSTICE AND DIVINE DEMON EXARCH DARK WORLD LOVE!

We were amazed by Laniya Guillermo's Super Angel-Demon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Dr. Viper saw it, he rushed at her to kill her, but Laniya fired a powerful black and purple energy blast with darkness, demons, and dark magic at him, and that blew him out of the shrine and we followed, he got up, but he was pissed off now.

Nicholette Torrington: Whoa, Laniya Guillermo has transformed into her Super Angel Celestial Eternal Xelnaga form, awesome!

Lincoln: You got that right, Nicholette, and now, Dr. Viper's going to pay for everything he's done, and Laniya, you look beautiful, how do you feel?

Laniya Guillermo: (Divine Echoing Cosmic Voice of the Dark World Platinum Demon Exarch and Divine Demon Exarch Dark World Divine Love) I feel incredible, Linky. Now, shall we put this mad scientist down for good?

Lincoln: (Smiles) With pleasure, Laniya.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Laniya Guillermo.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to turn Megakat City into your jungle kingdom are over, Dr. Viper, and now, it's time to put you down for good.

Laniya Guillermo and Lincoln went after Dr. Viper, and they fired extremely powerful blasts of rainbow energy, black and purple energy, dark magic, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and Mermaids at Dr. Viper and they exploded with incredible power as they hit her. Then, they also attacked him with punches, kicks, and slashes from their massive greatswords, and slashes from Lincoln's claws, and they drew more blood, and Lincoln also cut off Dr. Viper's tail.

Nico: (WINCES) Ooh, he even cut off Dr. Viper's tail!

Me: Damn, now that's got to hurt. Let's join in and make this fight even bloodier.

TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Ghost Rider, Chester Cheetah, Captain Space Heifer, Universe 666 Delightful Children From Down The Lane, Universe 666 Kaos, Universe 666 G1 Megatron, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, The SWAT Kats, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Dr. Viper, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Laniya Guillermo, her hand-cannon Blaster is known as Latinum, Exarch of Dark World's Demonic Exarch Darkness Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with purple flames on the blaster with a Phoenix, Angel, and Latinum, Exarch of Dark World surrounded by darkness etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Laniya Guillermo fired blasts of rainbow energy, black and purple energy, and elemental forces at Dr. Viper and as they hit him, they exploded with incredible power, and really knocked him down.

Then, Ghost Rider and Lincoln used a combo called Ghost Rider Penance Infernal Firestorm, and they fired powerful blasts of fire at Dr. Viper which hits him in the eyes, and his soul was burned badly as it was attacked by all those he'd hurt in the past, and when the Judgement Kanji appeared, his soul was dragged to The Black Gates forever, and his physical body was now an empty husk, and it too also burst into flames. We cheered wildly as we holstered our weapons and powered down, and Laniya Guillermo's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, and massive brown angel wings are permanent.

Laniya Guillermo: That'll teach you, you walking freak of nature. Thanks for helping me destroy Dr. Viper once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Laniya.

Suddenly, Laniya Guillermo wrapped her arms around Lincoln's massive wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Laniya Guillermo's face, they deeply kissed passionately as Laniya Guillermo's left arm was still wrapped around Lincoln's massive, wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive right pec, and behind them was a Thunderbird, Phoenix, Angel, Demon, and Latinum, Exarch of Dark World flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and demons flying behind them and we cheered wildly. Lincoln and Laniya Guillermo came back to us as the display and Latinum, Exarch of Dark World vanished.

Nicholette Torrington: Oh man, that mad scientist literally had no chance of even fighting back, and when you and Ghost Rider used that combo on him, it was like Dr. Viper had gotten The Penance Stare infinite-fold.

Nico: You said it, and it literally incinerated his soul that badly, and he was then sent to The Black Gates forever, that was brutal.

Lincoln: Yep, but he deserved it. (To Sarah Dullahan) And it's so good to see you again, Sarah Dullahan.

Sarah Dullahan reverted back to normal, and she's a beautiful girl with long flowing red hair, crimson red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful red angel wings, and she reigned in the power of Ghostrick Dullahan, and she's dressed in a sleeveless red midriff top, green plaid skirt, red pants, knee-high brown high heeled boots with butterfly shoe buckles, and long white sleeveless trenchcoat with darkness, souls of the damned, and demons on the coattails and Ghostrick Dullahan on the back and in her hand is The Scythe of Guilt.

Sarah Dullahan: (Scottish Accent) You too, Lincoln, it's been a long time, and it's good to see you and Tiana again, Ursula.

Ursula Truaigheaingeal and Tiana Masina: (Scottish Accent) You too, Sarah.

Lincoln went up to Sarah Dullahan and he hugged her, and Sarah

Dullahan is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sarah Dullahan: (Scottish Accent) Aye, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new, and you've really grown so much bigger in muscle, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her, and she also knows Ursula and Tiana?

Lincoln: Indeed we do, Nico, this is Sarah Dullahan, she's my Guardian Angel from Scotland and my classmate in Gym, she's a Dullahan and she was born with the powers of darkness and she's a skilled rider on a horse and she's the wielder of The Scythe of Guilt, along with using a sword and shield and she also knew of me being a vampire-werewolf hybrid, just like the other Ghostrick Gene-Slammers.

Me: Now, that's both awesome and scary.

Lincoln: And here's also another thing that makes her feared by the jerks and criminals: she knows how to bring a lot of fear to those who dare to harm me and those around me, and that earned her the moniker, "The Dullahan of Royal Woods", and any villain who dare cross her path will regret being born. She also has mastery of a dark power that's known The Dullahan's Black Embrace, it's a dark power that covers her hands in darkness and she grabs her victim and she not only drain them dry of their life-force, but she also drags their soul down to The Underworld for an eternity of servitude.

Nico: (Gulps) And we know just how scary the Dullahan really is, and how it's the harbinger of fear in Scotland.

Lincoln: Yep, plus, she's also good friends with Lucy and her friends in The Young Morticians' Club.

Brittney: And she's also about to be indicted as another member for The Goths of Darkness.

Brittney gave Sarah Dullahan the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: Awesome, plus, she hates Hawk and Hank with a burning passion and wants nothing more than to drag their souls to The Underworld for an eternity of torment and torture.

Me: Oh boy, what did those butt-faces do to earn her wrath?

Sarah Dullahan: (Scottish Accent) Trust me, you won't like it one bit. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Sarah, are you absolutely sure about this?

Sarah Dullahan: (Scottish Accent) (Smiles) Aye, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Sarah Dullahan, and he saw that she's really serious, and he smiled as he walks over to Sarah Dullahan, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sarah Dullahan's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and an Elemental Thunderbird Choker of Eternal Love on her neck.

Sarah Dullahan: (Scottish Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, you're now part of my harem and my many future wives, Sarah.

Sarah Dullahan had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around Sarah Dullahan's waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Sena Kashiwazaki, Yozora Mikazuki, and Kobato Hasegawa from Haganai.

Lincoln: Oh wow, it's Sena Kashiwazaki, Yozora Mikazuki, and Kobato Hasegawa from Haganai.

Nicole: Awesome.

Lincoln: Are you girls okay?

Sena Kashiwazaki: Yes, we're okay, thanks to you.

Then, when Sena Kashiwazaki and the other two girls saw who it was that saved them from Dr. Viper, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous

Sena Kashiwazaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Sena Kashiwazaki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sena Kashiwazaki, Yozora Mikazuki, and Kobato Hasegawa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Laniya Guillermo had gotten The Demonic Darkness Exarch Greatsword of Latinum, Exarch of Dark World, and they were shocked when they found out the villain we went after was Dr. Viper, the plant-cat hybrid mad scientist, who's come back from the dead and he wants revenge on us for killing him and ruining his plans.

But, when Lincoln showed what happened such as Laniya Guillermo transforming into her Super Angel-Demon-Harmony Celestial Eternal Xelnaga form, and she, Lincoln, and all of us laying a brutal beatdown on him, and Lincoln and Ghost Rider finishing it by using a Penance Stare-style combo on Dr. Viper, and it sent him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Sarah Dullahan have a lot of catching up to do, now that she's back in town.

Maria: Yeesh, I should've known that Dr. Viper would one day come back yet again.

Lincoln: But, in the end, he wound up getting The Black Gates for good, he deserved it for his crimes.

Nico: After what he's done in the past and what he did years ago, he doesn't deserve to come back in any shape or form.

Me: Amen to that, Nico.

* * *

After finally getting rid of Dr. Viper once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sarah Dullahan saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sarah Dullahan: (Scottish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sarah, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sarah Dullahan: (Scottish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much

bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Sarah, what's the story on why you hate Hawk and Hank with a burning passion and why you want to drag their souls to the Underworld?

Sarah Dullahan: (Scottish Accent) Aye, you're not going to like this one bit. One day, Lincoln and I were heading back after a three-hour workout at the Gym, but then, we heard the sound of bellowing roars in the air, and we saw who it was: it was Hawk and Hank, and they still wanted to kill Lincoln for getting them thrown in prison, but I wasn't going to let them, so I summoned an army of souls of the damned, and it frightened them so bad, they peed and crapped themselves infinite times, and the two of them were left whimpering like scared little babies. We called the cops and they got sent back to jail, and we told everyone what happened, and they were not only glad we were okay, but they also laughed at what I did to Hawk and Hank.

Me: Yeah, I remembered that one all too well, those butt-faces just don't know when to take a hint.

Lincoln: They never learn, and now, they're frozen forever as gold statues, and the same went with that bully, Abby Sanchez.

Nico: She had some nerve to try and bring back The 20 Days of Darkness, just because she wanted revenge and she still wanted Luan to suffer!

Maria: What a Class-A bitch!

Me: She eventually paid the price with getting turned into gold for eternity, it should serve her right.

We got a shower afterwards, and then, Lincoln and his harem are heading for an Italian restaurant for their date.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large black fancy tuxedo with his jewelry and accessories, he also put on his Juniper Thunderbird cologne and he had his weapons holstered, just in case of trouble, and his harem were dressed in fancy dresses with their jewelry and accessories and they also put on perfume and they had their weapons holstered in case of trouble.

Nicholette Torrington: Wow, oh man, we're here in an Italian restaurant for our date, nice.

Lincoln: Yep, I figured it would be perfect, Nicholette.

Lincoln and his harem sat at a table and then, after looking through the menus, they all placed their orders. A few minutes later, the waiters came out with their food, and it smelled wonderful, and when they took a bite from their food, their taste buds went into overdrive. Then, after they finished with their food, Lincoln paid for the food, and they came back home to The World Tree Estate.

Me: Hey, guys, how was your date?

Lincoln: It was awesome, J.D., we went to an Italian restaurant in the north of the city.

Helena McTroy: It was so awesome, and everything was indeed authentic, it was like we were in Italy, and the food was amazing.

Nico: Glad you all loved it.

Girl Jordan: And of course, no thugs coming here to cause any trouble, and our resident jerks are still tied up at Lynn's Table.

Eli: If they dare to break out, we'll hunt them down.

Ronnie Anne: The second they do, Lincoln's Guardian Angels will go after them, and give them the thrashing they truly deserved.

Lincoln: Big time.

---

Later it was time for Ellie's 2nd mission.

William: Anyone else want to go with Ellie? Besides Chick Hicks and

Cheese?

Lucy Heartfilia: I'll go next. I want to see what this is like.

Me: Okay Lucy.

Nico: Anyone else?

No one said anything.

Me: Okay then.

Nico: Looks like we're ready.

With that we were off to Japan.

---

We arrived in Japan at Madoka's shop.

Gingka: Hey guys!

Ellie: Gingka, meet my archenemy.

Chick: Sup guys. Chick Hicks.

Gingka: Wow! It's a pleasure.

Lucy Heartfilia: Awesome to meet you all. I'm Lucy Heartfilia and I am a Celestial Mage from Fairy Tail.

Madoka: Wow it's an honor Lucy!

Cheese: Bunnies!

Me: And this little guy is Cheese.

Cheese: Yes ha.

Me: He's a total idiot but he makes a great annoyance tool for some of our most hated jerks.

Nico: Yeah he is funny. And he drives many of our enemies bonkers.

Ginkga: I can see that.

Madoka: Wow.

Gingka: Well, it's still an honor to meet-

Gingka was interrupted by Cheese poking a carrot into him.

Cheese: I! FOUND! A! CARROT!

POINK!

Gingka: OW!

Me: Cheese cut it out!

I stopped him.

Me: See what I mean?

Madoka: We sure do.

Kenta: Yeah. Boy Lucy you are beautiful.

Lucy Heartfilia: (Giggles) Thanks Kenta.

Madoka: What powers do you have?

Lucy Heartfilia: Well my powers are for all these keys I have.

Me: She has the power to summon heroes of the Celestial Zodiac.

Eli: Yeah she has all kinds of amazing guardians.

Gingka: (to Chick Hicks) So, has anyone rode into you before?

Chick Hicks: Well lots of people have but there is one car that I wanted to beat more than anything.

Me: He's talking about Lightning McQueen.

Eli: Yeah long story.

Me: He and Lightning had a really nasty rivalry.

Nico: Yep.

Ellie Singh: Yeah it's not pretty.

Elie: But at least they made up for it when he joined the Masters of Evil.

Eli: Yeah.

Madoka: So Lucy what are your Guardians like?

Lucy Heartfilia: Want to meet one of them?

Kenta: Sure.

Lucy Heartfilia: Water ball please.

Me: Sure thing.

Nico: Oh boy.

She pulled out the key for Aquarius and I formed a floating ball of water for her.

Lucy Heartfilia: GATE OF THE WATER BEARER! OPEN!

She summoned the Mermaid Guardian, AQUARIUS!

Madoka: Wow!

Lucy Heartfilia: Aquarius meet Ellie's friends on her mission.

Aquarius: (Growls) You dragged me out here for this!? THAT IS IT!

Me: Aquarius that is enough! Lucy came with us to help out! You'll have to forgive Aquarius guys. She has a really rotten temper and hates it when Lucy summons her in the most awkward of places.

Gingka: I can relate. Madoka can be angry during her period.

Madoka: GINGKA!

Gingka: It's true!

Eli: Don't make me bonk your heads together!

Nico: Guys lets stay calm.

Aquarius: But I heard that Lucy is going with you all and I may have an attitude I love her as a sister.

Me: Good. Also Lucy dons these really amazingly beautiful outfits when she gets their powers.

Madoka: That is amazing.

Kenta: Boy it sure is.

Lucy Heartfilia: It sure is.

Madoka: Is your family as awesome Lucy?

Lucy Heartfilia: I came from a really rocky background.

Me: She doesn't like to talk about it that much.

Eli: Yeah.

Madoka: I see.

Nico: So, have any of your enemies made a move yet?

Gingka: Well J.D. is going to like this. Ryuga somehow came back!

We gasped!

Me: Oh wow! Now I can give that jerk a piece of my mind for being a total asshole. But no I'm not going to kill him. I just want to you know rough him up a bit to blow off some rage and fury at him for hurting you guys.

Chick Hicks: I'd like some of that action!

Lucy Heartfilia: Same with me!

Elie: Me too! I want to bring some pain to him.

Nico: Who doesn't.

Eli: Well he is located on top of the Roppongi Hills tower.

Nico: Then lets get over there.

Me: Yeah.

Chick Hicks: Some of you guys can ride in me.

Gingka: Sure thing.

Gingka, Kenta and Madoka got inside him and we were off.

We then arrived at Roppongi Hills.

Me: Here we are.

Nico: Nice tower.

Eli: Yeah he's on the roof.

Me: I'll take us there.

I formed a lift cloud and we floated up to the top of the building.

Gingka: Nice view from up here.

Lucy Heartfilia: It sure is nice.

Then we arrived at the top and we saw RYUGA!

Me: There he is.

Ryuga: Gingka I've been waiting for you! Now I can destroy your Pegasus and prove that my Meteo Dragon is superior!

Me: You have serious issues Ryuga!

Ryuga: The famous Team Loud Phoenix Storm is here too. Now I can show you all my superiority!

Me: We'll see about that.

Eli: You are a fool Ryuga.

Lucy Heartfilia: What is your problem buddy!?

Me: His arrogance and overconfidence is what lead him to get killed in the first place.

Gingka: (grins) I'm actually happy to see you again, Ryuga!

Ryuga: (laughs) Are those tears, Gingka?

Gingka: (in denial) Nah. There's just something in my eye.

Me: Also to tell you the truth, I thought you were our main target for when we meet you guys on February 7th next year. Now we know that you aren't it.

Gingka: Seriously, dude, what were you thinking sacrificing yourself to save Kenta? We could've found another way!

Ryuga: There WAS no other way! If one of your own friends were in trouble, you would've done the same thing!

Me: You are right on that Ryuga and we have had that happen to us too.

Madoka: The Battle with Thanos?

Me: Yep.

Nico: That was a devastating battle.

Lucy Heartfilia: It sure was..

Ryuga: I'm not gonna deny that I've made mistakes. So hate on me all you want. But I would sacrifice myself again if necessary!

Me: Nonetheless it still doesn't excuse the fact that you tried to kill

Gingka and friends in the past.

Madoka: That's right! I'm still mad at you for that!

Aquarius: I am too and I'm going to make this kid wish he was never born!

Me: Wait Aquarius. We need him alive. He is Masters of Evil Material.

Chick Hicks: Yeah he may be a jerk but he is a hero.

Me: Yep. Also we need to bring him down a few pegs.

Ryuga: You really wanna do this?

Chick Hicks: Yeah. Pretty much.

Me: Not just with our Beyblades but also…

I unsheathed my Decaforce Sword.

Me: With our own methods of power and combat.

Nico: That's right.

Elie unsheathed her own version of the Decaforce Sword.

Eli: You have had this coming for a while.

Elie: That is for sure.

Lucy Heartfilia: It's time we taught you some manners.

Ryuga: Fine. But you probably know the Beyblade rules for Gingka's side.

Me: Fair enough. But yes we do.

Gingka: Yeah we sure do.

Me: Also Madoka has been looking out for L-Drago for you. She now has it as her own personal blade in your honor.

Gingka: I am proud of her too.

Madoka blushed hearing that.

Me: But lets take this someplace safer.

I snapped my fingers and we were on the planet Glaren.

Gingka: Whoa! Where are we!?

Madoka: What is this place?

Me: You guys are on the planet Glaren. We come here a lot for some of our battles.

Kenta: This is amazing!

Me: Yep. Don't want to have people get caught in the crossfire from our battle.

Ryuga: Of course not. I'm not a complete monster.

Me: Good.

Gingka: All right lets do it.

He got his Beyblade ready and so did Ryuga.

Gingka: Beyblade…

Ryuga: Let it rip!

They launched their blades!

Me: Time for this. EXPLOSION!

I fired blades of fire and they hit Ryuga and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

He was knocked down by the blasts.

Nico: WHOA! We haven't used the Decaforce Swords in a while.

Elie: No kidding there! SILFARION!

She had her sword turn into Silfarion and she ran fast and slashed Ryuga all over with incredible speed.

Cheese: (to Ryuga) I love cereal!

Ryuga: Good for you!

I fired waves of fire and blasted down Ryuga.

Nico: Taste this! DRAGON THUNDERCLAP!

The 5-Star Dragonball on his bracelet glowed and he fired waves of lightning and it hit Ryuga and electrocuted him all over the place.

Eli: And this!

Eli fired waves of Force Lightning and electrocuted him some more.

Eli: Had enough?

Chick spun around Ryuga rapidly to make him dizzy

Ellie then used her super speed and spun Ryuga around and made him even more dizzy.

Elie fired waves of fire from her Explosion Sword and blasted him all over the place.

KRABBBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOMMMMMM!

Nico: Take that!

Cheese: (runs towards the clashing Beyblades) Bunnies!

Eli: Cheese you idiot!

Eli used the Force and stopped him from getting to the Beyblades.

Nico: Oy vey.

Lucy Heartfilia: Lets do it!

She used her powerful spell!

Lucy Heartfilia: (CHANTS INCANTATION)

Survey the Heavens, Open the Heavens…

All the stars, far and wide…

Show me thy appearance…

With such shine.

Oh Tetrabiblos…

I am the ruler of the stars…

Aspect become complete…

Open thy malevolent gate.

Oh 88 Stars of the heaven…

Shine!

Urano Metria!

She fired planets of the 88 Constellations and they hit Ryuga and blasted and bashed him all over!

Chick charges up and pushes into Ryuga to knock him down.

SMASH!

He was knocked down.

Me: To quote Ghost Rider, Roadkill.

Gingka: SPECIAL MOVE: STARBOOSTER ATTACK!

He flared up his aura and Galaxy Pegasus fired waves of lasers from the constellation of Pegasus and blasted Meteo Drago and blasted it far and into a rock.

Me: YEAH!

Eli: He won!

Ryuga: I can't believe I'm saying this. But… you HAVE gotten stronger.

Me: Thanks to the power of his friends and the spirit of his heart.

Nico: Building bonds and friendships makes you stronger and more powerful not just spiritually but physically. As long as you have a drive to protect those you care about.

Aquarius: That's right Ryuga.

Lucy Heartfilia: True friendship makes you stronger and a great force.

Me: That's right.

Ryuga: (sighs with a smile) Is it too late to sign up for the Masters of Evil?

Chick Hicks: Never too late at all.

Me: Yeah there are always openings.

Nico: Yep.

Ryuga: When can I start?

Chick Hicks: Now if you want.

Eli: Yeah.

Ellie: So, when do you guys want to meet my fellow Quantum Girls?

Gingka: How about on your next mission?

Ellie Singh: Good idea.

Lucy Heartfilia: I think it's awesome too.

We were back home in Japan.

---

We later came back home.

May: Hey guys!

Me: Boy that was awesome.

We told everyone what happened and it was awesome.

May: Whoa! So Ryuga came back!

Lucy Heartfilia: Yep. And J.D. and us gave him a piece of our minds.

Nico: Yep.

May: Next time, Devon and Juni Cortez should come with you.

Ellie Singh: Good idea! Along with all the rest of the Quantum Girls too.

Nico: Yep.

---

At the mall, everyone was buying stuff.

Guren: Hey, Poromon. What are you buying?

Poromon: Something me and the others are working on.

Nico: I can't wait to see what it is.

Eli: Yeah. Where's bro?

Nico: He said he has someone he wants us to meet that came to the Mall.

But then…

Billy: I'LL KILL YOU!

Nico: Billy again!?

Everyone came and saw Billy pulverizing me into pulp! He was strangling me and then he punched me in the face with extreme brutality and he was slapping me around and a girl with blond hair in a ponytail and had Russian Summer Clothes on was watching the whole thing.

The girl was watching in horror as he was tearing me apart!

Billy then got bashed in the face by Nico and sent crashing into a pile of hot dogs!

Nico: Billy what the fuck is wrong with you!

Varie and Celica helped me up.

Courage: Are you out of your mind, Billy?!

Billy: What the heck are you doing!? This doesn't involve you!

Nico: Actually it does!

Me: (Spits out blood) Billy has a crush on my friend here who is one of my future wives. Everyone this is Sonia Zemmenoviakova and she is from Russia and she is a Mermaid.

Sonia Zemmenoviakova: (Russian Accent) It's an honor to meet you all.

Nico: Pleasure is ours.

Me: Billy fell in love with her and then attacked me in a jealous rage because he thought I was trying to steal her from him.

Nico: Billy you stupid moron!

Camie: What the hell is wrong with you!?

Billy: J.D. IS A DIRTY GIRLFRIEND STEALER!

Ransack: I'm surprised you could even beat up J.D. that much!

Me: No kidding! And he is only half of my height.

Qin: No kidding!

Billy: I WILL KILL YOU FOR STEALING MY GIRL!

Billy jumped at me to beat me up some more but Nico and Vince grabbed him!

Billy: LET ME GO YOU IDIOTS!

Nico: Billy you stop this now!

Mandy: I got this.

She used magic and put him in a bunny costume and then Ed roughly pet him. And then, Nico posted the video of it on the Internet.

Nico: This was the punishment I had in mind for Lincoln but it works better for Billy.

Me: Ouch! No kidding!

The previous set of Masters of Evil members came.

Hydrax: We heard fighting!

Iceage: (Sees me beat up) Good god! What the hell happened to you?

Me: Who else? Billy beat the living shit out of me because he loved my future wife Sonia here.

Pyros: We heard a huge fight but didn't see who it was with. But we didn't know it was Billy doing this to you.

Lythos: Billy sure did a number on you.

Me: Yeah and then some.

Wheelie: We're sorry, Billy. But this is for your own good!

Billy: LET ME GO YOU MORONS!

Ed: Pet the Bunny! Pet The Bunny! Pet The Bunny! Pet the Bunny! Pet the Bunny!

We laughed.

Ed: "Hug the bunny, hug the bunny! Aw, look, he likes me, Eddy!" [Ed begins to roughly rub Billy.] "Purr like a bunny, purr like a bunny, purr like a bunny."

Edd: (LAUGHS) Rabbits don't pur Ed. But this is funny.

Lola: It sure is.

I got up and I instantly healed myself.

Me: There. Oh guys this is my Mermaid friend from Russia, Sonia Zemmenoviakova. She's one of my future wives.

Hydrax: Awesome to meet you.

Sonia Zemmenoviakova: Pleasure is mine. J.D. told me so much about all your adventures with him and that is amazing.

Hydros: It's a pleasure. So why was Billy fighting you J.D.?

Me: He had a crush on Sonia and thought I was trying to steal her from him.

Sonia Zemmenoviakova: But I don't really like him. But knowing how big of an idiot he is he won't listen.

Kole: Boy how in the world did Billy get so stupid and idiotic?

Me: Don't fucking ask.

Crumplezone: Hey, boss. Which teams have you made this time?

Nico: Sophie's team will include Draculaura, Rochelle Goyle, Clawdeen Wolf, and Venus McFlytrap. Akiza's team will include

Clara St. Clarice, Spectra, Cleo Di Nile, Frankie Stein, and Lagoona Blue.

Me: Cool! Awesome choices. And the Monster High girls will make great group members.

Venus McFlytrap: We sure will.

Draculaura: (Transylvanian Accent) Good idea there.

Akiza: It sure is.

Nico: Sorry Billy beat you up like that.

Me: No worries. Also Billy is on Thin Ice now.

Leni: But he's not on an icy lake.

Lisa Loud: Leni that mean's he's in a lot of big trouble. One more slip up and he is in severe trouble.

Iceage: Can me, Hydrax, Lythos, Hydros, Pyros, Stratos, Fireor, Whirlin, Chillyfish, and Salami Swami go with you guys?

Doc Duodenum: (farting) (Me, Terror Dopant, Evil Comet Woman, Trident, King Jellyfish, Boxcars, Ted Carson Firefly, Evil Splash Woman, Tiki Tak Tribe, and Stacey will come too)

Nico: I know what Doc Duodenum said and yes you all can come with us.

Me: And we found a really good food planet for us to see.

Nico: It's gonna be a good one too.

Lola: Yep/

Nico: But what should do with Billy?

Me: It's up to you boss.

Nico: (to Girl Jordan) Remember last year when I spanked you? To make up for it, how about we both spank Billy as his punishment?

Girl Jordan: (Sinister Grin) With pleasure Nico!

All of us: UH OH!

Nico and Girl Jordan went over to Billy.

Eddy: All right Lumpy take 5.

Ed: Okay.

Billy: No wait!? What are you doing!? Not that! ANYTHING BUT THAT! (SCREAMS)

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Billy was spanked badly all over until the bones in his butt were showing and blood pour out everywhere from his butt! OUCH!

They REALLY Spanked him HARD! We winced hearing that.

Nico: Okay, Billy. Your punishment is over.

Billy was crying.

Me: (INFURIATED) BUT IF YOU EVER DO THIS TO ME AGAIN I WILL TURN YOU INTO PRIMORDIAL SLOP AND SEND YOU INTO THE SUN! GOT IT!?

Billy then peed his pants and crapped himself.

Nico: J.D. calm down. That's not needed. Billy learned his lesson.

Me: Sorry. I'm never going to live this down.

Nico: Lets hope he learned his lesson.

Mandy: Knowing Billy he never will.

Grim: (Jamaican Accent) That is for sure mon. That's why Billy is the dumbest idiot in the history of mankind.

Blitzwing: Nico, which Gene Slammer do you think you'll meet next?

Nico: Ninetales next.

Me: Ooh! Ninetales is beautiful.

Lola: One of the most amazing ever.

My Ninetales: Looks like I'm soon going to get a great friend to play with.

Xenia: You sure are.

Me: Just as long as you don't pull her tails.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, the dark blue iris of Ed Cowart's Third Eye, the colored irises of The Dark World Goth Girls, and the green iris of Nabiki Tendo's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Yammy Llargo, the 10th Espada of Sōsuke Aizen's army, and he's coming here to get revenge on us for what we did to Sōsuke Aizen. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Yammy Llargo coming after us?

Lincoln: You guessed it, Rayman, and he's coming here to get revenge on us for what we did to Sōsuke Aizen.

Rukia Kuchiki: I should've guessed that as soon as word hit of that traitor's death, another of his minions would come after us.

Shana Kazami: But, we'll be ready for him, right, Lincoln?

Lincoln: You guessed it, Shana, and like I said yesterday, Shun and Skyress are also going to join us, and we'll be using our ninja techniques on him.

Rayman: Of course, and aggressive brute force doesn't stand a chance against three ninjas.

Nico: Not against Lincoln, who's one of the Hidden Leaf Shinobi who'd learned all about the eighteen disciplines of ninjutsu and the many techniques that Naruto and his friends had learned in the world of Shinobi, and against Shun and Shana, who'd each learned and trained in the ways of the ninja.

Me: That brute's in a lot of trouble, and I hope you have a few more surprises up your tails, Lincoln.

Lincoln: Ah ah, J.D., no spoilers until the fight.

I had an embarrassed red blush on my face and the others snickered.

Nico: Yeah, don't give out any surprises, that won't be fun. Alright, gang, let's go, we're heading off to another food planet.

Clyde: Ooh, if it's anything like our date at the Italian restaurant, we're ready for more.

Lincoln: We've already got our utensils ready, and once we get done dealing with the baddie waiting for us there, you're next, Yammy Llargo.

Hydros: Let's get going.

King Jellyfish: A king like me should go in first.

Nico: TO THE SHIP!

We went back to the estate and dropped off our bags in our rooms and then went to the garage and went to the ship and then we were off.

---

Flying through the voids of space was the U.S.S. Valorous Phoenix.

Nico: Captain's Log, Stardate 7100.2: The U.S.S. Valorous Phoenix is en route to another awesome and great food planet and our mission is to see what this planet is and have a good meal and then battle the monster or villains there.

Me: Boy I have a feeling this planet is gonna be awesome.

Billy was sitting on a huge block of ice with steam coming out of his butt from being spanked really hard.

Billy: Ouch. (CRYING)

Camie: You had it coming Billy.

Skull Man: Jacqueline, is it true that you have a split personality?

Jacqueline Hyde Vexxington: It sure is true. But it comes out whenever I get angry.

Me: Oh boy.

Jacqueline Hyde Vexxington: I named her Claire Hyde. She is a monster of savagery, cruelty and hate.

Nico: Geez.

Stratos: I notice that you have a bracelet on.

Trident: Is that to keep Claire at bay?

Jacqueline Hyde Vexxington: Yep. It's a magic bracelet.

Me: Good thinking.

Eli: Yep.

Billy was still crying.

Eddy: Geez Billy, you need to get over it Blubberpuss!

Camie: Yeah!

Me: I'll snip his head open with a bear trap and rip out his stupid non-existent brain and then put a new one in.

Eli: Okay that's extreme.

Nico: J.D. I know you're steamed about Billy doing all that to you but it's not worth it.

Lisa Loud: We have arrived at our destination.

Tarantulas: We're here.

Nico: On screen.

We saw that we were at a red planet.

Nico: Wow it looks like Mars from up here.

Eli: It sure does.

Nico: Lets get to landing.

We got to landing and we opened the door and saw that IT WAS A WORLD MADE ENTIRELY OUT OF AWESOME AND DELICIOUS SPAGHETTI! It was covered in tons and tons of spaghetti as far as the eye can see and it was all covered in tomato sauce and meatballs of all sizes!

Nico: WHOA! A world of Spaghetti!

Evil Splash Woman: What are we waiting for?

Bentley: Actually, I'll stay here.

Whirlin: Any reason why?

Bentley: I'm allergic to tomatoes.

Me: Oh man. Good call there Bentley. You stay here on the ship.

Bentley: Thanks guys.

Penelope: And I'll watch over him.

Me: Thanks Penelope. We got plenty of food in the ship.

We went out and it was really saucy spaghetti and the meatballs were awesome.

I got a plate of spaghetti and slurped it up and ate it.

Me: (SLURPS) MMM! So delicious!

Nico: (SLURPS) MMM!

Uncle Grandpa: (SLURPS) MMM! Just as delicious as the spaghetti I had before.

Blackarachnia: Man, this is tasty!

Me: Boy it sure is!

Camie: (Slurps) Mmm!

Tsuyu: (SLURPS) Yummy!

Me: So awesome!

Camie: What kind of Spaghetti did you have before Uncle Grandpa?

Uncle Grandpa: It was some of the most delicious Spaghetti ever. Until Pizza the Kid ruined it.

He went over what happened in chapter 1233.

When he was done everyone that hadn't heard about it was shocked.

Applejack: Yeah we sure showed that rotten pizza slice what for.

Delizia: (Italian Accent) Boy-a we sure-a did.

Me: Yep.

Salami Swami: This will go well with my Salami.

Stacey: They even have macaroni as well.

Me: Macaroni, spaghetti, linguini, any kind of pasta is good. Also that's another thing I'm never going to live down is Pizza the Kid blasting us all over with Cactus Balls. Those hurt like sons of bitches.

May: Yeah I still feel the pain from those needles.

Qin: Ouch! Me too!

Camie: Yikes! That must've hurt!

Nico: But one thing we can use to our advantage is his anger.

Xenia: Yep.

Lola: His food really sucks chum.

Me: Yeah it sure does.

Mai: Azula, I just want to say that I'm glad your former dad is gone.

Azula: I am too. News about it spread all over the Fire Nation like wildfire.

Me: Yep.

Mizore: I'm glad Ozai is gone too.

Lana: So is all the 4 Nations.

Katara: That monster had it coming.

The Tiki Tak Tribe Leader was eating spaghetti.

Nico: I just want to say that I've always loved Kraft Mac and Cheese.

Chillyfish: Really?

Nico: Yep. One of my all time favorites.

Me: Anyone that doesn't like Mac and Cheese is stupid.

Qin: Yeah no kidding!

Lola: Yep.

Magmon: How about I heat this spaghetti up?

Nico: Go for it.

He did so.

Me: Awesome.

We ate lots of spaghetti and man of man were our faces covered in sauce.

Nico: Man that was awesome.

Me: Nico if we find a Macaroni and Cheese planet you would eat that all over right?

Nico: You bet I would!

Fireor: Let me heat this spaghetti up as well.

Ted Carson Firefly: Don't forget me!

They did so and man was it awesome.

Nico: Man this is some really good spaghetti.

Uncle Grandpa: Boy you said it Nico.

Lisa Loud: It sure is most succulent and scrumptious.

Lola: Yeah it sure is.

Fireor: Let me heat this spaghetti up as well.

Ted Carson Firefly: Don't forget me!

They did so and man was it awesome.

Nico: Man this is some really good spaghetti.

Uncle Grandpa: Boy you said it Nico.

Lisa Loud: It sure is most succulent and scrumptious.

Lola: Yeah it sure is.

Exhaust: Just like how a microwave does it.

Me: Yep.

Qin: Awesome.

Pyros: I wonder where the next villain is.

Boxcars: Maybe there isn't one.

Eli: Let me check.

Eli concentrated and he sensed that the next villain was THE FLYING SPAGHETTI MONSTER and controlling it was PIZZA THE KID!

Eli: (GASP) The next villains are The Flying Spaghetti Monster.

Nico: That monster from the Church of Pastafarianism?

Eli: Yep.

Camie: What is that?

Nico: Weird form of religion.

Nico told us about it.

---

The Flying Spaghetti Monster (FSM) is the deity of the Church of the Flying Spaghetti Monster, or Pastafarianism, a social movement that promotes a light-hearted view of religion. It originated in opposition to the teaching of intelligent design in public schools. According to adherents, Pastafarianism (a portmanteau of pasta and Rastafarianism) is a "real, legitimate religion, as much as any other". It has received some limited recognition as such.

The "Flying Spaghetti Monster" was first described in a satirical open letter written by Bobby Henderson in 2005 to protest the Kansas State Board of Education decision to permit teaching intelligent design as an alternative to evolution in public school science classes. In the letter, Henderson demanded equal time in science classrooms for "Flying Spaghetti Monsterism", alongside intelligent design and evolution. After Henderson published the letter on his website, the Flying Spaghetti Monster rapidly became an Internet phenomenon and a symbol of opposition to the teaching of intelligent design in public schools.

Pastafarian tenets (generally satires of creationism) are presented on Henderson's Church of the Flying Spaghetti Monster website (where he is described as "prophet"), and are also elucidated in The Gospel of the Flying Spaghetti Monster, written by Henderson in 2006, and in The Loose Canon, the Holy Book of the Church of the Flying Spaghetti Monster. The central creation myth is that an invisible and undetectable Flying Spaghetti Monster created the universe after drinking heavily. Pirates are revered as the original Pastafarians. The FSM community congregates at Henderson's website to share ideas about and sightings of the Flying Spaghetti Monster, and display crafts representing images of it.

Because of its popularity and exposure, the Flying Spaghetti Monster is often used as a more modern version of Russell's teapot- an argument that the philosophic burden of proof lies upon those who make unfalsifiable claims, not on those who reject them. Pastafarians have engaged in disputes with creationists, including in Polk County, Florida, where they played a role in dissuading the local school board from adopting new rules on teaching evolution. Pastafarianism has received praise from the scientific community and criticism from proponents of intelligent design.

Me: Weird but cool and awesome.

Eli: And controlling it is Pizza the Kid!

We gasped in shock!

Me: Not good!

Anemone: So, it isn't really made out of spaghetti?

Nico: Actually it's a monster that is made of spaghetti and meatballs.

Qin: Tasty and cool.

Lola: Yeah.

Nico: But Pizza the Kid being back is not a good sign.

Lythos: This time, he's not gonna get any lucky shots in.

Evil Comet Woman: No, he isn't!

Me: Yeah he hit us hard and we're not falling for that same mistake again!

Xenia: I agree!

Camie: Me too!

Tyzonn: Time for our entrance of the day.

Nico: Lets do it.

We went to find them and we found Pizza the Kid and the Flying Spaghetti monster in a valley.

We went at them.

Pizza the Kid was enraged.

Then the spirits of the Elemental Titans of Nature swirled around him and then they converged and then..

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and then a phoenix cry was heard and we came out.

Me: Pizza the Kid you are in trouble!

Nico: Big time!

Hydrax: You got lucky on J.D. and the others before.

Terror Dopant: But not this time!

Pizza The Kid: We'll see about that!

Qin: Yes we will! And your food sucks chum!

Tornado Bolt: Yeah it was amazing.

---

Sarah Dullahan: (Scottish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Sarah, what's the story on why you hate Hawk and Hank with a burning passion and why you want to drag their souls to the Underworld?

Sarah Dullahan: (Scottish Accent) Aye, you're not going to like this one bit. One day, Lincoln and I were heading back after a three-hour workout at the Gym, but then, we heard the sound of bellowing roars in the air, and we saw who it was: it was Hawk and Hank, and they still wanted to kill Lincoln for getting them thrown in prison, but I wasn't going to let them, so I summoned an army of souls of the damned, and it frightened them so bad, they peed and crapped themselves infinite times, and the two of them were left whimpering like scared little babies. We called the cops and they got sent back to jail, and we told everyone what happened, and they were not only glad we were okay, but they also laughed at what I did to Hawk and Hank.

Me: Yeah, I remember that one all too well, those butt-faces just don't know when to take a hint.

Lincoln: They never learn, and now, they're frozen forever as gold statues, and the same went with that bully, Abby Sanchez.

Nico: She had some nerve to try and bring back The 20 Days of Darkness, just because she wanted revenge and she still wanted Luan to suffer!

Maria: What a Class-A bitch!

Me: She eventually paid the price with getting turned into gold for eternity, it should serve her right.

Rukia Kuchiki: I should've known there's no mistaking that voice from anywhere. You can come out now, Yammy Llargo.

A large figure came out, and it was none other than Yammy Llargo, the 10th Espada of Sōsuke Aizen's army.

Rukia Kuchiki: I should've known you'd show your face yet again, as soon as word of the traitor's death reached you.

Yammy Llargo: And now, I'm going to avenge Lord Aizen and kill every last one of you!

Shana Kazami: Fat chance of that happening, the only one dying here is you!

Suddenly, Shana Kazami's emerald green eyes turned neon emerald green, and she was surrounded by an emerald green energy aura with winds, birds, and phoenixes, she unholstered her massive Storm Skyress-themed greatsword from her back, and as she approached Yammy Llargo, she left emerald green energy, winds, birds, and phoenixes with every step.

Shana Kazami: Just like with your lord, I will never ever forgive you for the crimes that you have committed against both the Soul

Society and the human world, Yammy Llargo, so many have suffered because of you, and now, I will see to it that you never rise from the dead ever again.

Suddenly, Shana Kazami was surrounded by a massive vortex of emerald green energy with winds surrounding the vortex, there's a flock of birds and phoenixes and the Ventus Bakugan, Storm Skyress, flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Shana Kazami emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Suddenly, Shana Kazami felt a sharp pain on her back, and then, her massive sky blue angel wings with green tips on the large sky blue feathers and stars grew much bigger for her new body, she also gained four smaller wings, she now has eleven massive and long emerald green wolf tails and Storm Skyress' long tail feathers, she has on a Ring of The Phoenix with emerald gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Shana Kazami's massive Storm Skyress-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of emerald green energy, winds, birds, and phoenixes, and when it emerged, it was transformed into Storm Skyress' Sky Storm Ventus Greatsword of Ventus Phoenix Sky Storm Justice, it's a brand-new massive greatsword with embedded emerald green gems and the Ventus Bakugan, Storm Skyress, etched on the 7'0" massive, wide, double-edged emerald green blade, large emerald green phoenix heads for the crossguard, large emerald green gem embedded in the rainguard, longer midnight black handle, four large emerald green phoenix heads and a large emerald green gem below the phoenix heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with emerald green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Storm Skyress' head with yellow gems for eyes and a large emerald green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Shana Kazami has transformed into into SUPER ANGEL-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA SKY STORM VENTUS BAKUGAN SKY FURY PHOENIX ANGEL OF DIVINE PHOENIX VENTUS SKY STORM JUSTICE AND DIVINE VENTUS SKY STORM PHOENIX LOVE!

We were amazed by Shana Kazami's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Yammy Llargo saw it, he rushed at her to kill her, but Shana Kazami fired a powerful emerald green energy blast with winds, birds, and phoenixes at Yammy Llargo and sent him flying into a wall, he got out, but now, he was ready for a fight.

Shun: Incredible, Shana's transformed.

Lincoln: And it's going to get really rough for Yammy Llargo now that we're going to join in, Shun, and Shana, you look beautiful, how do you feel?

Shana Kazami: (Divine Echoing Cosmic Voice of The Green Ventus Sky Storm Phoenix and Divine Green Ventus Sky Storm Love) I feel incredible, Linky. Now, shall we deal with Yammy Llargo once and for all?

Lincoln: (Smiles) With pleasure, Shana.

Shun: Right. Let's go and give them a hand, Skyress.

Skyress: Understood. We can't let them handle this by themselves.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable

Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Shana Kazami, and Shun summoned Storm Skyress, and they joined Lincoln and Shana Kazami.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to help Sōsuke Aizen destroy The Soul Society are over, Yammy Llargo, and now, it's time for you to die.

Yammy Llargo: Bring it on! I'll take on all of you at once!

Shana Kazami, Shun, Storm Skyress, and Lincoln went after Yammy Llargo, who tried to attack them, but they dodged his attacks, and they fired extremely powerful blasts of rainbow energy, emerald green energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, and Mermaids at Yammy Llargo, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to make you regret your recklessness. I activate the Field Spell,

Ancient Forest!

Lincoln activated the Field Spell, Ancient Forest, and a beautiful forest appeared out of nowhere, and it confused Yammy Llargo. Then, Lincoln, Shana, and Shun took to the trees, and he wasn't able to track them.

Then, Lincoln, Shana, and Shun attacked him with a display of the disciplines of ninjutsu: Taijutsu: as they punched and kicked Yammy Llargo all over the place with powerful punches and kicks, Kenjutsu: as they attacked him with their massive greatswords, Bōjutsu: as they attacked him with staffs that Lincoln created, Shurikenjutsu: as they threw razor-sharp shuriken at him, Sōjutsu: as they created spears and attacked him, Naginatajutsu: they summon naginatas and attacked him, Kusarigamajutsu as they summon some kusarigama sickles and attacked him, and Kayakujutsu, as they used some powerful explosives and pyrotechnics on him.

This was really pissing him off badly, and this caused Yammy Llargo to transform into his enormous, monster-like form, and he'd gotten stronger as a result of his anger, but it made him weaker as a result. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Shana Kazami, her hand-cannon Blaster is known as Storm Skyress' Ventus Sky Storm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's emerald green with winds on the blaster with a Phoenix, Angel, and Storm Skyress and the Ventus Symbol surrounded by winds etched on the sides, and an emerald green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Mana Marukura fired blasts of rainbow energy, emerald green energy, and elemental forces at Di Roy Rinker and as they hit him, they exploded with incredible power, and Lincoln turned one of the tips of his eleven massive and long white wolf tails into Cell's stinger, and he got right behind Yammy Llargo, and as he stabbed it into Yammy Llargo's back, he screamed in agonizing pain and Lincoln began absorbing him and assimilating his powers and abilities. Then, as soon as Lincoln was done, nothing was left of Yammy Llargo except for his clothing, his tail retracted and the stinger changed back, and an energy card with Yammy Llargo's soul inside it fired out from Lincoln's massive greatsword, and when the

Judgement Kanji appeared on his forehead, he was sent to The Black Gates forever. We cheered wildly for what Shana Kazami and Lincoln did to Yammy Llargo as they holstered their massive greatswords on their backs and powered down, and Shana Kazami's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long emerald green wolf tails and Storm Skyress' tails, and massive emerald green angel wings and four smaller green angel wings are permanent.

Shana Kazami: That'll teach you, you rage-driven Hollow. Thanks for helping me destroy Yammy Llargo, Linky, and same goes to you and Skyress, Shun.

Lincoln: (Smiles Warmly) You're welcome, Shana.

Shun: It was not only an honor to get the chance to fight alongside you, Shana, but that was a truly impressive display of ninjutsu.

Skyress: And we made sure that our foe paid the price for his crimes.

Suddenly, Shana Kazami wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Mana Marukura's face, they kissed passionately as Shana Kazami's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Storm Skyress flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and winds blowing behind them and we cheered wildly. Lincoln and Shana Kazami came back to us as the display and Storm Skyress vanished, along with The Ancient Forest.

Nico: Wow, Lincoln, Shana, Shun, Skyress, that was one amazing fight, and you guys really showed Yammy Llargo what happens when he relies on brute force, and that was so awesome that you guys used the disciplines of ninjutsu for this fight.

Me: And that was also a nice touch in using the Field Spell, Ancient Forest, Lincoln.

Lincoln: Thanks. Say, maybe we can also start using the Field Spells as well.

Nico: That's not a bad idea, Lincoln. We've used the Equip Spells before, so why not do the same with the Field Spells, and Jaden's used some pretty awesome Field Spells before in his Duels. Plus, we also know which Ghostrick Gene-Slammer we're meeting tomorrow, right?

Lincoln: Oh yeah, Aisha Arian, Gene-Slammer of Ghostrick Ghoul for Day 10 of The Dark World Treasure Hunt.

MetalSeadramon: Don't worry. We'll take good care of Pizza.

Machinedramon: He'll be a good addition to our ranks.

Puppetmon: We just need to find him an archenemy.

Thundermon: Now, let's get some of this spaghetti home.

Harpymon: I'll help with that.

Me: Good idea.

Xenia: Yeah.

Nico: But great job today everyone.

Uncle Grandpa: (To the viewers) Pizza the Kid is now in the M.O.E. And he made a huge mistake facing us.

Nico: He sure did.

Me: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

Me: I can't wait to see what this planet is going to be like.

Zuria: Boy me too! Man yesterday's food planet was incredible!

Xenia: It sure was. I have a feeling this one will be just as awesome too.

Lola: I have that same feeling too.

Lincoln: Yeah me too!

Camie: Well whatever it will be it will be awesome.

Sailor Venus: You got that right Camie.

Nico: Scarlet, I want to thank you, Doctor Octopus, and your teams for coming today.

Scarlet: It's my pleasure Nico and it's going to be so fun helping you out on this one too.

Sailor Valmorg: We're all really excited for this one.

Nico: Sailor Valmorg, how are you finding the Sailor Soldier life so far?

Sailor Valmorg: To be honest Nico, I'm loving it. It's a really powerful and amazing job to do.

Me: You are also the first Sailor Soldier that we met from a planet over 214 million lightyears away from Earth.

Zuria: Boy I'll say and that was one of the hottest planets we've ever been to.

Me: No kidding on that one! At 2,543˚Fahrenheit that is a really hot planet.

Sirius: Boy it sure was a hot one.

Camie: It sure was.

Sailor Valmorg: But it's awesome going to planets that have the most inhospitable of environments for you all.

Me: Yep.

Nico: Like the you know what planet.

Me: Don't worry Nico. I don't throw up anymore at the mention of Chum.

Nico: Oh good. Like the chum planet.

Zuria: You guys went to a planet made of Chum? YUCK!

Lana: I liked that planet.

Me: Well you did but not me. I couldn't believe we were on a planet like that and I hurled my guts out 7 times.

Laney: Yeah that was disgusting. You should have seen how many times J.D. threw up because of dad eating chum.

Lola: Yeah our dad had a secret hankering for chum.

Me: His school ran out of food and all they had to eat was chum. He actually liked it ever since.

Zuria: That is disgusting!

Qin: You're not kidding there Zuria. That was really gross.

Me: No kidding. And looking back I don't know what the fuck I was thinking picking that planet for the battle for Yost Spiderman.

Lana: Oh come on guys that was a great stage for us to fight in.

Lola: Well for you but not many of us.

Lana: Yeah.

Me: But yesterday was fun.

Nico: We had lots of spaghetti yesterday.

Me: We sure did. That was the sauciest and tastiest ever.

Camie: It sure was.

Xenia: What really shocked me was that Pizza the Kid got all of us before.

Camie: No kidding! Getting hit by cactus balls like that must have really hurt.

Me: Oh it hurt like a son of a bitch!

Nico: But that didn't work a second time.

Me: No it sure didn't.

Eli: Because of learning from our past experiences we didn't get hit again.

Nico: That is for sure.

Me: Also the nerve of Billy! That fucking idiot beat the living shit out of me all because he thought I was stealing Sonia when I wasn't!

Laney: Man what is up with that idiot!?

Magine: I'm sure he's learned a hard lesson about that.

Me: Well with someone as stupid as him it's highly unlikely.

Zuria: Why do you say that?

Me: Billy has an IQ of -5 and his brain is non-existent. He has NO BRAIN at all.

Zuria: Jeez!

Me: Yeah.

Magine: Hmm. Yeah you're right on that.

Lola: No kidding.

Me: But if he beats me up like that again I'm going to rip his fucking big nose off and shove it so far down his throat that he'll be shitting out snot for weeks!

Nico: You realise that I had to end up killing Old Lady Munson just to keep Billy on the team. Are you saying that we shouldn't have saved him from her and Hardly to begin with?

Me: What? No no no. I'm just really upset that I was beaten up like that from him and he was only half my height! I've never been so humiliated like that! Next to the incident in Erika's Gym!

Nico: Well, I pretty much did that lady thing to you. Are you gonna rip my nose off and shove it down my throat too?

Doctor Octopus: Okay, let's all just take a deep breath.

Me: Thanks Otto but no Nico! I would never do that to you.

Qin: Yeah Nico.

Me: (Sighs) I've never been so humiliated in all my life.

Xenia: I know J.D. I know. Billy has problems.

Lincoln: See what's going on thanks to your leadership, Nico?

Me: Lincoln!

Lincoln: What!?

Me: It's not Nico's fault! It's Billy's. Now guys Drop it.

Eli: Besides we went through so much trouble to keep Billy on the team after that.

Me: That's right. Now I don't want to hear another word about it! Do I make myself clear!?

Nico: But J.D.

Me: NOT ANOTHER WORD!

Nico: Okay okay okay.

Maria: We're already here anyway.

We arrived at a planet that looked like a golden yellow world.

Nico: Wow this planet looks cool.

Eli: It sure does.

We went down to the planet and we landed and we saw that it was a planet MADE ENTIRELY OUT OF MACARONI AND CHEESE! It had rivers of melted cheese sauce and noodles covered in cheese all over the place.

Eli: OH WOW!

Me: It's…

Nico: IT'S A MAC AND CHEESE WORLD!

Me: Boy this planet is incredible!

Qin: OH BOY! LETS EAT!

Nico was eating Mac and Cheese like crazy!

He was eating it all over like Pac Man.

Pinkie Pie: Oh boy! I love Pac Man!

WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA!

Nico was eating and eating and eating and eating and eating and eating all over the place!

Piles and piles of macaroni and cheese were gobbled up in seconds and they were gone.

May: Honey, save some for the rest of us!

Me: Yeah Nico don't be a pig!

Nico: Oh come on in guys!

We dove in and got to eating and man was it both cheesy and awesome.

Me: Mmm! (Eating) Delicious!

Xenia: Yummy!

Lola: Yeah!

Nico: There's even Blues Clues' Mac and Cheese and Spongebob Mac and Cheese!

Me: Boy I haven't watched Blues Clues in forever.

Lily: But this is cool that there is SpongeBob mac and cheese.

Laney: Boy it sure is awesome.

Nico: Yep.

Me: Awesome.

Nico: But you guys can get mac and cheese too.

Me: Thanks.

Lana: But this is so awesome that there is a planet like this.

Qin: I'll say!

Camie: Boy it sure is tasty too.

Sirius: So delicious.

Himiko: Yeah it's really good.

Maria: Let's give some to the mascots.

Nico: Good idea!

Xenia: Yeah!

Lola: They'll love it.

Nico: Yeah.

Lana: (In her head) I hope Billy isn't still mad at J.D.

Back on Earth, Grim and Billy were watching TV and Mandy was sitting on the chair reading a book and Billy was crying his eyes out.

Billy: (CRYING AND WAILING HARD) J.D. HATES ME! HE WILL NEVER FORGIVE ME!

BONK BONK BONK BONK BONK!

Billy bonked his head against the arm of the sofa.

Grim: (Jamaican Accent) Billy that's enough. You're acting like a twit. Besides he'll cool off. In a few years time.

Billy was really crying hard and with dripping snot from his nose like an idiot.

Back on the Mac and cheese planet we were still eating.

Nico: You think I should get King Kai something for Christmas? He's been warning us about incoming villains and yet, we have nothing to thank him with.

Me: Well we'll think of something.

Eli: Yeah we will.

Lola: We have plenty of time.

Nico: Whatever I get him, I'm sure I can send it to his domain in no time.

Me: Yeah you sure will.

Lola: Yep.

Nico: Yeah.

Me: You have plenty of time.

Nico: I promise I'll think of something!

Me: Yeah you will.

Qin:Yep.

Laney: We have 18 days left.

Nico: Okay, raise your hand if you've eaten enough

We all did and then we belched.

Me: Pardon me.

Qin: Man I'm stuffed.

Xenia: No kidding!

Eli: I think I'm done for the rest of the day.

Fluttershy: Me too.

Maria: I'm not full. But I think that's enough Mac and Cheese for me.

Camie: I agree.

Himiko: Me too.

Qin: But it was all so good.

Tsuyu: It sure was.

Zuria: Boy I'm really full though.

Nico: Okay, enough eating. Let's get what we came here for.

Me: That's right.

Starlight Glimmer: It was still… (WINCES IN PAIN)

Her mark for Sagittarius the Archer glowed and it meant that the next Another Undead Zodiarts was close and it was for Sagittarius.

Me: What is it Starlight?

Lincoln: Is it the next Another Undead Zodiarts?

Starlight Glimmer: I think it's for Sagittarius next.

Me: Whoa this will be interesting.

Nico: Let's see who it is this time.

Then a figure came out and it was ANOTHER SAGITTARIUS UNDEAD ZODIARTS! It looked like a mixture of Evil Centaur Man, Universe 666 Tirek and Universe 666 King Sombra.

Nico: WHOA!

Me: Wow this one is a wicked cool one.

Another Sagittarius Undead Zodiarts: (In a girls voice) (Giggles) Thanks J.D.

Me: (Gasp) That voice.

She reverted back and we saw that it was a green hair girl that was actually a Sailor Soldier.

Me: (GASP) Callie Connellia A.K.A. Sailor Cholganna!

Nico: Whoa the Sailor Soldier for the planet Cholganna.

Eli: This is amazing! We never met a Star Wars Planet Sailor Soldier before.

Me: Actually we have bro. Sailor Hoth?

Eli: Oh right.

Sailor Valmorg: Next to me being from 214 Million Lightyears away from Earth that makes me the first Intergalactic Sailor.

Nico: It sure does.

Me: But it's awesome seeing you again Callie.

Sailor Cholganna: You too J.D.

Nico: How do you know her J.D.?

Me: Callie and I were a great team together and we busted lots of bad guys in numerous parts of Harlem, New York.

Nico: That is cool!

Eli: No kidding!

Sailor Cholganna: It sure was.

Me: Any other opponents with you?

Sailor Cholganna: Actually yes. Another version of him. (Points to Doc Ock)

Doctor Octopus: Another me!? Whoa!

Nico: You're the second Sailor Soldier who Swartz got to

Sailor Cholganna: I sure am. And there are many more.

Qin: We'll have to watch out for them though.

Camie: Yeah.

Starlight Glimmer: But I'll face you to save you.

Sailor Cholganna: Okay.

She turned into Another Sagittarius Undead Zodiarts and Starlight fired a beam of magic and energy and it hit her and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Rouse Card and the Zodiarts switch and purified them and the Rouse Card had a picture of the stars and the symbol of Sagittarius the Archer on it as well as a centaur with a Bow and Arrow. Then the Zodiarts Switch glowed and turned into armbands for those marked with Sagittarius. I went over and picked up Sailor Cholganna and brought her over.

Sailor Cholganna: (GROANS) What a headache.

Nico: One down.

Me: Yep.

Eli: That means the Another Villain can't be far behind.

Me: Nope.

Then a figure came out and it was a dark version of Doc Ock! It was ANOTHER DOCTOR OCTOPUS!

Me: Whoa! Another Doctor Octopus!

Nico: Wow! This one has lots of arms.

Maria: And you are?

Another Doc Ock: (In a girls Voice) You should know Maria!

Maria: (GASP) Oh no! I was hoping never to hear your voice again Ronalda!

Nico: Uh oh.

Me: You know her Maria?

Maria: Unfortunately yes. You see this is my evil twin sister Ronalda Rockell. She hates my guts to the Nth degree. The reason is because she was born with a heart as black as night and she was extremely jealous of me because mom and Carmen hogged all the attention and left her with nothing. Ronalda has been an absolute problem child for us ever since. She started doing terrible crimes and getting in trouble numerous times with the law. We called her Ronalda the Terrible. Mom disowned her and forced her to live on the streets and she did drugs and all that.

Nico: Oh man!

Me: I didn't know you had a twin sister Maria.

Carol: Yeah Maria never mentioned her because she was so evil. She never talked about her much other than the fact that she was a heartless menace that never belongs in her family.

Maria: That's right.

Me: I saw a picture that had a torn photo in it. Half of the photo was ripped off.

Maria: That torn photo was Ronalda. After she was disowned, mom swore to erase all thoughts of her.

Me: Jeez!

Kaito: (gets out GoGoV Gear) Normally, we'd ask what Swartz promised you.

Zocks: (gets out Timeranger Gear) But I think it's obvious what that promise was.

Me: And it's obvious you want revenge!

Another Doc Ock: That's right! Maria took everything from me! She ruined my life! I was the best and the star and I deserved everything! Maria was nothing!

Me: How delusional are you?

Maria: Ronalda always had a nasty history with mental problems.

Me: Oh boy. But it's time for her to learn her place.

Maria: Big time.

Kaito got a Thermal Blaster and Zocks got a Vortex Blaster.

Maria: You make me sick Ronalda!

Sougo: (gets out Zero One Ridewatch) I hope you didn't get caught in the Big Bang too.

Armor Time! (Techno rock music) Progrise! Zero-One!

Geiz: (gets out Diend Ridewatch) If you did, then you don't deserve any powers that you have!

Armor Time! (Upbeat rock music) KamenRide! Diend!(Diend transformation noises)

Sougo got ZeroOneArmor while Geiz got DiendArmor.

Me: That's for sure!

Maria: No Ronalda was not caught in the Big Bang.

Another Doc Ock: That's right I was living in the subway on the opposite side of the city when it happened. But I will never forgive you for everything you did to me Maria! I hate you more than life itself!

Maria's aura flared up with incredible force and power.

Maria: Thanks for the power boost Ronalda.

Maria fired waves of water and smashed her down.

Nico: (gets out Doctor Octopus' Ridewatch) As Maria's little brother, I won't let you hurt her!

Nico activated it and grew Doc Ock's arms and fired lasers from them.

Xenia: Take this!

She fired arrows and blasted Another Doc Ock all over.

Qin: I won't let you hurt Maria!

She fired waves of fire and smashed and burned her.

May: (gets out Universe 666 Aresia's Ridewatch) Time for some girl power!

She activated it and picked up a huge and heavy wad of macaroni and threw it smashed onto Another Doc Ock.

Qin: YEAH! That was awesome!

Camie: Wow! Go May!

Nico: That is my awesome wife!

May: (gets out Cancer Zodiarts' Ridewatch) You won't have time to enjoy that macaroni! Because this is gonna make you CRABBY!

She activated it and her arms turned into HUGE CRAB CLAWS!

Qin: Fitting.

She snapped her claws at Another Doc Ock and pinched her all over the place and snapped her all over.

Nico: Nice one May!

Qin: That was funny!

May: Thanks.

Maria: (gets out Tech Geargolem's Ridewatch) The difference between you and me? I learned the error of my ways! You didn't!

Another Doc Ock: That's because mom loved you more than me! You were always little miss perfect! I wanted what you were!

Qin: You are a selfish bitch.

Maria activated her ridewatch and fired waves of energy and blasted her all over.

Scarlet: And another thing I learned about Doc Ock is he did this!

She formed a mini sun and smashed her down in a fiery explosion.

MASSIVE FIERY EXPLOSION!

Maria: (gets out Super Zebesian's Ridewatch) And another thing? Carmen and Carol are my true sisters. Not you!

Another Doc Ock: FINE WITH ME!

Maria fired blades at Another Doc Ock and jumped and flipped and got behind her and the she did a devastating kick to her back and smashed her tentacles into dust!

Another Doc Ock: NO! My tentacles!

Eccentro and his team came and they had him the Red Guy, Good Cinder Fall, Mandy the Merciless, Bin Banki And Kid Rot.

Red Guy: Hell-o! It's me!

Eccentro: Hey guys!

Nico: Nice team, Eccentro!

Eccentro: Thanks.

Good Cinder Fall: (Seductively) Hey J.D. Looking great.

Me: Thanks C.F.

Nico: Huh?

Me: The Good version of Cinder Fall and I have been dating for a while and I'm going to have her in my harem soon.

Nico: Nice!

Universe 666 Aresia: I'm happy for you, Cinder.

Good Cinder Fall: Thanks Aresia.

She fired waves of fire and blasted Another Doc Ock down.

Sailor Valmorg: Taste This.

She activated Iron Maiden's Ridewatch and fired iron blades and slashed her all over the place.

Maria: (to Good Cinder) Funny how you're fighting alongside me again.

Good Cinder: Yeah it sure is but I think it's cool.

Qin: Me too.

Maria and Good Cinder fired waves of fire and water and smashed Another Doc Ock.

Xenia: Take that!

May: I hope the next Gene Slammer is near.

Then something tickled May's leg.

May: (Laughs) Hey cut it out Nico.

Nico: May I'm not even doing anything.

May: Then who is… (LAUGHS)

We saw that it was a Ninetales tickling her.

Nico: A Ninetales. Wow!

Ninetales: (In a girls voice) Looks like I got here just in time.

Nico: Amara Valmorgia! Wow!

Ninetales: Good to see you Nico. I got this.

She fired a Hyper Beam Blast and it hit Another Doc Ock and she exploded!

MASSIVE FIERY EXPLOSION!

I caught the Ridewatch and purified it and then Nico and Maria went over to Ronalda and they were pissed at her. Ronalda was a brown hair girl with blue eyes and was in an orange prison jumpsuit.

Ronalda: (GROANS) My head. YOU WILL PAY FOR THIS MARIA! I WILL MAKE SURE YOU SUFFER!

Nico: Oh I don't think so!

Nico and Maria then punched her square in her face and knocked her out and tied her up.

Ninetales: Serves that wretch right!

Sailor Valmorg: What's your favorite memory of Nico?

Ninetales: My favorite is when me and Nico went into an abandoned factory and we found out that it was really a heroin production factory and we blasted the factory into dust and arrested all the people in it.

Me: Wow that is awesome!

Nico: Yep and also Amara is from the planet Valmorg and she is a Kitsune.

Sailor Valmorg: Wow! That is cool! Also it's great to meet a fellow Valmorgian.

Ninetales: Same to you.

Nico: Lets get you back to normal.

Ninetales: Okay but I'm naked.

Varie: We got this.

Varie formed a wall and took her back behind it and then Nico snapped his fingers and Amara was reverting back.

Amara groaned as her tails went back into her butt.

She then regrew her Kitsune fox tails and had Fox Ears on top of her head. She had fiery red hair and fiery eyes.

She got up and was naked and the Fashion Brigade gave her awesome red clothes and she came out and was awesome.

Nico: Wow!

Amara Valmorgia: Wow this outfit is awesome.

Nico: It sure is.

Nico and Amara hugged.

Nico: I really missed you.

Amara Valmorgia: Me too Nico. Me too.

We got lots of mac and cheese for everyone and then went back home.
